Closing the Distance

by ResFlower

Summary

What, princess?

The innocuous text makes her smile—she can almost hear Catra saying the words in her mind.

I'm thinking of you in my bed. Where I am.

It's subtle but she knows it'll get the job done. Being in a long-distance relationship has made them both well-versed in the art of picking up sexting cues. Now she has to hope that Catra will be game. Otherwise, she's going to be fucked—and not in a good way.

Is my princess nice and wet for me?

OR

Adora can't have an orgasm from touching herself alone. She texts her girlfriend for help. Smut Prompt: desperate need.

Hey, guess what I'm doing right now?

Adora is laying in her bed, her hands tracing up and down her torso. She usually doesn't do this type of thing in the middle of the day, but it kind of got away from her. She's been stressed about a long-term project she has to turn in next week and she hasn't had sex—hasn't seen Catra at all—in over two months now. She misses her girlfriend all the time, but every time they don't see each other for more than a handful of weeks the gnawing ever-present ache becomes unbearable.

She thought maybe some time with her vibrator might solve the issue, or at least provide a much-needed distraction. But it feels hollow, the sensations good but not getting her where she wants to be. Now, she's even more horny and frustrated. So, she turned to her girlfriend for comfort. Through a phone screen, but it's better than being alone. And hopefully, it'll be better than trying and failing to have a fucking orgasm.

What, princess?

The innocuous text makes her smile—she can almost hear Catra saying the words in her mind.

I'm thinking of you in my bed. Where I am.

It's subtle but she knows it'll get the job done. Being in a long-distance relationship has made them both well-versed in the art of picking up sexting cues. Now she has to hope that Catra will be game. Otherwise, she's going to be fucked—and not in a good way.

Is my princess nice and wet for me?

Adora audibly groans, pinching her nipples. She *is* wet from earlier but just those words reignite the fire she feels in her core. The picks up her phone and rushes to text her back.

Yes, baby. I want you so badly.

She wants to start touching herself again, but she knows Catra will start giving her instructions and she wants to wait for that. It's how they usually do it when one of them is needy—it makes it feel more like Catra is the one touching her instead of touching herself. She stares at the screen and after what feels like too long, a new message appears.

Lick your fingertips and touch those pretty nipples for me.

She feels so dirty as she sucks immediately her finger into her mouth for a moment then starts touching her nipples. It feels nice, the wetness drying quickly and leaving a cool sensation whenever the pads of her fingers lift up. She works at it until she feels her phone vibrate.

I'm willing to bet you were a good girl. Now, I want you to stretch that pussy for me. Use your vibrator if you have it.

Adora feels around for the forgotten toy, finding it buried under some of her sheets. She quickly brings it to herself, rubbing it against her entrance before easing it in. Fuck, it feels nice. She's already warmed up from earlier but she's mindful that Catra didn't tell her to fuck herself. Instead, she focuses on how full she feels, inadvertently clenching down on the toy.

I want you to use some nice long thrusts. How are you doing, princess?

Adora uses voice to text so she only needs one hand. And so she can keep fucking herself with the other.

I'm so full. I'm using the vibrator.

She enjoys the stretch and takes a deep breath as she feels the vibrator bottom out. The vibrator is slippery in her hand, the whole thing covered in her slick. It feels better than it did before and she can't wait for more.

Good girl. Keep going.

Adora takes a deep breath and does exactly as asked.

Sexting in public is such a fucking terrible idea but Catra is willing to risk it for Adora. She has been missing her like crazy these last few months and riling Adora up like this is one of the only things that get her through their physical separation.

I wish you could hear the sounds I'm making because of you.

Catra bites back a groan. Well, fuck. She'd just told Adora to fuck herself with her vibrator off, nice and slow to warm it up. Catra clenches her thighs, probably looking like she has to use a bathroom on this train. She takes a deep breath through her nose.

I want to hear you too, Adora. Get loud for me.

She mourns the fact that she can't hear the gorgeous noises that Adora is probably making for her. Probably moaning her name or those little whines she gets when she's close. Fuck, she wants to hear her come so desperately. But more than that she wants to hold her, kiss her, to feel like this distance is gone. She taps her foot on the train floor, her eyes unseeingly staring at the ground, her mind miles away from where Adora is. When the train doors open she grabs her bag and hurries out. She needs to get out of public. She reaches the car and she thanks her lucky stars that she decided to spring for a rental. She got the keys and quickly hopped in.

I'm getting in the car. Let me hear you.

Adora's name immediately flashes across her screen and she picks it up. "Catra?" Adora's voice is a high whine, desperately searching for something.

Catra groans. "Fuck, you sound so wrecked." She wants to close her eyes but she has to pay attention to the road. She grips the steering wheel hard as the sounds Adora makes ring

loudly in her ear. "What are you doing?" She begs. Catra has to know, to at least see it in her mind's eye.

"I'm—fucking myself—like you said." She can hear the little pants that must be in time with Adora's thrusts. Her voice is breathy and it breaks into a long moan.

Her knuckles are white and all of Catra is coiled tight. "Are you close, princess?" She asks breathlessly.

"Yes but—fuck, this isn't working." Adora's voice oozes frustration. "I just want you to touch me." She whines. Catra can imagine her arms thrashing the sheets.

"I want to touch you too. Adora. You have no idea." Catra lets the words spill out of her. "If I were there, I'd touch you wherever you want. I'd fuck you and kiss you everywhere. I'd love to turn you over and just fuck you with my fingers and my tongue." She can almost taste it. She wants to shut her eyes to imagine it but instead, she watches the car in front of her. "Maybe with that vibrator you have in your cunt right now. Is that what you want?"

She makes a noise of protest. "No, I want your fingers and your lips on me." She manages to gasp out. "I just want you."

"Then I'll do that." She promises. "And you'd take it all, wouldn't you? I can stuff you full, right princess?" She's running her mouth looking for any words any imagery that'll pull Adora over the edge.

"Uh-huh." Adora's words are almost slurred.

Catra looks up at the apartment, quickening her steps. She's finally made it. She slips out the key and unlocks the door, more than ready to get inside. Her hand shakes but she manages to turn the key and throws the door open.

Adora focuses on Catra's voice and keeps pounding into herself but she can't get what she needs. She tries rubbing her clit and keeps going but there's no use. She's hit a mental block.

"Wow, princess. You're such a mess for me." She can hear the words both through the phone —on speaker laying by her head—and in person. Her eyes snap open and there is Catra, tossing her bag on the ground and slowly opening the buttons of her shirt. She looks amazing, a smirk on her face as she pulls off her shirt, eyes a little wide as she takes in Adora's desperate state.

Adora tries to get up—to go to Catra—but the brunette is faster, leaning down to passionately kiss her. Adora moans into the kiss because it's exactly what she wants. She can smell Catra, taste her. Catra is here with her.

"I missed you." She says between kisses. "All the time. What are you doing here?" She cups Catra's face and smiles brightly.

Catra smiles back leaning down and kissing her again. "I was going to surprise my girlfriend with a visit. Imagine my surprise when I'm an hour out from getting here and I get booty called." She teases as her hands dance along Adora's torso.

"I did not booty call you!" She shakes her head but she can't wipe the grin on her face.

"Oh, but you look like you need me," Catra says with a smirk looking down at Adora's naked body. "Fuck." She bites out before kissing Adora again.

"You're so swollen and needy. You look so gorgeous. So ready for me." Catra's breath is on her skin and she can smell her and she's *here*. Fuck.

"Catra, please." She whines.

She nods her head and finishes taking off her pants. The moment she's naked, she climbs into the bed with Adora. It feels like instant relief, for Catra's skin to touch hers, for her to wrap her arms around Adora.

"I'm going to take care of you." She murmurs, her hand slipping between Adora's thighs. Adora almost sobs from the touch, pulling Catra so that she's on top of her. "Fuck, Adora how long have you been at this?" She peers down and looks back up at Adora.

"Fucking *hours* and I can't come." She whines pressing her face into Catra's neck.

Catra turns her head and kisses her. Adora raises her hand to cup her cheek and keep her in place and continues to kiss her. She still can't wrap her mind around it—that Catra is in her arms. The joy from it is like a drug and she just wants to be close to her. Catra must be the same because she won't stop kissing her or pressing against her. One of her hands is caught between their bodies, but she won't move away even for a moment to adjust that. When she breaks the kiss she continues to trail others down Adora's neck.

"I love you." She whispers on Adora's skin. "You've been such a good girl, haven't you?" She asks lightly.

Adora nods rapidly. "Yes, yes, yes." She chants. "Please, touch me?"

Catra nods and shifts her hips so that the hand caught on Adora's public bone can slide down, one of her fingers entering her. Adora moans out, angling her hips up so it's easy for Catra. She pulls her down for a kiss, her lips touching anywhere she can reach—her cheeks, her lips, her jaw, and her neck. She can't believe she gets to have her this close, to taste her and feel her.

Adora gasps when she feels Catra thrust hard. She's almost sore from touching herself but she also feels close, her legs shaking as she tries to part them for Catra.

"That's right, baby. You're mine." She whines as she drinks in Catra's words, her hungry stare as she ravages Adora. "My good girl. And you're going to give me what I want. Isn't that right?"

"Uhhuh." Adora tries to nod but she doesn't know that she manages to with all the movement. She lets out a sob, she feels so close, on the precious of a drop she feels ill-prepared for.

"You're going to come for me right now, baby. Do you hear me?" Catra's voice is deep and low, her fingers curling inside of Adora, hitting every right spot. Still. It's just out of reach. Catra bends down and takes her nipple into her mouth, her teeth grazing it as she sucks it hard.

That fucking does it.

She lets out a scream when her orgasm hits her. Her back arches and she feels Catra's arm wrap around her waist, holding her steady as she fucks her through it. It's too much for a moment—she can't breathe and everything that felt so tight, light flashing behind her eyelids—but Catra's touch is grounding her, prolonging the spikes of pleasure.

She's not sure how long she's suspended in that ripple of pleasure but when she finally feels like she's back inside her body, it's to Catra grinning at her, an overly fond look that makes her heart flip-flop.

"You're so gorgeous." She whispers before pulling her in for a tender kiss. Adora gasps into the kiss when she feels Catra gently remove her fingers.

Adora pulls back a little, her eyes trailing her girlfriend's face. "I can't believe you're here." She murmurs before pulling her into a hug. She rolls them so they are side to side and she can bury her head into the crook of Catra's neck. "This is the best surprise ever."

"I figured you could use someone to take care of you for a bit while you turn in your capstone. So I'll work from home this week and make sure you have everything you need so you can finish it." Adora bursts into tears and Catra's eyes widen. "I mean, only if that's alright? Baby, don't cry." She begs as she runs her hand down Adora's back.

That just makes her cry harder. "I'm fine—happy tears." She manages to get out. She lets Catra wipe the tears off her cheeks. "I was just missing you so bad and feeling so overwhelmed. This is like the best thing that's ever happened."

"I know you were feeling it." Catra murmurs. "That's why I decided to surprise you. I love you so much, Adora."

"I can't wait until we can move together." She sighs as she nuzzles Catra's chest.

"Me too, princess." She places a soft kiss on the crown of Adora's head. "But for now, we get to play house for the week. How about we go take a shower so we can take a nap?"

Adora hums happily. "Sounds great. Let's do it in five minutes when I get use of my legs back." She's so sore. She knows a shower will make her feel better, but getting there is going to take gathering all her motivation. "I love you. Thank you for being so wonderful."

Catra laughs. "Nothing to thank me for. I love being with you and I love what we just did." She runs one hand through Adora's hair. There's no more need for words as they lay with

each other, soaking in the afterglow.

End Notes

The alternative to this smut prompt was "being in heat" (I honestly can't remember the exact [hrasing this one took my a bit to put together) so I decided to make Adora the one who was really needy because we usually see it done with Catra (for catgirl reasons lol). Hope you liked it!

Also don't phone sex and drive! This is a PSA lol
