High Rollers, Stage Left

by Tanis_Zed

Summary

Catra's job at the strip-club pays the bills, but she doesn't always enjoy it... but tonight she's LOVING it! Especially since there's a drunk girl throwing around money like the world is ending, and her friend is crazy hot!

Notes

Someone on twitter vaguely suggested this idea... oh who am I kidding, I just love a good stripper AU.

For best effect, have Dirty Little Animals - Bones Uk on in the background.

See the end of the work for more notes

Catra hastily filled out the last few questions of her calculus homework in the dressing room. God, why did her college have to require math credits? She was almost out of time, so she stuffed her coursework in her locker and put the finishing touches on her makeup.

Catra's lipstick and eyeshadow were the same sparkly pink as her lacy bra and flimsy panties. It wasn't exactly Catra's style, but the patrons at the club were too vanilla to appreciate leather and chains, so punk was out, bimbo was in! At least Scorpia was the bouncer tonight, she didn't let *any* bullshit slide, not like Lashor, he didn't give a *fuck* when people got grabby. Eugh, Catra hated this job, but her scholarship only covered her tuition, and food wasn't free, so Catra stripped her way through law school.

"Ladies, Gentlemen, and all of us who *transcend* such labels!" The dj, Double T rouble, said into their microphone, "Please welcome to the stage, the prettiest kitty in the city! Mistress of the pole, and high flying high-femme! Everyone, give a cheer for Kitten!"

That was her cue. Catra sauntered onto the stage, tail flicking to the pounding beat of the club's music. Big tippers stage left, the quartet of gals." DT advised quietly. "Knock 'em dead, darling."

"If anyone grabs my tail again, I'm kicking them in the throat." Catra muttered darkly as the previous dancer finished wiping down the pole.

"Don't get arrested, love." DT smirked.

When Catra took the stage, she immediately spotted the group Double Trouble was talking about. It was hard not to, two of them were tall blondes, and one was covered in more glitter than half the dancers! Catra lazily swung her way around the pole, before starting in on a pretty basic dance. The song was pretty chill, for now, not high-energy enough to justify climbing up and showing off Catra's acrobatics. The relaxed pace gave Catra a chance to get a good look at these big tippers.

The short glittery one looked drunk. She was laughing the loudest, cheering the loudest, and all together looking like she was having a great time! The fluffy pink hair looked cute on her, Catra had to admit.

Sitting to glitter bombs right was someone with the exact *opposite* energy. The dark haired woman was watching Catra, sure, but she looked like she wanted to be *anywhere* else. She wasn't gonna be a good source of tips.

On the other end of the group was a tall thin blonde. Catra didn't often use flowery language, but the best word to describe her was 'willowy'. With long slender limbs and a light airy laugh, she was clearly having almost as much fun and Glitter, but seemed a bit more sober.

Between Glitter and Skinny , the tallest and largest of the group sat. She was the other blonde in the squad, and she was *jacked!* The short sleeved button-up (with the top four buttons undone) showed off her chiseled biceps and powerful shoulders, and *man* did it look good to Catra!The big girl also looked about as star-struck as Catra had ever seen someone look!The two locked eyes for just a fraction of a second, and Catra shot her a little wink, making the blonde blush heavily.

The slow song Catra had been lazily dancing to shifted almost seamlessly into a much more uptempo beat. Catra could hear the thrash of electric guitars buried in the beat. Catra glanced back at DT, who just gave her a thumbs up and a wink that said 'go for it!

Catra let a chaotic grin settle onto her face as she bounded up onto the pole, whirling around as she easily climbed higher and higher. As the rhythm built up momentum, Catra got ready to *really* show off! Catra let the song carry her away, getting her into the right headspace for dancing.

Taste what fell from grace

Wanna taste what fell from grace

Run away from the faith

Let's race if you wanna taste

This was one of Catra's favorite songs to dance to, through the lead up to beat drop, she showed off a few poses, using her arms to hold herself perpendicular to the pole, holding on with just her hands, and swirling around the pole, hee knee and tail the only thing holding her up.

I never felt like this before

I think I might just want some more

I never felt like this before

I think I might just

Catra dropped a good ten feet from the top of the pole as the beat hit, catching herself with one hand and swinging her feet up to hold the pole, Catra smiled at the collective gasp of her audience.

Slide, shake your bones out if you wanna ride

Catra caught the gaze of the hot one, shooting her a smoldering look as she slipped her bra off, still dangling upside down.

Throw your head back make you feel alive

She pulled her bra the rest of the way off, baring her perky tits to the audience. Catra spent a few rotations around the pole just playing with her boobs, to the cheers of the club.

The kind of bad that makes you feel good, good, g-g-good

Catra saw Glitter girl waving a few bills at her, gesturing for Catra to get closer. Catra twirled around, letting go of the pole and landing on her feet.

The little death that makes you feel alive

The kind that shouldn't mean that you should, should, should

Catra slid up to the group of girls at the edge of the stage, and let the sparkly one put a handful of bills in her sparkly pink thong. **Shit** those were all twenties! How much had Glitter here been tipping?

"Hey ladies." Catra said over the music. "Girls night out?"

"You know it!" The sparkly one replied happily .

"Your friend there doesnt seem to be having much fun." Catra smirked.

"Mermista is the token cis-het of the group." The skinny blonde joked.

"That's a shame." Catra said with an exaggerated pout. "Girls are just more fun!" She looked at the buff one. "You get me, right?"

"Hell yeah!" The amazonian girl replied immediately, to the laughter of her friends, even ms grump over there.

The second drop was coming up, so Catra leaned back and levered herself up into a handstand.

Dirty little animals

She let her legs fall open, with only the flimsy pink material of her panties covering her pussy, and they really didnt hide much!

Beautiful cannibals

As the music worked itself back to a frenzy Catra did some more acrobatics, making sure to catch that cute blonde's gaze every now and again.

God, the kinda wrong that makes you feel right

Catra presented her barely covered ass to the group, slipping her fingers into the band of her panties, she shot another teasing look over her shoulder, biting her lip lightly as her tail thrashed in the air.

The little death that makes you feel alive

Bills flew onto the stage, and Catra slipped her panties down her legs, letting them drop to the base of the pole she was dangling from.

The kinda shouldn't that mean you should, should, should

Sparkles and Skinny were cheering loudly, but the hot one looked too awestruck to move. Honestly, it was kind of flattering to see a girl too stunned over her body to speak.

Dirty little animals

Catra leveraged herself into a spin, spreading her legs to let the whole club see her bare sex.

The kind of bad that makes you feel good, good, good

Catra held onto the pole with one hand and spread her lips for the hot blonde with the other, a single drop of Catra's arousal glittered in the spotlight as it fell from her.

Dirty little animals

Glitter broke out a fresh stack of bills and cracked the seal on it, miming making it rain.

The kinda shouldn't that mean you should, should, should

Catra obligingly twirled off her pole, coming to kneel in front of the buff blonde, who had the stack of cash shoved into her hand by her sparkly friend. Catra glimpsed the face on the bills and saw they were fucking hundreds.

Novocaine, never same, giving local luck

Dancing naked where everyone can see her, while being showered in thousands of dollars? Dreams really do come true, Catra thought to herself.

But when you go under, you will never go back up

Catra spread her knees and rolled her hips as the cash fell all over her. Fuck, she was more turned on than usual!

Novocaine, never same, never going up

t was all that buf f blonde's fault!She was jıst too hot!

'Cause when you go under you will never go back up

The unfairly attractive blonde ran out of cash to shower Catra with… but honestly she didnt need more tips. There was at least a few grand between her knees there and then. "Y oure going all out arent you?"Catra giggled.

t" s Adora's birthday!"The skinny one said, putting her hand on the hot one's shoulder. 'And shed never been to a strip-club before!"

Adora, was it?"W ell, happy birthday!"Catra said sweetly . "d of fer you the birthday special, but Ileft my candles at home."She teased.

"T oo bad. Imight have to spank you for being forgetful."Adora fired back.

Well damn!"Dont threaten me with a good time, cutie."Catra smirked.

"Threat?"The blonde grinned. "That was a promise!"

"Oh my god!"The mopey one groaned. "Shouldnt you be dancing or something?"

A few seconds later, the song ended, and Double Trouble came on the mix again, "Everyone give a big cheer for Kiten!What a show!"

"W ell, time for me to clear the stage."Catra stood up, scattering hundred dollar bills. "I catch you later , right, Adora?"

Catra swung her hips with exaggerated swagger as she walked backstage, tail curling and flicking playfully.

Lonnie was back there, getting ready for her set. "Man, Ihate being your followup act."She grumbled.

"Relax, there' s plenty to go around tonight."Catra smirked and chugged from a water bottle.

Lonnie looked like she was about to make some cutting remark, or witty comment, or whatever, but DT's announcement stopped her. "And now , my good people, Ipresent our club's very own soldier girl, she may be back home, but she's still fighting fit!Give it up for Sarge!"

"Kock 'em dead, Sarge!"Catra snickered.

"Still a better name than Kitten."Lonnie huf fed.

Catra got dressed enough to walk around the club, which meant getting her sparkly lingerie back on and covering it with what could generously be called a dress, but most people would call it about a dozen strips of pink spandex. Again, the clientele was too wimpy to handle Catra's full punk glory, so the bimbo look was where it was at. As soon as Catra left the dressing room, Scorpia flagged her down.

"Hey wildcat, those high rollers asked for you."Scorpia said. "Apparently they wanna buy some dances for the birthday girl."

Catra couldnt deny she was interested in getting her hands on Adora's body, and hey, fun bonus, she was getting paid for it!

The squad had moved to a booth, as it turned out. Man, Lonnie would be *pissed* they weren't throwing fat stacks of cash on the stage anymore. Still, it looked like they had managed to get sparkles to sober up a little, *somehow!*

"Hey Adora." Catra smirked. "I heard you were looking for me. Missed me so soon?" She teased. "So, did Scorpia tell you the rates for dances?"

"Yep." Glitter bomb nodded. "Let's see, here's enough for..." she visibly struggled to do math. "I dunno, a bunch of dances." She handed a wad of cash to her buff friend. "Have fun!"

"Thanks Glimmer." Adora stood up from the booth. "Sooo, uhh..."

"Follow me." Catra smirked, trying to hide how intrigued she was by just how much taller the blonde was than her. "There's some more private seating upstairs."

As the two walked away from the group, Catra couldn't help but indulge her curiosity. "So... Glimmer's a big spender."

"Yeah." Adora chuckled. "She always goes overboard on celebrations and stuff. Her family is loaded, so she has the money to burn, I guess."

"Huh. Lucky her ," Catra muttered. They managed to get Adora set up in a padded chair that was a bit too small for her massive frame. Catra couldn't help but giggle at the sight. "Hang on, I think we can find a couch or something." She laughed.

"What? Afraid of getting up close and personal?" The huge woman teased.

"I'm afraid of breaking the chair!" Catra cackled.

"I'll catch you." Adora said confidently .

"But that's against the rules." Catra said playfully , stepping up to the seated woman and straddling her hips. "Look, but don't touch." She smirked. Catra's pink dress came off in one smooth motion, as it was designed to, and she tossed it on top of the partition that gave the little nook just enough privacy for a lap dance. Catra didn't really need it, she actually liked being watched, being *wanted.* Catra was already turned on from dancing on stage earlier, if she wasn't careful she'd end up leaving a wet spot on her customer .

Now *that* was a hot idea. Catra bit her lip as she writhed in Adora's lap, her motions flowing into each other in time to the music, still loud, but not quite as much here. The music was muffled, and a little distant, and the dimness made it feel intimate and secret.

Catra could feel Adora growing warmer beneath her, could hear the way her breathing got deeper, could see the blush rising on her cheeks.

Catra turned around in Adora's lap, taking a brief moment to bend down to really show off her ass before stradling Adora's hips again and playfully booping her on the nose with her tail. Catra rolled her hips bounced in Adora's lap, imagining what it would be like to be riding the muscular woman's strap. Shit, she was supposed to be turning Adora on, not the other way around. But judging by the way her customer was crushing the life out of the armrests, she was plenty turned on too.

Catra reached back to lace her hands through the buff blonde's hair, and leaned back against her muscular chest, enjoying the feeling of Adora's breasts pressing into her back, almost as much as she enjoyed the desperate little gasp that she let out when Catra did that. "You remember the no touching rule?" Catra teased. Adora just nodded in response. "Well, some rules are made to be broken." Catra's tail lightly wrapped around Adora's wrist and gently tugged it towards her body.

Adora eagerly grabbed at Catra's thighs, sliding her hands towards Catra's sex. She stroked Catra through her sparkly panties, while her other hand slid up over her abs to cup her tits through her bra. Catra gasped and purred with pleasure. "More!" She sighed.

"Do you *want* me to get kicked out?" The blonde smirked.

"Mmh. A private room is 1200." Catra gasped. "I'm sure your friend is good for it."

The sparkly one (Glimmer! That was her name! Catra had forgotten for a second there) was in fact good for it. They got themselves a bottle of wine and a spacious room to use for private dances easily. Catra sat on the couch, smiling in anticipation as Scorpia explained the rules to Adora one more time. "Same rules as before, look, but don't touch. If Kitten initiates it, that's fine, but otherwise, hands to yourself. This is a strip club, not a brothel."

"Got it." Adora nodded.

"Aaand I'm pretty certain Kitten is about to ignore ALL of this." … Scorpia sighed. "So, just try to be quiet, will ya?"

"Ha!" Catra scoffed. "You know me so well, Scorpia!"

"Have fun." Scorpia called as she walked off.

Catra didn't even wait for the door to close before she dragged Adora into the room and pushed her down onto the couch. She immediately climbed into the muscular woman's lap, tossing her sparkly bra aside. Catra pulled Adora's button up open, revealing her chiseled muscles and simple sports bra, which was just as sexy as Catra's sparkly lingerie, in its own way.

"Fuck!" Catra smirked. "*I'm* the stripper here, but you're the one who's turning *me* on!"

"The feeling's mutual, kitten." Adora said, grabbing Catra's ass.

"Catra." She sighed. "I hate that goddamn stage name."

"I think it's cute, Catra." Adora smirked. She tugged at the waistband of Catra's panties. "Hmm. I want you." Adora murmured.

"Yeah." Catra said breathlessly. She grabbed Adora by her ponytail and pulled her into a kiss. Catra felt Adora's tongue flicking against her lips, Catra opened her mouth, and Adora immediately pressed her tongue inside, Catra was briefly overwhelmed with the intensity, but she managed to get control back and pressed herself into the beautiful woman beneath her.

Adora shrugged out of her button-up and sports bra, freeing her surprisingly large tits. Catra immediately brought her hands to them, groping and folding, enjoying the moans and sighs it drew from Adora.

Catra shuffled her last (useless) piece of clothing, tossing her soaked panties over where her bra had landed. Adora wasted no

time getting her hands on Catra's pussy. "You're so wet!" Adora sighed reverently.

"No shit." Catra giggled. She had to bite her lip to stifle her moan as Adora swirled a finger over Catra's clit. She slid one finger into Catra's depths, "More." Catra sighed. Adora obligingly added another finger, and Catra rolled her hips into Adora's hand. "Yes!" She cried. Adora groped Catra's tits with her other hand while Catra fucked herself on Adora's fingers, rapidly approaching her peak. "Fuck yes!"

"You were really worked up, huh?" Adora smirked. Catra shut her up by pulling her into another kiss, muffling her orgasmic moans with Adora's mouth. As Catra caught her breath she realized she *did* in fact end up leaving a wet spot on Adora's jeans.

"Hmmm...that was great." Catra sighed.

"Yeah." Adora smiled, "Now, how about we-" The ringing of a cellphone interrupted whatever she was about to say. "Dammit. Give me a second." Adora grumbled and pulled out her phone. "Who's cockblocking?!" She snapped.

Catra could just barely hear the other side of the conversation. "Glimmer's throwing up in the bathroom." A grumpy voice said. "And Perfuma is flirting with the bouncer, almost as hard as *you* were flirting with that dancer."

"Yeah, well, guess where I am right now?" Adora grumbled.

"Look, *I'm* not dealing with *your* drunk roommate." The grumpy voice said. "Just pay your hooker and get down here."

"Mermista!" Adora growled. "I will fucking- aaand she hung up." She sighed. "Great."

"I'm guessing you have to go?" Catra smiled gently.

"Yeah." Adora gathered her discarded clothes.

"Hey, have you got a pen?" Catra asked.

"Uuuhhh sharpie?" Adora replied, pulling the pen out of her back pocket.

Catra took the pen and scribbled her number on Adora's forearm. "I'm free Wednesdays and Tuesday nights." She said. "Text me."

"Oh! Okay!" Adora nodded happily.

Catra quickly redressed and sauntered away, thoroughly satisfied. Backstage, she saw exactly how ruined her makeup was. Her lipstick was smeared, her mascara was running, and her eyeshadow was almost as scattered as her lipstick. Oh yeah, everyone would be able to tell. Whatever.

Most of the dancers were already counting their tips in the dressing room, "Okay!" Lonnie laughed. "We have GOT to get that pink haired girl back in here! That was eight-hundred dollars for a few minutes on stage!"

"The dark haired one was *desperate* for something manly." Rogelio chuckled. "She tipped *crazy good* for a lapdance."

"Well, look what the cat dragged in." Double Trouble chuckled, puffing on their cigarette. "Have fun, kitten?"

"Didn't you *just* get chewed out for smoking in here?" Catra fired back. "Where's my cut? I must have made fucking *bank!*"

"Scorpia's getting it together." DT dropped their cigarette and ground it out. "You were a fan-favorite, as usual."

"And hey, at least you fucked a *guest* this time." Lonnie snarked. "And not the bouncer, again."

"What's that about the bouncer?" Scorpia asked, carrying Catra's tips. Catra could spot a phone number scribbled on her exoskeleton.

"Hey, Scorpia? Did ya lucky?" Catra smirked as she started counting.

"Not as lucky as you!" She laughed. "Look at your *face!*"

"Yeah!" Catra said dreamily. "It was a very… *enthusiastic* private dance."

Catra's phone buzzed with a text alert.

Going back to my roots with this one. The first fanfic Iever write was a OC stripper Arcane fanfic. Ilike to think my writing has come a long way since then.
