Summary

"That wasn't my question, but that's good to know," Catra murmurs as she draws closer still. "Are you really a top or are you just afraid of bottoming for someone?" Her words are soft, like Catra knows but she's not going to call Adora out fully just yet.

The air is charged and it feels like Adora has a choice to make. This doesn't feel platonic, not at all, not with the way that Catra is staring at her. She reaches behind her back and unclips her bra.

"I've actually never bottomed." She answers a different question Catra didn't ask before tossing the bra on the ground. "What's your favorite position?" She tosses out the earlier question at Catra this time.

Catra slowly tugs off her pants, silently staring at Adora as if daring her to say something. Adora watches them slide off her frame, only a cute pair of boy shorts standing between Adora and a fully naked Catra. She takes a step closer to Adora.

"I won't tell you, but you can try to figure it out."

OR

Adora and Catra are involved in a game of strip truth or dare and it escalates. Smut Prompt: stripping games.

Notes

See the end of the work for notes

Adora should have known a joint bachelor and Bachelorette party would bring nothing but trouble. Glimmer has really taken the idea of a raunchy getaway and ran with it. All the decorations involve penises and tits in a way that makes Adora a little nauseous. It's almost midnight when they get back from the bar. "I'm not ready to turn in yet. It's my last night of freedom!" Glimmer all but yells, even though she's snuggling with Bow at the moment.

"What about a stripping game?" Mermista suggests. She's been fueling Glimmer since the beginning of the trip. It'll probably prove devastating when they wake up tomorrow.

Glimmer lights up like a firework. "Yes!" She yells pointing at Mermista.

"What about strip poker?" Sea Hawk suggests.

"Hmm, we don't have poker chips or playing cards." Perfuma points out.

"Strip truth or dare!" Glimmer yells out suddenly. "It'll be great!" She cheers.

Bow eyes his bride-to-be and her enthusiasm with mild concern. "I'm good. You do what you want, but I think I'm gonna turn in." Bow places a soft kiss on her hair.

"Babe! Please?" She needles as she wraps her arms around him.

He shakes his head. "Not today." He smiles. "One of us needs to be functional enough to make hangover breakfast tomorrow." She tells her gently.

"I'm joining Bow," Scorpia says cheerfully. "I'm wiped out and I'll help him with damage control in the morning."

She lets out a soft giggle before realizing she should be angry. "Fine." Glimmer pouts at Bow and then at Scorpia for good measure.

Is everyone else down then?"

Adora thinks of trying to dip like Scorpia and Bow but she doesn't want to be the only one to walk out now. Mostly, she's worried that she'll say something to give away how she feels about Catra. She's had a crush on her friend for a while and the idea of seeing her in any state of undress tugs at her last shred of restraint.

For some reason, Glimmer looks over at Catra with a raised eyebrow. The brunette shrugs. "I'm not afraid of a little stripping."

"Excellent!" Sea Hawk pumps his fist in the air .

"Okay . I think everyone should ask one person a question and then we go to the next person." Mermista proposes as everyone sits down, some of the group grabbing another drink before getting comfortable in the living room.

They start going around asking questions. As they keep drinking and get deeper into the night, they become even more intrusive and embarrassing. Sea Hawk quit after coming down to his underwear . It left Mermista, Glimmer, Perfuma, Catra, and Adora. So far Adora has managed to get mild questions and escape with all of her clothes. The rest of the girls took off all of their jewelry and Mermista was barefoot. Perfuma was topless and Glimmer lost her pants.

Now it seems like the questions are geared to make it so everyone chooses to take off their clothes. It's Catra's turn to be questioned and Adora can hardly look at her as she answers.

"When did you last masturbate?" Mermista tosses out at Catra, which makes her laugh.

"Last night. I'm not ashamed." She goads with a cocky smile.

Adora bites her lip and tries to keep her face neutral. They shared a room last night, as the only noncouple staying in the house. It's an

image she can conjure only too easily given how much she imagines Catra like that.

"What did you think about, when you did that?" Glimmer fires off immediately with a raised eyebrow.

That for some reason is a bridge too far, Catra turning red and flinging off her shoes. Glimmer cackles loudly and Catra sends her a glare.

"Do you have anything that always turns you on?" Perfuma asks evenly.

Catra looks like she has to think about it, biting her lip as she looks up at the ceiling. "I do."

"Which is...?" Perfuma trails off, leaning forward in her seat.

Catra smirks. "That wasn't your question was it?" She points out. Perfuma rolls her eyes but doesn't press the issue.

"Adora, it's your turn to ask." Glimmer prods.

She's drawing a blank. She knows she's supposed to ask a sexual question but she can't for the life of her think if anything to ask except if Catra would please just put her out of her misery and sit on her face.

"What kind of foreplay do you like?" The question slips out of her mouth without much direction from her brain.

Catra tilts her chin up and looks at Adora for a moment as if evaluating her. "I like kissing. It feels really underrated to me when it comes to foreplay."

Adora's gaze flickers involuntarily to Catra's lips. They look soft and inviting. She can imagine just how amazing they would feel pressed to her own.

"Alright! Adora, your turn!" Glimmer says and she suddenly feels even more exposed than a few minutes ago even though she's still managed to keep all her clothes.

"What's your favorite position?" Mermista shoots of f.

"Why is this all about sex?" Adora mutters under her breath before taking off her shoes.

"Come on that one was easy!" Glimmer protests. "Y ou're going to end up naked at this rate."

"Maybe that's what she wants." Mermista teases. "For everyone to see that swimmer's build." Adora shakes her head but lets the j eer slide.

"Adora, what do you look for in a romantic partner?" Perfuma seems to be throwing her a bone. But she's not, because Adora doesn't know how to answer that without the word Catra slipping out of her mouth. She chucks her socks, burrowing her toes in the carpet.

"What about one characteristic that you find attractive?" Glimmer tries.

Adora swallows. THe next thing she needs to take off is her shirt or her pants if she doesn't answer. "I really like when girls are smart." That seems safe enough. Catra is beyond intelligent. Adora loves hearing about her passion projects, the excited way she gesticulates when she really gets into something.

"That's it?" Glimmer asks, disappointment clear on her face.

t looks like she might press Adora for more. "I answered!" She says testily.

She holds her hands up. "Okay , okay. Shesh."

Everyone turns to look at Catra but Adora doesn't know if she dares. She finally turns to look at her friend and she can hardly look away.

Catra's eyes make her feel like she's already lost all of her clothes to this silly game, burning right into her.

"Are you a top or a bottom?" Catra finally asks.

Adora bites her lip. "I'm mostly top." She slips out.

It feels like a test and she has no idea if she's passed or not, as she holds Catra's gaze. The moment feels charged and then Perfuma spills her drink and it's gone. By the time everyone manages to help her clean, whatever momentum they'd been carrying dropped off.

"Well, I'm beat. I need to get back to my room." Glimmer mutters as she runs a hand through her hair.

"Yeah, I think shows over. I had fun though!" Perfuma says cheerily.

Everyone packed up and went to their rooms and Adora and Catra went to theirs. She goes to put her shoes back on when Catra grabs her hand. Adora's skin burns where they touch. "Want to keep playing?" She asks breathily.

"What? But it's just the two of us." She eyes her friend warily. Everyone ended up losing some clothes but no one but Sea Hawk got even close to naked.

Catra shrugs. "So?" She smirks, her eyes trailing Adora softly. "You not up for it?"

Adora's gut clenches. She's not sure where this is going but she isn't going to be the one to back out. "Okay."

"Why didn't you say what you want in a romantic partner?" Catra asks quickly, eyes curious on Adora.

Adora's not talking about her crush on Catra. She takes off her shirt. "Where were you last Friday night?" The question slips Adora's mouth before she can think through it. Catra had missed one of their normal group hangouts.

"Why , miss me?" Catra teases as she pulls of f her own shirt. The difference is, Catra isn't wearing a bra. Adora isn't expecting it—she's staring directly at Catra's chest. Her breasts look like they would fit perfectly in her hands, dark pebbled nipples against lighter skin that fades into a tan higher up on her chest.

"Fuck." She breathes out before clenching her eyes closed. "I did miss you." She admits, although there's more to it than that. Adora was beyond jealous. Mermista said Catra had a hot date, and that she was dressed to the nines waiting for someone to pick her up.

"That wasn't my question, but that's good to know ," Catra murmurs as she draws closer still. "Are you really a top or are you just afraid of bottoming for someone?" Her words are soft, like Catra *knows* but she's not going to call Adora out fully just yet.

The air is charged and it feels like Adora has a choice to make. This doesn't feel platonic, not at all, not with the way that Catra is staring at her. She reaches behind her back and unclips her bra.

"I've actually never bottomed." She answers a dif ferent question Catra didn't ask before tossing the bra on the ground. "What's your favorite position?" She tosses out the earlier question at Catra this time.

Catra slowly tugs off her pants, silently staring at Adora as if daring her to say something. Adora watches them slide off her frame, only a cute pair of boy shorts standing between Adora and a fully naked Catra. She takes a step closer to Adora.

"I won't tell you, but you can try to figure it out." Adora inhales sharply. This is happening. Catra is coming onto her. "Do you want to?" Her eyes are clear and honest, screaming an invitation.

Adora drops her own pants. "Y es. I want to touch you." She swallows thickly. "I want you to touch *me*." She's never trusted anyone enough, never wanted to try. But with Catra it's different. She trusts

Catra and she's never been this attracted to someone in her life. "Please?" Adora's voice is a near whine.

"Are you sure?" A look of concern flashes across Catra's face.

Adora nods. "Y eah." Adora has wanted Catra since the first moment she laid eyes on her. "I want you." She assures.

She expects Catra to tug her down for a violent kiss, but instead, the brunette pushes her backward until she's sitting and then laying on the bed. She crawls on top of her, cupping her jaw and tilting Adora's head.

"I want to make you come all over my thigh. And after that, I'm going to have you come on my face or around my fingers. You can pick." She lists it off slowly like she's given this some thought. The idea makes Adora's gut twist in anticipation.

"How courteous." She says like a total idiot. "I mean yeah, totally . Okay." Adora bites her lip, looking at Catra, unsure what to do next.

"T ell me if you want me to stop," Catra says seriously , her eyes severe.

"Sure." She can't imagine a world where she'd want anything but for Catra to keep touching her.

Then she smiles at Adora so softly it makes her heart clench and her gut lurch. "I'm going to kiss you now ." She informs Adora and her stomach fills with butterflies.

Adora pulls Catra close and their lips meet for the first time. It's somehow better than Adora imagined it. Catra's lips are soft and move with purpose, gentle but not shy as she bites Adora's lower lip, tugging it gently between her own. She groans, letting her mouth slip open and deepening the kiss.

She runs a hand through Catra's hair, pulling her closer still. She feels Catra nudge her legs apart until they're slotted together, Catra's thigh pressed up against her core. They fit together naturally, it's as easy as breathing. She keeps kissing Catra, not wanting to stop.

She doesn't need to think beyond the next slide of her lips or her thighs. She's just focused on Catra, the soft sighs and tender hands she uses to touch Adora. Not to mention her thigh, which feels amazing on her core.

Adora rocks up, pushing her thigh so that it rubs on Catra's sodden underwear. The brunette's eyes fly open and she stares down at Adora. "That's not fair ."Her voice is a whine and it only makes Adora move again.

"I want to make you feel good, Catra."Adora stutters out. She needs to make Catra feel good. Not because it's an expectation but because she wants it more than she wants anything else at that moment. "Let me move with you."She pleads.

She takes a minute but she nods leaning forward so they are sharing the same breath. "Alright."

They start rocking in tandem, Catra's thigh hitting Adora in just the right place. If she's honest it's less about the physical stimulation and more about how everything about Catra brings Adora to the brink. Her lips are hungry but soft, respecting her pace but still showing enthusiasm. She grunts and moans her eyes strewn shut as she tilts her head back.

God, she looks so fucking hot and Adora can feel her everywhere. One of her hands starts tugging gently on her hair, making Adora lose her mind. The other is lost in a haphazard path between her shoulders and down her back, Catra's nails occasionally digging into the flesh as she rocks harder. She grabs Catra's hips, holding her in place so she doesn't move so hard that they aren't touching anymore.

"You're close?" Adora manages to bite out. She's about to fly over the edge but she wants Catra with her.

The brunette nods, pressing herself into Adora. "Yeah."

"Please, I want you. Come for me?" Adora whispers in her ear , hoping that it'll push her. There's not much that could stop Adora's orgasm now, and she lets out a gasp as she feels it crash over her. She holds Catra tight but she's mindful not to restrict her movement. She feels Catra's hips stutter once, then again before she collapses on top of Adora.

She takes in a deep breath, her eyes closed as she sinks into the mattress. Fuck that felt so good. She glances down at the brunette. "Did you..." She's pretty sure Catra had an orgasm but she was honestly too distracted by her own to be sure.

She feels the brunette huff a breath in her neck. "Oh yeah." Her voice is even deeper than normal and Adora lets out a moan at the sound of it. Catra backs up a little so she can look at Adora. The smirk on her face tells Adora the brunette heard her loud and clear. "Stay nice and still for me, baby ." She all but purrs.

Adora watches as Catra slides down her body, kissing Adora as she goes. "Fuck." She bites out. Adora is still humming from her orgasm but Catra's kisses put her back in that needy state, as if they haven't done anything at all yet.

Catra looks gorgeous naked between Adora's legs. "How do you want me to touch you?" The brunette asks as she stares at the blonde.

The thought of choices is damn near overwhelming. "How do you want to touch me?" Adora tries.

"Any way you want." Catra shoots back quickly as she leans up and leaves kisses on Adora's neck. "I want to touch you so many ways I don't even know where to start." She breathes.

"Could you—" Adora feels herself redden as she conjures an image in her mind. "Could you touch me while I'm facedown?"

Catra smiles and nods. "Of course. Show me what you want." Adora untangles herself from Catra, dropping a kiss on the brunette's lips before turning so that she's on all fours. She hears Catra groan behind her, her hands running down Adora's back to rest on her ass. "You're trying to kill me." She mutters darkly. "You look so fucking good. Do you like being on display for me?"

Adora tries to hold back a whimper but it's no use. When Adora tops, she loves how exposed her partners look like this, and enjoys staring at them. Being on the other side of it, thinking of Catra enjoying seeing her this way, makes wetness slide down her thigh.

Catra runs her hands over her inner thigh, noticing the same thing. "You look so needy." Catra tugs her underwear and Adora hears the fabric tearing. "Fuck, sorry." She mutters, sounding genuinely embarrassed.

Adora turns her head so she can look back at her friend. She looks almost sheepish, the tatters of what once was Adora's ruined panties in her hands. Adora laughs a little, feeling warm all over.

"It's hot, Catra. I love the enthusiasm." She swallows. "I've thought a lot about this," Adora admits.

Catra's face softens and she runs one of her hands up between Adora's shoulder blades. "I've thought about it too." She murmurs. The hand still on Adora's ass squeezes. Adora lets out a moan as Catra's hand wanders down between her thighs. Catra places a kiss on her ass, her teeth grazing the tender flesh as she slips a finger inside Adora. Adora shuts her eyes tightly, a string of curses escaping her lips. "Fuck, Adora." She hears Catra breathe behind her as she starts moving her fingers. "You look so good like this."

Adora's world narrows to the sensations around her—Catra's fingers inside of her, the sheets strained beneath her hands, Catra's soft murmurs and praises. There's nothing outside of those things, her mind focusing on them.

"Catra." She whines out, her legs shaking. "Please, I need—" She doesn't know what she needs she can only beg. "Please, Catra, I want—" She desperately wants to come again. To feel Catra hold her through it afterward.

"Then come for me, Adora." Catra's voice is winded, probably from the pace that she's setting sliding in and out of her cunt. "I want to feel you around my fingers." She murmurs.

Adora wants to but she can't quite reach. She starts pushing her hips back hard and Catra gets the picture, curling her fingers roughly with each stroke. It takes a few strokes but she feels the exact moment she locks up, collapsing into the mattress as she lets out a hoarse shout. It's almost an out-of-body experience, her consciousness floating above her as she comes down from the high. She barely feels Catra next to her until her kiss tickles Adora's neck.

She turns, wrapping her arm around the brunette's waist. Catra nuzzles closer, her legs tangling with Adora's. "You're so good, baby," Adora murmurs drowsily before placing a kiss on Catra's forehead. "I loved that." She seems to have lost her filter, but what good is it to Adora now after they just did that?

"I'm glad." Catra seems a little reserved, which makes Adora attempt to focus, alarm bells ringing in her head.

"What's up?" She asks, getting closer so she can press their foreheads together.

Catra doesn't seem to want that, tilting her face so she's turned away. "Nothing."

Adora scoffs. "That's super unconvincing, Catra."

"I'm fine." She insists but her eyes are glasses and her jaw is clenched.

"Catra, please. I'm exhausted and I don't want to second guess whatever we just did for the rest of this trip." A well of fear springs up in Aodra as a thought occurs to her. "Are you- do you regret it?" She asks softly.

"No. I don't." Catra admits quietly. "We fucked and I have no clue where that leaves us though." Her voice echoes with fear. Adora can relate to that.

"I don't know either." She points out. "Can't we figure it out together? It's not like there was a lot of forethought in this but Adira hoped it might mean more. That Catra wouldn't touch her this way unless it means something to her.

Catra sits ups, pulling her knees to her chest. "I don't know. Is there something to figure out?" Her eyes cut toward Adora.

"Will you stop answering all my questions with questions?"

"Why don't you answer mine first?"

Adora lets out an exasperated laugh. She gets into Catra's space, putting her hand on her cheek. "I don't even know what questions we have. Questions are what got us into this mess anyway." She takes a deep breath. "I know that I care about you, Catra. I don't regret this and I don't want to lose you over it." She puts her hand on the brunette's knee. "What do you need from me?"

She runs a hand through her curls, still looking down at the sheets and not at Adora. "I like you, Adora. As more than friends. That's why this is kind of- I'm freaking out." She says plainly. For a moment Adora sits there in shock. Catra looks up at her, pain in the brunette's eyes. "I'll get over it." She mumbles.

Adora's heart beats in double time, trying to thump its way into Catra's lap. "No fucking way ."She grabs Catra's hand the one that was limp in her lap. "I really like you too. Like, the biggest crush I've ever had."

Catra's eyes glance up in disbelief. "Are you fucking around right now? Because if you are—"Adora slams her lips to Catra's kissing her with all of the pent-up emotion she's been hiding.

"The only thing I'll be fucking is you. Again."She swallows. "If you want to, that is. I'd love to at any rate."She's hyped with emotion and she can't imagine something better than carefully watching Catra fall apart and then gathering her in Adora's arms with this newfound knowledge swirling around them.

Catra gives her a genuine smile now as her eyes search Adora's face. "You're such a dork."She pulls Adora in for another kiss, this time leaning back so Adora can take the reigns.
