And How The Blood Rushed Into My Cheeks

by bowpennykettle

Summary

"*I didn't mean to-...*" *Catra trailed off and averted her eyes, a deep sinking feeling filling her heart as no matter how hard she tried to fight it off, regret slowly seeped into her.* "*I just wanted to tease her! I didn't mean to hurt her... I... d-didn't mean to hurt... you...*"

Or, Catra is desperate for attention and disrupts a party that Glimmer and Adora are hosting, and Adora decides to (sexily) punish her for it.

title comes from "Maroon" by Taylor Swift.

Notes

if this fic looks familar, it's because it's a heavily rewritten version of an old one-shot i did for my failed Kinktober attempt from 2021. even though the one-shot wasn't my best work i really liked the potential it had, so i decided to fix it up into this!

See the end of the work for more notes

“Adora!” Catra yowled, annoyed, as her girlfriend quite literally dragged her away from the party and into a nearby spare bedroom. “What gives?” The revelry continued in the background, with cheers, music, and the sound of Sea Hawk’s bragging cutting off as Adora slammed the door shut behind them, locking it and quickly pocketing the key.

“What the fuck was that?” Adora shouted at Catra, grabbing her by the scruff of her neck and lifting her into the air, being incredibly gentle with her girlfriend despite her anger. “You *know* Glimmer’s been overworked and stressed trying to plan this party! You *know* just how much this means to her, so why did you tease her in front of everyone?”

“I thought it might be good for her to loosen up a bit!” Catra yelled back, arms and legs swinging loosely as the grumpy cat woman tried to escape from Adora’s powerful grasp to no avail. “Don’t people all make fun of each other at parties?”

Adora groaned and massaged her temple with her free hand, her short-lived anger ebbing and being replaced with the usual Catra-centric feeling of deep frustration as she reprimanded her girlfriend. “I don't care! You still shouldn’t have talked about when you two fucked! Glimmer was practically a strawberry by the time you finished. Hell, Frosta could have overheard! There were so many things wrong with telling that story, but no, all you cared about was embarrassing Glimmer when she already has far too much to worry about.”

Catra crossed her arms and sulked, silently resigning herself to her fate of dangling in mid-air. “It’s a good story! Besides,

Mermista liked it…"

"Mermista just likes sex stories in general, Catra, and you know this. Admit it," Adora's gaze narrowed. "You wanted to get a rise out of Glimmer, and you didn't care what you'd have to do to reach that goal."

"Fine, okay!" Catra threw her hands up. "I wanted to make Sparkles overload a little bit! Is that really so bad?"

Adora looked furious and audibly growled, making Catra tense up slightly, the sound both simultaneously frightening and arousing. "Yes! Yes, it is! And honestly, what's worse is that you didn't just hurt *her* with this." She sighed heavily and slightly relaxed her grip. " *I'm* Glimmer's second-in-command for this party. *I'm* the one whose job is to keep you under control. *I'm* supposed to help make this event as stress-free as possible for her." Her gaze turned downcast. "You disrupting the party made me feel like I failed her, honey."

"I didn't mean to-…" Catra trailed off and averted her eyes, a deep sinking feeling filling her heart as no matter how hard she tried to fight it off, regret slowly seeped into her. "I just wanted to tease her! I didn't mean to hurt her… I… d-didn't mean to hurt… you…"

Adora sighed and gently pulled Catra into a more comfortable hold. Looking around and assessing the room for the first time since the two had entered, Adora noticed that it was a spare bedroom, and gently carried Catra over to the bed. She sat herself down on the end of the bed and carefully laid the magicat across

her lap, positioning her so that her head was by Adora's left arm and her ass by Adora's right. Catra whimpered and shivered slightly with anticipation and uncertainty.

"You've been a very naughty kitten, causing so much trouble for everyone," Adora remarked, having resolved to reprimand Catra with a punishment she'd at least enjoy, as she hooked her fingers around the back belt loop of Catra's pants, pulling them down along with her panties and dropping the clothing to rest around her ankles. "And you remember what happens to naughty kittens, don't you?" She rested her right hand on the submissive woman's now-bare ass.

"They get spanked!" Catra replied happily, apprehension melting away as she comfortably relaxed on her girlfriend's muscular thighs.

Adora frowned and moved her hand away. "Look, Catra, it doesn't work as well as a punishment if you're just openly enjoying it."

"What are you talking about!?" Catra feigned ignorance, her playful mood slowly returning as she flicked her tail at Adora's nose. "Punish me! I've been a bad girl~" She shook her ass ever so slightly, a deliciously and annoyingly captivating sight for her dom.

Groaning, Adora put her hand back on Catra's ass, squeezing it softly. "You absolute gremlin." She bemoaned, shaking her head. "Alright, the purpose of punishing you is to make you realize that

what you did was bad, and to get you to stop doing that thing. Do you realize what you did was bad?”

“Yes,” Catra replied quickly, and although she would’ve said anything to get Adora to spank her, Adora could tell that her reply was genuine.

“Great. Second thing, If I spank you, will you stop disrupting the party?”

“Well,” Catra smirked. “I think I’ll be in here with you doing horny things, so that’ll keep me away from everything. Lack of disruption, guaranteed.”

Adora grinned and squeezed the catgirl’s ass more forcefully, provoking a soft moan. “Well, good enough for me!” She pulled her arm back, winding up, until with a loud **SMACK!** she slammed her palm down onto Catra’s bare butt, the force rippling her caramel skin and drawing a mixed yelp of both pain and pleasure out of her. Adora could never get enough of this sight; Catra splayed out across her lap, twitching and moaning in pleasure, eyes rolling back, all from Adora smacking her ass like a well-served volleyball.

Catra shook her ass needily, her masochism fully unleashed as she gave herself up to her girlfriend. “Come on, that can’t be all!” She panted, a red mark beginning to blossom across her bottom in much the same way that a blush was simultaneously blossoming across her cheeks. “Your little s-slut needs a lot of p-punishment, right?”

Adora set to work paddling Catra's ass raw; hard smacking noises echoed throughout the room as mark after mark appeared on Catra's bottom, her slutty moans ringing out almost as loudly as the sound of her being spanked. Keeping her right hand busy slapping Catra's fat, fuckable ass, Adora gently cupped her girlfriend's cheek with her left and allowed her to suck on two of Adora's fingers. She was more than happy to oblige as with each hit, Adora's fingers were forced into her throat again and again, solely from the force of her being spanked, giving her something to suck on during her punishment. Sometimes if the hit was particularly forceful, Catra would involuntarily bite her fingers, but Adora didn't mind.

Finally, once Catra's ass was bright red and light bruises were dotted across it, Adora suddenly stopped and moved her hand downwards, pressing it against her girlfriend's inner thigh. "Wh-What?" Catra moaned, heavily dazed. "Wh-What are y-you…?"

Adora gently dragged her hand upward until it pressed against Catra's dripping wet pussy, causing the poor dazed woman to spasm with pleasure, moaning and choking herself on Adora's fingers as how horny and heavily battered she already was from being spanked heightened every feeling, turning even the slight pressure from Adora's hand resting there into a completely overwhelming pleasure. It wasn't very hard for Adora to slip two fingers inside her girlfriend, seeing as how her cunt was thoroughly drenched, and she began finger-fucking Catra as the catgirl's mind seemed to finally snap from the pleasure, hands reaching up desperately to try and stifle her moans as her tongue lolled out of her mouth, her eyes rolling up while she twitched and arched her back repeatedly, drooling and whimpering with lust as within minutes Adora had already brought her almost to the point of orgasm.

“Such an adorable little slut,” Adora crooned softly, curling her fingers inside Catra’s pussy and provoking a loud moan from her. “Such a good girl for me.”

Catra shuddered violently and desperately ground her hips against Adora’s thighs, practically humping the side of her girlfriend’s lap as her fingers clawed at her cheeks, a slutty smile affixed to her face while drool dripped from her rough tongue, Adora’s left-hand fingers slowly falling out of Catra’s mouth as she was no longer in any sort of functional mental state to be able to focus on sucking them. “I-I’m so close! I’m so c-close! I l-love you!”

Without warning, Adora suddenly stopped. Her hand pulled away from Catra’s pussy as she rested it back on her girlfriend’s red and raw ass; her wet fingers gliding across the tender skin. “My good girl..” Adora murmured, almost to herself, as she began to raise her hand high into the air.

“Wh-Why’d you-” Catra’s pitiful whine cut off as Adora’s hand came down hard with one final **SMACK!** with the force of it jerking her whole body forward. The stingingly powerful jolt of pain was enough to finally tip Catra over the edge, and she desperately clung to Adora’s lap as a blinding orgasm crashed over her, her whole body shaking with pleasure, lust-filled mews echoing out. The wave of bliss cascaded throughout her body, completely ruining her, before slowly beginning to ebb away, leaving her collapsed on her girlfriend’s lap, a broken mewling wreck.

Adora did her best to clean off her hand with the bedsheets, resolving to wash them later, before gently petting Catra. The magicat often experienced some pretty severe sub-drop, especially after sessions like this, and petting her helped her come back to normal and relax. Adora threw in some quiet affirmations as well for good measure, softly telling Catra how well she did and how amazing she'd been, smiling as she felt her girlfriend slowly relax onto her lap and let herself be comforted, a deep purr rumbling up from her throat as she did.

"I… U-Umm… I r-really am sorry for earlier…" Catra mumbled embarrassedly, curling herself into Adora's muscular form. "I wanted attention… and… I was scared n-no one would spend any time with me if I didn't make a scene… Sh-Shadow Weaver told me-"

"I know," Adora said softly but quickly, cutting Catra off before she could trap herself in a spiral of thinking and worrying about past trauma, especially focusing on how badly Shadow Weaver had messed with her head. "We can just stay here and relax, away from everything, for as long as you want, okay?"

"...thank you" Catra replied quietly.
