Summary

Catra has been a bad girl.

Catra was being very naughty. She remembered what Glimmer had told her before she left.

"Be a good girl and keep your hands off yourself while I'm gone, and you'll get a reward." Glimmer had had her chin gripped between her forefinger and her thumb, holding her head up to look her in the eyes.

The thought of it sent heat pooling in Catra's gut. She had fought against the urge to touch herself for so long, but she couldn't resist while she was in heat. Her hand went to her dick, lightly stroking it. Her breaths came in shaky as the pleasure built and built, and she was about to cum when suddenly the door opened.

Glimmer looked at her, one brow raised and arms crossed. "You couldn't even wait a few hours?"

"I can't help it-" Catra started to say.

Glimmer shushed her, and sat down on the bed. "Over my lap." She ordered.

Catra sat up, and made her way to glimmer, laying over her lap. Glimmer laid her hand on her ass, trailing her fingers up and down a few times gently, and then suddenly smacking it. Catra yelped, pain blossoming through her bottom. They both knew she felt just as much pleasure from it as pain.

"How many minutes were you misbehaving for?" Glimmer asked.

"20." Catra mumbled.

"Then you'll get 20." Glimmer said sternly.

Catra tensed up in preparation, feeling butterflies in her stomach. The strikes came slow, drawing it out. Catra's ass was raw and red by the time it was over, and she could feel precum dripping from her dick. Glimmer slid out from under her, holding her up so she wouldn't fall as she did. She turned away from Catra, and pulled

her shirt off as Catra watched with hooded, dark eyes. She let her pants fall too, and Catra noticed a bit of wetness on her plump thighs. She walked over to the trunk in the corner of the room that held all their toys. She pulled out a glowing blue cock ring. She turned back to Catra, walking back over.

"Come here." Glimmer ordered.

Catra sat up and crawled across the bed to her, sitting back obediently. Glimmer gently took her cock in her hands, causing her to shiver. She slid the cock ring down to the base of her dick. Not only was it tight, the enchantment on it ensured not a drop of cum would escape. Catra whimpered as she could sense what was coming.

"Lay back."

Catra obeyed, laying back on the bed. Glimmer climbed up into the bed, and sank between Catra's legs. She leaned down, looking Catra in the eyes. She licked up the length of Catra's dick, and she shook with pleasure. She swirled her tongue around the head in the way she knew drove Catra crazy. Catra rose one hand to stroke her dick in time with her, but Glimmer took Catra's wrists in her hands and pinned them to the bed. Catra whined, hips bucking against her.

Finally she took Catra completely in her mouth, drawing a groan out of the woman. She started bobbing her head up and down, teasing Catra's dick with her tongue. Soon Catra was moaning, hips moving in time with her. Glimmer felt Catra's dick twitch in her mouth, so full but unable to release.

"Please." Catra whined out, all dignity lost.

Glimmer rose up, suddenly stopping. Catra looked up, hope in her eyes, wondering if it was over yet. Glimmer chuckled at the look in her eye, shaking her head slightly.

"Sorry, kitty. You don't get to cum yet."

Catra mewled. "Please, mistress, I'll be good."

Glimmer ignored her, standing up and going back to the trunk. She opened it, sifting through it for a moment before pulling out a bottle of lube and a double ended dildo. She returned to her place between Catra's legs. She pulled the butt plug already residing in Catra's ass out, and put it on the nightstand. She held up the dildo, squeezing lube onto both ends. She inserted one end into her already wet pussy first, letting out a soft sigh as it slid in easily. She positioned the other end at Catra's ready entrance, and slowly pushed her way in.

Catra took her in easily, wrapping her legs around her waist and whimpering softly. Glimmer thrusted sharply, causing Catra to moan. She built up a quick and steady rythym that soon had Catra whining for more. Catra gripped her shoulders, and Glimmer groaned as her claws dug into her skin. Her thrusts sped up, feeling the dildo rub against her sweet spot. She soon found an angle that hit Catra's sweet spot too, and soon Catra was nearly screaming in pleasure, legs shaking and claws dug in.

Glimmer was so close she could feel her pussy start to throb. She slowed, and pulled out from Catra. Catra's eyes were closed in bliss, drool dripping from the corner of her mouth. Glimmer slid the dildo from her pussy, and tossed it to the other side of the bed, laying down. She reached over, sliding the cock ring off of Catra's dick.

"Fuck me."

With those two words Catra sprung into action, settling between Glimmer's legs and sliding into her wet pussy. Her thrusts were desperate and erratic, the need for a release overtaking her. They both cried out as they came together, cum shooting from Catra's dick into Glimmer's pussy. They shook and clung to each other as they rode out the waves of their orgasms together.

They laid like that for a while, holding onto each other, Catra still inside her. Finally they seperated, Catra flopping onto the other

side of the bed. Glimmer rolled out of bed, steadying herself on shaky legs as she grabbed a blanket from the cushy armchair on the other side of the room. She draped the blanket over Catra, and then climbed back into bed. Catra turned over automatically, facing away from Glimmer, inviting her to hold her. Glimmer obliged gladly, scooting in close until they were pressed together, wrapping her arm around Catra. Catra's hand covered hers.

"You're such a good girl. I love you." Glimmer whispered.

Catra smiled softly. "I love you too."
