Night.
Adora lay staring at the ceiling, which wasn't a strange occurrence for her. No matter how much she tried, Adora couldn't quite fall asleep due to… A very prominent feeling dominates her body. She was horny, very horny. To Adora's misfortune, Catra happened to be out helping Lonnie, Kyle, and Rogelio with something she refused to tell Adora. So not only was Adora horny as hell, she had no clue where her girlfriend was, it wasn't her night. It started to become unbearable at this point she considered tracking down Catra and having her way with her. Right as she considered this the door to her room swung open.
Drip
Adora looked up to see her beloved Catra… Drenched in water dripping holding a bouquet. Adora hadn't even noticed it was raining, she was really out of it. Adora couldn't help but laugh at the sight in front of her.
"Shut up!" Catra yelled throwing the bouquet with a little too much force. It smacked Adora in the face splashing water all over her.
"What even happened to you?!" Adora managed to choke out while laughing.
Catra went bright pink before yelling" Well if you have to know me Lonnie, Kyle, and Rogelio were out… " Catra looked away from Adora somehow blushing more than she already was. " We- they helped me pick flowers for you! But of course, it had to rain!". Adora looked at the drenched flowers lying in her lap again, they were beautiful. Some of the flowers were some she recognized and others beautiful that she had never seen.
"I know I ruined it I can throw it away," Catra said starting to tear up a little. Adora chuckled while fixing herself to her feet. She carefully sets the flowers on her bed before walking over to Catra. She grabbed Catras face moving all the wet hair off her face as well as wiping away her tears. Adora sighed "I love you so much, and I love the bouquet. If you wanna throw it away you're gonna have to pry it from my dead body. " Catra giggled, choking on her tears a little. Adora pulled Catra into an embrace.
Cold

Wet
Adora forgot Catra was soaked and well now Adora kind of was too. Catra’s fur was like a sponge taking in all the water it could. It's now that Adora noticed Catra was shivering. Adora put her hands on Catras shoulders “ What am I gonna do with you”
“Kiss me~” Catra tried to sound as sexy as possible but she sounded like a sick shivering child. While Adora desperately wanted to rip off Catras clothes, she knew that Catra needed to warm up first. Adora sighed before giving Catra a peck on the cheek. “No fair I get you flowers and you just kiss my cheek” Catra pouted.
Adora rolled her eyes grabbing a blanket and tossing it over Catra’s shoulders “ You will get that and more” Catras eyes went big and she turned pink again. “-After we bathe and dry you” Catras's look of excitement soon turned into sheer terror at the word “Bathe”.
Catra chose flight immediately trying to run out of the room but Adora grabbed the fur on the back of Catra’s neck. Catra let out a yelp before deciding it was best to just take the bath. Adora still had to drag her down to the bath hall though.
“Hey, tomorrow we will get a vase for those flowers you picked out. They are not getting thrown out” Adora said while she dragged Catra through the bathhouse door. Catra smiled to herself, then she realized where she was. Catra crossed her arms and plopped onto the ground pouting.
Adora scoffed before quickly looking left then right and locking the doors to the bathroom. It was the public castle bath area but Adora always locked it when she and Catra bathed. After years of bathing in crowded hord showers, it was nice to finally have a long bath alone with Catra.
Adora turned to Catra and removed the blanket from her shoulders throwing it to the side.
Catra pouted “Why don't we just dry me, I already got nature's shower,” she said aggressively gesturing to her soaked fur.
“Nice try, we’re taking a bath whether you like it or not,” Adora said pulling Catra to her feet. Catra opened her mouth to argue but
“Shut up we're bathing” Adora cut her off before she could say

anything else. Adora then started to unbutton her shirt. Catra went pink and looked away finally deciding to just be quiet and take the bath. Adora climbed into the bath while looking at Catra expectantly.
Catra scoffed and turned her nose away from Adora. Adora just sighed and started bathing herself. After what felt like an eternity Catra quietly crawled into the bath. She tucked her knees up and sunk her face nose deep into the water in some form of pouty protest. Adora laughed and scooted closer to Catra.
“You're just too cute” Adora whispered while readjusting her hair. Catra choked on the water.
“That's it!” Catra yelled as she jumped onto Adora pinning her against the side of the tub. She grabbed Adora and kissed her. They kissed for a couple of seconds before breaking. Adora grabbed the back of Catras hair before yanking her back in to kiss again. This time it was a lot more personal. Adora's tongue began fighting Catra’s as they pressed against each other. After a while, they finally broke out of breath staring into each other's eyes. Adora pulled Catras head to her before putting lips right next to Catra’s ear “ Oh Catra…. I SAID WE WOULD KISS AFTER YOU BATHED!" Catra gave a perplexed stare until she saw what was in Adora's right hand… A bar… Of soap!
“NO” Catra yelled as Adora began scrubbing her with the soap. Catra kicked and splashed but Adora wasn't letting her get away.

“Well that was fun” Catra beamed walking out of the bathroom, clean and dry.
“... Sure” Adora murmured now covered in new bruises and scratches from her attempt to clean her girlfriend.
Now that they were clean Adora and Catra went back to their room for some sleep, they needed it. Catra was the first to enter the room but stopped, staring at the bouquet. She was incredibly guilty. All I wanted to do was get her something nice but I somehow messed it up. Why is she even with me-
Adora hugged Catra from behind yawning not realizing what Catra was thinking. She put her head on Catras shoulder that was the last straw for Catra.
“You don't have to pretend you like the flowers! I know I messed

up so please just forget this ever happened and throw them away. I can't do any of this right I always mess something up! “ Catra choked out now crying again. Adora spun Catra around to face her but Catra just looked away not wanting to make eye contact with Adora like this. Adora grabbed Catra by the jaw and made her look at her.
After the two stared at each other for what felt like an eternity, Adora brought Catra in for another hug.
" You overthink too much darling. You are doing amazing, I love the flowers and I love them more knowing how much work you went through to get them for me.” She broke the hug making eye contact with Catra again and smiled.
“But I just messe-” Catra tried to explain but Adora pulled her in and started kissing her. During their exchange of saliva, Adora picked up Catra. Prompting a squeak from Catra but not enough to break the kiss. Adora walked her over to the bed and set her down making sure to avoid the bouquet still on the bed. She finally broke the kiss to move the bouquet softly from her bed to her nightstand.
Then she finally laid in bed next to Catra. Catra didn't say anything just grabbing Adora's hand from under the sheet.
“Hey, Adora?" Catra broke the silence.
“Yeah?"
“I'm wet again."
“ We just dried you, how are you…oh~”

Adora threw the blanket off them and pinned Catra to the bed in one fluid motion. Adora licked her lips and slowly lowered herself to Catras ear
“I think you're wearing too much, let's fix that. “ Catra started to remove her shirt but Adora stopped her by grabbing her jaw. " No” Adora whispered using her other hand to rip Catras shirt down the middle. Catra was melting at this point. Adora shifted her hand on Catras face to bring her into a kiss. Catra shuddered as Adora entered her tongue into her mouth. The two continued to exchange saliva until they felt like they would pass out. Finally, Adora parted their lips leaving a bridge of saliva between the two.
“Someone has been waiting for this." Catra huffed out while

catching her breath. Adora just bit Catras neck in response triggering a small moan from Catra. Sure she and Adora had had sex but she had never seen Adora like this before, so rough and impatient. It was extremely hot. Adora was quickly making her way down Catras neck occasionally biting or kissing along the way. Finally, Adora stopped at Catras's chest and began to suck on her. Catra gasped, her claws shooting out and ripping the sheets. While she sucked on Catra she began to unbutton Catras pants with her other hand. Adora then slid her hand in petting Catra's thigh and wow catra wasn't joking when she said she was wet. The fur on her thighs was soaked. Adora massaged her way up to Catras spot while still sucking on her chest. Then finally Adora reached Catras cunt, she started rubbing catras swollen clit, also biting her nipple. Catra threw her head back and began panting and babbling like a crazy person. Catra ran her hands through Adoras hair needing something to grab onto something. Adora parted her mouth from Catras chest but kept rubbing her clit. She just had to see Catras face and it was worth it. Her mouth was wide open, saliva dripped from her canines, she looked like she was on another planet. Adora stared at Catra with a sly grin and Catras face turned to a scowl as she tried to hide her pleasure. She wasn't doing well.
“Shut huff the huff hell… OH MY GOD! “ Catra screamed as Adora slipped two fingers into her. At this point Catra was panting and drooling; she was a total wreck. “ Fuck… I love you so much please don't stop oh my fucking god!” Catra panted while slightly pulling on Adora's hair. Catra hated begging but in this moment she wasn't even in control of her actions. Adora’s arm was starting to get sore from all the pumping but she wasn't willing to stop hell if anything she was pushing harder. At this moment Catra felt something warm bubbling inside her. Instinctively her tail wrapped around Adora's arm pushing her as deep as she could get.
“Adora im gonna.. I'm gonna” Catras's body started to shake and her back arched. The noises she was making even made Adora blush. Then juice came gushing out of Catra it got all over Adora's arm and hand. Catra finally collapsed panting. Adora licked her hand clean before starting to clean Catras body directly. Adora could feel her thighs twitching and shaking beneath her tongue.

After she licked her clean she kissed Catras leg and sat back up to look at Catra. Catras's chest was still heaving from what had happened, her lips and chin were covered in saliva. Adora smirked and grabbed Catras chin making her look up at her.
“Good girl” Adora teased. Catra bit her lip and sat up to face Adora at eye level. She began to caress Adoras back. This was rather satisfying for Adora she loved it when Catra-
Scratch
Catra dug her nails into Adora and her back arched. Catra grabbed the back of Adora's hair and yanked her toward her face. “Your turn, princess," Catra growled before throwing Adora onto her back. Catra sat on Adora's abdomen and began to undress her. Catra began to play with Adora's tits never letting her eyes leave Adora's face. Catra wanted to see every embarrassing face Adora made, she wanted to see Adora's pleasure. Her fingers circled Adora’s nipples which prompted small moans from the princess. Catra squeezed Adora’s left tit and began to lower her head to Adora’s neck. Adora gasped as Catra bit down on her neck, it wasn't enough to draw blood but more than enough to leave a mark.
“You're mine, understood?" Catra let her claws poke Adora’s breast as she spoke.
“Yes Catra” Adora whined under Catra.
She aggressively grabbed Adora’s jaw. “You don't cum until I say you can, understood?"
“Yes Catra” she whimpered.
Catra smirked squeezing Adora’s face." God your such a whore.” she inched her way down Adora’s body scratching along the way. Adora whimpered as Catra finally stopped at her pussy. Catra took her right hand and began to trace her finger around Adora's legs, never inching close enough to Adora to give any pleasure. Adora grunted gripping the sheets, Catra knew how long she had been waiting for this and she was teasing her.
“Catra I swear to god, fuck me already."
Catra smacked Adora’s pussy as hard as she could Adora squealed
“What was that princess?" Catra’s left claw dug into Adora’s thigh.
“Fuck me…please” Adora pleaded wincing from the pain.
Catra smirked “ A little too hard for your princess? Fine ill fuck

you, but don't you dare cum without my permission”
Adora let out a sigh of relief as Catra finally started moving her hand to Adora's pussy.
Catra rubbed Adoras’s clit before shoving three fingers in with no warning. Adora screamed and threw her head back. Her eyes started to water and she began panting.
Catra only sped up getting more and more rough with Adora. With every thrust, Adora moaned louder and louder until she was screaming.
“Catra im sorry i cant hold it im gonna"
Adora's body began to seize up and Catra immediately removed her hand stopping all sensation to Adora’s body. Adora let out a cry as her body twitched and shook, this was torture.
“Please…please let me cum” Adora begged saliva rolling from her mouth down to her chin.
“Oh I will~” she pinched Adora’s clit causing her back to arch.
“But you have to be a good girl and wait."
She leaned into Adora’s face and bit her bottom lip. Adora let out a moan which was quickly swallowed by Catra as she began to make out with Adora. Catra’s tongue exploared Adora’s mouth which only made Adora hornier. Catra slowly moved her knee in between Adora's legs and began grinding against her pussy. Adora melted, the feeling of Catra's rough tongue fighting hers while Catra grinded up against her was almost too much for her. Catra picked up the speed and Adora began to twitch and shake.
Catra finally broke the kiss licking up all the saliva left from their exchange.
“Cum for me” Catra whispered staring into Adora’s eyes. Catra refused to break eye contact becoming rougher and rougher with Adora. Adora's moans turned into screams of pleasure and her body began to uncontrollably shake. A flash of heat absorbed Adoras body as she began squirting all over Catra. Adora squirted far more than either of them expected. She not only drenched herself but Catras entire lower body.
She went limp sweating, drooling, and staring at the ceiling. Catra snickered and quickly crawled to the nightstand.
Flash
“That ones a keeper” Catra giggled to herself staring at the newly

taken photo of Adora covered in her own body fluids.
Adora jolted back to life and began to try and yank the phone out of Catras hand but it was no use, she could barely move still fatigued from what had just happened. “Catra delete that right now." Adora stammered turning bright pink.
“Ohh come on just look at your face” Catra flipped her phone around showing Adora." Your all i just got railed and dont know what plannet im on” She tried to do her best Adora impression but failed miserably.
Adora gave up flopping back onto the bed staring at the ceiling. “ Whatever keep it. But if you ever show anyone i will kill you” Catra giggled adding the photo to her favorites before crawling next to Adora.
“I think we need to take another bath…" Adora said feeling the sweat and other fluids from both her and Catra.
“NO!”
