Catra's Honeymoon Hinderance

by ProteinBlob

Summary

It's Adora and Catra's honeymoon, and while Catra was hoping that she could finally be intimate with her new wife, fate seems to have other plans. How long can she hold out?

It was the day that Catra and Adora had long-awaited, their wedding! The two of them had been together for years prior, and they had finally decided to tie the knot and make it official.

The celebration was just as great and glamorous as either of them could have expected. Especially with Glimmer in charge of planning the whole thing. She was the one that insisted Catra finally put a ring on Adora.

The wedding had taken place at a beachside resort, where Adora and Catra would also spend their honeymoon. With a lot of help from their friends, they were due for a long honeymoon, which Catra was eagerly looking forward to.

And after a long night of partying and celebrating, Adora and Catra made their way up to their honeymoon suite. Catra kicked the door open, both of them giggling and cheering as they kissed and cuddled each other.

Soon, the two stumbled into their bedroom, and Catra pinned her large now wife to the mattress. She had a hungry look in her eyes and a knowing smile on her face. Adora stared up at Catra, returning the smile on her flushed face.

"I've been looking forward to this night for a looooong time~" Catra exhaled, leaning her face closer to the other before kissing her neck.

Adora giggled in response, "Me too~ Can't wait for you to…" Adora stalled for a moment before a yawn left her, prompting her to rub her eyes. "Oh, wow…guess that partying took a more out of me than I thought."

Catra tensed up for a second, but hoped she could work with this. "Well, then there's nothing better to energize you than some long-awaited fun time~" Catra's hands started sliding up Adora's legs, feeling her muscular thighs up her dress.

Another yawn left Adora, a longer one that urged the young woman to go slacker on the bed. Her eyes started to close as she turned away from her wife.

"I'msorry, Catra…" She slurred, "Jusso tired…nextiiime…" And like that, Adora had fallen fast asleep, snoring softly below Catra.

Catra stared blankly down at her, her erection straining in her pants as she watched the other dozing away. An annoyed groan left her before she hopped off the bed. This was supposed to be THE NIGHT that they would finally consume-mitate their love or whatever word Glimmer used for it.

The awake woman marched over to the bathroom, closing the door behind her and dropping her pants and underwear. Her cock was fully erect and throbbing, begging for attention. As she stood in front of the toilet, she began stroking herself off, thoughts and images of her wife now flashing through her head.

Catra had been in foster care when she was a kid and had been passed from home to home, eventually ending up being raised by Angella alongside her adoptive sister Glimmer. They were the best family she could ask for, but at the same time, they were also very uptight when it came to sex. Always persistent about saving it for marriage.

Needless to say, it got under Catra's skin that she had to hear from her sister to not even think about doing anything with Adora until they were officially hitched. Which would be one thing if she didn't know how much Glimmer and her boyfriend would screw around behind her mom's back. As thankful as Catra was for Glimmer introducing Adora to her, she couldn't stop thinking about what a hypocrite she was.

Low grunts left Catra's lips as she continued jerking off, imagining all the times that Adora and Catra were so close, but were always either caught, or Catra was too much of a mess to go through with pre-marital sex.

Every time she thought about it, she would always imagine how disappointed Angella would be. If only she had more guts to go through with it instead of backing out.

It also didn't help that Catra's best friends Entrapta and Scorpia had lost their v-cards before she did. And neither of them would shy from mentioning it, whether intentional or not.

To put it simply, Catra was looking forward to the night after their wedding for a lot of reasons. One of them being that she would rip Adora's dress off and put it in her. And of course, spending the rest of her life with Adora as her wife.

It wasn't long before Catra began shooting her load into the toilet, letting out grunt after groan of pleasure. She did her best to make sure all of it had landed inside, and stroking herself to make sure she milked herself dry.

Once she was done, she promptly cleaned the seat before flushing the toilet and making her way out of the bathroom. After taking off her tight, demanding tuxedo and dropping it to the floor, she flopped down on the bed beside Adora and fell asleep. Hopefully tomorrow they could finally make it happen.

Catra woke up the next morning desperately rutting against Adora's hip. Her arms and legs wrapped tightly around the larger woman, soft whimpers leaving her. Her boxers tented around her erection, the tip of it leaking pre.

Once she was fully aware of what was happening, the young woman quickly pulled herself away from Adora and hoped that the other wasn't upset at her. Luckily, it seemed her newfound wife was still fast asleep and completely unaware.

A low sigh left Catra, ashamed of herself for not having more self-control. This was supposed to be a time for them to celebrate their love, and yet here she was just trying to get into Adora's pants.

The young woman snapped out of her thoughts when she heard the woman beside her let out a soft groan. Silently, she watched the other wake up beside her, rubbing her eyes before turning to face Catra with a smile.

"Morning~" The blonde greeted softly before giving the other a quick kiss on the lips. She reached her arms over to wrap them around Catra, pulling them closer.

Catra smiled back, "Morning~" She greeted before leaning over to kiss her back as well, prompting a giggle from the blonde.

"How's my beautiful, amazing wife this morning?" Adora asked, clearly just as hyped as Catra is that the two officially tied the knot.

"Doing just fine. Excited to have some fun today~" Catra answered, her hands reaching down to grab Adora's buttocks while pressing her crotch against the larger woman's.

A soft gasp left Adora, feeling Catra's hardness against herself. Her cheeks flushed red, looking down at the other's hungry eyes staring up at her.

"…I'm sorry, honey, I'm just not in the mood right now." Adora apologized before pulling herself away from Catra and getting off the bed.

Catra watched, dumbfounded and frustrated as Adora started to finally take off the dress she had been wearing last night. "…Am I doing something wrong?" She asked, her eyes focused firmly on the undressing woman in front of her. Her cock strained inside her boxers, and she could feel herself perspiring.

"It's not that, Catra, I'm just not in the mood right now." Adora informed with a sigh, now standing in just her underwear, showing off her muscular back and legs to the woman behind her.

"Well, when will you be in the mood?" The other woman asked with a slight whine. She hated to sound like a baby, but with how

much the two had been flirty with each other, Catra couldn't help but feel a little cock blocked.

"I don't know." Adora answered firmly while taking off her underwear as well, showing Catra her fully nude body before making her way to the bathroom. "Are you going to shower too?" She asked.

Catra was silent for a couple seconds, weighing her options if she could even make it through taking a shower with Adora right now. As disappointed as she was, she couldn't be mad at Adora for it. Plus, she did need to take a shower.

"…Yeah." She answered before getting off the bed and taking off what little clothing she had on. As she did, her hard, throbbing member was on display, leaking pre cum on the floor. Adora didn't seem to notice it; or if she did, she chose to ignore it.

The pair stood under the nozzle, warm water raining down on them as they showered. Well, mostly it hit Adora, given how tall she was. The blonde had to crouch down a bit so the water would get in her hair.

Behind her, Catra couldn't help but stare at Adora lustfully, her cock throbbing and aching with need. She did her best to not touch herself, but it grew more and more difficult with each passing second.

It didn't take long for Adora to notice Catra's clear frustration and turmoil. As ridiculous as it seemed, she was aware of Catra's background and her family's insistence on celibacy. And it wasn't like she didn't want to be intimate with her, she just didn't feel like it right now.

"Catra, dearest, just try not to think about it too much." She instructed softly.

"I mean…it's hard not to when I'm looking at the sexiest woman on the planet right now." Catra choked out, though she meant every word.

Adora's cheeks went red as she cleaned her hair, her back still turned to her wife. "Thank you. But with all due respect, I'd like to spend today looking into all the activities we can do around here. I hear spots can get snagged up quickly, so I wanna make sure we get them." She informed, rinsing the shampoo out of her hair.

Catra took a deep breath, doing her best to calm herself. How could she be thinking with her dick at a time like this? This was their honeymoon, not just Catra's. Plus, it wasn't like she wasn't interested in what was going on around the resort either.

"Okay, look, if you promise to keep it in your pants for the day, I'll make sure to give you a night to remember." Adora assured, turning around to face Catra, watching the other's eyes widen in shock.

"…Really? Are you sure?" Catra asked, trying to hold back her excitement. "Adora, you know you don't have-"

"Catra. Listen." Adora interrupted, putting a hand on her shoulder. "I *want* to do it. I promise. So just try your best not to bust while we're out and I'll make it worth your while." She teased with a grin before starting to rub her body with body wash. "Now could you help get my back please?"

Catra was silent for a few seconds, her mind racing at the idea of finally getting a chance to be intimate with her wife. She quickly snapped out of it when she realized that the other was talking to her.

"Yeah, definitely." Catra agreed before promptly rubbing bodywash on the other's back. She just had to go through the whole day, and the two of them would have fun all night long. The young woman continued scrubbing the other, letting out a pleased hum while she felt her body against her own. She did her best to hold back from grinding against her.

It's not that Catra didn't genuinely love Adora, she absolutely did. She loved the other's confidence and willingness to help others in

need. She loved how honest and straightforward she was. She loved a lot of things about her.

But at the same time, with how pent up and reserved Catra was forced to be in her life, it was difficult for her not to want to be more intimate with the larger woman. But she would have to be patient if she wanted it. She's waited years for them to be close enough to marry, she could wait one more day to have sex.

Hours had passed ever since the two showered and got ready for the day ahead. They made sure to sign up for various resort activities such as scuba diving, parasailing, and even bungee jumping. Both of them loved the thrills they got from them, and there were plenty more things to do in the future.

But as the day began to wind down, the two of them decided to conclude it with a trip to the buffet. After grabbing their food, they sat down to digest both their grub and the day they had.

"Man, you looked absolutely freaked out when that shark came around." Adora teased with a giggle, recounting an earlier event of that day.

Catra let out an embarrassed groan, her cheeks flushed red. "It was coming right for me! And I've never swam with sharks before." She retorted, her arms crossed tightly as she looked away.

"It was like three feet long, and you were kicking and screaming. But you were lucky that I was there." Adora said with a grin, reaching over to rest a hand on Catra's shoulder.

"Alright, I get it, you're so amazing." Catra retorted flatly before looking back at her. "But not amazing enough that you didn't scream while parasailing." She had a playful smirk on her lips.

"I don't do well with heights, you know that!" Adora snipped back, prompting a giggle from her wife. "But I mean…it was still pretty fun." Adora admitted. "Today was a great day."

"Yeah, it was." Catra agreed, reaching a hand over to take Adora's in her own, brushing her thumb against her knuckles. "And this is only the first day here. I can't wait to see what else this place has in store."

"Me neither." Adora agreed, leaning down to kiss Catra's hand.

As soon as she felt Adora's lips on her, a shiver went up Catra's back, making her heart skip a beat and blood start rushing down immediately to her crotch. She quickly crossed her legs under the table, doing her best to hide herself from Adora.

Of course, Adora could immediately tell what she had just done to Catra. As much as she found it strange that she could be set off so easily, she also couldn't help but find it pretty cute. It then gave her an idea on how to have a bit more fun with her.

Adora leaned forward slightly, lowering her voice. "Ya know, I think I'm ready for us to have some 'fun' tonight~" She whispered to her wife, watching the other's eyes widen in surprise.

"You…You really mean it?" Catra asked, doing her best to hold back her excitement. She swallowed anxiously, looking into the other's eyes, all while she kept her legs tightly crossed to hide her throbbing hardness.

"I mean it. I just need you to do one thing for me before that, though." The blonde continued.

"What is it?" Catra leaned forward, her entire focus on the larger woman, more than eager to do anything for her in that moment.

Adora's eyes cast over to the large buffet table a little bit away from them. There were still plenty of dishes left for everyone at the resort. "I've heard this place has the best eclairs. If you could get a couple for us, I'd really appreciate it."

"I'm on it." Catra suddenly shot out of her seat and marched over to where the desserts were. She had to hunch forward slightly as she made her way there, however.

Adora couldn’t help but chuckle to herself, Catra could be so easy to twist around with the right incentive. Granted, she’ll still make sure she gets laid later tonight anyway, it’s fun to make her jump through hoops.

Catra was now searching for eclairs like her life depended on it. She could see plenty of brownies, cookies, and even a chocolate fountain, but no eclairs so far. A few frustrated noises left her while she feverishly searched for those chocolate-coated, cream-filled desserts.

Thankfully, as she took one cursory glance to the side, she saw a plate in the middle of the table that had two nice, fat eclairs sitting on them. Without any hesitation, Catra rushed over to grab the plate.

However, right as she grabbed the edge of it, on the other side she saw someone else grab the plate. She quickly looked up to lock eyes with another woman that had grabbed it. Immediately, the two were glaring intently at each other.

The other woman had dark skin and a pink choker on. Her curly hair was sky blue and puffy, leaning to the right of her head. The left side showed an undercut that matched her hair. She was currently wearing a white jacket with a black shirt beneath it, and a pair of jean shorts. The look in her eyes told Catra that she wasn’t intent on letting go of the plate.

The two of them tried pulling the plate of eclairs towards themselves, but were clearly matched by the other in strength and dedication.

“Let go! I was here first.” Catra asserted, still tugging on the plate, but unable to pull it away from the other.

“Uh-uh! I got here first. Now gimme my damn eclairs.” The other woman demanded, having just as much luck getting the desserts as Catra.

“That’s not gonna happen. Cuz my wife wants them, and my wife is gonna get em.” Catra asserted, managing to tug the plate in her direction, but the persistent newcomer was not letting up.

Suddenly, the plate was pulled in the other’s direction. “Too damn bad, cuz MY wife is getting these no matter what.” She snarled, looking behind her to glance at a woman sitting by herself in a booth. She had lighter skin than the other and was donned in a pink sundress with a blue necklace. Her body was also a bit larger than the dark-skinned woman’s, which Catra couldn’t help but point out.

“Looks like she could do without a couple extra desserts.” Catra snarked.

The other’s eyes widened in surprise and anger. “Excuse you?!” She shouted, getting the attention of almost everyone in the restaurant. “You talkin’ shit about my wife?!” She spat while shoving her face close to Catra’s, murder in her eyes.

“What? I’m just saying the truth. Looks like she needs less eclairs and more salads.” Catra retorted with a smirk on her face, continuing to not let up her grip on the plate.

The other woman let out another furious growl, her free hand now bunching into a fist before suddenly colliding with Catra’s face. The plate of desserts fell to the floor, the plate shattering and the eclairs crushed.

A surprised yell left Catra, the sudden force of the punch causing her to stumble back. Clutching her cheek, she watched the other charge towards her again, intent on hitting her a second time. She didn’t let that happen, as Catra blocked the other’s fist with one hand and retaliated by punching her back with the other one.

The blue haired woman suddenly lunged at Catra and pushed her to the floor. She slammed her head against the floor over and over, her hands around her neck. At this point, a sizeable crowd had formed around the two women.

Not intent on taking this lying down, Catra used the strength she had and dug her nails into the other's shoulders as tight and as deep as she could before suddenly flipping the two of them over. She was on top now, and she could feel the other's grip on her neck loosen, giving Catra an opportunity to punch the other yet again.

The two continued this cycle of slugging and flipping each other over, slamming their heads against the floor. Occasionally, they'd even pull each other's hair.

"Catra!!"

"Tossa!!"

Adora quickly ran to the fight, wrapping her arms around Catra before pulling her away. The shorter woman let out a growl at the other, watching as the other woman was pulled up to the floor by her wife.

The pink-clad woman helped the blue-haired one to her feet, grabbing her wrist before pulling her aside. Before the two were out of view of Catra, Netossa made sure to shoot Catra a death glare and flip her off.

Catra returned the gesture, raising her middle finger back at her before being pulled away by her own wife. The two of them quickly made their way out of the buffet and back to their room.

Adora kept a tight grip on Catra's wrist, unable to look at her on the elevator ride up. Catra's face and throat were aching from the fight, her eyes focused on the floor in front of them.

"I can't believe this. We haven't even been here for a day and you're getting into fights." Adora sighed, clasping her forehead. "All I wanted was for you to get us some eclairs."

"She started it! She hit me first!" Catra retorted, shooting her head back up at Adora. "Not before she tried to steal the desserts I was gonna get for you."

“I’d be surprised if we aren’t gonna be kicked out for this.” Adora snarled, right as the elevator stopped on the top floor. She then dragged Catra out of the elevator and back to their room.

“I just wanted to make sure you got what you wanted.” Catra said, her legs having to move faster than normal to keep up with her taller wife. Though, she hoped she’d still be her wife by the end of this.

“Well, I didn’t want you to assault someone for it!” the blonde spat back. She practically yanked the door open before pulling them inside and slamming it shut. Adora then quickly locked the door.

“Okay, I’m sorry! Is that what you want-“ Catra was cut off when she felt Adora slam her lips against hers. A surprised hum left the shorter woman’s lips, her eyes widened in shock.

She felt herself suddenly get pushed away from the door, and to the other side of the room. She had no idea where she was going, trusting the larger woman to keep her safe.

In the next moment, Catra was now being pushed down against the bed, Adora still pressing herself on top of her. The two of them continued kissing, Catra feeling a bit confused, but not at all opposed to what was happening. She found herself arching against Adora, who was grinding back against her.

A few more minutes passed and Adora pulled her lips away from Catra’s, both of them gasping for air while staring at one another. The blonde cupped Catra’s cheek, her mouth agape and her tongue hanging out. She could still feel the brunette rutting against her.

“I…As much as I love this…I’m a bit confused…” Catra admitted, prompting a chuckle from Adora.

“Look, you really shouldn’t have thrown hands with some random woman you met, especially not over some pastries. But I’m not

gonna lie, it was pretty seeing you wrestle her~" confessed Adora, continuing to arch her hips against Catra's.

"Oh, is that right?~" Catra asked, her hands now reaching up to Adora's hips and sliding up the shirt she was wearing. Her nails lightly teased against the other's toned, muscular body.

A shiver ran up Adora's back, the feeling of Catra's nails against her prompting a sharp gasp from the blonde. "Just…promise you won't make a habit of it, please? I really don't wanna get kicked out of this place before we finish up."

"Deal." Catra nodded before reaching down to grab Adora's shirt and yank it off her body, exposing her bra-covered chest.

"G-Good. Now, let's finally have some fun~" Adora smirked as she reached down to quickly undo Catra's pants. As she did, she could hear the other whimper and whine beneath her, fueling her desires.

With a quick yank, Catra's hard, throbbing member popped out, pre leaking from the tip and down her shaft. Adora licked her lips at the sight of it, prompting her to start moving Catra further up the large bed, sliding off her as she did.

A low hum left Catra, staring down at Adora as sat in front of her on the bed. She watched as the larger woman sat up on her knees, reaching up to pull her head back into a ponytail before laying herself in front of Catra, her face right next to her cock.

Adora wrapped her fingers around the other's shaft, slowly stroking her off with a smirk. Immediately, Catra started whimpering and whining at her touch. Adora couldn't help but feel a little bad for her, having saved up so much for their special night.

Pre cum slid down her shaft, giving Adora some leverage to start stroking her off faster. The whole time she jerked her, she watched as Catra's face contorted with bliss and ecstasy. This was

the first time the two had been intimate like this, so she couldn't quite blame her for looking so manic.

Catra did her best to steel herself and not look like a complete virgin, but it proved more and more difficult with how skilled Adora proved to be. Her hands reached down to the sheets beneath her, gripping them as tight as she could, her nails even ripping through them.

Adora decided that she had enough with teasing Catra and finally wrapped her lips around the other's tip. As soon as she did, she pushed herself down the rest of her shaft with ease.

"AAAAAHHHHHH!!!~" Catra howled in response to the waves and waves of pleasure hitting her body in that moment. She found herself bucking against Adora's face, unable to control herself and only focused on the bliss she was feeling.

Adora responded by reaching her hands down and keeping a firm grip on Catra's waist, pushing her to the bed to make sure she wasn't bucking wildly in her mouth. Once she made sure the young woman was still, she proceeded to pull herself back up to the tip of her cock before slamming her head back down to her waist. She eagerly repeated this process, low hums leaving her while she teased the underside of her shaft with her tongue.

Catra continued to wail and scream in ecstasy, having never felt something as warm and wet and amazing as Adora's throat. Her eyes rolled back, and her mouth remained agape, moan after moan erupting from her throat. She knew she wouldn't last long.

Adora could feel the other throbbing faster inside her mouth, a clear indicator that she was about to burst. Though she did wish she could show off her deepthroating skills to her longer, she wanted Catra to feel good first and foremost. She began to pick up the pace, bobbing her head up and down her cock faster. Her eyes remained firmly locked up on Catra's face, bracing herself for her load.

In a matter of seconds, Catra's head shot back in pure bliss, shrill wails of ecstasy shooting out of her. She had reached her climax and was now pumping her load straight down Adora's throat. Her body tensed up and shuddered as orgasm coursed through her form. She continued to white-knuckle the sheets beneath her, all while she continued to shoot ropes down her throat.

Closing her eyes, Adora concentrated on swallowing Catra's release. Low hums left her while she swallowed after each throb from her. She certainly had a lot saved up for her, Adora couldn't help but be impressed.

She slowly started to pull herself up Catra's shaft, feeling the other get soft in her mouth. Leaving her lips around the tip, Adora swallowed the last of her load before pulling away.

A soft sigh left her, looking up at Catra and watching the other desperately catch her breath. She had a content smile on her face, proud that she was able to reduce her wife to a panting, sweaty mess.

Catra laid limply on the bed, gasping for air. Her eyes remained shut and her grip on the sheets loosened up slightly. Occasionally, she would feel a shiver run up her spine, goosebumps popping along her body. After about a minute of recuperating, she opened her eyes to look down at Adora.

When she did, she saw Adora eagerly strip herself down, removing her bra and tossing it aside before eagerly undoing her own pants. In a matter of seconds, the blonde sat in front of the other, completely naked. Needless to say, Catra was speechless.

Adora stared down at Catra, her toned, chiseled form on display for her. She had a smile on her face at the sight of the other's expression. One quick glance at her hardening shaft told Adora exactly what Catra thought about her body.

"Good to know you're up for another round~" the blonde teased before once again straddling Catra's waist, though this time, their

bare sexes were touching. Adora's slick womanhood glided against Catra's cock, feeling it get harder and harder against her.

The whole time, Catra was whimpering and whining with bliss. Not only from feeling Adora's eager cunt rubbing against her erect member, but from the considerable yet comforting weight of the large woman on top of her. Her hands shot up to grab Adora's thighs, her nails digging into them as she arched against her grinding.

Adora grit her teeth at the feeling of the other's nails digging into her, followed by a pained hiss. Not that she was opposed to the feeling, of course. She continued to grind and tease herself against the other's hardness for a few more minutes until finally, she began to lift herself above Catra's erection.

Her hands reached down to the bed, grabbing the sheets that were behind her wife's head. She then leaned her face right above Catra's, looking her in the eye while she let the other line herself to her sex.

Catra reached a hand down to brush her dripping tip against Adora's entrance. Her heart was going a mile a minute, the feeling of the outside of her sex combined with the feeling of Adora's eyes on her own made her entire body shudder with excitement.

"I love you, Catra~" Adora whispered, leaning down to peck her cheek.

The brunette's face flushed red, feeling the other's lips against her face. She stared back into her eyes with a smile, "I love you too, Adora." She exhaled before leaning up to press her lips against hers for a kiss.

As soon as she did, Adora slammed herself down on Catra's cock, taking the whole thing in one motion. Both of them were moaning as loud as they could as they felt each other. Instinctively, Catra latched her arms around Adora's shoulders, clutching onto her back with her nails.

The feeling of Adora's pussy around Catra's cock was more than enough to get Catra screaming and moaning. She shoved her face against Adora's chest, muffling herself to the best of her ability. At this point, she was more than eager to let Adora take charge.

Adora did just that, slamming herself up and down Catra's cock over and over again, letting out cries of ecstasy. Her hands kept a tight grip on the sheets beneath her wife, using them as leverage to keep herself at a steady tempo. However, the tighter she pulled them, the more loose they started to become on the bed. Not that it mattered too much for either of them at the moment.

She could feel Catra's cock slamming deep inside her with every bounce. Her mouth was agape, shrill whimpers and cries leaving her while she forced herself up and down her wife's shaft. The whole time, the burning sting of Catra's nails was prevalent on her back, but that only served to enhance her own pleasure.

The only thing either of them could do was scream and cry out in pure pleasure and bliss. Catra continued to latch onto Adora as tightly as she could while making sure not to climax so soon. Granted, that proved more difficult by the second with how quick her wife was riding her. Still, Catra did her damnedest to not pop for as long as she could.

"CATRAAAAA!!~" Adora moaned, starting to tear the sheets beneath her. Sweat was pouring down her muscular, large body, coating Catra as well. Her knees dug into the mattress while she continued to slam her hips against her wife's. All she could think about was feeling the other's cock as deep and as fast inside her as she can.

The larger woman continued to ride Catra's cock on the bed, making it shake and creak from their weight and movement. She could feel Catra's nails scratching down her back, no doubt leaving streaks of red.

Catra continued to groan and whimper, her body tensing up more by the second. She did her best to last as long as she could for

Adora, but it felt like she was about to explode any second. She had no idea if she would climax first, or if she'd pull a muscle.

"Catra!! I'm so close!!" Adora announced, continuing to collide her body to the other's. She didn't want to hold back Catra's orgasm, but she was on the verge of climax herself and she just needed a few more seconds!

"Me…too!!!" Catra retorted with a snarl, her cock throbbing and dripping desperately into her sex. She remained still, letting Adora be in charge. Tears started to run down her cheeks, emotions and sensations running high.

After a few more cries and a few more seconds of riding, Adora let out a primal, pleasured roar that signified her orgasm. Her sex tightened around Catra's cock, wanting nothing more than to milk it for all she had.

Catra joined her wife in her ecstatic chorus, responding with her own wails of bliss. She finally let herself go, pumping yet another thick load into the other's sex. She kept a tight grip on her body, feeling like her soul was being shot out along with her jizz.

It was such a mind-shattering experience for the young woman, her mind was getting fuzzier and fuzzier by the minute until everything faded away in a haze of exhaustion.

Catra had woken up with a start, her eyes shooting open and her head shooting up in confusion. The first thing she saw was Adora, fast asleep in front of her. So far so good, she was in her wife's loving arms.

But then, pain and aching coursed through the woman's body, causing her to suddenly sit up in bed. She felt like she had been wrung out like a towel. "Ah, fuck." She swore, looking down at her naked body to see a couple of bruises and scratches along her stomach and waist. And she could feel a bunch of stings on her back.

She looked back at Adora, seeing that she too was covered in a variety of welts and bruises and scratches as well. Confusion welled up inside her, and it only got worse when she took note of the state of the bed around the two of them.

The sheets were stained and ripped, the headboard was cracked, and there was pillow stuffing surrounding the bed. The longer she took in the sight, the more that Catra began to remember the events of last night, and just how rough and intense the two of them got.

A part of her was embarrassed that they made such a mess around the room, but she also couldn't help but feel a little proud of it too. Although, housekeeping would no doubt be furious when they find out about it.

In any case, Catra managed to get herself out of bed and limped toward the bathroom for a shower. She stepped inside the stall and turned on the water, immediately wincing when she felt the warm water hit her back. Gritting her teeth, she promptly began cleaning her hair, muffling low groans of pain and frustration.

"Need some help?"

Catra looked behind her, seeing Adora step in. Her eyes ran up and down her bruised and battered body, a part of her feeling guilty for rendering her like this. Even if it was in the heat of passion, she certainly didn't want Adora to be hurt if she didn't want to.

"Are…you okay?"

Adora let out a confused hum, then glanced down at her body. "Oh, don't worry about that. I'm just fine. Besides, it was definitely worth it~" She leaned down to press her lips to Catra's in a deep, intimate kiss.

Relief flooded Catra's chest, happy that her wife was alright. She happily kissed back, reaching a hand up to cup her cheek. The two pulled away after a few seconds, smiles on their faces.

“Hope it was a great first time.” Adora remarked playfully.

“You better believe it was~” retorted Catra with a smirk, brushing her fingers along the other’s waist. “But that doesn’t mean we can’t try to top it~”

Adora chuckled, “Another time. I definitely need to take it easy for the day.”
