Climb Her Like A Tree

by TheStarGayzingEtherian

Summary

Adora is a lumberjack, coming home after a long day of work. As she sees her beautiful wife, Catra, waiting for her at the cabin they call home, she feels delighted, having missed her all day… and Catra has been missing her greatly too. (Catradora, Modern AU, Smut, Trans!Adora)

Notes

For Adora, her life as a lumberjack gave her a sense of purpose in life. Cutting down trees with her big axe, showing off her muscles and putting them to good use. It helped her feel more valid as a woman, that a woman could be big and muscular like herself.

Plus whenever she chopped down a tree with a few good swings of her axe, she always felt proud of herself, proud of the working out she'd done to get her muscles into such a perfect condition. But of course, like everyone else, even Adora needed to rest and relax.

It had been the end of a long day at the logging camp where Adora worked, the sun setting on the horizon with the evening light glistening through the tall trees. Her friends from the camp, Scorpia and Lonnie had suggested they go out for a drink at a local bar that night to celebrate the end of a week's work.

To Adora, that sounded perfect, but she knew she couldn't just run off to a bar without telling her beloved wife first.

While Adora loved her job, she loved her wife even more. Catra had moved into town a few years ago and they'd met over a drink. Pretty soon they were a couple and Adora had bought them a little cabin in the woods where they could stay together, a perfect little abode amongst nature's beauty.

As she walked down the gravel path that led to her home, Adora put down her axe for a moment, taking a moment to wipe her brow. Even though it was the evening, it was still hot and Adora had worked up quite a funk from working all day. Not only did she want to see her wife, but she was also desperate for a shower.

Her whole body beaded with sweat, the fluid glistening down her chest and her chiselled abs exposed by the crop top she wore over her red flannel shirt. Was it a stereotype to dress like this? Yes, but Adora knew Catra liked it. She loved how Catra always appreciated and worshipped her muscles.

As she walked over to the small cabin she and Catra called home, Adora noticed the door open and a golden retriever ran out, barking happily.

"Swifty!" Adora cheered, quickly giving her pet a stroke on the head as he jumped at her. She and Catra had two pets, a dog named Swifty and a cat named Melog.

Swifty licked Adora's cheek, Adora giggling as she petted her pet. "Oh, you missed me today, didn't you, boy."

"He's not the only one," a seductive, beautiful voice greeted Adora.

Adora looked up, seeing that Catra was standing in the doorway, her brown hair and tan skin glowing in the evening sun. Adora always had to take a moment to just gaze at Catra, to remind herself that yes, she was indeed with a woman that beautiful... and said beautiful woman was her wife.

Catra drank in the sight of Adora as she planted her big axe into the stump outside their house. To her, Adora was like a Valkyrie from Norse myth had descended upon her, with the beating heart of a warrior inside of her muscular chest. As Adora walked up to the door, she smiled at her.

"You're home early, darling," Catra remarked.

"Scorpia asked me to have a drink with her tonight," Adora replied. "Didn't feel right I leave you here by yourself."

Catra chuckled. "You're such a sweetie, Adora. But you know I'll be fine without for a night. I've got the pets to keep me company."

"Still, I hate thinking of you being lonely without me," Adora admitted.

Catra smirked. "You know, you may be a hard, strong woman... But you're a big ol' softie in there."

Adora blushed a little.

"But I'll be fine... Though if you want to blow off steam after work... I have some ideas." And then, Catra kissed Adora deeply, pulling her into the cabin.

Adora wasted no time in returning her wife's affections. She loved when her wife kissed her so passionately, ever since they started dating. She also loved when her wife took charge of their relationship, especially in the bedroom. She felt Catra pin her against the wall as soon as she pulled her through the door, grunting against Catra.

"Babe, seriously," Adora panted between kisses, her face flush and drenched with even more sweat than before. "I have to meet the guys in an hour," she said, whining when Catra gently nibbles on the junction between her shoulder and neck. "I also... really need to shower."

"We've got plenty of time," Catra assured as her hands quickly made their way up into Adora's top and mercilessly grabbed at her breasts. "No bra?" she quipped playfully before playing with Adora's nipples.

"They get itchy," she whined.

Catra chuckled.

Wasting no more words, Catra tore off Adora's flannel shirt and peeled off her crop top, exposing all of her beautiful upper body. With that obstacle out of the way, she pushed Adora down on the nearby couch and straddled her. When she was in position, she began to grind her denim-clad lower body against her wife's. "God, do you have any fucking idea how damn hot you are?" Catra asked, biting her bottom lip as she snapped open Adora's jeans.

Adora blushed redder as she felt Catra grind against her, seeing the lustful grin in Catra's eyes. Catra had been desperate for her

all day, drowning herself in thoughts of fucking her. She felt her length grow hard in her pants.

"Catra... can I please... shower first?" Adora asked, flustered as all hell.

Catra laughed. "Of course babe. Sorry, if I'm a bit excited." She leaned down gently biting Adora's neck and making her moan more. "We can shower together if you'd like that. I'll personally make sure you're all clean for when you hang out with your friends later."

Catra got off Adora, and started to undress. She gently slipped off her shirt and underwear, slowly but surely revealing her nude form to Adora. She wanted to get Adora as hard as possible, wanted to tease her. A great turn on for her was making her buff lumberjack literal putty in her hands.

Watching in awe, Adora felt her face grow redder if that was possible, ogling Catra's form as her wife stood fully naked before her, gently playing with her own breasts to tease her wife. Adora bit her lip as Catra moved closer to her, fully getting Adora's denim pants off and peeling off her underwear.

Thanks to Catra's ministrations, Adora's member was rock hard. Catra licked her lips at the sight of the wonderful length, feeling so proud that Adora was so hard for her. She reached down and gently caressed her fingers around the width of Adora's cock, smirking.

Her beloved wife whimpered, as Catra jerked her off a little to tease her.

"Such a good girl," Catra whispered, before kissing her. "Now, let's go make sure you're clean."

She went upstairs to the shower and Adora followed, like an obedient puppy. She was completely under Catra's control at this point, something Catra relished completely. As Catra turned the

shower on, letting the rush over her beautiful form, she curled her finger at Adora.

"Come on, Adora, don't you wanna get clean?" she teased. "You know I don't bite."

Shyly, Adora stepped into the shower, feeling her nude muscular form be drenched in warm water. She felt Catra wrap her arms around her, holding her in a loving embrace. She looked down at herself, content that she felt at peace in her body.

For the longest time, Adora had felt like there was something wrong with her, that there was something about her body that didn't fit what she felt on the inside. Even after realising she was a trans woman, she still felt this feeling, that a woman wasn't supposed to be such a muscular goddess.

Catra helped her see otherwise and made her feel comfortable in her body, loving her for who she was. Being a lumberjack helped as well, Adora knowing she was putting her body to good work. Was being a lumberjack bad for the environment? Yes, it was. But at the same time, it gave Adora a purpose. It validated her.

Catra squirted some shampoo into her hands, rubbing it into Adora's smooth skin, especially her abs. Adora blushed more as she felt Catra touch them, tenderly and softly.

"I feel the luckiest woman in the world when I'm around you," Catra purred, as she pressed a few soft kisses into Adora's back. "Because I can't think of a woman on this planet as beautiful and as muscular as you. I've seen pretty girls, I've seen buff girls... but you're literally the best of both worlds."

Adora blushed more. "God, you know exactly what to say."

"That's why you love me, babe," Catra said sweetly, gently kissing her back.

Adora turned around, taking some of the shampoo and rubbing it into Catra's skin and hair. As she washed her lover, she cupped

her cheeks and kissed her again. She wanted to give Catra love, to be in control for a moment before Catra would no doubt take command again to finish pleasuring her.

"I want you," she whispered, as the two made out in the shower.

"Then take me!" Catra growled lowly, giving Adora her consent.

Adora grabbed Catra and pinned her to the wall of the shower. She gently pulled Catra up with her strong arms and slid herself into her, keeping her pinned against the wall. Catra clung on, moaning as Adora kept moving into her, her long, thick length pressing against her walls.

"Oh yes~" Catra gasped, moaning loud. "OH YES!"

Grabbing Catra's rear, Adora pulled herself closer to Catra, pressing their bodies together. She sighed happily in content, pushing herself into Catra, feeling the warmth within her wife. She kept thrusting faster and faster, burying herself into Catra's neck.

While it may have just been the shampoo, Adora loved how Catra smelled, a scent that she was always drawn to and relaxed by. She gently caressed Catra's form as she continued to please her, to push herself deeper into her lover's form. Her lips pressed against Catra's skin, kissing it.

Catra moaned louder, feeling the length of Adora inside her, her arms and legs clinging as she became needy for more of Adora, eternally grateful for the blonde woman's love. Her long nails clawed Adora's back, but Adora didn't mind. She knew how rough Catra liked to be.

Pounding Catra deeper, Adora listened to the sounds of Catra's moaning, her perfect voice. For the longest time, Adora was slightly jealous of how wonderful Catra's voice sounded. Her own voice always sounded just a bit too deep and made her feel dysphoric.

But like she did with her body, Catra also helped Adora to appreciate her voice. Especially when Adora took control and she allowed her voice to go deeper, to a very seductive tone. Catra really loved that a lot. And with that deep voice, Adora whispered into Catra's ear.

"You are everything I have ever wanted," she growled in her deepest tone, Catra turned on more.

Picking up the pace, Adora thrusted more into Catra, pressing herself deeper into her wife. Catra clung on tighter, screaming Adora's name aloud. Shutting her wife up with a passionate kiss, Adora felt Catra melt into her as she kept thrusting her faster and faster.

The water rained all over them, as if they were doing this under a waterfall. Adora's firm hands kept pressing Catra against the wall of the shower, her tongue sliding deeply into her wife's mouth. Catra groaned into the kiss, feeling closer to her breaking point.

"P-Please!" Catra begged, breaking free of the liplock.

Smirking, Adora pumped into her lover, pushing herself deeper. She knew Catra was close, that last needy scream was her begging for her climax. As Adora kissed Catra's neck again, gently biting her skin as she pressed her harder against the wall, feeling Catra cling on even tighter.

Catra felt herself growing closer and closer to her breaking point, the sensation of Adora's length thrusting in and out of her sending waves of pleasure through her. She felt her climax start to build within her, throwing her head back against the wall as she let out moans of glee.

"Please... Please... Please, Adora, come in meeeee~" wailed the brunette as she held onto Adora, feeling the blonde thrust her deeper.

Adora was flushing red as well, pounding Catra with all her strength. She felt so happy to be doing this for Catra, to be using

the body that Catra had helped her feel so valid in to help her feel so good. She could feel her wave start to build within her.

"Catra... I'm..."

"YES DO IT!" Catra cried with glee.

And with a mighty roar like a bear, Adora came into Catra hard, pumping her inside. Catra wailed and moaned heavenly at the sensation with her, her orgasm following moments later. As the two wives panted in their rather steamy shower, quickly cleaning each other up, they kissed again fiercely.

A few moments later, after Catra and Adora had dried each other off, the two of them were in the bedroom together, kissing on the bed. Catra was kissing Adora, her hands on Adora's neck. She was so happy that Adora had utterly railed her in the shower, but she still wasn't done with her.

Her hands traced down Adora's muscular form, fingers dancing around the curves of Adora's abs. Adora was built like a damned goddess, one who Catra would gladly worship and praise for the rest of her days and she wanted to worship her again, right there on that bed.

"Can I go again?" Catra whispered into Adora's ear. "I'm so desperate for you."

"Well..." Adora looked at the clock in their bedroom. She still had at least half an hour before she was supposed to meet her friends. "Go ahead... I love it when you take control."

"That's my girl," Catra purred, before she gently left a bite on Adora's neck. Adora moaned as Catra moved downwards, kissing each of her abs sweetly before she made her way to Adora's beautiful member. It was still rock hard, it always did after Adora showered.

Taking the length into her hands, Catra started to suck Adora's cock, sliding her lips around the shaft. She looked up at Adora,

gently cupping her sack and fondling it gently. Adora moaned, completely surrendering to Catra, feeling validated looking at her pleasuring her.

Catra was utterly in love with Adora's cock, helping the blonde feel valid with the way her body was. She was perfect the way she was and Catra wouldn't love her otherwise. She kept watching, feeling a flush of heat swelled within her as her length went deeper into Catra.

Pulling away, Catra smirked, climbing on top of Adora. She was going to climb her like one of the trees she cut down. Spreading her legs, Catra slid herself around Adora, moaning at the size of the length inside of her, resuming its place from when she showered.

Her firm hands on Adora's stomach, Catra started to ride Adora, hips bucking forward as she looked at the blonde. She watched Adora's face flush red, Adora also biting her lip in such an adorable manner. Catra just purred seductively as she rode Adora's length.

She held her hand over her stomach, feeling how deep the length was shoved into her, arching herself back just a little to enjoy the size of Adora. She was hung like a bear, and yet if Catra was to compare Adora to any animal, it would be an adorable puppy.

Adora groaned, her hands wanting to reach up and grab Catra and hold her in place, but she already had too much of her strength sapped away. She just laid on the bed, moaning louder. It was a good thing they lived alone in the middle of the woods. To think of the complaints they'd get if they had neighbours.

"Oh... Catra!"

"You're such a good girl for me, you know that, Adora?" Catra moaned, gazing upon Adora with her perfect mismatched eyes. Adora moaned louder, arching her back upwards, but Catra

pushed her down, not wanting Adora to exert herself. "Just relax babe... let me do this for you."

Catra leaned down, grabbing onto Adora's shoulders as she kept riding her length. She pressed her legs on either side of Adora's waist, still thrusting deeper onto her wife's wonderful length. It took her back to hers and Adora's wedding night, where they made love on this very bed just like this.

Whimpering, Adora let herself go as Catra kept riding her. She could feel how tight her folds were around her length, how hard she felt inside of her. She found herself getting more aroused by the sight of Catra riding her, hands firmly on her chest and shoulders.

A wave of pleasure started to form within Adora, the blonde knowing how close her climax was. She adored how Catra did this to her, reminded her of how deserving of love she was. She couldn't have asked for a more perfect wife than her. She felt Catra reach down, gently squeezing her breasts as well.

"Mmmm, these are so beautiful," Catra purred as she kept thrusting.

"I wish... I wish they were bigger," Adora admitted, blushing more.

"They're already perfect, Adora," Catra reminded, validating Adora. "Just like the rest of you."

Blushing more and even more turned on from Catra's validations, Adora cried out in delight, her wave starting to build within her, growing closer and closer to what felt like her climax. Catra gasped, riding the high she was feeling all over from Adora's perfect member inside of her.

"Oh fuck Adora, you're beautiful!" Catra moaned. "You're amazing, Adora! Amazing!"

"R-Really?" Adora nervously muttered, whimpering and biting her lip again.

"YES! NOW COME IN ME ALREADY!" Catra roared, thrusting herself onto Adora, hard.

Her thoughts dominated by Catra, Adora felt all the strength in her muscles start to give. She was close to the edge, close to her wave crashing down upon her. Sweat beaded down her brow again, but this time, Adora didn't mind. She loved it when Catra was the reason she got hot and bothered.

Her hands grabbed the bedsheets weakly, watching as Catra's form flowed like water as she rode her, her lover's long brown hair flowing like the wind. Catra moaned as well, her voice a beautiful melody that made Adora's heart flutter. Adora gasped, crying out with love.

"Oh, Catraaaa!" Adora screamed aloud. Finally, after what seemed like an age, Adora came again, into Catra. Her seed filled her wife's form and she groaned, so much pent up pleasure surging out in one beautiful moment. Her whole form went weak as she collapsed beneath Catra.

Catra groaned a little too, sharing her orgasm again with Adora. She panted, smiling at the blonde and pulling out of her, leaving a few little kisses on her muscles. Adora sighed, pretty much unable to walk. God, it had been ages since Catra had pleasured her that good.

"Well done, my beautiful lumberjack wife," Catra whispered, kissing Adora's cheek. "I'm so proud of you."

"I... I can't get up," Adora groaned. "I don't think I can make it to meet up with Scorpia tonight."

Catra laughed. "Oh man... well, don't worry. I'll call Scorpia and let her know you might be a bit late. Just rest here my love. You've deserved it."

"Thank you..." Adora said gratefully, her exhausted form clinging to Catra tightly. She held her wife close in her arms, thankful for all the love she was given.

As Adora lay there, Catra picked up Adora's phone, quickly dialling Scorpia's number.

"Hey Scorp?" she asked into the phone. "It's me, Catra. Adora's gonna be a little late. She's very... tapped out."
