Better Use of Her Mouth

She *needed* to be fucked. Sitting in front of her mirror, long hair falling down like vines, Adora was on all fours. Her blue eyes, wide but focused, picked her favorite plug from her options and slathered it in lube. She couldn't fuck herself, not without permission from Sir, but she was allowed to stuff herself. The plug, slender pink glass with a slight curve, eased its way into her with a sharp breath. The plug was snug in her walls, the shape causing friction on her nerves surrounding it. She looked up, making eye contact with herself, eyes slightly glassy due to the contact. Her hand, now free from holding the plug, slowly circled her rim, then squeezed her ass tight. Once the initial sensitivity subsided, Adora scrambled to turn around and grab her phone in the process, perking her ass up in the mirror. The midday sun hit the shiny glass, illuminating her slightly flushed cheeks and falling golden locks. Propped up on her elbow, she took several snaps, making sure Catra would get a full view of her tight ass. Nothing else was visible, and that was going to drive her girlfriend crazy.

Adora: *image.jpg"

Catra: Oh, looks like someone's excited for me to come home.

Catra: You didn't touch yourself, did you?

Adora: No, just the plug. I needed to feel something while you were gone.

Catra: You're so pathetic. I couldn't even pick up a coffee for you without you being so needy, Adora.

Adora turned red at the text, finally sitting down so the plug sat flush to the floor. *Fuck.* She did not need that contact right now.

Holding the phone back up, she cupped her breast, hand just flush over her pink bud.

Adora: *image.jpg*

Catra: Mmm. Beautiful. Wet it for me?

Adora took her hand away from her breast, excited for this development. She took two digits into her plump mouth, twirling her tongue around the pads. Her nails were a little rough against the delicate walls. Slowly, she worked her fingers in and out of her mouth, imagining the same movements with her plug, maybe even with Catra's fingers, maybe all of Catra herself. Fuck. Focus. Sir said to wet her nipples, not indulge her oral fixation. Sharply, she took her fingers out of her teeth and back onto her skin, then took a photo to send back as proof. This time, she shot the photo higher to get the slight drool on her lips in frame.

Adora: *image.jpg*

Catra: So obedient today. Too bad I need to wait for our orders to be called before I can bet back and take care of you. Do you want to hear what I'll do, princess?

Adora: Yes, please.

Catra: You're forgetting something…Do you need a reminder?

Adora: Fuck. Yes, please, Sir. I'm sorry I forgot, Sir.

Catra: How sorry are you?

Catra bit her lip slightly, watching the message bubbles rapidly move. Begging over text wasn't as good as hearing the tremble in her partner's voice, but knowing Adora, it would have the intended effect all the same.

Adora: I'll do anything for you Sir. Please, Sir.

Catra: Hmm. As punishment, you won't get to know what you have in store. But you do look so delicious and alone.

Adora: I'm waiting for you, just like I said I would Sir.

Catra: You have fifteen minutes. I better see you knelt by the bedside when I get home. Plug in.

Adora: Yes, Sir.

Catra: Good thing you ordered this coffee iced, cupcake. Be home soon.

Catra's foot was burning a whole in the floor as she waited for the drinks. After their morning teasing, Adora needed a cold brew in her veins, but Catra definitely didn't expect this so soon. Adora's string of photos had her mind racing – does she tie her up? Can she spread her wide? What does her baby want? Does the coffee even matter anymore? Their sexual dynamic had ramped up in recent months, to the point where Catra and Adora were firm in their groove. Catra wanted nothing more than to finally claim She-Ra for her own, and Adora needed to be taken care of after all that had happened. Deep inside Catra, Sir was always fighting to be released. And god, was it hot to see her submissive, her *Adora*, finally speak up for what she wanted.

The baristas couldn't take any more of their sweet fucking time with their drinks, leaving Catra's mind to keep wandering. She opened the photos again, trying to tilt her phone so nobody else

could take a peak at her girl. Once again, Adora's round backside filled the screen, the plug flush with her skin but bright enough to stick out. The plug meant she would be even more sensitive than she usually was. The second photo, revealing her breast again, also showed off Adora's powerful fingers, the ones who'd serviced Catra's own wants not too long ago. And god, then the spit – the wetness she would get all over them in the slick heat.

Soon enough, she grabbed her vanilla cold brews (one for each of them) and practically ran home to their apartment, ears twitching with every step. She finally reached the front door and took a deep inhale. Adora would be waiting for her. And Sir would be ready to greet her.

The bedroom door was slightly ajar, the room dark minus the small glow of a table lamp. Catra had thrown off her bag and jacket to leave her in just a tight tank top and jeans. Grabbing the handle, the door slightly creaked as it revealed the sight of Adora, her stunning girlfriend, sitting naked in front of the bed. Her hair was still down, like in the photos, but now with the addition of a long pink ribbon. Knowing there was something filling her, prepping her for her Sir, made Catra's mouth water. She fully towards Adora, right hand leaning down to cup her beauty's jaw. Adora's eyes met hers, filled with desire.

"Hi baby. You look so good, sitting like this for me. Thank you for the view."

"Of course, Sir. Do you like the bow?"

Catra nodded, her hand still firmly in place.

"Perfect addition for my present this afternoon." Catra moved her hand to Adora's lips, thumb swiping across the pink skin. Catra knew how badly Adora would want her to enter, but not yet. Adora would need to work more for her wants to be fulfilled.

“Is there something you want, Adora,” Catra purred.

“Yes, Sir.”

“Adora, dear, use your words.”

Adora let out a small breath, careful to keep her tongue away from Catra’s close finger.

“Please put your fingers in me, Sir. Please let me lick them and get them wet for you. I need you to touch me more.”

Catra pushed her fingers into Adora’s wanting mouth, feeling her partner swirl the tongue around every inch. Adora sucked slightly, analyzing every inch of her lover available, until Catra pulled the digits out with a slight pop. They glistened in the low light, as did Adora’s now drool-covered lips.

“So good for me, princess. All nice and wet. Take my shirt off, quickly. But no touching.”

The tank top quickly hit the floor, revealing Catra’s bare breasts to the warm air. Her wet fingers reached up to her own nipples, circling them slowly and with want. Catra watched Adora shift her weight between her thighs, most likely a little stiff from the prolonged kneeling.

“Good girl. Now put that mouth to better use for me,” Catra commanded, tapping her breast slightly to indicate Adora’s next move. Adora stood up, inches away from Catra’s face, but knowing she couldn’t touch there. With a soft motion, Adora’s mouth latched onto Catra’s nipple, sucking. Catra moaned softly.

Her girl was so good with that mouth of hers. Catra took her other hand and pushed Adora further into her breast, keeping a firm and stable grip. Adora's teeth bit down sharply, Catra's eyes rolling back in response as she suffocated a loud moan. Then pulling her princess off, Catra moved her to the neglected boob for Adora to continue her work.

"So, so good Adora. Letting me grab you like that. You look so hot with your mouth around me. Is there somewhere else you want that mouth, slut?

Adora let out a rough moan at the name call. Catra lifted Adora off of her to admire her messy lips.

"Speak up, or you won't get what you want."

"Can I please eat you out? I want to use my mouth on you, Sir. Please let me."

"Tsk, tsk, Adora. You want to use me? I think it's the other away around, is it not?"

Adora turned even redder. Fuck. She didn't mean to step out of line, especially after she'd been so obedient for her girlfriend.

"No, no, Sir. You would be using me. I am just here to service you, Sir. You decide if I get the pleasure of my mouth on you. Please, I'm sorry."

Catra's eyes narrowed. She tightened her grip on the back of Adora and pulled her head back, giving her an even better view of her taut chest.

"That's right, princess. You're pathetic. You're here to do what I say, when I say. My little slut, for me to use."

“Yes,” Adora said breathily, “Yours to use.”

“Take the rest of my clothes off. I won’t punish you for that slip up.”

Catra let go of Adora, so Adora could carefully remove Catra’s jeans and boxers. Adora took a sharp breath. *Finally*, Catra was naked. Her softly toned skin had a slight sheen of sweat, and *god, god those thighs* were finally free. There was nothing she loved more than staring at her girlfriend’s immaculate features, the freckles up and down her arms, her hair pulled back to reveal her rounded cheekbones, and yes, the maintained bush she couldn’t wait to be face-first in.

Catra laid down on the bed, motioning for Adora to follow her. Adora knew her place – once again knelt down at the end of the bed, but this time plush on top of their comforter. Now Catra was even closer to her than before, and she still couldn’t touch her. It was *fucking torture*, the salty whiff of her strong in the bedroom. Catra’s tail flicked itself around her thighs, almost tickling her in the light motion. She knew Catra was continuing to tease her, and it was almost too frustrating at this point.

“I know baby. You want your head in my pussy, don’t you?”

Adora nodded.

“Say it out loud, I need to hear it.”

“Yes, Sir. I want myself buried in you. Please let me be of service. Please.”

“Two taps on my thigh and we stop, remember. Don’t be afraid if you need to safe word out.”

Adora nodded, again. It was *weaver* if she could speak, two stiff taps if she couldn’t. Spreading Catra’s legs open, she leaned down

to make contact, taking a slow stripe up her clit. Catra let out a loud sigh of approval, relaxing more into the bed. This was going to be a fun night.

Catra's legs pressed into Adora's shoulders, keeping her clamped in place. Adora was slowly licking Catra's clit, circling the head but not directly touching it. Catra let out a gentle moan in approval, eyes permanently fixed on Adora's head. The woman in front of her began to lick harder, slightly sucking as she began to focus more on her task. Adora's blonde hair was sticking to her thighs, some pushed over her shoulder to get a better angle at Catra's core. She was always so diligent with her work, but she was being too slow for Catra's liking.

"Adora, faster. If you're too slow you don't get the privilege anymore." Catra puts more pressure on Adora's shoulders using her thighs, forcing the slut further down into her. Her partner's tongue hastened, lapping at every available inch of Catra's slit, but making sure not to enter Catra. That was too eager, and not what Catra asked of her.

Catra moaned louder, her body slightly shaking at the increased contact.

"Bett-ter Adora."

The encouragement, even small, was enough to make Adora work harder. Switching up her movements, Adora flicked her tongue

back and forth across Catra's clit, each flick resulting in a thick moan coming from her Sir.

"God, yes. You're being so good Adora. Such a perfect little slut. Do you want more?"

Adora moaned in response, trying to maintain her pace.

"I'll take that as a yes baby."

Catra took one of her legs and used her foot to push Adora into her, then moving the foot down her back before resting it at its original location beside Adora's torso. Adora moaned even louder.

"You like it when you're used baby? Just here to please me."

In response, Adora sucked even harder, quickening her pace. *God yes*, Adora thought, *I want Sir to feel good*.

"Fuck, sweetheart. I'm getting close. Oh—h fuck."

Catra felt like she was going to burst under Adora's touch. She couldn't even stop moaning anymore, legs starting to tremble, every sensation another moment of sheer pleasure. Her toes curled, the sharp claws on her hands gripping the bedsheets.

"Adora, bite me. Fuck, princess."

Adora's teeth clamped down, then she swirled her tongue over the freshly damaged skin. She knew Catra was going to cum soon, and she wanted nothing more than to feel her come undone.

"Ahhh---ahh-Adora! I'm cumming baby, I-"

Catra's thighs tightened around Adora, her legs locked around her girlfriend. Adora's mouth lifted from her core to watch Sir's mouth open wide, eyes shut at her orgasm. She made her Sir come, and she was so happy to watch. Once Catra's body went slack on the bed, Adora licked up all of Catra's wetness to clean her and taste all of her handiwork, resulting in a handful of small moans.

“Thank you, Sir.”

“Kiss me.”

As quickly as she could, Adora reached Catra’s lips, sloppily bringing them together. Catra’s tongue entered her easily, sucking at her own cum in Adora’s mouth. Adora softly moaned, continuing to let Catra explore. They continued this for a few minutes until Catra pulled away, admiring the spit coming off Adora’s lips.

“You’re so good to me Adora.”

Adora licked her lips slowly, blushing in response.

“I love you.”

“I love you.”

Adora was back on all fours, facing the headboard on her bed. Her hairbow had been removed, but her plug was still in, freshly lubricated. By her ankle, she could feel Catra put something down, but wasn’t quite sure what it was.

“Princess looks so beautiful for me, set up like this. All lubed up. Vulnerable. I’m going to need you to be verbal when I talk to you, okay?

“Yes, Sir.”

“Good girl. I want your eyes glued to that headboard while I play with you.”

“Yes, Sir.”

“You’ve been so patient, baby. Fucking me like the good girl you are. Waiting for me today. Is there something else you want?”

“Yes, Sir. I want to be used by you Sir.”

“But I did use you, your swift tongue pressed against my pussy.” Catra grabbed Adora’s ass, holding it firmly. The contact made Adora take in a breath, but she stayed still.

“I want you to fuck me, please. However you want. Please take me.”

“Mmmm. I do like the sound of that.”

Catra grabbed the item to the side of Adora with her hand, keeping one still firm on her partner’s toned ass. Suddenly, cold metal pressed against Adora’s clit, causing her to take another firm breath. Catra gently hit her clit with it, then dragged it back out by Adora’s side, then removing all contact from Adora’s body.

“Color?”

“Green, Sir.”

“I’m going to paddle you, princess. Mark you up with the words you are. Do you know what you are, Adora?”

Adora shuttered.

“Your slut, Sir.”

With that, Catra swiftly cracked the paddle against Adora, reddening her skin but careful not to break it.

“How was that?”

“Good. Really good.”

A second hit to her ass made Adora pull her hips away from Catra at its suddenness. Just as quickly as she moved, she returned to her original position.

“Good, Sir.”

“Do you like knowing you’ve got princess smacked across you?” Another swift touch of the metal to Adora punctuated the question.

“God, yes Sir. I like being your princess.” Smack.

“Fucking hell, you’re taking it so well tonight. So good.”

The praise caused Adora to get even more wet, even more tortured by the slowness of her dominance.

“One last paddle, dear.”

“And, then, Sir?”

“Oh, you want to know?”

“Please, Sir.”

“There’s a reason you’re facing the headboard, Adora. I am in control.”

With that, the last smack hit her ass, leaving one last garbled ‘princess’ on her aching skin. Catra kissed over the marks, setting the paddle back down, until she sat back to admire her work. Uncapping the lube next to her, she spread it over her fingers, and again over Adora’s ass. Slowly circling her rim, then the base holding it close to her body, she could feel how sensitive Adora was getting. Carefully, she pulled the plug out, releasing the pressure from Adora’s body.

“Ahhh---fuck, Sir.”

Catra set the plug down on one of their nightstands, getting off the bed.

"I'm going to wash my hands how. Stay still."

Adora let out a huff. She finally got Catra to touch her, but it was so short lived. Catra washed up, Adora hearing the faucets turn off and on, but suddenly she heard the ties of something fabric against her partner's skin. *Oh, god,* Adora thought, becoming even wetter at the image of Catra in a harnesss.

"So good for me."

Adora hears a soft click, then feels Catra push something against her clit. One more click, then—

"Fuuuck, Sir. Thank you Sir."

Catra let out a small laugh.

"I think my little princess deserves her reward now." Catra moved the bullet around her partner's clit, soft circles causing Adora to moan with ecstasy.

"Sir…Sir it feels really good."

"Yeah, slut?"

"Fuck. Fuck. Sir."

"That wasn't an answer, darling."

Click. The vibrator went up another setting, Adora's low voice filling the room at the increased motion.

“Yes! Yes, Sir. I feel so good under your care. U-use me, Sir. Ah-!”

“Be good for me baby and get on your back, lay down. Don’t remove the vibrator, and don’t fuck with the settings.”

Adora took the vibrator with one hand, flipping herself over to follow directions. Catra’s body was finally in view again, hands opening lube and slathering it across a burgundy dildo, one of her favorites. *Fuck,* Adora mouthed, both at knowing what was to come, and the continued vibrator pressed against her. Catra’s heterochromatic eyes stared wildly back at her, smirk plastered across her face.

“My good girl. Fucking herself like I told her to. But I know what you want, yes?”

“Yes, Sir. Please, fuck, please Sir.”

“More.”

“Sir, I want your cock in me, please. I need it. I need you to fill me. The plug wasn’t enough. I need you. I need you to fuck me.”

The dildo was pressed against Adora’s entrance, slowly working its way in with slow moans. Catra intently watched the burgundy be swallowed up by Adora’s shaven pussy, so slick. The vibrator was still going, Adora careful to keep it light on her clit. Adora’s eyes closed, her hips lifting into Catra’s knuckles as the dildo finally filled her completely.

“Fuuuuck, Sir.”

“You’re taking it so well for me, Adora. The whole cock in one go. Up the vibrator.”

Ever the perfect submissive, Adora did as instructed. Her free hand gripped a breast, holding it tightly as if to ground herself in her pleasure. She licked her puffed lips and moaned, breath hitching as she realized Catra had begun to slowly move inside her. Catra increased her speed but kept the same depth, careful to not ram too hard into her. Adora’s thighs tightened around Catra’s toned forearms, wet with lube and slickness from how much she needed Catra.

“Tell me how good this is.”

“Sir, you’re fucking me so good. Nobody else can fuck me like this. Only you.”

“Only me?”

“Yes, Sir. I’m yours to use. Please, please keep fucking me.”

Catra slowed her pace down, then focusing on long and slow thrusts.

“Oooooh god. Oh my god, fuck, please keep going, Catra—”

Her name ignited a fire in Catra. Her name was heavy on Adora’s tongue, the vowels drawn out as Adora was struggling to focus. She began to pull the dildo almost all the way out of Adora, then ramming it back in with deliberate thrusting.

“Fuck yourself harder,” Catra grunted, watching Adora’s eyes glass.

“Yes, Sir. Thank you, Sir.” Adora clicked the vibrator up a few more notches, taking her so, so close. But she had to wait for Sir, she had to hold on.

“Beautiful, Adora. Fuck, you’re stunning like that. Wrapped around my cock. Caring about nothing else than my touch. Do you want to cum, Adora?”

“Sir, Sir, please.” Adora’s voice was strained and ragged.

“Try again.”

“Sir, Sir, I need you to finish me. Please let me cum. I want nothing more than to cum for you—Fuck! Fuck please Catra I need it so bad.”

Catra let out one big final thrust with her last command: “Cum, slut.”

Adora let herself release all tension in her body, her breast nearly bruising from the grip she had on it. Her hand with the bullet was pressed so hard in her that it was to the point of overstimulation, Catra’s fullness and final push making her unable to do anything else but submit. She went slack on the bed, Catra finally pulling out of her girlfriend. She took the vibrator away from Adora’s hand, taking both toys and setting them on the opposite nightstand as the plug. Catra rested her body against Adora, the duo’s hands becoming intertwined as Adora settled down.

“God, that was so good.”

Catra kissed Adora's neck and sucked gently.

"I didn't say I was done with you, princess. Stay laying down, just relax," she mumbled against her skin.

"Fuck, Catra."

"Are you up with one more round," she questioned, pressing her harnessed hips into Adora's thigh.

"If it's with that, god, yes."

Catra removed herself from Adora's neck, peppering her chest and cheeks with long kisses until settling with a few on her lips. Sitting back up between her thighs, and after grabbing the burgundy dildo just inside her beloved, Catra sets up the harness to give Adora one last release.

"If I had more energy, I'd fuck your face, gorgeous."

"Next time, please, Sir.

Catra smiled, lubricating the dildo once more, and setting it up at Adora's entrance.

"You have permission to touch yourself as you need to."

Adora nodded, preparing herself for Catra. She groaned as Catra gently went inside of her, moving firmly but slowly in and out of her. This was going to be short, but god, did Adora know this was going to be good. Catra took her hands and wrapped them under Adora's thighs to get a deeper angle.

"Sir, that's so fucking good."

"I'm glad baby."

Adora took her hand to her clit, circling it lazily for some added friction. Catra upped her pace, making sure her hips were flush

against Adora's center as she went deep. Adora's eyes rolled back again, her moans a string of *fuck—yes—there—*as Catra kept up her routine. Her legs started to shake again, her body still so fragile from her last orgasm, coaxing Catra to speed up her pace. Adora matched her girlfriend's speed with her fingers, so lost in her partner.

"God, Sir, it's so soon, but—"

"Come again for me, princess. I want you to cum on my cock, baby."

With a grunt, Catra pushed in for the final time, Adora once again tight around her. Catra couldn't get enough of this sight, her sweet *girlfriend*, Adora, the one always at the helm, finally letting go for her. Catra slowly pulled out and released herself from the harness, once again laying on top of her lover and locking hands.

"I love you so much."

"I love you, Catra."

"Coffee?"

Adora laughed, kissing her partner and rolling her off onto the other side of the bed. Yeah, she could use some more energy after all that.
