Enough For You

by masternoveller

Summary

It's Catra's birthday.
And she's planned something special for both her and Adora to celebrate it.
Unfortunately, Adora's job always seems to get in their way.
But... not today!

Notes

I found this while going through my notes app on my phone and thought, might as well share it.
It was mostly written, just needs a little cleaning up etc.
Anyways. Enjoy!

CW: Smut/Sex

See the end of the work for more notes

Catra smiled to herself, holding the tickets for the musical she wanted to bring Adora to for the longest time. She had to wait in line for almost 9 hours overnight, making an excuse so her girlfriend wouldn't find out what she was up to. It didn't matter anyway, Adora ending up going back to work for some emergency.

Catra had saved up for months to get these tickets, making sure the dates and times would fit into their schedules. She even made sure to let their friends know about her intentions so they wouldn't screw it up by planning something else on the same night.

Catra was in their apartment, dressed up for the theatre in her nicest suit waiting on the couch, a dinner set on the table, all that was missing was her girlfriend. They hardly got to spend much time together outside of falling asleep in bed and the odd couch cuddles.

So, tonight is special. Not just because it falls on Catra's birthday, but because tonight Catra wanted to pop the question. She figured her birthday would a safe bet for Adora not to flake out on her. Deep into her own thoughts, a text pings on Catra's phone.

Adora: Happy birthday! I love you!

Catra smiles at her phone, knowing the dull feeling in her gut was not a good sign.

Catra: thanks princess. Going to be home soon?

Instead of texting back, Adora is calling.

Catra: Hello?

Adora: Happy birthday!

Catra: Thanks princess. What's up? How long are you going to be at the hospital?

Adora: I'm so sorry…

Catra: Seriously?

Catra huffs annoyed down the line.

Adora: A whole bunch of people called in sick so now it's short staffed… and then there was the multi car pile up on the highway… Catra? I'm really sorry.

Catra: it's fine Adora. Go save lives. I'll see you when you get home.

Adora: I'll make it up to you. I promise!

Catra rolled her eyes, but she knew that it would be selfish of her to ask Adora to leave the hospital understaffed and have innocent people suffer because of it. It would be for the greater good.

Catra: Okay. I'll see you when you get home.

Adora: I love you. Happy birthday.

Catra: I love you too

Adora: I have to go. An ambulance just pulled up. Bye.

Catra: Bye princess.

Catra hung up and ran her fingers through her short hair and let out a soft groan. She picked up her phone and called Scorpia.

Scorpia: Wildcat! Happy birthday buddy!

Catra: Thanks, Scorp.

Scorpia: What's up? Are you having second thoughts?

Catra: No. I'm sure about that. It's… well I have these tickets, Adora's stuck at work.

Scorpia: Oh, I'm so sorry Wildcat…

Catra: It's fine. Do you and Perfuma want these tickets? It's for tonight, starts at 830pm.

Scorpia: Are you sure?

Catra: Well, someone ought to use them and enjoy the show.

Scorpia: Yeah, okay. Should I drop by your place to pick them up after work?

Catra: Nah, I'll drop them off to you at the station. I'll meet you in an hour.

Scorpia: ok. I'll let Perfuma know. I'll see you later.

Catra just hung up without saying goodbye. She didn't think she could talk anymore without breaking. Anyways, she looked down at her clothes, got up off the couch and got changed into her work gear. Might as well get paid than mope around.
She was glad the dinner she planned was just needing to be heated up in the oven and wouldn't take too long, so she grabbed her keys, wallet and phone, turned off the lights and walked out the door.

At the hospital

"Adora?" A voice comes from behind the blonde, "What are you still doing here?"

“Oh, hey Glimmer.” Adora greets wearily, “We’re short staffed tonight. 3 people called in sick for tonight’s shift.”

Glimmer sighed, knowing full well that Catra had spent so much time and effort for the couple to spend tonight together, “Yes. But why are you here? It’s Catra’s birthday, you should be home with her. Doing whatever it is that you guys do to celebrate.”

Adora went red, she didn’t want Glimmer thinking about her and Catra together in that way, “I already called her and apologised. She seemed fine.”

“Oh, my stars Adora!” Glimmer growled, “Of course she’d say that. Have you not noticed that she would do anything for you?”

“That’s not true.” Adora says unsurely, “She would tell me if it wasn’t.”

“No Adora, she wouldn’t.” Glimmer states.

“It’s true.” Bow chimes in out of nowhere, “Remember when you flaked out on her on your first date?”

Adora grimaced, “She said it was fine! We rescheduled, didn’t we?”

Bow rubbed his temples, “I know she doesn’t want me to tell you this…”

“Spit it out Bow.” Adora huffs impatiently.

“Ok. Just don’t tell her I told you this.” Adora nods, “Well, she had planned this grand first date. Your favourite band was in town and as you know it sold out really quick.” Adora’s eyes widened as she remembers that night. She had cancelled on Catra that night so she could help the new administrator on a project that she wasn’t even on so she could get a better reference for her internship and land a permanent role on the roster, turned out to be a waste of time as the administrator turned out to be crooked and ended up

being fired a few weeks later. Bow continues, “What you didn’t know was she actually managed to get tickets for the concert…”

“What?!” Adora screeched.

“It was a really good concert.” Glimmer said smugly, “Amazing seats too.”

Bow cleared his throat, “Not helping Glim!”

“What? You got a good night out of it too. You bought us tshirts! Now she knows, we can finally wear them!” Glimmer defends.

“Hang on! So, you guys went instead?” Adora asks, “Why didn’t you tell me?”

“Catra asked us not to. She didn’t want you to feel bad.” Bow clarified, “Anyways, that’s not the point. She had to pull a lot of strings to get those tickets.”

“What kind of strings?” Adora asked sheepily, “Nothing… bad right?”

Bow and Glimmer looked at each other then laughed, “No Adora, nothing illegal. Right Glim?” Glimmer nodded, “To get those tickets, she picked up extra shifts and had to help the band out with a lot of stuff. Basically, picking up the promoter job without getting paid or getting the recognition.”

“But…how?”

“I guess you didn’t know she used to work in the event industry, so she pulled some strings through some old contacts and ended up working with the band on this leg of their tour.” Bow sends her an apologetic look, “She actually arranged backstage passes so you could meet the band as well and attend sound check.”

Adora closes her eyes, feeling annoyed with herself, “She did all that? For me?”

Glimmer nods, “Yes. She did. And she basically moped around the whole night. Don’t even get me started on the after party!”

“What after party??!”

Bow chuckles nervously, “It was at that the Empire Hotel, penthouse. There were so many celebrities there. But Catra… well, she left early. Basically, did the whole meet and greet with everyone and then left not long after.”

Adora rubbed her face in frustration, “I can’t believe I flaked on her. I’m such an idiot!”

“That’s not even the only time you’ve put work before her.” Glimmer adds, “Do you remember your birthday?”

“Oh no!” Adora grunts, “What did she plan that I cancelled on her with this time?”

“She had planned a party. Invited everyone. Including you mums.” Glimmer explains, “She had them flown in and arranged the whole trip for them, including your birthday party. They arrived on the day of your party. But, as you remember, you cancelled that night too. Even though I told you and even tried dragging you away, but you just couldn’t leave that patient alone that night.”

Adora thought back to the young girl that she was looking after that had just come out of surgery and wouldn’t let go of Adora’s hand until her own family had arrived. She had talked to Catra on the phone about it and although Catra seemed a little deflated, it seemed Catra was fine when they hung up.

Glimmer started to talk again, “So, we were all at the party waiting for you to arrive when Catra came in to let everyone know that you weren’t going to make it. That you were looking after a special patient.” Glimmer looked over to Bow, “Man, I have never seen her look so disappointed. She spoke to your mums and asked everyone not to let you know about the party. So, you wouldn’t feel bad about standing everyone up. Well, we couldn’t be mad at you, it was your birthday after all. Catra asked

everyone to enjoy the party and then left not that long after. Bow? Can you tell her about Valentine's Day? I'm going to grab some water."

"Sure Glim. Can you get some for me too?" Glimmer nods and walks off, pulling her phone out of her pocket.

"Valentine's Day?"

"Yeah." Bow sighs.

"I was totally there for Valentine's Day!" Adora's declares.

"Yeah." Bow sighs again, "But you missed the whole point of it."

Adora looks at Bow confused, "What do you mean? We had a great time. All of us."

"It wasn't supposed to be a group thing Adora. In case you didn't realise, Catra only wanted to spend time with you." Bow stops and takes her hand, "You weren't supposed to make me and Glim come with you guys. Catra had this whole romantic getaway planned…"

"Why didn't you tell me no then?"

"Adora, you didn't really give us a choice." Bow replies, "Remember?"

"You guys were fighting!"

"Yes." Bow says, "But it wasn't like we hadn't fought before."

"I really don't like when you guys fight, I had to fix it." Adora whispers to herself.

"I know." Bow squeezes her hand, "And if I knew Catra had already had something planned, we wouldn't have ruined it."

"Hang on, but we were together that day. She seemed to be ok." Adora remembers, "She didn't say anything about a getaway or

anything…”

Bow chuckles nervously again, “Yeah about that… she kinda pulled me and Glim aside and told us to get our shit together. Since we had already ruined her plans for the getaway she had planned. She was kinda scary. I think Mermista and Seahawk ended up on that getaway.”

“Is that the trip they keep talking about? With the horse riding, cruises and beach resort?” Adora blurts out, “I was always so jealous of them!”

“I’m surprised you didn’t figure out that was your dream getaway…” Bow shrugs, “Anyways, after we realised we screwed up Catra’s plans again, Glim and I made up and left you 2 alone to give you some space. But by then, well, you’d already missed the ferry across and the activities planned. I’m not even sure when Catra had time to move reservations around for Mermista.”

“I can’t believe this. I’m the worst girlfriend in the world!”

“If it makes you feel any better, Catra is totally in love with you.” Bow says trying to comfort Adora, “And she keeps trying to do and plan things for you guys.”

Adora looks up and sees Glimmer coming back with water, “Did she have something planned for tonight?”

Glimmer quickly shoved the water into Bows hand, “Yes Adora. Even though it’s her birthday.”

“But… how can I leave? There’s just not enough staff to look after everyone here.” Adora says feeling guilty, “I can’t just leave.”

All of a sudden, 3 staff members walk in, Lonnie, Mermista and Perfuma. Glimmer puts a hand on Adora’s shoulder, “If I were you, I’d call Catra to let her know you’re going to be finishing early.”

Adora smiles, “Thanks Glim!”

“Adora!” Perfuma yells, “Go find her at work.”

“Work?”

“Yeah, trust me.” Perfuma smiles and waves as Adora runs out of the hospital.

At the station

Catra walks up to Scorpia sitting at her desk behind a computer screen typing away furiously, she slams the tickets on her desk loudly. Scorpia jumps in surprise.

“Jeez! You really scared me there, Wildcat!”

Catra just looks at Scorpia, no chuckle, no mirth in her eyes, “Here. Enjoy the show.”

Catra takes off her jacket and drapes it behind her on her chair before sitting down across from Scorpia, turning on her computer.

“Catra?” Scorpia glances over at her broody friend, “I’m sorry Adora couldn’t make it. If you want, I can kick her ass.”

Catra looks up with a sad smile, “No, it’s not her fault. Her work is important. I can’t have people dying on my conscience because I want her for myself.” Catra sighs, “I just… you know, it’s whatever. I’m fine.”

“It’s okay, Catra.” Scorpia comforts, “She loves you. Besides you don’t need to come into work. Why don’t you go out and enjoy yourself?”

Catra sighs again, “If I go out by myself, you know I’m going to end up at the bar drinking away my problems. And hopefully not doing something I regret later.” She starts typing away on her

computer, “What’s happening anyways? I see chief still hasn’t updated the statuses on our jobs.”

“It’s a quiet night. Apart from the multi car pile up, that has more than enough people working it, there’s been no more incidents.” Scorpia tells her, “If you really are bored, go dig through some of the cold cases in the back.”

Rolling her eyes, “Yeah fine. I just need to take my mind off things. These cold cases should do the trick.” Catra gets up and makes her way to the archive at the back of the building. Picking through some of the old boxes. She hears someone come through the doors and start talking to Scorpia, but pays it no attention.

A few minutes later

“Hey Catra.” A sultry voice Catra recognises catches her ears. She looks up from the box she’s currently digging through.

“Hey princess, what brings you here?” Catra returns raspily, “I thought they were short staffed at the hospital.”

“They were.” Adora answers, coming closer to Catra before wrapping her arms around her girlfriend, “Glimmer pulled some strings and got some other staff to cover.”

“Sparkles did that huh?”

Adora nods, “Yeah, she did.”

Catra pulls Adora closer in by her hips, “And why would she do that?”

“Bow and Glimmer showed me that I haven’t been the best girlfriend to you…” Adora said sheepishly, “And you deserve way more than that.”

“Well, I did have something planned for tonight…” Catra scratches nervously on her neck, “I mean if you still want to go…”

Adora leans her forehead against Catra’s, “Can we still make it?”

Catra leans in and kisses Adora lips, breaking it off to look at the time on her watch, “Yeah, but we need to get changed first.”

With that Catra pulls Adora to come with her as they race out the station doors, Catra grabbing the tickets off Scorpio’s desk whilst Scorpia gives her 2 pincers up.

“Slow down Catra!” Adora giggles as they make their way back to their apartment, “You’re going to pull my arm out of the socket.”

“Come on princess! We don’t want to be late!” Catra looks back at her whilst unlocking the door, “I got you a dress to wear.”

“Wait, really?” Adora asks stunned as Catra pulls them through the door.

“Yeah. Hope that’s ok.” Catra asks pulling the red dress out of the closet that she had been hiding, handing it over to Adora, “Thought it’d be nice to dress up.”

Adora eyes tear up as she looks at the dress, feeling the fabric under her fingers, “This is so sweet Catra. I love it.”

Catra smiles and takes in the sight of Adora holding the dress, she shakes herself out of those inappropriate thoughts swirling in her mind, mostly ones of the dress ending up on their floor… clearing her throat she says, “Glad you like it princess. Now get dressed, we need to get going.”

They quickly get changed into their formal wear and Catra pulls Adora out of the apartment so they can be on their way to the theatre.

“Where are you taking me, babe?” Adora whines trailing behind Catra but still holding her hand, “Ooh, is it a ball or something?”

Catra snickers, “No, princess. We’re nearly there. Just be patient.”

They finally arrive at the theatre with ten minutes to spare, Catra grabbing the tickets out from her suit jacket pocket and getting them scanned as they make their way to their seats.

Inside

Adora’s eyes wander around the lobby as they make their way through it to where they’re seats are located, she spots the sign board, “Catra! Is this what I think it is?”

Catra grins widely and nods her head, “Surprise princess.”

“But baby, this is your birthday. I should be doing something for you.” Adora pouts playfully.

Catra eyes Adora’s outfit up and down seductively, “You *are* doing something for me.”

Adora blushes as she playfully slaps Catra on the shoulder as they take their seats, then quickly grabbing Catra’s collar, pulling her in for a kiss before the lights dim, she whispers, “Tonight you can do anything you want to me.”

Catra’s breath hitches as Adora pulls away and sits back in her seat, Catra intertwines their fingers as she grins even more broadly. The stage lights come up and the opening act starts. Catra spends most of the show staring at her girlfriend’s reactions, revelling in the fact that they are finally doing something together. At the end of the show, they walk back home at a more casual pace than when they arrived.

On the way home

“You look so handsome tonight.” Adora praises, gripping Catra’s hands a little tighter, “I hope you’re having a good birthday, baby.”

Catra stops and pulls Adora’s body into hers, smirking as she eyes her girlfriend, “Anytime I’m with you is a good day.” Catra’s lips crashes into Adora’s as they kiss on the sidewalk. “You look so beautiful. I should thank Sparkles for getting you out of the hospital tonight.”

They untangle themselves and keep walking home, “Tiger?”

“Mmhm?”

“I wanted to apologise for cancelling on you all those other times.” Adora apologises, “I’m such a terrible girlfriend.”

“Hey Adora?” Catra stops, “It’s fine. I know the hospital stuff is important. It’s for the greater good.”

“They told me about all the times I ruined your plans…”

“It’s fine Adora.” Catra reiterated, “You didn’t know about them so how can you ruin them?”

Adora wraps her arms around Catra’s neck, “I know about the concert, the getaway and my birthday party.”

Catra looks down and sighs, “Don’t worry about that. It’s all in the past.”

“No. I’m sorry, babe.” Adora looks into Catra’s eyes solemnly, “You are the most important person in my life. And I love you so much. I just don’t want you to feel like you aren’t enough for me. If anything, I don’t deserve you.”

Instead of a reply, Catra kisses Adora with fervour, panting for air after, “I love you too princess. You are the most selfless person I’ve ever met. And I can’t be mad at you for looking after other

people that really need it. I just want to take care of you sometimes too."

"So?" Adora asks with a little mischief in her eyes, "How about we go home? And you get me out of this dress?"

Catra smirks, "Gladly."

Back home

They get back to their apartment, chatting about how Glimmer managed to convince 3 people to come in on their day off. It only occurred to Adora that the 3 staff members that came in actually benefited in some way when Adora had cancelled.

As soon as Catra flicked on the light, Adora pulls Catra in for a kiss.

"Happy birthday Catra." She says softly before looking at her girlfriend sultrily, "I've actually got a present for you."

Catra's eyes widen, "Oh, yeah?"

Adora nods her head excitedly, "Yeah I do." Her hands move up Catra's sides, "But, let me get it ready so you can unwrap it."

"So, I guess it's not cake then?" Catra teases, "Where do you want me to wait for this present?"

Adora walks over to the bedroom, she looks over her shoulder and replies, "Sit on the couch baby. I'll be out soon."

Catra swallows hard and nods. She watches Adora disappear into their bedroom as she takes off her suit jacket and hangs it up on the coat rack by the door before heading to the couch to wait for Adora.

She hears Adora moving around in their bedroom, it sounds like she was unzipping her dress and then not long later zipping it back up. She hears Adora's footsteps coming towards the couch, feeling warm hands on her shoulders.

"Hey Catra." Adora's warm breath brushes against Catra's ear.

Catra looks up and smirks, "Hey princess, if I think I know what you are up to, I better take off my nice clothes."

Adora snorts, "Am I that obvious?"

Catra smiles as she gets off the couch to see the red dress she got for Adora still on, she notices Adora's eyes widen when Catra comes closer to her. Smirking, Catra swiftly slides her hands under the blonde's thighs and picks up Adora in one smooth action, making the blonde yelp and wrap her legs around her girlfriend, "Yes princess. You are. But I love it." Catra answers kissing into Adora's cleavage, making the blonde giggle, "Well, let's get to my present, shall we?"

Adora still giggling, threads her fingers through Catra's short hair, "Definitely. Carry me to bed?"

"Of course." Catra tightens her grip under Adora's thighs as she carries them to the bedroom and gently sets Adora down onto the bed, "So? Should I open my present or will you do it for me?"

Adora sits up, "I think you should do it." Catra smiles as Adora turns around so Catra can reach the zipper on Adora's dress, "I hope you like your present."

"Oh, I think I love my present." Catra replies as she unzips the dress, pushing the material completely down to reveal Adora's present underneath, "Mmm, you are so beautiful."

Adora blushes at the compliment, "I love you Catra."

"I love you too." Catra replies kissing Adora's neck as she feels her girlfriend squirm under her, "I love my present too. If you're good,

I’m going to unwrap it now.”

Adora bites her bottom lip as Catra unclasps and slips off Adora’s fancy light blue lacy bra before pulling down her matching panties slowly. Catra rests her hands on Adora’s knees as she takes in the sight of her naked girlfriend.

“Now. Your turn tiger.” Adora breathes out, “I want to see you too.”

Catra smirks as she spreads Adora’s thighs apart, “And here I thought it was my birthday.”

“It is your birthday baby.” Adora says trying not to feel embarrassed by the way she’s wide open in front of Catra, “And I meant it. I’m all yours tonight to do whatever you want.”

Catra smirks again but this time she gets off the bed and starts to undress, she watches while Adora gets herself comfortable enough to watch her girlfriend remove and neatly fold all her clothes. Before she knows it, Catra has pounced on top of Adora, pinning her down under her. Adora wraps her legs around Catra’s hips tightly as they start to kiss passionately. The blonde lets out small moans and whimpers as Catra gently rocks her hips into Adora.

“Mmm… so good.” Adora moans.

Catra looks down into Adora’s eyes, stopping her hips from rocking into Adora, “Tell me princess. What do you want?”

Adora’s still panting as she looks into Catra’s eyes, “I want…”

“Yes…”

Adora rolls her eyes and then quickly shuts them when Catra cheekily rocks her hips into Adora again, “Mmm… fuck.”

Catra chuckles, “Don’t worry princess, we are definitely doing that tonight. But tell me what you want.”

Groaning in frustration with Catra's teasing, Adora whines out impatiently, "Stop teasing!"

"Awe, what's wrong princess?" Catra moves her head down to gently kiss her neck, "I'm not going to do anything if you don't tell me what you want."

Adora huffs, "Come on Catra!"

"The longer it takes for you to tell me, the longer you have to wait. And as you know… I'm a very patient person." Catra whispers into Adora's ear.

Reluctantly, Adora finally gives in, she breathes out, "Fuck me Catra. I want your tongue, your fingers… fuck me with the strap."

"Was that so hard?"

Adora weakly pushes Catra, "Just do it already."

"I love you. And I will do all of that until you can't take it anymore." Catra breathes into Adora's lips before kissing her again, "Mmm… I can smell how wet you are."

Adora blushes as Catra moves down her body and over her breasts, sucking a nipple into her mouth as Adora arches her back to give her more access to her chest and into Catra's mouth.

"Mmm… fuck baby, that feels so good." Adora fingers threat through Catra's hair.

Catra rolls Adora's other nipple in her fingers making her thrash about a little. Paying equal amount of attention to each nipple, Catra moves down to Adora's wetness, spreading her legs wide before wrapping her arms around her thighs to keep them spread whilst she situates herself between them. Adora watches from above as Catra smiles and licks a long stripe from Adora's slit to her clit. Adora's eyes roll back as her head falls back almost violently into the pillow. Catra has barely started and she can already feel the blonde close in on her orgasm.

“Fuck… I’m going…to…oh…shiiiiit!” Adora screams, thrashing about on the bed as Catra continues to lick her clit faster and harder, “Mmm… oh…my… stars!”

Before she knows it, Adora’s body forcefully jerks Catra’s tongue off her pussy, her hands coming to grab onto Catra’s head to stop her from continuing her ministrations.

“What’s wrong princess?” Catra teases.

Adora huffs out a laugh, “Sensitive… give me a second…”

“Just one second?”

Adora tries to laugh again, which only makes her body shake more, “Not yet… I can’t take it…”

“Well, the first part is done. I hope my tongue has satisfied your pussy.” Catra declares as Adora nods and beams up at her, “So… fingers?”

“Can…” Adora tries to gather her words, “Can you put it on?”

Catra raises an eyebrow, “You want me to strap up?”

“Yes…” Adora moans out as Catra teases her fingers at her entrance, “Mmm… still need… ah… a minute…”

Catra plays with Adora for a few seconds more, loving the way the blonde moans and squirms around. She pulls her fingers back from Adora’s pussy and licks the juices off before getting up and putting the strap on. Holding on to the base of the strap as she came back to the bed, stroking herself up and down the artificial shaft. Adora sits up and licks her lips as she pulls her girlfriend over her and kisses her hard. Adora moans feeling the strap rub against her clit. Catra smiles into the kiss as she playfully moves her hips, causing Adora to wrap her legs around Catra’s waist tightly.

“You like that princess?” Catra whispers.

Adora nods her head in approval as her words fail her. Catra grabs her breasts in both hands, gently massaging them and rolling her nipples in her fingers. Adora's hip start to grind up against Catra, trying to feel more.

"Uh uh." Catra tuts, "I'm going to fuck you with my fingers first."

Adora pouts as she stops moving her hips, instead unwrapping her legs from Catra. Catra grabs Adora's left thigh and places it on her shoulder, kissing down her leg as Adora's other leg straightens out. Catra runs her fingers along Adora's stomach, going lower until they are grazing the top of her clit making her jerk suddenly at the touch. Catra grins down at the blonde as she listens to the sounds she elicits out from her girlfriend get louder.
Adora takes a sharp breath in as Catra slides a finger inside of Adora's pussy, gliding effortlessly in. Leaning into Adora's body, stretching out Adora's leg in the process and making it easier to go deeper inside her girlfriend, watching Adora bite her bottom lip trying to stop herself from screaming.

"Mmm… right there baby…" Adora moans, "Fu…ck…"

Without prompting, Catra slides in a second finger before Adora can ask her for it. Just holding it in place, unmoving. Catra smirks as Adora realises that Catra's teasing her. She huffs and pouts as she tries uselessly to grind against Catra's fingers herself but to no avail.

"What's the matter princess?" Catra smirks, "Something I can help you with?" Curling her fingers slightly causing Adora to close her eyes and slightly clench around the fingers inside of her.

"Catra!" Adora whines with another huff, "Stop teasing!"

Catra leans in and kisses Adora's lips softly, resting her forehead on Adora's, "But I love teasing you. You're so hot. Sexy. So, fucking beautiful. I love feeling my fingers inside you." Catra whispers into the blonde's ear, "I love fucking you so much. I'm

going to make you scream. Make you cum so hard you won't be able to move or walk properly after."

"Mmm… fuck Catra. Just do it." Adora begs, "Please…"

Catra kisses her again with a smile, "I'll take care of you. Don't worry."

With that Catra slowly starts to move her fingers in and out of Adora. Adora's hands move quickly to grip onto Catra's shoulders as the fingers inside her pump faster and harder making it difficult to breathe.
Her leg on Catra's shoulder wants to move, unconsciously trying to clamp down but it can't, perched securely on Catra's shoulder, as she's relentlessly fucked by Catra's fingers. It's not long before her inner walls clench around Catra's fingers, making Adora scream out whilst digging her nails into Catra's shoulders.
Her walls creating resistance as Catra slows down but doesn't stop pumping in and out of her. Unable to keep going, Adora taps twice on Catra's shoulder, immediately feeling the fingers slide out from inside her.

"Oh. My. Stars. Catra… fuck!" Adora manages to breath out through gritted teeth as she catches her breath.

Catra chuckles, "Are you ok?" Catra asks kissing Adora's cheek and jaw whilst gently releasing her leg from over her shoulder. She massages Adora's leg as it comes back to rest on the bed.

Adora wraps her arms tightly around Catra's neck as her body vibrates the last of her orgasm. She nods, rubbing her cheek against her girlfriend, "Mmm, I don't think I can move yet."

"Take your time princess." Catra mumbles into Adora's chest, "I still want to fuck you with this strap."

Adora shivers. She doesn't think she can go again. "Give... give me a… bit?"

"I'll give you the whole strap!" Catra turns to tease with a grin on her face as she says it, cackling right afterwards.

Adora rolls her eyes as she giggles, "Haha, very funny. Give me a few minutes. Better?"

Catra laughs into her cleavage, "Okay." She shifts so she can look into Adora's eyes, "I think I want to watch you ride me. You know, birthday wish and all…"

Adora's eyes go wide. She knows Catra loves that position. It usually makes Adora feel vulnerable, being so open and exposed whilst she works herself on top of Catra. But with Catra, it feels safe. So, she smiles, "If that's what you want tiger."

Whilst Adora's body continues to recover, Catra moves up next to her girlfriend, "What did your friends tell you?"

"Huh?"

"You know, about what my plans were when you couldn't make it?" Catra clarifies.

Feeling guilty about the whole thing, "They told me you got tickets to the concert and backstage passes. I can't believe you actually got to meet the band!"

Catra chuckles, "Yeah. It's no big deal though. I'm glad Sparkles and Bow had a good time."

"Catra…" Adora whines as she turns over to look at her, "They said that you basically worked for the band for that concert… and didn't even get paid."

"Don't need the money." Catra shrugs knowing that will infuriate Adora, judging by the look on the blonde's face, "Besides, I'm sure they will be back again at some point. I can introduce you to them then."

“Hold up. Wait.” Adora’s brain stopped for a second after hearing Catra say that, “What you do mean? How do you know them?”

“Before I became an investigator…”

“Detective. Private detective.” Adora corrects, “Stop selling yourself short!”

Catra laughs at the scolding, “Detective. I used to work in security. Private security.”

Adora huffs, annoyed at herself, “I’m so sorry Catra.”

Catra pulls Adora into herself for a tight hug, “Stop. I’m not mad. About any of them. Sure I was a little bummed…”

“Glimmer and Bow called you mopey…” Adora cuts in.

“Ok, fine I was mopey too.” Catra kisses the top of Adora’s head, “But, can you blame me?”

“No.”

“And I get it. Your job literally saves lives.” Catra adds, “But it’s not going to stop me from planning things to do with you.”

A smug smile comes across Adora’s face, “You mean all those romantic gestures and getaways? I knew you were a secret romantic under all the prickliness.”

“I’m not prickly.”

“No… you’re cute.”

Catra breathes out trying to sound annoyed and failing at it, “Only you can call me that. In private. I can’t let you ruin my reputation.”

“I know, I know.” Adora says playfully, “You have a rep to protect.”

“Don’t you forget it.”

“But all our friends know you’re not prickly or mean, they all love you.” Adora smiles, “Considering they’ve all benefited from me being an idiot and cancelling on our dates.”

They both laugh as Catra moves off Adora and sits up against the headboard of the bed. She lewdly pumps the strap with one hand whilst rubbing her thumb gently over Adora’s cheek.

“Ready when you are princess.” Catra teases, “I want to watch you take it inside of you. Slowly.”

Adora gulps, her eyes half lidded as she feels herself move onto all fours and crawls up to Catra waiting, “You like to watch huh?”

“Get in my lap baby.” Catra demands playfully, “You can set your own pace. And yes, I love to watch you.”

Adora moved closer, lifted one leg over and straddled Catra’s lap. The strap rubbing against her folds but not inside of her. She rocks her hips so that she’s grinding the length of it on Catra’s lap, her hands on Catra’s shoulders to keep her balance, “Mmm, fuck baby… “

“Hang on.” Catra says as she reaches around, rummaging through the bedside drawer.

“What are you looking for?” Adora asks watching curiously.

“Lube.” Catra’s fingers finally wrap around the tube and she grins in triumph, “Got it.”

“I don’t think I need it.” Adora says as she watches Catra flick the cap open and squeeze a generous amount onto her hand.

“I know.” Catra says, stroking her lubed up hand up and down the strap, “Come here.”

“Catra…” Adora breathe out, “I don’t…”

“Better safe than sorry.” Catra tilts her head at Adora, “I don’t want to hurt you.”

“You won’t.”

“Still. Humour me.” Catra smiles toothily at her girlfriend.

“Okay.” Adora nods, lifting up slightly so Catra can massage the lube around her pussy, pushing two fingers inside and coating Adora’s inner walls, “Fuck… Catra…”

Catra’s hands move to Adora’s hips, going along with Adora’s pace as she rocks against the strap. A grin plastered on Catra’s face as Adora got closer to another orgasm. Catra stills Adora’s hips, “Put it in princess. Don’t cum just yet.”

Adora still panting complies. She slowly lifted herself up and grabs the strap with one hand, lining it up before slowly sinking herself down onto the length with a moan. “Oh… mmm… fuck!”

Once hilted herself onto Catra’s lap, she pauses to adjust to the size of it inside of her. Catra pulled her in closer and kisses her, “Mmm, so beautiful princess. All mine.”

Adora’s eyes looks down at the space between them and blushes, “I love you.”

Catra moves her thumb and brushes lightly over Adora’s clit making the blonde shudder lightly and then moan, “You can move when you are ready princess.”

Adora’s eyes close as she nods, but still doesn’t move, “Hang on…”

Catra wraps her lips around one of Adora’s nipples as the blonde arches back and moans again then shifts forward pulling Catra into a hug, giving enough room so Catra can keep her mouth on Adora’s nipple.
Slowly Adora starts to shift her hips, grinding herself on the length inside of her. Catra smiles but keeps her eyes closed as she enjoys

the sensation of her girlfriend fucking herself on her lap whilst leaning further into Catra's mouth.
Catra's hands grip around Adora's waist a little tighter as she leans back into the bed and plants her feet down, holding Adora's hips in the air as she starts to thrust up into the blonde. Adora's body slumps forward, unable to go anywhere all she can do is moan into Catra's neck.

"Oh fuck!" Adora moans breathily, her hands gripping the headboard now, Catra looks up at the woman she loves on top of her, "Yes! Like that! Mmm…keep… keep going…"

Catra thrusts up harder and faster, she can see the muscles tighten around Adora's stomach, face and her grip on the headboard tightening, "So amazing… I love watching you like this. I love watching you cum like this.."

Adora's eyes open for a second before they slam shut again as she comes hard. Screaming out Catra's name as well as keening as she climaxes. Her body sinks down into Catra's, arms wrapped around her girlfriend as her body shudders in ecstasy. Catra holds her tight as she tries to keep thrusting but becomes harder with Adora's full weight on her.

"Fuck Catra!" Adora pants out, "That was... that… oh fuck…!"

Adora's thoughts are interrupted by Catra flipping them over as she starts to thrust and pump into the blonde again. The blonde's legs wrap around Catra's waist pulling her in deeper. It's not long before Adora comes again. Her body arches back and then folds forwards, legs shaking as she tries to breath, her breath catching with every rock of Catra's hips.
The shallow thrusts on the strap, rub against Catra just right as she chases her own orgasms.
A loud growl escapes Catra's lips as she tips over the edge as well, her arms wrapping Adora into her even tighter as they both ride out the aftershocks.

Once Adora's legs finally loosen from around Catra's body, Catra takes the opportunity to slide her arms under Adora's knees so her legs are now spread out under her as Catra leans in and kisses her on the lips.

"Is this, ok?" Catra asks feeling breathless from fucking Adora and her own orgasm, her arousal spikes up again at the sight of her girlfriend sprawled under her as she asks, "Got another one for me?"

Adora's eyes open, her mouth open and still panting, "Mmm… I don't know tiger. I don't think I can move right now."

Catra smirks at their position, "You don't have to move princess. I got you."

Adora leans up and presses her lips to Catra's, her breath hitches when she feels the tip of the strap press against her. "Fuck…" she grabs the strap and lines it up with herself before moving her hands to Catra's lower back and pulling her down, the strap slides back inside and she moans out at the feeling.

"Good?" Catra asks softly, gently caressing Adora's cheek.

"Yes." The blonde looks up and nods, kissing Catra again before whispering, "Fuck me, tiger."

"Yes, princess." Catra leans in and presses her lips on Adora's once more for another kiss before moving her hips, bringing the strap in and out of her girlfriend with slow and controlled movements.

"More… harder…" Adora moans out, "Yes…"

As Catra starts fucking into her again, Adora grabs her feet, spreading herself wider. Catra kisses her messily as Adora tries not to bite her lips. One of Catra's hands move down Adora's body and finds her clit.

"Ah! What… what are… mmm" Adora's train of thought broken as Catra rubs her clit roughly as Adora breaks the kiss and turns her

head sideways trying to breathe and then screams out.

“Fuck princess!” Catra whispers into her ear, “I could fuck you all night… you are so fucking sexy… I love hearing you.”

Adora comes again, grabbing Catra’s wrist and jerking it away from clit. She tries to squeeze her legs shut, but they are securely pinned down by Catra’s arms. Instead, her arms wrap around Catra’s neck, pulling her down into a tight hug as Catra continues fucking Adora’s pussy.
Just as another wave of orgasm rolls over Adora again, Catra pulls out and quickly ducks down and starts licking and fucking Adora’s pussy with her tongue until Adora can’t take anymore and physically pushes Catra off.

Catra chuckles as Adora slumps back into the bed breathlessly, using her hands to cover her pussy as her body continues to vibrate with aftershocks. Catra comes up after taking the strap off and pulls Adora into her chest. They cuddle until Adora’s heart rate and breathing comes back down to normal.

Once Adora’s comes back down from her orgasms, Catra slips out of bed.

“Where are you going baby?” Adora voice sounding so hoarse and sleepy but happy, “Come back to bed. It’s cold in here without you.”

“Hang on princess. I’ll be right back.” Catra smiles to her.

“Don’t take too long.” Adora pouts as she grabs Catra’s pillow and hugs it to her chest as Catra quickly exits the bedroom.

Catra moves around the living room looking for her jacket, “Aha! There it is!”

Adora giggles at hearing Catra’s enthusiasm of finding her jacket, “What is?”

Catra doesn’t answer as she comes back into their bedroom and slides back under the covers into bed. She turns on her side, kisses Adora’s lips, “I have a question for you.”

Adora opens her tired eyes, a content smile on her face, “Go for it, tiger.”

Catra holds the small box in front of Adora and opens it, revealing a ring. A nervous grin on Catra’s face as she asks, “Marry me?”

“Yes! Fuck yes!” Adora replies, pulling Catra into her for more kisses, still unable to believe that this is happening, tears spill from her eyes as she cups Catra by her cheeks, “I love you. Of course I’ll marry you, tiger.”

“I love you too, princess.” Catra replies pulling the ring out of the box and placing it on Adora’s finger and then says, “Best birthday ever.”
