Fit for a Queen

by Sailor_Star_Seducer (Luxifer919)

Summary

With the rebellion going poorly, Queen Glimmer feels the pressure of being in charge. What's worse is that *Adora* has been bossing *her* around. Taking back her power, she seeks out Adora for stress release.

Queen Glimmer stomps through the halls of Bright Moon Castle, muttering to herself. Images of the map coated in Horde emblems burn into her mind every time she closes her eyes. Fighting The Horde wasn't working. The Rebellion loses ground daily. Fighting The Horde wasn't working, Glimmer thinks, and she is on the way to make it *someone else's* problem.

Bow slinks through the halls of Bright Moon Castle, making himself as small as possible. Glimmer's tirade still echoes in his head. He wonders to himself where she even *learned* some of those words she screamed at them. Trapped in his daydream, a hell of his own making, Bow loses focus until THUD. He stumbles to the floor, rubbing his head. His stomach drops when he tilts his eyes up and sees who he just crashed into.

"Ugh, would you just WATCH WHERE YOU'RE GOING?!" Glimmer rages at him. Bow skitters away from Glimmer, deathly afraid of her wrath.

"I, uh, sorry Glimmer. I didn't mean to…"

"Whatever." Glimmer huffs. "Do you have *any* idea the amount of stress I'm under right now?"

"Your creative language during the Princess meeting was a pretty big clue." Bow stammers out.

"You don't even know the half of it! The rebellion is crumbling, and through it all, Adora has the *gall* to boss *me* around!" Glimmer complains, tears forming in her eyes. " *I'm* the queen, dammit! She should be listening to *me!* "

"Uh, have you tried *talking* to Adora about it, Glimmer?" Bow offers, trying to be helpful.

"If it was that easy, I would have done it already!"

"I don't think it would hurt if you tried again, Glimmer…"

"Oh, so *you're* gonna tell me what to do now? Fine. I'll go talk to her." She stomps away from Bow. "Adora! ADORA! Where the hell are you? ADORA!" she screams as she tears off down the hallway.

Adora sits in her room, staring off into space. She reflects on her own recent failures and scolds herself for not being *better.* Her gaze falls to the floor as she wishes she could be a better She-Ra or a better friend. She is shaken out of her reflection by what sounds like yelling coming from the hallway. She hops to her feet in no time at all and sprints to the door, placing an ear next to it. The door opens automatically. Caught off-balance, Adora stumbles and falls into the hallway.

"Oh, good. *There* you are." Glimmer states flatly.

"Yeah, I'm here. Where did you expect me to be?" Adora asks, rubbing her head.

"I dunno, maybe off breaking Horde faces? Anyway, I'm here to talk to you."

"About?"

"The way you order me around when *I'm* the queen, Adora."

"I'm sorry, Glimmer. I didn't realize it bothered you that much."

"Well, it does. I'm not some wimpy princess who has to recharge her magic any more, you know?"

"I know that, Glimmer. I didn't mean to treat you like you still were." Adora responds, getting to her feet. She extends a hand to Glimmer. "Say, would you like to come in and hang out for a while? You look like you could use a break."

"I really shouldn't, Adora. I need to get the rebellion back on track!" Glimmer protests. She lets out a heavy, defeated sigh. "But I can't do that if I feel like everything's gonna set me off. I can take some time for me, I guess."

“Great! Come on in and have a seat.”

Glimmer walks through the door and Adora follows closely behind. The door slides shut behind them. Adora guides Glimmer to a chair.

“Make yourself at home, Glimmer!” Adora says, beaming.

“Oh, okay…” Glimmer replies tentatively, taking a seat in the chair. Adora shakes her head.

“No, no, face the chair.”

“Are you ordering me around again?”

“Not at all. Trust me, you’re gonna love this.” Adora says with an unnoticed wink. Glimmer does as she’s asked and straddles the chair. She opens her mouth to ask Adora what she has planned but the sensation of firm hands on her shoulders wipes away any thoughts. Instead, a content moan escapes her lips.

“Feel good, Glimmer?” Adora asks, teasingly.

“Mmm yeah… I can’t tell you how *bad* I needed this…” Glimmer responds blissfully. “Adora?”

“Yes, Glimmer?”

“I’m your queen, right?”

“Yeah? And?”

“Mmm...you’re supposed to do *everything* I say, right?”

“Well, I guess...I *am* your protector and subject..” Adora muses.

“I command you to come here and face me.”

Adora stops massaging Glimmer and slides around to face the queen. With a swift movement, Glimmer grabs onto Adora’s sleeves and pulls her close. She crashes her lips into Adora’s,

quickly asserting dominance. Adora's eyes go wide at Glimmer's sudden forwardness, but she quickly melts into the kiss. Wobbly knees fail Adora and she drops to the ground. Glimmer pulls away from her and smirks.

"On your knees...just where I like you." she declares, biting her lip.

Adora catches her breath after the surprise make-out session. "What is your next command, your majesty?" Adora breathes out.

"I command you to place me on your bed and undress me."

"Of course, your majesty." Adora purrs. She gently scoops Glimmer up in her arms. Moving effortlessly, Adora makes her way over to her bed and gently sets Glimmer down. A slight frown crosses Adora's face.

"What's the matter, Adora?" Glimmer challenges. "Something stopping you from carrying out my command?"

Adora blushes. "I, uh..am I *allowed* to touch you like that?"

"Come *on,* Adora! I've asked you to." Glimmer whines. "Unless you don't want to…"

"No, no, I totally want to!" Adora protests.

"Is it just because I'm telling you to?"

Adora's eyes go wide. "No. I, um…" she clears her throat. " *I think you're hot…"* Adora says, choking the words out.

Glimmer smirks. "What was that again, Adora? You said something?"

Adora swallows nervously. "I think you're hot!" she blurts out. "There, I said it!"

"That's what I thought you said. Now come here and show your devotion to your queen." Glimmer purrs.

Adora's face flushes tomato red. She nervously crawls on to her bed and sidles up next to Glimmer. Reaching out tentatively, she begins to remove Glimmer's clothes. Adora's hands shake as she undoes buttons, clasps, and zippers.

"Oh, *someone's* nervous…" Glimmer teases. Adora freezes in place. "Come on, you're doing so well. Be a good girl for me and finish."

Adora nods. She finishes slowly undressing Glimmer, then takes several seconds admiring her queen.

"Seeing something you like, Adora?" Glimmer coos.

"Oh hell yeah. You're *gorgeous* , Glimmer!" Adora says, awestruck. "Hold on, I have something for you." Adora steps off the bed.

"For the honor of Gray…"

Glimmer cuts in, shushing Adora. "Did I *tell* you to turn into She-Ra?"

"Well, no, but…"

"But nothing, Adora. It's *you* I want. Now come back here to me."

Adora does as she's asked. She slides onto the bed next to Glimmer.

"Good girl. Now I command you to kiss me."

With no hesitation, Adora cups Glimmer's cheek. She crashes her lips into Glimmer's hungrily. The queen wraps a leg around Adora's body and pulls her close. She moans into Adora's mouth, melting under her touch. Adora places her free hand on Glimmer's back, causing the queen to arch her body into Adora. Their tongues dance around one another's, wrestling for dominance.

Glimmer triumphs in the power struggle, allowing her to have her way with Adora. She moans deeply into Adora as she feels Adora's fingernails tracing lines into her skin. She pulls away from the kiss, desperately trying catch her breath.

"Adora...I...I command you to kiss me all over…"

Adora smiles. She plants soft kisses on Glimmer's jawline. Glimmer tilts her head, giving Adora free reign of her neck. Adora takes the bait and begins to kiss Glimmer's neck.

" *Adora…* " Glimmer whispers. She writhes in pleasure under Adora's lips. "This feels *so good…"*

Taking the encouragement, Adora shifts her focus lower. She plants kisses along Glimmer's collarbones. Glimmer writhes and mewls in pent-up pleasure.

"Mmm...stop teasing me...Adora...I need you…."

Adora chuckles and shakes her head. She traces a line from Glimmer's collarbone to her right nipple.

"Oh gods, *Adora…"* Glimmer hisses. Adora kisses Glimmer's nipple, then begins to swirl her tongue around it. Glimmer seizes a handful of Adora's blonde hair and holds her in place. Unable and unwilling to move, Adora gently suckles on Glimmer, causing her queen to whine, mewl, and squeal in bliss.

"Adora, *please...* I need more…"

Adora ignores Glimmer's pleas. She continues to kiss and suckle on Glimmer's nipple. Her other hand gently grabs's Glimmer's other breast and carefully massages it. Glimmer throws her head back and cries out in pleasure and frustration. She releases Adora's hair.

" I need more. *Now."*

"What will you have me do, your majesty? Adora coos.

“I need you to show your devotion. Taste me.” Glimmer whispers. She opens her legs and reveals her sex, already glistening with raw desire.

“Anything for you, my queen.” Adora purrs. She traces a line of kisses from Glimmer’s chest to her belly button, then down to the small patch of pink hair just above her sensitive area. Adora smirks, then begins to kiss Glimmer’s inner thighs teasingly, further frustrating Glimmer. Adora breathes deeply, drinking in Glimmer’s scent. Losing herself in the intoxicatingly sweet scent, Adora takes the final step and dives into Glimmer’s folds.

“Oh gods *yesssssss,* Adora…” Glimmer cries out.

Further emboldened by Glimmer’s affirmation, Adora continues her exploration. She laps up everything Glimmer has to offer, dragging her tongue anywhere she can. Glimmer’s body quivers under Adora’s careful attention. Unable to restrain herself any longer, Glimmer again takes hold of a handful of Adora’s hair and shoves her face deeper. Adora takes the hint and steps up her performance, penetrating Glimmer with her tongue. Glimmer’s hips rock and buck, determined to take as much of Adora into her as possible.

“Adora, I…” Glimmer begins to speak before the words catch in her throat. Her mind goes blank and her ears ring. Her mouth hangs open and her breath hitches.

Adora chuckles. The vibrations from Adora’s husky laugh send a shockwave of pleasure up Glimmer’s body.

“ *Glimmer must be close…”* Adora thinks to herself. She changes course from tongue-fucking Glimmer to paying attention to her hard throbbing clit. She traces lazy circles with her tongue on the sensitive area, causing Glimmer to shake. Adora keeps up her worship of Glimmer’s sex, kissing her clit reverently. After a few more strokes of her tongue over the sensitive button..

“Adora... *Adora...Adora...Adora…”* Glimmer whispers, repeating Adora’s name like a mantra. She digs her fingertips into Adora’s scalp and the bedsheets beside her. Her entire body tenses and she stops breathing for a few seconds, then a deep, guttural moan escapes her lips. She coats Adora’s face as she climaxes, and Adora dutifully and thirstily laps it all up. Glimmer moans intermittently for several more seconds as the waves of her orgasm crash over her. Adora slows her tongue’s pace, but continues to coax more pleasure out of Glimmer.

Within a few minutes, the aftershocks subside, leaving Glimmer a sweaty and breathless mess.

“Adora, I...I have one more command for you.” she breathes out.

“What is it?”

“Lie next to me and hold me.”

“You didn’t have to command me to do that, Glimmer.” Adora says as she slides up the bed to be next to Glimmer. She wraps Glimmer up in her strong arms and pulls her close. Glimmer lets out a contented sigh as she nuzzles into Adora.

“Adora, that was amazing. *You* were amazing…” Glimmer says, awestruck.

“Just trying to please my queen.” Adora says playfully.

“Mission accomplished, Adora. *Wow.* ”

“Say, if you wanna come into my room and order me around some more, I wouldn’t be opposed to it.”

Glimmer smiles. “I think I’ll have to take you up on that.” She turns and kisses Adora and the pair melt into one another.
