forgive me, love you

Summary

A bondage scene of a bound Catra getting attention from Adora as She-Ra.

I think this is on the line of Adora being a gentle dom, but I wasn't sure enough to add it. Please mind the tags. Very explicit.

"Let me out! Let me *out*!" Catra's calls are high and hoarse, trying to twist her body despite barely being able to move more than an inch.

Catra hadn't been awake when she was tied up, but nonetheless she knows the Sword of Protection by sight, even if it's not in it's original form, and right now, it most definitely is not. Rather it's currently one long ribbon, bound around Catra's frame tightly. She still has a nightshirt and panties on, but it doesn't feel like it. She feels bare, vulnerable, the thin fabric unable to protect all the soft parts of herself she'd rather keep hidden.

Which isn't an option. Not when the door swings open to the room she's being held in, not when She-Ra walks through the door.

Of course it's She-Ra.

Catra redoubles her efforts, tugging harshly at the ribbon around her wrists, feeling particularly self-conscious of the way her legs are bound, spread wide apart… how hadn't she noticed that beforehand?

"Adora! I'm so glad you're here, I… I need help! I can't get these off…Well, don't just stand there!"

But She-Ra doesn't move. Catra stills for a moment, feeling her heart pound violently in her chest.

"Adora…?" Then Catra's mind catches a detail. An obvious one. "Adora, who… how did your sword…?"

She-Ra scoffs, a low sound, almost amused- though Catra knows better. "You've always been the observant one, Catra. I know you can figure it out."

Catra huffs in protest, balling her hands into fists until the poke of her claws burn in her palms. "Don't act all smart on me now, okay? Just… get this off of me, and we can *leave*."

“Why would I do that? I like you right here.”

Catra freezes, then, though it doesn’t matter. Not like she can choose to flee anyway. She-Ra finally begins to step closer, a hard edge in her expression, eyes like steel, and it *shouldn’t*, it absolutely shouldn’t, but it makes her hips tilt upwards involuntarily.

“Adora, what are you talking about…?”

“You seriously don’t know?” She-Ra walks right up to her, then, in front of the bed and right inbetween Catra’s spread legs and *fuck* Catra can feel her core heating up, the warm sensation of a trickle leaving to collect inside her panties. “Just think about it. When the going gets tough, what do you do…?”

Catra doesn’t speak. Doesn’t breathe. Just turns her head away. But she doesn’t expect She-Ra to lunge forward, large frame arching over her, roughly taking hold of her jaw. Catra gasp turns into a hiss, though it doesn’t stop the heat from building inside of her. Her pussy pulses, pleased at the feeling of She-Ra’s rough calluses pressing into her skin. She-Ra forces Catra’s eyes on her, other hand gripping harshly into her left inner thigh. Catra whimpers, a pathetic sound.

“What. Do. You. Do?” She-Ra asks, low and firm. Catra can feel herself trembling like a leaf, but she can’t do it. Not yet.

“I- I don’t know what you want me to tell you, okay? I-“ but Catra cuts herself off with a choked inhale or exhale, she can’t really tell… because She-Ra’s hand has traveled from her thigh to her panties, thumb and finger finding her clit with perfect ease, pinching it roughly.

“One more time. Let’s try that one more time. Hm? Can you do that for me, *Catra*?” Then She-Ra twists Catra’s clit, a painful-painful-almost-pleasure-painful feeling courses through her, and she cries out.

“I run! I run away! I-I hide, I…” Catra shudders and comes to a stop, because She-Ra lets go of her clit. But doesn’t stop completely, no. She-Ra lays her thumb over Catra’s clothed clit as light as can be, stroking over it in a way that makes her groan out and roll her eyes back along with her head.

“See? I knew you could do it,” She-Ra murmurs, and Catra looks up just in time to see the way She-Ra stares down where her thumb traces over her clit, then opens her mouth, letting spit drip slowly out of her mouth, Catra helpless to do anything but watch as it hands, warm and wet, over the fabric on her clit. She-Ra rubs it in with that same careful rub, going in circular motions now, and Catra feels her thighs beginning to shake.

“Why are you doing this, Adora?” Catra asks, breathless and teary eyed, but She-Ra just stops her ministrations and straights up.

“She-Ra.”

“What…?” Catra asks, ashamed that her legs twitch open wider at the lack of stimulation.

“I want to hear you say it. You always act like this isn’t a part of me… so say it.” Catra expects another stare down, but instead She-Ra leans down, pulling a switchblade out of her boot. Catra tenses, tail beginning to flick below her in frantic back and forth motions, but when She-Ra opens it and presses it to her inner thigh, it’s a barely-there sensation.

“No,” Catra says, deviance dripping from her voice, surprising herself. She-Ra glances up, though doesn’t seem too surprised herself. She-Ra hooks a finger in Catra’s underwear, pulling the soaked fabric forward and cutting it in a swift motion. She-Ra pushes the ruined cloth away, and Catra strains until her thighs ache as she tries to press them together. But there’s nothing she can do.

“Hmm,” She-Ra hums, clearly unimpressed. Then she traces her finger along Catra’s inner thigh, and Catra is humiliated to feel and

see the thick slick already coating her skin there. Catra growls uselessly and tosses her head to the side, not expecting anything more, until there's a very sudden and very quick pressure of a finger pressing inside and stretching her sopping pussy.

"Adora! That's-!" But She-Ra doesn't slow the slow but swift slide of a thick finger inside of her, and Catra wouldn't want to admit it, but the sudden and unforgiving stretch makes her spine tingle and arch below her.

But when Catra goes to look down, lifting her head up, she's surprised by a sudden, rough smack to her face.

It stings.

Her eyes prickle, head falling back to the bed and ears flattening.

Then, worse of all, that single finger pressing into her fills her all the way, knuckles kissing wetly against her lips, and Catra cums. She shakes and her breaths leave her in shaky, shuddery exhales, hole fluttering over and over again on the finger inside- which keeps moving, in and out, slow and firm, without any concern whether it sparks pleasure or overstimulation.

"Look at that. Such a needy thing. Just wanted my attention, didn't you? Even if it was just my anger," She-Ra says, tone in a hushed soothing murmur, but the words twist bittersweet with Catra's fading orgasm.

"Just stop it already, Adora, I get the point you're trying to make and-"

But Catra is cut off when one of She-Ra's thick hands wrap around her neck. Not cutting off her airflow, but it's enough to stop her thoughts in their tracks. But then she does squeeze, just the sides of her throat, and Catra arches, air filling her head slowly as she hears the sound of fabric shifting.

Catra can feel her cunt dripping heavily as She-Ra pins her down by her throat, inhaling deeply when She-Ra lets go, unable to stop

from arching upwards as She-Ra plants her hand square in the middle of her chest.

"You deny part of me, and you deny part of yourself, too," She-Ra says, and then she's pressing forward, and Catra jerks her hips up as their hips meet, tears streaming freely down Catra's face as She-Ra lines her swollen, slick-wet clit with her pussy, using her free hand to wrap around Catra's thigh for leverage. Then without any pause, She-Ra ruts forward, rough and fast, clit sliding into Catra's entrance with every glide.

"NO, that's not…! OH, ffff!" Catra's back arches sharply as she cums again, wailing as She-Ra continues with her bruising pace, now panting and red in the pace and clit throbbing harshly inside Catra's entrance. Catra can't take it.

"I can't…!"

"You can! You can! I know you can, I know…" Adora pants, hand trailing down Catra's chest to her clit, rubbing it softly in comparison to her rough thrusts. "You might not think so, but I always have… you're worth believing in, and worth forgiving! I already have!"

Catra sobs, pleasure spreading through her limbs as she shakes and squirts on Adora's clit as it slams against her hole, her tail coiling tightly around She-Ra's thigh.

"I don't! You… you…" But Catra can't say She-Ra hasn't forgiven her.

Catra knows she has, and it burns deeper than any corrosive, brighter than any suns.

"She-Ra!" Catra finally wails, stomach tensing and untensing through the almost unbearable tension in her lower stomach, strangled sob leaving her as She-Ra stops touching her clit, but then She-Ra is leaning down, their clits sliding together instead, their lips meeting in a passionate kiss-

“Keep going,” She-Ra whispers into Catra’s mouth. “Good girl.”

Catra nips at She-Ra’s lip, her clit burning desperately, and finally, she listens.

“I love every part of you…” Catra exhales in-between kisses. “I love you as Adora. I love you as She-Ra. You don’t… you don’t need my forgiveness, but you… you deserve to be loved entirely, and I…”

“Shhhh, I know…” She-Ra murmurs, and slowly, slowly, in a glimmer of light, Adora is above her, and Catra’s bindings fall to the floor.

Tears fill both their eyes, and arms tangle around each other as they rock into one another, softer and slower now.
