fuck me, puppy

by pride_and_prejudykes

Summary

It had started as a joke. That's always where it starts, right? Scorpia made some off-hand comment about Adora's dog-like tendencies, and Adora had laughed and said something about a collar. Catra couldn't remember the exact words. She'd been too busy short-circuiting, the image of a thick leather collar around Adora's throat consuming her thoughts.

Incidentally, Adora was having similar thoughts.

OR

Catra and Adora decide that what Adora really needs is to be a good fucking dog.

Notes

Had an idea, blacked out, woke up with this. Enjoy!

It had started as a joke. That's always where it starts, right? Scorpia made some off-hand comment about Adora's dog-like tendencies, and Adora had laughed and said something about a collar. Catra couldn't remember the exact words. She'd been too busy short-circuiting, the image of a thick leather collar around Adora's throat consuming her thoughts.

She'd decided not to think about it.

Three days later, Catra woke up in the wee hours of the morning in a cold sweat. Her dreams had betrayed her, as always. The image of Adora, kneeling, tongue lolling out, panting like a bitch in heat, a red collar tight around her neck, was burned into her mind.

Adora was still asleep, silent and peaceful in the bed next to her. Catra knew she should roll over and go back to sleep; she probably wouldn't even remember the dream in the morning. And she tried, she really did make an honest effort. She just couldn't shake the idea of Adora in a collar.

Half an hour later, Catra admitted defeat. She rolled onto her side, facing away from Adora, and reached down to find herself already half-hard. *That* made her cheeks burn. It had been a long time since a fantasy alone had been able to get her hard. Most of the time, it took Adora's hands, or Adora's lips, or Adora's cock in her ass before Catra could experience anything approaching an erection.

Catra massaged herself slowly, taking pleasure from the pressure of her own hand more than anything. She let her mind wander. What if Adora wore not only a collar, but a matching leash? What if Catra had that leash wrapped around her fist? What if she tugged on it just enough to draw Adora's face down towards her own? What if she did so while Adora fucked her?

Heat was pooling in her gut, her eyes shut tight, imagining her girl fucking her stupid. Adora was always so eager to please, so

enthusiastic. Such a fucking *dog.* Unbidden, the thought of Adora *barking* jumped into Catra's mind.

She nearly came on the spot. Key word: nearly. And thank the gods she hadn't; the slick mess she was making in her shorts was already obvious enough. She'd have to explain herself in the morning. Though, perhaps that wouldn't be *too* mortifying. Adora had taken rather well to Catra's last few suggestions as to which kinks might be fun to explore.

Still. Asking her to be a dog felt like a lot.

"Are you fucking kidding me?" Adora said, and Catra almost panicked. But then Adora's face split in a wide smile and she laughed, throwing her head back into the pillow. "Catra, *I* was planning on saying something today."

"What are you talking about?" Catra asked, still half convinced she was misreading Adora's reaction. She shifted in the bed, sitting up fully.

Somewhat sheepishly, Adora reached under her pillow. "I heard what Scorpia said, and, well…" In her hands was a red leather collar. Catra's jaw dropped. "I, uh, I asked Entrapta to make it for me later that day, and she finished yesterday. I thought it would take her longer, especially since I had her use some First Ones tech to make it strong enough to hold up when I transform into She-Ra. But-"

"Hold on," Catra said, her brain still scrambled, "you told Entrapta?" Adora shrugged.

"Yeah, but you know she can be discreet. Remember the rope she made us?"

Catra closed her eyes and massaged her temples, trying to collect herself. She couldn't ignore the way her heart hammered in her chest, nor the fact that what had seemed so theoretical ten minutes ago was suddenly becoming very real.

“Catra? Are you okay?” Adora’s voice had gone soft, the way it did when she was worried. Catra opened her eyes to see that worry in Adora’s gaze. She let out a breath she hadn’t realized she was holding and allowed herself to smile.

“I’m fine,” she said, “really, I am. I’m great, actually. I just… Are you sure you want to try this?”

Adora’s expression morphed into confusion, then she laughed.

“Obviously,” she said. “I wouldn’t have gone to Entrapta if I didn’t.” She paused for a beat, then: “Are *you* sure, Catra?”

“Yes,” Catra said, almost before Adora had finished speaking. She looked away, down at her hands. “Yes. Absolutely. I want—I want you to be my dog.” Catra looked up, meeting Adora’s eyes, and saw something positively ravenous in them.

“Great! Put this fucking collar on me?” Adora said it like a question, but it was *not.*

“Now?” Catra asked, startled by Adora’s sudden intensity and by the bolt of heat that shot through her.

“Why not?” Adora said. “We’ve got *hours* before anyone comes looking for us.”

Adora held her hair out of the way while Catra slipped the collar around her neck. She drew it snug, leaving just enough space for two fingers, and sat back to admire her work. Adora really did look very pretty wearing it. Catra wondered how she’d look wearing the collar and nothing else.

“How does it feel?” Catra asked, trying not to squirm. “Not too tight, right?” Adora shook her head.

“No, it feels great.” She caught Catra’s gaze, the corner of her mouth twitching. “How does it look?”

“You make a very pretty dog,” Catra said, working hard to keep her voice level. She could practically see Adora vibrating with excitement. She knew what was coming. Oh, gods, she wanted it.

Adora could tell. Catra could tell that Adora could tell. So what was she waiting for?

Adora flashed her a cocky grin. “Use your words, Catra, I can’t read your mind. Or, take control. I’m your dog now. Your obedient puppy. Honestly, I-”

Catra shut her up, closing the distance between them, pulling Adora forward by the collar. Their lips met, and Catra saw stars. She moaned into Adora’s mouth, days of pent up tension driving her to desperation. She found herself straddling Adora’s hips, Adora’s hands in her hair. Catra could feel Adora’s length hardening beneath her. She could feel herself stiffen against Adora’s solid abs. She was overwhelmed by the taste, the scent of her. And she wanted more. She wanted—

“Bark for me?” Catra said, panting. She half expected Adora to refuse, but—

“Arf!” Adora barked! Cute and high-pitched and tentative, and Catra shook like a leaf.

“Good dog,” she gasped, “fuck me Adora, good dog.”

Adora whined, burying her face in the crook of Catra’s neck, hot breath against Catra’s collarbones. Catra rocked her hips forward. She was desperate for friction, desperate to grind herself against Adora. She felt Adora’s hands at her waist, felt her fingers dig in. Catra could feel her strength. Adora’s nails pressed into her soft skin hard enough that she knew they’d leave marks. Catra wanted to be marked by her dog.

“Bite me.” Catra’s voice was a whisper just beside Adora’s ear. She felt Adora tense, and then—teeth, at the crook of her neck, at her pulse point, at her jaw. In each place, Adora bit hard, searing,

almost bruising, and Catra let go. “Good girl, good fucking girl, fuck me.”

“Catra,” Adora panted, “I need you. I need to be inside you.” Catra wanted that, too. She was desperate for it, in fact. But something about Adora’s teeth had given her clarity. She drew back, looked Adora in her pleading eyes, and—

“Beg for it, puppy,” she said. Adora whined, shoulders going slack.

“Please!”

“Please *what?* Use your words.”

“Please let me fuck you, let me fill you, please, I need it, I need you, I need-”

“*Bark.”* Catra’s smile must have been cruel the way Adora looked at her.

“Arf!” Stronger, less hesitation than before. Adora was starting to look properly hungry.

“Good dog. Let me grab the lube.”

By the time Catra had snagged the bottle off her nightstand, Adora had managed to strip herself. A thin sheen of sweat coated her sculpted muscles. Catra couldn’t resist taking a moment to appreciate Adora’s body. She shed her shorts, leaving her sports bra for the moment, and straddled Adora’s thighs.

Adora trembled as Catra slowly bent over her chest. Catra held her gaze as she kissed her tits, laving her tongue over first one nipple, then the other. Adora shivered; she brought one hand up to tangle in Catra’s hair and held her in place. Catra, for her part, was more than happy to keep her mouth on Adora’s tits. Especially when she could feel Adora’s cock hot and firm against her own dick.

Catra rocked her hips, grinding down into Adora, and both of them gasped at the friction. Adora bucked up against her, the barest hint of her true strength, her cock sliding past Catra's. Catra reciprocated; she found a rhythm, alternating thrusts with Adora, grinding into each other. Her gasps turned to moans. Adora's whines slowly became pleas, barely audible whispers begging her not to stop.

It was at that point that Catra realized she'd been leaking rather a lot. Or maybe Adora had? It was hard to tell which of them was responsible for the slick, sticky mess spread across both their stomachs. Which, frankly, only drove Catra's arousal higher. She decided to make the most of it.

"Look at you, leaking so much," Catra teased, pushing herself up so Adora could see. "Such a messy puppy, I'm gonna have to clean you up, aren't I?"

Words seemed to be failing Adora. She nodded silently, her pupils blown wide. Catra slid backwards until her face was level with Adora's abdomen. She took a moment to admire the delicious mess. Her mouth watered.

Catra tried to keep her composure enough to put on a show for her, but she quickly lost her resolve. Adora tasted of sweat and salt; her muscles flexed, hard against Catra's tongue. Catra's objective shifted from *look sexy* to *get as much of Adora's slick in her mouth as she fucking could.* She made quite the valiant effort, though the whole endeavor was doomed from the start. Adora's cock was hot between Catra's breasts, spilling more pre every time Catra's tongue touched her.

Catra swallowed. The taste still heavy and heady in her mouth. Adora's mouth was open, her tongue glistening invitingly.

"Want a taste?" Catra asked.

"Kiss me?" Adora sounded like she might die if Catra refused.

So, naturally, Catra said, "Kisses are for people. And you're a dog, aren't you?" Adora looked at her askance. Catra grinned wickedly. "Show me your tongue, puppy."

When Adora obliged, Catra spit directly into her mouth. She didn't quite hit her target; a good amount of saliva-and-slick hit Adora's face. Though, that was a pretty sight, so Catra couldn't really complain. Adora certainly didn't seem to mind. As soon as Catra's spit hit her tongue, her back arched, hips lifting Catra off the bed.

Catra leaned down, put her mouth just beside Adora's ear, and growled as low as she could, "Good fucking dog, Adora."

Adora's lewd whine left no doubt in Catra's mind: this girl, for all her strength and power, was born to be a dumb fucking dog. *Catra's* dumb fucking dog. And with that realization came the absolute knowledge that if Catra didn't get her dumb fucking dog's fat cock buried in her she was absolutely going to die.

"Adora, puppy, I need you to fuck me. Now. Please?" Catra's words activated Adora like little else could. In an instant, she'd stopped basking in pleasure and seized the lube from where Catra had abandoned it beside them. In another instant, she'd spread a generous amount on herself and was reaching forward to help prep Catra's hole to take her. *What an obedient dog.*

Catra couldn't contain a ragged moan as Adora's cock finally—*finally*—began to split her open. Adora was decidedly not small. But it felt like heaven to be stretched around her, to be made to contain her, to be filled with her. It must have felt pretty good for Adora, too, considering the symphony of sounds she was making.

Catra's ass met Adora's hips. She sighed happily at the blissful sensation; she drank in the mingled joy and awe on Adora's face. This moment was a familiar one, a sort of calm before the storm. And normally, Catra would be content to sit for a few seconds just enjoying it. This time, she cut it short.

"Bark, puppy."

"Arf! Arf!" No hesitation; Catra grinned, heat in her core.

"Good girl, good *fucking* girl. Now fuck me, puppy, and-"

Catra had been about to command Adora not to cum until she was give permission, but the words—and her breath—were stolen from her as Adora's first thrust drove into her. Gods above, that girl was *strong.*

Adora found an even rhythm almost immediately. She dug her hands into Catra's thighs, helping to hold Catra above her enough to give her hips room to move. She hammered into Catra with such vigor as to make the wet slaps of hips to ass audible even above Catra's suddenly wild moans. Catra held herself up with her trembling arms, head hanging, unable to even keep her eyes focused.

Unfortunately, that meant that she couldn't fully appreciate the sight of her puppy working herself into a sweating, panting frenzy. Adora was lost to the world. Her only thoughts beyond hazy pleasure were of how to best fuck Catra senseless. Scorpia had been right to say that Adora had many dog-like tendencies, and this was, perhaps, the most significant: Adora, given the opportunity, would gladly drive her own endurance, strength, and body to the absolute fucking limit if she thought it would make Catra happy.

In this case, 'happy' was synonymous with 'literally fucking drooling with pleasure.'

Catra, for her part, was enjoying the aftershocks of her second orgasm. She thought. Sometimes it was hard to tell, both because Adora's cock made her so fucked out and stupid to begin with, and because her dick didn't produce much more than thin pre on the best of days. Whatever was happening in her body, she was having a *great* time. Her brain was so flooded with endorphins that she didn't hear Adora's voice at first.

“Catra? I said I think I’m gonna cum,” Adora gasped, muscles tense enough that it was clear she’d already been holding off for some time.

Catra still couldn’t form words, but some part of the garbled whines and moans that came out when she tried to speak communicated what she meant. *Yes, please, fuck, fill me,* and so on. Relief washed over Adora’s face. Her pace finally stuttered as she slowed enough to bury herself in Catra’s ass one final time. Her cock pulsed, tearing another moan from Catra’s throat as she felt Adora cum deep inside her.

Catra sagged forward, barely holding herself up, as Adora lowered her hips to the bed. Catra didn’t want to move, didn’t want to relinquish the wonderful fullness. She didn’t even have the strength just yet.

“Doing alright?” Adora asked, catching her breath. Catra nodded weakly. “You sure?”

“Yes, dummy,” she gasped. Adora laughed softly.

“Can I kiss you?”

“What,” Catra took a breath, “do you think?” Adora raised an eyebrow. “Yes.”

Adora had kissed her harder. She’d kissed her longer, or with more passion, or with more affection. But post-sex blissed-out kisses were some of Catra’s favorite. She hummed happily against Adora’s lips.

“Seems like you needed that,” Adora said, grinning. She brought her arms up, wrapping Catra in a tight embrace.

“Sometime,” Catra said, still a bit dazed, shifting to rest her head on Adora’s chest, “I’ll repay the favor. Y’know, get the strap out and fuck all the thoughts out of that pretty head. That’s what good dogs deserve, after all.”
