God is a (Beautiful, Complicated, Smart, Funny, Talented, and Dumb as a Fucking Rock) Woman

by queenmillicentofbystander

Summary

Catra and Adora fuck on the couch. Again. Fun fact - all three times have been different couches. But this time they have a lot of feelings and it is very intimate.

Takes place during Chapter 9 of my fic Lips of an Angel. After the movie but before the ice cream.

Notes

There are a few reasons why this wasn't in the chapter, but the biggest is Catra should get to have this one. She needs it more.

(That is actually a reference to the chapter. So, maybe read it.)

Actually, I am not sure if it would be necessary to read Lips of an Angel to follow this. I'm inclined to say no? It would definitely help, but you can probably get by.

And as a reminder, the ingredients are listed on the bag.

See the end of the work for more notes

Catra wants to spend the rest of her life in this moment.

There are probably people who would tell her to pick a better moment, but those people are actually stupid. There has never been a better moment. Ever. In the history of the world. Or at least in Catra's life. She has never felt so… gah.. She can't even put words to it. Adora's weight holding her down and her hands hiking up her pulse… everything feels sunwarm and when their lips meet, she feels like she's floating.

Adora shakes her head, rubbing her nose back and forth against Catra's like a dozen quick little kisses. And Catra bites back what would certainly be a giggle as Adora pushes her shirt up and grazes her nails along her waist. She still hasn't decided if Adora learning she's ticklish is a blessing or a curse. At the moment, she thinks it might be a miracle of God.

With needy hands, Adora drags Catra's shirt off her body. The cool air barely brushes against her skin before Adora is leaning in again, allowing no room between them, as she kisses up along Catra's jaw and below her ear.

Catra whimpers when Adora brings out her teeth to graze her skin and her hot breath warms her ear. "Catra," she sighs, and at the sound of her own name in Adora's voice, she quietly whines.

She can feel Adora's smile against the shell of her ear. "Remember the first time I touched you?"

Adora's hands, tight at Catra's waist, squeeze.

Biting her lower lip, Catra nods, her soft response almost a whimper. God, she's so fucked. She thinks the simple weight of Adora's body on hers might be enough to kill her.

And now Adora's hand is dragging up her chest.

"You were so good for me. Even then." Adora wraps a hand around Catra's tit and squeezes. "Why are you so good for me,

baby?”

“I—“ she searches her mind for a shred of composure, some sort of quip or snark. “I’m not always good,” she breathes, biting off a cry when Adora pinches her nipple and twists.

“Hmm…” Adora moves her mouth lower, right where Catra’s jaw meets her throat. “That’s true.” Her mouth travels down, settling at Catra’s pulse point and gently biting at the skin, leaving it hot, puckered, and red. “You like making me jealous.”

Adora’s hand moves up to loosely wrap around the side of Catra’s neck. “Why is that?” she whispers, rubbing her thumb in little circles right above Catra’s heart beat.

Catra struggles to think in words.

“You—you want me,” she sighs, pushing her hand up Adora’s back. Before they managed to drag themselves out of the bedroom, and after Catra had put on a pair of Adora’s clean, white briefs, Adora slipped on a bralette rather than her standard sports bra. It wasn’t anything fancy, just white eyelet lace, but the way it moved with her body and gave way to Catra’s fingers made Catra ache.

“Of course I want you.” Adora gave Catra’s throat a light squeeze, dragging her nose down to Catra’s collar bone. “I always want you.” She kisses the lines of Catra’s clavicle. “You know that.”

“I—“ Before she can get out a single word, Adora is pulling Catra’s hand down between her legs.

And she’s wet. Really wet. Catra can feel it through her stupid unicorn boxers.

On instinct she groans and pushes a finger over Adora’s clothed slit. And when Adora’s breath stutters, Catra’s entire body tenses. Eagerly.

“Ah, baby. Hold on.” Adora pulls her hand away, moving it to hold against her own chest. Which Catra still has the reasoning skills to admit is smart. She might actually keep her hand here a while…

“Can you answer my question?” Adora whispers, hot breath brushing Catra’s other ear.

“Um…” she furrows her brow. She doesn’t think she remembers Adora’s question. “Can you, ah,” Adora’s fingers flex against Catra’s throat just enough to send her thoughts spinning again. “Um, repeat the question?”

Adora chuckles, kisses Catra’s cheek and then pulls away.

Catra’s eyes, which she hadn’t even registered were closed, fly open.

Adora holds her by the chin and meets her gaze with molten blue iron. “Why,” Adora speaks slowly, deliberately, tipping Catra’s head down, “do you like making me jealous?”

“Fuck, Adora. *I’m* jealous!”

The words fly out of Catra’s mouth, loud and certain. And they bring the prick of tears with them.

For a moment, Adora’s startled, but in a very sure instant she softens. “Baby,” she whispers, somehow getting closer to Catra and placing a quiet kiss on her mouth, “you don’t have to be.”

Catra’s breath is shaky and the tears don’t dissipate, but something about those words, specifically, in that order, make it easier to breathe.

“But you’re not mine.”

She regrets the words immediately. Adora’s expression twists and she closes her eyes like she’s in pain.

And Catra was the one that hurt her.

“I—“ she opens her mouth to apologize but Adora kisses her before she can. She kisses her firmly, uniyielding and almost violent.

Catra’s tears fall from her eyes and run down over her temples.

“I am,” Adora breaks, mouth against Catra’s and forcing the words down her throat. “And I will be.”

A tear falls onto Catra’s cheek.

“And you’ll be mine,” her voice takes on an edge and it sends a chill up Catra’s spine. “Promise me you’ll be mine.”

Almost as if she’s marking her, Adora rolls her hips against Catra’s. And what else could she ever possibly say? She’s already Adora’s. She has been from the moment she took her finger in her mouth.

“I promise,” she gasps, “only yours. No one else’s.”

If she were more aware, Catra would ponder at the way Adora sighs as though she can finally breathe.

“No one else’s.” Adora’s breath beats against Catra’s mouth. “Only mine.”

Maybe at another time Catra would’ve made a joke - something about, “as long as Huntara doesn’t offer.” But now, she whimpers.

Adora’s hand is splayed on her cheek, her thumb brushing the corner of Catra’s mouth. And Catra is aware enough for that to give her an idea.

She turns her head and pulls Adora’s thumb into her mouth when it slips past her lips. Adora gasps and her entire body stills

Then Catra sucks, and Adora moans.

Adora rolls her hips again, and this time, while laving her tongue around Adora’s thumb, Catra rises to meet her.

“Fuck, baby,” Adora hisses, her eyes never leaving Catra’s face, staring at the spot where her thumb disappeared behind Catra’s lips. With a slow twist of her finger she pins her tongue and in response Catra’s whines.

With absolutely no grace, only desperate need, she moves her hands to Adora’s ribs. She pauses for not even a half second before pushing up and under the white eyelet lace..

Adora’s breath stutters. “Ahh, so good, baby.”

Catra sucked once more before pulling back to let Adora’s thumb pop out of her mouth. “Adora,” her breathing comes hard. “Fuck me. Fuck me with your fingers.”

She flicks Adora’s nipples such that her nail grazes over them and Adora’s moan breaks.

“Are you sure, Catra?” she shifts, straddling Catra’s thigh. “I—“

Catra knows what she is going to say - she doesn’t want to hurt Catra. Somewhere along the line she got it in her head that she was too rough. Or, that she could be. Something about losing her head in the heat of the moment.

But Catra wants Adora to lose her head. She wants Adora to lose her head over *her*. And to feel safe enough to actually do it.

“Yes. Daddy, please,” she gasps, tongue tied by the feeling of Adora’s slick on her thigh. “I want you inside of me. *You.*”

Adora basically growls.

She shoves her hand down Catra’s underwear, her middle finger on her clit immediately, and Catra moans. Adora’s gently callused hands are another miracle of God.

Maybe Adora is God.

Catra might finally understand religion. Though she highly doubts Jesus fucks his followers like this.

Adora circles Catra's clit slowly, firmly. "You're so *wet,*" she softly moans. She presses her face into Catra's neck. "God, baby. You're so… fuck, you're everything."

Catra's heart might as well explode after that. It would be just as useful.

This time, she is the one who growls. She grabs Adora's boxers and pushes them down. She wants to feel Adora's skin on her skin, the wet heat right from the source.

She can't get them past Adora's knees, especially without Adora helping her. But she seems more interested in circling Catra's entrance with the tip of her index finger. Pushing down just enough to disrupt Catra's movement.

While mouthing at Catra's neck, Adora pushes in, to the tip of her knuckle.

Catra's whine echoes. It's incredible, the feelings of Adora inside her. And it is not nearly enough. She wants Adora to consume her, engulf her, completely embody her. She will settle for another finger.

She grinds against Adora's hand. "More."

Adora chuckles so quietly Catra isn't sure she actually hears it over the roaring in her ears. "You've gotta be patient, baby."

Catra groans, first in frustration, and then pleasure so thick it almost gags her.

Adora's index finger is completely buried in Catra's heat.

But Catra needs more.

And she's not going to be patient.

She tangles her hand in Adora's hair, and rolls into her palm. "Adora, please!"

There are several ways she can take this - "*daddy please,"* "*make me yours,"* some variant of "*I need you inside,"* or, "*I need your fingers."* But Catra knows the surest way to break Adora's composure.

She tightens her grip on Adora's hair. "Prove it."

Adora stills, lifting her head to meet Catra's gaze. There's no question in her eyes. She knows what 'it' means."

"Prove it, Adora." Catra almost chokes on the words. "Please. I want…"

A tear runs down Catra's cheek.

Apparently, this runs deeper than she thought. And not just for Adora.

This may not have been the right move.

Adora fists Catra's hair in her free hand and pulls her into a fierce, demanding, *painful* kiss.

Nope, definitely the right one.

Adora thrusts a second finger into Catra's cunt.

Catra chokes on a whimper.

Jesus fucking Christ! The only move. But she knows better than to cry out to a false god ever again.

"Adora!"

"Catra…" Adora whispers into her mouth. She bites down on her lower lip. "Baby, you're incredible." She bites down on the pulse in Catra's throat. "You're all I want."

Her fingers pump faster and with every thrust Catra rolls down to meet her and Adora ruts against her leg.

"Adora," Catra gasps, another tear running down her temple as she arches her back. "Adora, more, please."

A third finger, along with a firm drag down her front wall.

She almost swallows her tongue.

With a broken voice she whimpers Adora's name against her lips, and kisses her like she will die without the air in Adora's lungs.

"Adora, I—" Her voice shudders, giving her just enough time to pull the words back. "Adora!"

Adora thrust harder.

Catra whimpers again, louder. And for a second she wonders if Adora is going to tease her for it. Even imagining Adora calling her needy riles her up now.

She doesn't, instead she breaks their kiss and stares straight into Catra's soul.

"I've got you, baby. I'm here."

With a final thrust in, firm drag out, and stuttering rut against Catra's slicked thigh, Catra breaks, crying out Adora's name with her full chest.

She blacks out for a second. Or two. Maybe three. But when she comes back down, the slow rocking of her hips attended to by Adora's gentle hand, she is met with eyes of blue rusting iron. There's a shine to them, and the smile on Adora's face that will rot Catra's teeth if she kisses it.

Adora strokes Catra's cheekbone, the skin just a bit tacky from the slick Adora failed to completely clean off, if she even bothered.

But Catra doesn’t give two flying fucks. Not if it would take away a second of Adora looking at her like this.

For a brief and silent moment, Adora opens her mouth, like she has something important to say. But her brow furrows and it slowly shuts.

Catra thinks she knows. She hopes she knows. And she can wait for it.

She reaches up and pulls Adora down into a kiss even sweeter than her smile.

She can also stand to lose a few teeth.
