Her Night, Their Night

by Nobles_Backlot (Noble_Nook)

Summary

In which we find Lonnie - with Rogelio and Kyle's help - celebrating a very special occasion, exactly as she wants.

Notes

heyo! requested piece here tackling a threeway ship I've kinda distantly admired for a while, so I took it on - mind the tags (it gets a bit dirty) and I hope y'all enjoy!

"*Ngh*," Lonnie strained, her hands tense against the green flesh atop her body. "*Shit*, Rogelio."

She hissed as she felt a constant heat drain into her. Moaned when he reared his hips slowly, gradually backward. And finally huffed when she felt the thick shaft of his cock pull free from her pussy. It was all Lonnie could do to breathe as Rogelio came to kneel between her spread legs, his eyes sharp at her as if admiring the work he'd done in the thick mess of cum he'd fucked into her that now leaked out.

The work that *they'd* done.

Rogelio gave her a look, his hand at the base of his yet hard cock as he shifted around on his knees. He held this expression, a grin to his face with a faint rosy tint around it, as he eased back and off of the mattress. And Lonnie couldn't help but smirk back at him as he found his footing, still panting as he moved aside. With just a few lumbering steps, Rogelio had made way for one very much naked, very much eager Kyle.

"Ready, *ah*, for your turn?" Lonnie managed a soft chuckle, her palms at her thighs.

"You sure you're up for it?" Kyle bashfully remarked, a hand to the back of his neck while the other rested along his hard cock. "He… really let you have it."

"Yeah, he did." Lonnie gave a nod, as if to invite him forward. "And *you're* going to, too, Kyle.".

"I-I just mean, we can take a minute." Kyle suggested with a sheepish, anxious smile to his face.

"I won't *break*, Kyle," Lonnie affirmed as she wagged a finger, beckoning him between her legs. "So c'mon, you want your *gift*, or not?"

Kyle chuckled a timid laugh, then looked toward Rogelio for guidance. While Rogelio did grumble something, his intentions were made most obvious in how his hand pushed at Kyle's back. With the nudge forward, Kyle's uncertainties were put aside while he clambered up onto the bed. He sat up on his knees for a moment, similarly admiring Lonnie's strong, naked body, then lowered himself slowly forward. He placed a gentle kiss to one of her ankles, then the next. Mirrored his pecks at her flesh across either leg while he trailed slowly upwards.

Lonnie felt herself start breathing more heavily again, her heart having only had a scant few moments of rest. It gradually started to race all over again as Kyle's kisses grew both firmer and closer to her crotch. And once he'd finally made his way there, Kyle pressed his lips down to her cum-stained pussy and seared her flesh with as forceful a kiss as he could muster without much hesitation.

"If…" Kyle muttered, back upright on his knees but now further between her legs. "If you're sure."

Lonnie gave him a more tender smile, her legs laced over his hips. "I'm all yours, *sweetheart*."

Kyle swallowed an audible breath and, with a hand at the base of his cock, he pushed himself forward. Slowly, carefully, he ground the swollen tip of his shaft at Lonnie's messy pussy until it'd been worked inside of her. His hips shifted and shook while he pressed inch after inch into her, his opposite palm flat along her abs as he grit his teeth and continued to sink into. Until he'd had no more to give, until he found himself buried to the base, holding himself over Lonnie as she tangled her limbs more firmly around him.

He merely sat over her at first, the two locked their eyes in the dim light of the bedroom. Kyle stared at her with a tenderness, his face a deep shade of crimson and his smile yet maintained. Lonnie eased her hand to the back of his neck, her arm around his side while her legs locked around his waist. She nodded to him again,

more slowly and deliberately. Then pulled him gently closer, until their lips finally met.

Their soft, delicate embrace was contrasted by the shaking of his hips. Kyle had held himself back, as he often did. But tonight, he'd been told not to. She'd insisted to the both of them that nothing was off limits, that they'd celebrate this special occasion however the both of them wanted. Rogelio had made the most of that already, having pinned and pounded her for a near hour before. Now, though, it was Kyle's turn - and, with his more careful layers pried back, she knew just what to expect.

Kyle reared his hips gradually from her, only to more harshly slam them forward. He looked to impress her, as he usually did. Lonnie couldn't help the smirk that grew sharper on her face as he sped up, made himself as strong as he could. Despite his years of training and the intimate practice he'd had since, he wasn't quite as big as Rogelio - in more ways than one. But he made up for that in his speed and eagerness to please.

Lonnie appreciated them both, naturally. The way Rogelio held her down and bred her. How Kyle climbed on top and slipped his tongue into her mouth as his hips grew to furiously thrust away at her. She huffed and groaned beneath him, her body tight against his own. Her fingers raked down his back and her heels dug into the always surprisingly firm cheeks of his toned ass. Lonnie held Kyle tight, just as she knew he liked, while he clapped his hips to her own.

"Hah, ah, Lonnie, are you-" Kyle muttered, his eyes shut and his hands soft to the cheeks of her face. "Are you…*really* sure?"

"*Inside*, Kyle," Lonnie squeezed on him, a chuckle in her throat as she insisted. "That's an *order*."

He only nodded back, his lips upon hers again and his tongue back inside of her mouth. She sucked dutifully at it, moaned for him as he furiously humped her with all his weight thrown into his every thrust. Lonnie felt Kyle tense, felt his cock throb and ache.

He'd been so well behaved, kept himself on edge while Rogelio did the deed. But she insisted on twins, and, at least with her two boys, Lonnie always got what she wanted.

Kyle kicked, writhed and struggled as he whimpered and whined into Lonnie's mouth. He half pulled away, half shoved himself back against her, enough that his voice was muffled. But Lonnie knew him enough to know the words he tried to say, even as she'd been made to swallow them. Listened to him so sweetly groan his love for her as she felt him fuck his thick load of cum into her, right on top of what Rogelio had filled her with.

And as his body slowed, as his muttering and huffing faded, Kyle came to slump against Lonnie's muscular frame. She cradled him, held him gently and laced the front of his face with kisses. But her eyes looked beyond him, on a Rogelio who'd done just what he'd been told off to one side of the room. He'd kept his fat green cock hard and messy, watched the two intertwine together for as long as it took.

Lonnie could see the look on his face even in the near darkness of the bedroom, an expression of want and need despite having already gotten what he'd wanted. She chuckled at the bashful look to the way he held his snout, her body slow to relax from around Kyle's spent frame. But she didn't feel too bad for Rogelio, and not just because of how he'd used her and Kyle's asses this time last year.

But because this was *her* day, *her* plan. And it didn't leave anyone out, not for long. Kyle stirred slowly and as he did, she kneaded at his shoulders. Took care of him as he found composure atop her body. She even giggled as she felt his delicate, skilled lips fall upon her breasts. While he suckled at her nipples in a steady tandem, Lonnie gave a nod of her head towards Rogelio, then another look of assurance as he came to take a step closer.

"Alright, Kyle," She tapped at the back of his head, fingers briefly lost in his fluffy blonde hair. "Time for *my* gift, yeah?"

“Mh, yeah,” Kyle sat slowly up onto his knees, his hands at rest on her chest. “Right.”

Though obviously reluctant, Kyle climbed his way over her leg and swung his own over the side of the bed. He found his footing as Rogelio came to occupy the opposite side, the two boys stood across from each other, naked in their passionate lust. Both remained hard, both toyed with themselves to keep things that way. But they needn’t rely on their own efforts for long, as they were soon urged a little further upward and a little closer.

When they both got where they were invited, Lonnie’s hands befell them.

“I fucking love you two,” Lonnie huffed, her eyes glancing slowly between the two. “Don’t you dare hold back now.”

“Nh, no, ma’am.” Kyle gave a salute, while Rogelio grumbled something in the affirmative.

Lonnie chuckled, but soon enough braced herself. She grit her teeth as she softly stroked along their either cock, more rapidly at Kyle’s and more thoroughly at Rogelio’s. Her eyes rolled shut as she heard Kyle mutter some warning, as she felt Rogelio’s shaft pulse in her grasp. Her lips only further crawled into a smirk as she heard them both make a somewhat frantic, uncertain noise that was similar in tone. Lonnie sucked in a deep breath as they came to lean over her, her hands at rest at the bases of their shafts as they both came to ease a knee onto either side of the bed.

And as she found herself being poked in either cheek by the cocks of her lovers, Lonnie let a heavy gasp out through her nose as warmth came to coat her. First a timid stream from her left, then a more heavy and deliberate effort from her right. Her jaw slacked as Kyle and Rogelio both let go of their bladders, unable to help themselves even if they wanted to - if they were even *allowed* to.

Lonnie barely flinched as Kyle pissed on her face, she only moaned as Rogelio's heavier stream ran down her chest. She continued to gently stroke on their aching cocks as they emptied themselves onto her, just as she'd told them to do. This evening was hers, after all, it was her turn to decide just what they'd spend it doing. And she wanted it all, everything she could get from the two lovers who now came to lean over her enough for a series of kisses.

She only barely glanced up at the effort, tilting her head first towards the thick head of Rogelio's cock with her mouth wide. And after a brief taste of his musky, salty release, she stuck her tongue out towards Kyle's own shaft. Just as she'd sample the oddly, almost sweet sensation that drained from him, the two found their relief near an end. Rogelio's stream faded first, and Lonnie eased a kiss to the head of his cum, piss stained cock. She gave Kyle's own length a peck along the underside, then finally slumped back into the mattress.

Lonnie sat happily in the mess she'd earned, that she wanted - *deserved*. And for a moment, she was left alone to breathe and recover. Her pussy yet felt somewhat numb, a peek of her eyes first at her stomach and then between her legs showing her just what she'd wanted. Thick strands of cum that remained inside of her despite what of their loads had leaked out, almost ensuring she'd been bred by *both* of her boys. She let her eyes drift then towards a clock on the nightstand, one that read that the previous day had ended.

As if on cue, the space at her either side grew occupied. Kyle and Rogelio continued their kissing over her as they slipped into the mattress alongside her. Then Rogelio's mighty tongue ran flat along Lonnie's glistening face, while Kyle's own pressed to her opposite cheek. She kissed on both of them, in turn, sucked at Rogelio's tongue and then nibbled at Kyle's lower lip. And as they ground on her hips until she felt warmth lashing out in thick strands of cum along her flesh again, Lonnie found herself raising her arms enough to gaze at her hands.

And when she found the wedding bands she wore on either ring finger stained in the sweat, cum and piss of her lovers, Lonnie only smiled - for another anniversary of her marriage to both Kyle and Rogelio had blissfully passed.
