My first venture into Catra having a dick.
Uh, yeah. That's it.
Enjoy?

Pick me

This is it.
Adora's first day in a new… career.
Sure, it's not exactly the job she thought she'd be doing but times are hard and work is hard to come by. So, when her friend, Glimmer, offers to vouch for her at the place she works at, she bites the bullet and agrees to take the job.

"Adora. It's an escort business." Glimmer tells her as she leads the pair into a hotel-like building and on the inside, the lobby area is simply a reception desk at the front, a couple of security guards and a curtain that blocks any prying eyes from looking in past that.
Glimmer waves her pass at the receptionist and the curtain opens to a large and rather empty area; it feels… sterile.
Adora looks around as she follows Glimmer to the elevators, "I know, I know." the blonde sighs as the doors open and they both step inside, "I remember. I'm just… you know… nervous."
Glimmer grabs Adora's hand and squeezes it, "Most clients only want companionship. And as long as you outline that sex is off the table then the clientele list should be fairly good."
"How is it still sex work if there's no sex?" Adora asks.
"Well, you don't get as much reach if you advertise yourself as companionship work." Adora's about to dispute that when Glimmer adds, "And companionship work also means less money. And less work. The ability to add the sex aspect part in, just means we can charge a little more. Even if it means if all you do is spend time with them or just cuddle."
"Are there people here that do the whole… package?" Adora asks as the doors open and follows Glimmer out, the smaller woman looking at her strangely as Adora whispers, "You know… they also offer sex?"
Glimmer stuns Adora and laughs loudly, "Of course they do. That's why it's called sex work!"
Adora grimaces as they get to another reception desk and Glimmer drops her bag down behind the desk, "Are you sure

about this?"
"Yes." Glimmer replies turning on the computer and waiting for it to load, "Don't worry so much, Adora. I'll make sure anyone that asks for you is aware that you don't offer that service."
"Then… what services do I offer?" Adora looks at Glimmer's screen once it's loaded up.
"Eye candy. Date material. Cuddle buddy. Someone to play chess with, go on hikes, walks, go to the movies." Glimmer starts to list off and it makes Adora laugh a little, "Like I said, escort doesn't always mean sex. If they want sex, we have other escorts that would love to make some extra money on that. You'll just schedule them in as they come."
"Oh, okay." Adora nods as Glimmer starts to type into the computer, "What are you doing?"
"I'm getting you access in and out of this building and any floor you want to go to." Glimmer explains, "I'll give you a tour once we get that sorted and then introduce you to everyone else."
"What should I do in the meantime?" Adora asks looking over Glimmer's shoulder.
"Can you grab us some coffee from the kitchen over there?" Glimmer points to the room with the door open just behind them, "No one's here yet." She laughs at that, "Actually no one is usually here before 11am."
Adora looks at her watch, "Then… why are we here so early?"
"To get you settled and get your access card sorted, then you can just chill and see how everything works." Glimmer explains and then adds with a grin, "You know how I like my coffee."
"Yeah. I remember. We only lived together for 5 years." Adora laughs, "Thank the stars Bow finally asked you to move in with him."
Glimmer smiles back, "Still not looking for a roommate?"
Adora shakes her head, "I like my alone time now." Before jutting her thumb towards the kitchen, "I'll be back with coffee."

"Okay. And that's everything." Glimmer claps her hands together as she makes it back to her desk, "Any questions?"
"What's the deal with pay?" Adora tucks the access card into her

back pocket, “And… when do I start?”
“Adora. You’re not doing any escort work.” Glimmer rolls her eyes, “You’re literally taking over from me at this desk.”
“Say what now?” Adora’s jaw drops.
“Have you not been listening to me?” Glimmer shakes her head incredulously, “And to answer your question, we get paid fortnightly.”
“Wait. Where are you going to?” Adora asks.
“There was an opening on the top floor for a new receptionist since the last one moved onto somewhere bigger and better.” Glimmer explains, “I’m going to be training you on the system and how everything works and where everything is for the next two weeks before I head upstairs to do the same thing with the outgoing receptionist.”
Adora lets out a breath that she didn’t know she was holding. She leans over to look at the screen, “Cool.”
“Dumbass.” Glimmer laughs, slapping Adora playfully on the arm.

Buzz!

“Huh, who could that be?” Glimmer mutters to herself before picking up her phone, “Glimmer here.”

“Hey Glim, new client coming up. Vetted and checked for weapons.”

“Thank you.” Glimmer puts down the receiver, “Well, show time.”

Ding!

The lift doors open up and out steps a magicat, orange-peach fur, short, slicked back hair and a black suit with a maroon shirt underneath and no tie. She doesn’t look happy. But she does look somewhat… uncomfortable?
“Hello! Welcome!” Glimmer steps around her desk and greets the newcomer, “You’re a little early… most of the workers don’t get in

until 11am."
"That's fine." The magciat grunts out, "I can wait."
"Sure." Glimmer replies with the same customer service smile on her face, "Uh… there's a few couches over there if you want to wait there. Can I get you something to drink?"
"No." The magicat grunts out again as they trudge off to where the couches are and takes a seat, her leg bouncing up and down like they are nervous about something.
"We'll let you know when they start coming in." Glimmer calls out as the magicat just sits there, staring at the blank tv in the corner, she turns to Adora, "Put the tv on for her while she waits, I guess."
"Sure." Adora nods and heads to the lounge area after taking the remote from Glimmer and turns on the tv, she looks at the magicat sitting down, "Uh… anything you want to watch?"
Just as she says that, the magicat looks up and into her eyes and Adora's gasps, the magicat's eyes widen a little also as they just stare at each other, though it doesn't feel uncomfortable or awkward as Adora feels like this magicat is looking straight into her soul.
Adora bites her bottom lip to stop herself from saying anything embarrassing as she watches the magicat shake her head. The blonde clears her throat, "Well, uh, if you do want the channel changed, uh, just let me know."
The magicat nods as Adora smiles shyly back and walks back to Glimmer at the reception desk, the whole time she can feel the magicat's eyes on her.
"I can kick her out, you know?" Glimmer nudges Adora, "If you feel intimidated or uncomfortable, I can call security and they'll be up here in a minute to get rid of her."
"No! No… that's… that won't be necessary." Adora replies as she dares a glance back over to the magicat before finding herself flushing as the same heterochromatin eyes stare back at her in an intensity that's electric, the blonde swallows down hard and then breaks eye contact as she focusses back on Glimmer, "It's fine."
"Okay." Glimmer replies not paying Adora any attention as she rifles through some files in the drawer and then pulls out clipboard, "Hold the fort, babe. I'm going to get her signed in."

“Uh, what?” Adora replies.
“Oh, right.” Glimmer shows Adora where all the forms are kept and quickly explains what each of the forms are for before getting up, “You can sign on the next one, okay?”
“Sure.” Adora nods.
“Just holler if you need any help.” Glimmer tells her.
Adora laughs, turning her head up to see that the magicat is still staring at her, “You haven’t exactly told me what I’m supposed to do yet.”
“Oh, well, then you should have no problems then.” Glimmer grins at her before walking over to the lounge with the clipboard and a pen.

“Okay, sit down in the chair, Adora.” Glimmer orders and Adora does, “Good. Now open up this program and we can enter in her details.”
Adora starts to click through, “Okay. Name?”
“Catra.”
“Last name?” Adora asks after typing in the first name.
“No last name.” Glimmer replies.
“Okay…” Adora furrows her brows but shrugs and moves on, “What is she looking for?”
“A mate.”
“Excuse me?” Adora looks at Glimmer confused, “She’s looking for a mate… here?”
“Yeah.” Glimmer says like it’s not a big thing.
“Glimmer.” Adora says a little more concerned, “You know what that means right?”
“Yes.” Glimmer replies, “Nothing wrong with finding the right person here.”
“Uh…”
“Look, we aren’t here to judge.” Glimmer tells Adora “We’re just here to help. If she can find a mate here, even better.”
Adora sighs, but types in the reason anyway before they continue on with the rest of the forms.

Ding!

"Ah, finally!" Glimmer grins when the door for the lift opens and out steps 4 women, dressed like they have corporate jobs, "You're late."
"Whatever." Mermista drawls, "Sea Hawk decided he wanted to take me on a romantic cruise yesterday that turned out to be an overnight thing."
Perfuma laughs next to her, "You two are so cute."
"Not cute." Mermista drawls, "Besides, I'm lucky that he's my only client."
"Wait… that's a thing?" Adora whispers to Glimmer who just nods back.
"Most of them only have one or 2 clients, we tend to cater to the rich." Glimmer replies in her normal volume, "Oh, did I not tell you that?"
"No." Adora says.
"Oh, well, like I said, this isn't your run of the mill escort service." Glimmer shrugs.
"Who's the newbie?" Mermista asks in a bored tone as she cocks her hip out and crosses her arms over the chest, smirking while she looks the blonde up and down, "Mm… looks like fresh meat…"
"Ahem!" Glimmer sends Mermista a death stare, "Everyone, this is Adora. She's my replacement when I move up in this world."
"You mean, this building." Perfuma jests, "You're only moving to the top floor of the building."
"Whatever." Glimmer huffs out, before she turns to Adora, "Adora, this is Mermista, Perfuma, Laney and Camila."
"Hi." Adora waves to them and they wave back, "It's nice to meet all of you."
"Who's that?" Lana points to the lounge area where Catra has turned her attention to whatever is on the tv, "If she's not already assigned to anyone, I'll take her."
"That's Catra. New client." Glimmer says, "She's here to look for a mate."
"Oh!" Camila squeals, "A magicat looking for a mate! Let me go first!"
"What is going on?" Adora nudges Glimmer confused, "Why do

they all want to… mate?”
“Oh, you don’t know, do you?” Glimmer says as she watches the other 4 women swoon over the magicat watching tv, “Magicat’s mate for life. Which means… you’d be set for life if you’re lucky enough for one of them to choose you.”
“Set for life?”
“Most magicats are loaded. Rich doesn’t even describe it.”
Glimmer laughs, “So, yeah, whoever they deem good enough to be their mate, is set for life.”
“Oh.” Adora frowns, “That’s… that’s kind of sad isn’t it?”
“How so?”
“That everyone they meet is just after their money.” Adora replies and she watches as Catra’s ear twitches towards her, before the magicat’s head turns and stares back at her, “Why does she keep staring at me?”
Glimmer shrugs, “No idea.” she looks at the 4 women and calls them to her, “Okay, go get set up in your rooms and I’ll send Catra to each of you.”
They all nod and head to their rooms, chatting on the way there as the elevator doors open again and a few more women step out. Glimmer quickly introduces Adora to them and then directs them into their rooms as per usual.

“Catra.” Glimmer calls out as she makes her way over to the lounge, “We’re ready for you.”
Catra stands up with a nod and follows Glimmer to the first door, knocking on the door when Mermista answers sultrily, “Mm… hello.”
Catra looks her up and down without a word before Glimmer clears her throat to make the introductions, “Mermista, this is Catra. Catra. Mermista.”
“Catra, hm?” Mermista drawls cocking an eyebrow up at her, “Come on in so we can… get to know each other a little better…”
Catra doesn’t reply, instead she turns her head and glances over at Adora who’s got her tongue stuck out as she types something on the computer.
“Well, go on.” Glimmer gives the magicat a gentle shove forward,

enough for her to cross the threshold and Mermista takes the opportunity to shut the door.

About 10 minutes later, Catra reemerges from the room and walks up to the desk, Adora looks up at her in question as Glimmer quickly comes around the corner.
"So? Any luck?" Glimmer asks and Catra shakes her head, "Oh, that's okay. We have more women for you to meet!"
Catra tilts her head and goes back to staring at Adora.
"Uh, okay." Glimmer grabs Catra by the elbow, "Come on, let me go introduce you to Miki."
Catra nods, not taking her eyes off Adora as she lets herself get dragged away to the next room to meet the next woman.

After the 5th door, Catra comes back to the reception desk, eyes staring at the blonde as Adora finally looks up and notices the magicat there. She blushes and clears her throat, "Um, hi. Everything alright?"
Catra nods slowly as she continues to stare at Adora.
"Okay…" Adora looks around for Glimmer, "Did you need me to show you to the next room?"
The magicat just tilts her head and then says, "What room is yours?"
"What?"
"What room is yours?" Catra repeats albeit slightly slower.
"Why?"
Catra sniffs the air and closes her eyes with a satisfied look, before opening them up again and staring at her again, "I want you. What room?"
"I'm not…" Adora starts to stutter, now frantically looking around for Glimmer, "I'm not… I don't have a room."
"Why not?" Catra tilts her head again.
"You… We…" Adora tires to think of a way to let the magicat down gently as she stammers out more words and then settles on, "I just work here."

“I know.” Catra says to her, “What room?”
“Catra!” Glimmer calls out and Adora has never been so happy to see her best friend and completely oblivious to what just happened, “How’d it go? Have you found someone yet?”
Catra nods.
“Great!” Glimmer comes back and stands behind Adora, the magicat’s stare intensifying on Adora, the smaller woman claps her hands together happily, “It was Laney, wasn’t it? She is such a lovely girl.”
Catra shakes her head.
“Oh, not Laney…” Glimmer thinks back, “Miki? No. Perfuma? No. Okay, who?”
“I want her.” Catra gestures towards Adora, “Which room is hers?”
Glimmer finally gets it and chuckles awkwardly, “Oh, Adora’s not… she’s not part of this. She’s just working reception with me for a few weeks until I relocate upstairs.”
“I want Adora.” Catra says possessively and Adora’s breath hitches at how sure the magicat is, “If she doesn’t have a room, can we get a room?”
“No. That’s not how this works.” Glimmer frowns back, “Choose someone else. Adora’s not part of the choices.”
“How much?” Catra says instead.
“No.” Glimmer repeats, “You can’t buy her.”
“Really?”
“Yes.” Glimmer crosses her arms over her chest, “You can’t buy her off.”
Catra’s eye twitches a little, “I want Adora.”
“Leave. Please.” Glimmer points to the lifts, “Or I’ll have security remove you.”
Catra growls out but then takes a breath to calm herself down, “Do you have a spare room?”
“Why?” Glimmer questions suspiciously.
“I just want to… talk. To Adora.” Catra grits out, “So, is there a spare room? So, we can… talk?”
“If. And I do mean if.” Glimmer turns to Adora, “If Adora wants to talk to you, and that is a big if, then you can talk in the lounge. Where I can see you. Deal?”
Catra looks between the pair of them, she nods and waits to see if

Adora will join her.
"Catra. Please wait in the lounge." Glimmer sighs out, "If Adora isn't there in the next 10 minutes, then you have to leave. Okay?"
Catra nods again and heads to the lounge, taking a seat on the couch.

"Look, you don't have to go." Glimmer softly says to Adora, "And if she doesn't leave in 10 minutes, I'll have security escort her out."
Adora looks over at Catra, before replying to Glimmer, "Is there a spare room?"
Glimmer looks at Adora in surprise, "Why?"
The blonde blushes, "Maybe she wants to talk in private. After."
"Uh huh." Glimmer shakes her head before sighing, "Yeah, the room with the sword on it is free."
"Okay." Adora shifts uncomfortably on the chair, "What… what do you think I should do? Should I talk to her?"
"That's up to you, Adora." Glimmer sighs, "Do you want to talk to her?"
"Um… kind of?" Adora bites her bottom lip as she looks over at Catra staring at the tv and bobbing her leg up and down again, "It would be the polite thing to do… right?"
"Adora." Glimmer says, but she doesn't quite manage to get the blonde's attention and then knowingly sighs, "Just go talk to her. I'll watch the desk."
"Are you sure?"
"Yeah." Glimmer pulls Adora off the chair and nudges her towards the lounge, "I'll be right here if you need anything, okay."
"Thanks, Glim." Adora smiles.

"Hi." Adora says, "Can I sit next to you?"
"Hey Adora." Catra replies with a nod and then watches the blonde sit down, "Yes?"
"Um… what did you want to talk to me about?" Adora asks trying not to look into Catra's intense eyes.
For a moment, Catra's doesn't say anything and Adora turns her

head and then is caught in those heterochromatic eyes as the magicat says, “I want you, Adora.”
Adora’s body slackens on its own upon hearing that again, as she finds herself replying, “Okay.”
“Is there a room available so we can talk more?” Catra asks and Adora nods dumbly, “Show me?”
“Okay.” Adora’s eyes soften at the magicat as she follows when Catra gets up, “It’s just… over here.”
Catra leads Adora, despite the fact that she’s supposed to be following as they walk past Glimmer, the magicat grabs Adora’s hand and the blonde’s looks down at their joined hands dumbly with a smile on her face.
“Which room?” Catra asks.
“The one with the sword on the door.” Glimmer replies for Adora, the magicat nods and finds the room easily enough.
Catra pushes the door open and lets Adora walk in first before following behind her and shutting the door.
“What did you want to… mmphf!” Adora yelps as Catra pushes her up against the door and presses their lips together, the magicat’s eyes widening when Adora doesn’t kiss back.
“I’m sorry.” Catra quickly lets Adora go, “I shouldn’t have done that.”
Adora’s breath comes out in pants as she grabs Catra by the collar and brings her back in for another kiss, “Shut up and just kiss me.”
Catra doesn’t need to be told twice as she kisses Adora harder, pushing the blonde against the door with a thud, “I want you to be mine, Adora.” The magicat says between kisses, “Do you want that? To be mine? Be my mate?”
“Yes.” Adora replies without much thought as Catra continues to kiss her, the magicat’s hands running up and down Adora’s body as the blonde lets out a soft moan at the touch, repeating the word, “Yes. Yes. Yes!”
“Good. Mine.” Catra growls out as she moves her mouth from Adora’s lips to her neck and cheeks, “All mine…”
Adora grabs Catra’s cheeks and brings her back to kiss her on the lips again, “I… I want you too…”
Catra’s lips tilt up in a slight grin, as she moves her hands lower

and lifts the blonde up, Adora yelps out as she's carried over to the freshly made bed. Catra doesn't drop her down like Adora had expected, no, the magicat actually slowly lowers her down like she's so fragile and she doesn't want to break her, eyes not breaking contact the whole way until the blonde is completely on the bed.
Adora's eyes widen when Catra starts to take off her suit jacket, folding it up and placing it on the chair by the door. Followed by her shirt, pulling it off her shoulders before working on her pants.
Adora sits up, "Wait!"
Catra tilts her head at her and pauses halfway through unbuckling her belt, she stares at Adora in question without asking it.
Not sure what to say, Adora stares at the half naked magicat, her mouth feeling dry and an air of excitement fills the air, "Can you…"
Catra steps towards her, foregoing undoing her pants as she positions herself between Adora's legs, "…slow down?"
Catra nods.
The magicat reaches down and takes Adora's hands and puts it on her hips, encouraging the blonde to touch her, feel her fur between her fingers.
And it works.
Instinctively, Adora leans in and presses her lips onto Catra's bare stomach, her hands gripping the magicat's sides, bringing her closer as she rubs her cheek over where she kissed the magicat.
In turn, Catra rakes the fingers of one hand through Adora's hair as she relaxes and closes her eyes, enjoying the feeling of Adora so close to her.
Catra gently pulls Adora back with the hand in the blonde's hair, and to Adora's surprise, the magicat moves down so she's practically kneeling between Adora's legs, looking at the blonde face to face, searching Adora's eyes, waiting.
Placing her hands on Catra's cheek, Adora's thumbs gently draw circles on them, her eyes stare into the magicat's and then she narrows them, "Why do I feel like I know you?"
Catra's pupils dilate slightly at the question, her eyes stay on Adora's, "You feel that too?"
Adora nods, a smile on her lips, "Yeah."
"Yeah." Catra replies as she leans back in and kisses the blonde

again, this time softer, like she's trying to convert all that energy into the kiss as Adora moans while wrapping her arms around Catra.
When they pull apart again from the kiss, Catra's hands move to Adora's waist. Then her hips. She slips her fingers under the band of the pants and looks at Adora, waiting for confirmation.
The blonde looks back at the magicat with hazy eyes, biting her bottom lip and then nods.
The magicat makes quick work of Adora's pants and underwear, much to the blonde's surprise as she watches Catra toss the items over her shoulders before pushing herself forward, ensuring Adora's legs remain open for her.
Catra gently takes Adora thigh's, one by one and places them on each of her shoulders, her hands move to under the blonde's butt as she leans in and takes a deep breath in.
When Catra sits back up and opens her eyes, Adora can see the magicat's eyes dilate fully and the look in her eyes is something predatory, the blonde shuts her eyes and leans back, trying to relax herself knowing what is about to come.

Except.

It doesn't.

Catra stays still.

Motionless.

"Catra?" Adora opens her eyes and pushes herself back up and sees the magicat just staring at her, her eyes darting between what's between Adora's legs and the blonde's eyes, seemingly waiting. Adora tries again, "Catra?"
Catra looks at her face and tilts her head, her ears flicker around her head in question.
"Do you… do you want to stop?" Adora asks softly, it's almost a whisper, she tries to shift her legs but Catra moves her hands up to her thighs, holding them in place. Catra shakes her head and Adora has to ask, "Do you want to keep going?"
Catra nods this time.

But still doesn't move.
"What's… what's wrong?" Adora asks, her own hand covering Catra's.
"I don't want to hurt you." Catra mutters out and when it looks like Adora's about to ask again she clears her throat and says louder, "I don't want to hurt you."
"You won't." Adora reassures, "I… I trust you."
"Why?"
Adora looks away, not sure how to answer that before for some reason, deep inside, she just… knows, she turns back to the magicat and something inside of her makes her say, "Because I do."
Catra's face softens and she smiles back and Adora's knows she believes her, "Okay."
After that heavy moment, Adora rolls her eyes at the magicat, playfully squeezing her thighs around Catra's neck, "Well?"
The smile on Catra's face turns into a grin as she nods once and then dives straight in between Adora's legs, licking the blonde up and down, making Adora flop back down and slam her eyes shut with a moan.
"Oh, fuck…" Adora slaps a hand over her mouth as she tries to muffle her noises, but Catra's having none of it, pulling the blonde's hand off her mouth and holding it in her hand, "Wha… oh stars!"
Catra eats Adora out with fervour, the sounds coming from the blonde makes the magicat hungrier to feel Adora shake and writhe with her orgasm.
"Fuck…" Adora repeats like a mantra as Catra tongue fucks her closer and closer to her orgasm, her moans and her swears getting so loud, the magicat starts to trill with pride until Adora's body goes rigid and she squeezes her thighs tightly around Catra's head and shoulders, "Mm… oh… ah… fuck…" and when it gets too much, Adora screams out, "Fuck!"
Catra releases her hold on the blonde, letting Adora curl in on herself as she continues to tremble with aftershocks as the magicat stands up, stretching her back and neck. She reaches down and undoes her belt and then the button on her pants, sliding them down to reveal her throbbing erection as she steps

out of her pants.
As she watches Adora recover, she pumps her cock with her hand and then says, “Take off your shirt, Adora.”
Adora doesn’t respond. She’s still breathing heavily on her side as Catra continues to pump her cock with her hand.
“Take your shirt off, Adora.” Catra repeats a little louder this time.
Adora opens her eyes and looks at the magicat, and she gasps, she did not expect Catra to have a cock. And now she’s laying there, watching Catra pump herself, Adora’s mouth drops open, not from the aftershocks, but from the surprise and shock of what she sees in front of her.
Catra tilts her head at the blonde and then looks down at her own member, “Not what you were expecting?”
Adora shakes her head slowly, eyes still glued to Catra’s nether regions.
“Take your shirt off, Adora.” Catra repeats for the third time.
“I can’t move yet.” Adora huffs out with a smile, her body shudders at even trying a little bit, “You take it off.”
Catra nods, “Mind if I rip it off?”
Adora’s eyes widen and she has to think about it before she settles on, “No. Please don’t.”
“Okay.” Catra removes her hand from herself and then moves closer to Adora, she gently tugs on Adora’s shirt before getting on the bed for better leverage as she pulls the garment up and off the blonde’s body, placing it on the bed before she eyes the blonde’s bra, “Don’t rip the bra too?”
“Don’t rip it.” Adora confirms and then feels the item unclasped, she looks down and it’s loose on her chest, “Thank you.”
Catra tugs the bra off and places it next to the recently discarded shirt and then turns Adora so that the blonde is on her back and she can get a good view of Adora’s breasts, “Beautiful.” Her thoughts are broken by Adora’s hand wrapping around her cock as she looks down and the blonde has a small smile on her lips, almost like she’s challenging her.
Catra smiles back and moves herself on top of the blonde, straddling the blonde’s chest, making it easier for Adora to reach her.
“Had one of these before?” Catra asks as she moves her hips so

that it grinds into Adora's hand.
"No." Adora replies shyly.
"Wanna taste it?" The blonde blushes, her fingers still wrapped around Catra cock as the magicat grins, "Got any condoms?"
"Um… I don't know…" Adora replies honestly, she's only been here in the building for a few hours and that wasn't something Glimmer had told her about, wasn't exactly reception related, "I can ask Glimmer…"
"No." Catra says, "Next time."
Adora nods as Catra pushes forward and the tip of her cock touches the blonde's lips, the feeling makes her hiss a little, holding back the moan from the touch.
When Adora doesn't seem to be fussed about it, Catra tries it again and Adora looks up at her with a playful glare.
"No?" Catra asks as she stills her hips and then lets out a moan when Adora sticks her tongue out and licks the tip of Catra's cock, "Fuck…"
Tentatively, Adora lifts her head and licks the tip of Catra's cock again, this time the magicat's hips do stutter forward, and a small moan leaves Catra's lips and the noise is intoxicating to Adora as she starts to lick and kiss the tip.
Catra grits her teeth together and growls as she stops herself from going too far too fast, but when Adora's hand starts to pump her cock a little faster, she can't stop herself and finds her hips moving on their own. The tip gets closer and closer into Adora's mouth until…
"Mmphf…" Catra groans out at the feeling of Adora's lips wrapped around her cock, as she lets her hips pause at the feeling, that is until Adora's pulls in more of it into her mouth and sucks, "Oh fuck!"
Adora's head fall back on the bed and Catra's cock flops out and onto her chest again, the blonde smearing her saliva up and down the magicat's member with her hand and grinning at the sounds Catra makes.
"Bad angle?" Catra asks and Adora nods, "What would work better for you?"
"Um…" Adora hums sheepishly but doesn't offer up any suggestions.

“Would it be easier if you sat on the bed and I stood in front?” Catra asks getting off the blonde and moving to the side, “Or I can kneel next to you here on the bed or lie on my back?”
Adora’s face goes bright red, she never thought she’d be doing this… at all.
“Or…”
“Or?” Adora says curiously, “Or what?”
“Or I could pick you up and eat you out while you suck me off. Like a standing 69.” Catra suggests with a grin on her face, which only makes the blonde blush further, “Or… we can stop. I can get myself off.”
“No.” Adora reaches out and pulls Catra in for a kiss, “Maybe… the first one?”
“Sure?”
“Yes.” Adora turns her head as she replies, “Help me up?”
Catra helps Adora up so she can sit on the edge of the bed, “This good?”
“Yeah, thanks.” Adora nods as she looks away shyly, in the corner of her eye, she sees Catra get off the bed and then the magicat is in front of her. Adora gulps down at the sight right in front of her face as Catra takes Adora’s hand and has her wrap her fingers around her cock again, sighing out when Adora starts to work her over, “Is this… okay?”
“Yeah.” Catra breathes out as she widens her stance and puts her hands on her hips, “Feels good.”
Adora continues to pump Catra’s cock with her hand, she looks up and see the magicat looking down at her with lust in her eyes, “Should I…”
“Only if you want to, Adora.” Catra says breathlessly and then her breath hitches when Adora’s lips wrap around her cock, “Oh fuck…”
Slowly, Catra’s cock slides in and out of Adora’s mouth, the blonde’s movements awkward as she gets used to the motions and then her eyes widen when Catra pushes in a little more than she’s ready for.
Adora chokes on it, her eyes water and she gags as Catra pulls out of her mouth, letting Adora catch her breath after coughing several times.

"Sorry." Catra apologises, "I didn't mean to…"
"It's okay." Adora chokes out, "I just wasn't ready…"
Catra nods and then waits as Adora wraps her hands around her cock again while she recovers a little more, the blonde looks up and says, "It's too bad I don't know where the condoms are…"
"Mmm…" Catra agrees and then grunts out when Adora has her in her mouth again, bobbing her head back and forth, taking more and more inside and then when the blonde's nose is practically against the magicat's stomach, Catra holds Adora there, the feeling is enough to make her explode, quickly pulling a coughing and drooling Adora off her cock while she finishes herself off, coming hard against Adora's chest as the magicat growls out loudly at the release before falling to her knees and laying her head in Adora's lap.
"Fuck…" Catra pants out as Adora quickly gathers the magicat up in her arms and pulls her up onto the bed to cuddle, the magicat purring happily as her cock sheathes itself back into safety within the magicat's body.

After a few minutes of Adora petting through Catra's furry back, the blonde presses a kiss on the top of Catra's head and giggles out a "Wow…"
Catra continues to purr and then she looks up at Adora and breathes out the word, "Mine."
Adora nods, "Yes. And you're mine too."
"Yours…" Catra breathes out with a small content smile as she curls into the blonde, "Mm…"
They both fall into a tired and sticky slumber shortly after.

KNOCK! KNOCK! KNOCK! KNOCK! KNOCK!

"What the fuck…?" Catra growls out unhappily after being woken up from her nap in the arms of the beautiful naked woman next to her, she unwraps herself from Adora's arms, pulling the blanket up to cover her body as she trudges over completely naked to the door and swings it open angrily, "What?!"
Glimmer stands there and looks Catra up and down, instantly

forcing her eyes back up to focus on the magicat's, "It got quiet in there. I thought something might have happened. Is Adora okay?"
"Adora is fine." Catra growls back, "She's resting, Sparkles."
"Oh, that's good." Glimmer nods, poignantly keeping her eyes above board as a few of the other doors open up to see what the commotion was.
Catra takes a step back inside as Glimmer quickly hands her a towel from just outside the door, "Thanks."
Relieved that she now longer needs to keep looking up, she turns to the others that have opened their doors, "Back to work, you lot!"
The other doors all slams shut quickly as Catra nods to Glimmer. The magicat steps forward, "Take Adora off your working books. She's mine now. I will take care of her."
"Uh…" Glimmer wants to say that Adora wasn't even on *those* books, but she's not going to rock the boat, instead she sighs dramatically, "Okay, fine. I guess I'll just have her working at the reception desk then."
"See that you do, Sparkles." Catra threatens as Glimmer does her best not to roll her eyes, "She's mine."
"Yeah, you already said that." Glimmer replies.
"We can talk payment later." Catra says, "Thank you for helping me find my mate."
Glimmer just nods, "Sure… uh, can you ask Adora to come out when she's… rested?"
Catra nods and heads back inside, shutting the door behind her. Glimmer shakes her head with a chuckle before heading back to desk to get the meet and greet fee sorted for Catra… and the cleaning fee for the room too.

Adora wakes up, cold and alone in bed as she sees Catra walking back to bed, shedding the towel from her body, the blonde smiles dreamily at the magicat and says, "Hi."
"Hey Adora." Catra replies as she gets back into bed to continue her cuddling with Adora, "Sleep well?"
"Hm… yes." Adora hums happily, "You?"
"Better than I ever have, thanks to you." Catra replies before

dropping her voice, "We need to talk."
Those four words send Adora's mind into panic, they are not good words as her mouth starts to work on its own, "I'm sorry I wasn't good. I wasn't expecting to be doing… any of that… and I know I kind of maybe squeezed my legs around you a little too tightly but I couldn't help it…"
"Adora. Stop." Catra pushes a finger against Adora's lips to make the blonde stop talking, "What are you on about? It was good. Better than good."
"Phew…" Adora breathes out in relief before she frowns at Catra, punching her on the arm, "What the hell, Catra!? You can't start a sentence with *'we have to talk'* and not expect me to panic!"
Catra looks at Adora confused, "We need to talk about mating."
"Oh."
"Not yet though." Catra says, "Not until you're ready to accept me completely."
"I do accept you completely." Adora replies just as confused.
"Ready to accept being my mate." Catra says.
"I already have."
"No, you haven't. Not completely." Catra says.
"What?! What do you mean?!" Adora argues.
"We have an attraction." Catra says and Adora nods, "What I need is love. You don't love me yet."
Adora makes a face like she wants to argue, but the words to refute that just won't come out, instead she sighs, "Okay, fair. It's a little too early for that."
"Sex isn't the same as love, Adora." Catra tells her, "But… it's a start."
"Yeah." Adora agrees before she looks up at Catra, "Was it… okay?"
"The sex?" Adora nods and Catra answers with confidence, "Yes. It was. And I want to do it again."
Adora shuffles nervously under the blanket.
"Not right now." Catra adds and Adora stops shuffling, "This room will be ours. And only ours."
"Yes. Ours." Adora smiles, "I'll talk to Glim."
"And you will only be mine." Catra holds Adora tighter in her arms.
"Yes. Yours." Adora smiles wider before gripping the magicat back,

“And you’ll only be mine.”
Catra nods, “I will do everything I can to provide for you. My Adora. My… mate.”
“Mate…” Adora sighs out the word happily.
“Soon to be.” Catra adds, “When we can tell each other those 3 words, then we shall be mates.”
“Okay.” Adora nods, “But until then?”
“We keep fucking.” Catra replies obviously, “I’ve already spoken to Sparkles to take you off the books. You’ll be working reception from now on unless you want to move onto a different career.”
Adora wants to laugh at how Catra has forgotten or not realised at all that she was never on the books for… this, but the determined look in the magicat eyes as her nodding, “Of course. I only need you now.”
Catra scent marks the blonde, pressing a soft kiss on Adora’s lips, “I have to go.”
“Where are you going?” Adora asks as she presses another kiss on Catra’s lips.
“Work.” Catra replies with another kiss, “I have to earn to provide for my mate.”
Adora giggles, “I can earn my own money, Catra.”
“The money you earn belongs to you.” Catra tells her, “The money I earn is for us.”
“And the money I earn is for us too.” Adora corrects and then stares the magicat down to challenge her, and when Catra nods in agreeance, Adora presses a kiss on Catra’s lips once more, “Good. We are equal in this. 50:50. No more. No less.”
“I knew you were trouble.” Catra growls out and playfully nips at Adora’s jaw, making the blonde laugh, “But I really have to go.”
“Okay.” Adora concedes and lets her magicat go, “I better get back to work too… at reception, I mean.”
Catra nods and places the discarded pants and underwear on the bed for the blonde, she picks up her own clothes and starts to get dressed as Adora sits up, letting the blanket drop down to her hips, “Did you want to shower first?” she asks and Catra looks at her, shaking her head. Adora rolls her eyes, “At least wash your face. I don’t want all of my… you know… all over your face in public…”

“I’ll wear it as a symbol of pride.” Catra replies, the unimpressed look on Adora’s face tells her otherwise, “Fine. I will wash my face once I’m dressed.”
“Good. I’m going to take a shower.” Adora announces and slips out the bed and into the adjoining ensuite.
As Adora waits for the water to heat up, Catra comes in and goes straight to the basin to wash her face. Once she’s done, the magicat presses her lips on Adora’s again, “My number is on the files I filled out before.”
“Okay.” Adora replies with a dazed smile, “I… I’ll call you.”
“Sure, Adora.” Catra grins at her, “I’ll be waiting.”
And with that, Catra exits the bathroom and the sword room.

"You look happy." Glimmer remarks with a knowing look on her face as Adora comes back an takes a seat on the chair just vacated for her in front of the computer, "You *sounded* very… happy."
Adora blushes a little, her hair still damp from the shower and she still smelt a little of sex due to her re-wearing of the clothes she had on before. She shifted uncomfortably on her still wet underwear on the seat as she cleared her throat, "Uh… you heard that, huh?"
"Everyone heard it, babe." Glimmer replies smugly, much to the horrified expression on Adora's face, her best friend chuckles and pats Adora on the shoulder, "Congratulations."
"For what?"
"You've been the first and only employee here to ever bag a magicat." Glimmer says with pride in her voice, "Honestly, now that I think back, I should have seen it."
"Wait… go back to the whole… bagging a magicat thing." Adora turns to her friend.
"How'd you do it?" Glimmer asks as she leans in closer to the blonde, "Not that I'm planning on being with a magicat, since I'm off the market."
"I have no idea what you're talking about or what you mean by 'bagging' her." Adora replies before she stares off in a daze when she thinks about Catra, "She chose me."
"She sure did."

“But… I chose her too.” Adora smiles, “But she also said that we weren’t mates until we’ve completed given ourselves to one another… or something like that.”
“Oh, I’ve never heard of that.” Glimmer thinks looking away, “I always thought that when they’ve found a mate, that’d be it. I’ve never really looked into magicat dynamics.”
“Hm.” Adora hums to herself as a notification pops up in the corner of the screen, “Oh, what’s this?”
Glimmer looks over, “That’s just a notification for an online booking. Here, I’ll show you how this works.”
Adora moves over slightly so that Glimmer can get a better look at the screen before she remembers something, “Hey Glim?”
“Hm?”
“Are there condoms in the rooms?” Adora lowers her voice, looking around to make sure no one sees them as Glimmer just quirks an eyebrow back at her, “What? I’m just asking…”
Internally, Adora’s thinking that she’ll just text Catra to bring her own if work doesn’t provide any, which in hindsight, it’d be taking advantage of workplace supplies if she was to use some for her and Catra’s… activities, especially if her work wasn’t getting a cut of the money. Wait… *‘is Catra paying for me?’* And then all a sudden she starts to panic, *‘does this make me a sex worker if she’s paying me for sex? Did she just pay for the sex before???’*
“Adora!” Glimmer breaks the blonde out of her internal spiral.
“What?”
“I said yes. You just had to look inside the bedside drawers.” Glimmer replies, “Also, what’s wrong with you? You look like you’re about to throw up.”
“Uh…” Adora swallows down hard, “Did… did Catra pay?”
“Yes.” Glimmer answers and Adora’s eyes widen, as her friend rolls hers before she elaborates, “She paid for the meet and greet, idiot. Also, she paid for the cleaning of the room after your… shenanigans…”
“Meet and greet isn’t like… sex… is it?” Adora asks to clarify.
“Stars…” Glimmer groans looking slightly amused, “No. The meet and greet fee was to meet everyone we had here on offer, you included, apparently.” She chuckles a little at Adora’s fish out of water impression, “Unless she paid you directly for sex… then no.

We don't take a cut of *those* services. We don't pimp out our employees."
"Oh."
"Did Catra pay you for sex, Adora?" Glimmer has to ask and the blonde shakes her head, "Okay, good. That's good. Now, let me show you what we do with these online bookings."
Adora nods before she pulls out her phone quickly as she opens up Catra's file, much to Glimmer's annoyance at being interrupted, "Sorry Glim, just… one thing. I promise."
"Okay." Glimmer sighs as she waits for Adora to enter Catra's digits into her phone before closing the file, "Woah, hold up there."
"Huh?"
"Well, since Catra's job is technically completed, I'll show you have to get this finalised so we don't accidentally bombard her with unsolicited emails." Glimmer says, "Scroll all the way down."
"Okay." Adora says before she puts a finger up to Glimmer, "Just… one more thing."
"Adora!" Glimmer whines out, "What are you texting Catra? You literally just saw her not that long ago."
Cringing a little, Adora replies, "I'm asking her to bring… her own… gear next time."
"Next time?" Glimmer repeats.
Adora blushes, "I mean… is that okay?"
"Is that okay for you to have sex with Catra again?" Glimmer asks slowly.
"Yeah?" Adora replies somewhat embarrassed, "I mean… Catra's…" The blonde smiles as she starts to daydream and then shivers, closing her eyes and remembering how the magicat's tongue felt on her, "…fuck."
Glimmer snaps her fingers in front of Adora's face, bringing the blonde back, "So… Why do you even need condoms? From what I saw…"
"What?!"
"She answered the door naked, I glanced down by accident." Glimmer rolls her eyes, "Anyways, I didn't see… anything that would require… protection."
Adora's about to dispute that and then realises that Glimmer

doesn't know magicat anatomy, and thus, the reason for needing condoms, the blonde clears her throat and goes back to computer, "So… closing out Catra's file?"
Glimmer stares at Adora, the blonde shrinking under her gaze before she makes a noise like she realises something and then she grins, "Oh… I know why…"
"Why what?"
"Why you were asking for condoms." Glimmer replies with a smirk before leaning up to Adora's shoulder and then dropping her voice, "If you're using a strap with the magicat, just clean it properly." Her voice goes back to a normal volume as she adds, "You don't need protection on a strap. Well, not unless it can magically ejaculate in you."
Glimmer laughs at the last part as Adora chuckles awkwardly, "Don't they have…" she whispers, "Sex toys…" the blonde looks around again, "That can do that kind of stuff?"
"Oh! That's right!" Glimmer recalls and then pulls up a website, "I forgot I saw this the other day."
Adora stares at the website on the screen, definitely not expecting Glimmer to pull it up, "Uh… okay…"
"Anyway." Glimmer closes the website down, "Back to work, hey?"
"Yeah." Adora nods, happy to actually get back to work.

Adora gets home and flops down on her couch, pulling her phone out of her pocket and seeing a reply from Catra. She can't help but smile at it as she hovers over the magicat's contact and then pushes the call button, biting her lip in anticipation…

"Hey Adora." Catra replies after a few rings, "What are you wearing?"
"Catra!" Adora gasps into the phone, a giggle following right after, "I haven't changed yet. I'm still in my work stuff."
"Hot." Catra replies.
Adora laughs, "It's really not."
"You're hot." Catra says casually, "I want to see you again."
"Yeah?"
"Yes. Soon." Catra says, "All of you. Feel all of you. Taste all of

you.”
Adora’s brain goes back to what happened earlier and she shivers out into the phone, “Mm…”
“Can I see you tomorrow?” Catra asks.
“Yeah.”
“Sword room?”
“Um… I don’t think we should have sex at my work…” Adora bites her bottom lip.
“No?”
“I…” Adora closes her eyes as she breathes out, “I kind of want you all to myself… not have other people… see you.”
“See me…” Catra says under her breath and then she remembers, “Sparkles, huh?”
“Yeah.”
“She didn’t see anything.” Catra replies and then adds, “Come over then.”
“You want me to… come over?” Adora asks slowly.
“I’ll come pick you up. Send me your address.” Catra says, “Pack some stuff.”
“Stuff?”
“Clothes, toothbrush, essentials.” Catra replies.
“Oh…” Adora says, “Okay. I’ll just… send you my address. Hold on.”
After a moment, there’s a chime as Catra says, “Got it. Be there in half an hour.”
“Okay.” Adora replies with a smile.

There’s a knock on Adora’s door, the blonde gets up and walks over to it, “Who is it?”
“Catra.”
“Oh, hang on.” Adora opens the door and grins when she sees the magicat standing on the other side of the door, dressed in more casual clothes, very casual, the magicat is wearing loose fitted jeans with a long sleeve tee, “Hi.”
“Hey Adora.” Catra greets back, “Are you ready?”
“Do you want to come in first?” Adora asks.
Catra nods and follows Adora in, “Where’s your stuff?”

Adora shuts the door once Catra is inside, Adora leans against it, a shy but excited smile on her face as she waits for the magicat to notice. Catra's ears twitch behind her first in realisation that Adora isn't moving behind her as she finally notices, the blonde bites her bottom lip, "Hi."
"Hey Adora." Catra repeats with a quirk of an eyebrow, "Are you after a repeat of this morning?"
The blonde grins, nodding excitedly as Catra walks back over, leans a hand next to her head and against the door, her face coming close to Adora's, the blonde's breath hitches, and then whispers back a teasing, "…maybe."
Catra's eyes narrow and she grins back, fangs and all and before Adora can react, the magicat is kissing her and pushing her hard against the door, pinning her arms against it as she takes control of Adora's mouth.
Adora moans loudly into Catra's mouth, her body writhing and fighting to break free and touch her magicat, "Catra…" she pants out.
"Hm?"
Catra's lips move to Adora's jaw and neck and Adora's slams her eyes shut at the feeling, her hips grinding down against Catra's thigh conveniently placed between hers as she whimpers, "… fuck."
Catra moves back up, gently sucking on Adora's earlobe, she whispers, "Where's your stuff?"
"Hm?" The question doesn't quite registered when Catra's hand release Adora's and the magicat starts to feel up Adora's clothed chest.
"Your stuff. Where is it?" Catra repeats in a whisper into Adora's ear.
"Uh…" Adora's eyes flutter open as she gets her train of thought back, "It's uh… oh stars!" she whines out when Catra brushes her thumb over the blonde's nipple, "It's over there…"
She points towards the duffle bag next to the couch as Catra presses one last kiss onto Adora's lips and moves back, "Come on, I've got a car waiting."
"Huh?"
Catra smirks, knowing exactly what she's doing to Adora as she

pulls back and goes to retrieve Adora's bag, the blonde still slumped against her door waning, the magicat comes back, "Is this it?"
"Yeah." Adora nods.
"Including clothes for tomorrow?" Adora looks at her confused, "You're not coming back tonight. I'm going to make sure that you're completely boneless by the time I'm done with you."
A shiver goes through Adora at the thought before she remembers she has work in the morning, "Uh… hold on, I've got to grab a few more things."
Adora awkwardly makes her way back to her bedroom to collect another set or clothes or two, she can already feel how turned on she is just from Catra kissing her, rolling her eyes at the magicat when she sees Catra grinning like she's won, knowing that she's already ruined the blonde's current pants and underwear…. Again.

"I'm surprised you put them back on." Catra says with a sniff once Adora's back in the car, just as the driver takes off, the blonde glares at the magicat, "Guess I didn't ruin them enough."
Adora looks up and sees their driver doing her best not to pay them any attention, concentrating on the road ahead as Adora lightly shoves the magicat, "At least I showered."
Catra laughs when she sees the pout on Adora's face, the magicat moves to the middle of the car, changing over the seatbelt to the right one and in the process, she presses herself closer to the blonde, "I like the way you smell…"
"Uh huh." Adora rolls her eyes and then tugs Catra into her for a kiss, grinning when Catra makes a noise of surprise before leaning into it. Just when she thinks she's got the upper hand, Adora yelps a little when she feels Catra's hands move under the shirt and cup her breasts over her bra, the magicat's thumbs back circling her nipples as Adora moans into the kiss. "Stars…" she looks over at the driver, who has remained vigilant in keeping an eye on the road as Catra starts to fondle her breasts in the back seat, "… Catra…"
Catra grins, her mouth licking up Adora's neck as the blonde sighs happily, "…yes… princess?"

Adora's eyes open at the nickname, "Princess?"
"Mm…" Catra nods as she presses kisses across Adora's neck, "Princess…"
"Why?" Adora whines out softly, trying not to distract the driver.
"Because…" Catra whispers into Adora's lips, gently pressing them together while staring into the blonde's eyes, "Because I am going to worship you…"
Adora would laugh at that line, but instead she stares back and feels her body shiver under Catra's eyes, knowing what the magicat intends to do, instead she whimpers into the kiss as Catra's hands run up and down her sides. A small yelp leaves her lips when Catra pushes her legs open, the blonde quickly reaches her hand down and pulls Catra's wandering hand away from between them, glaring playfully back at the magicat, "What was that thing you said about patience?"
Catra growls out, her ears flicker to the driver who is snickering quietly before her eyes catch Catra's and they smirk back at the magicat, "Just drive."
"Yes, sir." The driver replies with the same smirk on her lips as Adora giggles next to her, "Would you like to be dropped off at the front or underground?"
"Front is fine, *Jeeves."* Catra says with a smirk as the driver rolls her eyes.
"Very well, sir."
"Jeeves?" Adora whispers in question to Catra who just nods with a grin, the blonde rolling her eyes, "Ass…" and then yelps, "Hey!"
"What?" Catra feigns innocence.
Adora pulls Catra's hand out from her pants, "Patience."
Catra groans out, slumping into Adora. The blonde giggles again as she starts to pet the magicat between the ears, eliciting a happy purr as she coos openly making their driver chuckle. Catra is too content to care this time as she closes her eyes and lets herself be taken care of as they make their way to Catra's place.

"We've arrived, sir." The driver says putting the car in park, "Will you require me anymore tonight?"
"No. Thank you." Catra pushes herself up with a serene look on

her face, leaning forward and holding out her hand.
“Very well, sir.” The driver shakes Catra’s hand elaborately, “Have a good night, sir.”
“Oh, I will.” Catra grins as she gets out of the car and walks over to the passenger door, opening it and pulling Adora out by the hand, “Wait here.”
“Okay.” Adora nods as she watches Catra walk to the driver’s window, she calls out, “Thanks for the lift!”
“You’re very welcome, Adora.” The driver replies with a wave.
“Hey, Jeeves.” Catra leans into the window.
“Yes, sir.”
Catra rolls her eyes at the ‘sir’, “Adora’s got work tomorrow.” She looks to the blonde, “What time do you start work, princess?”
“9am.” Adora replies.
“9am.” Catra repeats to the driver, “Be here at 8am, please.”
“You got it boss.” The driver replies with a nod, “Oh, I need a few days off.”
“Send me the dates so I can block them off for you.” Catra says, “I can come and pick up the car from your place if it makes it easier. Unless you plan on using it.”
“This thing?” The driver laughs, “No. I’m not driving this car as an everyday car. I’ll leave it in your garage before I take my leave days.”
“Sure?”
“Yes.” The driver replies with a grin, “Okay, I have to get home. I’ll see you in the morning.”
“Great.” Catra replies.
“Oh, and Catra?” The driver calls out as Catra starts to walk over to Adora, she turns to listen as the driver smirks, “I’m happy for you that you’ve found the one.”
The driver waves them off as she leaves, Catra doing the same before turning to Adora, “Ready?”
“Yes.”

“Take your clothes off and get on the bed.” Catra gruffly orders Adora, and then adds, “Now.”
Adora huffs at the last word and rolls her eyes at the order, she

was planning to be in charge tonight, and not the other way around, well, in her head on the drive over she was. But then again, Catra has chosen her to be her mate and she feels lucky to have found that Catra is exactly the one she's been looking for even though she wasn't looking.
She strips off all of her clothes, throwing each item at Catra as she removes them and then walks to the plush looking king bed in the middle of the room and pulls back the blankets, getting under them as she waits to see what Catra has in mind.
The magicat stares at the blonde in her bed and smirks, "Stay. I'm going to take a shower. And don't touch yourself until I get back."
"Be quick!" Adora huffs out.
Catra smirks again, "Remote for the tv is on the bedside table. Otherwise, just relax. I'll be back."
"Fine." Adora sighs, looking around and then finding the remote as Catra ducks into the bathroom.

The door to the bathroom opens and Catra steps out, still a little damp and completely naked, the towel doing its best to get all of her fur dry, she sees Adora on the bed, lying on her side and leaning on her hand as she watches the tv, laughing at one of the gags and then their eyes meet and she looks the magicat up and down.
"Mm…" Adora grins, licking her lips at the sight of her naked magicat and then her eyes drop down and she notices, "So… was I dreaming this morning?"
"About what?" Catra asks as she pats herself once more with the towel before hanging it over the back of one of the chairs.
Adora sits up and thinks back, "You had a… a…" she gestures to Catra's groin area, "You know?!"
"Know what?" Catra looks down at herself and shrugs.
"You're going to make me say it, aren't you?" Adora deadpans and Catra shrugs again, "Catra!"
"What?" Catra walks over, scratching at her side until she stands next to Adora on the bed, just so Adora can get a better look, "Say what?"
Adora huffs out, "The reason you needed condoms!"

“Adora.” Catra tilts her head at the blonde, “It sounds like you’re implying I have a dick.”
Adora’s face turns red as she sputters out, “Well, you did! I saw it! I… I…”
“You what, princess?” Catra smirks.
“Shut up.” Adora looks away with a pout.
“Or what, Adora?” Catra uses her fingers to gently turn the blonde’s chin back to face her.
“Or I’m not going to do what I did this morning.” Adora glares tauntingly back and Catra stares back in contemplation of her next step.
Catra takes Adora’s hand, making the blonde gasp a little at the sudden contact, the magicat guides the blonde hand to her stomach, “Feel for yourself.” Catra says as she continues to guide Adora’s hand further down until the blonde gasps again when she feels it, Catra holds her hand there, “I’m not aroused yet.”
“No?”
“I just took a cold shower, Adora.” Catra replies, waiting for Adora to take the hint and then the blonde pulls back with a yelp when she feels something twitch under her fingers, “And… I think it’s waking up again.”
“Stars…” Adora gulps down as she looks up at Catra.
Catra grabs the edge of the blanket, and flips it off Adora’s body to reveal the blonde’s naked form, the magicat pounces on Adora, making her fall onto her back on the bed and pinning her hands to the bed above her head, a fanged grin on her lips, Catra asks, “Who do you belong to?”
Begrudgingly from her position under Catra, Adora replies, “You.”
“Damn straight.” Catra grunts out as she quickly moves down Adora’s body, pulling the blonde down to the edge of the bed by her thighs and then dropping to her knees between Adora’s legs and starts to eat her out.
“Oh fuck!” Adora moans out at the feeling Catra’s tongue on her, “Mm…”
Catra spreads the blonde’s legs wider, pushing herself further in so her tongue can get deeper as her nose hits Adora’s clit constantly as she feels Adora’s hands in her hair, pushing her deeper inside.
“Ah ah ah… fuck…” Adora whines and writhes before she starts to

grind against Catra's face, "Fuck… fuck… oh, shit…"
Catra wraps her arms around Adora's legs, forcing her back down on the bed, the magicat growling into Adora's core, "Mine."
"Fuck… Fuck… Fuuuuuuck!" Adora comes suddenly, her legs trying to tighten around Catra's head as she whines out loudly before she can't help the scream from the overstimulation, the magicat pulls back as Adora's body relaxes and twitches with aftershocks as Catra kisses Adora's inner thighs. Adora pants out as she looks down, "Catra… fuck…"
Catra trills happily with the praise from her future mate, "Mine…"
"Yours… yours… yours…" Adora pants repeated until, "Oh my stars….!"
Catra slips in two fingers inside Adora, waiting to see if the blonde wants her to continue or stop, the blonde looks down and nods.
Catra leans her cheek on Adora's thigh, "Good? Keep going?"
Adora nods quickly.
Catra twitches her ears deliberately, it lightly slaps against Adora's thigh as she asks, "What was that, princess? I didn't quite hear your answer."
Adora rolls her eyes and then tries to roll her hips, but Catra keeps an arm wrapped around her from moving around too much, her fingers inside her future mate, unmoving as she waits for a verbal answer.
"Well? Keep going or call it a night, Adora?" Catra presses a kiss to where her cheek leans on Adora's thigh, cheekily curling her fingers a little and then stopping again.
Adora glares down at her, "Fuck… yes! Yes!"
"Good." Catra presses another kiss to Adora's thigh, before moving her lips over Adora's clit and sucking on it while her fingers finally start to pump in and out of the blonde.
Adora moans loudly, her fingers gripping the sheets and her toes curling as she tries to hold on as the second wave starts to build.
Catra starts to lick at the blonde's clit faster and in time with her thrusts. She can see Adora's eyes rolling back and all the muscles tensing as she takes in one deep breath and Catra takes that sign to suck on her clit again.
"FUCK!" Adora screams out as Catra tries to keep finger fucking her, but the blonde's inner walls clamp down around her fingers,

making it hard to keep thrusting until the magicat hears, “Stop! Stop! Stop! I… I can’t… ohh! Fuck, fuck, fuck, fuck!”
Catra pulls out her fingers and removes her mouth, but keeps her hold on Adora’s thighs, watching Adora’s pussy flutter with every breath or movement she takes, admiring her work as she licks her lips and savours the taste of the blonde in her arms.
“Stars…” Adora grits out as Catra finally releases her legs and the blonde immediately closes her legs, trembling still as she curls up on the bed, trying to catch her breath.
Catra comes up behind Adora, pressing her front to Adora’s back, an arm swung over her midsection as she presses kisses on the blonde’s back and shoulders, “Mine…”
“Yours.” Adora hums back happily before she realises something and looks over her shoulder with a smirk, “Aroused now?”
“How can you tell?” Catra whispers and then leans up to capture Adora’s lips in a soft kiss.
“Your… thingy is in my back.” Adora giggles and Catra looks down.
“Well… it is very happy to see you.” Catra replies as she presses herself closer into Adora’s back, “Are you okay?”
Adora nods with a giggle, “Yes. Fuck… that was…” the blonde tries to kiss Catra back but can’t move enough, so Catra obliges and closes the distance as Adora says, “Amazing…”
Catra preens, “That.” She smirks, “That was just the start.”
A shiver runs through Adora’s body at that, “The start, huh?”
“Definitely.” Catra grins, kissing Adora’s shoulder again, “More to come…”
“Mmm…” Adora hums again.
“Let me know when you’re ready, princess.” Catra whispers into Adora’s ear before pulling her into a tight hug and holding her there, “Mm… you taste so good, Adora. I would love to taste you every day if I could.”
“Not every day.” Adora says as she intertwines her fingers with Catra’s that’s resting across her stomach, “Not when I’m bleeding.”
“I don’t mind.”
“I do.” Adora sighs, “I don’t want you to catch anything.”
“Like?”
“Catra!” Adora groans out, “No. Just… no.”

“Okay.” Catra agrees, “But I can still fuck you with my fingers and…other things, right?”
“Maybe.” Adora says, “And if other things you mean your dick, then… maybe.”
“Speaking about my dick…” Catra whispers into Adora’s ear, “You’re right. You make me very aroused…”
Adora giggles and then turns to Catra, “Down boy.”
The look on Catra’s face at being called ‘boy’ has Adora laughing, the magicat shaking her head with a smile, “You’re such an idiot.”
“It’s too bad you like me enough to grow… that!” Adora pushes her butt out to prove a point.
“What can I say? You’re going to be my mate.” Catra replies, smiling into Adora’s shoulder, “Do you want something to drink? Water?”
“Yes please.” Adora suddenly feels thirsty.
“Okay, stay right here.” Catra whispers into Adora’s ear, “I’ll be right back.”

Catra returns with a glass of water, “Sit up?”
Adora gingerly moves herself to an upright sitting position, taking the offered glass of water and downing the contents, “Thank you.”
“No problems.” Catra puts the glass on the table and then mrrp’s when she feels Adora hand wrapped around her cock, “Are you ready now?”
“Maybe.” Adora teases as she scoots all the way to the end of the bed, her hand still on Catra’s body before she remembers the conversation with Glimmer and chuckles.
“What’s so funny, princess?” Catra quirks an eyebrow up at the blonde who’s chuckling without any context while holding her in her hand.
“Something that Glimmer said today.” Adora recalls as her hand moves along Catra’s cock, the magicat breathes out loudly.
“What did she say?” Catra grits out as she stays still.
“She asked me why I needed condoms.” Adora giggles, “She thinks you’re going to fuck me with a strap on.”
“I can do that too. If you want.” Catra says looking down at the blonde.

“No. Why would you need to when you’ve got this?” Adora leans in and presses a kiss to the tip of Catra’s cock making it twitch in her hand, the blonde smirks up, “Did you like that?”
“Shut up.” Catra grumbles out, before thrusting her hips forward making the tip of her cock touch Adora’s lips, “I think you like my dick.”
“Hm… I don’t know…” Adora pretends to think, “Your tongue and fingers are the only parts of you that’ve made me come so far.”
“Well…” Catra smirks down at the blonde who’s now slowly pumping her hand up and down her shaft, “Let’s change that, shall we.”
“Mm?”
“Open your mouth, princess.” Catra orders and Adora’s nods, opening her mouth while Catra presses the tip of her cock to the blonde’s lips, slowly sliding it in and out, her eyes never leaving Adora’s as the magicat fucks her mouth. Catra pushes it in as far as Adora can handle, grabbing Adora’s head and holding in place for a moment before pulling Adora off, the blonde coughing and drooling as she looks up at the magicat. Catra grins down, “Fuck Adora… your mouth feels so good.”
And before Adora can reply, Catra thrusts forward again, burying it inside Adora’s mouth before pulling out and pushing it back in again, a low moan coming from the magicat at feeling the heat in the blonde’s mouth as she continues fuck Adora’s face.
“Mmphf!” Adora pushes Catra back panting, “Fuck…”
“Too much?” Catra asks dropping down so she’s looking Adora in the eyes, a hand on the blonde’s cheek in concern.
Adora shakes her head, “I’m not really good at this.”
“Oh.” Catra smiles back, “I think you’re plenty good.”
“Yeah?” Adora shyly asks as a blush covers her cheeks, “I’ve never done this with anyone before.”
Catra leans in and presses her lips on Adora’s in a slow kiss, the blonde moaning into it as Catra pushes her onto her back, hooking her arms under Adora’s thighs and lifting them in the air, her cock resting on top of Adora’s core. The magicat continues to kiss Adora as she grinds her cock against Adora’s lower lips and clit as the blonde moans out into her mouth.
“Catra…” Adora manages to breathe out.

“Hm?”
“Fuck me.” Adora wraps her arms around Catra’s neck, the magicat leaning back in for another kiss before pushing up and off the bed, “Where are you going?”
Catra smirks, “I’m going to go get the strap on.”
Adora laughs out, “Stars…”
“I’m getting a condom and lube.” Catra this time actually answers the question as she opens up a bedside drawer and pulls out the items, “Put one of these on before?”
“Well, I don’t have what you have. So… no.” Adora rolls her eyes.
“You’re such an idiot.” Catra laughs as she comes back and holds the packet to Adora, “Care to do the honours?”
Adora sits up properly this time, taking the packet from Catra’s hand and looks up at the magicat a little confused, “Uh… okay…”
“Look, Adora.” Catra sighs, “When I’m… excited… my claws also come out to play. So… putting that slippery thing on with these things…” she raises her hand to reveal her claws, “Not so easy.”
Adora’s eyes widen, “Stars… Catra! You haven’t been putting them inside me, have you?!”
“No. Definitely not.” Catra replies reassuringly, “When it comes to you, I can control them… but when it comes to this… well, I’m probably going to shred it of accidently poke holes in it rendering it completely useless.”
“Oh.” Adora says, “Guess that makes sense.”
“I’d never hurt you intentionally, Adora.” Catra says like an oath, “I only want to make you feel good.”
Adora smiles back, “And I want to do the same for you.”
Catra nods and then gestures to the packet in Adora’s hand, “So… can you put that on me?”
“You…might have to help me out here.” Adora admits, “I’ve never even used one before.”
“Right.” Catra says, “Tear it open and take it out of the packet.”
Adora does it and then makes a face when her fingers touch the slippery and gooey condom, “Ew… is it supposed to be like this.”
“Yes.” Catra replies, “It rolls over but you kind of need to pinch the tip of it…”
“Uh… oh, I see.” Adora grins when she figures it out, “Come closer.”

Catra moves close enough as Adora rolls it over onto Catra's cock, "Thanks."
"That wasn't so hard." Adora replies before she looks at Catra's cock, "Though… someone is very hard…"
Catra pushes Adora back down again onto the bed, "Spread your legs and hold them open."
Adora does so, her eyes watching the magicat's next move, what she doesn't expect is for Catra to dive back in with her tongue, "Oh fuck!"
Catra gets Adora back in the mood again, working the blonde over with her tongue and fingers, and when Adora's legs threaten to drop back down, the magicat growls, "Hold your legs up, Adora."
"Mmhm…! Fuck… Catra…" Adora whines as her legs start to shake and just when she thinks she's close, Catra pulls away, the blonde opens her eyes and looks at Catra confused, "What… oh…"
Catra stands back up, using Adora's slick from her face to lube up her cock, lining it up with Adora's entrance, the magicat looks down, "Are you ready?"
"Just… go slow?" Adora softly says and Catra nods.
"Tell me what you want, Adora." Catra says, rubbing the tip against Adora's entrance making the blonde writhe a little, "If you need me to slow down or stop, just say so, okay?"
"Okay." Adora breathes out and then her breath hitches when Catra begins to push inside of her slowly, "Mm… oh, fuck…"
Catra hums back as she continues to slowly slide her cock inside Adora, taking over holding the blonde's legs up as the blonde screws her eyes shut and concentrates on Catra filling her up.
"Fuck, Adora…" Catra moans out as she feels Adora's inner walls close around her, "You feel so fucking good…"
Adora moans back, unable to form words apart from, "Fuck…"
Once Catra is completely hilted inside Adora, she waits as Adora adjusts, the blonde looking between them and feels the magicat's body right up against her as she relaxes her legs and looks at Catra just staring back at her.
"How are you doing, princess?" Catra presses a kiss to Adora's calf.
"Mm… fuck…" Adora moans out before she whispers out, "You can move now…"

Catra nods, pressing another kiss to Adora's calf before pulling out halfway and pushing back in, "Okay?"
"Yes… keep going…" Adora nods with her eyes closed as Catra slowly pulls out and pushes back in continuously, keeping the same pace and force while watching Adora's face for any kind of discomfort. The magicat's eyes only see Adora's face in concentration and when she moans out in pleasure, her ears pick up the blonde saying, "Fuck… faster…"
Catra obliges, still holding onto Adora's legs as she thrusts in and out faster, the sound of skin on skin fills the room accompanied by Adora's moans and Catra's grunts.
Adora inner walls start to tighten around Catra and the magicat lets go of Adora's thighs, leaning over so her arms keep the blonde's thighs up and her legs open for her as she really starts to pound Adora's pussy, the angle deepening and the magicat's crotch hitting against Adora's clit just right.
"Fuck, fuck, fuck…" Adora repeats over and over, "Don't stop…" she whines out loudly as her arms wrap around Catra's back, pulling the magicat down, but Catra doesn't stop or waver in her pace. Adora's moans louder and louder until she nearly screams out, her fingers digging into Catra's back and her legs try to shut around the magicat, "Oh! Fuck!"
Catra buries herself deep inside Adora, groaning out at the feeling of Adora's inner walls tightening around her, squeezing and throbbing as Adora's body shakes under the magicat. Catra tries to move, but Adora holds her in place, making the magicat chuckle.
Catra rolls her hips and Adora's eyes snap open as the magicat grins down, "You didn't say stop…"
And before Adora can say anything, the blonde just moans out when Catra starts up again, despite the blonde still experiencing the aftershocks, "Oh… shit!"
Catra leans down and kisses Adora, the sounds of Adora's moans getting lost in the magicat's mouth as Catra starts to pound down into Adora again, lifting her hips higher and slamming back down harder as Adora turns her head to moan.
"You're so fucking amazing, Adora." Catra pants out as she keeps fucking the blonde, "I can't believe how lucky I am to have you.

Especially how lucky I am to fuck you."
Adora pulls Catra back into another kiss upon hearing those words, "Fuck… Catra… I'm close…"
"Come all you want, princess." Catra whispers into Adora's ear.
Adora stares into Catra's eyes and then slams them shut again as her orgasm crashes into her but Catra doesn't stop, the blonde screaming out now as her toes curl and her muscles tense until she bucks the magicat out, "FUCK!"
Catra pants out, keeping herself in place and resting her cock on top of the blonde's lips as Adora's whole body trembles as she tries to catch her breath.
The magicat grins down proudly at what's she's done to Adora, "Want to change positions?"
Adora turns her head in disbelief, "I can't… I can't move yet…"
Catra leans down and kisses the blonde on the lips, a light purr rumbling out, "Let me do the work."
Adora shakes her head, "Not yet…" before she realises something, "You haven't…"
"Not yet." Catra answers the unfinished question, "I'm nearly there though."
Adora nods, "Get off me?"
"Sure." Catra rolls off to the side and lays on her back as Adora's rolls over and takes the magicat's cock into her hand and starts to pump it, "Mm… fuck…"
"What can I do to get you there?" Adora asks as she changes up the speed and the pressure.
"Ride me, princess." Catra replies with a smirk, "I want to see me inside you."
Adora swallows down hard, she moans just moving her leg and Catra chuckles, "Hang on…"

After a few minutes, Adora rolls over fully, her fingers running over the magicat's fur as Catra opens her eyes from her nap and notices the gentle feeling of Adora's touch. She turns her head and smiles at the blonde, "Hey, Adora."
"Hi." Adora smiles back.
The magicat yawns and stretches out, glad she took the condom

off before she took a nap, purring happily at Adora's petting her sides, "That feels nice."
"Do you want to keep going?" Adora asks before feeling a little guilty, "I didn't get to make you come…"
"Hm?" Catra hums back sleepily.
Adora traces her fingers trace lower down Catra's body and the blonde hums to herself, "Someone's sleeping…"
"Mm…" Catra breathes out and then, "Mrrp!"
The magicat wakes up a lot faster when Adora climbs on top of her, sitting up and straddling Catra's thighs with a teasing look on her face when she sees her look up, "Like what you see?"
"Love what I see." Catra replies with wide eyes, "You're so beautiful Adora."
The compliment makes Adora blush, "You're not too bad yourself."
"Mm… Nah, I've got nothing on you." Catra smiles.
"Touch me." Adora says as she grinds herself down against the magicat, moaning out softly as her eyes close.
The magicat reaches up and runs her hands over Adora's thighs, her claws lightly pricking the skin underneath, "Mm…"
"Higher silly." Adora giggles as she takes the hands on her thighs and brings them to breasts, moaning again as the magicat starts to feel her up, "Stop teasing and touch me, Catra."
Catra laughs, sitting up so she can properly touch the blonde, and when she does, Adora's dives forward and kisses her magicat intensely, making them both topple back onto the bed, the magicat can't help herself and laughs into the kiss as Adora's hands touch as much of her as she can.
"I love your fur…" Adora whispers into Catra's lips and the magicat runs her hands over Adora's sides, resting them on top of the blonde's ass, "Mm… that feels nice."
"Your ass feels nice, princess." Catra replies, "As do your thighs… and your calves… and your sides… and your stomach… and your breasts… and your lips…"
Adora buries her face in Catra's neck, the blush on her cheeks spreading down to her chest, "I love… your…"
"My?"
"Your… everything." Adora concludes with another kiss before she gasps softly and looks down between their bodies, "Mm… that's

not bad either.”
“Just not bad?” Catra smirks back.
“Fine. It’s… adequate.” Adora replies casually and then yelps when Catra flips them over, pinning the blonde’s arms above her head, the blonde stares up with the same teasing look on her face, “What’s wrong? Can’t take criticism?”
“No.” Catra grins showing her fangs, “Definitely not.”
“Oh, is that so?” Adora smirks back.
“Let me change your mind then. Shall I?” Catra leans in and starts nipping at Adora’s neck, her claws sliding out and prickling the blonde’s wrists.
“Mm…” Adora moans out at the attention Catra is giving to her neck, “Yes… please…”
The blonde flips them back over and takes back control, smirking at the magicat as she presses kisses from Catra’s lips, around her jaw, down her neck, her stomach and then, Catra’s breath hitches when Adora’s climbs back over and on top, rolling her hips happily.
“Fuck…” Catra sighs out, “You feel so good.”
“You feel really good too.” Adora breathes out with a smile when she feels something under her move, “Mm… is that for me?”
“I don’t know.” Catra replies nonchalantly, “It could be for the other girl that’s been grinding against my crotch…”
“Uh huh.” Adora deadpans back and then Catra swears she can see a glimpse of jealousy on the blonde’s face, “What other girl?”
“Adora.” Catra says reaching out and cupping her cheek, “There’s no other girl. Just you. Only you.”
“Promise?”
“Yeah. I do.” Catra replies and Adora leans in and kisses her again, “Also… I’m going to need you to put another condom on me…”
“Oh yeah?” Adora says lifting herself up and looking under, she gently sits back down on top of Catra’s thighs, “Well, I’m more than happy to help.”
“Well… I’m currently also more than happy…” Catra grins, bucking her hips up making Adora moan, “And I really want to see you take me… all the way in…”
Adora smiles back, “I’ll be right back… stay right there.”

“Wouldn’t dream of going anywhere.” Catra replies with a wink, “I’ll be right here.”
Adora shimmies off the bed and saunters over to the drawer where Catra’s keeps her gear, taking one out and showing it to the magicat, “Is this what you want?”
“Honestly? I’d rather not have to if you were already my mate.” Catra admits, “But, I’d prefer to keep it wrapped up and not risk accidentally…”
“Oh.” Adora says as she sits back on the bed.
“Are you on birth control or anything?” Catra asks as she sits up, Adora shakes her head, “Of course not… why would a lesbian need to be on birth control…? That’s… yeah, I get it.”
“Um… I’m not really sure how or where to get them…” Adora says sheepishly, “Guess that’s something I better look into, huh?”
Catra pulls Adora closer, “Then again, I’m pretty sure I’m shooting blanks until you do become my mate.”
Adora leans in and kisses Catra again before gently pushing her back down again, opening the packet and taking the condom out and rolling it onto Catra’s length, she leans in again, “Well… safe than sorry, right?”
“Right-oh, fuck!” Catra gasps as Adora lowers herself onto Catra, sinking down completely and leaning her hands on the magicat’s chest.
“Oh… mmm…” Adora shuts her eyes at the sensation, “This is… different.”
“Good different?” Catra’s eyes dilating as Adora breathes out and nods.
“Really good different for me too.” Catra grins back, her eyes looking Adora up and down, “Really good.”
The magicat makes a face like she wants to ask a question, Adora notices, “What?”
“Huh?”
“It looks like you’re thinking about something.” Adora says as she readjusts a little bit making the both of them moan out at the action, Adora settles first, “Well? What are you thinking about?”
Catra looks down between them again and then back up at Adora’s face, “You didn’t use any lube…”
The statement makes the blonde giggle, the movement has them

moaning again in sync, the blonde glaring down playfully, "Don't make me laugh or I'm going to come before you even fuck me…"
"I was just making an observation!" Catra argues and Adora giggles again, the magicat screwing her eyes shut as she feels her cock tightening within Adora's warm walls, "Fuck… I… I don't know how long I can hold on for…"
Adora nods and then starts to move, lifting herself up and sinking back down on the magicat's length slowly, "Mmm… fuck… I'm close too…"
"We've barely started…" Catra pants out at the sight of the blonde riding her, "Fuck… you're so hot… sexy… fucking… oh… fuck…"
"Shut up… I'm trying to concentrate…" Adora chastises with a smile as she tries not to get ahead of herself, "And you're not making it easy…"
"Of course not…" Catra replies gripping Adora's waist, "I can't make it easy when you're making me so hard…"
Adora's starts to giggle at the bad pun, before a really loud main leaves her lips, her eyes shut and all she can say is, "Fuck… fuck! Fuck!"
Catra's planted her feet on the bed and thrusts upwards, holding Adora in place as she does so, gritting her teeth as she watches the blonde's body bounce on top of her and she can't help herself and sits up, taking a nipple in her mouth and sucks before moving to the other one all the while Adora throws her head back and whines out, "You feel so fucking good, princess… oh fuck…"
Adora wraps her arms around the magicat's neck and kisses her as best as she can when she can feel herself getting closer and closer to giving into the orgasm that's about to crash into her, it's at this moment, while she's panting and trying to hold it together she whispers into Catra's ear, "You asked about me not… fuck… needing, oh stars… not needing lube…"
Catra turns her head and nods as she lets Adora grind against her, "Yeah?"
"I don't need it… oh shit…" Adora rests her forehead on Catra's, she pants out the last sentence, "You make me so wet… I don't need it… fuck…"
"Adora?" Catra pants back, "I think… fuck… I think…"
"What… mmm…" Adora opens her eyes and stares into Catra's,

“What were you thinking…?”
“I think…” Catra moans out as she stares into Adora’s eyes, “I think I lo… Oh FUCK!”
Just as Catra reaches her peak, the erratic rocking motion also causing Adora to come with a loud keening whine. Catra stays hilted inside Adora until they both come down and the magicat kisses the blonde, “Hey Adora…”
“Hi.” Adora sighs out happily, a smile on her face, “You were saying something?”
“Hm?”
“Before…” Adora says biting her bottom lip, “You said… you think…”
Catra smiles back, kissing the blonde again, “Can I pull out first?”
“No.” Adora makes a point and wraps her legs around Catra as well as her arms, “Tell me what you were going to say first.”
The magicat rolls her eyes, psyching herself up first before meeting Adora’s soft and smiling face, Catra takes a deep breath, “You probably think I’m crazy…”
Adora just smiles encouragingly as Catra takes another deep breath.
“I was thinking…”
“Yes…?”
“I was thinking that I’ve already fallen in love with you.” Catra gets out in one breath, “And I know you probably think I’m crazy and that’ it’s not possible to love somebody this quickly but I… mmphf!”
Adora stops the magicat from rambling, “You’re such an idiot.” She laughs, “You chose me, dummy.”
“I… did.” Catra nods slowly.
“And you’re mine.” Adora adds.
“And you’re mine.” Catra repeats back to Adora.
“I am.” Adora agrees happily before pressing one more kiss to Catra’s lips, “And I’m going to need another shower.”
“Wait!” Catra stops Adora from getting off her, “What about you?”
“What about me?”
“Do you think that maybe…?” Catra gulps.
“Yes.” Adora replies quickly.
Catra grins, “I better pull out huh?”

“Let me just…” Adora unwraps herself and lets Catra pull herself out, taking the condom off and getting off the bed.
The magicat quickly disposes of the used condom and then holds out her hand to Adora, “Shower with me?”
“I thought you didn’t like showers.” Adora replies.
“It’s better if I shower with my very definite future mate.” Catra grins back as Adora takes her hand and they both disappear into the bathroom.

Chapter Notes

new chapter! Enjoy!

See the end of the chapter for more notes

Adora wakes up to a warm hand rubbing circles on her bare back, a soft purr behind her as she slowly opens her eyes, the morning rays have spilt inside and onto the end walls of the room she's sleeping in.
A raspy voice whispers behind her, "Are you awake?"

Adora smiles at that voice, she turns around and faces Catra, those heterochromatic eyes stare back at her with a softness to it that brings her such comfort that it makes her think that she must have dreamt up yesterday completely.
"Adora?" Those same eyes shift to concern at the blonde's non-answer, a furry arm drapes over Adora's naked body, "Is everything okay?"

"Yes." Adora leans in and presses a kiss on the magicat's lips, "Is… is this all real?"

Catra's eyes narrow, "Which part?"

"Are you… real?" Adora asks, hopefulness in voice as she waits for Catra's answer.

"What the fuck kind of question is that?" Catra replies with a lilt of amusement in her voice, "Of course it's fucking real. Did I fuck you too much yesterday and screw up your head with orgasms or something?"

Adora shivers at the mention of orgasms, “It was quite… mmm…”

“*You* are quite… mmm.” Catra replies mockingly before her demeanour changes, “Are you… are you rethinking being mine?”

“No.” Adora breathes out with a smile, “Definitely not.”

“Then… why?” Catra asks staring into Adora’s eyes.

“Because it feels too good to be true.” Adora replies leaning in for another kiss.

“It’s true. Believe it, princess.” Catra rests her forehead against Adora’s, the purr kicking up again in her chest, “Are you hungry?”

Adora flings the blanket off the pair of them and then looks down at Catra, her hand rubbing Catra’s side, “What time is it?”

“Early.” Catra replies as she puts her hand on top of Adora’s, “Why?”

“Just wondering…” Adora’s shifts herself closer and rubs her cheeks against Catra’s collar bones and breathes the magicat in, “Have you got more… protection?”

“I’m not awake yet.” Catra replies with a smirk, “But… maybe a few more kisses around…” she points to her lips, “Here… will help me wake up…”

“What time is your… Jeeves… coming?” Adora asks as she leans in and kisses Catra on the lips, the magicat returning the kiss with a little more vigour, “Do we have time?”

“I wouldn’t worry about it, princess.” Catra grins as she starts to palm at the blonde’s breasts, “You’ll be coming… a lot… before Jeeves comes around to pick us up.”

Adora shivers again under those words mixed with Catra’s hands and fingers fondling her chest, a low whine escapes her throat as

one of Catra's hand leaves her chest and takes the blonde's hand and Catra presses a kiss to the back of it.

Adora watches, "What are you… oh…"

Catra drags Adora's hand down her body, and Adora's eyes widen when she feels what the magicat is leading her towards, "It's waking up, Adora… coax it out would you?"

"Hm?" Adora hums out as she feels the twitch under the fingers, "And… how am I supposed to do that?"

"I think you know how." Catra growls out a little possessively as she bucks her hips forward into Adora's hand, "So… get started, princess."

Adora leans in and presses her lips on Catra's in a hard kiss, trying to emulate the same amount of possessiveness as the magicat, "Mm… hey…" the blonde breathes out when she feels Catra's hands move over her body, pulling the blonde in flush against the magicat's own body and growling softly into the kiss, "Fuck…"

"You've taken too long." Catra whispers and Adora's breath hitches as Catra nips onto the blonde's earlobe before pushing Adora onto her back, "My turn."

And before Adora can respond she moans out loudly as soon as Catra moves down her body, spreading her legs and digging right into the blonde's pussy.
"Oh… oh FUCK!" Adora curses out loudly, her eyes rolling back as she struggles against Catra's hold on her legs, "Cat… I'm… oh fuck!"

Catra growls out as she plunges her tongue in and out of Adora's core, her grip on Adora's legs tightening and holds the blonde in place as she takes what she wants from her future mate, pulling her tongue out and looking up at the blonde, "Fuck… you taste so good. I could eat you all night…"

That statement makes Adora giggle midway through another moan, the sound has the magicat making a 'mrrp' noise as she pauses her ministrations, Adora tries to shut her legs but Catra holds them still, waiting for some kind of explanation.
Adora rolls her eyes, "It's not night, Cat."

"I know that." Catra replies sniffing Adora between her legs.

"So… you can't say that line…" Adora smiles down, cupping Catra's sweaty cheek, "You'd have to say, you could eat me all da-AAAYY! FUCK!"

Adora doesn't finish that sentence as Catra dives back in after that brief break for a clarification before stopping just as quickly as she started, looking up with a slight glare in her eyes, "You taste so good. I could eat you all… *day and night."*

Adora starts to laugh at the magicat's correction, and before she can retort, another moan rips through her as Catra speeds up her tongue movements over her clit, making her eyes roll back as she fists the sheets until her knuckles turns white and then she can't help the scream she lets out when she comes hard when Catra buries her tongue inside of Adora, enjoying the way her inner walls clamps and squeeze around her tongue.

"No more… no more…" Adora begs as Catra nods and pulls back, wiping her face with the back of her hand before pushing herself up, admiring the wrecked woman beneath her, "Mm… fuck…" Adora whines out as she shakes and trembles around nothing, trying to catch her breath.

Catra lies back next to Adora, turning her head and smirking at the blonde, "Hungry?"

"I think you already ate." Adora her head to the side to look back at the magicat and laughs a little, "But… maybe it's my turn…"

Catra smiles back, leaning in and sticking her tongue into Adora's mouth in a very messy kiss as the blonde turns onto the side, "Mm… you taste so good."

Adora looks down and smirks back at the magicat, "I guess someone's horny…"

Catra looks down, her cock now out and standing proud, the magicat looks back up at Adora, "Well, how can I resist my future mate?"

"Is that… all for me?" Adora reaches down and wraps her fingers around Catra's shaft, gently squeezing it teasingly.

"It's only for you. No one else." Catra replies as she grits her teeth at the teasing.

"No one?" Adora asks somewhat shocked by that, "Really? No one?"

"No ones made…" she looks down at her cock, "it's never made an appearance before I met you."

"Oh…"

"Don't get me wrong… I've had sex before." Catra says, "Just… not with… this."

"Lucky me." Adora smiles as she starts to press kisses across Catra's neck and slowly moves down her body, until she's face to face with Catra's proud erection, "I've never had a real one of these in me before you…"

"A real one?" Catra repeats as she watches Adora move herself into position between the magicat's legs, "What about…" she take in a shuddering breath in when Adora's hand moves up and down her cock, "A fake one…?"

A blush comes over Adora's cheeks as she shyly admits, "I've never actually had… yeah…"

“Oh.” Catra replies, “Really?”

Adora nods, breaking their eye contact.

Catra brings her hand to Adora’s cheek, her thumb rubbing gently over it, “Must be a natural then.”

“I think…” Adora looks back into Catra’s eyes, “I think it’s only because I’m with you.”

“Hm?”

“Like…” Adora thinks about what to say and pushes herself up, sitting up with her legs crossed as she rubs Catra’s thighs, “I think when I’m with you, I don’t feel so… self-conscious… and it just feels… right.”

“Right… that you’re okay sucking my dick?” Catra asks with an amused smirk.

“Shut up.” Adora huffs out, sticking her tongue out, “You keep that up and I’ll just leave you like this.”

“Oh, that’s not fair.” Catra complains, “You can’t leave me hanging…”

“Tell me, Cat.” Adora starts, her hand moving up the maigcat’s thigh and towards where Catra wants it to go, “How are you so good with… this thing?”

“Practise with the fake thing.” Catra returns with a smirk, “Though… it feels so much better with the real thing. You feel so much better when I’m inside you.”

“You want to be inside me?” Adora teases as her hand goes back to wrapping around Catra’s shaft, “Are you going to keep making fun of me?”

“Stars no.” Catra replies taking in a deep breath, “I love your mouth. You tongue. Your… fuck…”

Adora leans in and wraps her lips around the tip of Catra's cock and pulls off immediately, quirking a cocky eyebrow up at the magicat who looks like she's going to growl out in frustration, "What else do you love?"

Without a second thought, Catra says, "You." Just as Adora leans over and takes Catra's cock into her mouth again and pulling off for a second time in surprise as the magicat does growl this time, "Adora! Fuck! Quit fucking teasing!"

"What did you just say?!" Adora asks with wide eyes.

"I said, quit fucking teasing!" Catra huffs.

"No. Not that. The first thing you said." Adora clarifies.

"What thing?" Catra asks with furrowed brows, "That I love you?"

"Yes! That!" Adora points to the magicat.

"Well, yeah. Of course I do." Catra replies so casually, "I thought I already told you last night…"

"You did?!" Adora shrieks, "How did I miss that?!"

"Pretty sure you were blissed out…" Catra preens, "Anyways, yes. I fucking love you. Now… can you please either suck my cock or put it inside of you?"

"You love me…" Adora ignores the rest of Catra's requests as she smiles to herself before she beams at the magicat, "You love me."

"Yes." Catra repeats, "I love you."

"Are you sure?" Adora asks as she brushes a few strands of hairs back behind her ear, "It's literally been like… one day…"

"Adora." Catra says, breaking Adora out of her thoughts, "Looks at what you're holding." Adora looks down, her hand on Catra's dick

and she looks back to the magicat, “I wouldn’t have that if I didn’t love you. I chose you. I want you. I love you.”

“You’re crazy.” Adora says with a blush.

“I totally am.” Catra pushes herself up and leans back on her arms, “I followed your scent all the way to that building, all the way up to that floor. All the way… to you.”

“You’re so… so…”

“So what?” Catra tilts her head at the blonde.

“So… full of it.” Adora finishes, “How do you know I’m even the one?”

“Well… for one. I wouldn’t have a cock if you weren’t.” Catra states with a smirk, “And secondly… I just do. I can’t explain how or why, but I just do. And I get if you don’t feel the same way. It has literally been… probably less than 24hrs and you think I’m completely nuts. But… just because you can’t see it, I can definitely feel it. Have felt it. Know it. So… how about that?”

Adora’s mouth opens and closes a few times as she takes in… all that, the magicat just stares at her quietly, patiently, waiting for some kind of response. The blonde feels a surge of confidence in herself, “That’s… You are crazy.”

Catra laughs, letting her arms go and flopping back onto the bed, “Like I said, we can’t be mates until you actually love me.”

“I do love you.” Adora blurts out without think and then quickly realising it, “I… I do. Love you.”

Catra stops laughing and pushes herself back up again, “You do?”

Adora nods, “Yeah. I guess I must be crazy too, huh?”

“Nah.” Catra shakes her head, “There’s just too much evidence here to prove that it is real.”

“I’ve… I’ve never been in love before.” Adora admits, “So… I’m not 100% sure this is real love, you know?”

“Not really.” Catra replies, “But… take as long as you need to be sure, princess. I’m not going anywhere.”

Adora feels a pang of guilt, “You’d wait for me?”

“I’d wait forever for you.” Catra breathes out, “Whatever it takes.”

“You’re crazy.”

“Already knew that.” Catra says with a chuckle, “Now… are we going to fuck or not?”

Adora looks down, “You’re still hard.”

“Yep.”

Adora takes Catra’s hand and runs it between her legs, “Am I still wet?”

Catra’s eyes open wide at Adora’s sudden confidence, and with a gulp she answers, “Yes.”

“Good.” Adora grins, moving so she’s straddling over Catra’s thighs, “Are you okay if I skip the sucking part?”

“If you’re planning on riding me… then yeah, skip away.” Catra replies, “But.”

“But what?”

“Protection first, princess.” Catra prompts as she blindly reaches towards the bedside drawer, “Can you grab one and pop it on me please?”

Adora leans over and pulls the drawer open and takes a condom out, pulling the wrapper apart and taking the item out of it, “How do you do this when you’re on your own?”

“I don’t.” Catra simply replies and the grins, “Why would I need one when I’m alone?”

“Oh, good point.” Adora rolls her eyes, “Ready?”

Catra scoffs, “Princess… I’ve been ready since I ate you out.”

“Right.” Adora recalls, “I’ll just… yeah.”

The blonde slides the slippery item over Catra’s erection, the action making the magicat take a deep breath in, “Fuck…”

Adora giggles at the reaction, “Okay.” She looks down at Catra’s cock and hesitates.

“Come here.” Catra asks, “Let me taste you again.”

“Are you sure?”

“Fuck, yes. I’m fucking sure.” Catra groans out, “Now, come. Here.”

Adora moves up the bed, her knees by Catra’s shoulders.
“Get on.” Catra commands, “Let me loosen you up a little.”

Nodding, Adora throws her leg over and then situates herself over Catra’s mouth, “Just… go slow?”

“Tell me if you need me to slow down.” Catra looks up at the blonde, “Or stop…” Adora nods and slowly lowers herself down onto the magicat’s awaiting tongue, gasping when she feels it on her folds once she’s low enough.

“Fuck…” Adora moans out, “I’m gonna… fuck…”

“Not yet…” Catra whispers through Adora’s folds, “Don’t come yet…”

Adora’s falls forward, “I… I… fuck…”

The magicat holds Adora in place as she slides herself up the bed and into a sitting position as Adora pants out as she sits in her lap, "That's better." Catra grins, her face still wet from Adora's slick and then leans forward to press a sloppy kiss on Adora's lips.

"Catra!" Adora admonishes as she wipes the slick from her mouth, "You did that on purpose!"

"Of course I did." Catra smirks, "You taste so good I just wanted to taste it on your lips too."

The blonde faux glares back before feeling Catra's cock twitch behind her, "Someone's excited…"

"When it comes to you? Fuck yes, I am." Catra replies with a possessive growl, "And I really want to see you riding me…"

Adora nods into Catra's shoulder, before lifting herself up as Catra grabs her cock and holds it up to the blonde's entrance. Adora takes a breath in before slowly lowering herself down, Catra's hands on her side once the tip is in and then guides the blonde all the way down until she's sitting in the magicat's lap, "Fuck…"

"I know…" Catra agrees as she feels Adora's inner walls massaging her cock, "You feel so fucking amazing, princess."

Adora's doesn't have words, she was so close when she was on top of Catra's face, "I'm not going to last long, Cat…"

"Come all you want, princess." Catra presses a kiss to Adora's neck, "Take as much as you want. I'm all yours."

Without warning, Adora cups Catra's cheeks and kisses her intensely, she pants out a little with every twitch inside of her, "Fuck… I'm yours too…"

"Mine." Catra growls out into the next kiss she initiates, "All mine!"

"Fuck yes!" Adora moans out as she lifts up and sinks down on Catra's cock, her mouth dropping open at the feeling and stretch,

“Oh, fuck!”

“Take it, Adora. Take everything you want.” Catra pants out, “I love when you take control. I love watching you ride me.”

Adora nods, her climax so close as she bounces up and down faster, her arms wrapped around Catra’s neck as the magicat presses kisses all over her skin, “Stars… mmm… fuck…”
“You feel so good.” Catra whispers into the blonde’s skin, before tilting Adora’s head down for a kiss when she can feel Adora orgasm around her, “Oh fuck!” The magicat grits her teeth, holding back from coming as Adora starts to grind erratically against her, she captures Adora’s moan in a sloppy kiss as she feels the blonde clamp down hard around her.

Adora breaks the kiss, panting, “Fuck…”

Catra grits her teeth a little more, barely holding back her own climax, “Fuck, I love you.”

“I love you too.” Adora pants out into Catra’s shoulder and then giggles to herself, pulling herself back and staring into Catra’s eyes, “I love you.”

“I know.” Catra grins back and Adora leans in and kisses her again, when they break apart, the blonde rests her forehead on Catra’s, “We’re not done yet. I’m not done yet.”

“No?” Adora raises a questioning eye at the magicat, “I’m pretty much spent…”

“So… no more?” Catra asks with a peck on Adora’s lips, bucking her hips a little making the blonde slam her eyes shut at the action, she gets a playful glare back in response, “Because if that’s the case, I’m going to have to finish myself off.”

Adora bites her bottom lip as she grinds down on Catra’s cock, a soft moan escapes her lips, “Let me… help.”

“Yeah?”

Adora nods.

“Get on your hands and knees. Ass up, princess.” Catra orders with a cheeky grin, making Adora giggle nervously, the magicat presses her lips on Adora’s again, “I’ll take care of you, princess.”

“I know.” Adora replies as she takes a moment before lifting herself up and off, rolling to the side, Catra getting to her knees and waiting for Adora to get into position, the blonde moving in front of the magicat, before bending down so she’s on her hands and knees, gulping down as she feels Catra’s weight dip down behind her, “Promise?”

“I promise, princess.” Catra replies, “I just want to make you feel good.”

Adora breathes out, “Okay.”

“Are you comfortable?” Catra asks as she positions herself behind Adora’s ass, resting her hands on the blonde’s cheeks, “Do you want some water?”

Adora shakes her head, “Stop teasing and put it in already.”

“Geez, relax, Adora.” Catra laughs as she squeezes the blonde’s ass, “Are you ready?”

“Yes.” Adora replies before her breath hitches when she feels the tip of Catra’s cock press against her, “Mm… fuck… Catra…”

“Yes, Adora?” Catra smirks down, not moving forward or at all once the tip is inside.

“Fuck.” Adora huffs out and pushes herself back on Catra’s cock and moans loudly, “Oh, my… stars!”

Catra watches as Adora fucks herself on her cock, relishing in the feeling of being inside the blonde who’s taking everything she wants and needs from the magicat, “Stars, Adora…” her eyes

widen as she feels herself get closer and closer to her own climax and then she growls, holding onto Adora's hips, "My turn."

"What…? Oh, FUCK!" Adora manages to say before Catra starts to roughly pump in and out of her at a rapid pace, she can't help the sounds that fall out of her mouth as Catra really picks up the pace and intensity, sending the blonde into another orgasm embarrassingly quickly, "I'm coming… I'm… oh, stars!

Catra growls out as she leans down and sinks her teeth into Adora's shoulder, holding the blonde in place as moves her hips faster and faster until… "FUCK! Ah…" her words muffled into Adora's shoulder whose arms give out and she drops onto the bed with a muffled scream as Catra keeps moving her hips erratically until the aftershocks of her own climax finish and she can feel Adora's walls fluttering and tightening around her.

After a while, Catra lets go, the taste of iron in her mouth as she realises what's she's done, "Oh… shit, sorry, Adora…" Catra apologies upon seeing her own teeth marks on the blonde's skin.

"Hm?" Adora asks tiredly.

"I… I bit you." Catra admits before licking at the wounds like she would her own, stopping abruptly, "Let me just clean it…"

"By licking it?" Adora giggles at the sensation of Catra's tongue on her shoulder, "Is that even hygienic?"

"You're asking me that now?" Catra grunts out after another lick, "After I've used my tongue to eat you out?"

"That's different. And you know it." Adora huffs, "What if it gets infected?"

"You won't." Catra replies, "Probably…"

"Catra!" Adora whines out, unable to move yet, "Are you still in me?"

“Yes.” Catra replies with another lick, “Let me just pull out…”

Adora winces at the action, “Fuck…”

“Tell me about it.” Catra pulls the condom off, wraps it up and places it on the edge of the bed, “You’re so warm… such a good… place to store my dick.”

“Catra!” Adora laughs out as she tries to push the magicat off her who’s still licking the wound on her shoulder, “Is that what you really think about me?”

“No.” Catra replies as she presses a kiss to the back of Adora’s neck, “Let me get the first aid kit and fix this up.”

“Okay.” Adora replies completely spent, “I think I’m going to fall asleep again…”

“You’ve got work.” Catra says flatly as she gets off the blonde and then the bed, taking the discarded condom with her to dispose of, “I’ll be right back and then I’ll help you shower.”

“Hm…”

“And Jeeves is on her way.” Catra reminds the blonde as she ducks off to grab the first aid kit.

When Catra comes back, Adora’s lying on her side, the magicat stares at the blonde like a painting, licking her lips at the sight, “Wow… you are so beautiful, Adora.”

Adora blushes, looking down at herself, “That’s because I’m naked and smell of sex.”

“True.” Catra grins as she stands in front of Adora, her cock back safely in its sheath, “But you’re beautiful even with clothes on and not smelling of sex.”

“You’re not too bad yourself.” Adora replies as Catra gestures for her to lie back on her stomach, “Do I have to bite you back?”

“Huh?”

“You bit me.” Adora says as Catra places a bandage of the bite mark, “Do I have to bite you back?”

“Bite me back for what?”

“To make this official.” Adora finishes.

“I… I don’t think so?” Catra replies unsurely, “I’ve never done this before… so… yeah, I’m not too sure at all.”

“You bit me.”

“You already said that.” Catra pats Adora’s on the small of her back to indicate that she was done, “Now, shower?”

“You bit me.” Adora repeats.

“I know.” Catra says, “I’m sorry… I didn’t mean to…”

“Yes, you did.” Adora replies, “I just want to know why and also if I’m supposed to bite you back…”

Catra watches as Adora sits up in all her naked glory, staring at her, waiting for an answer. The magicat sighs, “I… I don’t know why I bit you. It just… it just felt right.”

Adora nods.

“Do you want to bite me?” Catra asks.

“I don’t know.” Adora replies with a frown, “Should I want to?”

Catra shrugs, “Look, I’m just acting on instincts.” The magicat holds her hands out to Adora to help her off the bed, “Come on, lets get you ready for work, shall we?”

Adora groans, “Fine.”

They stop just before the bathroom door, Catra turns to Adora, “If you feel like you want to bite me when we’re in the midst of an orgasm or two… then, go for it. I’m all about acting on instincts.”

“Yeah?”

“Yes.” Catra nods, “Now, come on. Jeeves is going to be here soon.”

Catra steps out of the car, holding the door open for Adora to exit after her, “Well, Adora. Looks like we are back to where we started.”

“Looks like it.” Adora says as she looks at the entrance of the building.

“I hope I haven’t made you too late…” Catra looks at her watch sheepishly, yelping when Adora pulls her into her, a purr erupts from her chest when the blonde kisses her possessively, the magicat grins wide, as she deepens the kiss and when they part for air, Catra whispers out, “Mine.”

At the same time, Adora rubs her cheek against Catra’s neck, and whispers with a soft growl back, “Mine.” Adora sighs and lets Catra go, “Call me?”

“Stalk you.” Catra replies with a smirk, making the blonde laugh, “Love you.”

“Love you too.” Adora leans in again for another kiss which is promptly interrupted by someone clearing their throat.

Catra huffs out, “I know, Jeeves. You’re parked illegally. Give me 2 fucking seconds to say goodbye to Adora, would you?”

“I’ve given you minutes, sir.” Jeeves huffs out.

Adora giggles, “You better get going, Catra.”

“Okay.” Catra sighs with one more kiss, “Have a good day, princess.”

“You too.” Adora smiles widely back.

“I’ll see you later.” Catra takes a reluctant step backwards, “Let me know what time you finish.”

“I will.”

“And no falling for other people.” Catra warns playfully.

Adora rolls her eyes as she watches Catra open the door and start to clamber back in, “I won’t. I’ve already been chosen by you. And you’re mine now too.”

“Damn right.” Catra grins as she shuts the door, “Love you, princess.”

“Love you too.” Adora repeats again as she waves the car off, watching it pull out before she heads inside.

“Sir?” Jeeves breaks the silence in the car where Catra is quietly smiling to herself, “Good night I take it.”

“Definitely.” Catra agrees looking out the window and thinking of last night and this morning.

“That very good to hear, sir.” Jeeves replies with a smile as she looks into the rear mirror and glimpses at Catra, “You look happy.”

“I am.” Catra looks forward and then says, “I’m in love.”

“Very good, sir.” Jeeves replies as she continues on, “And Adora?”

“Adora’s mine.” Catra replies, “She’s… she’s nearly there.”

Jeeves nods back knowingly, “Don’t worry, sir.” Catra’s ear perk forward as Jeeves continues, “She’ll get there too.”

"Adora!" Glimmer's voice breaks through the blonde's daydreaming about a certain good looking magicat, "Are you even paying attention to me?"

"Huh? What?" Adora's eyes flick back to her best friend apologetically, "Sorry, what did you say?"

"Stars, Adora." The sparkly girl rolls her eyes, "Was the sex really that good?"

A blush comes across Adora's face as she breaks eye contact with her best friend, not really sure wanting to say yes and see the gloating look on Glimmer's face, instead Adora simply clears her throat and asks, "What is this document for?"

"It's the incident report form. I've already told you twice already." Glimmer shakes her head with a grin, "Unbelievable."

"She is." Adora blurts out unexpectantly, her mind still on her magicat, before blushing again, "Uh… sorry."

"Don't be sorry." Glimmer says, "Just give me the saucy details!"

"Stars…" Adora smiles as she thinks about Catra all over again as Glimmer laughs next to her.

"Tell me about it over lunch, babe." Glimmer lets her off the hook before pointing a finger at the blonde, "And don't spare me the

details.”

Adora laughs with a nod, “You’ll have to wait until lunch then.”

“Woah… how are you even standing right now?” Glimmer says cheekily as Adora’s blush doesn’t seem to want to leave her face, “So… are you mated yet?”

“Glim!” Adora chastise, “It’s hasn’t even been that long.”

“Not long at all.” Glimmer replies in agreement, “But in terms of magicat mating protocols or whatever documentary that Bow and I watched the other day, usually once they chose someone, it should be instantaneous if it’s meant to be, otherwise, it’s over just as quickly.”

“What documentary?” Adora asks intrigued.

“It was late night watching and we were tired.” Glimmer brushes off the question, “But it doesn’t matter because you’ve got the real thing. As in, a real magicat that has chosen you.”

“She did choose me.” Adora hums out happily.

“So… are you mated yet?” Glimmer asks again and Adora shrugs, “You don’t know?”

“I’m not too sure.” Adora replies with a sigh, “Did that documentary say how you’d know if you were?”

“Mm…” Glimmer thinks back, “I’m not too sure. I thought it’d be obvious when it happened.”

“She uh… she bit me though.” Adora admits shyly and Glimmer’s eyes widen and then the blonde looks down unsurely, “But when I asked if I needed to bite her back, she said that was up to me. Leave it to my instincts is pretty much what she said.”

“Do you want to bite her?” Glimmer asks.

“I… I don’t know.” Adora bites her bottom lip with a grin at the thought of returning the bite.

“Oh, Adora.” Glimmer pats her best friend reassuringly on the thigh, “It sounds like Catra is already all in and is letting you decide. And I’m glad that she’s not going to push you one way or the other which….is honestly quite surprising.”

“Why do you say that?” Adora asks.

“From the way she was looking at you when she first came in, it looked like she was ready to pounce on you from the start.” Glimmer shrugs, “The fact that she even bothered going along with all the introductions I put her through is well, quite surprising. She already knew who she wanted but was willing to let you decide before she moved forward.”

“She’s really amazing, Glim.” Adora smiles at the thought of Catra again, “I’ve never been with anyone like her before.”

“Do you love her?” The question takes Adora off guard, “I know it’s been really fast but magicats get attached very quickly.”

“I do.” Adora softly says at first before she gains in confidence, “I love her, Glim.” A bright smile appears on Adora’s lips, “I really really love Catra. I’ve never felt like this before.”

“I’m happy for you, babe.” Glimmer smiles back at her best friend before the sparkly girl’s alarm goes off, “Oh, lunch break is over. Come on, I still have a lot to show you.”

“Miss Adora.” Jeeves pulls up to the front of the building where Adora works, “Catra has sent me to fetch you.”

“Oh, hi Jeeves.” Adora waves to the driver as she bid Glimmer goodbye quickly and then the blonde gets in the backseat and

buckles up, “Where is Catra?”

“She’s had some business to attend to.” Jeeves replies as she pulls out back onto the road, “Would you like me to take you home first?”

“If it’s no trouble.” Adora replies.

“It’s no trouble at all, Miss Adora.” Jeeves replies.

“You can just call me Adora, Jeeves.” Adora smiles at the driver’s reflection in the rearview mirror where Jeeves glances into briefly and returns the smile, “Did Catra say when she’d be done?”

“No Mis… no Adora.” Jeeves quickly corrects herself, “I can make a few other stops if you need, Adora.”

“Oh?”

Jeeves laughs, “Yes, Adora.” She glances into the mirror again briefly with a smile, “I can stop at the shops if you need to pick up anything or vice versa we can go through a drive through or stop somewhere else entirely.”

“Can you stop at where Catra works?” Adora asks unexpectantly.

“You want to see where Catra works?” Jeeves asks back.

“I mean, if that’s okay…” Adora replies shyly, “Or doesn’t she want me to see what she does for a living?”

Jeeves shrugs, “Let me just quickly pull over so I can call her and ask.”

“Thank you.” Adora nods back gratefully.

Jeeves finds a spot and pulls over, leaving the car running as she puts the car in park before touching a few buttons on the screen and then there’s the sound of the phone ringing.

“Jeeves. What’s wrong? Did you not pick Adora up?” Catra answers the call after the third ring, “Are you okay, Jeeves?”

“Yes, sir.” Jeeves rolls her eyes at the concern on her boss’ voice, “I’ve got Adora here with me in the car right now.”

There’s a notable sigh of relief from the magicat as Adora quickly pipes up, “Catra! Hi! I’m sorry if I made you worry…”

“Hey Adora.” Catra finally breathes out the blonde’s name, “Is everything okay? Are you… are you having second thoughts?”

“Stars, no.” Adora says with a small smile on her lips, “Everything is fine.”

“Miss Adora has asked to come meet you at your place of work.” Jeeves jumps back in, “If it’s not a good time, I will happily drop her off at her place or wherever she would like to go until you are ready for me to pick her back up again and bring her to you.”

“No need, Jeeves.” Catra says, “Bring her on over. I’m nearly done here anyway.”

“Yes, sir.”

“Is that all?” Catra asks.

“Yes, sir.” Jeeves repeats, “ETA will be in an hour or so.”

“Adora?” Catra calls to the blonde, “I can’t wait to see you.”

“I can’t wait to see you too.” Adora replies with a bright smile that only Jeeves can see but the magicat can hear, “I uh… I love you.”

“I love you too.” Catra says fondly, “Jeeves?”

“Yes, sir?”

“Drive safe, buddy.” Catra says, “I’ll see you in an hour or so.”

“Yes, sir.” Jeeves replies with a nod and then hangs up.

One hour later

"We're here, Adora." Jeeves announces to the half asleep blonde in the backseat.

"Hm?" Adora's eyes flutter open, "Did you say something?"

"We're here, Adora." Jeeves repeats, putting the car in park and stepping out to open the door for the blonde, "Catra is expecting you."

"Oh, right." Adora smacks her lips together as she wakes herself up, pulling herself out of the car as Jeeves retrieves her backpack, handing it to Adora, "Thank you, Jeeves."

"No problems, Adora." Jeeves says with a nod.

Adora looks around as she stands in front of a building with warehouses next to it, turning to Jeeves as the driver waits for the blonde to move so she can shut the door, "What is this place, Jeeves?"

"Catra's place of work." Jeeves replies with a smirk, "The reception is just through those doors."

"Oh, right." Adora throws her backpack over her shoulders, "What are you going to do?"

"There's a parking garage over there." Jeeves points to somewhere to the right of the building, near the green building that looks like a warehouse, "It's a waiting area for drivers. So I'm probably going to go grab something to eat and then maybe catch up on my emails or even take a nap. Depends on how long she's going to take."

Adora nods, "Okay. Thanks again for the lift."

“No problems again, Adora.” Jeeves smirks as she finally closes the back passenger door once Adora moves forward enough, “I’ll see you later, Adora.”

Jeeves gets back into the driver’s seat, waving Adora goodbye before pulling back off and heading to the right and disappears around the corner as the blonde turns to look at the front of the building before taking a deep breath and walking forward.

It’s strange that there no logos or signage that indicate what this business is as Adora walks through the automatic sliding doors and into a room with a reception desk off to the right and a security guard standing by, there’s no receptionist but there is a machine by reception. The rest of the area is void of people as Adora walks over to reception and inspects it.
The security guard looks Adora up and down warily, before clearing her throat, “Who are you here to see, miss?”

“Uh, Catra.” Adora replies, “I’m here to see Catra. She should be expecting me. Her driver, Jeeves called ahead and…”

The security guard chuckles, “I’m just messing with you Adora. Come on through.” The guard waves the blonde over, “Entrapta has already done the background check on you before giving the okay to let you through.”

Adora relaxes a little, and then asks, “You ran a background check on me?”

“Not me. Entrapta.” The guard replies, “I just get passed the information, miss.”

“Oh, okay.” Adora replies as she walks through the secure area, “Where to now?”

“Just stay put, I’ll radio up to her to let you know you’ve arrived.” The security guard tells her, “Take a seat if you’d like.”

"No thanks. I just travelled an hour to get here, I think I'll stand for bit if that's alright." Adora says stretching out her legs.

"That's no problems. Just give me a moment." The security guard smiles as she pulls out the handset of the radio and starts talking into it while Adora looks around at the area behind the secured gates, noticing three sets of lifts with no buttons, just access scanning pads on the walls. After a minute, the guard comes back, "Catra will be down in a few minutes."

"Thank you." Adora nods gratefully to the guard, who nods back and heads back to their post.

Ding!

The middle lift doors open and out walks Catra, dressed in another suit, this time it's a dark maroon colour with a black shirt underneath. Her short hair is slicked back, but it looks like the magicat has been running her claws through it more than once, and there's a few bits out of place and Adora really wants to comb her own fingers through it. The magicat notices the blonde bite her bottom lip as she stares at Catra and she smirks at Adora, "Hey Adora. See something you like?"

Adora steps forward and wraps her arms around Catra in a warm hug, something the magicat was not expecting at all, "Hi Catra." The blonde breathes out into Catra's furry neck, "I missed you."

Pulling back, Catra grins, "I love you."

"I love you too." Adora stares into Catra's eyes fondly and then remembers they aren't alone in the lobby area, suddenly feeling self conscious despite the magicat keeping a hold of her from the waist, "So… what's the plan?"

"The plan?" Catra raises an eyebrow as she pulls Adora's up and over her own shoulders and leans her forehead on Adora's, "You wanted to see what I do, right?"

“It’d be nice, I guess.” Adora replies nodding her head against Catra, “Unless you don’t want me to know…”

“I want you to know everything about me.” Catra says as her eyes drop to Adora’s lips, “And I want to know everything about you…”

“Mm…” Adora shivers in Catra’s arms, murmuring back the word, “Everything…”

“Everything.” Catra repeats pressing a kiss to Adora’s cheek, before moving to her lips, “Every…” a quick kiss to the blonde’s lips, Adora whines out a little at the briefness of that kiss as her magicat moves to her neck, the blonde lifting her chin up to give her more room, “Single…” Catra presses two kisses to Catra’s neck, grinning afterwards as her hands start to move up and down Adora’s sides, “Thing…” Catra continues to make her way across Adora’s neck with her mouth, “That makes you…” And just as she’s about to finish her sentence, a low moan escapes Adora’s lips when Catra nips her neck and say, “Moan.”

“Catra…” Adora whines out pathetically, “Not here…”

Catra smirks and sniffs the air in confirmation that she’d managed to turn Adora on, relenting on the teasing as she presses her lips onto Adora for a firmer kiss, pulling back to see the dopey look on Adora’s face, “Come on up. I’ll show you to my office.”

“Hey! No fucking in the building!” The security guard calls out, a hint of amusement in their voice, “Your rules, remember?”

“Fuck off, Lonnie.” Catra growls back at being caught out as she swipes her card against the scanner and the doors open, “My building. I make the fucking rules!”

The security guard Lonnie just laughs, “Yes boss.”

“That’s right.” Catra grins as the doors open to the left, the magicat leading Adora inside. The blonde turning to the magicat, holding her hand instead, “Your office, huh?”

“Yep.” Catra grins back at the blonde, squeezing her hand and watching the numbers get higher and higher until it finally comes to a stop and the door open, “We’re here.”

“Level 3?” Adora says, “We could have just taken the stairs, you know.”

“I know.” Catra simple shrugs and walks out, Adora in tow.

Catra walks Adora around the floor where there’s glass windows that give a 360 view of everything as the blonde takes everything in. The entire time, Catra explains to Adora the different buildings on the precinct and what she does at the company. Until they finally get to a locked door that the magicat grins mischievously to the blonde as she opens it, gesturing for Adora to go in first.

Catra closes the door and locks it behind her, taking Adora’s hand and turning the blonde around and into her body as she kisses the blonde hurriedly, “Fuck… I’ve been wanting to do that since the lift up.”

Adora looks around at the brightly lit room, the sunlight streaming through the glass windows as she looks at Catra, “Curtains?”

“Shy?”

Adora swallows down hard and then nods, “Please?”

Catra walks them back towards the door and reaches over to a few switches, flicking a couple over, a blackout curtain closes around the room as the magicat grins, “Better?”

Once all the curtains have covered the windows, Adora squints her eyes, “Now I can’t see.”

“Are you really complaining, princess?” Catra chuckles as she pulls Adora in for another kiss, happy to have the advantage of sight as she quickly flips them and pins the blonde against the door, Adora

yelps out before humming happily into the ensuing kiss that Catra presses onto her lips again, "Is this okay, Adora?"

"…yes." Adora breathes out, "But… should we be doing this in here? Lonnie said…"

"Fuck Lonnie." Catra quickly says before grinning out and looking at her blonde, "No, I think I'd prefer to fuck you instead… my Adora… Mine…"

"Fuck…" Adora whimpers out when Catra's lips press kisses along her neck and collarbones, "Mm…"

The magicat moves down to the bottom of Adora's shirt and presses kisses on her stomach, "I'm going to take your clothes off, princess." Catra says with a lick across the skin on Adora's stomach, "Or would you prefer I ripped them off?"

Adora pulls Catra's hands off her, the blonde's eyes starting to adjust to darkness within the room as she spots the couch and smirks, "Don't rip them." She says as she gently takes Catra's hand and leads the magicat to the couch, Catra stands up in front of the couch, "I'll take off my clothes… but only if I get to take yours off first…"

Catra grins, nodding, "Whatever you want, princess."

Adora pushes Catra's unbuttoned jacket off her shoulders and drops it to the floor before moving onto the black button up shirt. Her fingers making quick work of the buttons as it quickly joins the jacket on the floor. The blonde pauses to run her fingers through Catra's chest fluff as the magicat pulls Adora closer into her own body, "Hey… I'm not done with you yet…" Adora giggles out at the magicat's impatience.

Catra groans out and lets her hands drop from where she'd been groping Adora's ass, "Go on, then."

"Gladly." Adora says victoriously as she reaches for Catra's belt and unbuckles it quickly before sliding it through the loops and

then thinking about maybe using it on the magicat later, she's broken out of those thoughts when Catra takes the belt from Adora's hands with a smirk on her lips, knowing exactly what Adora was thinking about, the blonde has the audacity to pout, "No fair."

"Hurry up, princess." Catra warns holding the belt up in her hand, "Or I will rip all your clothes off and fuck you where you stand… princess."

Adora's breath hitches at the thought of Catra ripping her clothes off before she faux glares back at the magicat, pulling Catra forward by the waist of her pants and brining the magicat in for an unexpected and possessive kiss, "Mm… maybe you should…"

Catra growls into the next kiss as she feels her pants drop to her ankles and she steps out of it with a grin on her face, her hands roaming up and down Adora's sides once more, "Take off your clothes, Adora…"

Adora takes a step back and looks Catra up and down licking her lips at the sight of the naked magicat in front of her, "Sit."

Catra looks behind her and take a seat, "Sure."

Adora watches as the magicat gets herself comfortable, letting her legs fall open while her arms spread over the back of the couch, "My turn?"

"Yes." Catra says with a low growl.

Adora reaches down for the hem of her shirt, watching Catra's eyes on her and feeling like she's prey in front of a predator as she pulls her shirt up and over her head, dropping it to the floor along with Catra's clothes.

"Your bra. Take it off next." Catra instructs even though Adora was already reaching to pull it off, the blonde rolls her eyes at the magicat who narrows her heterochromatic eyes back at the blonde, "Now."

Adora's bra quickly joins the pile of clothes on the ground, as she stands with her hands on her hips, a raised eyebrow and then asks, "What next?"

Catra grins, fangs and all as she looks at the newly exposed skin, "Take off your shoes and socks next."

Adora can't help herself and laughs, "Really?"

"Yes, really." Catra nods seriously, "Shoes and socks off. Now."

"Fine. But it's not going to be sexy, you know that right?" Adora warns with a smile and Catra just nods, "Okay then. Shoes and socks are coming off."

Catra tilts her head as she watches Adora kick off her shoes before the blonde bends down to remove her socks, her breasts falling forward in the process as she does so and Catra grins at the sight, licking her lips. Adora hears the sounds and looks up, "What are you…?" she looks down at herself and realises the position she's in and glares at the magicat playfully and then sticks her tongue out, removing the last sock and throwing it at the magicat who deftly catches it as Adora stands back upright, "There. Shoes and socks off."

"Turn around. Face the door." Catra instructs next.

"Why?"

'Because I said so is why." Catra simply replies, her voice stern, "Do it."

Adora turns to face the door, "Now what?"

"Take your pants off. Just your pants, princess." Catra starts as she watches Adora reach for the waist of her pants and then the magicat adds, "And then fold them up and place them on my desk."

Adora glances back at that request as Catra just looks at her challenging.

“Go on.” Catra says.

“Fine.” Adora huffs out as she slides her pants off, bending forward enough and giving Catra a fantastic view of her ass. And once the blonde’s pants are off, she turns around to show Catra that she’s folding them up before walking over to the magicat’s desk and placing it on the edge of it.

“Come here.’ Catra instructs next, “Leave your underwear on.”

Adora gulps down as she walks back over to the couch that Catra is sitting on, stopping when she’s standing between the magicat’s legs, “Can I touch you?”

“Sure. Sit.” Catra pats her bare lap with a grin, “I want to kiss you. Like this.”

Adora looks down and then slowly raises one leg up and then gets on top of Catra’s lap, she runs her fingers through Catra’s chest fluff once again as the magicat wraps her arms around the blonde’s body, pressing kisses onto Adora’s bare shoulders and neck before rubbing her cheek against Adora’s.

The blonde giggles, “That tickles…”

“Mm… I love you, Adora.” Catra mumbles into Adora’s skin, “I don’t think I’m going to need to rip your underwear off…”

“Hm?” Adora pulls back slightly as Catra’s hands cup the blonde’s breasts, she moans out a little when she feels the magicat’s fingers moves across her nipples, making her body twitch a little, “Mm… why… why’s that?”

Catra looks into Adora’s eyes, “Because they’re already ruined as it is.”

The magicat takes a long breath in and relishes in the smell of Adora's arousal as she quickens her thumbs over Adora's nipples making the blonde whimper out a little more, "…fuck…"

"We're getting to that, princess." Catra grins and then moans out when Adora pulls her into an intense kiss, "Mmphf!"

"Catra…" Adora pants out as the magicat adjusts herself, taking her hands off the blonde's breasts and replacing it with her mouth as Adora throws her head back to give Catra more room, "Mm… ah…"

"You're so fucking beautiful." Catra breathes out when she disengages with Adora's nipple and grins up, barely giving the blonde a moment of reprieve before she goes to suck in the blonde's other nipple, making Adora take a deep breath in as she relishes in the feeling of Catra mouth on her.

Adora yelps when Catra flips the blonde onto her back on the couch, "Hey…"

"Mmhm?" Catra asks as her lips start to make their way down Adora's body all the way to the top of her underwear, she flips out a claw and looks to Adora for approval or not.

"Fuck… just rip them off!" Adora pleads as Catra makes short work of the last piece of clothing between them, "Catra… please…"

"I got you, princess." Catra pulls the wrecked piece of fabric out from under Adora's body and tosses them to the ground, "Are you comfortable?"

Adora shifts around, the couch really isn't as comfortable as a bed, but she's feeling very desperate right now and doesn't want to stop, "It's fine."

Catra frowns, "Don't lie to me, Adora."

The tone of Catra's voice surprises the blonde as she takes a calming breath and says, "Actually it's not very comfortable."

"Thank you." Catra replies with a kiss to her inner thigh, "What would be more comfortable for you? The floor? The wall? Sitting down?"

All the… positions… have Adora squeezing her thighs together as she tries to think of an answer, "Actually… a bed would be really good…"

Catra smiles up at the blonde, "A bed?"

Adora nods, "Is that… I know we're kind of… well… you know… in your office…"

"I got you, Adora." Catra says as she stands up, holding her hand out to the blonde, "Come on."

Adora takes Catra's hand and gets to her feet, the magicat pulling Adora further into the office area before they reach another door, "Where are we going?"

"My private room." Catra says, "It's where I sleep when I've got too much to do and don't want to bother Jeeves."

"Oh."

"It's not to bed women. Trust me on that." Catra reassures before adding, "I don't generally stay the night, and no one comes to my place or my place of work."

"Oh." Adora repeats as Catra opens the door and she's met with the least sexy bedroom she's ever seen in her life, "Wow… you weren't kidding… love the… uh… Are those takeout boxes?"

"Yes." Catra quickly grabs as much rubbish as she can and quickly disposes of it in the bin in her office, the magicat reappears and then starts to gather up the papers on the bed and stacking them neatly on her desk before looking around and then back to Adora

who's looking at her rather amused, "What? Is it up to your standards?"

"It's just… you're cute…" Adora giggles under her breath as the naked magicat cleans up a few more items before dusting off the bed, "Are you sure it's even sanitary to be in here?"

"Yes." Catra replies, "Whatever you may think, this room is pretty much sterile and clean."

"Say that to all the takeout boxes." Adora laughs as Catra growls and grabs the blonde, picking her up and holding her up in her arms as the blonde shrieks out, "Catra!"

"Shh…" Catra grins, walking over to the now cleared and clean bed and then gently depositing Adora on top of it, "I'm working here."

"Stars…" Adora chuckles and then moans out when the magicat spreads her legs and buries her face in between them, "Oh fuck! Mmm…. Stars… Fuck! Fuck! Fuck!" Adora pants out in quick succession, her fingers threaded through the magicat's now messy hair as her eyes start to roll back, her orgasm on the cusp of exploding, "I'm coming… fuck… Catra… I'm cominnnnggg! Hng!"

Catra holds Adora's legs apart as she plunges her tongue inside and then she feels the blonde thrashing around wildly in her hands.

Adora's heaving out harshly as she tries to pull away from overstimulation, "Mmphf! Mmhng! Stop! Stop! I can't… fuck!"

Catra pulls her tongue back and looks up panting after holding her breath for so long, a grin on her face when she sees the state of her future mate on the bed in front of her, "Done?"

Adora looks up, her body still twitching from the aftershocks as she makes grabby hands for the magicat, "Come here please…"

“Hm?” Catra moves up so she’s draped across the blonde’s naked body, a happy purr rumbling through her chest as she wipes her face and Adora’s slick across the blonde’s breasts, before licking at it, spending a little more time on the slick on Adora’s nipples.

Adora wriggles around under the magicat as she pulls Catra’s face up so she can look into her eyes, “Kiss me.”

“Gladly.” Catra presses one more kiss on Adora’s nipple before coming up and kissing Adora on the lips, the blonde opens her mouth and Catra takes the opportunity to tangle her tongue with Adora’s.

Adora body falls limp, effectively ending the kiss as she rests her arm over her forehead, “Fuck… Your tongue is amazing.”

“I know.” Catra preens as she rolls off to the side to better cuddle up to the blonde, “I have… many talents.”

Adora turns over to face Catra, and then looks down, “Is one of those talents waking up?”

Catra reaches down and wraps her fingers around her cock, “Getting there.”

“Can I help?” Adora smiles shyly as she glances down again.

“Sure.” Catra takes one of Adora’s hands and runs the blonde’s fingers down her own body and then relinquishes her hold on herself, leading Adora’s hand down to her semi-hard cock, “There we go.”

Adora’s fingers gently wrap around Catra’s cock and she giggles when it twitches in her hand a little, “Mm…”

“Your hand feels so good.” Catra takes in a shuddering breath, “So… warm.”

Adora slowly runs her hand up and down the magicat’s shaft, not giving Catra any stimulation at the tip as she watches the

magicat's eyes close, and as she does, Adora leans forward and captures her lips in a slow kiss, whispering into Catra's lips, "I love you."

"I love you too, princess… fuck…" Catra's hand rubs Adora's back, "That feels really good."

Adora's hand starts to speed up, slowly going over the tip and then back down to the base, "You're so hot… I can't believe I get to have you."

Catra's eyes open and she pulls Adora into a possessive kiss, growling out the word, "Mine!" when they part, "All mine…"

"Yours." Adora agrees as Catra starts to kiss and nip her neck again, making her lose concentration on what she's trying to do for the magicat. She pulls back enough to stop the magicat from kissing her neck, "I'm going to kiss you…" she looks down, "There."

Catra grins and then pecks Adora on the lips before rolling on her back, "I'm all yours, princess."

Adora slowly makes her way down Catra's body, feeling Catra's hand on her back and shoulder, guiding her lower until she's face to face with the magicat's cock. Her hand still pumping the magicat' slowly as she feels Catra's hand in her hair try to move her further down.

Adora shakes Catra's hand off her head and faux glares up a the magicat who quickly surrenders and places their hands on the bed, "Keep them there." Adora warns and Catra nods with wry smile, "Good."

"…fuck…" Catra grits out as soon as she feels the blonde's tongue licking at the tip of her cock, the sensation making her buck her hips up at nothing as Adora giggles and Catra growls.

"So impatient…" Adora chastises, before licking all the way up and down Catra's erection, "Patience…"

Catra growls a little louder as she digs her claws into the bed but stays still. She hisses out with a low moan when Adora finally wraps her lips around the tip of her cock, pulling back a few times before taking a little more in.

"Mm…" Adora hums out around Catra's cock as she switches between taking in as much of Catra's length as she can and licking up and down the magicat's shaft.

"More." Catra groans out.

"More?" Adora pulls herself off cockily, "How much more?"

"As much as you can fit in your mouth, princess." Catra orders.

Adora raises an eyebrow at the magicat and just waits.

Catra growls again, knowing exactly what Adora needs to hear and in the state she's in, she can't find it in her to care, "Will you please suck my cock as deep as you can go, princess?"

Satisfied, Adora nods, "Of course. Anything for my mate."

"Future mate." Catra corrects before groaning out more pleasurably when Adora takes her cock into her mouth again, this time she can feel the tip hit the back of the blonde's throat and the gagging sound from the blonde as Adora tries to hold her position before pulling herself off, "Fuck… that felt fucking amazing…"

Adora looks at Catra with red and teary eyes as she stares up and then takes the magicat's cock into her mouth again slowly and when it hits the back of her throat she comes back up and does it over and over again. Her head bobs up and down while she focusses on Catra's eyes on her as she pleasures her magicat.

Catra's breathing gets faster and heavier and then Adora feels the magicat's hand back on her head again, holding it place so she can fuck Adora's mouth at the speed she needs.

“Mmphf!” Adora grounds both hands down so she doesn’t fall forwards as Catra pounds her face with her cock, doing her best to breathe through her nose, “MMM!”

“I’m nearly there…” Catra groans out desperately, “…fuck…”

“Mmphf! MMM…” Adora moans again as she shuts her eyes to try to concentrate on her breathing.

“I’m… I’m… FUCK!” Catra tries to pull her cock out of Adora’s mouth but it’s too late and ropes of her cum splash against the blonde’s throat, Adora pulls herself back but the magicat can’t help hitting the blonde’s face as well as she finally falls back on the bed, spent.

Adora coughs out the cum as she wipes her face on Catra’s bedsheets.

“Shit! Sorry Adora!” Catra quickly leaps up and cups the blonde’s face, “Are you okay?! I didn’t mean to… fuck…”

“Catra…” Adora coughs again, “I’m fine.”

“Are you sure?! Fuck… I was trying to pull out and then…” Catra starts to panic and Adora leans in, pressing her lips against the magicat’s into a messy kiss.

“It’s okay, Catra.” Adora assures, “I’m fine. Just a little surprised.”

Catra kisses Adora again, cum and all and when they pull apart, she breathes out, “I love you.”

“I love you too.” Adora smiles back at the magicat and then scrunches her nose up, “I think we need to clean ourselves up.”

“Right.” Catra agrees as she pulls Adora up and off the bed and then leans in again for another kiss, “We’ll get cleaned up, but I’m not done with you yet.”

Catra spoons Adora from behind, purring happily as they lay naked next to each other in bed.

“Hey.” Adora whispers into Catra’s arm.

“Hm?” Catra replies rubbing her face on Adora’s shoulder.

“Are we staying the night here? Or…?” Adora starts to say and Catra chuckles.

“No. We can. But I think I’d prefer to sleep in my own proper bed that doesn’t have an after smell of takeout.” Catra laughs, “I’m thinking… we continue at my place?”

“But I’m so comfortable right now.” Adora whines playfully and even pouts despite Catra not being able to see it and then sighs out, “Okay. I’m going to have to go commando since you ruined my underwear.”

“Small price to pay in my opinion.” Catra shrugs and then adds, “Overrated it is.”

“What is?”

“Underwear.”

“Stars…” Catra laughs out and Adora smiles, “Okay, lets get going. I don’t want Jeeves to finish too late tonight.”

“Fine.” Catra groans out light heartedly, happy that Adora’s cares about Jeeves’ work schedule as they both reluctantly get out of bed.

“Thanks Jeeves.” Catra says to her driver as Adora wraps the magicat up in her arms from behind, clearly still very much riled up, “Uh, take the day off tomorrow. There’s a good chance I won’t be needed a lift.”

“Yes, sir.” Jeeves nods with a knowing smile, “Have a good night, sir.”

“Oh, and Jeeves?” Catra adds, “Enjoy the day off and don’t worry, I’ll pay you for it.”

“Of course, sir.” Jeeves nods again, “Is that all?”

“Yes. Now get the fuck out of here so I can fuck Adora.” Catra says with a grin as Adora makes an indignant noise at the magicat’s crassness making Catra laugh as Jeeves gives her the finger before it switches to a thumbs up, “Drive safe, Jeeves.”

“Be safe, sir.” Jeeves replies before finally pulling back out and onto the road to go home.

Catra turns around to Adora’s flustered state, “What?”

Adora faux glares at the magicat, “I can’t believe you said that.”

“Why not? She already knows we’re going to fuck.” Catra raises and eyebrow before grabbing Adora’s hand and pulling her towards her front door, “We better go in before I decide to fuck you right here.”

Adora lets herself be tugged forward and inside.

“Oh fuck…” Adora moans as Catra tears off all her clothes, the blonde shoves the magicat back to inspect the damage, “Catra! I liked those clothes!”

“I didn’t.” Catra disagrees with a growl, “You’re wearing too much and they were in the way.”

As revenge, Adora rips Catra’s shirt open and smirks at the magicat, “Guess we’re kind of even.”

“Not even close.” Catra grins as she slashes through her pants and steps out of them, before pulling Adora into her for a passionate kiss, “Mm… stay.”

“What…?” Adora starts to say as Catra drops to her knees and spreads Adora’s legs apart, “Catra-ah!” she screams out when Catra’s tongue licks her slit up and down as the blonde’s legs give and she can’t help but sit on the magicat’s face, unable to get her footing as Catra holds her in place and fucks her with her tongue.

Adora’s breath quickens and she starts to pant out as she feels Catra’s tongue plunge into her and then, “Fuck! Woah!”

Catra picks her up, standing to full height, tongue still inside the blonde as Adora holds onto Catra’s head so she doesn’t fall, “Mm…” the magicat grin as she licks the blonde faster, targeting Adora’s clit while making sure Adora doesn’t fall.

“Shit! Shit! Fuck! Mmm…” Adora moans out as her fingers tighten in Catra’s hair and her body completely under Catra’s control, “Fuck… FUCK!”

Adora comes hard as Catra continues to tongue fuck her, the blonde’s moans turned to a high pitch squeal as her body starts to shake and tremble in Catra’s grip, the magicat looks up and sees Adora’s eyes rolled back as she starts to lean backwards with her mouth open and teeth gritted together.

“Oh… Hng!” Adora tries to buck herself off Catra’s mouth and the magicat allows it but doesn’t let the blonde down, instead just pulling back and watching Adora’s twitch around nothing as she tries to shut her legs, “Fuck… oh my stars…” she pants out repeatedly before she finally opens her eyes and looks at Catra’s, a smile forming at their current position as she giggles, “Can I come down now?”

“I don’t know, can you?” Catra asks right back with a sly grin.

“I… I don’t’ want to fall.” Adora says as she holds onto Catra’s neck.

“I’ve got an idea.” Catra says.

“Hm?”

“Suck me off while I eat you out standing up.” Catra suggests and Adora has to think about the mechanics of that.

“Uh…”

Catra smirks at the blonde before flipping Adora upside down and holding her by the waist, the blonde instinctively wraps her legs around Catra’s neck, “Hey!”

Catra doesn’t respond, happily plunging back into Adora’s pussy for a second time as Adora moans out loud, the magicat pauses and looks down, “Princess.”

“Mm… huh?” Adora breathes out heavily.

“I think you’re forgetting your part in this.” Catra says amusedly, “Now… suck me my cock, princess.”

“Oh…” Adora opens her eyes and sees Catra’s erection in front of her face, “Right… sorry…”

“Don’t be sorry, princess.” Catra growls as bucks her hips a little until Adora gets the message and takes the magicat’s cock into her mouth, her own hands on Catra’s legs for purchase as Catra returns to eating Adora out again.

“Mmphf!” Adora grunts as Catra decides to thrust her cock in and out of Adora’s mouth until the blonde has to pull back to breathe, “F-fuck…” she coughs a few times as Catra stops in concern.

“Too much?” Catra asks a little guiltily.

“No… just… not used to it yet.” Adora manages to get out before wrapping her lips around the magicat’s cock again, “Mmphf!”

Catra lets Adora take control of sucking her off this time, doing her best to concentrate on getting Adora to another orgasm as she licks and sucks at Adora's clit, her own orgasm not too far away as she growls out under her breath to hold on.

"OH FUCK!" Adora breaks first, pulling herself off Catra's cock once more as her fingers claw into the magicat's legs as she comes again, Catra gently lays the blonde on the bed as she presses soft kisses onto Adora's inner thighs until she comes down again, "Fuck… stop… I can't…"

"Okay." Catra whispers as she pulls back completely and then turns around so she can look at Adora's face the right way around, "Fuck… I love watching and feeling you come, princess."

The blonde squeezes her thighs together as she moans again while Catra presses sloppy kisses across her neck and breasts. Adora finally comes down, pulling Catra up for a proper kiss, "Mm… you're so amazing."

"You are too." Catra replies with another kiss.

Adora looks down guiltily at Catra's cock, "I've come twice already, and you haven't even come once."

"It's fine, Adora." Catra replies running her hand across Adora's stomach.

"No." Adora says, "Put it on and fuck me."

Catra grins, "No, you put it on so I can fuck you."

"Fine. Go get it then." Adora orders with a determined look on her face.

"Whatever you want, Adora." Catra replies as she leans in for another kiss, before getting off the bed and getting a condom and coming back, she holds it out to Adora, "Here you go."

“Thank you.” Adora says still laying down on the bed, “Let me just… mmm…”

Catra preens at the fact Adora’s body is still tingling and somewhat overstimulated, “Are you sure you don’t need a little more time?”

“No.” Adora pushes herself up, her eyes fluttering a little as the scoots all the way to the end of the end of the bed, unwrapping the condom and then wrapping her fingers around Catra’s cock teasingly, “Mmm…”

Catra grins down, thrusting her cock in and out of Adora’s hand as she watches the blonde wrap her lips around it once more, “Fuck, Adora…”

The blonde’s blue eyes stare back at Catra with intensity as she bobs her head faster and faster, and just as Catra’s eyes shut, she pulls herself off, making the magicat growl out, she looks up at Catra innocently, “What’s wrong?”

“You know what…” Catra growls again.

“I have no idea what you’re talking about.” Adora giggles and then rolls the condom down over Catra’s cock and looks up, “How’s that?”

“It’s good.” Catra replies and Adora nods, before yelping when Catra pushes her back onto her back, lining herself up with Adora’s entrance, “Are you ready?”

“Fuck yes.” Adora breathes out as she spreads her legs wider for the magicat, “Please…”

Catra doesn’t need to be told twice as she slowly slides her cock inside Adora, the blonde hissing out as the magicat bottoms out and pauses for a moment at the sensation, “Oh… fuck… you feel so good, princess…”

“Mmhm…” Adora hums out as she pulls Catra down for a kiss.

The magicat returns the kiss, bucking her hips and thrusting in and out of Adora slowly as the blonde tries her best to kiss back, but it's a losing battle, "You like that, princess?"

"Fuck… mmhm!" Adora pants into Catra's mouth as she chases the magicat lips, "Stars… oh, oh…"

Catra increases her speed, now pounding full force into the blonde as she chases her own high as Adora moans and writhes underneath, "Fuck… oh… oh…" she wraps her legs around Catra's back only for the magicat to pry them open with her arms, "What…?"

"Keep your legs open, princess." Catra grunts out as she goes deeper inside Adora as the blonde's eyes roll back and her hands start to claw at Catra's back, "Fuck, I love you, Adora."

"I… oh my stars!" Adora moans out, "I love you too!'

"I'm coming… I'm coming…" Catra starts to repeat as her thrusts get faster and more erratic, her breathing becoming heavier as she feels Adora's walls fluttering around her, she looks down at the blonde who's got her head thrown back, fingers digging painfully into the magicat's back as she grits with teeth with her eyes squeezes shut.

"Fuck… oh, oh, oh…" Adora repeats as she feels another orgasm on the cusp of sending her over the edge, but this one seems different as her eyes open and she feels a warm white glow surround them. Her eyes widen as Catra's own features intensify, "Fuck! Fuck! Fuck!"

Catra growls out, more animalistic than she's ever growled before as she leans forward and sinks her teeth into Adora's neck, just above the shoulder as she finally comes.

The warm white gets brighter, blinding both of them as Adora's mouth attaches onto Catra's furry neck as she screams in orgasm biting down into Catra.

Adora's body begins to relax when she feels Catra's movement come to a stop, her cock still buried inside of her as the blonde's walls flutter and squeeze what it can left form the magicat's dick.

Catra comes to first, slowly detaching herself from Adora's neck, noticing the blonde's mouth still attached to her as she smiles, licking at the wound and purring up a storm.

Adora's eyes open and she realises she's bitten into Catra neck, she inspects how bad it is before pressing a kiss back over it and slumps back down and that's when she notices the magicat staring at her, the blonde looks right back and her own eyes widen at the site of Catra before she realises that the magicat is still inside her.

Catra looks down between them, her erection hasn't gone away, in fact she's still hard seeing the sight of Adora under her, "I think that did it…"

"Huh?" Adora tries to move but whimpers when she feels Catra's cock twitch inside of her, "Oh.. fuck… how are you still hard?"

"Have you seen yourself, princess?" Catra tilts her head with a grin.

"Have you seen you?" Adora asks right back, the pair of them seem to have gotten a lot taller and bigger, filling out the bed more than before, "You're huge…" The magicat's features are all accentuated, her hands and ears bigger as are her teeth. Her fur is now longer making her look almost feral.

"Thanks." Catra looks down at her cock still inside of Adora, "You're not so bad yourself."

Adora looks over and sees her reflection in the mirror and she gasps, "What… what happened to me?"

"We're mated." Catra grin kissing Adora's lips, "And by the looks of it, you're a fucking amazon."

Adora's blonde hair is longer and her muscles are more bulgy, she flexes a little and her bicep practically pops, she smirks with an idea, "On your back, kitten."

She flips Catra over, her cock still deep inside the blonde as Adora takes control.

"Fuck… you're so sexy." Catra admires the blonde riding her as she plays with Adora's breasts, "Ride me, princess."

"Mm… fuck…" Adora leans forward, bouncing herself up and down on Catra's cock faster and faster, "Fuck… Catra…"

The magicat grins, her impatience evident as she holds Adora's hips in place, planting her feet down on the bed and starts to thrust upwards into the blonde, "Fuck… you feel so amazing…"

"Fuck! Oh, stars… fuck!" Adora moans out as Catra hits the right spots as she pounds the blonde and then Adora yelps as she feels Catra's thumb rubbing her clit, "Oh fuck! FUCK!"

"Right there?" Adora nods vigorously, "Good?"

"Fuck yes!"

Catra can't even grin as her second orgasm crashes into her hard, thrusting forward hard enough for Adora to collapse into another orgasm on top of the magicat, pushing Catra's cock out as she pants for air as they both lie spent on the bed. Catra wraps her arms around Adora, pulling the blonde into her body protectively and then closes her eyes.

Adora's eyes open to Catra's heterochromatic ones staring back at her amusedly, her magicat now back to her smaller form as she hides her face shyly behind her hands under Catra's attentive eyes, "Are you watching me sleep?"

"Yes."

“Why?”

“Because… you’re my mate now.” Catra replies pulling Adora’s hands away from her face.

“I am?”

“Yes. Our changes confirmed it when we were in the moment.” Catra confirms, “You’re my mate.”

“And… you’re my mate too?” Adora asks playfully, pressing a kiss to Catra’s nose, “Mine?”

Catra nods in confirmation, rasping out a tired, “Yours.” She scrunches her nose up a little after the kiss Adora had planted on her nose before a predatory look takes over and she pounces on Adora, pressing her lips on the blonde more intensely and when she pulls back, she growls out happily, “Mine!”

Chapter End Notes

and... they continue to 'mate' the next day, Adora calling into work for the day off.
Glimmer already well aware of the situation and had it covered.
And Jeeves had a great paid day off!

I'm sure there's bits from other fics I've read, so props to them writers of those fics that I've read and got the ideas stuck in my head.
I'd tag them but I've read a lot of fics late at night and on the road for work... so my memory is kind of shot.
But thanks for the ideas!

This honestly wasn't even supposed to be more than a chapter long... but here we are.

Thanks for reading, commenting, subscribing, bookmarking and kudos.

Now to go back the other unfinished fics still on my list...
