Not-So-Secret Love

by NeurodivergentCatra

Summary

AU - Even though they are on opposite sides of the war, Catra and Adora's bond only grows stronger, culminating in a steamy night that ends in outbursts of feelings.

Notes

“Heyy, Adora.” Catra purred, sitting on the windowsill of Adora’s bedroom. The moon lit her headpiece and her eyes seemed to glow.

“Catra.” Adora growled, reaching for her sword. They locked eyes silently and intensely for about 30 seconds before breaking into a quiet laughter. Catra walked over to the bed, and Adora stood up to meet her. Adora tossed the sword behind the bed and rested her arms around Catra’s lower back. They shared a kiss before any other words were spoken. “You're gonna get me in trouble, you know.” Adora teased.

“It'd sure be easier to win the war that way.” Catra joked. Adora scoffed dramatically before leaning in to kiss Catra again. Everything felt right when her tongue was touching Catra’s. Catra’s hands wandered towards the bottom of Adora’s shirt and began to lift it. Adora responded by reaching for the zipper of Catra’s outfit. Within 60 seconds they were both in their underwear. Catra wrapped her arms around Adora’s neck and was swiftly picked up by the thighs. “You’re such a showoff.” Catra whispered between breaths.

“And you fucking love it.” Adora replied. Adora then laid Catra on the bed. She laid down next to her and Catra immediately moved to start leaving hickeys all over Adora’s chest and shoulders, while Adora played with Catra’s mane. Adora found herself wishing she and Catra didn’t have to keep so quiet. Catra’s fur felt so soft as it brushed against Adora’s skin.

Then, Catra tugged at Adora’s panties. “You sure?” she asked. Catra nodded in reply. The undies were then immediately

removed, and Catra positioned herself above Adora's crotch. She slowly slid down Adora's cock and they both shuddered as they struggled not to make any sounds. Catra's tail wrapped around one of Adora's ankles as she grinded against Adora's crotch. Then, Adora's face turned toward a devious smile. She got off the bed, and laid Catra on her back. She found it much easier in this position to thrust her member into Catra's cunt. The bed creaked with each thrust. Catra was purring so loudly, but neither of them really cared right now. They were having far too much fun. A small, muffled whine escaped from Catra, slipping through the hand Catra had placed over her own mouth. Adora was nearly panting too. "Catra, I'm close." Adora moaned as quietly as she possibly could. To her surprise, Catra wrapped her legs around Adora's waist and pulled her in. They both let out moans as they came. Adora slowly pulled out, and fluids leaked onto the bedding out of Catra. Then, they blushed as they realized how loud they had just been. Adora hurriedly looked for a shirt and put it on, and slipped some underwear on to cover up her dick. Sure enough, there was a knock at the door. Adora motioned for Catra to hide against the wall next to the door. As soon as Catra was in place, with her back to the wall, Adora used one hand to cover Catra's mouth and the other to open the door. Catra glared at Adora in protest.

"Hey, Adora. Everything okay in here? Heard something weird from down the hall." Bow asked. From his tone and the blank expression in his eyes, Adora realized he actually had no idea. Poor oblivious Bow.

"I didn't hear anything." Adora stated. Catra gripped the wrist of the hand Adora had over her mouth.

"Weird." Bow replied. "You want to come help me look?"

“I, uh, feel kind of sleepy, actually. Maybe some of the guards are available? Unless y’all find a She-Ra worthy problem, I think I’m gonna rest up.”

“Sure thing!” Bow replied, as the door was slammed in his face. Adora hadn’t meant to slam it, but Catra had dug her claws into Adora’s hand and Adora had to hide her reaction somehow. With the door closed, Adora immediately glared at Catra, who had the widest grin on her face.

“I bet you *are* tired, after all that. My legs feel pretty weak, dunno if I can make it back to the Fright Zone” Catra teased.

“You are more than welcome to betray the Horde, and stay here, you know. Then I wouldn’t have to hide you, my love.” Adora fired back. Catra’s eyes widened and her fur stood up. Then Adora realized what she had said. That was the first time either of them had ever actually said the word love, and it had just kind of slipped out. Adora knew that with Catra’s issues she might’ve made a run for it, so Adora stepped closer and grabbed Catra’s shoulders. “I want you to know, I mean it. I love you. I have always loved you. Since we were kids running around the Fright Zone.”

“What if they hate me? I am only the second-in-command of the fucking Horde. What if Hordak sends people to find me and kill me?” Catra asked frantically (and loudly, given that they were no longer whispering).

“I’ll protect you, like always. Like when I killed Shadow Weaver after I found out what she did to you because I left the Horde. If anyone comes for you, I’ll be there. I *promise* !”

“That… that was you?” Catra asked. “You killed her, for me?”

“Catra, I want this to come off as lovingly as possible but DUH! Did you think she just ran away? Of course I would kill to keep you safe. I would do *anything* for you. Please, stay?” Adora shouted.

“I love you too, Adora, but how can you be so sure?” Catra asked. Just then, there was a knock at the door, again.

“Put some fucking clothes on, because I’d like to add to this conversation.” Glimmer shouted. Adora put pants on and Catra put her leotard back on.

“Come in, Sparkles.” Catra yelled. Glimmer teleported into the room dragging Bow with her.

“First of all, y’all could never keep a secret if your lives depended on it. I will never understand how this one didn’t know.” She stated, gesturing towards Bow. He opened his mouth to respond but she continued before he could. “Secondly, its *my* fucking castle, and I say who gets to stay here. You will be welcome here. If anyone says otherwise, they will have to deal with the Queen’s fury. K?”

Catra began to cry. “You don’t hate me?”

“No, we don’t. Nobody is perfect, especially people raised by Shadow Weaver.” Glimmer replied, giving Adora a smug look to add to the implication that both of the people in front of her were idiots. She took a deep breath before adding, “As angry as I was when my mom died, I’ve come to terms with the fact that it was her choice to sacrifice herself for the world, and that isn’t on you.”

Adora stepped in front of Catra’s vision and leaned close. “Stay?”

“Sounds like I don’t really have a choice. Queen’s orders.” Catra replied.

“Alright now I’m going back to bed. Try not to wake up the whole castle next time!” She shouted, before disappearing with Bow.

“I bet you set that up on purpose, you dick.” Catra whispered into Adora’s ear.

“No, but I’m glad it happened because you’re here to stay.” Adora replied. “But speaking of dick, you wanna go for round 2?”

Catra groaned sarcastically. “You horny bastard.” She teased. She chuckled, then added her response. “Of course.”

End Notes

I plan to write a prequel talking about how Adora kills Shadow Weaver and Catra and Adora's relationship before they start having sex. I also plan to write a story about where their relationship goes after this (and Catra has kittens)
