Stuck Inside

by dr4cul

Summary

Adora and Catra have been weird around each other since their last turbulent encounter. Now, Catra is trying to be a better person, friend, whatever, but Adora isn't giving her much attention. They're stuck inside their apartment because of lockdown, though, so soon enough they'll have to talk about their feelings and their relationship. Will Adora break up with her girlfriend and decide to stay with Catra?

Notes

Hey! You don't have to read the first part of this AU to understand this one, but if you want to, it's called Bound Together, you guys can find it on my profile.

See the end of the work for more notes

Adora barely left her room since lockdown started. Her online classes had already began, and Catra would only see her roommate when she needed to eat or go to the bathroom. Catra knew she had to give Adora some space, but she couldn't help but feel rejected. One day, when she caught Adora coming out of a shower, she asked:
"How are your classes going? Are you liking them?"
To what Adora simply responded:
"Yup, they're alright", and entered her room, locking the door.
This is all your fault, Catra thought. If you hadn't been such a bad human being!
Every night before bed, Catra would dream about the moments they shared together the week before. Their fight, the sex, the way Adora looked horrified as she realized she was stuck with Catra for at least a few more weeks. Catra was always horrified to be stuck with herself, to be honest. And now she had completely blown things with Adora.
It was about 6 p.m. when the blonde girl appeared in the kitchen. She looked tired, her hair in a very messy top knot, and she didn't say a word to Catra.
"Are you okay?", the brunette asked.
"Yeah, just hungry."
"Wanna watch a movie? There's this new Netflix one that people on Twitter are talking about, I think it might be fun."
Adora didn't bother looking at her.
"I don't think I've ever seen you eating Cup Noodles", Catra commented.
"I'm feeling lazy to cook something healthy, okay?", Adora sounded annoyed.
"The movie, though…"
"I have to study. Sorry, Catra."
With that, she left the kitchen. Catra gulped down tears.

***

It was physically impossible for Adora to finish that disgusting Cup Noodles. She had never eaten so poorly in her entire life like she had been for the past week. She was simply mortified. What she

had allowed herself to do was against all her values. Cheating on her girlfriend? For the love of God! She wanted to blame Catra so badly, but she knew this was entirely on her. She had free will, after all. Catra hadn't put a gun to her head and made Adora sleep with her. Adora wanted to sleep with her. And, while they were doing it, she had not even remembered Huntara. That's why she had to do this now. That's why she was facetiming her girlfriend out of nowhere in the middle of the night. She couldn't live with that guilt… not anymore.

***

Catra stared at the TV for hours. She tried to pick something to watch, but she couldn't concentrate. If everything went according to plan, she'd be back to work in two weeks and at least she would be distracted. She worked as a veterinarian in a local clinic, and her dream was to open her own vet clinic only for cats. She loved cats and always wanted to adopt one, but Adora was a bit allergic.
Maybe she should just go to sleep, then. There was nothing better to do.
That's when Adora left her room and stared down at Catra for a few seconds before saying:
"We have to talk."
Catra's heart swirled in a painful way.
"Okay…"
Adora sat on the couch, but far from Catra.
"I was talking to Huntara just now."
"Oh."
"Yeah. Oh. I told her everything."
Catra widened her eyes in surprise.
"Everything?"
"Yes. Everything."
Adora couldn't look at her roommate, so she just kept her head down.
"I'm sorry I put you in this position", Catra said.
"It's not your fault. It's mine. I put myself in this position, so I had to deal with the consequences."
"Did you guys break up?"

Adora didn't answer.
"Well, I'm sorry anyways", Catra continued after a while of silence.
"I need a moment. You understand, don't you?", Adora asked.
Catra nodded slowly. She did understand, but she also felt so, so sad.
Adora finally looked at her. She offered Catra a faint smile.
"What about that movie, huh?"
Catra wasn't expecting that, but she smiled back.
"Oh, it's this one", she turned on the TV again.
"It does seem fun. Let's watch it?", Adora suggested.
Catra's heart stopped jumping like crazy. Instead, it spread a weird kind of warmth all over her body.
"Sure."
They watched the movie in complete silence, enjoying each other's company for the first time in over a week.

***

Adora and Catra had slowly started acting normal with each other. They'd watch TV shows together at night, cook together, but they never talked about their relationship or Adora's breakup. It was too soon. Adora didn't seem so devasted anymore, and Catra would hear her friend laugh with Glimmer and Bow in Zoom calls sometimes. They liked playing online games together.
With no gyms opened, Adora started working out in the living room with some stuff she had ordered online, and Catra joined her every day. Well, Catra was more of a yoga girl, but it was nice to exercise in each other's company.
One night, a few days later, Adora kissed Catra's cheek goodnight before going to bed. The brunette blushed all over. It was a different kind of excitement—she didn't feel like jumping in Adora's lap and having intense sex. No, it was more like… well, it was softer, let's say. In a "let's hold hands and cuddle" way. It was so out of character for Catra, that she almost felt a little ashamed of such feelings, but it was nice. Much nicer than everything she had ever felt before. She didn't have nightmares that night.

***

Catra is different, Adora thought. It was becoming actually comfortable to be in her company, to be next to her, and Adora would sit a little closer on the couch every time they'd watch something together. They had already finished The Haunting of Hill House, and now they were watching the last episode of The Haunting of Bly Manor. Adora wasn't a big fan of horror, but Catra had convinced her. She ended up really enjoying these shows. When the credits came up, tears were running down her cheeks. She looked at Catra and laughed as she noticed the brunette was ugly crying.
"Why the fuck did it end like this!", Catra exclaimed, sobbing.
"Oh my God, I haven't seen you cry like this since… I don't know. Maybe high school?", Adora said, clearly having fun.
"I fucking hate sad gay shit", Catra mumbled.
Adora giggled.
"Remember when you couldn't even say the word gay?", she asked.
Catra blushed.
"It took me a while to accept it, okay?"
"Yeah, I know…"
Adora had been extremely patient with Catra's confusing behavior because she knew her friend was having a bad time before their tutor died. It took Adora some time to figure herself out too, but Catra had been in a deep state of denial—even though they shared hidden kisses every night during their last year of high school.
"Well," Adora said, standing up. "I still need to finish writing a paper for tomorrow, so… Goodnight."
Catra always felt sort of sad when Adora had to go.
"Yeah, sure. Goodnight", the brunette responded, also standing up.
Adora kissed Catra's cheek once again. It was a longer kiss, though. Catra turned her head automatically, and their lips softly brushed against each other. Adora froze.
"I'm sorry", Catra mumbled.
Was she really sorry they almost kissed or was she sorry about… well, everything?
"It's fine, I…", Adora took a step back. "Hm, I'm going to my

bedroom… I have to wake up early… and I still have…"
"A paper for tomorrow", Catra finished.
Adora nodded and went inside her room in a hurry.
Tears fought their way up Catra's throat, but she swallowed them down.

***

The next day, Catra received a call from her boss. An old client needed to vaccinate her new kittens and Catra had a stash of vaccines in her apartment. Also, whenever they had a client with cats, Catra was the one to receive them. After the call, she knocked on Adora's door.
"Hey, I'll have a client come over in a few hours today, is that okay? We'll be wearing masks and taking all precautions, of course, but her kittens need their vaccines."
Adora took off her headphones and smiled at Catra.
"Yeah, sure. It's your job."
Adora's bright smile made the brunette smile back. Their gaze lingered against each other. Why is she so beautiful, Adora thought. Maybe her life wouldn't be such a mess if Catra wasn't so attractive. She had feline-like features and thick wavy hair—every movement of hers was done with grace, like she was floating. Adora loved that.
"Thanks", Catra said, closing the door.
At 5 p.m the client showed up. Adora observed Catra's silly behavior around the kittens, she clearly loved them so much. It was like there were no more darkness inside of her, she was only light, showing a bubbly and cheerful personality that Adora didn't really know yet. The way she cared about those small and defenseless creatures was really endearing. The kittens seemed to love her just as much, and Catra looked sad when they left.
"We should adopt one", Adora suggested.
Catra's eyes shimmered.
"But you're allergic."
"I mean, maybe it shouldn't go inside my room, but… I think I can handle that."
"Why are you saying this now? You've never wanted pets."
"I guess I just love who you become when they're around."

Catra looked confused.
“What do you mean?”
“Come on… You seem so happy. You were born to take care of cats! You don’t act so… well… intense… You lighten up.”
The brunette felt like crying for some reason.
“Are you upset?”, Adora questioned, realizing Catra’s expression was darkening.
“No, I’m… I need to take a shower, I’m…”, she didn’t finish. Catra didn’t understand what she was feeling.
“Alright. I’ll wait for you.”

***

Adora was laying on the couch, scrolling through Instagram when Catra left the bathroom. Her hair was dripping wet, a towel wrapping her lean body, and she said:
“You’ve been nice to me lately. I don’t deserve it.”
“What’s this about?”, Adora put her phone to the side.
Catra sat beside the blonde girl.
“I kinda like when you’re mean”, she responded.
Adora frowned, confused.
“I’m not ever mean to you, Catra.”
“I guess a little bit of drama makes me feel alive”, the brunette whispered to herself, but Adora heard it.
“What are you trying to say?”, she asked, nervous.
“I can’t really figure out my feelings. I’ve always felt like you were mine, and I love you, but now that everything’s fine, I mean… I feel like I don’t deserve you”, Catra said. “As a friend, even. I don’t understand why you stayed.”
Adora cleared her throat.
“Lockdown started and…”
“No, not now. But… every time. You stayed every single time.”
Adora didn’t answer.
“Anyways. These are just some random shower thoughts. I’m gonna get changed”, Catra said while standing up, but Adora grabbed her wrist.
Her thumb slid across Catra’s soft dark skin, then their fingers

interlocked, and Adora pulled Catra into a tight hug. The towel dropped to the floor—it wasn't really secure in the first place since she had tiny breasts.
"Oh", she gasped.
Adora placed her hand on the back of Catra's neck, rolling a wet hair lock in her finger.
"You drive me fucking insane", she whispered breathily into the brunette's ear.
That low, sexy voice made her shiver.
"I love that you feel like I'm yours", Adora continued. "Because it's true."
Fuck, Catra thought. There's no going back now.
She jumped on Adora's lap, and the blonde grabbed her naked butt with force. Their lips collapsed, even their teeth banged against each other, but they didn't care. They grinded together whilst kissing passionately, and Catra put her hand inside Adora's shorts, sliding her quick fingers into finding her lover already soaking wet.
"You're so hot, Adora", she said.
Adora's grip was strong, but she let go to take off her own top while Catra rubbed her clit slowly. Next, she took off her shorts and pushed Catra against the sofa.
"Let me touch you", Catra pleaded, but Adora was ruthless.
Her intense pupils were all Catra could see in Adora's eyes.
They kissed again, and soon enough Adora had her hand teasing Catra's lower belly. She applied light pressure there and licked Catra's moist skin all the way down her torso. Adora kissed the brunette's pelvic bone, the tender skin behind her knees, and Catra was basically whimpering and shoving herself into Adora's face, going crazy with the buildup tension between her legs.
First, the blonde slithered her middle finger across Catra's heat, circling her entrance—then, she licked that finger and whispered: "I fucking love how you taste."
Catra's legs twitched just with the thought of Adora's mouth pleasing her.
"Fuck me, please", she said with a weak voice.
Adora didn't hesitate. She gave Catra's clit a long and intense lick, then started going up and down with her tongue. Catra moaned

loudly, pressing Adora's head against herself. Her pleasure echoed in her lover's blue eyes as Adora rubbed herself with two fingers. When she was way too close to cumming, the blonde stopped masturbating and focused on Catra. The little one was shaking and moaning loudly, curving her toes and pulling Adora's hair. That's when a finger was introduced, then a second, then a third one, just like Catra liked it.
"Adora!", Catra gasped while orgasming. She pushed Adora's face away, as her clit was so sensitive that any more stimulation was unbearable.
The blonde girl smiled and licked her lips.
"Why are you hiding? I'm not done with you."
"Just… a moment… oh, God", Catra tried to say. Her whole body was tingling with pleasure. "Sorry, I… Fuck. That was good. I almost thought I was gonna pee."
Adora's smile widened in a creepy way.
"Wait. Were you about to squirt?"
Catra finally opened her eyes and let her muscles relax.
"I never squirted before; I don't know. I'm just not ever gonna pee on you or anybody else."
"Squirting is not peeing."
"Okay, shut up", the brunette said, impatient.
Her head had stopped spinning, so she pulled Adora closer to her, and they kissed slowly for a long time. Adora's hip started moving in small circles, creating tension between both of their pelvis. Catra responded with her own movements, intertwining their legs. Soon, they were moaning again—Adora going hard against Catra, their pussies touching with a wet sound.
"If you cum again, I'll let you touch me", Adora said.
That was enough for Catra. She grabbed Adora's butt with both hands and reciprocated the intensity until she couldn't go any further, and all her nerves exploded again. Adora fell on top of Catra, tired and sweaty. They stayed like that for a hot minute, breathing together, heart to heart. When Catra had recovered, she kissed Adora's neck gently. Agile was always, she changed places with Adora, now over the blonde muscular woman, and she took time on her breasts, sucking, licking, grabbing, smacking. Adora let out low, sexy moans. Whilst still adoring one pink nipple, Catra

slid her hand down the strong abdomen, finding Adora's pussy. She circled around the clit, teased the entrance, and finally went full down on her. Those kinds of moments were rare and Catra wanted to enjoy it as much as she could.
Catra knew Adora liked it rough, so she already started in a fast pace, and not long after she had two fingers in. Adora moaned and closed her eyes, putting her hands on Catra's wet hair.
"You're such a good girl", Adora said.
Catra's hairs stood up with the praise. She fucking loved it, so she went full force and intensity, almost unable to breathe, feeling like her wrist was about to crack when Adora cried out loud and pressed Catra's mouth against her to ride her orgasm.
They both needed several minutes to recompose after that—the only noise was their uneven breathing.
"That was amazing", Adora finally said.
Catra smiled, lying next to the blonde, putting her head on Adora's chest.
"Yeah, that was."
"I missed you."
Catra's heart was so full that moment, that she allowed herself to fully relax and enjoy the moment.
"I missed you too. I love you, Adora."
"I love you too."
They fell asleep like that, on the couch, until Adora's alarm clock woke them up the next morning.

End Notes

Thanks for reading. I'm not sure if I'm gonna come back to this AU but I want to!
