We're What?!

by orphan_account

Summary

Catra is desperately in love with Adora and wants nothing more than to be with her. Adora thinks they're already together. They work things out.

Notes

I've never watched She-ra so sorry if the anyone's ooc lol, this is fo rmy friend Swan!! I hope you like it! Or at least laugh at it a little lol

As Catra goes about her day, she thinks of Adora. She thinks of her smile, her laugh, her small mannerisms that just make her so undoubtedly *her* . Every one of her movements and moments, to Catra, is swoon worthy. As she rolls out of bed to get ready every morning, she thinks of her. When she stares at herself while she brushes her teeth she imagines her coming up behind her and wrapping her hands around her waist, still drowsy having just woken up. As she cooks herself breakfast she imagines Adora thanking her, brushing their hands together before leaning into a soft kiss. All of this, however, is not Catra's reality. They don't live together and they *definitely* aren't dating, much to her great sorrow. As of now, they're just great gym buddies, getting together every afternoon at the gym down the street, just as they have been for years now.

The incessant beeping of Catra's alarm echoes through her quiet apartment, the sound aggressive and sharp. She groans, rolling over and stretching before reaching over to her nightstand to grab her phone, turning off the alarm. As she sits up, she looks around her room, at the way the afternoon sun hits the maroon painted walls, the way her ceiling fan spins slowly, creating a slight breeze.

'Man,' she thinks, *'I need to decorate more'* . With a disappointed sigh she stands, walking to her closet to get ready. As she changes into gym clothes her phone starts to buzz, Adora's name lighting up her screen. Catra smiles, picking up her phone and pressing 'answer'.

"Catra! Are we still good for the gym today?" Adora's chirpy voice rang through the phone's small speakers.

"Of course we're still good for the gym today, we always are," Catra paused for a moment, contemplating, "and besides, it's normally *you* that flakes at the last minute, remember?"

"Don't say that! You make me sound rude!" Catra laughed at the thought. She knew she'd never miss a moment to be with Adora

for the world; the few times she hadn't gone were completely because of Adora's poor planning skills.

As Adora rattled on about her day, Catra continued to get ready, focusing on the sweet sound of Adora's voice. She didn't focus on what she was saying, but rather how she was saying it, the way her voice moved with her emotions. She pondered how her voice would sound in other situations, perhaps how she would sound at a concert, the kind of scream-singing that never sounded good but was always so full of joy. An even more dangerous thought, how she would sound in bed, naked and squirming under Catra as she-

"Anyways Catra, I have a few friends in town right now, do you mind if they tag along with us to the gym?" Adora's request pulled Catra sharply out of her daydream.

"O-oh, of course Adora, I'd be happy to meet them!" Catra shook her head, waving away the last of *those* thoughts. She wanted to keep her one-on-one time with Adora simply that, just the two of them. However, as long as Adora was happy, so was she. With a quick 'Thank you so much!' from Adora, the two said their goodbyes.

Catra ran a hand through her thick hair, trying to ground herself. She knew she had to focus, there would be other people working out with them this time, she wouldn't get the chance to make flirty comments on the side or sneak glances at her ass. Sighing, Catra began to gather the last of her things before leaving her apartment, as ready as she could be to face Adora and her friends at the gym.

As she stepped out of her apartment, the warm summer air hit her face, making her grimace. The walk to the gym was short, sure, but the heat made the walk drag on. It did so almost in a way to mock her, dead set on making her gym experience today miserable. Seeing Adora was lovely, her favorite part of every day but having to share their already short time with others felt wrong.

With the gym in sight, Adora's figure comes into view, along with two others. The two new faces seemed quite familiar with each other, standing close to one another, laughing between themselves. As she approached, Adora's face lit up, her nose scrunching and a wide smile gracing her cheeks. It was almost enough to make her forget that they weren't alone, however, the squeal from beside Adora quickly made her remember that they very much were not.

"Oh my goodness, you must be Catra! We've heard so much about you, it's so great to meet you." A short purple haired girl exclaimed, bounding up to Catra, away from the rest of the group. The boy that was previously standing next to her reached out to keep her from closing the distance between them to no avail.

"Glimmer! Down girl, you're gonna scare her. Sorry Catra, they've heard a lot about you from me, they've just been so excited to meet you." Adora laughed, walking over to pull the shorter girl away. Glimmer, which was apparently the girl's name, nodded in agreement with Adora's statement. She seemed much calmer now.

"Anyways Catra, these are my friends Glimmer and Bow, they've been wanting to meet you for a while now!" That confused Catra, why had they wanted to meet her of all people? Sure, Adora might've told them about her but it shouldn't be so exciting to meet a gym buddy.

"Oh, it's all good Adora," Catra turned to the others, "It's great to meet you two!" Catra tried her best to not sound nervous. With greetings and formalities out of the way, the group headed inside. Following behind Adora, Catra didn't even make it halfway through the door of the gym before she realized just how totally and completely *fucked* she was. Adora was wearing her pink gym shorts, the ones that perfectly frame her ass and accentuate her thick thighs. With a warm blush rising to her cheeks, Catra took a

deep breath, resolving herself. It was just a single, one hour workout. How bad could it possibly be?

The answer to her question was ' *very, very bad, absolutely horrible even'.* Adora had the bright idea to hit legs, because of course she did. Bow and Glimmer didn't help, it seemed like they tried to do their absolute best to make Catra's attempts to be as normal as possible extremely difficult. Glimmer especially asked Catra what she thought of Adora's form, almost like she *knew* something. Eventually though, the hour came to a close and Catra silently celebrated to herself at the victory. Adora and Glimmer started to wipe down their machines, when all of a sudden Catra spotted Bow out of the corner of her eye.

"Hey, it was really great getting to meet you, Glimmer and I have been wanting to meet Adora's girlfriend for so long, we thought we'd never get the chance." At that moment, it felt like everything stopped. Bow thought her and Adora were together? What? Silence washed over the group as Catra tried her best to ease her haywire thoughts, unsuccessful.

"G-girlfriend? I'm sorry Bow, you've got it all wrong, we're just friends." Bow's eyes widened, shock washing over his face. Adora's head whipped around, eyes wide and mouth ajar.

"Catra, what do you mean we're not together, we've been together for months!"

"We've been *what* ?"

"Did you just forget all of a sudden? When I asked you if you wanted to be my partner a few months back?" And wasn't that news to Catra, there was no way on earth this was happening.

"Adora, I thought you meant *gym* partners, ya know, the way we've always been."

“You know, this seems like something you two need to work out, Glimmer and I are just gonna go.” Bow intervened, all but pushing Glimmer out of the door.

“Come with me Adora, this really shouldn’t be a conversation we have out in public.” Catra sighed, leading Adora back to her apartment.

_____

Opening the door to her apartment, Catra led Adora to her couch. She didn’t know if she was more excited or nervous for this conversation. The two sat down, the tension between them thick, enough to almost reach out to touch.

“So Adora, why didn’t you tell me we were together?” Catra said with a chuckle. She at least wanted to keep this lighthearted.

“I already said, I asked you to be my partner and you said yes, that means we’re together, right?” Catra remembered that moment, it was the first time they’d ever met outside of the gym. They went to a cafe on the other side of town, one of those places with expensive coffee but the coziest atmosphere. Adora has asked her out of the blue if she wanted to be her partner, but right before that they were talking about their gym schedules, so Catra had assumed Adora had wanted to be gym partners officially.

“So, now that you know what I meant by partner, would you, I don’t know, like to be my girlfriend for real now?” A few years down the road, Catra would swear she heard angels singing in that moment, like every good thing in the universe had aligned to bestow upon her this gift.

“Of course I would Adora, I’ve been basically in love with you for so long now!” Swiftly, Adora leaned across the couch to wrap Catra in a tight hug, her strong arms squeezing around Catra’s torso. Catra smiled, content in the moment.

A beat passes, Adora pulls away from the hug and in a moment of boldness, Catra pushes Adora onto her back, catching her lips in a deep kiss. Adora tried to lean up to return the kiss, but Catra caught her hands, pinning them above her head. Adora felt Catra's tongue slip between her lips, almost desperate in nature, exploring her mouth as if to mark its territory. It remained like this for a moment, Catra finally getting what she wanted.

Quickly though, the kisses became needy, the two girls obviously wanting more. Catra released Adora's hands, pulling away from her lips and moving to Adora's neck.

"Hey now, what are you- Ah-" Adora quickly shut her mouth as Catra latched hers onto her neck and *sucked* . Adora let out a squeak as Catra peppered kisses and hickeys across her neck. Slowly, however, Catra began making her way down Adora's body, trailing kisses further and further to her goal. Catra tugged at the hem of Adora's shirt, making stern eye contact.

"May I?"

"Please, Catra." At that confirmation, Catra slipped Adora's shirt over her head, tossing it to the floor. Under her shirt was a tight sports bra, which was also quickly discarded. Once Adora's breasts were fully exposed, Catra leaned down, lips meeting Adora's nipple. She sucked, eliciting a beautiful sound from Adora. Catra ran her hands down to grip Adora's ass, wanting to dominate every inch of her.

Needy now, Catra slipped those damned pink shorts off of Adora's toned legs, completely exposing her.

"So good for me, look at that pretty pussy, you're so wet already Adora. How long have you wanted this?" Adora almost moaned from Catra's words alone, trying her best to form coherent sentences.

"So long Catra, please, I can't wait any longer." At that, Catra got to work. She adjusted herself to be level with Adora's pussy

before licking a stripe from her cunt to her clit. She kissed her clit and began to eat her out, sucking on her clit and swallowing what she could. As she sucked, she brought a hand up and slipped two fingers into Adora's cunt, curling and pumping them in and out.

Adora thought this was how she was going to meet her end, not that she'd complain. Between Catra's words of praise and the quick pace her fingers and mouth set, she was starting to have a difficult time thinking. She ground her hips down, moaning and begging for more. She wrapped her thighs around Catra's head, keeping her in place.

At that, Catra added a third finger, dead set on drawing an orgasm out of Adora. She quickened her pace, sucking harder at her clit. Adora threw her head back suddenly, bucking her hips up into Catra's mouth.

"Please Catra, I'm gonna-" Adora came quickly, barely giving enough warning for Catra to swallow. She tasted sweet on her tongue, Catra's reward for being so patient. She pulled away from Adora's pussy, coming back up to catch Adora's lips in a deep kiss. Catra stood from the couch, picking Adora up and bringing her to her bed. She layed Adora down and ran a hand through her hair. She walked around and got in bed next to her, wrapping her arms around her *girlfriend* .

"Catra, you didn't even get to-"

"Hush, baby, we can deal with that later, I know we're both tired now. You did so good for me, such a good girl." With nothing else to say, Adora and Catra drifted off to sleep in each other's arms, finally together as they should be.
