When (You) Land on (Her) Lap

by queenmillicentofbystander

Summary

Takes place just after chapter 4 of my fic "Lips of an Angel" and it's exactly what it says on the tin - Catradora having sex on the couch. Again.

I'm not sure HOW difficult it would be to follow if you haven't read the source material, but that one has lots of sex too so might as well catch up!

Notes

Hello. So I'm not sure who I'm posting this for, but I wrote it. And I'm gonna share it.

I included the last several paragraphs of "Lips of an Angel" chapter 4 for context and overall flow.

This one is actually from Catra's POV, so we kind of get a look into her headspace through all of this. Warning, she's a little sad. And consequently this ended up being a lot more raw and vulnerable than I meant it to be. Can't just have a fun little romp in the living room anymore.

See the end of the work for more notes

Adora reaches out for her, wrapping an arm around her waist from behind and pulling her close.

She buries her head in Catra's shoulder and breathes in. The way Catra smells is singular - Adora has nothing to compare it to. But she could get high on it.

"Just so you know…" Catra whispers, placing her hands on top of Adora's, "I wore this shirt on purpose…"

Adora reluctantly lifts her head. "Why?"

Catra turns in her arms, then reaches her hands up to link behind Adora's neck. "I thought you might like fucking me in it."

The blood runs fast and furious to Adora's face. "Wh—why would I like that?"

The smirk on Catra's mouth grows to show a hint of teeth. "I mean, if you don't want to—"

Before Catra can reach down to lift the sweatshirt over her head Adora grabs both of her wrists. And the look Catra gives her is downright wicked.

Adora moves her hands, from cuffs around the wrist to interlocking fingers, and pulls Catra towards the couch.

"Safeword?" she breathes, like the moment is delicate and could be ruined by a loud noise.

Catra arches a brown. "Fumble."

Adora lowers herself to the couch. She pulls Catra to stand in front of her and untangles her fingers to rest her hands on Catra's thighs. "Good girl."

A small, sweet, aching noise escapes Catra's throat.

Adora smiles, then slips her hand up and under the hem of Catra's sweatshirt. She drags her fingers up, past the top of Catra's leggings, and rubs her thumb over Catra's ribs.

"Were you a good girl this afternoon?" Adora asks, moving her hands back down and wrapping her fingers around the waistband of the leggings.

Catra nods. "Yes."

Adora starts to pull them down, inch by inch. "Did you touch yourself?"

"No," Catra sighs, shaking her head. Her eyes keep fluttering shut, like just being touched by Adora is enough.

Adora's hands move around to Catra's backside and after a moment she pauses. "Catra… you're not wearing any underwear."

Catra bites her lip, but not in a seductive way. Though, her intention to seduce has little bearing on whether Adora is. "I um… I soaked through the pair I was wearing?"

Adora's breath catches. "Wait, really?"

Catra laughs quietly and drags her hands through Adora's hair, scratching gently at her scalp. "Yeah, really. I took off the ones—you know the ones—and put on some boring cotton shit. But they… did not make it."

"Huh."

Catra grimaces. "I didn't put more on 'cause, well… I thought easy access would be good if we couldn't wait."

Adora bites back a smile. She leans forward and lets her head rest on Catra's stomach.

Catra slowly pulls out the tie that holds back Adora's hair. She cards her fingers through the loose strands before resting her

palms just under Adora's jaw.

"Look at me?" she asks, quiet and hopeful.

Adora would never have even thought to deny her.

She looks up and Catra brushes the hair out of her eyes and strokes her cheek with her thumb.

"You okay?" she asks and Adora's heart throbs. She means it. After a decade engrossed in "Bright Moon" Adora's learned the tells. She knows when someone is feigning interest to garner good favor and when they mean it.

Catra means it.

I love you, Adora whispers in her mind. She knows she shouldn't, that she can't. But right now, as Catra cradles her face and she stares into sunshine and sea, Adora can't deny it.

And she's not scared.

She turns her head and places a kiss on Catra's wrist. "I am now."

Catra's smile grows and she bends down, placing a soft and tender kiss on Adora's mouth. "Good."

The kiss builds, like a flame moving from tinder to log, with gentle caresses and the brushing of tongues. But once the fire catches, it consumes.

Hurriedly, Adora pushes Catra's leggings down to the floor. Catra shivers. She loves the feeling of Adora's hands on her. She loves the rough calluses and the heat. She loves how wanted they make her feel.

Without having to be told, she steps out of her pants and kicks them aside. The moment they're gone Adora's hot hands are on her again, gripping her by the hips.

Catra sighs blissfully. Yes, this is what she needed. This is what she was hungry for.

Without ceremony or pretense Adora pulls Catra into her lap. She descends on Catra's neck the moment she's close enough, and Catra quietly gasps.

She reaches out and tangles both her hands in Adora's hair. Adora's soft, corn silk hair. Catra's not sure why she's so smitten with it, but it might be the way it falls to frame Adora's face.

One of Adora's hot hands moves from Catra's hip to just below her shoulder blade, and Catra can feel Adora's muffled gasp in their kiss.

Catra giggles. "Easy access, remember?"

Three things happen almost simultaneously. Adora groans, nips Catra's lip, and, after moving her other hand from Catra's hip to her ass, yanks her farther onto her lap.

Knees pressed into the back of her sofa, and legs spread wide, Catra whimpers.

Adora breaks away from her mouth and descends her neck, nipping and kissing the skin there with feverish care. And, almost without noticing, Catra rolls her hips.

When her core brushes the fabric of Adora's t-shirt she bites back a whine. She wasn't kidding when she said that she soaked through her panties. And she's definitely going to leave her slick on Adora's clothes.

"I have a bed, you know?" she says, but her grip on Adora's hair is firm, holding her to her neck.

Adora hums, pushing back against Catra's hold to lift her head and press a kiss just below Catra's jaw. "I want you here," she whispers. Her breath is hot against the shell of Catra's ear. "Now."

Adora’s thumb brushes over Catra’s bare nipple.

“Fuck, Adora…”

Adora just drags the tip of her nose down Catra’s jawline and hums again.

With a sort of frantic energy of someone starving, Catra reaches down to find the bottom of Adora’s t-shirt. She pulls it up with one hand, and with the other drags her nails over Adora’s toned, firm stomach.

“Off?”

Adora pulls back and blesses Catra with a grin. “You just want to manhandle my tits.”

Catra smirks and Adora’s own hands palms her chest.

“No,” Catra says, smiling as Adora pulls back and lifts her arms. “I’m not a man.”

Catra rips the shirt off Adora's body while Adora laughs. “That’s not—“

Before she can finish her sentence, she is gasping quietly as Catra drags her nails from her clavicle to her breast bone. She stops at the edge of the sports bra and lays her hand flat.

She locks eyes with Adora. Catra loves the color of Adora’s eyes. Like if iron rusted blue, and big, and bright. She loves how soft Adora’s skin is under her hand and the way her breath hitches when Catra flexes her fingers. She loves the way Adora’s big, bright, blue rusting eyes dart to her mouth.

But maybe she just loves—

Catra bites her lip and slips a hand under the tight spandex holding Adora’s chest. The tips of her fingers brush over Adora nipple, And the blonde lets out a shuddery sigh.

“Catra,” she whines quietly, her grip on Catra’s waist ironclad.

Catra leans into Adora, circling the nipple with the soft pad of her finger, and presses a soft kiss to her waiting mouth.

“You’re so pretty, Adora,” she breathes. “The prettiest thing I’ve ever seen.”

The way Adora’s hands squeeze Catra’s waist are enough to tell her all she needs to know. Adora likes this - likes being praised and pretty and adored. She may fuck Catra like a god and demand compliance and control, but she still wants to be worshipped.

Catra nips at Adora’s lower lip, and that breaks it. Adora surges forward, lips hard and hot against Catra’s. Her hands roam, one digging into the flesh of Catra’s ass, and the other grasping her tit.

Catra feels breathless, like she’ll drown in Adora’s kiss. It wouldn’t be a bad way to go. She hopes it’s on her tombstone - “Fucked to Death by Adora Grayskull.”

The thought makes her smile.

But Adora rolls Catra’s nipple, and the smile is wiped away by a quiet, desperate whine.

“Again,” Adora breathes against Catra’s mouth. Before Catra can tell Adora to ask nicely, she’s rolling her nipple, but this time she punctuates with a pinch.

Catra whines so pathetically her face flushes red.

Adora doesn’t seem to notice, and if she does, she can’t be bothered to say anything. And Catra’s grateful. There’s something about being with Adora that makes her feel raw and tender. She’s more sensitive to every touch and caress, every kiss and wanton whisper. She’s a live wire.

And Adora can never know.

Adora kisses the corner of Catra's mouth, the base of her cheek, the end of her jaw, and finally the hollow just below her ear.

"You make pretty noises, baby," she sighs, and the hot breath against her ear has Catra rolling her hips again.

"Daddy…" she mewls, gripping Adora's shoulders hard.

Adora shivers, and places another kiss on the side of Catra's head. "You look so good like this."

Catra chuckles, for one moment finding her footing. "You like the no pants look?"

Adora pulls back. She gives Catra a cheeky glare. "Maybe." Simultaneously she slaps Catra's ass and tweaks her nipple, causing the brunette to cry out and roll her hips once more.

She leans back in, her nose brushing over Catra's cheek. "I like you in my lap."

Catra grips Adora more desperately at that. She wants her close. She wants her close, always.

"I'll sit in your lap whenever you want me to, daddy."

Adora smiles and kisses Catra gently on the cheekbone. "You'd never sit anywhere else."

"I—" Catra stutters as Adora forcefully drags her blunted nails up and over the curve of Catra's thigh. "I don't want to."

Catra could spend hours like this, their hands roaming one another's bodies, hips lazily rolling, and mouths brushing and nipping and bruising. While meant to be a threat just that afternoon, Catra can't think of many things better than being edged by Adora all night long.

Well… maybe an earth shattering orgasm.

Adora's finger is drawing circles on the skin of Catra's inner thigh, and it takes so much strength for her to string a sentence together. But she does. Sort of.

"Ah—Adora…" she moans and Adora moves her hand from Catra's tit around to her back.

She pulls Catra closer and her fingers slide up her leg.

"Yes, baby?"

Catra purses her lips. She's sure her face is pink, if not red, and she feels embarrassed. A pretty blonde popstar pays attention to her and now she's a whining mess in her lap? All those years of building up walls for them to be taken down to rubble by sparkly eyes and a bright smile? Is she really that pathetic?

Not just any pretty blonde popstar though. *The* pretty blonde popstar. Adora *fucking* Grayskull. All she had to do was look at Catra, smile at her, maybe blush, and Catra was so far gone she couldn't think straight anymore.

Adora *fucking* Grayskull. The *World's* most wanted everything. Women, enbies, and men all over Etheria would kill to be Catra right now. Or… they'd kill to be Huntara. Adora's actual girlfriend.

The thought stings. If Huntara wasn't in Salineas, she'd be with Adora right now. They'd be fucking on a California King in a large, expensive house and Adora would come in Huntara's mouth, moaning her name.

Catra grips Adora's neck.

She wants her so badly it makes her sick. She wants Adora to be hers just as she knows she's Adora's. She—she—

"I need you," she finally whispers.

Adora kisses her gently and drags her middle finger through Catra's folds.

And it feels like a revelation. It feels like everything she ever wanted.

"You have me."

Catra almost sobs at the glorious lie.

"Touch me," she whines, all expectations of dignity gone.

Adora drags her finger through again, this time deeper, brushing Catra's clit. "'Please, touch me…?'"

Catra gasps. "D—ah—ddy! Please, touch me, daddy!"

With a sly smile on her face and a gentle kiss to Catra's nose, Adora starts to circle Catra's stiff, needy bud. "Good girl."

Catra moans, almost collapsing forward to rest her head on Adora's shoulder. She doesn't care if she's pathetic. She doesn't care if she's stupid, or morally bankrupt, or just plain sad. She'll be anything as long as it means being Adora's. Even for an hour.

"I missed you," she whispers, the words slipping out before she can even comprehend them.

She doesn't wait for Adora to respond. Which is good, since she doesn't. But Catra thinks she feels her swallow.

Adora's finger finally brushes Catra's entrance. She pauses a moment, circling the edge, before pushing in with a single finger. "Fuck," she breathes, like a secret. "Baby, you're so wet."

Catra nods into Adora's neck. "For you. You make me wet, daddy."

Adora shivers as Catra presses an open mouthed kiss to her neck. She presses further inside. "Good."

She drags her finger out, crooking it so as to rub against Catra's front wall.

Catra lifts her head with a quiet gasp and moves her hands into the hair at the base of Adora's neck. Their gazes lock and for a minute all Catra can see, all she can imagine ever seeing again, is the Adora's face.

Adora presses in with a second finger, and Catra moans.

"Can…" she starts, and she can feel the blood in her cheeks again. But she has to ask. She has to try. "Can I touch you?"

Adora's eyes widen a little and she swallows. "Do you want to?"

Only every second of every day for the rest of my goddamn life.

But she doesn't say that. She just nods.

For a moment Adora's fingers come to a halt. They feel good like this too, filling her. But her hips jerk impatiently.

A small smile lights Adora's face. Still, she searches Catra's.

Catra holds her tongue. Her instinct is to take it back, to pretend it was never said or that she doesn't care either way. But she does care. She wants to touch Adora. She wants to show her she lo– cares for her the way she never can with words. She wants to share this moment.

But maybe, maybe there's a small part of her that wants to prove something.

She can make Adora come. She can. And not just with her mouth the one time or because she looks good bent over. She can learn her body and how she wants to be touched. She can take care of her.

Adora bites her lip and gives a firm nod, gesturing towards her pants. "Touch me."

Catra smiles, wide and bright, and leans forward to give Adora a quick but firm kiss.

Or, that's what she intended it to be. But before she could pull away, Adora was grabbing her by the hair and holding her in place.

Fine by Catra, all she really needs are her hands.

With eyes closed, Catra reaches down between them, the tips of her fingers grazing Adora's abs, and feels for the drawstring of Adora's pants.

And Adora's fingers start moving again.

She moans into Adora's mouth and feels Adora's chuckle against her lips. "You're such a good girl."

Catra nods quickly, their lips coming unglued. Her breathing is heavy and Adora dives back in for another kiss. "Adora…" she sighs, untying the drawstring.

"So good," Adora whispers, and she moves her fingers just a little faster.

Catra bites back a whine. There's more force in Adora's thrusts now, and she's running out of time. She shoves her hands in Adora's pants, pulls back her boxers and quickly finds a stiff little clit waiting for her.

She wastes no time, and brushes it with her recently declawed fingers.

The sound Adora makes nearly has Catra coming.

"Adora!" she gasps, bending so as to get a better angle. The way she arches lifts her pussy. She worries for a second that means she'll lose the force of the thrusts that are pushing her closer and closer to the edge.

It doesn’t mean that. It means Adora has more room.

She thrusts harder and Catra almost sobs.

She’s rubbing Adora’s clit, rough and fast, and it is taking every ounce of free thought she has not to come.

“Adora—I’m—-“ she swallows, “I’m close.”

Adora’s lips are pursed and she throws her head back for just a second. “Fuck. Don’t stop, baby. Please don’t stop.”

Catra nods, overwhelmed by the compulsion to lean into Adora’s neck, and bite down ever so gently.

She can’t think of a reason not to. So, she does.

Adora groans so loud Catra’s heart beats out of time.

“You’re so tight, baby,” Adora says, breath shaky. “It’s like you’re sucking on my fingers.”

So close… so close…

“Harder,” Catra says, but she doesn’t wait. She starts to move her hips in time with Adora’s thrust. “Fuck,” she yelps. “Adora!”

There must be something in her voice that betrays something - the weak and scared part of her that is terrified by how absolutely lost she is in this feeling - because Adora’s fingers slow. “Hey, hey,” she kisses Catra on the jaw, and it’s so sweet it aches. “I got you, baby. I’m gonna take care of you.”

God, I love you.

Catra doesn’t stop the thought in its tracks. She doesn’t fight it. She just feels it.

She tangles her hands in Adora’s hair and kisses her hard.

With that confirmation, Adora picks up speed again, but when Catra tries to move in time with her, Adora grabs her by the waist with one hand and holds her in place. It's a surpassingly strong hold but Catra knows she could break it if she really wants to.

She doesn't want to. Being held by Adora, her thumb rubbing circles on the skin just below Catra's tit and her nails digging in, is just as arousing.

"Your girl."

Adora shifts her hold and clenches Catra's sweatshirt. "Who's girl?"

"Yours!" Catra cries, on the verge of what feels like release and tears.

Adora leans in, her mouth at Catra's ear and voice low. "Everytime you wear this shirt I want you to remember sitting in my lap, whining and begging for my fingers."

Catra lets out a short little gasp. "Yes!"

"Every time you touch yourself I want you to remember how it feels when I touch you."

"Yes!"

"Whose are you, baby?" Adora almost growls, her pace breakneck.

"Yours!" Catra is shaking. She can't—she needs—

"Mine."

And that does it.

The wave ripples through Catra's body, arching her back and leaving her completely breathless. She nearly screams Adora's name and then for a second everything is dark.

But that second ends, and when Catra reorients herself, she's collapsed in Adora's lap, head on the blonde's shoulder. She lifts her head a little, but then Adora's soft soothing voice meets her ears. "Shhh, you were so good, baby. I got you."

A soft smile takes over Catra's mouth and she turns into Adora's neck. "Wow," she whispers.

Adora laughs. "Yeah. Wow."

In about five minutes Catra is going to realize that in the throws of passion she abandoned Adora's "need," and they're going to get into an argument about it. Ultimately Catra will win and she'll get to make Adora come. Then Adora will make a comment about their proclivity for sex on couches, and Catra will lead them to her bed. They'll start to touch again, but it won't get past soft kisses and gentle hands. They'll fall asleep in one another's arms, and Catra will try not to cry when she wakes up in the middle of the night and Adora's still there.

She won't succeed. But she'll be quiet, and through the cracks in her heart, hope will leak out.
