I'd Say You Needed It

by Anonymous

Summary

The prisoner in Bright Moon keeps proving to be nothing but a thorn in everyone's side, even when she's confined to a single room.

Her greatest hits?

- Getting the Queen flared up with a single sentence
- Almost getting killed by the guards with two words
- Fucking the Head Sorceress

Wait, you forgot a word. It's "fucking up"

No, I did not forget anything.

Notes

So, I found this thing of "Wanksgiving" on Tumblr and couldn't help jumping in, even though I said I had no time lol

I'm writing it directly here as I go, so I don't even know how long it will be, but I doubt it'll be a drabble…

Also, I considered putting this on the anon collection too so it stays anonymous after the wanksgiving collection's anonymity is removed, BUT I don't think it'll be that bad XD

Also, with my particular way of writing, it'd be impossible to keep "anonymous" from the people who know me lol

Anyways, here's to some fucked up shit to read on thanksgiving in the USA XD
~~perhaps not fucked up enough tho, chc~~

See the end of the work for more notes

It was late that evening when the Head Sorceress of Mystacor went, yet again, to "interrogate" Shadow Weaver in Bright Moon.

Most times, the one being interrogated was her…

Ah, but she couldn't help it…

She so wanted to understand the woman! How could she be the same person that once belonged to the Sorcerers' Guild?

—Why do you care so much about *how* I went from being "Light Spinner" to "Shadow Weaver"?— the old woman asked, rolling her eyes. —If you will keep asking the same stupid questions, better save yourself the trip…

—Oh, so now *you* determine what you get asked!?

—I can always choose what to answer… And you have asked nothing worth answering, so this *is* a waste of time, wouldn't you say?— Shadow Weaver condescendingly replied.

—It is a waste of time because *you* make it a waste of time!— Castaspella exasperatedly retorted.

—Ah, someone is quite angry…

—As if that wasn't your intention!

—So everything is my fault now? No, no, you arrived here furious already— she chuckled.

—Why else would I be angry!?— the sorceress insisted, throwing her arms above her head.

—You really want to know?

—I am *asking*!

—Well, in my experience…— the woman began, smirking under her mask and leaning back on her couch. —…When someone is so worked up for *no reason*, it's because they haven't fucked well in a good while.

—Ho-how *dare you*!? That's highly inappropriate!

—You wanted to know…

—No, no! I- Wait, what makes you say that!? Are you just messing with me?

—As a matter of fact, no. It's easy to mess with you, but I actually meant it— she admitted. —Is everyone on that floating island so boring?

Castaspella opened her mouth to complain, yet remained silent and a bit shocked upon realizing Shadow Weaver wasn't… that wrong.

—Alright. I am *not* saying you're right, but… Is that a real thing? People can be angry for…

—I did say "in my experience". Not everyone needs it, of course, but you seem to be among the ones who do. Am I wrong?

—Ugh, what does it even matter!?— the Head Sorceress finally grunted, feeling stupid all of a sudden.

—Well, it matters if you're interested in fixing that.

Castaspella immediately darted back at the woman, only to find her casually inspecting her nails.

She was playing with her, wasn't she?

—You can't possibly mean that…

—What if I do?— Shadow Weaver defied her, removing her mask and smugly looking her way. —Supposing you aren't too appalled, that is…

The sorceress felt suddenly numb.

It was a mix of surprise upon finally seeing her face, an unexpected lack of disgust, and an even more unforeseen surge of… *need*.

Oh, damn it.

She couldn't really…

—Why would you- There is no way you'd just casually offer to…

—Offer to satiate your thirst? To satisfy your touch-starved body? I am *very* bored here… It'd be mutually beneficial— she smirked, exposing her fangs.

—Ugh…— Castaspella grunted once more, pressing her fingers to her temples. —Why am I even considering this!?

—Night isn't eternal, Head Sorceress. Nor is my offer, of course. If you spend too much time here, it'll get suspicious…

—I hate everything— she grumbled, approaching the holding spell imprisoning Shadow Weaver. —I swear, if you use this as a chance to escape…

—I have nowhere to go…— the old woman sighed, standing up. —And as it looks like we're doing this, I hope you don't mind there's only this couch available— she mockingly added.

—I don't give a fuck about that, trust me— Castaspella scoffed. —Just…

—Allow me to handle it— Shadow Weaver insisted, suggestively raising a brow.

—Alright…

Pushing all her doubts away, the Head Sorceress finally took down the spell and stepped closer to the old woman.

She had no idea what to expect, but it most definitely wasn't to be immediately thrown down onto the sofa.

With a squeal, Castaspella remained stunned for a moment, barely registering as Shadow Weaver raised her dress above her knees.

—Now, you better control your volume or you'll attract the guards…

—After the last time, there are no more guards close enough to hear you— the sorceress retorted, rolling her eyes. Then, as she felt her underwear being removed, it finally downed on her: she was about to allow this woman to… —Shit!— she gasped, immediately covering her mouth with a hand.

A cold claw had found its way into her insides, and now slowly explored just how far it could go.

Shadow Weaver reached deeper, little by little, smirking at Castaspella's efforts to keep quiet, and measuring how much more profoundly she could push without hurting her.

Strained sounds escaped the sorceress, but she never told her to stop…

Once the old woman knew how deep she could go, she slowly removed her finger almost entirely, and thrust it back inside.

While holding her legs separated with her free hand, Shadow Weaver kept fucking the sorceress with her claw, feeling her tighten around it.

Now, that was making her thirsty too…

She wanted to *bite her*, and perhaps she could…

Tentatively, the woman pressed her lips against Castaspella's inner thigh, slowly licked a spot, and finally bit down, making the sorceress moan quietly against her hand.

She waited for a moment, but no complaints came, so she did it again.

And again.

Shadow Weaver sank her teeth into that perfect-looking thigh, sucked a bit, and thrust her claw deeper into Castaspella, now wanting to hear her moan.

But this wasn't enough.

For either of them.

Far from satisfied yet keeping her mouth tightly shut, the sorceress clumsily reached down towards the old woman with her free hand, exhorting her to use her tongue instead…

And she most gladly complied.

Withdrawing her soaked finger, Shadow Weaver leant forward and slowly licked the labia before sticking her tongue inside Castaspella. Meanwhile, her hands brushed the smooth surface of the sorceress' legs until reaching her butt, and tentatively scratched the skin.

It was easy to realize she liked it.

They *both* liked it.

So the old woman decided to take it a step further…

As she dug her tongue deeper, alternating between sucking and moaning into Castaspella, her right hand slowly reached between her butt cheeks.

Now she wasn't completely sure of this, but the passion of the moment kept driving her to test the limits, trusting the sorceress would voice her discomfort if she were to do anything wrong.

Hence, there she went…

Before she knew it, one of her claws was inside, and a high-pitched whimper accompanied the sudden tension of Castaspella's body.

That sound was enough to raise Shadow Weaver's arousal, making her ravenous.

Without thinking, she moved her finger in and out, careful and at a steady pace, simultaneously sucking; her thirst growing as the sorceress' body reacted to her stimulation.

The delight…

Castaspella had to uncover her mouth to take a mouthful of air as she felt breathless, and her hands reached down to hold Shadow Weaver's head in place, firmly pressed between her legs.

Faint moans escaped her, she couldn't open her eyes for more than a few seconds, and waves of warmth and coldness shot through her body the closer she got to climax.

It made Shadow Weaver snicker…

Who would have imagined she'd get to have so much fun again, with such a young woman, and get to enjoy it this much too?

And the fact that Castaspella was the Head of the Sorcerers' Guild only made it better.

She finally did it…

She actually fucked the head of the Guild…

And *enjoyed* it.

It took her a bit more effort to actually push Castaspella to the limit and finally get her to cum, but when she did…

The *delight*…

The relief they both felt was beyond satisfying, and the women were in complete disbelief.

What had just happened!?

Shadow Weaver could hardly believe it and wasn't going to question it now.

She liked it a bit too much…

The Head Sorceress, on the other hand, was *so satisfied* she couldn't even think. Much less question what had just happened with none other than the "scar of Mystacor's past".

Hmm, no…

She wasn't going to ruin this perfectly amazing opportunity.

On the contrary, if possible, she wished to… enjoy it a bit more.

A drowned whine escaped her as she tried to speak up, calling Shadow Weaver's attention and making her snicker.

—Are you trying to speak?— she asked, smirking sardonically. As Castaspella hummed, the old woman pushed herself up enough to move closer to her face and muttered —What is it? Not satisfied yet?

—What 'bout… you?— the sorceress managed to ask, her voice faint for a moment.

—I don't need anything…— she assured her. —Unless you *want to*.

—And… if I do?

—How unexpected, Head Sorceress— Shadow Weaver smirked. —But… I'd leave that for… another day— she finally decided, looking away as she regretted saying that.

—Right… Can't stay long— Castaspella realized, groaning. —Damn it…

—Cheer up, woman. You got what you asked for— she pointed out.

—Maybe… But, ugh… I don't know if it was… *right*— the sorceress admitted.

—I'd say you *needed* it. That's what matters, I believe— Shadow Weaver insisted, helping Castaspella with her clothes. —And, if I were you, I'd go directly to the bathroom…

—How do you…

—I have fixed times to go to the bathroom, if that's what you were going to ask. So *nice* of the Queen to allow it, wouldn't you say?— the old woman mockingly explained.

—That sucks… But it's better than nothing…

—It's certainly better than the Fright Zone, trust me.

With that, Shadow Weaver helped Castaspella stand up and their hands remained intertwined a bit too long…

The sorceress' legs were a bit weak still and she didn't want to let go.

—So, um… You… really meant it when you said… "another day"?— she eventually asked, reluctantly releasing her hands.

—I'll be here for a while, Head Sorceress. And I have little options to entertain myself— the old woman smirked. —So, if you're… still eager to return the favour… I'll be more than glad to accept it.

—Right…

—Now go, lest they think I took you hostage or something— she insisted, sardonic.

—Very funny— Castaspella mocked her back.

With a soft chuckle, she turned and headed for the door, until the woman called out to her again.

—Aren't you forgetting something?

—Oh! I'm- You're right… What was I thinking?— she let out, embarrassed. With a swift move of her hands, the sorceress put up the holding spell around Shadow Weaver and couldn't help the soft look that appeared on her face for a moment. She certainly wasn't furious anymore. Far from it… —Thank you.

—You're welcome— the woman smirked, before finally putting her mask back in place.

End Notes
