After the Ball

by scrungo_blinkly

Summary

Adora, Bow, Catra, and Glimmer have an experience after Scorpia's ball

Notes

I know word of god said Adora and Catra are lesbians but this is an AU where maybe they're not and Catra is a futa. Bow could be another gender, IDK. I don't want to offend people I just want to wright something with my favorite characters. Maybe this is just a non-canon take on the characters. I Hope you can enjoy this as something separate from canon.

See the end of the work for more notes

With a flash of light, Glimmer teleported her partners into bed. Her lips were locked with Bow's and her hands were unbuttoning his shirt. They were flanked by Adora and Catra, who were working Glimmer out of her dress. Glimmer broke away from Bow to let her wives pull her dress over her head. She quickly removed her bra and tossed it aside. Adora went for Glimmer right breast while Catra went for the left. Adora was gentle with her lips and tongue while Catra left marks with her teeth. Glimmer moaned as her hands found Bow's belt. Practiced hands quickly released Bow's cock from his pants. Adora reach down to stroke Bow's cock while Catra pulled aside Glimmer's panties and ran her fingers through Glimmer's wet folds. Bow sighed as his cock was guided into Glimmer's waiting pussy. Glimmer sank down his length and lean forward to kiss him again.

Catra positioned herself behind Glimmer, and unbuttoned her pants. While Glimmer slowly gyrated on Bow's cock, Catra rubbed her shaft along Glimmer's ass. Adora was ready with lube, and pulled Glimmer's panties aside. Adora lubed up Catra's cock, stroking it as Catra circled its head around Glimmer's asshole. Glimmer moaned again as Catra pushed inside her, the pleasure of being penetrated in two holes almost overwhelming her. Adora removed her panties, pulled of her dress, and positioned herself over Bow's face. His tongue eagerly lapped at her already dripping cunt. Adora moaned as she kissed Glimmer.

Catra and Bow found their rhythms as they thrust into Glimmer's holes in unison. Glimmer moaned from the intense feeling. Catra kissed and bit the nape of Glimmer's neck from behind, and her claws dug into Glimmer's plump sides as Catra held her steady. Bow's arms wrapped around Adora's muscular thighs as he lapped at Adora's dripping folds. Adora moaned and swore under her breath as she reached out to touch her partners. Her right hand caressed Bow's well-built chests, her left cupped one of Glimmer's soft tits.

It didn't take long for Glimmer to reach climax. Her breath caught in her throat, only whining as the orgasm shot through her body.

Catra and Bow maintained their thrusts, but they didn't last much longer. Almost simultaneously, they both came, filling Glimmer's holes with hot cum. As they both pulled out, streams of fluid streamed out of Glimmer as they all collapsed unto each other. Adora was the only one not panting, as Bow had stopped eating her out to catch his breath when he came.

Adora was patient, and knew the night was only just starting. She got out of bed and got a bottle of water. All the lovers took long drinks from it as they caught their breath.

"Hey, Glimmer," Adora started. "Why don't we let these two take a break. Wanna finished what Bow started and eat me out?"

"I'd love to," Glimmer said, laying down on her back. "Come here."

Adora took her place about Glimmer's face. Glimmer wasted no time getting to work. Adora was already soaked and had been close to finished. Adora moaned and leaned for to repay Glimmer's favor. Bows cum was still leaking from Glimmer's slit, and Adora tasted it eagerly.

Catra and Bow had scooted back to watch Adora and Glimmer in action. Catra was resting her head on
Bows shoulder, and she slowly stroked his still-sensitive cock. Bow's hand caressed Catra's thigh, and he teased her as he got as close as he could to her cock with out actually touching it.

Adora came quickly. Every muscle in her body tensed as she came, shivering as a few aftershocks shot through her. She set back, and Glimmer rose to meet her, capturing her mouth in a deep kiss. Adora's own fluids where on Glimmer's lips and tongue, and she kissed her. They parted their kiss and held each other close for a few moments while they caught their breath.

When they turned their attention back to their partners, they were met with the sight of Catra going down on Bow. Bow's head was thrown back and his eyes were closed, and his hand was wrapped around the base of her ponytail. Catra was going slow, focusing

on the head of Bow's cock. She tongued circles around it and took it between her lips. A gentle hand touched her shoulder, and she turned to she Glimmer and Adora.

"Want some help with that?" Glimmer asked, coyly.

"Please…" Bow moaned.

"You heard him," Catra winked.

Catra made room for the two other women. She help Bow's shaft as Adora took the head into her mouth and Glimmer licked up and down his length. Bow moaned again as they service him, overwhelmed by the sensation, he could barely speak. Adora relaxed her throat and with guiding hands from Catra and Glimmer, she began taking as much of of his length as she could.

"I'm so close…" Bow moaned, but that made Adora pull away.

"Hey, not so fast," Adora said. "I think Catra needs some attention."

"Oh that's evil," Bow sighed, he felt like he was about to explode.

"Oh, it'll be worth it," Glimmer smirked. She traced a magic circle around his cock and a cock ring materialized around it. "Trust us, it'll be worth it."

Bow nodded in agreement, and turned his gaze to Catra. Adora was stroking her cock and kissing her when Glimmer joined them. Glimmer got down and started sucking on Catra's balls. Catra's whole body as Glimmer's tongue move up her shaft, and again as Glimmer's lips wrapped around her head. Glimmer pulled away and moved up to kiss Catra. As the kiss broke and the two pulled away, Adora moved to straddle Catra. She ran her pussy lips up and down Catra's cock, but didn't let it penetrate.

"You're such a damn tease, Adora," Catra growled.

"You love it," Adora laughed. "You close?"

“What do you think?” Catra responded.

“Good,” Adora smirked, she turned to Bow. “I want you both to fuck me. Catra in my pussy, Bow in my mouth..”

Bow and Catra glanced at each other, then nodded in agreement. Glimmer sat back to enjoy the show. Adora laid on her back with, hanging her head of the bed so Bow had full access to her throat. Bow and Catra took their positions around the cockhungry Adora.

“Adora,” Bow started. “If it’s too much, tap on the bed three times.”
“Got it,” Adora responded. “Go ahead, I need you both inside me.”

Catra and Bow obliged Adora’s request. Catra’s cocked entered her wet pussy without delay, and it was as warm and tight as it always was. Bow was more gentle, and eased himself into her mouth. Adora didn’t gag as his dick entered her throat. All three could see Adora’s throat bulge as Bow slid in. Adora breath in and out through her nose, and the puffs of air tickled the underside of Bow’s cock.

“You ready?” Bow asked, and Adora gave an affirmative mm-hmm thumbs up.

Catra started pounding Adora’s pussy with all the stamina she had left. There was a rhythmic slapping as Catra buried her whole length into Adora. Bow started slow, and gradually built up his pace. Soon his pace almost matched Catra, and Adora moaned with every thrust. Glimmer was masturbating intensely to the scene. She fingered herself with two digits on one had, and rubbed her clit with the thumb of the other. The sight of Adora getting used by Catra and Bow brought her intense pleasure.

Being fucked from both ends made orgasm after orgasm shoot through Adora. Tears welled in her eyes from the extreme pleasure. Before long both her partners exploded. Catra came first, shooting huge burst after burst into Adora’s quivering pussy. Bow came shortly after, shooting spurts of warm cum into Adora’s

throat. Catra and Bow kept slowly fucking Adora until they were completely dry. As each pulled out, hot streams of fluids flowed from Adora's pussy and mouth. Glimmer came herself while observing the aftermath.

Catra and Bow collapsed on the bed, and all four sat in silence for a few moments of few moments of rest. Adora laid panting, a huge grin on her fave. She wiped the combination of her saliva and Bow's cum with the back of her hand before finally sitting up. Glimmer had left the bed and returned with more water. All four took some time to recover and hydrate. Adora, Bow, and Glimmer sat side-by-side, and Catra laid across their laps.

"Soooo…," Adora was the first to speak. "How are you all feeling?"

"Fucking fantastic," Catra purred while stretching.

"I'm… I'm good." Glimmer sighed

"Yeah," Bow said. "I'm real good."

"Do you think," Adora started. "Do you think you could do another round? I haven't even brought out She-Ra."

"Yes!" the other three shouted simultaneously. All three blushed at their own reactions.

"Of course you are," Adora laughed. She playfully splashed some water from her bottle. "Thirsty much?"

Adora got out of bed, and took a deep breath. Then she shouted "For the Honor of Grayskull!"

Bow, Catra, and Glimmer had to avert their eyes as Adora was enveloped in bright light. When they opened their eyes, Adora was two feet taller, somehow even more buff, and clothed in white, gold, and red, though the outfit fit her so closely it didn't leave much to the imagination. She held a golden sword in her hand, but it was more than just a just a sword. It was an extension of herself. She moved the blade down to her pelvis, and

in a flash of light, it transformed. Adora now had a strap over her tights. The harness was gold and the dildo was glowing blue. She stroked it, and she could feel it has if she had always had a dick.

Her partners wasted no time, and got out of bed to get on their knees before her. Catra took it first. Her hand stroked up and down and her tongue touched the tip. Adora felt every touch and fluid leaked from the strap. Catra parted, and let Bow take her place. He took the glowing into his mouth as deep as he could, and was filled with the same sensation she had given him earlier from the same act. Glimmer took it next, stroking it quickly and teasing the head with her tongue. Adora was more than ready to fuck their brains out.

"All of you," Adora commanded. "On the bed. Now."

None of them protested and line themselves up for She-Ra. Adora looked at her three partners, determining who to take first. Catra's ass was in the air, her cheeks spread, and her tail whipping.

"Eager, Catra?" Adora asked.

"Of course I am, dummy," Catra purred.

Adora took Catra without warning. Catra mewed as Adora grabbed the based of her tail. Adora spanked Catra with her other hand, and Catra moaned. Adora lined herself with Catra's asshole, and slowly entered. She-Ra's strap was self-lubricating, and slid easily into Catra. Keeping one hand on her tail, Adora grabbed Catra's ponytail with her other and pulled her closer. Adora began thrusting, hard and fast. Each thrust was accompanied with a noise from Catra, and Bow and Glimmer watched with hunger in their eyes. Catra screamed in pleasure with orgasm after orgasm as the tireless She-Ra pounded her. She probably came four times before Adora reached her own climax. A torrent of faux-cum erupted from She-Ra's strap. Adora finally pulled out while gently kissing Catra's back.

“Such a good girl,” Adora said, petting Catra’s hair. “You took me so well. I love you”

As Catra tapped out, Adora’s eyes turned to Bow. Bow was ready for Adora to take him from behind like she had with Catra, but to his surprise she turned him to face her. She touched his cheek.

“I love you, Bow.” Adora said. “I want to see you face”

Bow answered with a nod and a smile.

Adora lifted Bow’s legs over her shoulders, and her strap easily enter him. She started more gentle with him than she had with Catra, slowly sliding in and out, and leaning down to kiss him. She wrapped a hand around his cock. Her hands so large it made Bow’s above-average dick look small. Adora jerked off Bow while fucking him. She maintained eye contacted the whole time, studying everything about his face. Adora and Bow climaxed at the same time, she filled his asshole while his cum splattered over his own toned torso. After she pulled out, Adora kissed and licked her way up Bow’s body, cleaning up every last drop of his cum.

Adora left Bow to recover, and turned her attention to Glimmer. Queen Glimmer. They were all married, so they all had a royal title. Adora and Catra shared the title of Queen and Bow was the King, but Glimmer was the one born for the role, and her partners always wanted to give her the love she deserved. Adora kissed Glimmer. They kissed deeply and passionately. Adora transformed her strap. Two shafts. She wanted to bring Glimmer the most pleasure possible. She lifted Glimmer from the bed and kissed her again.

“I love you.” Adora said. “You deserve the world.”

Adora stood up and held Glimmer. She entered both of Glimmer’s holes with her strap. Glimmer clung to Adora as fucked her. Adora supported with one arm under Glimmer’s ass and another around her shoulders. Adora locked Glimmer in a kiss, and ate every moan from Glimmer. Adora was overwhelmed by the sensation of

being in both of Glimmer’s holes, but she kept her composure. An intense orgasm shot through Glimmer again. She clung to Adora as both climaxed. The faux-cum leaked from both of Glimmer’s holes as Adora came hard inside her.

Adora stood back and observed her conquest. All three of her partners laid exhausted on the bed. Adora laid down on the bed and pulled her partners to cuddle with her, proud of what they felt together.

End Notes

Thank you for reading. Again I don't want to invalidate anyone I just wanted to present another possibility for these characters.
