Baby blue lingerie

by Dorthes

Summary

Hey, Jezmatron.
Uno Reverse Card.

It's Valentine's Day! And Adora has been planning a surprise for Catra! What will it be? (Spoiler: It's sex.)

Notes

This is a mess, because I've been working on this really late at night, but it's fine! I'm fine!
Also, for the title I've just scrolled up and down on the document to pick a random sentence. Enjoy!

See the end of the work for more notes

Two teaspoons of cocoa powder, a shot of coffee, fill the mug with milk, heat it all in the microwave for a couple of minutes and there it goes, the saddest mocha, ready to drink.

If Catra had been told ten years ago that she would be happy one day and married to Adora, she would have scoffed, rolled her eyes, and then walked away to continue her day. After all, Adora had disappeared from her life, and Catra was not a pleasant person to be around, fucking up everything she was near.

That's the reason why she is grateful for her life now. She cherishes all the little things, the routine Adora and she have built together. It's a routine that is not set in stone. Little things change, like Adora deciding to add some cocoa powder to her coffee today. Little things stay the same, like Adora's tendency to forget she has heated the coffee more time than necessary and burning her hand.

"Dummy," Catra whispers while handing Adora some napkins to clean herself. Catra goes to the kitchen cabinet and picks another mug. She grabs a cloth and unceremoniously drops the content from the first mug to the second one. She returns it to Adora, who is smiling sheepishly.

"Your dummy," Adora says and pecks Catra on the lips. Now it's time for the final verdict, she takes a sip from the coffee and… "It's good! I think I'll make it like this from now on."

"Really? Let me try it," Catra answers. She sits on the counter and steals the mug ("Hey!"), and she wets her lips with the coffee. Not bad. She takes a longer sip before Adora snitches the mug back. She puts it on the counter. Her hands find Catra's hips and she leans towards her wife until their noses are almost touching.

"You're not being fair with someone trying very hard not to get the other half of a proper breakfast."

"No, Adora, a cigarette is not good for breakfast."

"Wha- No." The blonde pouts. "It's not fair, now the flirty line I had ready to start today's plans doesn't fit."

Oh?

"I didn't know we had plans for today."

Adora leans back, smirks, and lets her chin rest between her thumb and her index finger. *What an idiot* , Catra thinks while she smiles fondly at her.

"You'll see, today is Valentine's day. And what better way to celebrate it than preparing a mind-blowing sex session with my beautiful wife?" she asks, punctuating the question with finger guns. (Adora's smile gets bigger when Catra giggles). "I've been planning it for weeks, but it's a surprise. Maybe I've got new toys to try out…" Catra's blush encourages Adora to continue. "Maybe a new position… who knows?"

Catra clears her throat and rubs her eyes to get rid of the horny thoughts.

"And you had planned everything, including spilling some coffee in your hand?"

Adora stiffs.

"... Yes, that too. Everything is going according to the plan." Adora's hands return to Catra's hips. "Now could you humour me? Please?" Adora asks with puppy eyes.

"Sure, what's the other half of a proper breakfast?"

…

"It wasn't that important of a pick-up line."

Adora would be embarrassed if it wasn't for the loud laugh that escaped from Catra's mouth, the glint in her eyes, and the way

her head rests on her chest. Also, the situation is still salvageable. Adora kisses Catra's ear and whispers:

"What you should know is that I'm keeping myself from fucking you like this. I could kneel in front of you," her hands trace the path from her wife's hips to the inside of her thighs, "tease you with kisses," slowly, very slowly, her hands open Catra's legs, while her thumbs approach dangerously her center, "taking care of you with my tongue…"

Catra's breath hitches. *Bingo* .

Suddenly, Adora moves away from Catra and picks up her mug, as if nothing has happened.

"But not yet, I need to prepare everything for this evening. And we have to work. In fact, you have… 5 minutes to get ready if you don't want to be late."

Catra is gaping at her incredulously.

"I- fuck you."

"I've just said that not yet."

Catra lifts her middle finger at Adora, pretending to be mad, but she can't help her smile at the promise of an eventful day.

She couldn't focus at work. She couldn't stop daydreaming about the things Adora would do to her. Her lips tingled from the promise of kisses. Her cunt felt hot picturing Adora's head between her legs. As she drives home, the grip on the steering wheel almost rips it off. *Fuck* , she wants this. She's almost drooling imagining all the things Adora would do to her…

That’s why, when she gets home, she runs towards their bedroom (first she leaves the box of chocolates she has bought in the kitchen). She fumbles a bit with the doorknob and the vision that waits for her…

Makes her mouth *dry* .

Adora is sitting leaning back on the end of the bed. Her hair is down, framing her face. She is wearing lingerie. *Baby blue* lingerie that matches her striking eyes, those eyes that made her skin flare up. The lace of her plunge bra outlines the curve of her breasts. Catra gulps, watching the ribbon between the cups accentuate the rise and fall of Adora’s chest. Her heart flutters when she spreads her legs and, between those glorious toned thighs, she can see her wife’s arousal painting a dark spot in her panties. When she lifts her index finger and invites her to come closer, who is she, a mere mortal in the presence of a goddess, to refuse?

Adora is delighted to see her wife’s reaction, how she moves towards her and drapes her fingers over her arms; how her mismatched eyes get darker with lust when she flexes her muscles. Catra starts tracing mindless patterns on her skin, slowly rising towards her neck, and then gently scraps it with blunt nails, which sends a shiver down her spine.

"I didn't know you had this." Catra says with a slow, hoarse voice. Her hands descend through Adora's back, leaving goosebumps behind.

"I bought it for today," Adora says, raising her free hand to caress Catra's cheek, her thumb wandering tracing constellations on her freckles, "do you like it?" she asks, even though she is able to intuit what the answer will be.

"Like it? The verb like doesn't make justice to this…" She licks her lips, "to this…" She tilts her head and gets closer to Adora's face. "Fuck, you're so hot…"

Their lips crash.

Catra stumbles and falls on Adora, who catches her effortlessly, Adora's hands roam over Catra's body, caressing her sides, her stomach, her thighs. Catra moans into the kiss, feeling the heat building between her legs. She breaks the kiss, gasping for air.

"God, Adora, I need you," she whispers.

“Be patient,” Adora chastises her. “First, we need to get you out of your clothes.”

Adora unbuttons Catra’s shirt, entertaining herself with every new patch of skin being revealed. She kisses each freckle, from her neck to the collarbones, then to the uncovered parts of her chest. Catra sighs each time she feels the air on the wet blotches of spit and trembles when Adora gives her some occasional love bite. Adora lays Catra on the bed and continues kissing her abdomen. When she reaches Catra’s happy trail, she shifts her eyes to stare at Catra’s. Catra pants through her swollen lips, and lets out a moan when Adora’s pink tongue retraces its steps to her navel.

Suddenly, Adora straddles her hips (and Catra can feel Adora’s want through her panties).

“Do you like it?”

“Yes… yes… I love it, I love you. Adora, please, I want… I want to touch you…”

Catra’s worst nightmare and best wet dream starts when Adora lifts her index finger and then clicks her tongue.

“I want to pleasure you, Catra.” She reaches to the clasp of her own bra and discards it on the floor. Catra’s eyes almost bulge out of her head and she whines. “And you know how much I struggle with expressing my wants, don’t you?”

“Aah… yes…”

“So let me make you feel *good* , hm?” Adora leans towards Catra and the brunette thinks she will die just by looking at her wife’s tits, her perfect wife’s perfect tits, cupped by the most perfect, delicious-looking pink nipples. She wants to lose herself between those— she stops her line of thought, or it will be more difficult to fulfill Adora’s wishes. She can endure this, she’s sure she will forget it when Adora starts fucking her senseless. She grips the sheets to restrain herself from touching Adora, a herculean task.

Adora’s hands roam over Catra’s body and reach her respective bra. Catra starts feeling a bit self-conscious over her choice of definitely-not-suit-for-sex lingerie, but she ignores it when Adora lifts it and traces the curve of her breasts. Her thumbs tease Catra’s hardened nipples, eliciting small gasps from her. Catra tries to close her eyes, but Adora pulls a little harder on her pierced nipples.

“None of that. Eyes on me, my love.”

Catra wants to complain. She opens her mouth, but she can only let out a moan when Adora captures one of her nipples in her mouth, swirling her tongue around it, grazing it a bit with her teeth. All that while looking at Catra’s eyes.

Catra arches her back, pushing herself harder into Adora’s mouth. “Fuck, Adora, don’t stop,” she moans.

Adora switches between Catra’s nipples, giving each one equal attention, while her hands fumble with the button of Catra’s jeans. Damn it! She almost got it. A bit more— Now it’s unbuttoned. Good. She moves to her neck, and jaw, and earlobe.

“I love how desperate you sound”, Adora whispers, falling next to Catra and lazily rolling a nipple between her fingers. “And you’re being so good, begging from the get-go.”

“Adoraaa…” Catra grips the sheets harder.

“I’m going to make you feel so good, but first, I want you to take off all your clothes, yeah?”

Catra doesn’t waste any time, she kicks her trainers and jeans, she pulls one sleeve of the shirt and sends it flying, she unclasps her bra and it lays next to Adora’s bra. She’s going to take off her boxers, but Adora’s hand stops her.

“I want to do it myself.”

She kneels in front of Catra, and starts removing Catra’s boxer like she’s unwrapping a present: starry eyes, a big smile, and very excited to play with her gift.

She throws the garment far, far away.

“Now, please, make yourself comfortable, lay your head on the pillows, and enjoy your trip to Cum island!”

“...What!?” Catra laughs, because even with the horny fog she is still capable of distinguishing a bad pick-up line. (She also obeys her wife’s orders, because she is eager for what’s coming now.)

“I have to stop asking Sea Hawk for advise.” Adora mutters to herself. She sprawls in front of Catra’s pussy and takes a handful of her ass, squeezing it gently

“Are you ready?” Adora asks with a playful glint in her eye.

Catra nods eagerly, biting her lip in anticipation. “Yes, Adora, please…”

“Steady?”

“Adora, stop teasing m-iiiaaaaah!!!” Adora digs in, and her laugh gets drowned in Catra’s dripping cunt. Her tongue laps at her clit. She can smell the need, the want. Adora takes her time, just tasting the notes of Catra's arousal. Like a good wine, it only gets better with the years. She starts sucking while she slips one finger inside the heat. Catra cries out and squeezes her thighs. Adora adds a second finger, slowly pumping in and out.

She circles the clit with her tongue and curves her fingers a little just to hit Catra's sweet spot.

“Aaah, Adora, yes, *yes* , another finger, please, more…” Catra pleads. Her body writhes with pleasure.

Adora adds another finger and amps the pace, feeling Catra's walls clench around them. Electric shocks go throughout her body. Catra’s thighs tremble with each movement. Adora knows Catra is on the brink of her orgasm, and she has to play her cards.

“Yeees! Adora, fuck, I’m gonna… I’m gonna…”

And Adora stops. She removes the three fingers and kneels, savoring Catra’s essence from them.

“Wha- why???”

"Because we can't let the fun end so soon, can we?"

"Adora, you know I can cum multiple times, please, make me cum, please…"

Adora shakes her head. She looks at the piece of art between Catra's legs, dripping wet, lips twitching and puffy, clit gorgeously enlarged. She brushes it with a finger, and Catra responds by arching her back.

"Ah… Adora."

"So beautiful."

Catra is sweating, and needs to calm the hurt in her core. Maybe a few seconds rubbing it and she will reach sweet, sweet release, she's so close…

Adora grips her hand.

"What were you going to do? I think I saw your hand going to your clit. I would say you were trying to masturbate, but my good

girl wouldn't do that, would she?"

Shit, Catra loves that tone. She shakes her head, out of breath.

“Mhmm… Ok, I believe you.” Adora grins. She’ll let it pass, she doesn’t want to go full domme today. "But just in case…”

Catra gets out a little scream when Adora scoops her up and flips her over. Adora is so strong, it makes Catra swoon.

“Now let’s get you on your hands and knees,” Adora says, placing Catra over the bed again with gentleness.

Catra’s back is full of freckles too, so Adora decides they also deserve to be covered in kisses. She starts with the nape of her neck, being careful with the scar, then travels to the shoulders and the spine. Catra is so pent up, she tries to push her hips to Adora’s crotch.

“Be patient,” Adora says, and bites playfully Catra’s ass, who really, really, needs to cum, her limbs are shaking and she’s so weak…

Adora grips Catra’s ass and parts her cheeks. Her pussy is still twitching and wet, and that asshole is just begging for attention.

Her tongue starts working around her rosebud, dedicated to relax her muscles.

Catra feels something soft entering her ass. She's definitely going to die. Now one hand releases her, is Adora going to stop? *Oh* , she's using it to rub her clit. Yes, *yes* . Catra's body is reaching that point again, just a bit more and she will finally—

Adora stops. She ignores (for the moment) Catra's whine and looks the product of her hard work. Catra's cunt is so puffy, her clit stands out, begging for attention. Her anus is shiny from spit, clenching around nothing. Adora takes off her panties and gets off the bed.

"Where are you going??"

Adora wants to tease her wife, but she sounds really desperate. She'll be merciful, just this time.

"Don't worry, I'm going to the bathroom to get a couple of things and I'll be back faster than the good guy's horse, OK?"

Catra nods and waits. The goddess in the bathroom thinks she's being fast, but Catra is smarter, she knows that a blink for a deity is an eternity for a mortal.

"I'm here! With a new toy!" Adora says.

She stands next to Catra, who looks at her, and her pupils dilate from lust.

Adora is wearing their most-trusted strap-on. And in her hands is a new butt plug,

"Since we started doing anal play I've been thinking of buying one. And this one," she clicks a button on a little remote, "vibrates." She turns it off again and smiles sheepishly. "Do you like it?"

Catra nods eagerly and wiggles her ass, trying to get Adora's attention to use it on her *now* .

"Use your own words, my love."

"Yes, I love it, please put it in, please fuck me, *ruin me!*"

Adora opens the drawer on their bedside table and picks up a bottle of lube. She coats the buttplug and the strap-on with it. It's probably not necessary, but better safe than sorry.

Slowly, Adora eased the butt plug inside Catra's, even though Catra is more than ready and the lube just made it easier.

"Adora, go faster! "

"Sure," and she pushed the last bit inside.

Maybe she could have gotten a butt plug with a beautiful design. Well, it's late for that, and Catra's moan when she turns it on makes her forget about it. She turns Catra around and starts teasing Catra's entrance with the strap.

"Are you ready, my love?" Adora asks.

“Yes, please,” Catra answers, her eyes dark with desire.

Adora doesn’t waste any time leans down to capture Catra’s lips as she enters her roughly, the way she knows Catra wants right now. They both moan when she bottoms out, and Adora starts moving, pulling almost all the way out before pushing back in. Catra crosses her legs behind Adora’s back, she wants her closer, she needs to touch her, she…

“You can touch me now, if you want,” Adora says between pants. Catra’s eyes light up and she starts squeezing Adora’s hips, and back, and (finally!) her tits. The perfect amount of hard muscles and soft skin, all for her.

Catra uses one hand to touch her clit, while the other arm is wrapped around Adora’s back. She’s getting there, between the vibrator, and Adora’s thrusts, and the stimulation on her clit, and the way Adora looks at her, with that smug smirk with a hint of fondness in her eyes, those blue eyes that make her heart warm and she loves her, she *loves* her, she—

Catra arches her back and her eyes roll back from the intensity of her orgasm. Every sound it’s muffled by Adora’s lips, and then she lays boneless in the bed.

Adora rolls to her side and smiles at her. “I love you too, Catra,” she whispers, while she strokes a strand of Catra’s hair out of her sweaty forehead. She turns off the buttplug. “Lift your hips a little for me,” she says, and takes it out. She puts it on the nightstand with the strap and hugs Catra, letting her come down from her climax.

A few moments later, they will get some water. Adora will see the chocolates on the kitchen counter (“Aw, how thoughtful of you!” “Shut up, you just literally gave me one of the best orgasms of my life!”) and they will take a bath together. Just existing next to each other. Everything is perfect.
