Notes

Happy Valentines Day!!!
Sorry for being late and the formatting. Problems uploading delayed it and I was too lazy to fix it.

Adora had gone to work before Catra had woken up, and Catra was determined to do something romantic for her wife. Every other Valentine's Day, Adora had treated her to the most romantic things ever. Amusement parks, cooking, proposing, romantic movie nights, and a ton of other things. But not this time. Catra was going to wow her wife. So, after her wife had left, she went shopping. She bought ingredients to bake a cake. She made sure to get both chocolate and chocolate syrup. Adora loved chocolate and frankly, so did Catra, so she made sure to get plenty extra. She ran into Bow at the store, and he also was going big for Glimmer. Bow told her he already had most planned out and to be honest, Catra couldn't understand how he could do so much. After a few minutes of talking, they said goodbye and Catra returned home with her ingredients. When Catra got back, she pulled up the recipe on her computer for her to follow. She changed a tank top and overalls. Catra absolutely hated aprons and she really didn't want to wear it. Catra starts baking the cake. She follows each step as best she can without eating too much chocolate. Once she put the first layer in to bake, she realized she skipped a step by accident. She groaned and turned off the oven and dumped the "cake" into the trash. Luckily she bought extra. <So she made the cake again. But unfortunately, she accidentally tripped on herself. As a magicat, she landed on her own two feet, but the cake certainly didn't. Catra groaned and cleaned it up and put the remains in the trash. Chocolate syrup was on her overalls but Catra didn't want to change so she left it in. "Third times the charm." Catra says to herself as she starts it again. This time goes pretty well, and she successfully puts the cake in the oven with every ingredient. Just as she sets the heat, not bothering to put the timer on and to just count in her head, she gets a text from Adora. "Figured you're finally awake. Happy Valentines Day, baby!" Adora's text read. Catra smiled at it and responded, "Yeah, I just woke up." She couldn't have Adora know what she was doing yet. Catra giggles at Adora's next text, "You're lucky I can provide so much money for your ass." After 5 years of dating and 5 years of marriage, Adora still had a way of making the 26 year old magicat to giggle like a child. "You love this ass." Catra texts

back and takes a picture of her ass. She framed it so Adora couldn't see the oven or that she had chocolate all over her front. Adora responds immediately, "🥵 💦 😏" The two text for a while and once Adora stops texting because she has to get back to work, Catra realizes the cake is still in the oven. She quickly looks at it and realizes it's way past time to take it out. Catra takes the cake out and checks. "Yup. Burned." Catra groans and dumps the cake into the trash again. Luckily, fourth time was the charm. Catra manages to do everything correctly this time. Catra was, finally, able to take the cake out and start decorating. Chocolate got all over her but she didn't care. Finally the cake was done, and after a five minute sit down because she finally got to relax. She hears the door open. "I'm home, Catra! I brought dinner!" Adora's yells as she walks in. As she takes off her shoes she smells the cake and asks, "Hey babe, what's that smell?" Catra walks into view and smiles. "Hey, Adora. A surprise." Adora looks shocked. Catra grumbles, "You don't have to be surprised that much." "Sorry, sorry. I just, wasn't expecting you to try to be romantic. We both know you're not, "the best" at it." Adora says. "Yeah, yeah." Catra says as she rolls her eyes. Adora hands over a box of chocolate. "I bought it for you." "Thanks." Catra smiles and leads Adora's to the kitchen. Adora sees the cake on the counter. "You baked me a cake!?" Adora's yells as squeals. "Yep." Catra smiles. "Chocolate cake." Adora squeals even more and hugs and kisses Catra. "Best wife ever! Love you!" Catra leans into the kiss, saying you're welcome with her tongue. After they had dinner, Catra cut the cake and gave a slice to Adora. Adora tried it and immediately smiled at the taste. "Perfect, baby." "Good. Glad you enjoy it." Catra smiles and takes a piece for herself. A few drop of chocolate syrup falls down Adora's chin onto her breasts, which she had her cleavage seeable by having her shirt and suit open enough to see it. Catra gets an idea and leans to Adora. She licks the chocolate syrup off of Adora, and before she pulls back, Adora takes control and picks up Catra into her lap. The cake forgotten, the two started kissing. Tongue was down their throats in a matter of seconds as the two made out. Catra nibbled on Adora's lips with her teeth as Adora moaned into her mouth. Catra knew Adora loved it so she increased her pressure on Adora's lips. Adora

reached behind Catra and grabbed the magicat's ass through her clothes. "You know what this ass does to me?" Adora whispers into Catra's ear. Catra smiles and says, "Makes you horny?" Adora bites Catra's neck and whispers. "Yes." Catra moans and says, "Take me to the bedroom." Adora carries Catra up and too the bedroom. As they go, Catra grabs the chocolate syrup still on the counter. As the two girls get into bed, Catra opens the chocolate syrup bottle and puts it on the nightstand. Adora strips her suit and white shirt off as quickly as she could, leaving her in a lacy pink bra. Catra bites her lips as the two kiss again, Adora's hand on Catra's cheek. Catra smiles and starts biting Adora's neck. She puts pressure on the neck until Adora starts moaning. Catra smirks and pushes Adora's to the side to take off her overalls. Once she throws the overalls to the side, she removes her tank top, leaving the magicat in black lingerie that's basically see through. Adora unclasps Catra's bra and then slides the panties down and Adora's flings it across the room. Adora then grabs the chocolate syrup from the nightstand. Catra starts giggling as Adora pours the syrup onto Catra's naked body. Adora put the chocolate all over her wives body, making sure the chocolate goes over Catra's nipples, and on her pussy. Adora puts a lot in Catra's stomach. The actions of the blind made Catra's cunt wetten and clench. Adora lowers her mouth and starts licking every inch of the syrup off of Catra's body. She starts and her chest, and slowly moves down to Catra's small brown nipples. Adora closed her mouth on it and sucked and bit it gently. Catra moaned loudly as her wife swirls her tongue around Catra's nipple. Adora moved to the other nipple, while her hand moved to Catra's other breasts. Catra arches into Adora's touch, needing to feel the pleasure that is building inside her. Catra feels the need to see her lover naked, so she takes off Adora's bra as Catra moans louder with each bite of her nipple. "Who said you could undress me yet, Catra?" Adora whispers into Catra's ear. Adora's voice was deep and seductive, and it made Catra's stomach flip and pussy wetten. Adora licks the chocolate down Catra's body as she whispers to Catra. "Such a bad girl. Should I keep going then." Catra whines at that sentence needing more than what Adora's was currently giving her. She needed a good fuck. "Please, Adora! Fuck me!" Catra whines.

Adora kisses down Catra's body. "Soon, baby." Adora start sucking Catra's clit. Catra's whines and moans were music to Adora's ears. Hearing her strong voice broken under pleasure was so sexy. As Catra begged to be fucked more and more, Adora got wetter and wetter, which was an incentive to suck on Catra harder. Catra buried her hands into Adora's hair, and Adora decided to take mercy on her wife. It was Valentine's Day after all. Adora swiped up and down on Catra's slit for a couple seconds, until she to stick two fingers in. Catra moaned immediately after Adora penetrated her. Her grip on Adora's hair tightens and she pulls Adora closer to her. Adora increases her pace and adds a third finger. Catra loves the fullness her wife gives her and she moans. "Adoraaaaaaaa!!!" Adora smiles as she watches Catra twist and arch into her orgasm, and she happily licks up Catra's juices. When Adora thinks Catra is spent, she gets up, but then Catra pounces on her. Catra rips Adora's bra and panties off and kisses Adora's ferociously. Adora moans into Catra's mouth as Catra squeezes Adora boobs hard. Catra opens the bottom drawer on the night stand and grabs a toy from it. It's a spiked dildo and Catra puts it in her mouth to get it wet. Once it's wet enough, Catra puts it in Adora's pussy. Adora gets fucked by these types of toys hard all the time by Catra, but it was always a tight fit. Catra pounded Adora's harder and deeper each time until Adora is a moaning mess. She doesn't stifle her moans and does it very loudly. "Yes, baby! Cum for me!" Catra says happily as she bites Adora's neck, leaving hickeys after each time. Adora cums in a storm of loud moans and Catra removes the dildo and puts her mouth on Adora's cunt, as Adora squirts into Catra's mouth. Catra sucks gently as the juices drip down her face. Catra inches up and snuggles into Adora's side. Adora kisses Catra gently and they enjoy each others company. Adora reaches over to grab tissues. "You did me good, baby." Catra smirks mischievously and says, "I know." Adora laughs and cleans herself up. "Have you dried yet?" Catra touches her pubic hair above her pussy. "Yeah." Adora groans and smiles. "You know we're going to have to clean that or your fur will mat together." Catra huffs, "I can do it myself." She bends over and starts licking her pubic hair like a cat. Adora laughs. "That will never not be sexy." Catra looks at her. "It's normal for me. It's not sexy." Adora laughs again. "It

definitely is.” Adora gets up to throw the tissues away. “Want water?” “Yes, please.” Catra says still licking her pubes. Adora gets up and walks to the kitchen. Catra continues licking herself until she hears, “Catra.” Catra stops and answers, “Yes, babe.” “Why is there 3 cakes in the garbage?” Catra turns red and yells, “Happy Valentines!”
