Catra’s Revenge

by Gendernexus

Summary

Catra has She Ra Cornered, it’s time for her personal brand of revenge

“Hey Adora.”
Despite her fears Adora had chased Catra to an abandoned clearing. Determined to put an end to this once and for all. She held her magic sword aloft and cried, “by the power of greyskull” she was engulfed in golden light as she transformed into the powerful warrior known as She Ra. She lunged at Catra, trying to grab the cat before she could escape, but Catra was ready for her and somersaulted backwards out of reach.
“Jeez Adora, i think you might actually be slower as She Ra,” Catra taunted. Adora’s frustration was plain to see on her face, she’d never been good at deception. She cried out and swung the sword, slicing through a nearby tree which tumbled towards Catra who sidestepped it with ease. She swung her leg round and caught Adora’s ankle which buckled on impact sending her crashing to the ground. Catra reached for the whip she kept on her belt and cast it at Adora. Adora cried out as the whip cracked against her back, stinging her skin and tearing her top. Catra chuckled gleefully as she snapped the whip at Adora again and again until Adora, remembering her friend’s advice closed her eyes, concentrating. She reached out and caught the whip in her hand and with all of her tremendous strength hurled Catra over her head and to the ground with a heavy thud. She stomped forwards, intending to finish things by knocking Catra unconscious, but after the first step she took the ground beneath her began to glow, before sending up a powerful beam of purple energy. Adora found herself unable to move, frozen still. But the worst was yet to come. The energy continued to crackle round her body and it wasn’t long before she figured out what was happening the base of her boot melted away leaving her bare sole raised just above the grass. There was something about it that made her feel unusually vulnerable, she always wore boots as She Ra. She Ra had ever had bare feet before. It felt like being seen naked for the first time. How fitting that it should be Catra who looked up at her and smirked. But unfortunately for Adora her boots were just the beginning. The energy continued to crackle up her body and to her horror the rest of her She Ra outfit began to melt away with it. It wasn’t long before she stood there, frozen

stiff and completely naked. Catra fell about laughing, unable to contain her amusement at her enemies exposure. But Catra was more than simply amused. She'd longed to see Adora's body again, and this was her She Ra form, she'd been ever so curious about how she'd look naked.

"Wow Adora, I knew you were small down there, i guess i kinda thought it would be bigger as She Ra…guess not," she grinned mischievously.
Adora turned away her cheeks burning, wishing she could cover her girlhood, but still unable to move.
"Let me go Catra!" She tried to sound tough and commanding but her voice faltered, sounding more like a whimper.
"Are you kidding? This is way too good, no way I'm letting you go," Catra walked it off Adora's eyeline, taking a look at her ample backside.
"I see some thing did get bigger." She gave Adora's butt a smack which caused her to cry out in shock.
She strode back in front of Adora as her communicator went off, it was her horde colleagues reporting in.
"Oh look Adora, it's your old friends…. You know the ones you abandoned." Catra grinned lifting her communicator.
"Hey guys, i got She Ra, wanna see?"
"Catra NO! Don't show them!" Adora cried in panic.
Catra grinned and turned the camera on Adora's naked, struggling form.
She couldn't hear their words but she could got the just of itfrom Catra's reactions
"They're making fun of me," Adora whimpered desperately
Then she heard a voice she recognised, squeaking aboth the others.
"It's so tinyyyyy and cute."
Entrapta, Adora felt her cheeks burn an even brighter shade of red.
Catra switched off the communicator, wanting privacy and turned her attention aback between Adora's legs.
"I guess it is sorta cute." She smiled, giving Adora's tiny cock a flick with a single finger.

Adora momentarily forgot her embarrassment and instead felt only outrage
“It is NOT cute!”
“Oh Adora, you have got to stop lying to yourself”
Catra cupped Adora’s nethers in her hand. Adora’s petite cock began jutting out, as big as it could get. It tried so hard.
“Oh my god
“What do you think te other princesses would say if they knew you had such a tiny little cock?”
“You wouldn’t dare!”Adora felt the pain rise inside her.
“That all depends on you Adora, what are you going to do for me?”
Adora hung her head in defeat
“What do you want Catra?”
“I want you Adora, i want you to do whatever i tell you.”
Adora agreed to Catra’s terms, desperate to be released and to find some clothes.
Catra deactivated the energy holding her in place, Adora fell to her knees. Catra wasted no time tying the whip around Adora’s throat, like a leash. Tugging her upright Catra’s hand traveled between her legs, stroking her, running her hand from the bottom all the way up to the tip of Adora’s desperate little cock.Adora whimpered, she could feel herself growing damper, Catra had well and truly defeated her and now she was completely at her mercy and she liked it. Something stirring deep inside her, the soft, submissive side of her she tried to keep hidden was desperate to get out. She whined and moaned and writhed as Catra’s fingers teased and touched and stroked her. Catra whispered into her ear.
“You’re mine Adora, and if you ever leave again I’ll tell everyone about your tiny little cock, you’ll be so embarrassed you’ll never be able to show your face in bright moon ever again.”
“I…i won’t…”she gasped. Her mind raced with imagination and memory. She remembered the first time Catra had seen her cute little cock, when she’d just been Adora, horde soldier. She tried anything she could to avoid being naked around the others, but then Catra had made demands. She nervously slipped her underwear down, her cheeks burning as she exposed herself to Catra. Catra was surprised by her size and said thing like “it’s so

small” and “is it supposed to be that size?” Adora had sworn her to secrecy, but that was nothing compared to this. She remained as She Ra which left her quite a bit bigger than Catra, who made her roll onto the floor on her back. Catra lifted her leg and ran her tongue along Adora”s foot which caused her to twitch involuntarily until her little cock throbbed desperately, the tip of her wet with wanting until she could take no more.
“Please Catra!,” she begged.
“Alright tiny, you’ve earned it,” Catra smirked grabbing at Adora and flipping her over onto all fours. Her fingers slid between Adora’s legs, closing tight around her. Her other hand came down hard on her round bum causing her to shriek.
“Now then what are you going to do for me Adora?” Catra smirked as she brought her hand down again
“I’ll do whatever you say, I’ll be a good girl i promise,” Adora whimpered, giving in to what she wanted
“You better, or everyone in the princess alliance will know all about She Ra the two inch terror,” Catra struck Adora again and again, her strangled whimpers of pleasure made the cat excited.
“Please, please don’t tell them Ca—“ Catra cut her off with another slap.
“Good girl Adora.”
With that she slipped inside her which made Adora gasp in shock. Catra grabbed roughly at her hair and her tiny cock as she fucked her hard form behind.
“Yes, yes please” Adora begged.
“What do you want princess?”
“Fuck me Catra, grab my tiny cock and fuck me hard… m….m….mommy” Adora’s face was scarlet at this point.
Catra laughed as she ran her tongue along Adora’s back. She was surprised by Adora’s outburst but more than happy to oblige.
It wasn’t long before Adora’s orgasm hit, she reared backwards as she came, eyes closed, her tiny cock twitching as she came. When at last she opened her eyes the final twist of the knife was waiting for her. The princess alliance had arrived, and they seen it all, they seen her, broken and defeated by Catra, they’d seen her tiny cock explode with the excitement she felt being at Catra’s mercy. She frantically tried to cover herself but it was too late.

“Guys, it’s not what it looks,” she offered. But she found herself bound by netossa’ nets and dragged to her feet. Glimmer declared that She Ra must be punished for fraternising with the enemy and Adora realised her humiliation was far from over as they dragged her away, still naked, still she ra.

Catra slipped away in the commotion and upon her return was greeted by a gleeful double trouble.
“Wow kitten, that was mean, I’m kind of impressed, what a performance, pretending not to know the rebellion were on their way.”
