Adora's POV

I walked into the horde like old times but I only got a few feet before Catra had me against the closest wall.

"Hey Adora," she purred causing me to sliver. "Catra. I've come back home." I told her not looking into her eyes. Not able to lie to my ex best friend. "How do I know you won't leave again?" She traced a claw down my neck. "I won't Catra," I told her.

"Maybe I should make sure you don't," I looked up at the magicat confused. "How are you-" Catra cut me off with a kiss.

I was surprised Catra's never be this forceful but I can't help but get wet thinking about it. Catra is so rough but so gentle with me. She's knows me better then I know myself. She's stronger then she let's on. Not as strong as She Ra but strong enough to over power me.

She keeps kissing me until we run out of breath. When she pulls apart she starts to kiss down my neck, "I'm going to make you mine Adora then you will never leave me. I'll show you all the things that little rebellion can't do to you."

She licked up my neck causing a rush of heat to go down south. "I'm going to make you forget all those new little friends you've made. I'm going to take you right against this wall and no one can

stop me. Isn’t that right Adora,” I whimpered.

I forgot about this. Catra. And her ways of seduction.

Before I could speak I was pushed harder into the wall as she bit my neck hard. “Fuck!” I yelped and she purred, “yes that’s it let it all out.”

I blushed since I’m wearing an earpiece so Glimmer and Bow can talk and hear me.

I tried to push her away but she grabbed my hands and pressed them to the wall. She kept kissing leaving marks all along my neck.

She slowly pulled my pants down, “how about we see how loud you can scream my name.” She pushed her fingers down my pants and into my boy shorts. “C-Catra,” I stuttered and the magicat purred.

She retracted her claws then she pushed a finger inside me making me whimper, “Catra please.” I didn’t know what I was begging for. For her to pull out or her to do more. I couldn’t deny that it has been to long since Catra had touch me.

“Say you want me inside you Adora.” She licked the shell of my ear. I couldn’t control myself. My body was crying out for her.

She pulled my pants and boy shorts down until they are off my body leaving my bottom half naked. "I-I Catra please," I whimpered and she purred into my ear. "Say you want me Adora," she pulled her pants and boxers down releasing her 11 inch hard cock.

"I-I please Catra I need it," I blushed hoping Bow and Glimmer weren't hearing this.

She picked me up by the thighs and lined up, "I wonder if you are still as tight as you were when you left or if you've been fucking those princess friends of yours."

I whimpered and shook my head, "no only you no one else touched only you." I blushed heat rushing all over my body making my mind go fuzzy.

She pushed the tip up against me, "I'm going to fucking take you like the bitch you are Adora then I'm going to fill you with my kittens so you are useless to everyone but me. The rebellion won't want you. The Horde won't want you. It'll just be me and you and our kittens."

I blushed and Catra bites my neck again and at the same time slammed her whole length into me making me scream out her name, "CATRA!"

She purred and started to move her hips pulling in and out of me at a blinding pace not caring about if anyone was watching or listening all that was on both our minds was this pleasure that we both long forgot.

"OH GOD YES CATRA MORE PLEASE MORE!" I screamed louder as she smacked my ass pushing into me harder and faster.

"That's it Adora scream for me," she purred and bit into the other side of my neck. She kept going I was getting pushed closer and closer to the edge with every thrust. "CATRA I'M GOING TO CUM!" I cried out and she pulls back. "Yes cum on my cock Adora," I screamed as I came undone on my ex best friend's cock. She pumped a few more times then let lose. I felt her cum on the inside of my walls. Slowly but surely filling me up.

"Look at you Adora. So red and hot from fucking I didn't think you still had it in you," she smirked and I blushed harder. The magicat pulled out of me after she was finished cumming then put me down. She pulled up her pants and put her now soft cock away.

"Tell your little friends I said hi," she kissed me hard then walked away. Leaving me with bites all over my neck and cum leaking out of me.

"*Adora! Adora!*"

I heard Glimmer call threw the earpiece.

"*I'm sorry Glimmer?*" I whimpered and Glimmer sighed on the other end.

"*We knew what would have if you went back there. Not exactly this but it's okay. Come back home it's okay.*" I pulled up my boy shorts and pants.

-1 year later-

"Hey Adora," I heard the mother of my child say. I turned back to see a smirking Catra with our 3 month old baby. "Catra," I smiled as she sat now next to me with our little Finn.

Our baby was beautiful blonde hair, blue eyes, two cute little cat ears. She's perfect.
