Notes

See the end of the work for notes

Catra wanted to try something. Which was saying something since her and Adora have been pretty active in trying new things in the bedroom. Toys, kinks, penetration, chains, anything close to their reach or knowledge, they've tried it.

It was always exhilarating and thrilling, watching Adora crumple, wince, moan, and whine. Seeing her fingers curl tight against their bedsheets, her back lifting from their mattress. Her damn breath of ecstasy, relief leaving from her lips to Catra's ears.

Stars, even thinking about it was enough to make Catra leave this damn meeting and recreate her memories wherever Adora was, not caring if there's an audience or not.

Catra's chair leaned back a little as she played with gravity while Sparkle's Princess meeting started slowly coming to a close. The meeting went as followed: discussion on the reconstruction of Salienas, Erelandia, and Thaymor…again, the invasive toxic plants clean up led by Perfuma to avoid poison pollens in the waters, and the overall clean up and blockage of destroyed lands and cliffs thanks to Prime. And with all the plants growing thickly and sporadically, it made it difficult to find smaller sink holes to block off in order to prevent incidents.

Needless to say it was a long meeting, and one that was agreed to continue on sometime tomorrow. Thank stars, cause now she was riled up thanks to her own damn mind.

"But we'll conclude it today. Everyone, dismissed." Sparkles announced and everyone raised from their normal seating arrangement around the war table. Leaving the war-room and Catra trying to follow suit.

“Oh wait Catra! I wanted to check in with you.” Catra groaned, internally. Right before Catra got a chance to escape too, but she tried not to let it show as she turned her attention to Sparkles.

“This will be quick,” Glimmer sensing Catra’s want to leave, “but I wanted to check in with you on the Fright Zone operation? How’s the systems and water sanitation going with you, Scorpia, Perfuma, and Mermista?”

“Well the pile of junk wasn’t particularly known for its ‘clean water’ but it has gotten better thanks to flower Princess and Mermista. A favor for a favor.” Catra’s arms crossed her chest but didn’t hang tightly against herself like they used to when mentioning the other princesses.

Ever since Prime, Catra has been around helping clean up as an apology for her… active contributions to the Horde. Helping Salienas, Erelandia, Elberon, the Fright Zone, and any remaining citizens that gave their hand out. Some were nice, allowing and accepting Catra’s hand to help and giving an extra hand in return. Some created more of a mess on purpose for her to clean up, to purposely piss her off, and some didn’t even notice or care about her existence. They were just happy for the lighter load regardless of who was the one lifting. Either way, Catra feeling like she’s moving forward was relieving, and without Adora’s ‘She ra’ influence on the citizens, it made the process feel rewarding. As if she genuinely earned their trust without an 8 foot tall goddess persuading their views.

“That’s good. I just wanted to check in annnd make sure everything is manageable. But other than that, you’rrrre dismissed.” Glitter smiles and Catra couldn’t help but chuckle at this. Catra being with the princesses and Sparkles dismissing her from a princess meeting, what a life.

Catra waved and gave her signature ‘See ya Sparkles’ before making her way through the door and into the corridors.

The open air was a vast contrast to the tight cold compartment air of the Fright Zone, or the empty void of Prime’s ship corridors. It felt comfortable, more cozy, enjoyable, and breathable. Catra breathed in her walk to her’s and Adora’s room, the moons slowly arriving as the day closes. Eager to make her fantasy into a reality, hopefully. Even thinking about it almost made her moan, and the closer Catra got to their door, the quicker her heart rate increased.

Adora should’ve already been done with her shift in Elberon. Sometimes she’d come later than expected, but lately Perfuma’s message about rest and burnout started slowly coming through to Adora. Mostly because she started using those words on Catra whenever she went too far with helping. It gave Catra an odd sense of pride towards her…girlfriend? Yeah, girlfriend!

She made it to her-, *their*, room door and opened it trying to calm her heart rate. And resting peacefully on their bed, back against their head board, was her girlfriend, Adora. Calling Adora her ‘girlfriend’ was still something to get used to. Calling her ‘idiot’ and ‘dummy’ was always endearing in their own way, but having an official title made it more real. The good real! And Catra wanted nothing more than to make it known that everything happening was real.

Adora was on their bed reading, reading something about Etherian’s history and more than likely Etherian’s constellations now that the stars came back from despondos. It didn’t even seem like she heard Catra walk in at all.

With a small pout, Catra slowly crept towards their bed keeping

her footing as light as possible. Catra's tail swayed, looking as if she's ready to pounce on her lover. Catra leaned her knee against the mattress, slowly crawling towards the blonde before removing the book out of Adora's hands. Adora gasped as Catra tossed her book to the side, officially acknowledging her girlfriend's silent presence. Catra gleaned down on all fours, smirking, "Hey Adora."

Adora returned with a grin, "Hey Catra." Without time wasted, Catra pressed her lips against Adora's, finally tasting her girlfriend after what felt like so long. Her knees slowly mount to the side of Adora's hips, Catra nipping her bottom lip as her arms wrap around Adora's neck. Catra's hand smoothing through her hair to her roots as Adora's hands slowly made their way around her waist. The kiss was passionate, Catra continued nipping her lip and groaning as her grasp tightened onto the blonde's hair. The sudden tensity surprised Adora. Shocked at Catra's enthusiasm but was definitely not complaining.

"Mm! Someone's affectionate," Adora kiss Catra's cheek, "What's the occasion?" Adora couldn't help but be smug about Catra's newfound affection towards her. After years of suppressing what Adora wanted, it felt good to finally let everything out and accept everything in. That included Catra's release of her own suppression too, leading to a larger sense of vulnerability and the type of affection that they'd always wanted to explore, but never could.

Adora ran her hand on Catra's side as she hummed for a response from her girl. Her other hand lightly brushing against her tail.

Catra doesn't answer right away, instead she lightly graze her hands against her dork's face. Her cheek, her brows, her beautiful large forehead, cupping her cheeks as Catra stares through Adora's blue eyes, "Do I need an occasion?"

Warmth rushes to Adora's face. The question was innocent yet Catra's intense tenderness felt so nice, electrifying, it was almost embarrassing how worked up it made her feel. "No-N. No occasion needed, I just…" Catra lowered her head, meeting their noses together, "Just, um, shocked? I guess? That you missed me this much."

"Of course I do." Catra's gaze never lingered in its intensity. It took Adora off guard, she guessed Perfuma and Netossa's therapy was really sinking in and it was pretty intimidating. The openness and vulnerability of her gaze made Adora feel… hollow? See through? Something inescapable. It was so soft but also so very… hungry. "I always do, Adora." Catra sighed, her fingers massaging her girlfriend's scalp and their lips breezing against each other.

Adora leaned her head up, their lips pressed again. This time Adora sucking on Catra's bottom lip as she groaned. Hearing Catra, feeling Catra, touching Catra. The best feeling in the universe.

Catra leaned back after however long of touching, caressing, and kissing. Their breaths huffing against each other.

"Hey 'Dor?" Adora hummed in response. "Is it possible we could try something tonight?"

"Um, sure! What did you wanna try?" Excitement was bubbling to the surface. It was always exciting to hear scenarios to try in the comfort of their own bed. Exploring new ways of intimacy and loving between them. It made Adora feel wanted and not as alone with her thoughts and fantasies since she clearly wasn't.

Not to mention the pure gleam in Catra's eyes when she gets excited to tell Adora a new position, style, or toy for them to try. This was bound to be just as exciting as the previous suggestions. She trusted Catra like that.
With a straight face that slowly turned back into a smirk, Catra entailed, "I wanna fuck you."

Adora's brows rose quickly at the directiveness of the request but was a little confused, "Okay? But you've fucked me plenty of times before but sure! If-"

Catra rose a finger between them, cutting Adora off, "Ah ah! I'm not finished. I wanna fuck you, with you as She ra."

That grabbed Adora's attention completely. "What?" Now, She ra wasn't completely out as an option for the bedroom, but she wasn't often an active option either. Today was just a day of shock for Adora.

"You game?"

Catra's question was the only reason Adora was able to snap out of her daze and answer somewhat comprehensively.

"I- I mean yes! Sure! Um. Sounds like fun, and stuff."

Her reaction wasn't convincing and it started making Catra feel a little self conscious. "Adora, if you're uncomfortable doing this, we don't have to-"

"No! No! I do! I'm just, surprised that's all. I don't know, we."

Adora took a breath and tried again, "We don't often use or include She ra in the bedroom. So it's a bit of a new request despite our few times we have included She ra. But I promise I wanna do it and try it."

"But I don't want you 'including' She ra and it makes the experience uncomfortable." Despite Adora's new connection with She ra, Catra knew that most days Adora wanted to keep herself and She ra on separate lanes when it came to topics like this. Keeping She ra for the fighting and the working and then keeping herself for the soft and the new 'domestic living', as Adora speak. With the very rare occasion where the two meet and intersect, and then those rules are thrown out for the time being.

"I didn't mean to spring it on you and made you think you have to go along with it." Catra continued facing away from Adora before a hand grasped her chin. Making Catra look back at Adora.

"You're not making me do anything. I swear it's just something to get used to from you after, well, everything," Adora and Catra scoffed at the statement and chuckled, "But I wanna do this with you, Catra. I want you to fuck me."

Catra smiled softly, "You promise?"

Adora nodded, "I promise."

"And you'll tell me if you're immediately uncomfortable? Right?" Catra's brow rose.

Adora nodded, "I promise." Catra eased at her words.

“Okay. Good girl.” Catra leaned their foreheads together, her arms stretched out behind Adora’s neck. Silence was meant before laughter. Their giggling and cackling mixing together not knowing what triggered such a reaction.

“What are we doing?” Adora asked her cheek burning from laughing

Catra shrieks with laughter before responding, barely able to complete her thoughts without a wheeze, “I, honestly don’t know.” Her hand found their way back into Adora’s hair leading her somehow even closer than they already were. Adora hugged her tight, leaning back and sliding til her back met the mattress.

Their giggling continued as they kiss each other's lips. Muffling each other's laughter before they’re released again as they part.

“I love you.” Adora huffed before Catra paused. Saying ‘I love you’ in the Heart of Etheria was one thing, saying it so casually and freeing now was another thing entirely. Catra’s heart fluttering, still tense as if something was going to happen if she said she loved Adora back, only to remember nothing will happen. Nothing will happen to them ever again now. They were free.

“I love you too, Adora.” The soft silence filled, Adora’s flush turned into a smile.

Catra attached her lips to Adora’s neck. Adora’s laughter slowly transitioned to a groan and into a moan as Catra started departing down.

Adora arched, not before Catra lifted her shirt and tossed it towards a corner of their room. "Catra…"

Catra nipped up towards her neck before returning down to the top of her breast. Running her hand through Adora's bra strap. Playing with it and sliding one off her shoulder before pressing a kiss against her shoulder. One kiss led to multiple pecks against her shoulder, Adora chuckling at the endearment. Catra distracts Adora with kisses while slowly reaching to the back of Adora's bra, unclipping them before throwing them towards a direction.

"You are so stunning, you know that?" Catra asked slowly against her lover's skin. The smoothness of Adora's shoulder that Catra felt against her lips. Pressing against Adora, Catra leaned down, descending towards her girlfriend's breast, kissing down her path before she stops.

Her hand caresses Adora's breast while her lip kisses the other, easing her mouth open and sucking on the blonde's small peak of arousal. Gasps slipped between soft moans, Adora's hand pushing deeper into Catra's hair, gripping her roots as Catra moved onto the other breast. Catra hummed against Adora's chest and soon a purr began to erupt. Adora couldn't help but chuckle at her girlfriend's purrs, how excited Catra ended up being and her purr broadcasting it to herself and Adora. It was adorable and felt even more amazing against her.

"Ah. *Ahhh*…Catra, please.." Hearing Adora huff and almost pout was honestly thrilling. Seeing her cheeks turn pink, her back beginning to arch again, her whines, and just her overall beauty. And even better, her growing hardness right under Catra's pelvis. It was bliss.

Catra slowly released with a pop, a deep breath following behind. Her eyes taking a moment to take in her flushed girlfriend, and it hasn't even been five minutes. Adora's chest quickly expands and deflates, her lips apart and puffy, not to mention the light redness around her nipple from Catra kissing and sucking on her breast. Already flushed and Catra hasn't even started.

Oh, her Adora.

A chuckle escaped Catra, "Already out of breath, Princess?" Catra's hands massaging Adora's chest. No response was given but no response was needed from Adora's light moan. Before Adora knew it, Catra's face went to the side of her head. Her lips near her ear as Adora's breath hitched at just the mere distance between her girlfriend and her ear alone.

Catra whispered into her ear, figuratively and literally purring, "Cause I'm nowhere done with you, *Princess*."

Adora gasped but no sound came out. Catra descended lower, kissing past her stomach and slowly made her way between her thighs.

A little hill was pitching up against Adora's trousers, Catra played with the hem of her pants before slowly pulling them down. "Glad to be removing these off." Leaving Adora with her underwear as the last clothing piece on her body.

Catra brushes against her inner thighs. Brushing her nose, lips, and a bit of her teeth lightly against the inside of Adora's thigh up and down. Adora sighed, "Catra…mmm ah, Ah! *Catra*…" Catra's name repeating over and over through her lips.

Her soft thighs being lightly nipped by Catra's teeth. A light moan echoed, Adora trying not to squirm as Catra nipped, licked, and sucked on Adora's thighs. Feeling up and down her thighs, each time her hands getting closer to her tent. Rounding her index finger and thumb to shape an 'O' around her covered, hard cock, mocking Adora, teasing her. Inching closer to Catra's main goal of this in the first place.

Her fingers reached the end of one of Adora's underwear ends, slowly sliding past it as she feels Adora's stomach and V line. Feeling her pubic hair and not quite reaching to where Adora wanted her most, it was irritating.

"**Catra**! **Fuck**!…" Adora's voice rose, it was a rare yet special moment for Catra, to see her girlfriend be so riled up to the point of raising her voice. But it wasn't the loudest, or most demanding, she's been before. It almost made this whole thing into a challenge for Catra, and whether or not she could get a bingo.

Adora's frustration was noted as Catra cackled before playing with the rim before removing her underwear. 'Finally' was muttered as Adora's penis sprung. Adora breathed when the cool air met her exposed sex, groaning before noticing Catra's stare. It made Adora feel embarrassed.

"What?.." Adora breathed with a flustered look, Catra seeing the pink in her cheeks as she glided her hands up and down her naked thighs.

"Nothing," Catra smirked as she admired her girlfriend and her grace, "I'm just taking in my girlfriend, is that so wrong?" Her hand made it to her girlfriend's base, slowly stroking as Adora whined. Feeling Catra's warm hand wrapped around her cock felt

more at ease, slowly reaching where Adora *needed* to go. Adora moving her hips to align with Catra's strokes, to hopefully bring her there faster.

"N…No. *Please*… Faster Catra!" Precum's already dripping, and Catra watches as it slides down her girlfriend.

Catra slowly slid her hand up towards Adora's tip as she circled her head with her finger. Adora's cum lightly covering her nail, Catra ringing her cum-tip finger around her girl's arousal. Splitting her fingers as she feels down Adora, watching the precum follow down her cock along with her fingers. Catra licked her lips as her hand returned around Adora's cock, and her strokes started getting faster, her grip tightening.

Adora choked up, gasping as her moan grew louder. "Fuck Adora. You are such a little slut for me. I barely did anything and you're already dripping. How embarrassing for you." Catra teased.

Adora barely heard the last bit as Catra continued increasing her strokes. Hearing Adora's skin slap against Catra's hand as her other hand skims across her thighs, to her stomach before reaching her chest. Catra cupped, groping Adora's breast as she continued pumping her Adora.

Adora arched her back, her hips fucking Catra's hand as she clenched the sheets underneath her. Determined to keep herself afloat despite clearly falling deeper and deeper into Catra's touch.

Her voice, her praises, her degradation, fuck does she love it all. Her girlfriend taking control, controlling the pace of everything as Adora simply rode the ride and Catra's fingers. Before she got a

chance to think again, Catra's face inched nearer her's again. Her breath began closing against her ear.

"Yes baby, fuck my hand. Use my hand however you want. Take it!" Catra demanded. Her hand pressed against Adora's chest pinning her down to the mattress, her pace going just fast enough.

"I said, **take it**!"

Adora felt it building. Gasping, moaning, all she could do is chase that feeling. Chase the release that was so close. So fucking close in her grasp as she gasped. She heard Catra mutter something but focused on the chase. Fuck, her girlfriend. Fuck!

Catra swallowed any gasps or moans Adora produced when she pressed her lips against her girlfriend's. Adora whined against Catra's lips, Catra's tongue opening Adora's lips as Adora let her. Let her take her, let her embarrass her, let her fuck her. Catra heard Adora's muffled whine as an orgasm was just right… There.

Adora's body relaxed and destressed as Catra's hand was covered with her girlfriend's essence to the point of embarrassing said girlfriend. "Oh Stars! Catra! I'm-im sorry I-"

Before Adora could ramble an apology, Catra slowly licked her girlfriend off her fingers. She licked each finger up and down slowly, sucking and cleaning all her girlfriend's juices, while staring at Adora as she cleaned her fingers. Shame was nowhere to be found when it came to Catra.

Adora laid there shocked and growing hornier, Catra's signature

grin reappeared on her face as she leaned closer, "You want a taste?"

Adora didn't remember nodding or saying anything but before she knew it, Catras' lips were against hers once again. Adora licking Catra's lips, tasting her lips along with her own tangy taste. Catra deepened the kiss, cupping Adora's jaw as her tongue made her way around and between Adora's lips again. Adora couldn't help for another groan to escape, but it wasn't her fault her girlfriend had the confidence of Catra.

Catra moaned when they separated, panting against Adora as her hand went up and broke Adora's hair tie. Catra always loved Adora's hair down. Her golden strands, how soft they felt, how smooth it glides between her claws. It was satisfying.

"Good girl, Adora. Now we got you *partly* warmed up." Adora felt herself getting excited again. Huffing as she processed that this was only just the beginning. Catra's ass rested against her pelvis, Catra slowly starting to rock back and forth against Adora's stomach building up to her grinding on Adora.

A small moan breathed, "But I wanna cum too. Will you let me cum on you, Adora?" Adora nodded ecstatically and Catra giggled at her enthusiasm. Catra grind harder, faster, her hand against Adora's chest to keep herself up. She started wincing and groaning as she felt herself getting wet, using Adora to get herself off. To fuck herself.

Adora felt slick against her stomach from her girlfriend as her dick hardened just from the sight alone.
"*Fuck*, Adora!…This is what you do to me…This is- *AHH*! What you do to- MMPH!"

After what felt like hours of Catra grinding on Adora, she lifted herself up away from Adora's body. Adora whined, asking "Why did you stop?"

Catra huffed but replied with a smirk, "I didn't."

Adora was confused before feeling Catra grip her penis, this time Catra brushing her cock against her pussy. Adora threw her head back against the sheet, a loud broken moan echoed throughout their room. No doubt of the possibility of someone else hearing if they were close enough.

Catra clenched, her pussy waiting for Adora's cock to come in, waiting to be filled and annihilated.

"Tell me." Adora leaned her head up, her eyes meeting Catra's, "Tell me how much you want me, Adora. How much you want me to fuck you in more ways than one." A moan quickly followed as Adora gripped Catra's ass, determination sealing on Adora's face.

"Please please please! Catra please! I want you…I want you so bad! *Please*" Adora begged and Catra lowered herself enough to get Adora's head into her pussy before getting back out. Catra repeated the motion before deciding she couldn't wait any longer, sliding Adora into her pussy until there was nothing left. Leaving nothing but their combined groans.

"That was pathetic, but…but I need you…*Ohh fuck*." Catra fucked herself with Adora's cock, slightly bouncing as both of them moaned and groaned, Adora watching as Catra took. Her breast bouncing at the increased speed, and the loud wet sounds of

Catra riding Adora's hard cock. Feeling so full and her climax building quickly.

"You don't get to cum," Catra gasped as she started going faster, "Don't you dare cum, fuck! I tell you when you cum *mmmm*… isn't that right my…fuck…my little slut?"

Adora nodded, too choked up to respond but noticed Catra's tense facial expression before responding eagerly, "**YES**! Yes Catra! I'm your slut…al- always have…" Adora gasped and winced. Catra was pleased with her compliance, trying to reach closer and closer to cumming on her girlfriend. "You tell me when to cum! You always have! Yes! Catraa…Yes baby" Catra was pleased with her answer, fucking herself faster and harder and faster and-

"OH FUCK! ADORA!!" Adora's grip on her ass tightened, Catra's relief was coming so much faster than anticipated. Before she knew it herself, Catra came on Adora's cock. Feeling Adore twitching inside her, pleased with herself on her own orgasm and edging her girlfriend at the same time. Catra smirked to herself, her purring ringed louder in their room as satisfaction displayed across her face.

Catra hummed as she stretched her arms up, easing her arms back down as she slowly pressed her body against Adora's. She lifted her cunt off of Adora's cock with slow, careful ease. Both of them groaned at the sensitive feeling and the loss of fullness from Adora's cock. Catra's tail sways back and forth as she stretches on Adora.

Adora pets Catra's back, feeling her soft fur run between her fingers. The soft, smooth feeling, it reminded her of the rare soft times in the Horde. The times where it seemed like endless nights of whispering, giggling, and tenderness that Adora had always

missed after she left. How things change unexpectedly. It was bliss and a scare.

Before Adora got too deep in her mind, Catra lifted herself up from Adora's chest, sitting up and un-straddled the blonde. Adora looked at Catra hesitant before Catra's hand gilded from Adora's neck to near her thighs, testing.

"You were so good for me, Adora." Catra rasped, her fingers splaying as she moved her hand up and down Adora's body.

"Now that I got you all warmed up and bothered, do you think you can transform into She ra for me?" The seduction in Catra's voice left no room for the imagination at all, granted that was the point anyways. Adora would do anything for Catra already, but that extra 'for me' made sure it was done yesterday.

Adora simply nodded with no verbal response, blushing as she muttered 'For the Honor of Grayskull'. Her hair longer, her body bigger, yet her sweet face still remained. Luckily, She ra's armor wasn't summoned this time, it took a while for Adora to be able to summon She ra without her full armor on, Catra was proud because it meant Adora was finally letting go. Just what Catra wanted.

"*Good girl*." Catra purred, drawing out her sounds as her purrs were loud enough for Catra to visibly shake at the sight of her naked demi goddess. Catra wanting to climb She ra like a tree was honestly an understatement at this point, she wanted to claw her, ravish her, let everyone know she belonged to someone.

She ra was already panting, huffing as her girlfriend took all of her in, including her throbbing cock. A beautiful tip red that blended

perfectly with She ra's skin. Larger than Adora's but still looked like Adora's, and small sprints of cum leaking out, trying to be contained and regulated. It was addicting.

"Turn around for me." No response again but rather an obey. She ra turning her body around til she was on her hands and knees on all fours, panting as she looks over her shoulder, watching a smug Catra behind her.

"Front down, keep your ass up." Other command was followed through, She ra laid her chest against the sheet with her arms underneath her head. It was a humiliating pose, a humiliating yet freeing pose.

The great mighty She ra, downed and bowed to her girlfriend. The same She ra who took down Prime's clones and her chipped friends was now submitting herself, face down ass up, to her girlfriend. The magical martyr that everyone praised, sing songs about, was currently huffing and panting like a dog, trying not to fuck herself like one. To say it made Catra feel powerful was undermining.

She ra felt the tip of Catra's claws right before her soft hands started massaging and gripping her ass. Catra's ear flicked at She ra's moaning, already dripping again under Catras touch. "Aw, aren't you so cute for me, She ra?" An unexpected smack met against her ass, She ra gasped, strongly gripping and releasing the sheets with a moan, "So wet for me already, feeling this pretty ass. Willing to do anything I tell you to, to fulfill any fantasy of mine, aren't you?"

A few moments passed as She ra struggled to get the words out. Another smack came, "I asked you a question, *She ra*. Answer

me.” She ra didn’t realize Catra’s hand coming up to her cock, wrapping her fingers before stroking again.

“YES! Yes Catra…please!” Her strokes went faster, She ra clenching and dragging the sheets to her, “PLEASE CATRA!”

Her stroking continued, Adora panting and gasping for release. She was so close, *so* so close, before feeling Catra’s hand slip away from her cock. She ra turned back over her shoulder, “Nononono! No! Why did you stop?” She ra whined with a light huff. Catra lightly dragged her hands and claws back over her ass and thighs.

“We both know why,” Confusion was met, She ra merely watched as Catra got off the bed and went to their closet. She ra, Adora, still sat in confusion before remembering why she was even She ra on the bed in the first place! She does know why.

She ra hears buckling and shifting, still keeping her ass up before turning back over to see her girlfriend. Catra emerged from the closet with a harness and their nice, big blue strap-on they’ve gotten a couple of weeks ago. It’d only been used once and it was used on Catra.

“*Cat…Catra*..” Just looking at it made She ra nearly come on the spot.

“This thing unfortunately didn’t fit me all the way in when we tried it for the first time. A little too big for me, but with you being She ra, I wonder how well it can fit *her*” Catra purred and preyed over to She ra.

Her movements are slow and steady. “We’ll need to test it, won't we, She ra?” The mocking tone in her voice was arousing.

“Yeah I think so too.” Catra answered for her and reached over to their bedside drawer. Although She ra couldn’t fully see at her angle, she already knew what Catra reached for.

Catra applied enough lube to cover two of her fingers, teasing around She ra’s ass. Circling her hole barely easing in and out.

She ra chased after Catra’s touch, pushing her ass back and sometimes Catra meeting her half way and other times she’d pull back. She ra whined at Catra’s denial, her legs slowly spreading. Catra continued testing, teasing and circling, covering She ra’s hole with her precum mixed with lube.

Catra leaned against She ra’s long back, resting on her shoulder near her ear as She ra writhed, “Shhh relax She. Ra. Let go for me. Let me take care of you.” She ra obeyed, taking a deep breath.

The tension unwinding across her body as Catra kisses her shoulder, “That’s my good girl.” That was the last spoken thing before She ra felt Catra enter a finger. Curling upward before seemingly acting like she was removing her finger before sliding back in. Writhing in and out and building up to pumping her fingers.

She ra gasped and winced as the wet sounds of She ra’s ass became more and more frequent as Catra’s fingers went faster and faster. She ra begged, pleased as Catra entered another finger. Her fingers covered in She ra’s essence, pumping even

faster and faster into the demi-goddess. Catra's hands were already starting to hurt, but it was worth hearing the squelching sounds of Catra curling her own fingers into She ra's ass as her pumping ensued. She ra edged, feeling her body prepare to cum, before Catra took her covered fingers out her ass. Catra teasing the blissed out, begging She ra before she started lubing up her strap.

Huffing, panting, her sensitive hole, it was too much. So much. Finding herself eager to just hump against their bedsheets and finally call it a night, but this wasn't about She ra or Adora, this was about Catra. Her desires, her fantasies, and all She ra and Adora are here to do is fulfill them. To being the plane that she fucks herself on to being the cum slut that's used only for Catra. That's one of the new purposes of She ra. Especially to Catra. Exclusively to Catra.

Catra was pleased at the display as she stroked her strap, spreading the lube up and down her cock, feeling the other end against her clit. The curve of She ra's back as her ass laid in front of her, nice and pink from her smacking. The way her loose hair spiraled across her back and fell pass her shoulders, and goddamn her backside, fuck.

She ra slowly looked over to Catra once again, making Catra even wetter at her desperate expression. Her blazing blue eyes staring up at her as she awaits for peace of relief. Little ole Catra fucking the mighty She ra, Princess of Power, fuck she was ready.

Waiting on this moment and her fantasy finally being fulfilled, Catra asks, "Ready?", getting her confirmation, and slowly enters her head into her rock, bodied goddess. Catra's gasp came after She ra's sound, lightly rocking her hips to make sure She ra was comfortable to the size.

After watching She ra's body relax Catra went deeper. Rocking and pushing, She ra writhing and silent gasping. This continuous back and forth notion before finally bottoming out, Catra gripping her ass. Taking a moment to feel her pride and ego shot up to the rooftops.

"Mmm, yes baby, that's it…*Mmmm* you're such a damn good bitch. You're ready for me to fuck you?"

She ra nodded, huffing a 'Yes Catra', Catra moving her hips out and slamming flushed against She ra's ass, slowly fucking She ra. Her hips bucking and the slapping sounds of Catra's cock and She ra's ass clapped against the room, She ra's hollering, gasping, and lewd moaning in the mix of it all. Not to mention Catra wrapping her fingers around She ra's cock, stroking and pumping it as she pounds her dick into her ass.

Catra groaned to the sound and sight of her girlfriend's alter ego being fucked by her own dick. Her hand slapping up and down her cock, on the verge of making She ra cum.

The powerful She ra, an absolute slut in her hands. About to cum over Catra's dick, at the complete mercy under Catra's hand on her cock. Drunk from her power, her hips started thrusting faster and harder, pegging She ra with all she can and all she is. She wanna hear her. Catra wanted to hear She ra break, to hear her cry, hear her scream Catra's name. For all of Brightmoon and the princesses to somehow hear how their precious hero She ra was getting railed and fucked by her girlfriend, Catra. To let all of Etheria know.

Fuck she was gonna cum.

She ra writhing and squirming ready for release, begging for it too as she moans and screams, “CATRA! Catra!…fuck…Please! Pleas-AH! CATRA! I can’t- Mmmm FUCK!”

She ra screams pitched in volume, She ra gripping the sheets, and Catra pressed against her ear. “Such a big fucking slut for a big strong hero. Hmm?” Her pacing never stops, going faster as She ra’s moans turn into choked up, silent croaks. “You like being my little slut don’t you?” Catra tightened her grip on She ra’s cock, stroking faster and harder as Catra’s other hand grips the side of her ass to keep her in place while pounding her. “Don’t you, She ra?”

Tears stream down She ra’s face. Her sheets wet beneath her from her own wetness, the sounds of Catra’s gruffs mixed with the wet slapping sounds of Catra’s cock and her cum. Hearing Catra’s voice going in and out, capturing a few dirty quotes, ‘Aw you wanna cum baby?’, ‘That’s right my whore, let me hear you!’, ‘You’re doing so good for me She ra, fuck my cock’.

Stars, she was in bliss, and didn’t want to come down despite her body feeling as if they were on fire. Her skin and body were hot from Catra’s teasing and fucking, she twitched for release but that was for Catra to control and for She ra to *cum*ply.

She ra loves Catra. Adora loves her girlfriend, Catra.

“Cum for me my slut.”

She ra obliged… She ra came as Catra slowed down but didn’t stop, still slowly railing and pumping She ra. Letting She ra ride off her orgasm until she had enough.

Catra lets go of her girlfriend's cock before She ra's body lands against the bed, transforming back as Adora. Adora barely moved aside from a few twitches and shakes from blissfully, overwhelming stimulation, it was the best feeling Adora felt in a while and honestly the best fuck session they'd had so far.

After slowly pulling out her strap out of her girlfriend, Catra cleans the strap and returns it back into their closet.

With a robe on, Catra heads to their door, "I'll be right back, okay?" Adora barely had time to process what Catra said before hearing the door shut. Adora didn't move and quite frankly didn't feel like moving at all as she closed her eyes, and began to drift into a nap.

Adora woke up to light combing through her hair and Catra's purring. She was barely able to keep her eyes open but managed to look up at Catra's soft smile.

"Hey Adora."

"Hey Catra." Adora responded sleepily, making the Magicat chuckle.

"I got you some water, thought you'd need it." Adora looks over Catra to their nightstand where indeed sat a cup of water.

Adora nodded as Catra reached towards the cup and handed it over to Adora. She drinks half the cup, giving it to Catra who places the cup back onto the stand, and embraces her girlfriend.

Catra hugs Adora tight, purring as she kisses her cheek, head, and lips.

"Thank you.." Adora smiles.

"Thank *you* babe," Catra kisses Adora.

Adora leans against Catra, pressing against her while kissing her lips and kissing down her neck.

"Oh! Adora, you don't have to reciprocate."

"Oh no! I just wanted to kiss you. I don't have the energy to do anything tonight."

"Fucked you that good, huh?" Catra's smug grin caused Adora to roll her eyes and laugh.

"Whatever," Adora couldn't be annoyed at Catra even if she tried, "But yes. That was fun. I had an amazing time."

Catra's purrs grew, pride, confidence, and validation all coming in at once. It was a great feeling. "Me too."

Adora hummed before returning to her kisses, "But don't worry" Adora plants a kiss against Catra's collarbone, "Next time, I'll make sure it's worthwhile for you."

Adora winked and Catra blushed, feeling like the luckiest woman in the entire universe.

Fin.
