Summary

Or;

It's been too long since Adora and Catra have seen each other, but they can chat later. Time to fuck.

It hadn’t exactly been Adora’s plan to show up two hours late, drenched from a sudden thunderstorm, and holding a bouquet of crushed roses. A disaster? Perhaps. Adora’s heart pangs at forcing Catra to forgive yet another grievance.

Adora knocks on the door, hard enough to bruise her knuckles in an effort to be heard above the pounding rain. She’s just about to knock again, when the door flies open, Catra’s expertly manicured hand grabbing the front of Adora’s hoodie and dragging her in.

“Fuck, you’re wet,” Catra exclaims, shaking the water off her hand. “I mean, ‘hey, Adora,’ glad you could make it.” Adora smiles weakly, offering the battered flowers.

“Sorry,” she says, “I meant to be here earlier, but the rain—”

“I know, I know,” Catra sighs. “Look, I’m not even really all that upset with you, it's just… you’re always away for so long. I want you to myself for as long as possible when you’re here.”

Adora spares her a smirk, knowing that Catra’s earnestness is winning out above her irritation. She looks around the tiny apartment; two rooms, half a kitchen, blankets and clothes strewn about, Catra’s makeshift nests leaving divots in the couch cushions. Home.

She moves to throw out the ruined flowers, but Catra stops her, snatching them away.

“They’re mine!” she says possessively, “I’ll press and dry them later. Even you couldn’t find a way to put flowers beyond my salvation.” Adora laughs.

“Good to know Perfuma hasn’t stopped her campaign to get you into plant care.” Catra grumbles.

“I prefer them dead and preserved. Perfuma’s style has too much dirt everywhere.” She places the roses gently on their tiny kitchen

table. “Go get changed, Adora. I can’t be around you when you’re so watery.”

Adora obliges her, stepping into the cell-like bedroom and closing the door. She’ll pretend at modesty for now; Catra likes the chase.

Since the airline lost her bag, Adora steals clothes from Catra’s drawer. Nevermind that her own drawer is still half-full; she wants to be wrapped in Catra’s scent. Plus, she knows what it does to Catra, to see Adora’s ass squeezed into shorts several sizes too small. Adora selects an especially revealing pink silk pair, neglecting to add panties to the ensemble. She completes the look with a baggy cropped tank top that falls to just below her breasts and leaves her deltoids exposed. No point in beating around the bush, she thinks.

Adora slides silently out of the bedroom and takes a moment to drink in Catra’s presence. Her hoodie-clad girlfriend is sitting on the couch, legs tucked up under her butt, mindlessly scrolling on her phone. Even in the ghostly bluish light, her face is picturesque; freckles and high cheekbones, an angled jaw and slightly pointed ears, heterochromatic eyes and unusually sharp canines visible when she smiles.

All told, Adora thinks Catra to be the picture of perfection.

“Hey, Catra.”

Hopefully tonight, she’s not just a picture.

Catra looks up, a little startled; she puts her phone to the side with more haste than is strictly necessary. Adora’s sudden and sultry appearance leaves her clearly flustered, but she makes a valiant effort to hide it.

“Hey, Adora. Wanna come sit?” Her voice is breathy. Adora sits, sliding an arm around Catra’s shoulders. Catra leans against her, almost imperceptibly.

“It’s good to be home,” she murmurs.

“Hmmm.” Catra’s nails, nearly an inch long and expertly crafted, trace small circles and lines across Adora’s exposed abdomen and hips. She nuzzles her face into the soft hollow of Adora’s neck.

“I missed you.”

“I missed you too.” Catra’s reply is less said than breathed across her skin. A shudder runs the length of her spine. The chase has barely begun, and all Catra needs to do to finish it is catch Adora in her mouth or hands.

“Your nails look nice,” Adora says, baiting her, surprised at how tremulous her voice is already. Catra laughs into her neck, another wave of hot air washing over her.

“I got them special,” she says, “with a couple short ones on my left hand.”

“And what could those be for?” Adora asks playfully. Catra slides her right hand up Adora’s stomach and under her shirt, cupping one of her breasts gently.

“How about I show you,” she breathes, nibbling at Adora’s neck and jaw.

“Please.” A whisper, or a command. Either way, Catra obeys.

Catra bites into Adora’s neck, just below her jaw, and Adora gasps, a wave of ecstasy rushing through her. Before it can settle, Catra’s nimble fingers find her nipple and pinch, then trace around her areola, light and soft and with just enough sensation that a moan escapes Adora’s mouth.

“Quiet,” Catra commands, shifting to straddle Adora and taking both of her tits in hand, pinching just enough to make Adora’s breath catch. “Am I going to have to keep you quiet?” Adora nods furiously, begging with whatever breath she has left for Catra to kiss her.

Catra's mouth meets hers, and Adora feels her lover's tongue, warm and supple, mingling with hers between their locked lips. Catra palms her tits, grinding her hips down in search of her own pleasure. Adora nibbles at her lip, and Catra kisses her hard, pulling back just enough to whisper, "None of that. You're mine for the evening, and I say no biting."

Adora groans as Catra tangles her hand into her hair, pulling Adora's head back to expose her throat. Catra traces the tip of her tongue all the way along Adora's neck, across her jaw, and flicks it through her lips. Simultaneously, her left hand wanders down to the hem of Adora's shorts, tracing along her hip with intent.

"Fuck me, Catra," she whispers, and Catra laughs softly.

"I'm trying, dearest. But it seems like your shirt is in the way."

Adora scrambles to take her top off. As soon as her tits are exposed, Catra's right hand finds Adora's throat, pressing gently and opening her up before taking her nipple in her mouth.

Adora's moan turns into a squeak as Catra chokes her, teasing around her nipples one at a time, brushing just the tip of her tongue across them, then sucking and flicking at them.

"Please. Please. Please," Adora takes up the mantra, not sure if she's begging Catra to finger her, lick her tits, or choke her.

Catra, for her part, does all three, doubling down on Adora's chest and neck while sliding her fingers down the blonde's shorts. Adora whimpers, feeling Catra's soft touch mingle with the wetness already leaking from her.

"My, my," Catra whispers, her breath dancing across Adora's nipple, "so wet for me already. Wouldn't it be fun for me to make you wait?" She pushes her hand farther, low enough to dip into Adora's soaked entrance, but holds back.

"Catra, oh my god, please fuck me with your fingers," Adora whimpers. Catra hums, enjoying herself.

“I think I want to see if you can cum just thinking about me inside you,” she says, deviously tracing the folds of Adora’s labia, “but that’s the only way you’re allowed to cum, until I say. Understand?”

Adora nods, terrified and ecstatic at the prospect. If Catra keeps her this worked up with no relief, she’s not sure how long she’ll last.

Catra’s tongue meets her tits again, her fingers circling lazily in the mess soaking Adora’s shorts but never entering her. She releases Adora’s throat, wrapping that hand around her back and digging her nails in between Adora’s shoulder blades. Adora gasps, and her lover winks up at her, tracing gently, then clawing at her again. Catra flicks her clit, and Adora lets out a whimper, arching her back and shoving her tits into Catra’s face. The smaller girl keeps her at the edge, enjoying her whispered and whimpered pleas for release, watching as every muscle Adora has stands out in sharper relief.

Desperate, Adora begins to thrust her hips int0 Catra’s palm. She manages this only twice before Catra pulls her hand away, letting go of Adora’s nipple with a pop of her mouth, and sitting up.

“I’ve changed my mind,” she says, devouring Adora with only her eyes. Adora looks at her longingly, half-heartedly thrusting her hips into empty air, her shorts pushed down around her thighs. “You’re going to pleasure me first.”

“Yes,” Adora says, desperately wound up, “anything.”

“Kneel.” Adora scrambles off the couch as Catra sits down on it, kneeling before her, plaintive and open.

The lithe brunette slides her own shorts, panties soaked, down to her ankles and kicks them off. She holds Adora at bay with a stern look, then opens her knees and spreads her thighs wide, showing off the pink folds of her pussy, glistening with slick.

“Watch,” she commands, dipping her fingers into herself, reaching up into the silky wetness with a low groan. Adora whines, her own pussy leaking down her thighs, begging to be used.

Catra pulls at the hem of her shirt, lifting it above her breasts, small and pert and perfect. She toys with herself, pinching her nipples to a delicate hard point, and watching Adora all the while. The mounting desire, the lust in her eyes, is unbearable to Adora, who tries to plead silently and fails.

Finally, finally, Catra nods slowly, lifting a leg to hook Adora’s muscled shoulder and draw her in, and Adora, desperate, plunges her tongue as deep as she can into Catra’s cunt. Taste blossoms across her tongue, tart and sweet and full of the stench of lust. She drinks it in, swallowing and lapping and muffling her moans in Catra’s pussy.

All she can see is Catra’s convulsing torso; all she can feel, Catra’s fingers tangling and tugging on her hair; all she can hear, Catra’s blissful, thankful moans swimming on the air; all she can smell, Catra’s scent mingling with salt and sex; all she can taste, Catra’s delicious dripping cunt.

“Fuck.” The word breaks through Catra’s moans, and Adora responds by flicking her tongue in figure eights over her girlfriend’s clit. Catra’s hips flex, forcing Adora deeper into her mess, deeper into bliss. “Fuck, Adora, I’m gonna—”

Adora doesn’t hear her over the taste of Catra’s cum flooding her mouth, spilling over her chin and down her neck and tits. She swallows, sucks, licks, but can’t possibly contain Catra’s orgasmic waves.

Catra falls back, limp, shuddering with aftershocks. Adora pulls away, trailing her tongue through Catra’s still-leaking folds one more time.

She sits down next to Catra, delighted in her lover’s pleasure, but painfully aware of her own throbbing, unsatisfied pussy. Catra

looks at her, giddy, smiling, blissful.

"I need a minute," she says, her voice ragged, "but then I'm coming for you. Or you're cumming for me. Whichever." Adora laughs, kissing her cheek.

"Take your time, but not too long," she says with a wink.

Catra sighs, her breaths becoming deeper and more even, her body, drained of all that Adora could take, softens and relaxes, and Adora cuddles up to her, tracing the line of her hips, her ass, and her belly.

She must have dozed off, because she wakes up to find that Catra has moved her to the bed, god knows how. Adora starts to sit up, feels herself leaking on the bed, and blushes. Making a mess of Catra's sheets? In this economy?

She moves to sit up again, and finds that her hands are bound with soft ribbon, tied to the headboard in intricate knots she'd have no hope of untying even with her hands free.

"Good, you're up," Catra says, stepping into view. She's put on tight leather pants, breasts exposed on top, the silhouette of Adora's favorite strap-on outline over her crotch. "I think it's time I had my fun," she steps closer, and Adora sees a small leather paddle in her hand, "if you'd be so lovely as to consent?"

Her eyes widen. She nods, vigorously.. Catra smiles, and takes her hips, guiding her into a position on all fours and Adora feels a new wave of slick coat her thighs.

"Be a good girl for me, and stay quiet?" Catra whispers, just behind her ear.

"Yes," Adora breathes, and Catra nips her earlobe.

"Good…" Catra draws the word out, and the paddle meets Adora's ass with a crisp smack that sends her lurching forward, a gasping moan on her breath. "Good girl," Catra murmurs, "I know you love

it when I mark you up," another smack, harder, sharp stinging pain flushing through Adora's legs and pussy.

Catra shifts, and Adora feels her pressing the shape of her cock against her hips and ass. It's only a taste, but as she pulls away, Adora hears Catra hum.

"Look at you," she says, "I still haven't entered you, and you're getting your pussy all over my cock." Smack. Harder, bruising, delicious. Adora is breathing hard; she's never been more desperate to feel Catra's fingers inside her. And finally, she does.

Catra slides her first and second fingers up to the knuckle int0 Adora's cunt. Adora's moan is ragged; she feels every millimeter as Catra presses along her dripping walls, pushing in and pulling out, more of Adora's slick coating her legs with each repetition. Catra bends her finger, finding the sensitive soft spot behind Adora's clit, pressing until Adora cries out in pleasure, pulling out and leaving her feeling so, so empty.

Adora's arms tremble; she drops from her hands to her elbows, ass in the air, face in the sheets. She doesn't care about anything except Catra's fingers, which find her again, brushing gently at her clit before dipping into her again.

"Harder," she begs, and Catra obliges her, steadily spreading her cunt wide, fucking her faster and faster with her fingers, the sound of Adora's pussy being used mixing with her rhythmic shouts of pleasure. Almost before she knows it, the tingling sensation spreads through her legs and she cums around Catra's fingers, soaking her thighs.

"You're cumming so easily," Catra breathes, lustful desire dripping from her voice, "can I make you cum again?" Adora nods, whimpers, feels Catra's hand disappear, and braces herself.

Catra's cock fills her, every ridge and bump felt as Catra thrusts deep into her cunt, and maybe it's just an aftershock, but Adora

feels herself cumming again, heat pounding through her as Catra fills her. But Catra is in no mood to stop.

Adora fades into bliss, once again aware only of her lover and herself and where their bodies meet. Catra fucks her like the world depends upon it, and maybe it does. She collapses into the bed, rocking with each thrust, clenching her pussy around Catra's glorious cock.

Finally, Catra collapses on top of her, rolling to the side to lay next to her in the bed soaked with Adora's slick and cum, gasping for breath. Adora trembles, falling into Catra's side, giddy and giggling, utterly taken away by the pleasure still rolling through her body. Breathing hard, Catra joins her, and their laughter turns into light kisses on any open skin they can reach.

"Fuck," Adora says, "fuck."

"We just did, or are you already ready for round two?" Catra smirks at her. "I might need a minute, but there's a vibrator on the bathroom counter if you—"

"No," Adora shakes her head, "I want to be here with you."

"It's really been too long," Catra murmurs, tucking herself between Adora's arm and chest. "You've got to stop going away like that."

"Fuck me like that, and I'm going nowhere," Adora whispers into Catra's hair, unruly as ever.

"Going nowhere sounds good to me."
