Adora had gotten to love these formal affairs in the years following the war. Royal balls such as this were a chance for her to relax and enjoy herself for a night, especially with her dashing wife as company, the two of them looking the glamorous royal couple they were no doubt always destined to be.

Oh, they would love to dance the night away without a care in the world. But for the moment, as the cheers of the party surrounded them, they were just relaxing on one of the couches surrounding the dance floor, Catra downing a glass of fine red wine, her third one of the evening.

Adora was drinking too, but not nearly as much as Catra was. Even after all these years, she was legendarily bad at holding her ale and didn't really want to cause a scene. So she was content to just sit and relax.

As she watched the party going on, Adora smiled fondly at the dancing guests, old friends and new faces from across the universe. It was times like this that reminded her just how grateful the universe was to her, for being the one to save it. Moments like this made all that hardship worth it.

While Adora was staring at the crowd fondly, Catra was looking her wife up and down. Whenever these royal balls happened, Adora was always the most glamorous woman in the room, not that she would admit it. The blonde still even after all this time didn't realise just how attractive she was.

And especially in that white and gold dress that just hugged her gorgeous form. She was so glad that she and Glimmer had helped Adora spruce up her fashion sense over the years, though there were times she missed the blonde's old red jacket. As Catra put her drink down, she admired her wife, how radiant she was… and how much Catra wanted to spice up the evening.

"Is it just me, or are you just glowing tonight, babe," Catra teased.

“Glowing?” Adora wondered, slightly confused. “Am I? I don’t feel any magic flowing through me.”

Catra facepalmed. “Not literally glowing, you dummy! I meant you look pretty!”

“Oh, *that* kind of glowing!” Adora realised, flushing red with embarrassment. “I mean… I look okay I guess.”

Her wife rolled her eyes but then just smiled. Stars, she loved her wife, she was such a dork. It was then, Catra decided to make her move, realising in this case, her actions would speak louder than her words. As Adora was idly staring at the dance floor again, Catra’s tail snaked around and slipped under the blonde’s skirt.

As the furry appendage pressed against her leg and travelled upwards, Adora let out an adorable squeak. Flushing, she turned to her left, seeing her dashing prince just smirking as she drank her wine, trying to play the innocent card. But Adora knew exactly what Catra was doing, especially with that knowing sexy smirk on her face.

“What?” Catra teased playfully. “I didn't do anything.”

“You.. are…” Adora whimpered.

“Can’t help it if my *wife* is so damn hot,” Catra whispered into Adora’s ear in the most seductive way possible. The emphasis on the word wife made Adora just shudder. God she loved being Catra’s wife, belonging to this gorgeous felid woman.

“Do you… have to do it now…” Adora stuttered. “People might… stare…”

“Maybe I *want* them to stare,” Catra hotly whispered.

“You’re… getting close…” Adora’s voice sounded so utterly precious at this point.

“Close to what?” Catra cheekily asked, her tail finally brushing against Adora’s panties. That little touch made Adora’s womanhood start to moisten, the blush on her cheeks growing larger and larger.

Adora had to bite her lip. "Catra..." While she was very embarrassed... she had to admit, she loved how Catra was turning her on. Catra then moved in closer, gently leaving a bite on her neck. She sucked the bruise so gently, yet so firmly that Adora shuddered from the reaction instantly.

"Oh fuck..." Adora moaned, before she quickly covered her mouth.

"Looks like you're mine, Adora," the catgirl whispered seductively into her ear.

A part of Adora was about to scream, the blonde so utterly turned on by her wife. She wanted to cry out to the woman to just rip her dress off and fuck her brains out right there and then, to bury her head into her legs and just take her. She needed to be fucked so goddamn bad.

But alas, that had to be put on hold as Catra noticed Glimmer walking over to them with a knowing smirk on her face. If anyone had seen what was going on… well, of course, it was her.

“Not interrupting anything am I?” The Queen wondered with a knowing look on her face.

Wearing the cockiest grin on her face, Catra leaned back and held out her wine glass to Glimmer. “Nah, we’re fine, Sparkles. Though do you mind grabbing me a refill? I think we’re all out of booze over here.”

Glimmer took the wine glass and nodded. “I’ll make sure it’s there for when you get back.” She shot Catra a wink as she walked away.

Adora’s eyes widened as Glimmer left. Was it *that* obvious? Apparently, it was.

Once Glimmer had gone, Catra then grabbed Adora's cheeks and kissed her hard. The blonde moaned into the kiss, feverishly turned on. Catra grabbed her wife and pulled her closer, fiercely kissing her. She completely surrendered as Catra took control, the kiss reminding Adora who she belonged to.

Adora weakly held on as her wife kissed her. Kissing Catra always felt amazing, but especially when the felid had turned her on like this. Now Adora was craving her wife's touch, craving it more than she wanted her next breath. Her hand weakly grabbed onto Catra's jacket, still holding on.

Still kissing her, Catra reached down and felt Adora's breasts through her dress, firmly pressing her palms upon her chest. Adora was melting, completely under Catra's sway, letting her wife do whatever she wanted to her.

"That's my good girl," Catra whispered as she broke the kiss. "Now, let's go somewhere a bit more private."

"O-Okay," Adora shyly responded, nodding.

Catra took her by the hand and quickly led her out of the ballroom and out into the castle halls. Eventually, they found their way to their suite and as soon as they were inside and the door was locked, Catra pinned Adora to the wall and kissed her again, there being a loud thump as Adora was slammed against the wall.

Finally alone, Catra knew she could finally ravish her wife without any interruptions. Her hands pinned Adora to the wall as she kissed her, the blonde completely surrendering without any resistance as Catra did as she pleased with her. She growled into the kiss, biting Adora's lip and tugging it a little.

Then, Catra began to kiss down Adora's neck, as her hand reached down and lifted up the blonde's skirt, her tail helping out as she rubbed Adora's womanhood through her lingerie. Adora gave in, moaning loudly as Catra kissed her neck, her face deep red with blush and sweat beading down her brow.

“Was this from the… wine?” Adora gasped, as Catra groped her breast.

“A little bit, but this is mostly just me wanting you, Adora, wanting you more than I want my next breath,” Catra breathed, as she dove in and bit Adora’s neck, sucking the bruise. Adora shuddered, the wetness between her legs growing.

Finally done with the teasing, Catra got down and lifted up Adora's skirt completely, peeling away the blonde’s underwear and casting them aside. Gazing at the shaved womanhood before her, she licked her lips and moved in, kissing the blonde’s folds softly and tenderly, savouring them like a nice dessert.

Adora whimpered, holding up her skirt with one hand and the other hand on Catra’s head, as the felid’s tongue moved up and down her lower lips, Adora not even *trying* to hide her moans. And Catra wouldn’t want her to. She wanted Adora to scream how much she loved this.

Moving up a little, Catra began to focus all of her attention on Adora’s clit, her tongue pressing down on the little bud, her whole mouth capturing the whole mound within it as she pleased her wife. She growled again, giving into her primal desire to eat Adora out like the princess she was.

“C-Catra…. Please…. Please….” Adora moaned, her eyes closed.

Catra kept up the pleasure, still focusing on Adora’s delicious bud. She was content, knowing that once again, her wife was putty in her hands. She could feel Adora’s hands running through her hair, gently pulling at it whenever a little surge of pleasure flowed through her. Her wife was loving this.

Grabbing onto the wall, Adora felt herself arching forward, giving every inch of herself to Catra’s mouth. She was trying her best not to accidentally transform into She-Ra and break the wall she was currently pinned to, although no one would really complain if she did. Hell, Glimmer would probably tease her about it.

She cried out in pleasure again, Adora staring down as Catra kept eating and tasting her, the pleasure on the bud sending waves through Adora's body, like little bursts of magic. Stars, she loved how good Catra was at this, at taking care of her, of making sure she was loved and pleased like this.

"Fuck!" Adora swore. "Oh fuck! Fuuuuuuck!"

Growling, Catra picked up the pace, wanting Adora to come badly. She wanted her to scream her name so loud the whole damn planet could hear her. Her tongue pressed down on Adora's clit, the felid staring up hungrily at Adora, who had shut her eyes and whose mouth was constantly open as she kept moaning and panting.

Adora moaned more as Catra devoured her womanhood, knowing her wave was on the verge of beginning to form. She could tell it wouldn't be long now, before she finally came. As she opened her eyes, she looked down at Catra tasting her, loving her, taking care of her… and god she wanted more.

The wave was soon forming inside of Adora, the blonde gripping Catra's hair tightly as she brought her closer to the edge. She cried out sharply, her mind on the verge of breaking as felt so near. "CATRA! I'M-!" But she could barely form out any more words than that. She wanted to come so bad.

Spurned on by that, Catra pulled away from the bud and slipped her tongue inside of the blonde, parting her folds and making her final move. That finally drove Adora over the edge as she came hard into Catra's mouth, finally releasing all that had been building up inside of her since Catra had teased her at the ball.

"CATRAAAAAA!!!!" Adora screamed, the orgasm shooting through her like a comet.

Tasting Adora's juices, Catra just drank in the pride she felt after having made her wife come once again. Adora just gazed at Catra hungrily, yanking her upwards and kissing her on the lips, wanting

to taste herself. Catra just kissed her back, the blonde humming adorably into the kiss as she recovered.

"Feel like going back to the party?" Catra asked with a grin as she parted from the kiss

"Yeah… once I recover from… *that* ," Adora panted. "The things you do to me…"

"Like you're complaining?" Catra snarked.
