Make You Beg

Over the course of their extended make out session, they'd managed to shed all of their clothes, moving through the house to end up in Adora's king size bed. Catra was enjoying the feel of all that exposed skin sliding against hers, and she chased Adora's lips as the blonde woman leaned back against the pillows.

She finally pulled away, slowly, loath to leave those delectable lips behind, but needing to breathe. The blonde placed a soft line of kisses down her neck and then leaned back.

There was a heavy pause, not uncomfortable, but enough to make Catra carefully search Adora's face. She could almost see the wheels spinning behind those darkened blue eyes.

"What's up princess?"

The response was in an almost hesitant tone, at odds with the hungry look the words accompanied.

"I want to use the strap."

Catra's chest tightened with anticipation. It was something they'd never done together before, but she'd be lying if she said she hadn't imagined it.

Now she flashed a thin, almost predatory smile.
"Oh do you? Who gets to wear it first?"

"First? Um…" Adora gulped, and Catra leaned in closer, pinning Adora with her gaze.

"What's the matter princess, don't you like to share?"

The blonde head bobbed up and down quickly.
"Oh, yeah, yeah…sharing is good. Very good."

One of the things that Catra had quickly realized about her new lover was that while Adora was very confident and capable when it came to sex, she sometimes turned into a lesbian disaster and briefly short-circuited. It was endearing.

And teasing her when she was in that state often activated a side of her that Catra very much enjoyed.

She decided to try that now, placing one palm flat against Adora's sternum and pressing her back against the pillows. Then she arched forward, sticking her boobs in the blonde's face and whispering directly into her ear.

"Are you thinking about fucking me princess?"
Then she traced the delicate shell of Adora's ear with her tongue and smiled at the ragged gasp that resulted.

The world suddenly spun as Adora flipped her over and she lay there, flat on her back and smirking as the firefighter pinned her down with her hips and hovered over her, eyes now sparking with blue fire.

The response came back in a near growl.
"Yes, but first I'm going to make you beg."

A shiver ran down Catra's body as one of Adora's hands reached up to hold down her wrists and the other braced on the mattress near her shoulder. This was going to be good.

"Try it, " she purred.

The cocky grin she got back was dripping with top energy.
"Just be patient."

Adora slipped out of the bed, and Catra's eyes followed her appreciatively as she put on a pair of briefs with an O-ring in the front and then walked back to the bed carrying two dildos and a bottle of lube. She placed those on the nightstand near Catra and looked at her with a smirk.
"What's your pleasure?"

Catra rolled over to take a closer look. The dildos were slightly different sizes, one was gold and the other…

"Are those the lesbian flag colors?"

"Yep. It's great to be gay."

Catra flopped back on the bed and stretched her arms over her head.
"Maybe you should prove it to me."

Adora's smile sharpened, and she got back on the bed kneeling in front of Catra and letting her eyes slowly rake across the body below her.

"Like what you see?"

Blue eyes flashed in answer, and Adora's voice came out with a hint of command.
"Turn over."

She complied, slowly flipping over onto her stomach, leaving her hands over her head, fingers grazing the cool metal of the headboard rails.

The assault of teasing kisses down her spine had her hands clenching in the sheets.

One of Adora's hands slid slowly down the side of her body to rest along her hip as the kisses continued down the curve of her ass and lingered.

Before she had time to shoot off a teasing barb, the hand on her hip slid under her stomach and levered her up, and Adora's tongue was tracing a line up her inner thigh. She could feel the warmth of that mouth nearing her pussy and let out a half-suppressed groan into the pillow.

And then Adora's tongue was on her, gently working through her folds, teasing around her clit with only the slightest amount of

pressure. She growled in frustration, feeling an answering chuckle from the other woman that trailed off into a moan as she pushed backwards into Adora's face.

The hand bracing against her abdomen pressed harder, anchoring her even as those fingers moved, caressing through her dark curls, keeping time with the lazy swipes of Adora's tongue.

Catra was competitive, sometimes overly so, and she knew this was a win/win situation, but she was still not ready to give in. It would take more than this to make her beg.

Adora's mouth moved away, but the hand underneath her was tracing light patterns against her inner thighs, while kisses pressed against the now very sensitized skin of her lower back.

Catra growled into the pillow as the blonde started slowly working her way back up, a bite against the curve of her ass, the swipe of a tongue against the line of her body, and the weight of Adora's body resting against hers.

The hand slid away even as her hips tried to pin it in place, craving more pressure. Instead it moved up her body to pull the hair away from her neck giving better access to Adora's lips. After a few light kisses, those lips found a spot and the pressure increased.

Catra hissed, arching against the mattress, her ass grinding back against Adora, who pushed into her with a moan. She could feel Adora's arousal even through the underwear, which only served to increase her own.

The hot mouth on her neck became more determined, no doubt in the process of creating a hickey, but she was beyond caring. Adora pressed against her body more insistently, her hands moving to hold Catra's wrists against the bed.

Their hips were now moving together as Adora continued to grind into her. In a sudden move, Catra bucked upwards and twisted her body so she now lay on her back.

A momentary look above her revealed a flushed face and wide eyes with dilated pupils, and then she was pulling Adora down and into a hungry kiss, neither of them pulling away until they were totally breathless. She nibbled her way down Adora's neck, and bit down on her shoulder, with a firm pressure she knew the firefighter liked.

There was the expected gasp in return, and then Adora's mouth was brushing against her ear.
"Can I fuck you now?"

"Please."

The blonde was up and moving quickly, propelled by desire and Catra took a moment to unclench her hands and take a deep breath, lazily watching as Adora returned to kneel in front of her.

"You're gorgeous like this," Adora said, tracing the outline of Catra's hipbone with a finger.
"Then again, you're gorgeous all the time."

"Come here."

The blonde obeyed, moving down to press their bodies together as if pulled by a magnet. Their bodies slid together, and their lips met again hungrily. This time, when Adora pulled back, she raised an eyebrow. Her attempt at a controlled smirk was marred by the lust in her eyes.

"Yes, for the love of god please fuck me."

"Good enough," came the response and then she was kissing Catra again.

With one hand, Adora positioned the dildo, and with a careful movement, slid inside. She'd applied lube, though at this point Catra was wet enough that it probably wasn't necessary. After moving her hips slowly a few times, she paused.

"Tell me what you want."

Catra panted, and managed, "Go slow to start."
"Yeah…like that," she continued as Adora's hips began to move again.

They worked their way into a slow rhythm that gradually increased. Catra's hands were roaming along Adora's arms, tracing the muscles that were more prominent as she braced herself against the mattress.

"Harder."

She moaned as her plea was instantly obeyed, and one of her hands drifted down to caress the firefighter's hip before it moved to her rest between her own legs.
As Adora watched, rapt, she started to stroke her own clit.
"You're so hot. Fuck."

"That feels really good. You feel really good."
Her voice was coming out breathless now.

Adora moved one hand up to brace against the headboard and the other one latched onto Catra's hip, assisting in their upward motion.

The slight shift in angle drew another groan out of Catra.
"Yeah, like that, fuck."

With the added leverage and motion, the thrusts went deeper and Catra started to come completely undone.

Words were tumbling out of her mouth now, a litany of filthy praise. The sound of her own voice blending with Adora's and their combined shuddering breaths.

She was close now, and knew Adora could tell. Their mouths came together in a series of sloppy kisses, and she bit down on Adora's lip, wringing another deep moan from the other woman.

When she hit the peak any words were cut off by a ragged gasp and she fell back against the mattress limply.

Above her, Adora froze, her breath coming in short pants as she leaned forward to press her face into Catra’s neck.

In some part of her mind, she could feel Adora gently pulling out and moving away, returning a moment later to collapse on the bed next to her. She rolled over and curled up against Adora’s body, nuzzling in as arms wrapped around her.

Once her heart rate had returned to normal, she said, “That was amazing.”

“It was.”
A kiss pressed against the top of her head.

“It didn’t count as begging though.”

The body under her bounced slightly as Adora laughed.
“No, you were very polite. At first.”

She bumped her head lightly against the firefighter’s shoulder.
“I bet I'll make you beg though.”

Adora let out a happy sigh.
“Oh, I look forward to it.”

They rested there, content in the afterglow.
