Thick Thighs in Tight Thigh-Highs

by SmolGirlOwO

Summary

While working for her mother's company, Glimmer is expected to dress like a prim and proper office lady, with all the pencil skirts, stockings, and high heels that entails, even though no one ever even notices what she's wearing.

Well, no one but her girlfriend, Catra, who appreciates the look more than enough for Glimmer to keep doing it.

“Uuuuu-gggg-hhh! I hate these stupid clothes.”

Catra can hear her girlfriend groaning long before she comes into the bedroom and long after she face-plants into their bed. She turns her eyes away from her textbook, looking at Glimmer with a light chuckle on her lips. Her girlfriend is thrashing about like a toddler amid a tantrum, all because she finally has to dress like the business major she is.

“I don’t know, Sparkles. Things are looking pretty good from where I’m sitting.” Catra can’t lie; Glimmer looks incredible right now.

Her girlfriend has always had a beautiful figure. Glimmer's face is adorable, her boobs are delectable, and her arms have as much muscle as fat in them. She has a chubby tummy made for cuddling and wide hips made for something far more intimate. Her ass is bordering on divine, but for Catra’s money, it’s still not even her best feature.

No, Catra’s favourite is Glimmer’s thighs. They’re as long as her short stature can manage and twice as thick. Her shins and calves are thick with muscle, while her upper thighs are the softest pillows Catra knows. And when Glimmer has them squeezed into dark black thigh-high stockings that disappear into the den of temptation that is her pencil skirt?

Well, Catra can only be so hard. “You look very, very good.”

“Don’t objectify me, Cat.” Glimmer lifts her head to look at Catra with pouty indignation.

“You love being objectified, and you love pouting. No sin on my conscience.” Catra crosses her legs to hide the bulge in her leggings. She wants to remind Glimmer how hot she is, but not quite yet.

Glimmer rolls over and sticks her tongue out at Catra. Her purple blouse and skirt are all wrinkled now, but that just makes Catra

want her more. “You’re nothing but sin. All you think about is being evil and having sex.”

“Hey, I’m your girlfriend!” Catra yells just a little too loud, making a smirk appear on Glimmer’s lips. It’s easier to get under her skin when it’s so hot. “I’m not evil. I’m charmingly malicious.”

“Well, you are charming.” Glimmer sits up and leans in to kiss Catra, her favourite form of apology. It’s the only reason they have to keep doing these playfights since they got together, but Catra would never complain about kisses. “Now, care to fight those sexual allegations?”

With those words, Glimmer goes ten steps further than kissing. She puts her hand against Catra’s hip, only to get a handful of hard cock instead. Delight and desire flash through Glimmer’s eyes as she squeezes it, and Catra has to chuckle to stop herself from moaning.

“What? You finished your first adult work week. I think that calls for some kind of celebration.” Catra moves one hand to Glimmer’s hips and the other to her thigh, pulling Glimmer tight against her body. “Nothing impure about that.”

“Says the girl that’s been hard ever since I told her my mom made me buy garter belts.” Glimmer tries to keep looking into Catra’s eyes, but her cock demands far more attention. “Fuck, Cat, you are hard. How long have you been hiding this from me?”

Catra rolls her eyes, thankful Glimmer isn’t looking at her blushing face. “I haven’t. I caved and bought myself some Viagra. Not that I can’t make you scream my name with only a half-hard cock.”

“You can make me cum, but it’s not a real scream if you don’t hit my back walls.” Glimmer tightens the grip her thigh has on Catra’s hips, sliding onto her lap. She rolls her public bone against Catra’s cock, and this time she does moan. “Hmm. Are you sure you still have the inches to do that? It doesn’t feel like it…”

“I have more cock than you can take, Princess.” Catra hopes that’s still true, but she hasn’t been measuring her cock since her hormones started making it atrophy. “But we’ll get there. I want to show you the beauty of this outfit before I rip it off of you. Serving this much cunt is an act worthy of worship.”

“The last time you said you’d worship me, you put hickies on my titties, and I had to beg you to finally fuck me.” Glimmer presses her full, flushed chest against Catra. “But that was fun, so I guess we can do it again.”

“I’m thinking about going a little lower, actually.” Catra presses her fingers into Glimmer’s chest, and her girlfriend falls back on the bed. “Get a pillow under your head and watch me work.”

Glimmer can’t hide her smile as she lays down, her eyes focused on Catra as she slides down the bed. She kneels at Glimmer’s feet, and Glimmer finally starts to blush as Catra grabs the left one. Catra looks down at the high heel Glimmer is wearing before pressing her lips to the tip for the most delicate of kisses.

“C-Catra, that’s my heel.” Glimmer’s face grows scarlet as Catra kisses all along the edge of the shoe.

“And what a beautiful heel it is.” Jet black. Closed toed. A purple bow at the vamp and a black one around Glimmer’s ankle that she had to tie herself. It’s the least put-together part and, consequently, Catra’s favourite. “So much pain, for such little notice.”

Glimmer blush goes down her neck and into her blouse, but she holds her leg steady for Catra. “As long as you notice, I’m happy.”

Catra responds with action, biting the anklet and pulling it loose. Glimmer coos as her heel is pulled away, and Catra kisses her stocking-clad ankle instead. She kisses back down Glimmer’s foot as it’s exposed, ending with her lips around Glimmer’s big toe as the heel is tossed off the bed. Catra sucks and licks at it, with

Glimmer barely able to breathe until Catra has finished worshipping all five of her toes.

"I can't believe I'm letting you give me a foot fetish." Glimmer has her hands over her face to try to pretend like she's embarrassed by the love of her life massaging and kissing her feet.

"Don't have such sweet, soft soles if you don't want them appreciated properly." Catra runs one last lick across the underside of Glimmer's foot before setting it down and grabbing the right. "Seriously, it's like you sweat fairy dust. Great for me, but weird as shit, Sparkles."

"Oh, shut up and lick my shoe."

Glimmer pushes her foot towards Catra, and this time, the actual heel of her high heel slides into Catra's mouth. She gives a momentary look of shock before wrapping her lips around it and sucking. Glimmer audibly gasps, but her eyes stay firmly intertwined with Catra's as she swallows all four inches. Air rushes into both their lungs when Catra finally pulls off, but she's immediately back to worshipping Glimmer's feet.

Glimmer's heel comes off faster this time, and when Catra reaches her toes, Glimmer is more proactive. They're only small movements that dictate what Catra licks or sucks next, but she deeply enjoys her girlfriend joining in the fun. Though, admittedly, Glimmer's cooperation is far more helpful in the far less sexual task of Catra rubbing the tension out of her ankle and the heel of her foot.

"Well, your heels have felt the love." Catra sets the second foot down, only to immediately run her fingers up Glimmer's thigh until she reaches her skirt. "Now, why don't I teach these thigh highs just how valuable they are?"

"Yes please!" Glimmer almost claps with excitement, though her thoughts are clearly on what's between her thighs, not her thighs themselves. Oh well, tormenting her will be fun.

Catra climbs off the bed, and Glimmer whines in the absence of her warm touch. It makes Catra laugh at her, but she's certainly stripping faster than she normally would. Her shirt is tossed into the corner of the room, her bralette follows, and her leggings and panties come off in one quick, jagged motion. Fully naked and fully erect—her big cock pointed right at Glimmer—Catra climbs back onto the bed.

She first kisses the sole of Glimmer's right foot. She kisses up and over her toes, and then licks down to her ankle. Entering unexplored territory, Catra moves her lips up Glimmer's leg, kissing, licking, and occasionally biting the sheer black nylon. When she reaches her knee and feels how much Glimmer is trembling with excitement, Catra moves her lips to the sole on the other side and repeats the process.

After minutes of her feet and calves being tortuously worshipped, Glimmer finally gives in. "Catra, please; I need you. I need you so bad. Please kiss me higher. Make me feel good!"

"Does this not feel good?" Sarcasm fills in for the insecurity normally found in those words.

"It does! God, it does! OOH~!" Glimmer screams out a moan as Catra bites through the stocking for the first time, leaving deep teeth marks on Glimmer's right thigh. "Please, Cat, take care of me…"

"Sparkles, I know you can beg better than that." Catra sighs and shakes her head. "But maybe that's more fun. When I'm done fucking you, just know I'm coming back for these legs, and there'll be nothing you can do then."

Catra switches to the untainted leg and finally kisses Glimmer's upper thighs. Her lips seem to meld into the warm, fatty flesh, Glimmer's ever-increasing moans only encourage deeper love. There's so much flesh to give her love to, but as the sweet smell of Glimmer's soaked pussy floats out from her skirt, Catra's focus

changes. Her cock is so hard, and she wants to fill Glimmer so badly.

As her lips finally touch Glimmer's skirt, Catra undoes the zipper while her girlfriend gasps in excitement. She rolls the skirt up and over Glimmer's hips, her lips hunting every inch of Glimmer she exposes in the process. The tops of her thigh highs, the metal clasps of her garter belts, her creamy nude flesh, and finally, Catra gives one kiss to Glimmer's wet panties.

"Please, please, please, please…"

Catra doesn't know if the desperation is more clear on Glimmer's face or in her loins. Mostly because she can't look at Glimmer's face. She can't imagine anyone being able to look away from Glimmer's fat pussy lips, so well clung to by wet lace.

Catra pulls Glimmer's panties to her knees before throwing them over her shoulders. Her cunt drips onto the bed, tiny whimpers leaving her mouth as Catra breathes on her desire. With one kiss to her clit, Glimmer slams both of her hands on Catra's head. When she flicks Glimmer's clit with her tongue, two thick thighs are suddenly wrapped around her head.

Buried in her girlfriend's thighs, Catra buries her face in her pussy. Pussy juice and moans flow freely as Catra's tongue pierces Glimmer's folds. She starts fucking the hole furiously, listening to Glimmer beg for more as she rocks her hips against Catra's face.

After a few airless minutes, Catra manages to sneak a hand into the cocoon of thigh meat and slides two fingers into Glimmer. She loses her words as Catra starts to scissor and thrust them about in her pussy, but her legs only cling to her tighter. As much as Glimmer wants Catra's cock to replace the fingers and tongue, she's not able to let go of her girlfriend.

Catra will need to exhaust her before she can get out, but thankfully, this is the best place to exhaust her.

A third finger slides into Glimmer's cunt, while Catra moves her tongue back to her clit. With her other hand, Catra puts a fourth finger in Glimmer's glistening mess, only to pull it out just as fast. That finger goes directly into her asshole, and Catra alternates her thrusts as her tongue denies her clit any kind of break. Catra feels like she's going to faint, but the spray of pussy juice as Glimmer squirts is an instant wake-up.

Face covered in the avalanche of girl cum she couldn't devour, Catra lifts her head from Glimmer's pussy as her legs finally fall back on the bed. They're both breathing heavily, but Catra's cock is throbbing too much to wait.

She pulls up Glimmer's blouse and pulls down her bra so she can watch her full tits bounce as she fucks her. Though, as Catra presses her unprotected cock to Glimmer's hungry folds, she manages a moment of control. "Condom?"

"Y-yeah…" Glimmer whines even as she reaches for the box on their nightstand. She always wants Catra to cum in her, and she always forgets to consistently take her birth control. "Fuck…"

"I'm about to."

Glimmer throws the condom wrapper at Catra, and she opens it and rolls it onto her cock. With a snicker, Catra looks down at her impressive length. She's not as big as she was when she and Glimmer were teenagers, but when she wraps both hands around her cock and still sees her whole tip, she knows she can still fill her girl's pussy to its absolute limit.

Catra runs the underside of her shaft against Glimmer's wet lips, leaving her to whimper and moan. She has her fingers all over her tits, squeezing her nipples to feel something while waiting to be stuffed. Even after squirting, Glimmer needs a cock deep inside of her so badly, and Catra needs to feel her walls just as much.

Catra presses her cock to Glimmer's entrance and slides it in to the sound of the most beautiful moan Glimmer has ever made.

One hand moves to her face to try to hide her pleasure, but Catra throws it out of the way and kisses her. Their lips lock together as Catra buries herself in the tight warmth, Glimmer's moans flowing directly into her.

With a gentle rocking of her hips, Catra brings love back to Glimmer's depths. She hasn't been fucked this deep in so long, but her walls know that they belong to Catra. As she gets closer to filling her completely, Glimmer tries to wrap her thighs around Catra's hips and take control, but Catra digs her nails into her thighs and leaves them floating in the air.

"You should savour this pleasure, Sparkles." Catra draws her lips back, and Glimmer has given up trying to control her squeals. She's just enjoying herself as Catra begins to slide into her most vulnerable place. "After all, when I fuck your cervix, you're going to be getting off on pure pain."

Glimmer whines at her biggest fetish being put in such clear, guttural terms, but her walls flutter around Catra's cock to tell her it's time to act on it. Catra keeps worming herself deeper until she finally feels that little barrier. Glimmer's eyes roll back as she moan-screams, and Catra takes the moment to admire her girlfriend's orgasmic face.

She gives Glimmer's walls a few seconds to become reacquainted with being so well-filled before pulling back and thrusting into Glimmer's cervix for real. "OOH~! Pound me! Pound me! Pound ME~! Fucking fuck up my cunt, Cat!"

"Gladly."

Catra pulls back to her tip and then slams herself into Glimmer's back walls. Glimmer screams with joy at every thrust, each scream slowly stringing into one continuous drone as Catra's hips fuck her faster and faster. She can't remember Glimmer ever feeling better than she does at this moment, and she's never moaned like this before.

Moving her hands to Glimmer's hips for leverage, Glimmer's thighs immediately lock around Catra's hips. With mounting pressure from Glimmer's thighs and her own body, Catra begins to lessen her thrusts.

The big back-and-forth thrusts are immediately lost, with her shorter thrusts holding for some time despite always getting shorter. Speed is much more on her side, but as her need to cum builds, Catra has to stop pushing to make sure Glimmer does first.

Glimmer sneaks a hand in between their tightly pressed bodies, nodding at Catra as she presses down on her clit. Catra leans down to kiss her, putting all the remaining strength she has into pounding Glimmer as hard as she can.

Under a symphony of choked moans and slapping thighs, the girls ride out the hottest minute of their relationship in pleasure-seeking synchronicity before finally cresting the hill of orgasm. Finally coming undone, they both scream into their kiss.

Glimmer has a slight lead, spraying Catra's hips and thighs with her juices as she falls limp. Well, more limp. Catra stops moving as she fills the condom to bursting—the one thing about her dick that has gone completely unaffected by HRT. She pushes Glimmer's thighs off of her and pulls out, tying off the condom before tossing it onto Glimmer's tummy to be admired.

Catra lays down next to Glimmer, both of them feeling cold despite the thick miasma of warmth around them. Both of them desperately want to do it again, but at least for a few minutes, they're both too tired to fuck. Glimmer looks over at Catra and smiles, pressing a deep kiss to her cheek.

"Thank you for that…"

"No one I'd rather do that to…" Catra is far more exhausted than Glimmer, but she can still turn her head for a kiss. "Especially if you keep wearing that stuff…"

Glimmer snickers. “Well, I still have lots to learn from working with my mom before I’m ready to be my own girl boss. …hey, babe?”

“Yeah?”

“You have to start interning with a legal office next semester, right?” Catra responded with a nod. “Well, when you have to buy suits for that, I want you to remember tonight. A foot fetish isn’t the only thing you gave me…”

Catra’s face floods with blush as she imagines herself fucking Glimmer in a suit and tie, the giddy smile on her face fighting to become a smirk. “I certainly will, Sparkles. I certainly will.
