Summary

being between adora's legs may be the only time catra truly feels 'beneath' her but like in the best way.

They say often the smallest choices change the entire trajectory of your life.

Catra isn't sure what has her end up in *this* situation, but may she lay here for the rest of her life with her head clutched between Adora's thighs. This might be the only time she would ever allow herself to be below her.

Because in a way, she still has control. Control over her pleasure. Desire to give her what she wants (but despite everything, Adora always gets what she wants, one way or another). Or she can not give her anything. Adora has to chase after her relief—riding and grinding on her mouth and hand and for once Catra can just sit back and watch the glorious sight of her.

"Ah, *ah* ." Adora's whimpers reverberate through the empty room. Obviously aside from them and enjoying (??) each other's company. Really, a small fight somehow escalates to this, and Catra can't find herself complaining. There's no rules here, just her between the legs of (admittedly) a goddess and plenty of time for once. She's lost count how many orgasms she's already brought Adora to on just her tongue, and they have yet to account for the *other* fun toys around there they can mess with whenever they damn well please. At least until they get out of this area. Catra doesn't even seem to care all that much for being rescued as long as she stays here . . .

"What's wrong, Adora~? Can't take another one?"

"I don't–ah– *know* ," she admits through a little moan that rings like chimes in Catra's ears. "I'm surprised I could take–even one."

"You're so *innocent* . I can't believe even after that," Catra twirls her tongue between Adora's folds. "You STILL hold that side of you up. It's ingrained in you no matter how much you've seen or experienced by now."

"Maybe I just like the universe to surprise me with something different for once–this is definitely a surprise. Didn't know

someone can work their tongue on me like that."

"Well hey, I've had enough practice with other partners, so I sure as hell aim to be the best you've ever bedded."

"Of course, because you have to be the best at everything, even something like eating a girl out."

"Not eating just eating any girl out," she corrects, "Only eating *you* out because I don't want you thinking about anyone else after this."

"Who do I have to think about? Romantically or sexually, anyway?"

"Glimmer?"

"Glimmer has Bow."

"Oh. Well uh. Shit, I don't know. Now just come again, will you?"

"You have to put in *the effort* in order for me to do that again for you, Catra."

"Ughhhhh."
