Hufflepuff *added* ***She-Ra, Kitty, Sparkles, Archer, Zen, Watergirl, Arsonist, Techy,*** *and* ***Actor*** *to* ***New Cha****t*

Hufflepuff *named the chat* ***EHS Homo Support group***

12:24 pm

Hufflepuff: Welcome.

Kitty: wtf is this

She-Ra: A gay support group?

Watergirl: Who are all of you? Cuz the only class on lunch right now are the seniors and I know for a fact that there's only three ppl from the senior chat here.

Archer: Well Hello everyone! Scorpia and I wanted to take the Confirmed Queers of the school and give us all a place to talk! And thus this chat was born! (Hi it's Bow I'm a Sneior, as are Adora, Glimmer, Catra, and Scorpia)

Archer: *senior not Sneior

Arsonist: OH THATS A GLAMOROUS IDEA JUNIOR SQUAD SOUND OFF

Watergirl: Seahawk, Perfuma, and I are the Juniors.

Actor: Well I suppose that Leaves our lovely tech expert Entrapta and I to represent the sophomores :)

Techy: While that does account for everyone, It does not make much sense to call this a support group when there doesn't seem to be any freshman, our most at risk student demographic.

Kitty: yeah but freshman are fvcking annoying

She-Ra: We were all freshmen at one point, but yeah they're annoying sometimes.

She-Ra: ANYWays time for introductions because I don't know many of y'all that well

She-Ra: I'll start, Hello I'm Adora, I'm a Sneior, I use she/her pronouns I'm a raging lesbian and I'm the co-captain of the football team!

She-Ra: Glimmer you go next.

Sparkles: Okay!

Sparkles: Hi! I'm Glimmer, I'm also a Sneior, I use she/her pronouns and I'm queer! I'm also on the cheer team! Hey bow you go next!

Archer: Hello everyone, I'm Bow! I'm a Senior not a Sneior and y'all need to stop and I use he/him! I'm bi and also a trans guy! I'm ironically an archer and I'm on the yearbook committee with Scorpia!

Archer: Speaking of Scorpia, you go next.

Hufflepuff: My turn!!!

Hufflepuff: Hi there!!!! I'm Scorpia, I'm a Sneior like said before!!! I use she/her and I'm a lesbian! I'm in yearbook with Bow and I help manage the soccer team!!! Catra it's your turn next please!

Kitty: this is dumb.

Kitty *has left the chat*

Hufflepuff *has added* ***Kitty*** *to the chat*

Hufflepuff: Catra be nice.

Kitty: fine. I'm Catra. I use she/her but they/them is fine to ig. Im a senior and I'm captain of the soccer team.

Kitty: I'm a lesbian.

Kitty: entrapta go next

Techy: Affirmative! I'm Entrapta, i use any pronoun that you want but I tend to use she, I'm a sophomore, aroace, and I'm on the robotics team! Mx. DT I think that you should go next since you're the only other sohphmore!

Actor: That was a lovely introduction all of you. Hello, I'm DT, short for double trouble. I use they/them pronouns and I don't really use labels but I wouldn't be interested in any of you now would I? I'm a sophomore and in theatre! Where I thrive <3

Kitty: Damn all nb ppl really do use wack names

She-Ra: Catra!!! That's rude!!!!

Kitty: its true. No hate but y'all have weird ass names

Actor: No hate at all…

Actor: at least we aren't furries darling.

Kitty *has removed* ***Actor*** *from the chat*

3:15

Hufflepuff *has added* ***Actor*** *to the chat*

Hufflepuff: Anyways! Juniors introduce yourselves! Babe you go first!

Zen: This is a wonderful chat lovely <3 Hello all! I'm Perfuma and I use she/her pronouns! I'm pan and I don't do any school activities but I help my family run a yoga studio on the weekends <3 (You next Mermista!)

Hufflepuff: Good job darling!!!

Kitty: I know that youre awake, you posted about the sunrise on instagram

Sparkles: it's too early for this catra

Archer > Sparkles

1:02 pm

Archer: So I know that it may make me a shitty friend but I really Do Not want to get my ass kicked by an angry Adora. Can i maybe bring in Catra? I know that the two are getting close and that they went to the same school?

Sparkles: let me ask

Sparkles: she says it’s fine but you need to give catra a bit of context and “Pick her up from the school because she doesn’t want us to see her house, it’s really weird but she deserves our respect.”

Sparkles: can you maybe hurry?

Archer: I'm on it

Archer > Kitty

1:05 pm

Archer: I don't know how to ask this but would you maybe be willing to fist fight Adora for a few hours?

Kitty: what the fuck? How is that relevant right now?

Archer: remember what happened earlier?

Kitty: kinda hard to forget, they literally banned homosexuality.

Archer: Well, Adora has a kinda rough past, it's not my place to explain but everything that happened was a real trigger for her and it's usually easiest for her to think after punching something.

Kitty: how does this have to do with me?

Archer: she's usually willing to soften her blows for me but she's been needing to punch something without holding back for a

while and I know that you like to fight sometimes

Archer: So do you wanna fist fight Adora for a few hours?

Kitty: Am I going to get an explanation after?

Archer: if you ask her, probably

Kitty: Then yeah sure

Archer: I'll pick you up from the school, say fifteen minutes?

Kitty: Sure

Archer: you can stay the night if you want but you have to bring pajamas this time

Archer: I have a feeling that Adora's got a lot of punching in her.

Kitty: Don't we have school tomorrow?

Archer: yes?

Kitty: okay cool I'm at the school when you decide to stop texting and drive.

Archer: :)

Kitty > Sparkles
1:15 pm

Kitty: Bow wanted me to let you know that were on oyr way

Sparkles: Thanks, please hurry up though

Kitty: he's already driving like a mad man don't encourage this.

Archer *added* ***Actor,*** *and* ***Zen*** *to* ***New Chat***

Archer *named* ***New chat, Trans with a plan***

3:30 pm

Archer: so upon discovering that the school is continuing to misgender us. I vote that we allusios it to our advantage

Archer: *All use

Zen: Yeah, the vibes of our school are all so negative that it makes it extremely difficult to maintain a positive outlook.

Actor: do we get to create some chaos because if so I have the perfect person to add to this chat

Archer: gather all the trans people you can. Becuase my friends are all suffering and I will not stand for it.

Actor: >:)

Actor *added* ***Alwaysmyfault***

Alwaysmyfault: Hey what the fuck is this

Archer: A fight of the homosexuality ban by using our own Miss. Genders

Zen: In my case Mr. Gender

Alwaysmyfault: oh bet.

Archer: so we've all got a SO right?

Actor: except me but i've got a girl or two I can cause some trouble with

Archer: perfect.

Archer: So here's the plan.

Archer: excessive pda.

Archer: enough that a teacher has to say something. And remember, when they try to stop you, "because it's forcing your beliefs on others" simply explain that you're not actually the gender that they think you are!

Archer: Remember, confuse the fuck out of them. Do not let them send you to detention alone.

Zen: I think that I speak for all of us when I say, lets do this.

Actor: cause chaos be trans.

Alwaysmyfault: lets go homosexuals

Archer > Sparkles

4:00 pm

Archer: so while Catra and Adora get coffee and talk about trauma, do you wanna get detention with me?

Archer: at school tomorrow I mean

Archer: right now I could really go for some ice cream though

Sparkles: I'd love to! Let me escape Mom, she's being clingy

Archer: I'll meet you at the park, I've already got your favorite ben and jerry's

Sparkles: you really know how to treat a women <3

Kitty > She-Ra

11:52 pm

She-Ra: So I've got a feeling that you've got some questions still?

Kitty: Yeah, a few

She-Ra: would it be easier if I told you from the beginning?

Kitty: Probably

She-Ra: this is gonna be a lot of texting so bear with me

She-Ra: when iwas younger, maybe 2? I was put in the foster care system. It wasn't a necessarily bad thing, I know that my

parents weren't fit to take care of me, and I don't really remember them. But I bounced around homes a lot.

She-Ra: Nobody really wanted the kid with too much energy or anger issues, so I never stayed anywhere longer than a year or two. That was fine with me, I didn't get along well with many of the families I stayed with anyways. But when I was about 12? I think? (I don't remember those few years very well) I was placed with one of our teachers.

Kitty: Shadow Weaver?

She-Ra: yeah.

She-Ra: it was fine at first. She was nothing but kind to me… Hell she even had me attend church with her for a while…..

She-Ra: But I got too comfortable. Started making friends, and better than friends.

She-Ra: I guess that she didn't like that? That I was gay I mean.

Kitty: Oh Adora…. That's awful

She-Ra: yeah,,,

She-Ra: I never officially came out?

She-Ra: there was this older girl that I was close with, remember Huntara?

Kitty: Yeah, she was really scary sometimes. But you two always seemed pretty close.

She-Ra: mhm. Well we were studying one day, sitting a little to close together, and She walked in.

She-Ra: I'm not going to go into detail but that was a rough few weeks for me, and when my social worker checked in on me again, I asked to be moved.

She-Ra: I ended up placed with Razz?

She-Ra: she adopted me a few years after, and the rest is history.

She-Ra: But yeah! So I guess the ban just kind of reminded me of a few things I wanted to stay in the past! Lol

Kitty: But wait, Isn’t she still a teacher?

She-Ra: I didn’t have enough proof to do anything other than make my life hell. So I never really told anyone

Kitty: I’m coming over.

She-Ra: catra it’s fine you don’t need to come over!

Kitty: shut up I’m already on my way and I’m spending the night

She-Ra: fine but you’ll have to climb in my window so we don’t interrupt Razz’s movie night.

Kitty: bet.

Kitty > Hufflepuff

3:42 am

Kitty: we have a bit of a problem

Kitty: I think that I've got a crush on adora????

Kitty: Definitely have a crush on Adora

Kitty: I'm so screwed.

Hufflepuff: You didn't already know that? I've known for weeks.

Kitty: SCORPIA THIS ISN't funny!!!!!!

Kitty: SHE's GOING TO HATE ME

Hufflepuff: no she won't go to bed and get ready for class in a few hours.

Kitty: I can't Adora stole all the blankets.

Hufflepuff: YOU SLEPT TOGETHER????

Kitty: NOT LIKE THAT JEEZ

Two Dumb Lesbians

6:30 am

Archer *renamed* ***Two Dumb Lesbian*** *to* ***Catradora Protection Squad***

Archer: I'm not going into details but I think it's time that we cause some trouble for the school. And we're doing it one here because I'm not willing to bring our gals into it.

Archer: the trans squad of the school is first up today for trouble. Don't comment on the pda.

Archer: I'd like for anyone willing to get detention to wear as much rainbow as possible today.

Archer: Deck yourself out in as much pride gear as possible and tell anyone who's queer to do the same.

Archer: Lets go homos.

Mermaid: be gay do crime.

Hell Group

She-Ra: YALL ARE FANTASTIC AND ILL BREAK AS MANY OF YOU OUT OF DETENTION AS I CAN

Archer: So I’m in calc right????

Kitty: you can do math?

Archer: shut your fuck, I saw Adora helping you with math.

Techy: That doesn’t compute. Catra is great at math.

Kitty: SO YOU’RE IN CALC

Archer: WE'RE GOING BACK TO THAT LATER BUT YEAH SO IM IN CALC

Archer: AND GUESS WHO VALKS IN /COVERED/ IN HICKEYS

Sparkles: WAS IT LONNIE?????

Archer: IY WAS FUCKING LONNIE

Archer: SO LIKE A SANE TEACHER (FOR ONCE) MRS. WEAVER GOES LIKE "Insufferable child what is on your neck"

Archer: AND DO YOU KMOW WHAT LONNIE SAYS?????????????

Archer: I THOUGHT THAT I WASHED OFF AFTER EATING OUT WELL ENOUGH SO DEFINETLY JSUT SOME HIKKIES

Mermaid: aldaldkfalkfdahflajdflafal

Sparkles: HOLY SHIT

Actor: An Icon™

She-Ra: WHY DO I SUDDENLTHHY HAVE SO MUCH RESPECT FOR HER????

Kitty: damn all the queer kids really just went "Fuck you"

Kitty: so I know that I speak for both Adora and Myself when I ask,,,

Kitty: what's next?

She-Ra: How opposed are y'all to a little b & e?

Zen: how many times to I have to tell you all that you can't break into places just because you're angry. If we want change we need to go through the legal routes to get approved and stay out of jail!

She-Ra: anyways who wants to vandalize a few things? I've got spray paint and glitter??

Techy: I'd be willing to disable the cameras so you all don't get caught?

Kitty: that's the spirit!

Archer: so we aren't going to vandalize the school.

Archer: but we can stage a protest on wednesday?

Archer: maybe a full school walkout???

Sparkles: I like the way that you think Bow.

Kitty: that's actually a really good plan…

Mermaid: in this group we have a lot of different clique ppl. We could gather almost the entire school population.

Sparkles: Are we actually doing this????

Sparkles: Cuz if so we need to plan fast.

Archer: Adora, care to take the planning reigns?

She-Ra: I'd love to!!

She-Ra: Entrapta: robotics nerds. DT: I trust that the theatre kids are in the mood for it? Glimmer: You're on cheerleader duty. Perfuma: you aren't involved in student council but you're buds with them and I trust you to snag them.

She-Ra: I'm on football and softball duty. Scorpia: snag the yearbook team and soccer team. Bow: You get to do the english nerds, see if your dads want to help out with the teachers.

She-Ra: Mermista: you get the fun task of swim team and if you want to yell the stoners into joining you're welcome to. Same goes for Sea hawk and the wrestling boys that I know you've been seeing

She-Ra: Catra: you get the detention crowd.

Techy: DT and I are both happy to cooperate. As are the theatre students.

Archer: you know that glimmer and I are thrilled to cause chaos for once.

Mermaid: No way in hell am I being outdone by Lonnie. Sea Hawk and I are in.

Zen: Scorpia is currently unresponsive (sorry about that) but I know that she's happy to help!

Kitty: Since when have I ever turned down a chance to upset the school system?

Kitty: I'm down.

Archer: Be gay?

Sparkles: Do crime.

She-Ra: I raise you one more.

Kitty: be gay. Do gay crime.

She-Ra: *finger guns*

Kitty: *sighs*

Kitty: *Finger Guns*

Hufflepuff: Catra is there something that you'd like to tell us?

Kitty: I have no idea what you're talking about.

Hufflepuff: You did finger guns at her! That's new for you!!

Kitty: I can do finger guns! It's perfectly normal to do finger guns!!!

Hufflepuff: You're so into her it's kinda gross. But sure, perfectly normal.

Kitty: get back to class, or skipping with perfuma.

Kitty: If you are skipping be back by fifth I'm not dealing with history on my own.

Hufflepuff: aww what do you mean I like bow's dad

Kitty: :/

Hufflepuff: okay yeah I'm on my way

Hufflepuff: Perfuma says hi btw

Hell Group

12:17 pm

Archer *has renamed* ***Hell Group*** *to* ***Gay Revolution***

Archer: English nerds are down. They're also willing to coordinate with the theatre kids and art students (who got wind of this somehow???? And the Band kids???? TF???) to make signs and chants.

She-Ra: Pull through literary nerds.

Zen: I beat mermista to the stoners and they're all ready to vibe. Student council is hesitant but Lonnie wanted them to do it so they'll be there.

Mermaid: Oh well fuck you to P. Guess that I'll actually go to practice instead of hanging out with them.

Sparkles: Aren't you the captain???

Mermaid: Yes, And?

Sparkles: I-

Kitty > She-Ra

12:20 pm

Kitty: do ypu wanna get lunch with me?

Kitty: we can eat on the roof?

She-Ra: hmmmm I dunno

Kitty: I've got the gray bars that you love

She-Ra: You had me at gray bars

She-Ra: I'm waiting on a drink at the cafe and I'm bringing you some chocolate covered almonds and you can't stop me.

Kitty: I wouldn't dream of it.

Catradora Protection Squad

12:33 pm

Sparkles: Scorpia come get your cat.

Sparkles: She's corrupting our Adora.

Hufflepuff: No I don't think I will.

Archer: It's notlike they're getting in fights. It's just lunch on the roof

Sparkles: But Adora always eats lunch with us

Archer: And today she's eating with Catra, because they're trying to figure out what tf a relationship is. One day with just me isn't going to kill you

Hufflepuff: why dont you two go do something fun while she's gone?

Sparkles: Bow dragged me to a yearbook meeting.

Hufflepuff: WE HAD A MEETING

Hufflepuff: FUCK

Archer > Sparkles

12:35 pm

Archer: So what's actually going on?

Sparkles: Nothing! I just don't like that Adora didn't tell us that she was eating without us.

Archer: Glimmer, It’s okay to feel iffy about Adora and Catra, especially with everything going on recently. You don’t have to be perfectly fine with it.

Archer: it’s weird for me too. But Adora’s been crushing on her for years. And we need to let them figure this out. Even if it feels weird sometimes.

Sparkles: I just don’t want her to get hurt. Her and Catra have history, even if they won’t tell us about it. And I know that Catra has changed and is learning, but I know that her and Adora didn’t always get along.

Sparkles: And adora is always there for us! I don’t want to lsoe her!!!!

Archer: I know glim, but we don’t own her. And we need to let her learn and grow on her own.

Sparkles: Fine. But I don’t have to like it...

Mermaid: so how many detenttions are we at this week so far? I've hit two and it's only tuesday lmao

Archer: I'm at toeing the line of three? Caspella is like /RiGhT THeRe/ on giving it to me for all the trouble i've been causing for the system

Kitty: I'm not legally required to answer that question

She-Ra: She's at seven. I'm toeing right behind at 5 and Perfuma and Scorpia are at a whomping 10

Techy: It’s only Tuesday??? How are they at ten already???

Zen: Pda ;)

Sparkles: alkaldfalkdfkalfkdhaljfh

4:17 pm

Hufflepuff: So….

Hufflepuff: How was the lunch date?

Kitty: It wasn’t a date but she brought me chocolate covered almonds

Kitty: Like how cute is that????

Hufflepuff: that’s kinda gay catra.

Kitty: Like you’re one to talk. Ten detentions for pda????

Kitty: TEN???????

Hufflepuff: In my defence the only reason taht we got caught is bcuz shadow weaver decided not to trust the janitor to do his job and walking in on us

Kitty: You were doin nit it in closet????

Hufflepuff: SHUT UP

Kitty: I’M NOT WRONG AM I

Hufflepuff: SHUT

Sneior Gays

5:14 pm

Kitty: I’M DISOWNING SCORPIA AND HER GIRLFRIEND

Hufflepuff: YOU MAKE OUT IN ONE CLOSET AND SUDDENLY YOU GET DISOWNED

Hufflepuff: that's rare!

Kitty: shut your fuck.

Catradora Protection Squad

5:20 pm

Hufflepuff: I'm sorry but can these two /please/ hurry up and get together

Hufflepuff: Catra is a fucking gay mess and I love her but these two need to get it together

Sparkles: Adora has spent the past twenty minutes of our practice just laying in the grass talking to catra in the middle of the field so strong agree.

Archer: She what?

Sparkles: Yeah come look it's actually really cute. Like some indie movie where the detention crowd kid goes to one (1) football game and suddenly falls in love with the quarterback but make it gay

Zen: that was weirdly specific

Sparkles: I've got a lot of spare time and I like tose shitty indie movies.

Sparkles: wait I've got an idea

Gay Revolution

5:33 pm

Sparkles: hey if y'all were in an indie movie what would it be

Archer: senior year inthe 70's where the nerd boy falls in love with the popular girl and they run away in the middle of the night to california where they learn the meaning of love on the beach.

Mermaid: Surfer wins the championship after having been doxxed on social media and having a life changing experience with a mysterious and mildly obnoxious yet still charming surfer who reminds her of what it means to love to surf

She-Ra: football player falls in love with the delinquent stoner who's outlook on life is shockingly dark and shows the football player (whos outlook is only focused on getting into a good college) the joys of life, they stay out late constantly and slowly but surely they heal from past trauma. But the football player suffers an injury that leaves them unsure of their future and upsets the entire dynamic. But the best friend shows them how much the delinquent changed them and they get together at prom.

Hufflepuff: wait that's exactly what glimmer said?

Sparkles: she's predictable. Catra's is the same. And in yours one or both of you have rich families. ONe of you is working at the others beach house and you slowly fall in love.

Sparkles: Entrapta's is a horror movie because she's a strong believer in love is weird. And Dt's is 100% about a script writer falling inlove with an actor.

Techy: you have those quite thought out.

Techy: oh and also! The tech club members are happy to participate in the protest and plan on mesing up the attendance system in order to make it more difficult to punish those involved!

She-Ra: Whoredak won't know what hit him.

Sparkles: Why was it so easy????? It shouldn’t have been this easy!!!

Kitty: You both realize that every team captain this year is some shade of gay right?

Sparkles: What??

Kitty: they’re all gay? Most of the sneior class is queer.

Kitty: why are you surprised by this?

Archer: Glimmer did you really not realize this?

Sparkles: I'VE BEEN A BIT BUSY ORGANIZInG A REBELLION

Kitty: No shade no shade

Archer: So now that we know that almost the entire sneior class is gay the wlakwout is at noon right? Then we don't go back until thursday

Alwaysmyfault: So if I were to drop the name of someone who misgendered me, how long would the murder take?

Archer: someone's misgendering you?

Actor: That doesn't sound right

Zen: Why would someone do that? They know what happens when you mess with my underclassmen.

Alwaysmyfault: Um yeah, one of the upperclassmen has been kinda harassing me and I don't want to be a bother but i was wondering if one of you would be willing to help me get them to stop?

Alwaysmyfault: Cuz like I haven't donw anything to them and they just kinda decided that they didn't like me, which is fine cuz most ppl don't cuz I can be a little annoying sometimes and i know that but he's been harassing me a lot in the past few weeks and it's getting kinda hard to ignore.

Zen: his name Kyle. What's his name?

Alwaysmyfault: Treavor?

Zen: thank you darling freshman!

Zen: Don't worry to hard about him, alright?

Zen: I'll have him handled within 72 hours and you can just relax :)

Archer: Don't scare the kid Perfuma.

Archer: Don’t worry Kyle. Her and Scorpia will talk to him tomorrow before class and explain that he’s being a dick.

Actor: Scorpia too?

Archer: guilty

Archer: Perfuma's got us on a sunrise yoga cleanse and she complained until she was caffienated

Kitty: Even I wouldn't have given her the coffee yet. She's gonna be so riled up this afternoon.

Zen: Oh I'm so glad that you're doing the cleanse! I think that it's really going to help with all the negative energy blocking your soul!

Zen: Catra I think that you could really benefit from it!

Kitty: Thanks, but I'll stick to soccer.

Zen: but your VIBES catra

Kitty: Are fine and would appreciate you leaving them alone.

Zen: :(

Kitty: ¯_(ツ)_/¯

7:12 am

Mermaid: so now that I'm awake, Glimmer are you okay?

Sparkles: I’ve never been better why

Arsonist: that feels like a bit of a lie.

Arsonist: especially considering the fact that I can hear your shouts from the gym.

Sparkles: I’m just excited for today! Finally some kind of revenge!

Kitty: well can you tone it down? The teachers are going to get suspicious.

Archer: yeah my dads already did that.

She-Ra: I’m sorry is that rainbow hairspray

Archer: Lance was excited.

She-Ra: does this mean we were supposed to dress up?

Kitty: Have none of you ever planned a protest before?

Sparkles: we've never had to!!

Kitty: well you don't dress in things that make you easy to identify, cover all unique marks, tell people where you're going.

Kitty: That's putting it in very simple terms but here's what you shol dbe wearing (about)

Attachment (1)

Kitty: good and solid shoes too.

Archer: Do we even want to know how you know that?

Kitty: Bow, I'm not white or straight and I've got spare time and internet access.

Kitty: I've gone to my fair share of protests

She-Ra: for good reason. His 1st period is crazy.

Kitty: omg shut up I can be nice.

Kitty: But really, are you going to be okay?

She-Ra: I'll be fine. I know how to deal with them, and I'm the best at leading our group into battle. It makes the most sense that I'm the one to start this.

Zen: that's fine

Kitty: do you ever just climb the building with your jock friend to escape the homophobic principal but steal a microphone so you can continue the interview.

She-Ra: cuz same.

Mermaid: who brought all the signs?? Cuz I know it wasn't any of us.

Sparkles: You don't even like photography?

She-Ra: correction: I don't like school photography. Polaroids are fun to take and when you're good at parkour they get even more fun.

Kitty: even with her jock-ness, she's weirdly well balanced?

Archer: wait you don't know?

Kitty: know what?

Archer: Adora spent her entire freshman year climbing things.

She-Ra: bow don't you dare finish that thought

Archer: she said that it made her miss her "Old friend" less

Kitty: adora that's really gay

Kitty: Even for you.

She-Ra: well now I can both sport and keep up with you when you run from cops so who's the one laughing now

She-Ra: how's that crush on Glimmer going?

Archer: Don't turn this on me.

Archer: But if you must know it's going well. We still hang out all the time and I'm still madly in love with her. Nothing new.

She-Ra: Yeah I feel you there. I just wish that I could tell her.

She-Ra: until next monday. Razz it worried that someone is going to come after me because of the protest.

Archer: she's that worried?

She-Ra: Yeah, she means well, but it is a bit annoying.

Archer: Less time to spend with Catra?

She-Ra: Yeah

Archer: That's gay adora

She-Ra: I'm a lesbian Bow.

Kitty > She-Ra

7:17 pm

Kitty: I had fun today. Even with almost getting caught. And the expulsion that I'm sure is

Pending

She-Ra: I had fun today too. It's been a while snse I've climbed up on abuilding that wasn't my own

Kitty: Well whenever you want to climb somewhere I'm sure that I can make some time to go with.

She-Ra: TIme out of your busy schedule?

Kitty: You know me;

Kitty: Be gay, do crime.

Kitty: Wear suits.

Kitty: Make underclassmen question their sexuality.

She-Ra: haha that does sound like you.

She-Ra: But really… Today was a lot of fun.

She-Ra: More than I've had in a while.

Kitty: Sleep well Adora.

She-Ra: You too.

Chapter End Notes

-Adora and Catra 100% have snuck into places that they shouldn't be and have 100% Protected younger lgbt youth at pride. It just wasn't mentioned because it wasn't relevant to their story.

Mermaid: Early to bed early to rise makes me a massive bitch.

She-Ra: Are you kidding? Early to bed early to rise makes me a happy athlete!

Mermaid: are you kidding? Nobody should have to get up this early. Even if it is for a captains meeting.

She-Ra: You helped schedule this meeting! We could have made it later!

Kitty: can you both shut up? Some people are trying to wake up here

She-Ra: Not my fault none of you are morning people.

Archer: Wow I love being good at waking up!

Sparkles: shut up bow. You don't even have to be awake yet.

Archer: Yeah but I don't have p.e. Or any sports anymore so I have to work out before school to keep a good shape.

She-Ra: why don't you just work out with me?

Archer: Not all of us are cis adora.

Mermaid: burn

7:00 am

Hufflepuff: So who's ready to get their assess kicked by the principal?

Zen: Try to be more positive!

Hufflepuff: So who's ready to definitely get our asses kicked by the principal!? :D

Zen: You know I brought that upon myself.

Kitty: Ten bucks that I stay at someone else's house tonight?

Techy: What?

Kitty: My "dad" is the principals brother.

Techy: Oh that's not good.

Kitty: nope lmao.

She-Ra: worst case scenario, Razz and Mara would be happy to have you over.

Sparkles: MARA'S HOME???????

She-Ra: Didn’t I tell you? She got back on Monday and spent last night at her aunts.

Archer: if we aren’t dead at the end of today I’m coming over.

She-Ra: that’s a strong /if/

Kitty: ayyyy first call down of the day.

She-Ra: You don’t get to claim this they called for both of us.

Mermaid: make sure you record it and page us in via call.

Kitty: bet.

She-Ra: wish us luck.

8:36 am

Attachment (2)

Sparkles: HOLY SHIT

Sparkles: IS THAT EVEN ALLOWED

She-Ra: apparently

Archer: I want murder.

Kitty: Join the club.

She-Ra: Glimmer and bow. He wants you two next.

Archer: How many weeks of detention do you think we'll get.

She-Ra: Well seeing that I'm not expelled, just suspended for a few weeks.

She-Ra: Two months? And no clubs?

Kitty: good luck.

Hufflepuff > Kitty

8:42 am

Hufflepuff: Catra are you okay? You didn't come back to class

Kitty: Um. Yeah.

Kitty: My dad decided to take me straight home.

Kitty: He's locking me in the house until the suspension is over.

Kitty: I've got food and stuff. But he took my laptop and food stash in my room.

Kitty: He forgot my phone though.

Kitty: I guess

Hufflepuff: I'm telling my moms.

Kitty: Don't bother. He boarded up my window and locked the door. He's the only one with a key.

Kitty: I’m just going to wait it out for now.

Hufflepuff: Are you sure wildcat? Because you just say the word and I’m there with my moms.

Kitty: Yeah I’m sure.

Kitty: Pls don’t tell the gang.

Hufflepuff: You know I wont. But I think that you should.

Kitty: I know, but I’m just not ready.

Gay Revolution

9:17 am

Sparkles: So I have good news and bad news.

Sparkles: what do you want first

Kitty: Hit us with the bad shit first so we get the good as a bandaid

Sparkles: we can’t do anything about you and Adora’s suspension because the paperwork has already been filed and the school system is full of homophobic and lazy fuckers.

Sparkles: BUT WE GOT THE BAN LIFTED.

She-Ra: how is that even possible? That’s so soon

Sparkles: whoredak and shadow bitch decided to ignore the proper rules to creating a new policy and the board of ed is pretty pissed off about it.

Techy: How do you already know about this news. The school hasn’t delivered an official statement yet.

Archer: Her mom’s on the school board.

Actor: Oh really??

Sparkles: it’s gross. She’s way to involved with my school life. This is the only time that she’s been helpful instead of overinvolved.

Kitty: Are we just going to gloss over how quickly this was resolved?

Sparkles: well. If this was an unrealistic series where teenagers are the only people who exist. We’d probably have to spend months fighting against the unjust system to the point where one of us gets in a tragic, near death, accident where the school realizes that the policy is wrong and harmful to students' health.

And even then one of the teachers would be fired after proof of harm to students is revealed. And then we'd probably face years of bullying from other students even though we did nothing wrong.

Sparkles: But luckily for us, we have adults and other people to advocate for our rights due to the fact that expecting a bunch of teenagers to change the system is not only cruel, but incredibly irresponsible and the only thing we should have to focus on right now is taking care of ourselves and our friends! :)

Zen: Glimmer, are you okay?

Sparkles: Yeah why?

Archer: Because that was really detailed.

Sparkles: Study hall is boring :(and I'm already done with all my work. Sometimes I like to imagine that we're princesses with powers tied to gemstones that let us work our magic.

Sparkles: Catra is a cat-girl.

Kitty: YOU MAKE ONE JOKE ABOUT THINKING CATGIRLS ARE CUTE AND SUDDENLY YOU'RE A FURRY.

She-Ra: she isn’t wrong?

She-Ra: you’re kinda a furry?

Archer *changed* ***Kitty*** *‘s name to* ***Furry***

Furry: Well fuck you too bow.

She-Ra: so they really can’t reverse our suspension?

Sparkles: Sorry you two. Mom tried but there’s only so much she can do.

She-Ra: Well thanks for trying Ig.

Sparkles: sorry I couldn’t do more.

Furry: it’s whatever.

She-Ra: Catra and I will just have to hang out for two weeks

She-Ra: nbd

Mermaid: ha gay.

Furry: thanks

She-Ra > Furry

10:47 am

She-Ra: Do you want some ice cream?

She-Ra: I think that I remember where you used to live. I can bring it to you.

She-Ra: and I'd love to say hi to Huntara again.

Furry: I'd love some, but I don't live there anymore…

She-Ra: Oh shit! I'm so sorry for just assuming

She-Ra: I know better than anyone how unstable housing in the system is

She-Ra: I shouldn’t have assumed that you’d still be there

She-Ra: really Catra I’m so sorry

Furry: Are you done?

She-Ra: yeah.

Furry: It’s fine.

Furry: Here’s my address

Attatchment (1)

Furry: But you’ve been warned. It’s kinda…

Furry: Not great…

She-Ra: you’ve seen where I’ve lived. You know I won’t judge you

She-Ra: I’ll be there in twenty.

Furry: I’ll hold you to that.

1:25 pm

Razzledazzel: Is this about that girl that you went to visit?

MaraGrayskull: Catra right?

She-Ra: Yeah. I went to middle school with her for a few years and we kinda fell out. But recently we've been getting closer!

She-Ra: Her home scenario… Isn't great?

She-Ra: Like, I don't think that she's in physical danger but ummm

She-Ra: it’s similar to what happened with my old homes? Like pre-coming out?

She-Ra: Maybe i’m just being overly careful but I don’t think she’s told me everything?

She-Ra: idk

MaraGrayskull: Why don’t you just take a deep breath for now.

MaraGrayskull: let Catra know that she’s welcome at our home anytime and for as long as she needs, and don’t push it.

MaraGrayskull: I’m sure you remember how scary it can be to escape an abusive home.

She-Ra: Yeah…

Razzledazzel: So, is this girl coming home for dinner? Because I’ve made meat pies and I need to know how many people to set the table for.

She-Ra: Oh right! I forgot to ask!

She-Ra: Do you mind if I stay out with Catra tonight? We want to go stargazing and idk how late we'll be and since neither of us have class tomorrow we were thinking about just crashing in my car?

MaraGrayskull: as long as you're both safe. I don't have a problem with it. You'll be 18 in a few weeks anyways so I don't have a problem with you staying out tonight. Just message me before you go to bed and when you head out tomorrow.

She-Ra: Thank you! I'll make sure to text you!

MaraGrayskull: Be safe please!

Furry > She-Ra

1:41 pm

Furry: I'm out! He really needs to get better at hiding that key.

She-Ra: Sounds good! I'm just around the block so make sure to take the long way around. Just in case.

Furry: yeah yeah whatever.

She-Ra: And you're sure that we won't be caught?

Furry: Nope.

Furry: But He shouldn't be back until later this week. Unless one of our neighbors saw us but they're pretty chill.

She-Ra: then what are you gonna do?

Furry: idk. I'll figure it out ig. Right now I just want to focus on hanging out with you. It feels like it's been years.

She-Ra: it's only been a few days Catra. Three at most.

Furry: My memory sucks. Stop being Homophobic.

She-Ra: IM GAY

Furry: I know that.

She-Ra: lmao

Furry: I see you. Open the door for me

Gay Revolution

2:12 pm

Mermaid: It’s quiet on here today. What’s with that.

Hufflepuff: Catra and Adora are hanging out and Bow’s dad confiscated his phone in fifth period when he was caught texting Glimmer.

Zen: And since scorpia and I have a big project due for art tomorrow we haven’t had time to do anything noteworthy.

Hufflepuff: and since everyone else just creeps on here instead of talking. Nothing happens without the core 4.

Sparkles: wait I love that name!

Zen: Scorpia’s good at nicknames didn’t we already know this?

Sparkles: Yeah, but that was good even for her!

Hufflepuff: Thank you thank you I'll be here all night

Hufflepuff: Just kidding I'll be here until exactly 3:45 before I Have a movie date with my wonderful girlfriend.

Zen: Babe <3

Hufflepuff: <3

Arsonist: …

Arsonist: Can I come?

Zen: Not this time sorry! Just a couples thing tonight

Archer: first needle stab of many!

Sparkles: Can we throw a party for this? Like a stupid gender reveal party? With the dumb games and stuff?

Archer: I'd be honored.

[A teen with dark skin and even darker hair stands in front of the camera. He's laughing and the camera is shaking.

It fades out for a moment before stabilizing, two teenagers now sitting in frame. Shoulders touching.

The one with dark hair grins at the other, his teeth bright and his friends eyes are shining with unshed tears.

"C'mon Bow! Say it!" Says the smaller of the two, her pastel hair falling in her face as she smiles at the other.

"Okay okay!" He takes a deep breath and addresses the camera, "Hi. My name is Bow, and this is my voice, one hour on T."

He takes a deep breath and turns to the girl sitting beside him.

As the camera fades, he leans in, and kisses the girl.]

Best Friends Squad

8:15 pm

Archer: So Catra totally has the hots for adora right?

Sparkles: I mean duh. Why haven’t the two of you confessed yet?

She-Ra: But we don’t know that for a fact! Catra might just see me as a friend. It’s not her fault that she’s always in my head! I might just be looking for signs that aren’t there!

Sparkles: I’m going to cause you harm literally chill. That girl’s had the hots for you for literal years!!!

Sparkles: Why don’t you believe us???

She-Ra: UGh I don’t know!!! If I could get my brain to listen I would!!!

She-Ra: Can you please just drop it? For now?

She-Ra: with everything going on right now I don't even want to think about romance.

Archer: didn't we resolve the whoredak thing though? And with you out of school for now you've got plenty of time?

She-Ra: Drop it Bow.

She-Ra: I'll tell her when the time is right. Not before.

9:03 pm

Archer: You're right. I'm sorry for pushing it so hard

She-Ra: I'm sorry for snapping. I let my emotions get the best of me and I took it out on you. I'm not ready to tell her yet. But when I am you'll be the first to know.

Archer: Best friends squad?

She-Ra: Best friends squad.

Sparkles > Archer

9:10 pm

Sparkles: Did Adora seem really stressed out to you?

Sparkles: Like more than her usual "I'm gay, captain of the football team, and an honor student in all ap classes" way?

Archer: I thought that I just hit a nerve, but now that you mention it, she did seem on edge.

Sparkles: Should we say something to her?

Archer: Normally I'd say yeah, but I think that right now we should just be supportive and see what happens.

Archer: I feel bad not doing anything but I don't think that our help would appreciated right now.

Sparkles: Ugh yeah. I still feel bad though

Archer: I know how you feel.

Archer: If you want I can come and get you and we can watch movies in the backseat of my car?

Archer: I've got blankets and if we're feeling nice we can invite the entire group of sneiors + Perfuma?

Sparkles: Can it just be us?

Sparkles: I don't think that the other sneiors would want to go anyways. There's a party at Lonnie's tonight and Most of them are headed there.

Archer: Do you want to go?

Sparkles: Not really. There'll always be another party but I just want to hang out with you right now.

Archer: Then I'll come and get you in a bit.

Archer: No longer than an hour.

Sparkles: Thanks Bow. <3

Catradora Protection Squad

4:00 am

Hufflepuff: So I'm not adding adora and all y'all to a separate chat yet because those two are their own brand of scary and I'm not messing with that.

Hufflepuff: But something happened last night to Catra

Hufflepuff: And before you ask, she's okay and I have her full consent to be telling you everything I'm about to say.

Archer: Then Please tell.

Hufflepuff: So she's going to be staying with me for the next few weeks while she tries to talk to her social worker about sending her to a new home. Or even better, getting her removed from the system completely via emancipation.

Hufflepuff: Her foster dad crossed a line and she will not be going back to him.

Hufflepuff: So if she ever seems off, that's the reason. You've been warned.

Sparkles: Oh no! Poor catra! Is there any way that we can help?

Hufflepuff: I'll ask but I have a feeling that the answer is no. Or at least not yet.

7:17 am

Hufflepuff: Okay now that she's had a short nap, she says that she'll let you know.

Hufflepuff: And thank you.

Archer: Of course. We want her to succeed.

Zen: I'm going to see what I can do about getting her some candles and baked goods. Just as a pick me up.

Mermaid: I don’t know what I’ll do. But I might kidnap her later this week and take her down to that old train tunnel. For some quality time.

Hufflepuff: I trust that you understand why she won’t be able to get stoned at any point for a while?

Mermaid: Yeah yeah I know

Hufflepuff: Just checking…

Hufflepuff: Okay she’s craving Ihop so we’re gonna go get some. Anyone interested in coming is invited and welcome to bring along family and friends. And for the love of that girl will someone please bring Adora so I don’t have to listen to a pining furry.

Sparkles: I’ll grab her on my way there.

Archer: Mind if I bring my little cousin, Frosta?

Archer: She’s visiting, and her parents are considering having her finsih her school year here.

Archer: I’m supposed to acclimate her.

Hufflepuff: Of course! I’m bringin the gf duh and I’ll have her bring her little brother adn they can vibe :)

She-Ra: Unless I have school it's illegal to get me out of bed before 10.

Sparkles: You're a jock but not a morning person?

Sparkles: TF?

She-Ra: Shush I want food.

Sparkles: Then hurry up before I take Mara instead.

Furry: Where'd everyone go?

She-Ra: Idk. Why don't you just speak and ask me?

Furry: I think that they're listening to us.

She-Ra: How would they be doing that? It's an Ihop. Not some giant ice castle created and maintained by the 11 year old who hates me while you and I banter.

Furry: What?

She-Ra: Idk I'm just saying that they're probably not listening to us.

Furry: Then talk.

She-Ra: No. Now I feel like I'm in on a joke.

Furry: Ugh you're ridiculous.

She-Ra: You looooooove me

8:12 am

Furry: So what do I do if the girl I’m in love with says that she loves me in a joking way?

Furry: I want to tell her that I’m in love with erh so bad but I can’t and it’s driving me crazy.

Furry: God why can’t I just tell her.

Hufflepuff: I am the literal worst person to ask about this wildcat.

Hufflepuff: You know what I think.

Hufflepuff: I think that you should just tell her.

Furry: I can’t do that.

Hufflepuff: Then do what you will. I’ll be here no matter what.

Furry: Thank you Scorpia. It means a lot to me.

Hufflepuff: Of course.

The Grayskull Fam

8:14 am

She-Ra: So I know that you’re both also huge lesbians. And while neither of you are seeing anyone atm. Do you have any advice for me?

She-Ra: Because I want to tell Catra how I feel about her. SO badly. So much that it hurts. And I know that we’re both young still but I’m so in love with her that it feels like I’m drowning. And I don’t know what to do.

She-Ra: and I know that I should take to you both in person like the almost adult that I am but I don't think that I'd be able to get it all out right. So I'm texting you like a coward. Ugh.

She-Ra: we were so close as kids. In our first few homes. We stayed together somehow. But then I LEFT HER and now I don't even know how to talk to her anymore. It doesn't come out right anymore.

She-Ra: But I guess that I really do just sound like a dumb kid.

MaraGrayskull: Adora, Sweetheart, I'm so glad that you're comfortable enough with our small family to come to us about this.

MaraGrayskull: Both Razz and I completely understand what you're going through. And you're right. It is scary. But you're both young and deserve a chance to be happy.

MaraGrayskull: And I've seen the way that girl looks at you. You're Not the only one who's got these feelings.

MaraGrayskull: I know that I may be sounding kinda old and jaded. But you're an amazing young women Adora. And right now, both you and Catra are going through a large period of growth. So, while you do both need to sit down and have a long

conversation about what happened when you were kids, because no relationship can happen without communication.

MaraGrayskull: You should tell her how you feel. Without any silly jokes or those "memes" that kids use nowadays. Face to face.

MaraGrayskull: My lover confessed to me so I don't know how to go about it, but I know that it's vital that you communicate with each other.

MaraGrayskull: If you come home tonight, we can have a family night in and I'll do what I can to help assuage your fears. I'm so proud of you darling and we both love you very much.

She-Ra: Thank you Mara. That meant a lot to me.

MaraGrayskull: Of course darling. And I meant it. You and me. Spa night. Shitty movies and all.

She-Ra: :)

Hufflepuff > She-Ra

10:12 am

Hufflepuff: So am I getting my sister back or what? Because if you two are trying to go somewhere I have a very aggressive Mermista who is determined to take the resident furry skating and general mischief causing.

Hufflepuff: And I don't know if you've ever had to deal with her when she wants something but I am not willing to take the blame for her anger. So if you tried to sneak out the back come back inside.

She-Ra: Okay okay I'll bring her back.

Hufflepuff: Thank you lady lesbian

She-Ra: wait I love that?

She-Ra: I'm good I'm good.

Furry: You sure about that?

She-Ra: Positive.

Furry: Okay Lady Lesbian.

Archer: that was really smooth? Tf??

Archer: teach me your ways??

Hufflepuff: Why can’t you flirt with her in real life yet online you have no issue with it???

Furry: I DONT KNOW

Hufflepuff: WELL CAN YOU FIGURE IT OUT AND ASK HER OUT BECAUSE THIS PINING IS HURTING THE READERS

Furry: The readers?

Hufflepuff: You know, the all powerful and omnipotent gods that like to ensure that the absolute goblin who writes our story still

does homework and goes to class instead of just writing about us again?

Furry: Are you smoking with Perfuma again?

Hufflepuff: Oh for sure.

Hufflepuff: But we both agree that you need to hurry up and ask her out.

Furry: UGH fine. I will plan a way to ask her out and shit.

Hufflepuff: Thank you. Now. How’s skating with Mermista going?

Furry: She brought spray paint and we’re gonna go and paint in the abandoned train tunnel downtown

Hufflepuff: Okay! Have fun and be safe!

Hufflepuff: Wear a helmet.

Furry: Okay MOM

Hufflepuff: Yeah yeah whatever you'll thank me later

Furry: Okay I've gotta go, have fun with your gf

Hufflepuff: I plan on it.

Sparkles: So now that we've given Adora enough time to recover from the gay panic that her girlfriend induced. Should we go bowling?

Sparkles: Because we haven't hung out nearly enough recently and I feel like we need to do some team bonding.

She-Ra: Sorry Glim, Mara agreed to take me out to the farm today.

She-Ra: We haven't spent much time together recently and we both wanted to go for a ride. Just the two of us.

Sparkles: Oh. Okay! Say hello to Swifty and Draco for me!

Archer: I can't believe that your mom named her horse after a Harry Potter character.

She-Ra: In her defense she didn't know who Jk Rowling was yet.

Archer: ADORA

Archer: YOU KNOW THAT WE DON'T USE THAT NAME AROUND HERE.

She-Ra: MY BAD JEEZ

Archer: C'MON ADORA WE HAVE ONE RULE

She-Ra: BULLSHIT WE HAVE SO MANY RULES MANY OF WHICH I BREAK ON A REGULAR BASIS

Sparkles: Adora you used a bad word. JKR is a terf and we don't speak her name.

She-Ra: You just did?

Sparkles: JKR = Just Kicking Radicals

Sparkles: Not the swear word. Just a fun acronym.

She-Ra: You scare me so much.

Sparkles: well I should hope so.

She-Ra: :O

Sparkles: >:P

1:12 pm

She-Ra: So I talked with Mara…

She-Ra: And we had a really good conversation about being gay and shit but,,,

She-Ra: I think that I'm ready to confess to Catra?

She-Ra: Like, worst case scenario it's awkward for a few days?

She-Ra: It’s not like our group hasn’t had weird crushes before

Archer: I’m so proud of you!!!

Sparkles: You’re going to be amazing!!! You’ve got this!!!

She-Ra: We’re going on a picnic tomorrow so I think I’ll tell her then.

Reminder: Picnic with Catra at 1:00 pm

She-Ra: UUUUUGGGGHHHH guys I'm totally freaking out!!!!

Archer: We figured that would be the chase! Which is why…. (Glimmer if you would)

Sparkles: We're sending both you and Catra on a short scavenger hunt! Which will lead to a cute picnic at Heart Park!

Archer: You'll be going together, around town and deciphering clues that will be texted to you by one of the members of our friend group!

Sparkles: Each location that they send you to, the two of you will have to solve a puzzle in order to unlock the next clue!

Archer: The prizes for solving each puzzle will include: chocolates, sodas, hats and scarves, flowers, and anything else romantic we can think of!

Sparkles: and at the end of the hunt! You two can confess!

Archer: So what do you think?

She-Ra: i-

She-Ra: How long have you been planning this for??????

Archer: Since we realized that you and her had the hots for each other.

Sparkles: With Both of you out of school until monday, we've had plenty of time to plan.

She-Ra: but like still? That's so much planning??

She-Ra: Are you sure that it's a good idea? Catra's got lots going on right now and it sound like lots of stress

Sparkles: It'll be fiiiiiiiiinee!!!!!

Archer: C'mon Adora! Let us do this for you!

Sparkles: You take such good care of us! We want to do the same for you!

She-Ra: You swear that you all won't make it weird?

Sparkles: Promise!

She-Ra: and that Catra already knows?

Archer: Scorpia told her a few minutes ago and is driving her over!

Sparkles: It starts at your house and you both have to walk the entire time!

Archer: For bonding!

She-Ra: SHE”S ON HER WAY

She-Ra: FUCK I STILL HAVE TO GET DRESSED

She-Ra: DON’T SPRING THIS ON A LESBIAN JFC

Archer: Oops.

Sparkles: Better start getting ready. She’ll be there soon.

Hufflepuff: Ah young love.

Archer: They’re both technically older than you. So actually it’s old love. Not young.

Mermaid: yeah but they got together last so it's still technically young love.

Archer: Okay that's fair.

Sparkles: Are you all in position because I know that y'all aren't driving and texting.

Mermaid: Seahawk and I got there like ten minutes ago.

Hufflepuff: I just got here chill.

Archer: Then am I good to give them the first clue?

Hufflepuff: Go for it. Just do it in the Gay Revolution chat.

Sparkles: Bet.

Gay Revolution

8:30 am

Archer: Alright Lesbians. The first clue for the first anual gay scavenger hunt is:

Archer: our town has two, the natural world has thousands, cats hate it, and Mermista loves it. But only the one where you can find pools.

Furry: that sucked. And was way too obvious.

Archer: well sorry!!!! Not all of us are english buffs!!

She-Ra: Yeah yeah whatever meet you at the beach with the tide pools.

Furry: Okay so we've collected all the shells and 1 small crab. Where do we go because Mermista decided to leave after giving us the instructions.

Archer: MERMISTA

Mermaid: did you not see the surf? I'm at my car changing out of my wetsuit. I'll be back in like, two minutes. Just set the crab on a tall rock and spell a word that means something to both of you. Send a picture of the word when you're done and I'll give you the next clue.

She-Ra: Do y'all have any real challenges or are you just coming up with this as you go?

Archer: Everyone else has a plan but she was being lazy don't you worry!

Furry: Okay whatever

Attatchment (1)

Sparkles: Does that say "Rebellion"

Furry: Yep.

Archer: Okay that works.

She-Ra: Time for a new clue?

Hufflepuff: hehe my turn!!!!

Hufflepuff: For your next clue: Look for the place where the two of you first met, the place where life and death is just a misplaced step, and where balance is key. The prize and challenge for that clue can be found there.

9:10 am

Furry: Are you-

Furry: Are you talking about the parkour gym on third street? The one where I accidentally punched Adora? And almost broke her nose?

Hufflepuff: Wow that took you both a minute.

Furry: We got distracted.

Furry: Is that the place. Because if so we aren't going that is a four mile walk.

Arsonist: I left my scooter there. Adora you have your liscence? Dont you?

She-Ra: OH SWEET

Furry: There's no way I'm letting you drive.

She-Ra: TOO LATE GET OVER HERE

Furry: If I die I'm blaming Seahawk.

Arsonist: Feel free, even I won't ride with Adora when she drives those things.

Archer: Anyways when y'all don't die, you got the location right! Be there as soon as you can!

9:17 am

She-Ra: How did you get the owners to let you do this???

Archer: My older brother runs the studio with his boyfriends. They agreed to let us set up and take it down in exchange for me babysitting on Saturday next week.

Hufflepuff: So do you understand the challenge? Adora you've got to do the platform challenge and Catra has to do the ropes. Both have to do the others specialty!!

Furry: I have to do the ropes????

Hufflepuff: Sorry wildcat. I don't make the rules

Furry: Yes you do?

Sparkles: SHHHHH just do the challenge!!!!

9:33 am

She-Ra: wow watching catra fall into a pit of foam balls does not in fact get old.

Kitty: oh shut.

Kitty: Anyways, my answer to the question is, she's extremely caring and I know that she's driven and really cares about me.

She-Ra: My favorite thing about Catra is her drive. She's so ambitious and I know that I can trust her. She's always there for me and wants me to take care of myself and advocate for my rights and mental health.

Furry: Gay.

She-Ra: You're one to talk.

Furry: Oh shut up!

Archer: Are you two ready for the next hint?

She-Ra: Bring. It. On.

Actor: The two of you broke in here as kids, nowadays it’s open to the public but there’s one room that an old diary lock has been placed over. Who holds the key?

She-Ra: Are you really talking about the high school? The locker in the auditorium that we locked?

Actor: You’d better hurry I can only hide in here alone for so long before getting bored.

She-Ra: We’re on our way.

Video Recording 3:37:5

The recording starts suddenly, screen black and facing downwards. It's moved around quickly before the screen is filled with shoe covered feet and the legs of a high school class.

Muttered apologies can be heard as the cameraperson elbows their way through the crowd and up to the second story window, where two teenagers can be seen, both glaring at a tall man.

The screen tilts to the side for a moment as the girls flinch back, the shorter of the two ducking behind the blonde, cradling her arm to her chest.

This time the cameraperson utters a much louder curse than their previous soft mutterings and the camera is violently shifted to another. This one with light pink hair styled into a soft mullet. She glances at the camera before hurriedly turning it back to the window, where a dark skinned teen bursts out the door, out of breath and clutching his ribs and he runs over to the pair of girls. Putting himself in front of the smaller one. Still holding her wrist to her arms.

The blonde girl in a letterman jacket, with the last name Grayskull printed on the back pushes her way back to the front and shouts loudly enough to be heard through open window.

“Leave her alone! You have no right to touch her after what you just did!” Her voice is choked with emotion and she seems to puff up in an effort to make herself bigger.

The man steps out of the shadows and towers over the blonde, his lips move but the sound doesn’t make its way up to the window.

As he steps forward, the blonde draws her fists up to her face and the camera swings down.

Floor tiles race along and as the sound of a door swinging open hits the camera, it cuts to black.

Security Camera 4 Recording 10:08:03

Adora Grayskull [one suspension, captain of: football, previous gsa She/her] runs down the hall, swinging around corners and only stopping to creep below the windows of classrooms. She stops in front of the office, barely missing the opening door.

Catra Applesauce Mewmew [four suspensions, captain of: soccer Current school record holder for detention She/He/They] runs down the hall way, noticing Adora and grabbing her wrist, pulling the girl along. Behind her, at a sedate pace is Prime Hordak [Outstanding Citizen, top member of the board of representatives, foster father of Catra Applesauce Mewmew He/Him] his face clouded with anger.

Catra sprints down the corridor, dragging the girl along with her.

Security Camera 5 10:09:09

The two continue to run before Catra turns sharply and slides into an empty classroom. The camera catches a muttered, "Hide" from a scratchy, low, voice before the door swings closed.

Prime Hordak walk down the hall in time to hear the door latch and walks over to it.

He opens the door and steps inside.

She-Ra: I'm also there!!

Attachment (1)

Archer: Oh hey it's the world best gays, how are you two holding up?

Furry: They put me in a cast and said not sports or working out until it comes off :(

Sparkles: At least you're getting out of p.e?

Furry: A Trajedy!!!!

She-Ra: She's competitive. That's like telling her that christmas is cancelled.

Archer: Can't relate. I would love to get out of p.e.

Sparkles: You and perfuma both already miss the first like, 20 minutes while getting changed.

Archer: that's intentional.

Sparkles: Bow!! That's cheating!!!

Angel: It's only cheating if we get caught. And we haven't yet so it isn't cheating.

She-Ra: Aren't you all at together?

Furry: Talk to eachother.

Sparkles: yeah but we didn't want you two to feel left out :(

She-Ra: We'll be fine. Go eat your ice cream

Archer: You both sure?

Furry: We're fine. Go get your cream.

Hufflepuff > Furry

2:10

Hufflepuff: So since I know that you're not going back to Prime's, do you have somewhere to stay for now?

Furry: Hi Catra, hows your arm catra? Is your head okay? HOws your girlfriend?

Hufflepuff: Hello Catra. How does your arm feel? Did you hit your head? How's Adora?

Furry: I’m fine and she’s doing great thanks.

Furry: I’m staying in her grandmother’s house. THey live in a duplex and her and her mom live in the other one. Her grandma likes me.

Hufflepuff: I’m glad that you’re safe.

Hufflepuff: And that you passed the grandmother test.

Hufflepuff: That’s very important.

Hufflepuff: You know that you can always stay with me if you don’t feel safe right?

Hufflepuff: I’ll sneak you in

Furry: I’m fine.

Furry: Seriously.

Furry: I’ve got a good feeling about this place.

Hufflepuff: Then I’m happy for you wildcat.

Hufflepuff: This year has been hard for you and you’ve really grown.

Furry: Thank you scorpia. For everything.

Hufflepuff: Of course.

Furry: Now go spend time with your girlfriend. Y’all’ve been paying way to much attention to me recently. I miss being in the background.

Hufflepuff: :3

Actor: So shit may be going down but I do feel the need to remind people that it's once again show season and if y'all don't remember to get your asses over here I'm going to riot.

Techy: Every season is show season when you're in charge of light and sound.

Actor: Or president of the club.

Actor: But I'm using this as a distraction from everything going on right now. And, we need more actors.

Actor: and crew members.

Actor: And money.

Actor: We really need more everything.

Actor: Y'all have read receipts on I know you're seeing this.

Furry: My arm's literally going to be in a cast the entire show season. The most I would be able to do is sell tickets and snacks.

Archer: You shouldn't have said that.

Furry: why

Actor: PERFECT. THANK YOU FOR VOLUNTEERING FOR SNACK AND TICKET SALES. I KNEW I COULD COUNT ON YOU

Furry: wait! That's not what I meant!

Actor: Too late you've already been written down

Furry: fuck.

Sparkles: So turning away from the impending doom. What's the show this year?

Actor: A Midsummer Night's Dream!!!!

Furry: UGH shakespeare.

Actor: Don't worry. There's a character that would fit you perfectly!!!

Actor: His name is bottom. And he's a furry!!!!

Furry: Hey turn your location on real quick.

Actor: You know what? I don't think that I will.

Furry: I'm going to find you and when I do Ialkdfafla;kfl

She-Ra: And she's going into the quiet corner for a bit while she thinks about what the doctor told her about fighting.

She-Ra: Perfuma and Scorpia are still gonna be auditioning this year right?

Hufflepuff: You bet!! All the characters are fun and I love that play!!

Archer: Are we gonna be able to pull in enough tickets? People tend to not like shows as much when they're shakespeare.

Actor: that is a worry, but the hope is that we have enough of our popular kids campaigning for us that the word gets out.

Actor: and since Adora is pretty much already cast as one of the characters. Every student athlete from here to Altea High will be there.

Mermaid: oh goody. I love them.

Arsonist: Aren't those the same ones who ejected their principal a few months ago?

Mermaid: yep.

Arsonist: Didn't you almost fight one of them?

Mermaid: yep.

Arsonist: wasn’t it over like,,, duncan donuts?

Mermaid: yep.

Arsonist: I’m so proud!

Sparkles: Moving on from that. Is that essay for english still due tomorrow? Scorpia?

Hufflepuff: Idk dude. Email her, I’ve assumed no because I don’t want to do it.

Sparkles: how the everloving fuck are you in IB?

Hufflepuff: Luck.

Sparkles: couldn’t be me

Archer: I-

Archer: Yes the essay is still due. Scorpia please get your girlfriend from the back of the school before she catches something on fire. She's being chaotic.

Archer: Adora give Catra back her phone and DT we will be at the meeting on friday. Except for maybe Catra.

Sparkles: Spoilsport :(

Archer: You love me.

Sparkles: Yep.

Actor: Hey Stagecrew, we've got a light out on stage right.

Archer: Oh fuck. Anyone feel like climbing?

She-Ra: Me!!!

Actor: YOU WILL BE RUNNING LINES WITH ME BECAUSE IF I'M NOT DEMETRIOUS I WILL RIOT GET BACK HERE

She-Ra: CANT HEAR YOU IM FIXING LIGHTS

Sparkles: why don't you just let her be stage crew? Adora hates acting more than catra hates water.

Actor: we need people to show up and they won't show up if she's just sc.

Actor: That and HER CHEEKBONES DARLING!! It would be a crime to not cast her as Helena!!

Actor: Now can someone please get her down from the catwalk so we can get back to practising?

She-Ra: yeah yeah I'm coming.

She-Ra: Also, Entrapta, would you mind climbing into the rafters after rehearsal and checking light six? I think a few wires disconnected and I don't want to risk electricuting myself because I didn't know enough.

Mechanic: Will do! Speaking of; will you and DT move about three feet to the left! You're right underneath a rope that's this close to breaking!!!

Actor: One day I'll be performing on a grand stage and will never have to deal with out lights again!

Mermaid: Sure thing romeo

Actor: You laugh now but I know how badly you want to be Hermia don't lie to me.

Mermaid: every once in a while you get too close to home and I feel the need to remind you that you're a literal child.

Actor: A child with better fashion taste than you <3

Actor: OH FUCK YOURE RIGHRT THERE

Sparkles: Ah yes, watching mermista tackle the children on stage. Classic

Furry: Get back to work you five or the advisor is gonna be upset.

Mermaid: You can't make me

She-Ra: where'd you put the sophomore

Mermaid: Suddenly I can't read

She-Ra: Mermista

Mermaid: they’re fine!!!

She-Ra: Don’t make me sick bow on you.

Mermaid: They! Are! Fine!

Actor: SHE STUCK ME IN A LOCKER

She-Ra: MERMISTA

Mermaid: YOU LITTLE SNITCH

She-Ra: Where are you DT I’ll send bow to free you.

Actor: I’m where I was hiding when you and catra came and got me

She-Ra: Thank you kiddo. You’re doing great.

She-Ra: Bow is on his way to get you.

She-Ra: Mermista.

Mermaid: Before you kill me

Mermaid: I have no defence.

She-Ra: I-

Hufflepuff: Hey Adora, before you murder Mermista, there's a freshman here to see you?

Hufflepuff: Apparently their name is Finn and they want to join?

She-Ra: MERMISTA YOU ARE SO LUCKY

She-Ra: I'm right here. Watch this

Furry: I'M SORRY THAT CRASH BETTER NOT HAVE BEEN YOU DROPPING OUT OF THE CATWALK

She-Ra: CAN'T HEAR YOU I'M MEETING THIS ADORABLE FRESHMAN WHO PASSES THE VIBE CHECK

Sparkles: ADD THEM YOU COWARD

She-Ra *added* ***ChaosIncarnate***

Angel: They hugged. Catra deadass hugged a child.

Archer: In catra’s defence.

Archer: I would also have hugged the child

Sparkles: Finn is adorable and if anything were to happen to them I’d kill everyone in this room and then myself.

Angel: that feels a bit extreme Glimmer

Sparkles: I'M SORRY HAVE YOU MET THEM

Angel: I have, but you're all going to make them uncomfortable if you keep treating them like a little kid.

Archer: You're right Perfuma.

Archer: Besides I think that DT is going to kill us if we don't get back to rehearsal soon.

Hufflepuff: That's fair.

Furry: CALM YOUR REPTILIAN EQUIVALENT OF TITS WE'RE ON OUR WAY BACK

She-Ra: COMPLEATELY MY FAULT I MAY HAVE HOISTED HER INTO THE NEST AND FORGOTTEN THAT GETTING DOWN REQUIRES ARMS

Actor: We literally just have like one final meeting for the day then we can go home Do Not Ruin This for me.

Hufflepuff: Yeah I'm on my way back from the prop closet give me a sec

Actor: You have two minutes before I start stealing kneecaps.

ChaosIncarnate: Is, is this normal?

Archer: Yep. Once the show actually gets going it's easily ten times worse so be grateful you got here early to get adjusted.

ChaosIncarnate: I was warned that one of you once broke an upperclassmen's nose?

She-Ra: I did.

Archer: Adora! You aren't supposed to be proud of it!!!

She-Ra: Excuse you, he was being transphobic and I gave him a warning.

She-Ra: If you don't listen when I tell you to stop being an asshole I'm going to punch you in the face.

Furry: Wow.

Furry: What a great day to love women.

Actor: I am once again asking that you get over here. Preferably before we close for the day.

Sparkles: who's turn is it for closing chants?

Furry: Mine >:)

Actor: Ugh.

Arsonist > Mermaid

5:12 pm

Arsonist: So I know that I almost drowned you earlier

Arsonist: But I'd like to make it up to you with a date.

Mermaid: No.

Arsonist: Please?

Mermaid: Ask me to homecoming next month and I'll consider it

Arsonist: Oh shit that's coming up isn't it

Mermaid: How much you wanna bet that the useless gays forgot?

Arsonist: Everyone but Perfuma forgot and she's been planning for almost two weeks.

Mermaid: I have more faith in Bow then that.

Arsonist: Ten bucks says he forgot.

Mermaid: I'll take that bet.

She-Ra > Furry

7:12 pm

She-Ra: Hey do you want me to formally ask you to hoco or do you just want the general consensus that we're going together

Furry: Idrc. Like, I know that sometimes that sappy shit is fun for you and that we're a total powercouple so ppl are probably expecting it but with all the hype recently I'd kinda rather just go and have fun

Furry: As long as I can take you as my gf, eat shitty spiked punch, and wear a fun suit that I coordinate to whatever you wear. I'll be happy.

She-Ra: So, if I do something small like a little sign or something, you'd be okay with that?

Furry: Go crazy babe <3

Best Friends Squad

7:32 pm

She-Ra: Y'ALL I HAVE PERMISSION TO ASK HER TO HOCO IN A KINDA CUTESY WAY

Archer: I know that Glimmer and I are into that cheesy stuff but I didn't think you two would be into that kind of thing

She-Ra: Catra isn't suuuuper into it but she tolerates it for me because she knows that I enjoyit

Sparkles: aaaaawwwwwwwww Adora!!!! That's so cute!!!!!!

Archer: Do you need help planning for it?

She-Ra: Nope! I do need help pulling it off though!!

She-Ra: She gets her cast off in a few days, and I want to take her to our parkour place. I want to hide some sticky notes on each part of the course. They'll spell out the next location for the ask. If she guesses the location correctly I'll give her a bowtie.

She-Ra: Next, we'll go to the beach where we hunted tidepools for Mermista. I'll hide a small picnic at the top of a rock, where I'll give her some roses.

She-Ra: Finally, we'll go to our stargazing spot, park at the pull out instead of driving in where we usually do. Have a romantic dessert while watching the sunset, then I'll blindfold her and turn on my string lights and ask her to go with me!

Archer: Adora,,,

Archer: Isn't that a bit extreme?

She-Ra: I know that it feels like a lot! And you're right it is! But it's our senior year! And the only time that we'll be going together! And since people won't be seeing us doing our gay shit and so it's okay!

Archer: okay, as long as you're sure that she'll be okay with it, then I'd be happy to help!

Sparkles: I'm so sorry Adora, I've got a lot going on this week in planning for hoco and I don't think that I'll be very helpful in planning :(

She-Ra: that's no problem!!! Bow and I've got this handled!

She-Ra > Sparkles

7:44 pm

She-Ra: You liar, I know for a fact that you've had this planned for months.

Sparkles: I've had the dance planned. Asking Bow,,,

Sparkles: Not so much.

She-Ra: I have to say, I'm kinda surprised.

She-Ra: You love stuff like this.

Sparkles: Ugh I know!!!!! What am I going to do????

She-Ra: Panic?

She-Ra: Besides, he said that he's up to something so I wouldn't be too worried.

Sparkles: You’re right I guess. I’ll just have to play it by ear.

She-Ra: That’s the spirit!

ChaosIncarnate: Because if they are I have to find someone to go with and that sounds like hell.

Furry: Ugh yep.

Furry: Can’t wait to have actual children grinding on the dance floor

Furry: :P

ChaosIncarnate: Sounds like I should just stay home and watch Netflix

Archer: Absolutely not. You're going with us and you're going to have a great time.

ChaosIncarnate: But Catra just said?

Archer: Since we started going to school events, pretty much all the gays go together for safety reasons.

Archer: The couples still go together, but if they're gay they're not actually allowed to go as a couple because of the school regulation so we all just go as a group.

Archer: That now includes you

ChaosIncarnate: Oh pog!

Hufflepuff: I can't believe I'm saying this but the fuck

Hufflepuff: I'm getting too old for this slang.

Hufflepuff: BUT ON THE BRIGHT SIDE LOOK AT MY SUNSHINE OF A GF

She-Ra: I'm trying to get into my game mode! You're literally sitting on my lap!

Furry: What's so distracting about that? I'm just loving on my girlfriend.

Archer: Catra you're an evil genious

Furry: I know.

Hufflepuff: Perfuma have I ever mentioned how much I love that you're not a chaos goblin like those four

Hufflepuff: I don't think I'm getting out of this one

ChaosIncarnate: What the fuck

ChaosIncarnate: I'm not related to either of you? At all?

Furry: Yeah but you look like a mix of the two of us.

Furry: Adora's hair and eyes but my climbing things and skin tone

ChaosIncarnate: But I have parents?

She-Ra: Yes and it’s us your poin

ChaosIncarnate: You’re not my daaad!

Sparkles: Yeah duh they’re your moms

Mermaid: Wait no I wanna be their aunt

Sparkles: They can have more than one aunt dumbass

Mermaid: You’re a cheerleader aren’t you supposed to be nice

Sparkles: We’re playing Altea high I have no kindness in my heart for those nerds.

Mermaid: Mood

Sparkles: They stole your Duncan one time

Mermaid: Yes and I still haven't gotten over being beat by the same string bean who steals my coffee.

Sparkles: Their cheerleaders beat us in competition last year and I'm still salty.

Archer: Idk they're fine. I've got some friends who go to that school.

Furry: Suckup

Archer: You say that like it's a bad thing

She-Ra: Well can you at least pretend to not like them while we're there? I need my team ppl to at least pretend to be cheering for me and not them?

Furry: No promises

She-Ra: BABE!

ChaosIncarnate: Uncle Bow!! Mom and Catra are fighting again!!!

Furry: wait why is she mom and I'm just Catra???

ChaosIncarnate: Because Adora seems like she'd give me rides to practice and you seem like you'd let me show up10 minutes late with starbucks

Furry: Excuse you we don't drink starbucks in this family

She-Ra: They can have Starbucks if they want.

Furry: Starbucks is a straight persons food.

Furry: I'm just trying to look out for you kid.

2:00 pm

Mermaid: I'm mildly concerned about how quiet it's been on here

Furry: Well.

Furry: Adora is taking a pre-game nap after we got kicked out of the grocery store for being too noisy.

Furry: The adults were not pleased.

Chapter End Notes

-TAKE YOUR FINN YOU MONSTERS

Furry > She-Ra

3:25 am

Furry: So like

Furry: you know how the gc likes to joke abt Finn being our kid cuz they act so much like us

Furry: It’s a nice thought

Furry: The idea of having a kid with you is one that kinda weirds me out but also brings me joy. Cuz like I’m not sure if I’d ever be a good mom since I’ve got trauma and shit but I think that you’d be an amazing one.

Furry: And I know that we’re both young and it’s weird to think about ever having kids because we don’t even know if we’ll be together long enough to have them but it’s a nice thought

Furry: You’d make a good mom

She-Ra: I’m coming over.

MaraGrayskul > Archer

7:52 am

MaraGrayskull: I’m aware that you keep a collection of moments between my daughter and adopted live in cat so here’s one to add to the collection

Archer: Yes mom

Angel: Yes mom

Hufflepuff: Yes mom

ChaosIncarnate: Yes mom

Furry > She-Ra

9:12 am

Furry: Can we bring Finn bowling with us???? I really don't want them at that party.

Furry: I can’t stop our friends but I really don’t feel comfortable knowing that Huntara is gonna be there. I don’t want her hurting them.

She-Ra: Catra, you’re being a bit irrational. Is there more to this than just Finn?

Furry: …

Furry: Please Adora?

She-Ra: I-

She-Ra: Okay. You’re welcome to invite them. Just remember that Finn is their own person and can say no and still choose to go if they want too.

Furry: Thank you Adora. It means a lot to me.

Mechanic: Oh I was invited to that!

Mechanic: Fun? How so? It seems painful to me.

Hufflepuff: I don’t know! I miss boxing! The gym I used to go to closed and I’ve been missing it for a while.

Furry: dude just spar with me and adora

Hufflepuff: no you two always end up making out and Adora could easily kick my ass.

Furry: You know what?

Mermaid: There's times where I wonder how Catra hasn't been expelled yet

She-Ra: Why's that!?

Mermaid: she gets in so many fights that I'm sure that she's at least be in ISS at this point

She-Ra: Please tell me that she's not in a fight at this exact moment

Mermaid: i don't want to lie to you and say that she's not

She-Ra: FUCK

She-Ra: CATRA GET YOUR GAY ASS OVER HERE

Mermaid: for those lurking, adora's entered the scene

Mermaid: okay she's talking with them both

Mermaid: oh that's an angry face

Mermaid: OH SHIT

Mermaid: SINCE WHEN DOES ADORA JOIN IN ON FIGHTS

Mermaid: aww someone went and got a teacher what a shame

Mermaid: did they really just kiss then run off

Mermaid: NO WAY THAT THEY ARENT' CAUGHT

12:10 pm

Furry: i can’t believe it either tbh

She-Ra: For anyone curious I did in fact give the guy a black eye!

Archer: So,,,, why??

She-Ra: He was being transphobic :)))

Furry: No one misgenders my friends and child :)))

Sparkles: God the gays really are powerful

She-Ra: Also we skipped the last two class periods can someone send me the homework?

Sparkles: Yeah sure one sec i gotchu

Archer: Adora you don’t usually fight are you good?

She-Ra: I don’t condone violence but if you’re going to be transphobic you deserve the fist of pain

ChaosIncarnate: Really????

She-Ra: I don't condone violence Finn.

ChaosIncarnate: Boooooo

Furry: I do

ChaosIncarnate: fun mom fun mom fun mom fun mom

She-Ra: Catra.

Furry: I don't condone violence I'm anti violent and would never encourage any individual to be violent to others ever

ChaosIncarnate: BOOOOOOOOOOO

Sparkles: Sometimes I'm worried about how violent the gay freshman are

Sparkles: like there's a freshman named Frosta who threatened Whoredick with a violent death

ChaosIncarnate: OH I LOVE FROSTA

ChaosIncarnate: I ONCE TOLD HER I LIKED HER COAT AND SHE TOLD ME TO CHOKE

ChaosIncarnate: It was amazing

Mermaid: ah yeah thats def adora's kid

She-Ra: What??? Why???

Mermaid: "she once told me to choke and it was amazing"

She-Ra: I-

Mermaid: yeah catra never told you to choke only for you to end up with a crush on her

She-Ra: I-

Furry: Awww babe you had a crush on me! Embarrassing!

She-Ra: We’re dating?

Furry: yeah but still

Archer: Okay Finn this is an example of what I call, “Catradora got into a fight and now they’re being gay”

Archer: Please note that they themselves did not fight but they did in fact fight and now they crave chaos,

Archer: So Glimmer and I usually drive them into the woods for a few hours in order to let them calm down and climb things

Archer: We’ve been doing this for years and we’ve got it down to an art.

Sparkles: Anyways I’d like all the dress wearing individuals to find a time this week good for us to go thrifting and shopping for hoco wear.

Sparkles: I’m not kidding.

Angel: I can drive! But y'all need to help with gas money bitches be broke! And no bad vibes are allowed okay? My car can't handle more sage. :(

Sparkles: Oh totally!!

Angel: Wonderful! Shall we try for saturday?

Sparkles: That works for me!

Sparkles: Everyone please let me know by Wednesday! :)

Chapter End Notes

-Please note that all these relationships are built upon healthy communication and their trauma is very different from in the show which is why the dynamics are different here than in show

-Finn and Frosta won't have a relationship because it feels weird and not right to me (No hate but I don't ship even in an au) but Finn having a crush on people in the way Adora crushes will never not be funny to me

Furry: Has anyone considered that they’re not going to let us in?

Furry: Like if we don’t wear cis clothes and het dates

Furry: Like what’s the plan then?

Furry: Do we just not go? Do we recruit the internet into revenge?

Furry: Don’t ignore me

5:17 am

She-Ra: Cool so I wake up for a practice at the same time as I have for years and now I'm having a crisis

She-Ra: Like they can't do that right? It's not allowed?

Sparkles: I've got a meeting this morning so I'll see how it goes but I really doubt that they'd do something so shitty

She-Ra: After practice right?

Sparkles: Yep!

She-Ra: Awesome! Also, I'm free on Saturday around noon? For the dresses?

Sparkles: You're wearing a dress?

She-Ra: Yeah haha, I used to like wearing them when I was younger so as long as it isn't too formal I think I'd like to wear one again

Sparkles: Totally! I already have some shapes and cuts in mind to show off your figure! Dude you're going to look really nice!

She-Ra: I don’t know abt that haha, but I’m hopeful!

Furry: You’re going to look great. Trust me.

She-Ra: Standing next to a kickass beauty like you?

She-Ra: Of course I will.

Sparkles: No being gay in the gc before 8 am you both know the rules

Furry: Damn. That 3 bucks into the group venmo isn’t it?

She-Ra: I hate that rule :(

Sparkles: We’ve all had to pay it before!

Furry: Am I going to have to actually dress up?

She-Ra: Ask Glimmer after her meeting and I’m sure she’ll have an anser forou

She-Ra: OH FUCK ARYAN GET UR HET ASS ABFAKC HERE

She-Ra: I habve to go

8:42 am

Furry: I FUCKING CALLED IT

Furry: WITHIN HOURS AND WHAT DO WE SEE

Furry: WHAT A BUNCH OF ASSHOLES

Tweet:

"Please remember, as of student handbook bylaw 12.4, all couples packages are only to be sold to biological male and female students. And that in order to purchase photos as Homecoming you muse meet these requirements"

She-Ra: Can?

She-Ra: Can they do that?

Sparkles: THEY SURE AS HELL DIDN'T MENTION THIS IN THE MEETING

Archer: OHHHHH BOY ARE MY DADS PISSED

Hufflepuff: YOU GET SICK FOR ONE (1) DAY AND NOW YOU CAN'T TAKE UR GF TO HOMECOMING TF

Angel: I'm filled with very high levels of rage. But it's okay. The PTO will figure it out and realize that this is not only, homophobic, but transphobic as well. Then they'll put everything back to normal.

Furry: Is violence still frowned upon?

Furry: I'm taking the silence as a no and that I'm allowed to get out the spray paint?

ChaosIncarnate: That doesn't make sense?

ChaosIncarnate: What about the friend groups? Homecoming is supposed to be a fun group event too?

Sparkles: I'll text the planning group and see if I can figure out what's going on.

Sparkles: Sit tight everyone and give me and hour before we start to plan any kind of vandalism or violence. Though if it does come down to it, my car is the least likely to be recognized and I have plenty of baggy black clothes.

Chapter End Notes

-I get a lot of comments abt the level of chaotic energy and abt how this is kinda unrealistic, please remember that a) this is a fic where my only planning was "be gay, do crime" and b) it's also a vent fic and I've been dealing with shit like this that actually happens for years.

ROYALio: I know some of the details?

ROYALio: Apparently the school had decided to enforce some old school rules in the spirit of keeping what happened when we did the walkout from happening again

Sparkles: I'm shocked you had an anser for me thank you very much.

Sparkles: I make no promises that the homos aren't going to cause trouble

Sparkles: Or that I won't help them

Furry: Oh bet

Furry: So what's our plan for revenge?

Furry: other than letting Bow's dads tear the school a motherfucking new one

Archer: I've never gotten so many angry texts in a row???

Angel: Can we put revenge planning on hold please? For a few days? I really just want to enjoy some shopping and have a good day with my friends?

Angel: I know it sounds dumb but we keep having to fight so hard for our rights and it gets exhausting, seriously our author must be going through it, or just in a reallllllly mean mood this week

Mermaid: What?

Angel: Nothing! Everyone is still free tomorrow for shopping right?

Mermaid: We're spilling into two groups right?

Mermaid: Tux queers and dress queers?

Sparkles: that's the plan!

Archer: Anyone not going is welcome to come to mine, some of the Trans™ are coming over for video games and I've already got my suit

Arsonist: I'd be very excited to come and play some video games!

Archer: Cool! Make sure to bring snacks and a controller!

Archer: And batteries, those are important too

Arsonist: Wonderful!

Hufflepuff: Hello Darling! I'm doing my best! It's hard to stay positive sometimes, but I'm doing the meditation that you recommended to me and it's been helping me to stay focused

Angel: I'm glad it's helped you :D I know recently it's been pretty stressful but we're going to make it through this and come out stronger because of it.

Angel: People like to think that I'm weak because I'm kind. And that because of that I'm not also strong. But our kindness it what makes us strong and we will protect who we love.

Angel: And I'm not above arson to do it.

Hufflepuff: I've never looked at it that way.

Hufflepuff: Perfuma, I love your kindness. And your tenacity, and you're strength, and your green thumb, and your softness, and how you stick up for yourself.

Hufflepuff: And really your everything

Girls and Gays

****

"Adora!" Glimmer yells as the camera pans out to a closed dressing room door, "Come on! It can't be that bad!"

The door opens and the camera cuts down, a muffled "Hey!" can be heard in the background.

****

A picture of a lilac skirt, the tulle pushed down and a middle finger laying in the middle of the frame.

There's text that reads, "She yelled at me :("

SweetPerfume

****

Adora, Glimmer and Perfuma are all smiling at the camera. Adora's hair is falling out of it's bun and Glimmer's blurred peace sign is directly in front of Perfuma's fond, yet irritated face.

The text reads, "You ask for one nice picture" and below that "smh."

ScorpionRawr

*****

The camera shifts in and out of focus in, showing flashes of tuxes and the occasional flash of brown hair. It eventually settles and focuses on a short figure with long but curly hair, being fitted by a bored irritated gentleman.

Double-Trouble can be seen in the back, scrolling through their phone, then pointing it at the camera, before looking down again.

The camera flips to Scorpia, giving the camera a thumbs up before it turns to black.

*****

Catra and Double-Trouble can be seen, both with rumpled clothes, flipping off the front of the store. Catra is grinning and her boots are unlaced. Double-Trouble is making eye contact with the camera and is winking. The text reads, "They kicked us out. "

*****

The last photo is just of the ground, blurred and with a pair of combat boots in the corner. It seems to have been posted by accident.

CatraMew

Ur Not Lame IG

*****

The photo is taken from a distance away. Catra has jumped up onto Scorpia and is wearing giant sunglasses. Double-Trouble seems to have folded themselves onto a shelf in the background and the three are surrounded by shelves and racks full of old clothes and costumes. The lighting isn't great but they all seem to be enjoying themselves.

*****

CatraMew to GayAss<3

The photo is of a maroon suit, it's been taken in a mirror and Catra is making a face at an untied bowtie. The text reads, "Will this match ur dres?"

Adorabul to My Kitty

The camera is obscuring a bright pink face, she's wearing a strapless dress that falls to her knees, it's a soft shade of red and shows off the girl's muscular shoulders. A delicate strap dangles from one finger and joins the dress at the waist.

The text at the top of the screen says, "idk probably? What do you think of this one? Glimmer says it makes me look

uncomfortable…:/”

CatraMew to Gayass<3

The angle of the photo has changed, Catra can be seen laying on the ground, flat on her face and a thumbs up is in the corner of the screen. There’s bright red text that says, “She likes it. And you look great! If you wear fishnets and like, big boots y’all will match really nicely! (she got the suit)

Adorabul to My Kitty

The photo is of a pair of fishnets, still in the package and laying on a grey bedspread. The lighting is awful but the text says, “Will these work?”

CatraMew to Gayass<3

The screen is black and the only feature on the screen is the “okay” emoji

BowsAndArrows

His Story lmao

A selfie of Seahawk holding his thumbs up, while laying on top of a crying Kyle, with an Xbox controller clutched in his hand. The screen of the Tv in the background displays a generic, game over screen. The game appears to be,,, Roblox?

*****

Bow glares at the side of the screen, his mouth partially open as if he's yelling at the boys from the last photo. Finn can be seen in the background, giving a catlike grin as they blur in the direction of Bow.

*****

The next screen is a video, where Bow is yelling about moving to the left next time, before a flash of dyed blonde hair pounces onto the older boy and the camera goes flying, landing somewhere across the room and leaving an excellent view of the ceiling for the watcher to enjoy.

"Catra? Watcha doing?" Adora knocks lightly on the door of the girls room. Hovering in the doorway as she waits for permission to enter.

Instead of responding, Catra rolls onto her side and gestures wildly until Adora gets the point and falls down next to her on the bed.

Adora leans in closer and asks again, "Hey Catra, watcha doing?" She giggles and leans into her.

Once again, Catra doesn't say anything until her camera is open and recording, TikTok pulled open on her camera. She leans in close to the older girl and her breath rustles her bright blonde hair. The moment seems to freeze before she quietly mutters, "Hey Adora."

Adora pulls backwards with her mouth in an O shape. She gently smacks Catra's shoulder, "You jerk! I thought this was important!"

"But Adora! This is important! Communication is the foundation of any healthy relationship!"

"I can't believe you made me get out of bed, dressed, and walk all the way to your half of the duplex, just to say hey!"

Catra shakes with barely concealed laughter and turns off the camera. Subtly putting down her phone and pulling a small sign from below her pillow. Then pulls a bouquet of roses from behind her bed. She shrugs off her blanket and rolls of the bed, falling to one knee as Adora complains from beneath a stolen pillow.
"I was so comfortable Catra! I was in my nice and soft sweats even!"

Catra laughs even more and gently prods Adora to take the pillow off her head.

"No! You teased me!"

"C'mon Adora. Don't be an idiot. Take the pillow off your head."

Adora sits up and finally removes the pillow, complaining for another few seconds before noticing the sign and going silent. Her face turns red and she reaches out to hold onto the smaller girl.

"You mean it?"

Catra nods and her face starts to fall when Adora doesn't respond.
"I just, I know that you like making a deal out of things and that you like romantic shit! And like I feel like somtimes I don't tell you just how much I love you and I-"

She's cut off as Adora jumps onto her and mutters a quiet, "Of course I'll go with you. But you have to let me prompose okay?"

Catra grins and leans deeper into the hug, "I think I can do that."

Chapter End Notes

-So this was different than normal? I hope you enjoyed because it's been a while since I've done any descriptive writing?

-I won't be doing much describing of the outfits because I have a weird sense of style and I want all of you to be able to put yours onto the characters. If you don't feel like it. Everything but Adora's dress is from Princess Prom. I didn't like her PP dress so I'm taking creative liberty and fixing it.

-I hope you enjoyed? I know it's different than it usually is? I promise next week is back to normal!

-As always, No Beta, we die like writers

I would once again like to remind you that Perfuma is a stoner and a gay trans women

7:12 am

Furry: Alright. We've had a weekend to rest. Now it's time to plan.

Furry: I want revenge for being kicked out of homecoming

Furry: They don't get to do that to us

Angel: I don't condone any kind of violence.

Angel: But.

Angel: I'm not against some sabatage and maybe stalling the occasional staff member

Sparkles: TEAM MOM IS IN LINK HER TO THE GOOGLE DOC

Angel: THERES A GOOGLE DOC???????

Archer: Duh? We've been planning for abt a week but you've been stressed so we left you out of it until you were ready

Angel: Awwww guys!

Hufflepuff: WE LOVE YOU BABE

Actor: You're like 90% of the older ppl's impulse control we want you to be happy

Angel: You're all so sweet!

Furry: PLAN TIME???? PLEASE?????

Sparkles: I'm thinking we either

Sparkles: A) fuck up the school bad enough it can't be held

Sparkles: or B) Hold our own.

ChaosIncarnate: FUCK SHIT UP

Angel: We won't be doing that.

ChaosIncarnate: Boooooooo

Angel: I do like the idea of holding our own though!

She-Ra: We'd need a location for that though. And while I think it's a great idea, would anyone show up?

Sparkles: Plus, we'd need food, decorations, and supervision.

Archer: Not to mention the funds to do it.

She-Ra: Well I have a solution to the funds problem?

Sparkles: BAKE SALE?????

She-Ra: Well we're all artists or performers of some kind right? Why don't we hold a sumit at the park?

She-Ra: Catra and I can show off our parkour skills, Perfuma can lead yoga, DT can hold an improv game, Mermista can do- well im not sure what she'd do but it I'm sure it would be great!

She-Ra: Glimmer could maybe teach some smaller cheer tricks? OOOO! Then we could set up a photo booth!!!

Hufflepuff: Thats…

Hufflepuff: Ambitious

Hufflepuff: but also a really good idea

Mermaid: Seahawk and I could provide a quiet space and face painting? We're both decent artists and since swimming isn't an option, I'm pretty creative.

Arsonist: Sounds wonderous!!! I'd be happy to be quiet and paint for a few hours!

She-Ra: we'll only have a few days to plan since I'm assuming we want to hold ours on the same night as the school one, and in

order to get the space and everything we'll need at least a week for set up

She-Ra: If it's monday now. We should aim to hold the summit on Saturday

She-Ra: Is that doable for the rest of you?

Archer: It should be! I'll ask my dads about finding a good location for the dance to be held!

Furry: Be gay

Mechanic: Do crime

Sparkles: do crime!

She-Ra: Do crime!

Huflepuff: do crime!

Mermaid: do crime

ChaosIncarnate: Do Crime!

Archer: :/

Sparkles: That's not a happy face

She-Ra: What's up?

Archer: Remember my brother? The tall one with the long hair?

She-Ra: Confused Himbo?

Sparkles: Resident accidental transphobe?

Archer: He's coming home : /

Archer: And like of course I love him! But I know he's going to not understand my style and I don't want him to hate me!

Sparkles: It’s the toxic masculinity for me

Archer: Lmao

She-Ra: I’m sure it’ll be okay. He may make a mistake but you’ll correct him. And while I know you aren’t allowed to stay at Glimmer’s anymore my folks know I’m a raging lesbo and aren’t toxic hets so you can always stay at mine.

Sparkles: I hate that I can’t argue that.

Archer: Ugh it’s just such awful timing! Why couldn’t he just wait like another three weeks for this stupid homocoming thing to be resolved!

She-Ra: The universe wouldn’t throw this at you if it didn’t know you were ready.

She-Ra: You’ve got this!!

Archer: Thanks guys, you always know what to say.

Chapter End Notes

- I'm shocked that there's people who still read this when its 90% just me projecting onto these characters

-Seahawk in this is just the opposite end of my ADHD

-I'm still in love with Perfuma and the essay is getting longer every day.

-The idea that she lead the princess alliance while the BFS was in space is never not going to be funny to me.

-I took a day of self care yesterday and it was great. Make sure you're taking time for yourselves.

Angel: And hot. Which is Catra and Adora.

Furry: I'll take hot.

Sparkles: Aww I'll take beautiful!

Hufflepuff: Oh that's true!!!

Actor: I can't believe you headed off that argument so easily.

Angel: I've been interacting with those five since freshman year. I've had a lot of practice.

Furry: I resent that statement.

Angel: You were meant to <3

Hufflepuff: hehe cool gf

Furry: Simp.

Hufflepuff: You wanna say that to me again?

Hufflepuff: Be very careful with what you say next. I have almost two years of pining in my photo gallery.

Hufflepuff: Call me a simp again I dare you.

Furry: I retract my previous statement.

Hufflepuff: That's what I thought.

12:00 pm

Archer: Alright this is the 12 checkin. If you haven't started getting ready go do so.

Sparkles: Dress wearers, you have 20 minutes to get to my place before I start to throw hands. Scorpia gets a pass because I know she always gets ready with catra. Entrapta is invited but not required.

Archer: ALRIGHT Y'ALL HAD BETTER BE READY BECAUSE IT'S PHOTO TIME

Archer: AND I TAKE IT VERY SERIOUSLY

Sparkles: It's still so early though?

Archer: And?

Archer: Have you met me. I'm literally in yearbook photography is what I do.

Archer: And my house has the best lighting and movie space so the faster you get here the faster we can start

She-Ra: For everyone who hasn't done any sort of formal event with Bow expect about 15 minutes worth of pictures per couple and 10 per person.

She-Ra: The entire process takes about two hours if you hustle.

ChaosIncarnate: I-

ChaosIncarnate: is opting out allowed?

Archer: ABSOLUTELY NOT

Furry: Don't try. I've done my best for the past two years but there's no escape

ChaosIncarnate: Two years?

ChaosIncarnate: When did all of you meet exactly?

Archer: If all of you can get tf over here I will tell the story for all to hear.

Archer: THEN IM TAKING MY PHOTOS GODDAMMIT

Hufflepuff: We’re on our way so tell the story magic man

She-Ra: Same

Archer: all right

Archer: It all started in freshman year. As you all know the three middle schools in the area, Brightmoon Prep. Fright Middle. And Mystacore Boarding School.

Archer: Now. The BFS all went to different middle schools and were the first group to form. Besides BBS (Bad bitch squad and Best Friend Respectively) Glimmer went to MBS like a pleb. I went to BP and Adora went to FM.

Archer: So imagine us as a bunch of sticky freshies. Glimmer still having her braces. My fem looking ass. And Adora as a scrawny kid who’s hair at this point was still straighter than whoredak

Archer: Let me start this story with the fact that we HATED eachother at first. Like. Adora and Glimmer hated eachother so much that they ended up with detention within the first two weeks of being here.

Archer: I did not and actually liked Adora. She helped me out in class when I was getting bullied by some upperclassman so we were already chill.

Archer: Anyways. The two bonded over the fact that they both were queer and had complicated emotions about their families and Glimmer finally chilled out so the two chilled out and we started hanging out a nbucnh to the point where people started to refer to us as the lesbian threesome.

Archer: We ignored the names for the better part of the year. Mainly because our girl Catra was defending us.

Archer: Though of course we didn't realize that. Because she wouldn't be caught dead helping us. She'd been close with Adora before High School but since she'd gotten closer to us they'd stopped hanging out.

Archer: So once sophomore year hit. We all joined drama because of Me and Scorpia's plotting (we both were in yearbook and it's hard for the nice friends to hate eachother) and SURPRISING NO ONE! WE ALL GOT ALONG ONCE GAYASS GOT THEIR SHIT TOGETHER AND NOW WE'RE ALL EXTREMELY CLOSE AND YOU HAVE THE CHOAS GROUP

Archer: There's of course more detail then that but my hands already hurt and everyone is now here and I have pictures to take so ask me again when we aren't trying to fuck over the school

ChaosIncarnate: wow. That's convoluted.

Furry: that's the bare bones of it to

Furry: When told properly the story takes almost three hours or four pages in gods google doc

ChaosIncarnate: That's so much????

Hufflepuff: We're gay susan that isn't even that convuluted.

Archer: Scorpia!!

Hufflepuff: What????? I'm not wrong!!!!

Hufflepuff: Some of my gay friends take up like 4 hours to tell just the shortened version

Hufflepuff: Also. As much as I love to show off my femme gf i hate gettting my picture taken.

Archer: I SEE YOU GET BACK HERE AND PRETEND THAT THERE ISN'T A GIANT HICKEY THAT YOU DRESS DOES NOT COVER

THAT I'M GOING TO HAVE TO EDIT OUT LATER AND STAND PRETTY FOR ME

Mermaid: I suddenly have so much more respect for Bow

Archer: We all know how seriously I take my job and a little thing like unhappy subjects is not going to stop me

Mermaid: I'm so glad that I decided to get ready on my own.

Mermaid: Anyways have fun with the pictures. I'll meet the ten of you at the venue this at five.

Archer: Wonderful!!!

Image Description

A photo taken from a distance of a group of ten. From left to right the photo includes: A tall girl with short white hair, decorating her arms are deep red gloves and she has one arm draped around an equally tall girl with light blonde hair. Her hair is braided with flowers and she's holding up a peace sign. Her other arm is tight around her girlfriend's waist, contrasting nicely against the dark fabric of her floor length gown.

Next to them is a pairing of two young teens in suits. One of them has faded green hair that falls to their hips. They've paired an

oversized suit shirt with a mini skirt and platform heels. They're draped over the more scruffy of the pair. Choppy and poorly dyed blonde is gelled back and they're holding up Double Trouble with a grin that shows off their braces. Untied converse peek out from beneath them.

To their right is a boy with purple hair in a bright blue suit. He has a goofy expression on his face and seems to be staring at something just off frame of the camera. His mustache is reflecting the light and he's wearing a black choker.

The next pair is a short boy with an even shorter girl on his back. Her puffy purple skirt obscures most of his suit but a lilac bowtie pokes through. His shirt seems to be cropped and he's wearing a crown that's been knocked crooked by his girlfriend's antics. He's bent partway over and the manic expression on her face translates perfectly to the film. Her hair is curled and seems to be holding a tiara steadfast. A single boot with a moon on the soul is sticking out of her skirt.

The last couple isn't even looking at the camera. They're gazing at each other with soft expressions. One is in a light red dress with a gold strap that falls just past the hem. It's strapless and a maroon jacket that matches the other girls suit is draped over her shoulders.

The other girl has a shawl over her shoulders that is the same shade of gold as Adora's dress.

The photo is one of many candid's taken before leaving.

GlimmerandSparkles

7:12 pm

Bright lights flash across the screen. Red to blue to yellow to pink then back to red they flash across bright purple hair and heavily made up violet eyes. She holds up a gloved hand and points.

The camera shifts to a couple across the dance floor. The two tall figures are gazing into eachother's eyes and the smaller of the two is standing on the taller girls feet. Her blonde hair covers her face but the flowers and pinkness of the dress give away her identity.

The text at the bottom of the screen reads, "Vote Scorfuma for royalty <3"

*****

7:57 pm

This photo is in a mirror. The area is well lit and Bow has his arms resting lightly on top of Glimmer's shoulders. The pink phone case is resting on her head and her eyes are rolled up into her head, looking at her boyfriend with nothing but love.

Bow's cropped shirt is a bit wrinkled but the strap of his camera is crisp and he's looking softly at Glimmer in the mirror. Though he's stolen her phone she doesn't look very upset.

Adorabul

6:47 pm

The lighting of the photo is awful. As per usual with Adora. It's a photo of the floor of the homecoming. It's been taken from above and the lights of the hall are still bright. There's arrows and text pointing all over the screen to different areas of the hall.

Once you look closely you can see that all of the text just says "Places I've kissed Catra"

*****

6:52 pm

The screen of this photo is completely black but the text says "That was not a brag I just love my girlfriend :/"

***

7:17 pm

This photo is the nicest one yet. It's taken close to Catra's face. Her cheeks are glowing and she's blushing brightly enough to cause the rest of her skin to pale in comparison. The look she gives the camera is so soft that you wouldn't expect it from her. With one brow quirked she stares just past the lens and at the photographer.

*****

7:50 pm

This is the only video she's posted that isn't about Catra. It's a video of Adora, taken from farther away and at a higher angle than normal. She's surrounded by underclassmen, all of whom are wearing some kind of pride memorabilia. Catra has an arm around her waist and is conversing casually with a girl with two-toned hair and a knee length skirt. It's pink and she keeps getting distracted while staring at a girl with short hair, wearing a pink tutu and tuxedo top who's talking excitedly at an overwhelmed looking Adora.

Adora reached into her dress pocket and her face drains of color. She looks around frantically before making direct eye contact with the camera.

A soft, "Sorry mom" *is heard in the microphone before the video cuts out.*

ScorpionRawr

3:12 pm

The video she posted was short. Just a looping clip of a bright bedroom with Vinyl records on the wall and a girl in a suit leaning into a mirror while doing her eyeliner. In the background another can be seen trying to strap herself into a pair of heels.

*****

5:15 pm

This clip is longer, though blurry. The chattering of the radio can be heard in the background as Scorpia and Perfuma smile at the camera. Perfuma is talking to someone in the front seat of the car when Scorpia leans forward and kisses her cheek. The darkness of

her lipstick contrasting brightly on her pink cheeks. Perfuma's voice cuts off with a gasp and she turns to look at Scorpia with a blush.

*****

7:42 pm

The last photo seems professionally taken, though that may be thanks to Bow's constant lessons on photography. It's of Perfuma and Scorpia. The two girls are smiling as they stare at each other.

Scorpia has one gloved hand around Perfuma's waist and is holding the other girl close to her body. Though judging by her wide eyes she's not the one who initiated the intimate pose. Perfuma's smile is much less innocent and pink lipstick has been smudged with black.

FunkyLizardPerson

3:51 pm

Double Trouble is staring at the camera. Their eyes are heavily lined with dark makeup and their lips are even darker. Carving deep lines in their face is sharp angles of green makeup that causes them to stand out more than ever. In the edges of the photo, their homecoming outfit can be seen hanging up in the background causing the sharp edged of their shoulders and collarbones to stand out.

*****

7:50 pm

The only other photo they're posted is of them leaning between the two bathrooms of the hall. The look they wear is irritated and

the text of the photo reads "@bowsandarrows where do i shit there's no bathroom for any of the enbies."

***

7:53 pm

This photo is the same spot but now there's signs over both the gendered bathroom signs. The signs simply read "Whatever" *and Double Trouble is grinning at the camera and has one long leg sticking into the air.*

BowsandArrows

3:01 pm

The camera is pointing at Finn. They're laying on the ground, face up and is covered from the chin down in a white sheet and the outline of a hand pokes out of the sheet. The hand is flipping off the camera and their eyes are closed

The text says "I can't believe that I'm an uncle."

***

4:12 pm

The next photo is a photo of Bow, Adora, and Glimmer. Bow and Adora have their arms over Glimmer and the other two are making a heart. Glimmer's eyes poke over the top of the heart and she's hoisting herself over the other two. Her eyes are bright and her makeup is flawless.

Adora is slightly less put together, her hair is slightly frizzled and her earrings are only half in but she's grinning.

****

8:00 pm

The screen is blurred. It's dark and Bow is running as quietly as he can. The silence of the rest of the area is highlighted by his heavy breathing.

****

The last photo is just a black screen. The text is short. "Stay where you are. I've called 911 and they're on the way.

Archer > She-Ra

8:12 pm

Archer: Update because I know that you and Catra are safely hidden and this won't put you two at risk

Archer: I got a call from Mermista that there was someone outside the hall about an hour ago. She didn't sound too worried so of course I ignored it. But she called me again like 20 minutes later sounding really worried and so I poked my head outside but I didn't see anyone. And I just thought she was being paranoid cuz there's a fuck ton of queers here so of course we get nervous it's us.

Archer: So I switched her out with Dt and Finn. And OF COURSE I DIDN'T HEAR FROM THEM BECUASE THE PERSON FUCKING ATTACKED THEM AND LEFT THEM UNCONCIOUS BEHIND THE HALL AND THE ONLY REASON I KNOW IS BECAUSE OF THAT STUPID MESSAGE THEY SEND ME FROM FINN'S PHONE AND I CAN'T EVEN GO GET THEM BECEU IM STUVK EHRE FOERIOE SAFELTY

Archer: Hi Adora it's Glimmer. We're safe but Bow is down for the next few minutes. I'm not gonna say where but we're safe. The police haven't been able to get us any updates but they want us to shelter in place until we receive a message from Bow's parents telling us that we can come out

She-Ra: Hey Glimmer. Thank you for taking care of Bow. Catra and I are hiding with some of the kids we were talking to earlier. We have Perfuma with us too. I've been talking with my mom and Razz a bit and they've got a little more information.

She-Ra: Apparently the attacker is armed and took both Dt and Finn hostage and is refusing to come out now that the police have arrived. They haven't made any demands and the police THINK that if a small group of students tried to get out the back they may be able to but it's all just speculation right now.

She-Ra: We don't have Scorpia and Perfuma is a hot mess so I'm going to go and try to comfort her as best I can. Perfuma lost her phone in the chaos and is worried so don't text her because she's wont get it

Archer: Will do. Be safe Adora. Don’t take any unnecessary risks.

Furry > She-Ra

8:22 pm

Furry: I didn’t want to say this around the kids and Perfuma but I’m worried about how close we are to the front of the building.

Furry: If the intruder is nearby I don’t want all of us together like this.

She-Ra: There’s six of us right? I could take the ones who are in worse shape towards the back. I’ve got my knife on me? I should be able to take them towards that closet we made out in earlier

Furry: Not a chance. You can’t move quietly to save your life. I don’t want you at risk like that. We both know that I can move silently and that I’m better in a crisis.

She-Ra: I can’t believe that we have to pick who’s going to risk their life right now.

She-Ra: This is crazy

She-Ra: Catra this is insane we need to get out of here.

Furry: Hey

Furry: We're the oldest here right now. Focus now and panic later.

Furry: Now here's what I'm going to do. I'm going to take myself, Perfuma, and Kyle down the hall to the closet. We'll be quick but I have a feeling that this is going to be a waiting game for all of us.

Furry: You're going to stay here with that kid…

Furry: Pidge? You're gonna stay here with them and the other two kiddos and sit tight. If you still have that change of clothes in your weird pocket thing change into it and be ready to fight. If I make it I'll text you our words. Don't respond if I text you anything else okay?

She-Ra: Okay. You're right. Focus now and panic later in therapy.

She-Ra: I'm sending you with my knife. And my portable charger so you can keep in contact okay?

Furry: Of course.

Furry: Ready?

She-Ra: No

Furry: Me either.

She-Ra: lets do this

The Grayskull Fam

8:33 pm

MaraGrayskull: Are you still okay Adora?

She-Ra: mhm

She-Ra: I had Catra take some of the more nervous folks farther away from where we were before and further away from where the intruder is said to be. She hasn't told me she's safe yet and I'm a little nervous. There hasn't been any activity where we are and I have to say the lack of movement has been really unnerving.

MaraGrayskull: I'm so sorry darling. I'm worried about you and about everyone else in there. I'm so proud of you for staying as calm as you have. The only update I have for you is that both students taken hostage are conscious and alive. Though the intruder claims to have broken an arm we don't have any proof. Negotiations are at a standstill at the moment so please just sit tight and try to stay as calm as you can.

She-Ra: Ugh I'm so worried about everyone that it hurts

MaraGrayskull: Text me soon okay darling? Keep me updated when it's safe

She-Ra: I will.

Furry > She-Ra

8:36 pm

Furry: You're such an idiot <3

She-Ra: Thank god you're safe.

She-Ra: Is everyone okay?

Furry: Yeah. We made is far away from anywhere. It’s dark and the walls are thick.

Furry: Perfuma is taking a moment to calm herself down and meditate and Kyle is

Furry: well idk what kyle is donig but he’s doing it quietly so i’m not too worried for now.

Furry: How’s everyone doing there?

She-Ra: Quiet. The bird human is on their phone a bunch and I think their worried abt their friends. The kiddos are just hugging and hiding in the corner.

She-Ra: I’ll keep you updated.

Furry: Love you

She-Ra: Love you

She-Ra > Furry

5:12 am

She-Ra: 8 FUCKING HOURS AND STILL NO NEWS WHTA THE HELL

Furry: this is why I say ACAB

Furry: THEY WON'T DO THEIR FUCKING JOBS AND I'M EXHAUSTED

She-Ra: apparently we need to be prepped for another three hours of this at least. What the hell

Furry: What are they even doing with all this time

Furry: If it were me this would already be over and we would be at home doing our homework and drinking shitty tea that Perfuma threw at your window

She-Ra: We'd be wearing our matching onesies. I'd have already showered for the evening so we'd be warm and comfy. We'd probably get distracted a while in and give up

Furry: Could we watch that one horror film while we do it?

She-Ra: 2020?

She-Ra: It might throw off the cuddly mood but sure.

Sparkles > She-Ra

5:17 am

Sparkles: So I know my mom said no violence but I'm considering it

Sparkles: Also. The intruder is fucking ugly

She-Ra: What?? How do you know this???

Sparkles: He passed our hiding place a few minutes ago. Finn was with him but I didn't see DT which was worrying

Sparkles: you know, until they crept past with a Hello Kitty bat about three minutes later looking murderous

Sparkles: Expect to be freed soon

She-Ra: What no that isn't okay we can't let a high school sophomore try to take out an armed intruder that's wrong for so many reasons.

She-Ra: I can't sit here any longer. Where were they headed?

Sparkles: In the direction of the kitchens why?

She-Ra: THAT'S WHERE CATRA WENT TO HIDE FUCK HASLALDALJ

Sparkles: Adora don't do it. You're going to get yourself hurt

Sparkles: I'm talking to myself fuck

Sparkles: Guess I'm being gay and doing crime today. Gotta grab Bow and change my rings out for my brass knuckles but i'm omw

She-Ra > MaraGrayskull

7:03 am

She-Ra: The police can come in now as long as they promise not to get mad at us.

MaraGraskull: Pardon me?

She-Ra: It's safe for them to come in now as long as they don't get mad at us.

MaraGrayskull: And why would they get mad at you all?

She-Ra: Only Glimmer, Bow, DT and I. We're the only ones they'd be mad at.

MaraGrayskull: Why would they be mad at you darling?

She-Ra: Because we got the guy. His name is Damian. He's 36, works for the police department and his texts are directly to people heavily associated with white supremicist groups.

She-Ra: Also at least one of the students here is going to need medical attention when they get here.

MaraGrayskull: Are you one of those students?

She-Ra: Oh yeah definitely.

MaraGrayskull: We're going to have one hell of a conversation about what information to lead with when you've been hurt when you get home young lady.

She-Ra: Sounds great but I'd like my medical attention first.

MaraGrayskull: Of course.

She-Ra > Catra

8:44 am

She-Ra: Babe they let me rid e in a loud car

She-Ra: Tbh I'd reccomnedn it

Furry: How high are you right now?

She-Ra: Do you know how pretty my gufriend is

She-Ra: She’s liike soooooo pretty

She-Ra: Cna i tell you a secret

Furry: Sure

She-Ra: I wnna marry her some day

Furry: Oh really?

She-Ra: hmhmh

She-Ra: I also kinad want her to step on me

Furry: Well I’m sure if you ask her really nicely she’d be happy to

She-Ra: Wow

She-Ra: You’e like reallllllly smart

She-Ra; i’m gonnado that

Actor: what no what makes you say that

ChaosIncarnate: Also wow texting one handed is so much harder than i remember wtf

Furry: Aren't you supposed to be giving your eyes a break after staying up for so many hours

ChaosIncarnate: Yeah this isn't even close to my record of being awake chill mom

Furry: Finn go to sleep

ChoasIncarnate: No :(my moms still mad and she's threatening to burn my binder if she finds it and I'm on edge so no

Archer: Do you want to come and nap at mine? My dads are dealing with some legal stuff so we have the time and non scary adult space

Catradora Protection Squad *had been renamed to* ***Finn Protection Gang***

Finn Protection Gang

1:05 pm

Archer: I'm going to MURDER Finn's mother

Archer: I'm so done with this shitty ass town with it's terrostist and it's shooters and it's transphobia and blatant homophobia towards gay gals

Archer: I'm this close to kidnapping Finn and probably Dt becuase they don't deserve half the shit they get

Archer: and Kyle. Kyle for sure he deserves more love

Archer: Perfuma can come help me raise them but I'm not subjecting these kids to this

Angel: Bow…

Angel: We both know that not everyone is as lucky as we are

Angel: We can't save everyone.

Angel > Archer

1:07 pm

Angel: I'm moving this here because I don't want to spam the chat

Archer: Perfuma it isn't fair!!!!

Archer: We both got so lucky!!!! Both of our parents are acceping of us!!! It's so unfair that others don't have the same thing!!!

Angel: Bow

Angel: You need to remember that my parents weren't accepting at first.

Angel: It took me three years of consistently telling them who I was for them to accept it.

Angel: Yes we both got lucky but aggression isn't always the way to go. I love and understand the situation just as well as you do but we can't control what happens to them. Sometimes we just have to be there for them.

Archer: Perfuma you don't get it!! Finn was exhausted. They haven't even taken a nap since last night. Their in a cast and all they could talk about it how if they're mom found out they'd left she'd kill them.

Archer: I had to spend twenty minutes just to get them to let me wash the binder.

Archer: it kills me to see them like this.

Angel: I know Bow. Trust me I know.

Angel: But sometimes the best thing you can be for someone is there. Let them come to you when they want. Let them choose how this goes okay?

Archer: I don’t have to be happy about this…

Angel: I’m just as angry as you. Be patient okay?

Archer: I’ll try.

Chapter End Notes

- Wow image me projecting my trauma onto Finn who's the only character without a cannon personality that I just get to build off wow image how wild that would be wow amazing shocker

Can I get a Waffle

3:13 pm

She-Ra: Hear me out

She-Ra: Murder

Actor: I'd love to but we can't because that's illegal and we already almost killed a man last week

ChaosIncarnate: But he doesn't count cuz he broke my wrist and now I have to do stagecrew and that's not okay

ChaosIncarnate: so yes murder

She-Ra: No.

Furry: I'm down for murder

Furry: BECAUSE I WAS EXCLUDED FROM THE PREVIOUS MURDER AND I'M BITTER AND WANT REVENGE

Sparkles: Catra no that's not a good reason for murder

Furry: No they fucked with my gf I'm allowed murder

Sparkles: He'll be in jail soon there's nothing to worry about.

Sparkles: Cease the murder talk and take a fucking chill pill

Furry: It's a joke chill the fuck out

Sparkles: Not very funny :/

Furry: It's not my fault you've got a shitty sense of humor

Sparkles: At least I have a sense of sensitivity for others

Furry: Dude you're being a total dick chill out

Archer: wooooahh guys what's wrong??

Archer: Why are we fighting?

Furry: She said my joke was bad this is how I always talk

Sparkles: She was talking about a serious subject like it was a fucking joke!! How is that okay????

Furry: OH MY GOD IT WAS A JOKE WHY DO YOU HAVE NO SENSE OF HUMOR CHILL OUT

Sparkles: BECUASE IT'S NOT OKAY FOR YOU TO JOKE ABOUT TERRORISM

Sparkles: ESPECIALLY AFTER YOU DIDN'T HAVE TO SEE ADORA FIGHT HIM

Furry: SHE'S MY GIRLFRIEND YOU DON'T THINK I WAS UPSET

Furry: SHE'S THE LOVE OF MY LIFE AND YOU DON'T THIN K I WAS UPSET I HAD TO SIT IN A DARK CLOSET AND JUST WAIT TO SEE IF SHE LIVED

Furry: YOU HAD BOW WITH YOU AND KNEW THAT HE WAS STILL SAFE I DIDN'T EVEN KNOW IF SHE WAS ALIVE

Furry: DON'T FUCK WITH ME GLIMMER YOU DON'T KNOW SHIT ABOUT HOW I FEEL

She-Ra: Hey so Catra and I are gonna take a few minutes to talk and calm down. Then I think that we all need to talk

She-Ra: Glimmer I think you should do the same and be ready to come back later to have a conversation about what just happened because we can't just ignore it.

Archer: I agree.

Archer > She-ra

3:22 pm

Archer: Ummm

Archer: The fuck

She-Ra: I have

She-Ra: No idea.

She-Ra: She was fine earlier???

Archer: Man I knew Glimmer was stressed after what happened last week but I didn't think that she'd yell at Catra like that :/

She-Ra: I didn't expect Catra to react like that either, she's usually a lot more snide when upset….

Archer: I know that it can be easier to text things out but I think both of them need to talk in person

She-Ra: Agreed.

Archer: Wanna meet at the park in 20?

Archer: That should be plenty of time for them to calm down right?

Archer: Does Catra need more time than that?

She-Ra: She should be okay.

She-Ra: How are you doing? I know it's been a hard week for all of us

Archer: I've been better and definitely need for all of us four to have a talk about communicating better so things like these can't build up but for now I'm fine.

Archer: You still handling it?

She-Ra: I didn't expect the feeling that comes after?

She-Ra: Like yeah I had a shitty childhood and I know what survivors guilt feels like and all that stuff

She-Ra: But I forgot how hard it is when it's still fresh and festering and I can't drown it by working out for hours to get stronger

She-Ra: Because that's apparently a shitty coping method :/

Archer: I'm here to talk if you ever need to. We love you and are here to support however we can.

She-Ra: thank you bow. That means a lot to me. I'll text you when we get there

3:50 pm

She-Ra: We're here

She-Ra: On the swings

Archer: Yeah i see you oI'm on my way over

Chapter End Notes

I actually have a lot of thoughts about this chapter and am considering writing a chapter in "The Summer Flowers and Winter Rains" about what I think that conversation looked like In the meantime here's some of the thoughts I had while writing this. Skip to the end for the wholesome I'm sure you've grown to expect.
-Is it ethical for me to torture my catgirl?? Is this animal abuse
-I'm sp proud of the fact that I managed to make the tension BUILD for this argument. And No it won't be totally resolved off screen.
-don't you just want bow to go fucking feral?? Don't you want him to just snap and go off at everyone
-Cuz I do and I'm considering doing it because y'all made the mistake of calling me cool
-You did this to yourselves don't blame me when he goes feral
-Me, opening my google doc: Gee I sure hope that the author

updated!
Me, realizing that I'm the author: Ugh I have to write it???

Hufflepuff: I know that neither of them are chill but still...

Actor: Is this normal?

Angel: I actually don’t know. I haven’t been hanging around the group as much as I used to.

Angel: If those four are the golden group. Scorpia, Mermista and I are the silver trio. Yeah we’re close but we don’t always know what’s going on.

Hufflepuff: I know that everything has been tense since last week but they’d been processing it pretty well.

Mermaid: wow. The four here with objectively the most trauma relating to tense situations over a prolonged period of time usually having to do with homophobia or fear of harm, after being put in a situation that aggravated those emotions and triggered the memories that they’ve been suppressing, aren’t handling the aftereffects of that trauma well.

Mermaid: Shocker.

Angel: Mermista!!!

Mermaid: I’m not wrong!!

Hufflepuff: OOOh yeah that’ll do it.

Hufflepuff: Well to get our minds off of that for a bit

Hufflepuff: Does anyone want to talk about anything that's been bothering them?

ChaosIncarnate: Yeah. How many of these chats are there? Cuz I'm in like four now.

ChaosIncarnate: I have the "Gay Moms" chat. "Trans With a Plan" "Can I Get A Waffle" "Theatre Kids™"

ChaosIncarnate: And I know for a fact that I'm missing a few

Mermaid: There's also "Bad Bitches" "Best Friends Squad" "Catradora Protection Squad" (Working title) and A few more.

Mermaid: And I'm pretty sure that Glimmer has one for the old hoco planning committee from before they screwed us over and said fuck you plebs

Hufflepuff: So there's easily 9 off the top of my head, and however many more y'all have for class and things

Actor: I feel the need to add that 90% of us should either be in practice of at rehearsal. And that you should really get to that.

Angel: I’m suddenly glad that I didn’t do any extracurriculars.

Mermaid: Don’t you practically run your parents yoga studio?

Angel: Yeah but I get payed for that so it doesn’t really count.

Hufflepuff: I hate to say it but our lives to kinda revolve around those four.

Hufflepuff: It’s not a bad thing!! I just mean that like

Hufflepuff: Ugh how do I say this????

Angel: No I get it!

Mermaid: I mean it makes sense. With the four of them being the presidents of their various clubs, +the schools powercouples and paired with the fact that they’re four of the more interesting people in our school

Mermaid: people tend to naturally gravitate towards them and since when they’re fucked up they have the ability to reccomend that practice is cancelled

Mermaid: and since they tend to be the most active on our chats it makes sense that it feels weird when they're all off

Mermaid: ¯_(ツ)_/¯

Hufflepuff: I love having friends like you two

ChaosIncarnate: that was really well thought out how much time do you spend thinking abt this

Mermista: Thinking abt my friends calms me down when I swim so I think abt it a lot and weird things tend to come out when i think for too long

ChaosIncarnate: Pog

Angel: mhm! Anyways, do any of you want anything? Scorpia and I are at the grocery store and are willing to bring things to ppl

ChaosIncarnate: I'll pay you back to bring me pink monster

Mermista: Bring me the weirdest candy you can find and I'll share some of my stash

Angel: OOOO DEAL

Hufflepuff: Perfuma no

Angel: Perfuma yes

Hufflepuff: Perfuma no

Angel: Perfuma maybe.

Hufflepuff: I'll take it.

Chapter End Notes

-So I recenetly re-read Animal Farm.... tbh not worth the hype and while interesting, there's too many ways that a queer can see the characters that are supposed to be the "good guys" as the villians, in this essay i will
-Finn may love monster but I've actually never had one... i had to ask a friend which one they would like best!!! They said pink so there you go enjoy that small tidbit of my life
-I'M SORRY I'M SICK AND SO THIS IS FILLER YOU'LL GET PLOT AGAIN SOON
-I have so many feelings about these gays that it hurts sometimes
-Also I want to write Zukka content so be ready for cameo's and maybe a soft fic of Firelord!Zuko that I may plug here okay love y'all be safe and don't start fights you can't finish bye

Archer > She-Ra

9:12 am

Archer: Hey Adora, I know yesterday was kinda heavy, so I just wanted to check in on you. I know you were up pretty late last night so this is just for when you wake up.

She-Ra: Hi Bow…

She-Ra: There's no need to worry abt waking me up. I rescheduled practice for six this morning so that none of the team would get behind in working out and keeping ready for the season's final game

Archer: I'm glad I didn't wake you up!

Archer: But really, are you okay?

She-Ra: Like I said that other day,,, I feel weird. But apparently some of that was just the tension from everyone being so on edge. I feel a lot better today :)

She-Ra: Hbu?

Archer: I'm glad you're doing better! I'm still kinda on edge from everything, I'm sure it'll calm down in a few weeks, especially once my brother leaves… But I'm in the same boat

Archer: It's easier to be calm when everyone else is calm too you know?

She-Ra: I don't actually,,, but! I'm glad that you're doing better!

She-Ra: How's Glimmer?

She-Ra: I know that this was uncomfortably close to what happened with her dad…

Archer: Not great…. She's doing her best but I know that it's bringing up a lot of bad memories for her… She's going back to therapy for a few months until she feels stable again but she's taking it hard.

Archer: Catra?

She-Ra: Hmmm. Yikes.

Archer: That bad?

She-Ra: She's hiding it behind a lot of bravo and anger but I know that she's struggling to process everything.

She-Ra: UGH I WISH I KNEW HOW TO HELP

Archer: I know. I do too. But for now we should do our best to focus on our mental health and to do what we can do help.

Archer: We don't want them to overstep so it's only fair that we don't do the same.

She-Ra: You're right.

She-Ra: I know I joke about what a great friend you are, but Bow. You really are an amazing friend and I'm really glad to have you in my life.

Archer: Aww Adora! You're gonna make me blush!

She-Ra: Bow is my best friend!! And I'll shout it from the rooftops!!!!

She-Ra: He's my best friend and I love him!!!!

Archer: Well I'm flattered :)

She-Ra: You should be! I don't love people easily!

Archer: Ha

Archer: Liar.

She-Ra: You've got me

Archer: So

Archer: Have any plans for this afternoon?

She-Ra: Nope!

She-Ra: Catra has therapy and while we love eachother, deep shit happens then and I don't want to be in the way of her when she comes back. She usually isn't ready to talk or socialize until the next day so I'm probably gonna be playing WoW until midnight again lol

Archer: Yikes

Archer: Well I've got the house to myself while my dad and brothers are out doing history nerd shit

Archer: Wanna come over and try to speedrun minecraft with me?

She-Ra: I'd like nothing more my friend

Archer: Lol

Archer: Get over here soon then or I'm starting without you.

She-Ra: You wouldn't dare

Archer: Is that a risk you're willing to take?

She-Ra: Start the energy balls I'll be right there

She-Ra: I have plans to cut our run time in half

Archer: That's what I thought.

Archer: Really tho…

Archer: Thank you for being so genuine.

Archer: These past few years would have been so much harder if you weren't in my life.

Archer: It means a lot to me that you've stayed here.

She-Ra: of course Bow. That's what *Good* friends are for.

Chapter End Notes

-I know I'm not allowed to apologize for missing an update. But as an American that turkey was great

-MY THROAT STILL HURTS AND HAS LIKE,,, A GROWTH??? HELP

-Last chapter was the end of the "Prom and homoco season pt 1 kill me this is over 60 pgs" and this one is the start of "Lets Get These Kids Some Therapy" so be prepared for exactly what the title suggests

-I hc that Bow is really responsive to the emotions of everyone around him. So stress is probably really hard for him to handle when everyone else is stressed too.

-I'll be elaborating on what happened to Glimmer's dad On my tumblr ;)

Unhinged Squad: Adora. Bow. SeaHawk. DT.
Radioactively Stable Squad: Perfuma. Mermista. Scorpia.

-Tbh sometimes I forget that Entrapta exists. Which is really unfortunate because she's a really interesting character. But it's really hard for me to get into her head and I feel bad abt it because I want to do her justice for y'all.

-You CANNOT convince me that Little Miss Perfect didn't make Adora four kinds of aware.

-IMPORTANT-
I'm opening my commissions! It's a bit different than what you're probably used to so if you're interested follow the link to my tumblr and read the sheet! Feel free to message me if you have any questions for me!

3:47 pm

She-Ra: DT I love you but I'm reminding you that I'm human and heavily considering causing you injury

Sparkles: OwO

Sparkles: What's this

She-Ra: They keep riling up Catra and I love her but she isn't exactly easy to hold back

Furry: Yeah I work out we know this

Furry: you could just let me hit them once or twice then I'll be good

Archer: So we won't be doing that

Archer: What are you three even doing anyways we don’t have rehearsal today

ChaosIncarnate: Shopping for pride!!!!

She-Ra: I just got payed so I’m taking the kids shopping for some pronoun pins

Furry: she’s being such a mom guys its adorable

Sparkles: You went without us?

She-Ra: Our big trip is still planned, don’t worry! This is just a special day!

Best Friends Squad

3:50 pm

She-Ra: Finn and DT had a rough day. The administration is making things hard on then rn so this is a pick me up.

She-Ra: Please don't make a big deal out of it I promise we'll still go this year

Archer: Thats awful :(

Sparkles: I had no idea….

She-Ra: Yeah they're really struggling.

She-Ra: It's weird to remember that both of them are still so you yn?

She-Ra: I mean hell

She-Ra: Finn is only 14

She-Ra: Being 14 sucked

Archer: fuck I always forget that they're like an entire child still

Sparkles: :(

She-Ra: Just wanted to let y'all know

She-Ra: Ur still my fav's

Archer: Best friends squad?

Sparkles: Best friends squad!

Furry > Hufflepuff

3:43 pm

Furry: SCORPIA I CAN'T

Hufflepuff: Ah there it is

Hufflepuff: What's up wildcat?

Furry: SHE'S SO GOOD AND PURE AND SCORPIA I LOVE HER SO MUCH

Furry: SHE'S SO GOOD AND KIND AND TRULY ONE OF THE BEST PPL I'VE EVER MET

Hufflepuff: Ha

Hufflepuff: Gay

Furry: no shit

Hufflepuff: You two are the sweetest couple though

Hufflepuff: I'm proud of you Wildcat.

Hufflepuff: You've evolved since we were kids and aren't anywhere near as cruel as you used to be

Furry: …

Furry: that means a lot to me

Furry: Thank you Scorpia

Furry: You're an amazing friend and I miss hanging out like we used to

Hufflepuff: There’s nothing wrong with you growing.

Hufflepuff: You’re human and as we get older of course you’re going to grow and change and need different people at different times

Hufflepuff: I’m happy to be in your life as you need me.

Hufflepuff: I’m not going to stifle you like that

Hufflepuff: You know that’s not me

Furry: ….

Furry: Are you sure you’re only 17?

Hufflepuff: You aren’t the only one who had to grow up too fast.

Hufflepuff: Now go cuddle your girl.

Hufflepuff: You deserve her love

Hufflepuff: Stop telling yourself otherwise.

Furry: Best friend right there

Hufflepuff: You bet your ass I am.

Chapter End Notes

-Whatever you do, don't think about how hard growing up must have been for Scorpia. Don't think about how she was probably raised away from the other cadets because of how her parents were. Don't realize that she latched onto Catra so heavily because that's what happens with you never have any attention. And how when the only attention you've ever gotten is negative you associate that as the normal. Make sure you don't notice how she was always alone.
-Anyways I hope y'all enjoyed!
-REMINDER THAT MY COMMISSIONS ARE OPEN IF Y'ALL WANNA HELP A POOR GAY OUT SO I STOP SPENDING ALL MY MONEY ON GAMES

Finn is always confused i don't make the rules

Can I Get A Waffle

4:12 am

Sparkles: Why are we doing this again?

She-Ra: BECAUSE

She-Ra: Pride starts in approximately two weeks and we don’t have the supplies for any pranks.

She-Ra: Or pride in the park

She-Ra: Or for the parade

She-Ra: I will not be left unprepared again

Furry: But why do we all have to be there for the shopping?

She-Ra: Because we have too many things to buy to go alone?

Hufflepuff: Is there really that much?

She-Ra: Yes!

She-Ra: I have a list!

Furry: Babe they don’t want to see the list

ChaosIncarnate: i want to see the list

ChaosIncarnate: Well i actually just want to know what’s going on

ChaosIncarnate: Because you just kinda pulled me out my window this morning after throwing a binder and what i’m 90% sure is Catra’s old clothes at me and telling me to get dressed

ChaosIncarnate: i’m actually really confused pls help me

Sparkles: Bow “Please tell me that you two didn’t kidnap a child”

She-Ra: In our defense their mom said we could borrow them for the day

She-Ra: She just didn’t realize how early we meant

ChaosIncarnate: So what are we actually doing?

Furry: with pride coming up. We go a few weeks before June starts to the locally owned queer buisnesses and buy out the pride sections to leave them time to restock. then Mermista, Glimmer, and I go and borrow shit from places like hobby lobby and walmart for pranks for pride month.

Furry: Adora goes on the years when we don’t have anyone to lookout

Hufflepuff: Obligatory “Stealing is bad kids” from Perfuma

Furry: Obligatory “Family owned leave it alone, if it’s a chain it’s free reign, and if it’s hobby lobby steal from them they’re homophobic”

ChaosIncarnate: Can i go with the family owned ppl?

Sparkles: Of course! DT is going with us so we'll have good enby balance!

ChaosIncarnate: pog!

ChaosIncarnate: So everyone else escaped the Best friend squad car?

Hufflepuff: Perfuma and I are riding together like normal people, Entrapta is with us too!

Actor: I'm with Mermista and Seahawk.

ChaosIncarnate: How's the music

She-Ra: Do you have a problem with my music Finley

ChaosIncarnate: Of course not Adorabul

She-Ra: CATRA

Furry: DON’T LOOK AT ME

She-Ra: YOU’RE THE ONLY PERSON WHO CALLS ME THAT

Furry: unfortunate

Furry: Have you simply tried not being cute

She-Ra: Get over here

Sparkles: Both of you need to get back in your seats before Bow pulls over and starts yelling

She-Ra: Yes mam’

Furry: Yeah yeah whatever

ChaosIncarnate: My life just flashed before my eyes

Furry: Calm down kiddo you’re fine

ChaosIncarnate: You just leapt across my lap!

ChoasIncarnate: IN A MOVING CAR

Furry: it was fine

ChaosIncarnate: MOVING CAR

Furry: it was finnnnnnne

ChaosIncarnate: Calm mom help me out here

She-Ra: Heheh hot catgirl gf brain go brrrrr

ChoasIncarnate: I'm switching cars at the next rest stop

Hufflepuff: Yeah when is that

Sparkles: Bow says about ten more minutes and we'll stop for coffee and snacks when we pull through Gravity Falls

Sparkles: He wants to say hi to Wendy too

Sparkles: Are y’all cool with that?

Mermaid: I love Wendy

Sparkles: Aren’t you driving?

Mermaid: i’m driving back but i’m not a morning person so he’s driving for now

Sparkles: Love that for you

Sparkles: Being bad at driving is great sometimes I don’t have to drive us anywhere

Furry: Lucky you

She-Ra: It is really nice ngl

ChaosIncarnate: You can’t be that bad of a driver mom!

Furry: She is

Hufflepuff: She is’

Actor: She is

She-Ra: I am

Mermaid: PLEASE GOD I JUST WANT A BLACK COFFEE

Sparkles: How can you want more coffee we've stopped like twice

Mermaid: do i look like a morning person to you

She-Ra: I could go for more coffee!

Angel: Not for you. That entire car's lost is caffeine rights.

Angel: Except for Bow who's health I'm concerned about

Angel: How close are we anyways?

Sparkles: About half an hour out

Sparkles: Then our usual stop at the park to regroup, switch cars and make a game plan

Sparkles: Four hours of shopping to get everything

She-Ra: THEN IT'S NIGHTITME WATERPARK TIME

Sparkles: Yep. We spend about three hours goofing off and letting the drivers for the ride's back plan

Furry: We get lunch somewhere in there

Sparkles: Then we head to Ba Sing Se waterpark and spend a few hours harassing the lifeguards and generally having a blast!

Angel: We don't actually harass the lifeguards. Adora and Sokka are just always at eachothers throats and get weirdly competitive

She-Ra: I'M SORRY THAT GUY PULLS BOTH GENDERS SO EASIL YI DON'T GET IT

She-Ra: HAVE YOU SEEN HIS GIRLFRIEND

She-Ra: OR HIS BF FOR THAT MATTER

Furry: :/

She-Ra: love you babe!

She-Ra: ANYWAY

ChaosIncarnate: Small problem

ChaosIncarnate: I don’t haev any swim gear

She-Ra: easy solution

She-Ra: We’re going to queer owned stores all day. One of them will have a gender friendly sin gear for you

She-Ra: SWIM

She-Ra: NOT SIN

She-Ra: UR LIKE TEN

ChaosIncarnate: >:)

Sparkles: So Adora has lost her phone privileges for the rest of the ride. Please ensure that you have at least a 70% charge on your phone

Sparkles: BOw would also like me to remind everyone to put on sunscreen. Ensure you that have money, a small first aide kit, hand sanitizer, and have someone who you’ll have with you all day for safety.

Furry: psh okay mom

Attachment (2)

ChaosIncarnate: PSh i love it here

Mermaid: oop

Angel: Yikes

9:07 am

Hufflepuff: Wow! Y'all really did blow up my phone!

Archer: This is what I expected tbh

Archer: Only like 300 messages not as bad as I expected.

She-Ra: <3

Furry: Okay everyone Finn and I are on our way back with the coffee.

Furry: Someone copy paste the list from the google doc pls

She-Ra: DIBS

She-Ra: Team Catpaws: Walmart and Hobby Lobby. Please pick up spray paint, regular paints, and some white and black tee-shirts. If something else comes to mind for pranking pls get that too

She-Ra: Team Gay and Gayer: Go to locally owned, queer, buisnesses and buy out the pride section. Flags are a priority and ensure to check the local thrift stores for boots and things we can turn into pride things for the closet kids

She-Ra: Commission Kids: You know the drill. Go to the local galories and comission as many artists as possible. Ask some for local band we can ask to play for pride in the park.

She-Ra: It's okay to go for not queer artists but when possible have the gays do it.

She-Ra: BE GAY DO CRIME

Angel: BE GAY DO CRIME

Furry: BE GAY DO CRIME

Archer: BE GAY DO CRIME

Actor: BE ENBY DO ARSON

Angel: I LOVE THE ENTHUSIASM BUT DO NOT

Can I Get A Waffle

10:12 am

Archer: Someone tell me that I don’t need the trans pride binder

Sparkles: I mean pride is coming up so like you have the right season for it

Archer: Not helping babe

Sparkles: I’m not trying to help

Sparkles: I think you should get it

Archer: ugh someone else tell me not to get the pride binder

Angel: Bow. Don’t get the trans pride binder. It isn’t worth it. And you already have a bunch of different binders.

Angel: I also know that you're saving for one of those fancy GC2B razorback binders and that you're close

Angel: Don't waste it on something you don't need

Furry: Don't you already have a pride binder anyways?

Archer: That doesn't count… I painted that for pride last year and can't wear it the rest of the time

Furry: Weak

Archer: I'd like to see you run around in a full binder and three layers because crop tops are hot but you get cold. While getting misgendered constantly and not being able to breath without complaining every minute

Furry: It can't be that difficult

Furry: It's just like a really tight sports bra

Furry: Isn't it?

Archer: How can you have so many trans friends yet be so dumb?

Furry: Y'all don't ask abt my gendered junk and I don't ask abt urs! Isn't it rude?

Archer: I'd have been happy to explain the basics!

Furry: I didn't know!!!!

Furry: You guys can be kinda scary!!! I don't always know how to ask!!!

Furry: OH FUCK GLIMMER

Archer: Excellent meet y'all there

Furry > She-Ra

1:11 pm

Furry: Hey I'm gonna take Finn away from the group for a sec.

Furry: They look really overwhelmed and if they don't exchange that bracelet for a stim from the car soon they'll break it

She-Ra: Do you want the one from my bag and I'll grab another one from the car?

Furry: Nah. I'll just tell them I wanna show them smthn in the car and we'll just have a moment to breath and function away from the noise. I could use a quick break from the noise too

She-Ra: Alright darlin' I've got the nice earbuds in the glovebox if they can't block out the sound. Be safe and text me if either of you need anything okay

Furry: Will do

Sparkles > She-Ra

1:14 pm

Sparkles: Where'd the cat and cat jr go???

She-Ra: Stim break! Both of them were kinda overwhelmed so they needed to take a break away from everyone for a minute!

She-Ra: They'll be back once both's brains have chilled out enough for them to feel comf

Sparkles: Are they okay??? Did they remember the stim bag in the car????

She-Ra: Yeah they're fine. Catra grabbed the bag out when she brought them over and they're hiding over on the swings for a sec.

Sparkles: And you're sure they're okay?

She-Ra: Yep! They both just needed a sec!

Sparkles: Alright!

Sparkles: Are you okay? I know that you struggled a few years ago and I don't want it to ever have to get that bad again.

She-Ra: I may have to take a sec on the ride home but I'm good! I've gotten better at managing my ADHD in the past few years so I don't need to work as hard to manage it all the time

She-Ra: You and Bow were actually really helpful abt that!

Sparkles: Really?

She-Ra: I'll tell you later.

She-Ra: The group is giving us weird looks

Sparkles: oops

Furry: Shut up!

Furry: Shut ur fuck!

She-Ra: Psh

Furry: Love you

She-Ra: <3

Chapter End Notes

-Stim Toys are my savior and as someone with both ADHD and Anxiety I think we need to normalize having them. So Finn gets a stim because when overwhelmed they're great and help to limit the sh effects that self-soothing stims can have.
^^^ Someone pls ask me to elaborate on that because I have strong emotions abt the help that comes from stimming

ChaosIncarnate: And also guys have cooties

Archer: We have cooties????

Archer: ARE YOU ALL 12

Angel: Yeah on a scale of 1-10

ChaosIncarnate: Ayyyyyyyyyyy

Actor: ayyyyyyyyyyyy

Archer: I’m like actually kinda offended.

Archer: The mens room is scary. :(

Angel: I’m sorry. We thought you’d be okay because you’ve been using it for years and didn’t want to invalidate you by insinuating

that you needed to change separately.

Archer: That's very sweet but I don't pass all the time. Especially when I can't keep binding and have to just wear a hoodie.

Angel: Then do you mind if we invite you in the future?

Archer: I'd actually really appreciate it!

Archer: Anyways!

Archer: We have a three hour drive to do so drivers come get y'alls go juice and riders get in the cars!

Archer: If you aren't in the car in ten minutes we're leaving without you!

She-Ra: That isn't an idle threat either he left Catra and I here last year after we got distracted

Archer: And I warned them twice

Archer: Be here

Archer > ChaosIncarnate

10:41 pm

Archer: I have a hoodie from Scorpia for you to use when you get back

Archer: I can't let you keep binding but her hoodies are huge on me and I'm pretty athletic

Archer: So you'll be swimming in it.

ChaosIncarnate: Thank you! Do you want your binder back when we reach the car?

Archer: Nah kiddo. You can keep it. Just remember to take it off after 8 hours. And don't wear it when your dysphoria isn't making you. Your lungs need all the air they can get.

ChoasIncarnate: My favorite Uncle

Archer: :D

Archer: I'm sending Finn after you both

Archer: Don't move.

She-Ra: It's really humid in here how can Mermista even breath?

Angel: Plants may like humid air but my hair does not :(

Hufflepuff: I mean. The moisture is what probably keeps her skin so soft right?

Actor: No. That's the absolutely vigorous skincare routine that she refuses to share with all of you.

Arsonist: She's going to start warmups in lane four!

Sparkles: Thank you Sea Hawk!

GlimmerandSparkes

*****

4:12 pm

Two teens pose in front of a large sign that reads "Etheria Public Pool" the taller of the two is wearing a shirt with blocky letters proclaiming "I'm here for Mermista". The shorter wears a teal swim cap and white tee-shirt with "I'm Mermista" in black sprawled across the front. Mermista is rolling her eyes, but has an arm thrown fondly over the others shoulders. He is grinning ear to ear.

*****

4:33 pm

The video is loud, with the sound of the water in the pool overlapping the sounds of excited teenagers and bored adults overloading the cheap camera. It pans over a small group of teens with bright hair walking towards a set of bleachers. Thery're overloaded with signs and posters and a young teen with bright blonde hair and a red bandana leads the charge. Every once and a while a dark head of curly hair pops into the bottom of the screen as the recorder is carried at the back of the group. The two teens from earlier are noticeably absent.

ScorpionRawr

*****

5:15 pm

The photo is an action shot of Mermista, her arms are half in the water and her eyes are screw up in concentration. Her teal swim cap is starting to peel back from the speed in which she's moving and the angle of the photo seems impossible.

*****

7:34 pm

Perfuma grins at the camera. Her light hair floats around her face, and the bright blue headband nestled in it barely holds back the

frizz that threatens to overtake it. Her makeup is running down her face, leaving light streaks against the bright pink of her cheeks, flushed from joy or exertion, it's hard to tell. She's leaning against a railing and the strap of her long sundress hangs off her shoulder. The photo is captioned with a heart

*****

8:48 pm

The last photo in the series is a group photo. Catra, Perfuma, Mermista, and Finn are all hanging off of Scorpia as she flexes. Adora and Sea Hawk are arm wrestling in the background while Bow looks on with Horror.

BowandArrows

*****

12:27 pm

The video is of a crowded cafeteria. Two students are squared up and one is bright red with anger. The other is making a smug expression and looking on with thinly veiled glee. The angry girl is being held back by a taller girl with blonde hair. She seems calm but her cheeks are just as bright as the smaller's. Her white sweatshirt is stained brown and sticks to her skin as she moves. She holds back the smaller easily, though looks as if she's considering letting her attack the antagonizer. The photo is

captioned "Lovers who fight together stay together". No one is trying to stop them from fighting, not even the supervisors.

*****

3:13 pm

Bow smiles at the camera, flashing a peace sign. Both of his cheeks are painted with the school's colors of white and gold and he's wearing eyeliner. The background of the photo is of the park near the public pool, where a certain pair of lesbians are holding hands. One has a black eye and the other's knuckles are bruised.

*****

6:02 pm

The video is much longer than any of the others he's posted today. It's been taken at the local waffle house and as it pans down the table, it only gets more chaotic. Everyone has changed clothing from what could be considered school appropriate to either pajamas or party clothes. Mermista is seated closest to Bow and is leaning into Sea Hawk as he feeds her a bite of waffle. She's still in her swim gear but has removed her swim cap and is wearing a t-shirt about three sizes too big. Across the table from Bow sits Finn. They're eating a salad covered in syrup and are caught up in an animated conversation about the gender of a peanut butter and jelly sandwich with Double Trouble. As the video continues, Glimmer can be seen chatting with Scorpia as Adora and Catra elbow each other as they fight over an ice cream sundae.

****

7:09 pm

The final photo is of Glimmer. She winks at the camera as she falls backwards into the grass. Her pink hair contrasts with the fluorescents in the background and the entire photo has a very indie feel.

Chapter End Notes

-For anyone curious, I imagine the photos to be on an app like snapchat!

-Got my first commission today and I'm BEYOND EXCITED to write it!

-Anyways ignore the lowkey pining toward Perfuma in that one photo

-Y'ALL THE GAL ASKED ME OUT AND WE'RE DATING NOW

Furry: Semantics

Angel: I'm not sure you're using that word right…

Furry: yeah yeah whatever

Sparkles: Wait? Who tf is letting you on your phone in detention?

Furry: Bow's dad.

Archer: Which one?

Furry: lance

Archer: He won't let me on my phone during detention??????

Furry: I must be his favorite then

Archer: I'm his son??????

Furry: and Adora and I made a homophobic teacher cry during lunch yesterday?

Archer: I am

Archer: His

Archer: Son

Furry: Your point?

Archer: What is not adding up here?

Sparkles: They've never had to wait for her to finish getting ready for an event

Archer: This is homophobia

Sparkles: WE ARE GAY?

Archer: Just becuase you're gay doesn't mean you can't be homophobic GLIMMER

Archer: <3

Sparkle: You take!

Sparkles: A Minimum!

Sparkles: Of three hours

Sparkles: To get ready for an event

Archer: I like to look nice!

Archer: Is that a crime?

Angel: Bow, I'm a high femme lesbian who wears enough makeup to make a drag queen wince and I take, maybe an hour, at most, to be ready

Archer: Unfortunate.

Archer: Have you considered that one of those hours is spent trying to fit into my binder?

Actor: strong relate

Archer: One simply does not “Get ready”

Archer: One must also

Archer: Make a deal with a dark force to get the tube to fit.

Furry: Then I’ve got nothing

Actor: Exactly

Actor: Beauty takes effort.

Actor: Not everyone can look like me <3

She-Ra: It was like that!

ChaosIncarnate: Iconic.

She-Ra > ROYALio

6:45 am

She-Ra: Hey Rogelio! Sorry to text you so early in the morning on a Saturday, but Catra and I wanted to do the monthly parkour challenge today! I know that you Kyle and Lonnie usually do it together but it's a group of five this week!

She-Ra: Wanna pair up?

ROYALio: Hey Adora :) I'll have to ask Lonnie when she gets here. But Kyle and I would be thrilled to team up with the both of you!

ROYALio: If I may ask, how is Catra? I know that she isn't the biggest fan of us but I do miss hanging out like when we were in middle school.

She-Ra: She's good! Of course she's just as stressed as any other senior but she's been doing a lot better than when we were kids.

She-Ra: She's reading over my shoulder and says hello! And that she wants to go to another warehouse show with you one day.

ROYALio: I'm glad to hear it! Kyle and Lonnie are weird about punk music so I'll send her a message so we can find on nearbye!

ROYALio: Kyle says hi as well.

She-Ra: Hi Kyle!

She-Ra: Please let me know when you know if we're gonna pair up!

ROYALio: Will do!

7:55 am

ROYALio: Lonnie gave me a very enthusiastic yes. So I'm pretty sure that she's interested.

ROYALio: Should we meet at the building at 10? That should give us about an hour to warm up and figure out who's doing what.

She-Ra: That sounds perfect! Can we make it a goal for everyone to wear Green and Grey? Like when we were kids?

She-Ra: Apparently coordination is half the battle

ROYALio: I can't believe that our Adora just said that

ROYALio: We couldn’t even get ypu to wear the tie for the school uniform. Much less to coordinate an outfit

She-Ra: Maybe I’ve just had better influences… I’ve always been impressionable

ROYALio: Not likely

ROYALio: Anyone who cared to look knew that you were in charge as kids

ROYALio: I always thought it was obvious

She-Ra: Maybe. But it’s always been Catra who’s been in charge of me.

ROYALio: lmao

ROYALio: Simp

She-Ra: PSH

She-Ra: YOU’RE ONE TO TALK

ROYALio: This isn’t about me!

ROYALio: Lonnie and Kyle are both amazing and didnt almost throw me off a roof as a ten year old.

She-Ra: It was one time!

ROYALio: ,,,

She-Ra: Okay two times

She-Ra: But the second time was an accident!

ROYALio: Suuuuuuuuure.

She-Ra: damn why’d we ever stop hanging out?

She-Ra: I miss you three!

She-Ra: We should all hang out more!

ROYALio: Sure thing. Right after Catra and Lonnie embrace in steamy lovemaking.

She-Ra: It'll be fine! We're almost adults!

ROYALio: And that's going to stop those two?

ROYALio: Without Kyle and you they would have fought even more than they did as kids.

She-Ra: Alright you've got a point.

She-Ra: But still!

She-Ra: Fond memories!

ROYALIO: of course

10:02 am

She-Ra: We're here!

ROYALio: We’re in the lobby

ROYALio: Lonnie is grabbing her paints from her car but she’ll be back in a sex

She-Ra: Noted!

She-Ra: I hope you’re ready to kick ass!

Chapter End Notes

- pls consider all of them as sticky middle schoolers and Kyle + Lonnie threatening to throw down with homophobic college students who were mean to Catra.
- Then imagine the parallel of Catra doing it for Kyle as almost college students themselves and having strong emotions.

- Thank you for your time

- Also Glimbow content for your soul.

- The United States continues to do 100 points of Physic damage and y'all should send good vibes or come and vibe with me on steam while I recover from the sheer level of stupidity here.

It's a good day in this hell everyone

Furry: and i did

Furry: and did a great job btw i almost sounded Straight

She-Ra: BUT THEN SHE JUST GOT SUPER SARCASTIC

Furry: his of course was not censored but there's children here

She-Ra: I DON'T THINK I'VE EVER SEEN HIM THAT UPSET AND OFFENDED OMG

She-Ra: Her and my Aunt had to run to the store! So she probably is but like I haven't gotten an angry text yet so like !

She-Ra: Correction I have gotten an angry text but it's more of a "why didn't you record it?" than a "What the fuck Adora"

Chapter End Notes

-Fun fact: Strawberry rock is a real hike! It's in this tiny town in California and my family and I once stopped there for a night during a road trip a few years ago! My sister is a hiking nut so we did it and we had a really great time!

-Don't bind and exercise y'all. Bow thought it was just gonna be like a quick walk through the woods not a three mile hike. And his friends were like "Oh yes us athletes do more than this for a casual outing it'll be fine" and wore hiking clothes and he was in fashion because my boy has no idea how to hike and I love that for him.

-Second fun fact: My gf did the same thing that Catra is freaking out about to me and It was INTENSE AND HOLY SHIT I AM GAY anyways hope you enjoyed!

-I want to write that scene but like, nsfw, scary. But also like, real world experience contributing to art. lmk what y'all think i'm conflicted.

Y'all didn't answer my question at the end of last chapter so if you answer the question here i'll name the next chapter after you

Sparkles: I'm just shocked that they know you by name

Furry: her and i do parkour as a hobby and both of us spend a fuck ton of time doing both martial arts and protesting.

Furry: it would be weird if they didn't know her name by now

She-Ra: Marry and Penelope just got married!

Furry: oh i'm thrilled for them

Angel: Who are they?

She-Ra: The head doctors of the ugent care downtown!

Furry: Dr. Pen loves Adora

Angelr: The way that you are on that good of terms with her is mildly concerning.

Furry: :)

Angel > Hufflepuff

8:22 pm

Angel: The realization that I'm totally and completely out of my favorite tea is extremely upsetting.

Hufflepuff: Do you wanna drive and get some?

Angel: The store is like three hours away?

Sparkles: Is that it's actual name?

Archer: Technically it's "Gay, Yearning, and Affectionate" but I like mine more

She-Ra: VALID AF

Sparkles: Think she'll be in class tomorrow?

Archer: Judging by the speed at which she was driving, and the amount of blankets in the backseat?

Archer: Not a chance.

She-Ra: She'll be there but she'll be really tired and Perfuma will be weirdly aggro.

Sparkles: I'm with Bow.

Sparkles: No way that her and Perfuma make it to class tomorrow.

She-Ra: Oh yee of little faith! I know them! They'll both be there!

Archer: Sure Adora.

Furry: i'm cold and want a hug

She-Ra: If you can get over here without Mara yelling at you go for it I want attention too.

She-Ra: She's already yelled at me for not sitting still like twice

Furry: that sounds like a challenge

She-Ra: Because you're taking it as one?

Furry: yeah that could be why

Furry: or it could be a challenge

She-Ra: It's not a challenge

Furry: i feel very challenged

She-Ra: Catra it is not a challenge

Furry: bring you an arizona too? damn okay

Furry: i hate it here

ChaosIncarnate: PLEASE TELL ME YOU TOLD HIM THAT

She-Ra: And I quote: "I just kissed her who the fuck kisses their sister like that?"

Furry: he got really offended for some reason

Furry: weird

ChaosIncarnate: The way that I want to be you both when i grow up

Archer: no you dont

Mermaid: you absolutely do not

Angel: you really dont

She-Ra: What the fuck?

Archer: Adora snores worse than I do. Catra is allergic to cats.

Archer: This app is what I use to keep track of my anti-depressants and my t shots! It reminds you at a set time each day and reminds you in five minute intervals until you select that you've taken them, which you have to open the app for.

Archer: It's a great way to keep track and holds some accountability if you don't. There's streaks for taking them on time and you can win prizes for doing it!

ChaosIncarnate: Does-

ChaosIncarnate: Does it work?

Archer: I've gotten a lot better at taking my meds on time since using it! It also has a reminder to take any vitamins and there's a reminder you can set to remember to get your prescription filled too!

Archer: So ig it depends on the person but it works really well for me!

ChaosIncarnate: Thanks! I'm gonna download it and give it a shot!

Chapter End Notes

- A sweet ending for a chaotic story <3

- This is short but feel free to imagine the day, the photos and the snaps, the jokes made during the ceremony.

- I wanted this chapter to feel kind of incomplete. Their lives aren't over because the fic is and they wouldn't end it on a bitter note. So with that

- Drink some water, relax, enjoy your life. I'm proud of you <3

-(keep an eye out for other stuff from me and in this universe, sequel?)
