Notes

See the end of the work for notes

-Mystacor; Ice Skating Rink-

The Mystacor Ice Skating Rink Had been around for a long time now. Alot of Mystacor's people enjoyed it, especially during what would be Wintertime, Or really, During the Winter Solstice. And Castaspella, especially enjoyed Skating there Every Night.

Castaspella had finally managed to Convince Shadow Weaver, who had been staying in Mystacor again, with her now, to come along. Of Course, Shadow Weaver tried to back out, saying she had no idea how to Ice Skate. But Catsaspella told Shadow Weaver that she would Teach her and that she would eventually enjoy it too.

"Don't worry, Shadow. I'll teach you." *Castaspella chuckled lightheartedly,* "I'm sure You'll do alright once you slowly get the hang of it.

Once they walked inside the building, it was clear it would be just the two of them. Castaspella grabbed a couple pairs of skates before coming Back to Shadow Weaver who was sitting on one of the benches outside the rink, and had taken her mask off too since it was just Her and Castaspella right now

"Ready Shadow?" *Catsaspella spoke quietly after having gotten her skates on and helped Shadow Weaver get her own skates on.*

"I'm… Not so Sure about This…" *Shadow Weaver spoke in a quieter tone which clearly showed how nervous she was.*

"I promise you that It'll be Fine." *Castaspella smiles before holding her hand out, Helping Shadow Weaver to her feet and helping her balance in the skates.*

As soon as she was standing, Shadow Weaver kind of held onto Castaspella, clearly not wanting to Fall already. Castaspella gently led her onto the Ice. And that's where Shadow Weaver got more nervous. Castaspella held both of Shadow Weaver's hands, helping her stay balanced and guiding her along the ice.

"See? You're doing okay so far, Shadow." *Castaspella chuckles.*

"Only because I'm holding onto You…" *Shadow Weaver muttered. But then Castaspella let go of one of her hands.*

"Wh- H-Hey!" *Shadow Weaver suddenly yelped, clearly not ready to let go yet.*

"You have to try balancing on your own at some point, Shadow Dear." *Castaspella grins.*

Then, Castaspella let go of Shadow Weaver's other hand, Letting the Older woman balance on her own. Shadow Weaver stilled almost immediately, afraid to move. After a couple minutes of just

standing still, Shadow Weaver finally moves forward. But the moment she did, Shadow Weaver fell off balance and fell backwards, hitting the ice. Now she was embarrassed.

At that, Castaspella started to giggle while helping Shadow Weaver stand again.

"Have a nice fall Shadow?" *Castaspella joked around now after pulling Shadow Weaver to her feet.*

"…Shut Up." *Shadow Weaver just mutters, Cleary embarrassed.*

To that, Castaspella laughed. Clearly, she found Shadow Weaver being embarrassed, amusing.

"Here, try following what I do." *Castaspella spoke calmer now, then started to skate again, Holding Shadow Weaver's hand to guide her.*

Slowly, Shadow Weaver at least started to get the hang of moving forward along the ice. But seconds after Castaspella let go of her hand again, she slipped up and fell again almost immediately. But this time, she managed to accidentally pull Castaspella with her. And because of that, Shadow Weaver was on her back with Castaspella now on top of her. Now, the two were blushing.

Neither had any idea on what to say now. For a moment, they just didn't move. Until Castaspella finally pushed herself off of Shadow Weaver.

"...Sorry." *Shadow Weaver mutters again, though this time, she had the faintest smile on her face finally.*

"Look at that. You're actually smiling for Once." *Castaspella couldn't help but tease her now.*

Shadow Weaver glanced away, trying to hide her faint smile from view. Now she was just shy.

Finally, after about an hour of Shadow Weaver managing to occasionally fall and Castaspella teaching the older woman, Shadow Weaver had gotten the hang of moving along the Ice And was now gliding along with Confidence and was even balancing on her own now. And Castaspella could tell Shadow Weaver was starting to enjoy it.

"Finally enjoying yourself?" *Castaspella chuckles as she starts skating beside Shadow Weaver.*

"I suppose I'll admit that it's rather... Fun." *Shadow Weaver finally admitted after what felt like an Eternity, which in reality was just a minute.*

"See? You should've come along with me Sooner." *Castaspella started to lightly tease again.*

"Correction. I did not come willingly. You dragged me along." *Shadow Weaver huffed,* "But I suppose maybe You're right either way."

"I'm always right." *Castaspella once more spoke before doing a little spin on the ice.*

When Shadow Weaver saw her do that, she was tempted to try that herself. But the slight fear of screwing up and falling again held her back for now. For a while, Shadow Weaver's and Castaspella's movements were in Sync, their movements Graceful as they continued to glide along. And at one point, they were even holding hands.

Shadow Weaver's smile had even grown finally, which made Castaspella smile herself finally. It was a joyful, carefree moment between the two. But as they continued to skate around, Unspoken tension began to rise between them, conjured up by Their feelings for one another, Which lately had been growing stronger than ever. And when the tension reached a Certain point, Castaspella stopped their movements for a moment, which confused Shadow Weaver.

"Castaspella? Something Wrong?" *Shadow Weaver spoke first, breaking the silence that had fallen upon them.*

"Shadow… I…" *Castaspella began quietly, trying to find the right words now,* "Shadow… For a long time now, I've had feelings for you. Real feelings… And… I Love you…"

Once Castaspella finished speaking, Having finally confessed her feelings, Shadow Weaver was left shocked. Clearly, she felt the same way but had no idea how to express that. She had no idea what to say now. So, in response, she instead pulled Castaspella a bit closer before kissing her. Castaspella, just for a second, was shocked too. But the shock quickly faded, replaced by a sense of relief as she kissed back

"Wow… Shadow…" *Castaspella slowly spoke in a whispering tone after the kiss broke*

"I love you, too." *Shadow Weaver finally spoke, before pulling Castaspella in for another kiss.*
