Room For Four

by masternoveller

Summary

Catra and Adora are sharing a hotel room with Rumi and Mira since all the other rooms have been taken by the band's fans.
It also doesn't help that Bobby also forgot to book his singers into a hotel either...
Lucky for all involved, they managed to get two rooms.

Unfortunately (or fortunately) Mira had already kicked Zoey out into the second room to get alone time with Rumi.
It also unfortunately (or fortunately) that Catra and Adora end up staying in the same room as them.

At some point within their stay, perhaps one or both couples start to feel a little... amorous....

Notes

CW - Sex

I had this idea after some... ahem... videos...
And then reading a fanfic (can't remember which one) and then couldn't get it out of my head until I wrote it down.
I had this pretty much written ready to go and then Ao3 went into a 'maintenance/upgrade mode'.
Unfortunately I hadn't actually done my one proof read and couldn't post it.
But now I have!

Enjoy!

See the end of the work for more notes

“Hey, you locked your girl down yet?” Catra jests as she comes face to face with Mira, her hand stretched out as the other woman takes it and shakes it.

“Shut it, Catra.” Mira drawls with a raised eyebrow, “She’s agreed to come on this trip.”

“So… fair game?”

“Fair… what?! You’ve already got your girl!” Mira shoves a laughing Catra, “Unless you want me to tell Adora you’re straying.”

A low threatening growl rumbles from the magicat, before she schools herself back to normal, “I’m not going to go after her. But you should definitely watch your back though. She’s hot. Not my type, but I’m sure she’s a lot of people’s type, if you know what I mean.”

“I’ll lock it down, Cat. Don’t you worry about that.” Mira declares.

One week later…

“Hey Adora.” Catra swings their joined hands together playfully as they walk back after dinner, “So, remember my friend, Mira?”

“Yeah.” The blonde replies.

“Well, the reason I could afford this trip is because we’re kind of… sharing a room with her and her girl.” Catra quickly admits.

“Oh, I’m surprised they didn’t like book the penthouse or something.” Adora replies surprised, “Okay… I was going to ask how we could even get a room in this hotel. Though I thought it would have been booked out, you know, because of their concert.”

"Their manager kind of dropped the ball on that one." Catra replies, "So, yeah. The best rooms had already been booked out months ago."

"Are they all staying in the same room as us?" Adora's asks skeptically.

"No. Just Mira and her girlfriend." Catra replies cryptically, "They didn't want to share with their other friend as she's eyes deep in boyfriends *and* girlfriends."

"We're not sharing a bed, are we?" Adora looks at Catra with some concern in her voice.

"Don't worry, princess. It's got two queen beds. Only downside is one bathroom." Catra says, "It's going to be… hectic."

"I'm sure it'll be fine." Adora tries to remain positive as they head to the reception to collect their key cards and then head up.

Beep.

The room door opens, Catra pushes it open and picks up their shared suitcase as they walk into the room and finds Mira and her girl making out on the bed.

"Hey. Looks like you definitely have her locked down." Catra smirks as Mira groans out as her girlfriend yelps and breaks off their kiss, "Sorry, didn't mean to interrupt your make out session."

"Knock much, Catra?" Mira deadpans.

Catra holds up her keycard, "Why would I need to knock when I've got a key for the room?"

Mira gets off the bed, her long red hair pulled back behind her shoulders as she helps her girlfriend off the bed as well, "Catra and…"

"This is Adora." Catra introduces the blonde, *"My girl."*

Adora rolls her eyes and elbows the magicat making the latter laugh out, "Hi, I'm Adora."

"Hey Adora." Mira says and pulls her girlfriend forward, "This is Rumi. *My girl."*

"I love your hair." Adora compliments Rumi who smiles back at the compliment, "It's very cool. We have a friend with purple hair too. Though she uses it to walk to do things…"

Rumi smiles back, not really sure what to do with that information, "Thanks? I can't walk with my hair though."

The pair share a laugh, Adora looks around and her eyes widen, "Is that a second bathroom?"

"Oh yeah, this room is like, super expensive." Mira wraps her arm around Rumi's shoulder, "It's a really weird set up if you ask me."

"Totally." Catra agrees, "But, at least we don't have to share a bathroom. Or a bed."

"Yeah. Plus, you probably won't see us most of the time anyways." Mira points out, "Our schedule is packed. Not to mention we have a few shows to do."

"Shows?" Adora asks.

"Oh, we're in a band. A pretty big band." Mira preens.

"Oh! Stars! Catra!" Adora nudges her magicat, "They are totally famous! How?! What?!"

“Adora’s a bit of a fan.” Catra replies, she looks to Adora, “You seriously didn’t recognise them?”

“No!” Adora whines out dramatically, “When you mentioned Mira, I thought you were talking about someone from the Crimson Waste!”

Catra stares at the blonde for a second before throwing her head back and laughing, “Stars… well, I guess… surprise?”

“Stars…” Adora blushes, slapping Catra on the shoulder as she hides her face.

“Feelings mutual.” Mira replies, “We love She-Ra. You guys are like super cute in it.”

Catra groans, “Quit calling us cute!”

“Nuh uh.” Mira grins at the pair, “Anyways, we better head off.”

“Where’s Zoey?” Adora asks looking around hoping the third member of the band is around somewhere.

“She’s got a new boy or girl. I can’t keep track of that girl.” Mira replies offhandedly, “But we’re all going to meet up at the stadium later. Did you guys want to come to the concert?”

Catra shrugs, “Not really my thing. But Adora’s a huge fan.”

“Oh! Stars! Really?” Adora bounces excitedly on her feet, “That would be so awesome!”

“We’ll talk to Bobby about getting you guys some VIP passes so you can come backstage.” Rumi tells them with a laugh, “Oh, we better get going. Mira, can you pass the details to them?”

“Sure.” Mira grins, leaning into press a kiss on Rumi’s cheek who blushes at the attention, “Okay. We’ll see you guys later.”

Backstage…

"Great show." Catra hands Mira a towel, "Adora is going to be humming all those songs tonight."

Mira laughs out, "Are you guys planning on heading straight back to the room?"

"Why?"

"I don't know…" Mira shrugs unconvincingly, "I thought maybe Rumi and I could… you know… have a little privacy…"

"Dude. If you and your girl want to fuck in the room, go for it by all means." Catra laughs, "Adora sleeps like a log anyways and I can chuck some earplugs in or something."

Mira rolls her eyes, "So…"

"You want us out of the room?" Catra catches what the other woman is asking and Mira nods, "Have you even got further than making out?"

"No. But I think tonight she might want to go… further." The red haired woman replies with a small smile as she looks at Rumi talking to a few people backstage, "I don't plan on giving you a show."

"I've already been to the show." Catra laughs, "But fine. Just tonight. We'll find somewhere else to sleep."

"Oh, Zoey's not using her room. It's literally right next door." Mira brings up and waves said woman down, "Zoey, give me your room card."

"Why?"

“Catra and Adora are going to sleep in your room tonight so me and Rumi can get some privacy.” Mira replies matter of factly.

“Why don’t you just take my room and let them stay in your room?” Zoey asks confused.

“Because.” Mira simply says as she crosses her arms, “You’ll get your room back tomorrow.”

“I don’t need it.” Zoey holds the room card to Mira, “I’m not even using my room for the rest of the week.”

“Cool. Thanks.” Mira takes the card, “We’ll see you tomorrow. Don’t. Be late.”

“I won’t!” Zoey takes off as Rumi waves goodbye to her, “Oh, hi Catra. Adora. What did you think of the show?”

“It was so good!” Adora squeals out as she runs up behind Catra and wraps her arms around the magicat, “I can’t believe we’re back here!”

Rumi chuckles, “Well, I’m honoured to have the legendary She-Ra at our concert.”

“Hey Rumi, ready to go?” Mira wraps her arm around Rumi’s waist and then presses a kiss on her cheek, “I’m feeling…”

Rumi blushes but nods and then looks at the pair, “Uh…”

“Don’t worry, Rumi.” Mira teases, “They are going to be in Zoey’s room tonight so we can have a little… privacy.”

“Oh.” Rumi starts to go bright red at the insinuation, she looks to the pair, “Are you sure that’s alright?”

Catra shrugs, “As long as there’s a bed, I’m happy.”

“Okay, we’ll see you later.” Rumi waves them off.

2 days later…

"Shh… Adora's sleeping." Catra whispers as Mira and Rumi walk in and flick on the bedside lights next to their bed.

The pair just nod back at her and get ready for bed as Catra lays on her back with Adora sleeping on her chest as the lights eventually all turn off.

Adora stirs a little, her hands swirling into the magicat's fur rousing Catra up from her slumber, "Mm…"

Catra runs her hands along Adora's back, leaning forward and kissing the top of her head before rubbing her cheek against it, a light rumbling of a purr stirring up in the magicat's chest as she settles in again.

"Catra… are you awake?" Adora whispers pushing herself up so she's face to face with Catra who's got her eyes closed, "Catra?"

"Mm… no." Catra replies softly despite a small smile on her lips.

The blonde rolls her eyes and presses her lips softly onto her magicat's, Adora hums softly and happily into the mostly one sided kiss.

"Hey, Catra…" Adora whispers again with another kiss, before soflty whining out, "Catra…"

The magicat huffs out and then flips them over so she's on top of the blonde with a soft growl, "Adora…"

The blonde giggles as she tries to kiss her magicat again, Catra moves away enough so Adora doesn't connect making her pout, "Catra…"

Catra leans on and presses her lips against Adora's, the kiss soft as she sighs, "We're not the only ones in this room, remember?"

“Oh.” Adora replies quietly as she realises that there’s other people in the other bed in the room, “So… no?”

“Are you sure?” Catra whispers the words back into Adora’s lips, “Can you be quiet?”

Adora shrugs, “Maybe…”

And with that, Catra dives in, pressing kisses on Adora’s lips, neck and then moves lower to her chest over the top of her shirt before lifting it up and licking all around her breasts, avoiding her nipples as Adora covers her mouth with her hand to stop from moaning loudly.

The magicat comes back up and starts to kiss Adora on the lips again, she slides herself between Adora’s legs, grinding down against the blonde with one thigh as she hands play with Adora’s nipples.

“…fuck…” Adora breathes out as she moves her hips to grind down a little harder against Catra’s thigh, “Mm…”

Catra grins, moving down Adora’s body once more and sucks in a nipple, licking and sucking on it as one hand moves down and cup the blonde’s mound, a finger resting on top of her clit and applying just a little bit of pressure as Adora whimpers out.

“C-Catra…” Adora moans out a little louder, despite Mira and Rumi in the bed next to them, less than a metre away, “F-fuck… keep… keep going.”

“Want it under?” Catra whispers into Adora ears watches as Adora nods.

“Or… do you want my tongue instead?” Catra licks at Adora’s earlobe and the blonde moans a little louder again, “Shh… you’re going to wake them up…”

“Just… just fuck me, Catra…” Adora whispers out her plea.

The magicat grins and as she's about to dive in lower, Adora pulls her back up and presses another kiss to her lips, "I also want the rest of you."

"You'll get all of my, princess." Catra whispers back into Adora's lips, "But… let me get you started…"

"Stars… yes…" Adora lifts her hips up and takes off her bottoms, Catra throws it above their pillows, Adora pulling her top off as Catra lets a finger slide along the blonde's slick folds, "Oh… fuck…"

Catra brings her finger back up and licks it, "Mm… mine."

Adora nods as she holds the blanket in place so not to be caught as Catra moves down the bed and wraps her arms around Adora's thighs as she comes face to face with what she wants to taste most. Catra breathes out and Adora gasps and then she lets out a stuttered moan when the magicat's tongue finally slides through her folds.

"…fuck…" Adora repeats as she places her hands onto Catra's head, her fingers swirling through the short mane as the magicat slowly works the blonde up, "S-stars…"

Feeling extremely warm under the blankets, Catra throws it off to the side and exposing Adora, "Can't breathe, princess."

And before Adora can protest, Catra finds the sweet spot making the blonde's legs clamp down around her head and her back arch up, "Ah… oh, oh…"

The sound of Catra's tongue lick and slurping up the blonde fills the quiet room as Adora slams one hand over her mouth as she feels herself coming undone. Her eyes rolling back into the head, her toes curling and her hands fisting as she tries to hold out a little longer only for her orgasm to come crashing down as she lets out a high pitched moan, even with her hand over her mouth as Catra continues to lap up at the blonde's juice until Adora bucks her off panting and pushing her magicat away.

Catra sits up and wipes her mouth, grinning widely at the mess she's made of Adora when her ears twitch upon a sound next to her and she looks over to see Mira and Rumi going at it too.

Mira has Rumi on her back, in the same manner as what Catra had done with Adora. Her focus is brought back to Adora when the blonde brings the magicat down for a kiss and with a small huff, "What are you looking at?"

"Our roommates have the same idea." Catra say at a normal volume with a grin.

"Shut up, Catra! I'm trying to work here!" Mira grumbles out the muffled words as she eats out Rumi.

"Ah, ah, ah… oh…Mm!" Rumi moans out, Mira hands cupping both of her girlfriend's breasts as the purple haired woman finally cums, her hand over her mouth trying to muffle the sound despite Mira's tongue still lapping her up, "Oh! Fuck!"

Rumi pushes herself up and off Mira's mouth until she's no longer connected and she lays on her back while writhing and twitching around nothing while Mira looks over at Catra's dark figure smugly, "You started it."

"Well, I'm not done yet." Catra replies smirking back, "We've only just started, haven't we, princess?"

Adora eyes widen as she pulls the blanket over her naked body, Rumi mirroring the action as they look at one another, the blonde speaks first, "Catra… come here."

Catra obliges and pushes herself back up again and drapes herself over Adora, happily purring and scent marking her mate, "Mm…"

"They are so fucking cute." Mira remarks dryly as Rumi giggles under the other woman, "Ready for round two?"

"Give me a few minutes?" Rumi replies exaggeratedly, "I'm still…"

“Sensitve?” The red haired woman raises an eyebrow up and Rumi nods with a slight blush as Mira grins down, “Take your time, babe.”

Rumi laughs and then moans out as her body continues to twitch in the aftershocks, “Don’t make me laugh…”

Mira raises an eyebrow and then licks her lips again and then leans down to kiss her girlfriend, “Mm…”

“Hey, princess. How’re you doing?” Catra whispers, her ears ignoring the kissing noises on the bed next to them, “Want to keep going or are you done?”

Adora looks into Catra’s reflective eyes and then turns her head, her eyes catch the shadows of the couple next to them and she bites her lip, not sure what to do.

“Hey. It’s okay.” Catra reassures as she leans down and presses her lips onto Adora’s, “We can stop if you feel weird about having other people in the room.”

“Can they see us?” Adora ask softly instead.

Catra shakes her head, “No. They don’t have my eyesight.”

“Hey! Quit watching, you perv!” Mira grumbles out, making Catra laugh out.

“Mira?” Rumi’s voice peaks out, “Can they… can they see us?”

“That magicat probably can.” Mira replies pulling the blankets up to cover them as she says a little louder so Catra can hear, “Quit watching us.”

“I have no interest in you two. Trust me.” Catra replies honestly, “I’ve got the only woman I want right here. You two are just really

annoying being so close."
Mira growls out, "You're too close!"

"I have an idea." Catra quickly slides out from under the blankets and grabs Zoey's keycard, before heading out the door quickly and returning with a rolling curtain, "Ta da! Privacy!"

"Or… you and Adora could just go into Zoey's room." Mira suggests snidely.

"You and Rumi go into Zoey's room." Catra refutes, "It's your turn."

"No way." Mira quickly shuts that down, "We are *not* going to Zoey's room to fuck."

"Why not?" Catra asks as she gets back under the blankets with Adora as Mira opens up the curtain, "Hey! Privacy!"

"Ugh!" Mira groans out, "It's fucking weird doing it on Zoey's bed. Did you guys…?"

"Fuck off. No." Catra replies sternly, "We are not animals."

"Uh huh." Mira quirks an eyebrow up in the darkness, "Then what's with tonight?"

"*We've* been giving you your privacy and being respectful in someone else's room." Catra breathes out, "Can't you guys just… go?"

"No way." Mira crosses her arms over her chest, "I literally just got Rumi warmed up."

"Hey!" Rumi calls out.

Catra snickers out a laugh, "Yeah, well I haven't gotten off yet. So… give me and Adora like an hour of alone time, will you?"

"I haven't got off yet either!" Mira almost growls out.

“Stars…” Adora says under her breath just as Rumi pretty much mirrors the sentiment.

“Mira.” Rumi calls back to her girlfriend, “Maybe we could finish later?”

“No way. I’m not losing to the cat.” Mira replies over her shoulder.

Catra turns to Adora and sighs, “This is fucked up. I knew sharing a room with them was a bad idea.”

“Why exactly are we even sharing rooms?” Rumi asks loud enough for everyone to hear, “I mean, we’re like super rich. We don’t need to be sharing rooms…”

“That’s true.” Adora agrees, “Why are we really sharing a room?”

Mira and Catra look at each other conspiratorially, the former breaking first, “Ugh! I made a bet with Catra.”

“About?” Adora narrows her eyes at the magicat.

“Just that I can last longer than her.” Catra throws a look across to Mira, “And… maybe give you a heap of… orgasms…”

Adora blushes as Mira groans out loud, “You can not last longer than me. Right, Rumi?”

“Uh… we haven’t really…” Rumi shyly says, “Mira!”

“What?” Mira drawls, “Don’t worry, Rumi. I can totally last a long time.”

“No way can you go longer than me.” Catra refutes.

“Stars…” Adora breathes out again, her thighs rubbing together as she thinks about that possibility coming to light.

“What do you say, princess?” Catra leans down and presses a kiss onto Adora’s lips, “Should we prove it to them?”

“No. We’ll show you how it’s done.” Mira challenges, she looks over at Rumi, “What do you think, Rumi?”

“Uh…” Rumi bites her bottom lip as Mira gets back into bed with her, moving herself so she’s on top of her girlfriend.

Catra leans down and presses kisses onto Adora’s neck, a light purr vibrating through her chest, “You’re gorgeous, princess.”

Adora tries to hold back a moan at the feeling of her magicat on her neck, the gentle purring increasing the pleasurable feeling, her fingers dig into Catra’s back, “Mm… fuck…”

“So beautiful…” Catra whispers into Adora’s skin and then her breath hitches when Adora’s hands move to just above her tail and starts scratching, the magicat’s eyes roll back a little at the feeling, “Mmmph…”

Adora looks back up at Catra, “Good?”

“Fuck, yeah…” Catra trills and then hears a cooing noise in the background and then growls, “It’s cheating if you’re not doing anything.”

“I *am* doing something.” Mira growls back as Rumi covers her mouth to stifle a moan when Mira kisses her on the neck just right, “See.”

“Focus on your girl, would you?” Catra grumbles out as her eyes go to the curtain she’s put between the bed, checking that it’s back in place before she goes back to Adora, “Turn over, princess.”

“Hm?”

“On your side. I wanna spoon you.” Catra throws her sleep top and shorts off before sliding under the blankets, “Naked.”

“Stars…” Adora breathes out when she feels Catra’s furry body against her skin, the blonde pushing right back against her mate, “Not yet.”

“No.” Catra agrees as she slips one arms under Adora’s neck and pulls her closer, hugging her into her chest and then presses kisses behind the blonde’s ear and neck, her other hand moves down and rests on Adora’s stomach, tapping her fingers on the skin lightly, “Can I?”

Adora takes Catra’s hands and slides it lower, opening her legs up a little more, the blonde whispering, “Here.”

Catra moves her hand down, a finger gently sliding between the blonde’s wet folds and then just resting in her slit, “There?”

Adora nods, her hips grinding down on Catra’s finger, trying to get a little more friction or anything at all, the blonde huffs out when the magicat just stays in place unmoving, “…Catra…”

“Mmhm?” The magicat feigning cluelessness.

“More…” Adora whispers and then whimpers when Catra’s fingers gently slides up and down, dipping inside as then pulls back and softly massages Adora’s clit, “Mm… yes…”

The magicat concentrates her ministrations on Adora’s clit, the blonde’s breathing getting heavier as she scoots further back into Catra even though she’s already flush against her, Catra presses more kisses on Adora’s bare shoulder as her other hand grabs at the blonde’s breast, flicking her nipple in the process as the blonde moans out a little louder now making Catra grin, “I love you, Adora.”

“L-love you!” Adora declares breathily, “More! K-keep going…”

It’s not long before Adora’s grinding down on the magicat’s finger roughly and just as she reaches her climax, Catra lets her finger slide inside the blonde, a high pitched moan escapes the blonde as Catra holds onto her mate a little tighter, “Fuck… you’re so hot…”

Adora’s inner walls throb around Catra’s finger as her body grinds against the digit inadvertently, “Fuck… Stars…”

“Fuck!” Rumi moans out as Mira licks her clit with a flat tongue, two fingers knuckle deep into her girlfriend as Rumi’s legs wrap tightly around the red head’s shoulders, squeezing and then bucking off Mira’s fingers, “Oh… fuck!”

Mira sits up, preening once more as she licks the juices off her fingers before wiping her face, “Mm… you taste so fucking good, Rumi.”

Her girlfriend unwraps her legs, trying to relax as she whimpers with the movement, “I want to taste you.”

Mira smirks, getting off the bed and standing next to her girlfriend and then pulls off her sleep top and pushes down her bottoms, kicking them off and then moving to kneel on the bed next to Rumi, her dick out and next to Rumi’s face, “Whenever you’re ready, babe.”

Rumi turns her head, her eyes widen at Mira’s dick in her face, “Uh…”

“What’s wrong?” Mira asks quietly, a hand cupping her girlfriend’s face.

The purple haired woman gulps as she just stares at Mira’s dick, not saying a word.

“You can, you know, touch it.” Mira says softly.

“Oh.” Rumi reaches out hesitantly, stopping just short.

Mira smiles softly down, still cupping Rumi’s cheek, “It’s okay. You don’t have to.”

Shaking her head, Rumi takes a deep breath in and lets her fingers wrap around Mira’s length, the latter groaning out at the feeling. The sound makes Rumi feel better, “How’s that?”

“Fucking amazing.” Mira moans out this time and closes her eyes, “Really fucking amazing.”

Rumi moves her hand up and down Mira’s shaft, stopping and rubbing the tip as Mira starts to move her hips to get a little more friction, “Feel good?”

“Maybe… put it in your mouth?” Mira asks hopefully.

“Well…” Rumi looks up at her girlfriend, “I guess it’s only fair since you’ve already tasted me…”

“Fuck yeah.” Mira grins as she pushes herself further into Rumi’s face before pulling back, “Sorry, I just go too excited.”

Rumi stares at her unimpressed before rolling her eyes, “Yeah. Sure, you are.”

“I totally am.” Mira tries to stay nonchalant, “Just… whatever.”

And just as Mira relaxes back, settling on her heels, Rumi pulls her forward and wraps her lips around the tip of her girlfriend’s dick, “Mm…”

“Fuucckk!” Mira moans out at the feeling, “Oh yeah, fuck, just like that.”

Adora’s turned over, kissing her magicat mate while laying on her back as her hand pumps and primes Catra’s dick, “Mm…”

Catra grins into the kiss, “Let me just… let me just…”

“Just what?” Adora asks with a giggle.

“Get some protection.” Catra breathes out the words, “Unless you want to make kittens tonight…”

“Stars no.” Adora replies, “I don’t think I’m ready for that just yet.”

Catra presses her lips onto Adora's once more in a chaste kiss before getting off the bed and searching loudly through her bag, Mira grunts on the other side, "You're so loud, Catra! What are you doing?!"

"Getting protection." Catra replies as finds what she's looking, "Aha! Got it."

"Oh, got anymore?" Mira asks from the other side of the curtain.

"Don't you have any? Or have you used them all already?" Catra teases as she pulls the box out and shakes it, grinning at Adora, "I've got a couple left, princess."

"Pass one this way, Catra." Mira asks without addressing any of Catra's questions.

"Where's yours?" The magicat stands up and walks back to the bed.

"I haven't got around to getting any." Mira replies boredly.

"Wait. You don't have protection?" Rumi asks, "How were you… what about…?"

"I have a really good pull out game." Mira simply says.

That answer has the purple haired woman scoffs out, "We haven't…" she glares at Mira, "We are not doing this unprotected."

Catra snickers out a laugh, "Looks like you're done, Mira."

"Fuck off and give me a couple of them." Mira demands, her hand pushing through the curtain, palm up.

"And what do I get for sharing my stuff?" Catra says staring at the outstretched hand.

"Free tickets to all our concerts." Mira offers.

"Yeah, I'm not that big of a fan." Catra brushes off that offer.

“You might not be, but your *girl* is.” Mira brings up, “I’m sure Adora would love free tickets to all our concerts.”

“Mira!” Rumi chastises before she turns her head towards the curtain and says loudly, “Adora, you and Catra are welcome to come to all of our shows. Free of charge. Since you two saved the world from Prime for us.”

“Thank you, Rumi.” Adora replies back, “You guys are welcome to come to Brightmoon as well. Glimmer’s castle is like, so amazing. And her aunt has this really relaxing retreat place called Mystacore!”

Catra chuckles, “Princess, you wouldn’t even know how to relax.”

“I do too!” Adora pouts and Rumi giggles from the other side, “I can so relax! I’m relaxing right now!”

“That sounds so amazing!” Rumi replies.

“We have bath houses to relax at home.” Mira replies looking poignantly at her girlfriend, “It’s plenty relaxing.”

“They have those spa thingy’s at the retreat place too!” Adora says excitedly, “And really nice beaches and it’s like in the clouds.”

“Sounds like heaven.” Rumi replies.

“And it’s completely private.” Adora adds at the end.

“Oh! Really?” Rumi perks up, “I mean I love our fans, but I also love having a little privacy too.”

“Privacy is the bomb.” Mira agrees.

“Yeah.” Catra agrees too, “It definitely is.”

“Catra?” Adora asks her magicat mate who just makes a *hm* noise, “Just give them a few, please.”

The magicat huffs out but quickly concedes, taking a couple of the box and slapping them into Mira's awaiting hand, "Whatever you say, princess."

"Thank you!" Mira snatches her hand back, "I'll think of something to repay you later!"

"Uh huh." Catra says unconvincingly before grinning back at Adora, "Do I need to warm you up again?"

"Maybe." Adora replies cheekily, "And I guess I need to warm you up too."

Catra looks down, "Darn it. I knew that break was a bad idea."

"I have an idea." Adora says and leans in for a kiss and then whispers into Catra's ear, "Lay back."

"Okay." Catra gets herself comfortable as Adora climbs on top of her, spinning around and shaking her ass in front of Catra's face, knowing full well the magicat can clearly see and makes her laugh, "Fuck, princess…"

"Get to it, Cat." Adora orders as she wraps her lips around Catra's dick and starts to bob her head up and down slowly, licking up the shaft and then kissing the tip as she catches her breath, which hitches when Catra pulls her down and buries her tongue inside the blonde, "F-fuck!"

Mira climbs back on top of Rumi, "Hey, Rumi."

"Mira." Rumi grins up, "What are you doing?"

"Well…" Mira raises an eyebrow up at her girlfriend, "Wanna suck me off again?"

"Jeez, Mira!" Catra grunts out, "Way to make your girl feel special…"

“Shut up, Catra. And concentrate on your own girl!” Mira throws back right when Adora moans out loudly, the magicat preening at her good work “Oh, whatever!”

Rumi moans out almost just as loud as Adora when Mira dives back in between her legs and starts to lick her up and down once more, “M-Mira!”

Adora reaches blindly around the bed and finds the box, pulling out one of the condoms and unwrapping it as Catra continues to at Adora clit, the blonde manages to roll the item down the magicat’s shaft as her eyes start to roll back when her next orgasm comes about.

“K-keep going… f-fuck…” Adora moans out, her head on Catra’s thigh as the magicat pulls her all down onto her tongue, and then, “Ah! FUCK!”

Catra quickly flips Adora onto her back, the blonde yelps out and then smiles into wet kiss when Catra comes back up, “Mm… How are you doing, princess?”

“Mm…” Adora wraps her arms around Catra’s neck, “Fuck… I don’t know how much more I can take…”

“So… no more?” Catra asks and Adora shakes her head, “So… more?”

“Yes.” Adora nods bringing Catra in for another kiss, “More…”

Catra smiles into the kiss before glancing down when she feels Adora’s fingers wrap around her dick, the magicat groans out when Adora rubs it against her folds, “Fuck… that feels so good, princess.”

Adora takes a deep breath, relaxing her body as she rubs the tip over her hole, gently pulling Catra in closer until the head enters her. Catra holds herself up, letting Adora control the movement, she feels the blonde pulling her closer, pushing her deeper inside

until she finally bottoms out and Adora opens her eyes, staring straight into Catra's with her mouth open.

Catra leans forwards and kisses the blonde as she moves her arms to under the blonde's legs to keep them held up in the air, spreading her mate as Adora relaxes.

"Oh fuck…" Mira groans out, no doubt in the same position as Catra, buried deep into her girlfriend as Rumi makes a few whimpering noises.

Adora kisses Catra back, her arms wrap back around the magicat's neck as she tries to move her hips, only managing to grind up a little as the magicat puts her full weight down on Adora, she whispers into Adora's ear, "Ready?"

"Mmhm…" Adora replies with a nod, "Yeah."

Catra lifts herself up, pulling out all the way to the tip and then slowly pushing herself back in making the both of them moan in unison as Catra grits her teeth, "Fuck…"

"You're going to lose, Catra!" Mira calls out in challenge before moaning out herself, "Fuck!"

The magicat ignores the other woman as she repeats the action a few more times until Adora's gotten use to it. The blonde breathing out, "Harder… more…"

Catra nods and starts to increase her speed and power, pounding into the blonde, doing her best not to let the feeling of exploding get to her yet, "Stars, princess… I-I don't know how long I'm going to last…"

"It's not a competition, Cat." Adora says, were voice stuttering a little with the bouncing up and down.

"Yes it is! OH FUCK!" Mira says loudly before moaning again, "Damn it, Rumi! You're going to make me lose… OH!"

"Just… like… that…" Adora breathes out and opens her eyes, her head turns to the side to see Rumi's eye, the pair of them bobbing up and down while their partners fuck them, they stare at each other before they both moan out, breaking the eye contact, Adora wraps tries to wrap her legs around her magicat to no avail, not with the way Catra is situated on top of her as she feels her orgasm getting closer, "Oh… ah, ah, oh fuck… OH!"

Adora's orgasm has her shaking, her fingers digging hard into her magicat's back, she can't stop moaning loudly as Catra continues to fuck her through it until she pushes her magicat back by the chest, Catra pauses, "Pull out?"

Adora shakes her head, "Slow… slow down."

"Okay." Catra nods as she remains buried inside her mate, relishing in the feeling of Adora's walls fluttering around her as she keeps it together.

Rumi brings Mira down for a kiss, the aftershocks of her orgasm pushing Mira out of her, the other woman glad for it, knowing that if she remained inside of her girlfriend, she'd no doubt be done. Mira drops herself on top of Rumi, panting out heavily as she blindly presses kisses wherever she can on Rumi.

Giggling, Rumi kisses her girlfriend back, her body trembling still as she lets herself flop back, "Wow…"

"I'm not done with you yet." Mira smirks as she opens her tired eyes as she rolls off to the side.

Rumi breathes out, pulling Mira back in for more kisses, "Mm…"

Adora pushes her magicat until Catra is on her back, "My turn."

Catra grins back up at her mate and repeats back happily, “Your turn.”

Adora swings her leg over Catra, her long blonde hair drops around her shoulders as she leans down and kisses the magicat, her hair cascading down around them, “Mm…”

“Lube?” Catra asks and Adora shakes her head, “Don’t need it?”

Another shake of her head, Adora reaches back and wraps her fingers around Catra’s still hard dick, “I don’t need it.”

The magicat smirks, “I’m all yours, princess.”

“Yes, you are.” Adora replies as she lifts hips up and lines herself up and then slowing guides Catra into her, groaning out as she slides all the way down, sitting in the magicat’s lap, “Stars…”

The magicat hisses out, the feeling of Adora on top of her as well as surrounding her has her eyes rolling back as she wills herself to stay still, it’s Adora’s turn after all. And all she can say is, “…fuck.”

Adora leans forward, her hands on her magicat’s chest as she adjusts once more, she closes her eyes for a moment before staring back at Catra’s and leans in and kisses her mate again, the movement of leaning forward makes them both groan out as the magicat tries to readjust to be able to kiss Adora.

“Mmphf!” Adora moans out into Catra mouth as her body starts to grind down, her walls squeezing around her magicat’s dick as works her mate over whilst Catra grits her teeth.

“Fuck, princess…” Catra breathes out, her hands pulling Adora down into her so she can get another kiss, her dick slips out about halfway before she plants her feet down onto the bed, breaking their kiss and whispers into Adora’s lips, “Can I?”

Adora breathes out, closing her eyes as she nods, “Yes.”

And that's all it takes for Catra to start pushing her hips up, pounding into Adora hard and fast as she holds her mate in place, the magicat growls out at the feeling of Adora's inner walls throbbing and squeezing around her every time she pushed herself inside.

"Fuck. Ah, ah, ah, mmm…." Adora moans louder and louder, her toes curling and her fingers grip onto the pillow under Catra's head, "Oh! Oh, oh, oh, fuck!"

Despite the writhing around on top of her, Catra continues to fuck Adora, wrapping her arms tighter around her mate, she presses kisses onto whatever skin she can reach as Adora finally bucks herself off, unable to take anymore, slightly moving off to the side as she pants out.

Catra preens, breathing just as hard, "You doing alright there, princess?"

Adora nods, her eyes shut and her brows furrowed as her hands still fist into the pillow.

Catra moves Adora so she's on her side so she can see her face, the magicat pulling her thigh over her own as she slides herself back in, nearly reaching her own peak as Adora's fingers dig into her chest. The magicat starts slowly, pacing herself as Adora slams her eyes shut, trying not to come again.

Rumi moans out on her stomach as Mira pounds her from behind, "Oh! F-fuck!"

The sound of skin on skin slapping ground louder and faster as Mira fucks into Rumi faster and harder, using her body to keep her girlfriend under her, "Ah, fuck… Rumi… ah!"

"Don't stop! Don't stop! I'm… I-Oh! Fuck!" Rumi bites down into her pillow as her orgasm has her thrashing under her girlfriend, "Ah! Ah! MMM!"

Mira grunts out, her teeth gritted as she continues to pound into her girlfriend with erratic thrusts until she finally moves her hips one last time and groans out loudly, "OH FUCK!"

Rumi's inner walls throb around Mira's dick, squeezing and pulsing as she continues to bite into the pillow, a low whine muffled into the pillow as she feels Mira's dick finally stop throbbing inside of her and she finally breathes out and relaxes.

Mira pulls out slowly and rolls onto her back panting, "Fuck, Rumi."

Rumi just hums out as she works through the aftershocks before she yelps when Mira pulls her body into her, wrapping her arms around her girlfriend's naked body. Rumi hums again, happily enjoying the afterglow as she settles into Mira's embrace. She presses her lips onto Mira's and whispers, "I think I'm done."

"Yeah. Me too." Mira agrees reaching down to take off her condom and putting it on the side of the bed.

"Catra!" Adora moans out, "Ah! FUCK!" Adora tries to shut her legs, obstructed by Catra's own legs as the magicat thrusts upward and into Adora, "OH! OH! AH!"

"FUCK!" Catra growls out as she buries her head into Adora's neck, "I'm… I'm…"

The magicat continues to fuck Adora faster and harder until she finally buries herself as deep as she can as she finally cums, the blonde's arms wrapping around the magicat as she works through her own aftershocks.

Catra's dick slides out of Adora as the pair lay together, panting and catching their breaths.

The magicat presses a few kisses to Adora's neck before licking up her mate's neck mischievously, "Fuck I love you, princess."

“I love you too.” Adora replies with a dopey grin, “Mm… no more… I… I can’t.”

“I’m spent.” Catra replies and then adds with a quirk of an eyebrow, “For now.”

“Nooo!” Adora whines playfully as she presses kisses all over her magicat’s face, “You’re going to make me too sore to walk.”

“I’ll carry you.” Catra suggests.

The blonde shakes her head, “Mm…”

“I can carry you while we...” Catra starts and then is quickly interrupted by Mira.

“Time to sleep!” Mira groans out, “We have stuff to do in the morning!”

“We do?” Rumi asks making Catra laugh out as Mira groans out once more.

“Yes, Rumi!” Mira replies like it was obvious, “We’ve got that morning show interview on tv.”

“Oh, is that tomorrow?” Rumi asks in thought.

“It’s today, babe.” Mira corrects, “And yes. We have to be at the studio for hair and makeup at 8am.”

Rumi yawns, “Mm… I guess we should get some sleep. Don’t want bags under our eyes…”

Mira nods in agreeance, “Let me just throw this in the bin and we can get cleaned up.”

“Okay.” Rumi nods with another yawn.

“Nope!” Catra leaps up, pulling the condom off her dick as she ties a knot in it and then pulls a reluctant Adora up, “We won. We get the bathroom first!”

“Ugh!’ Mira throws her head back, “That wasn’t the agreement! And there’s two bathrooms, dumbass!”

“Keep your eyes closed. Adora’s not the exhibition type.” Catra ignores Mira’s comment, knowing fully there’s two bathrooms in this room, “And don’t think I won’t see you peeking!”

Mira quickly pulls the blanket up and over the both of them, “Well, you better not look either.”

“Deal!” Catra agrees, “Come on, princess. Let’s get cleaned up and then get some sleep.”

“Okay.” Adora grabs their towels as they both disappear into the bathroom.

Mira looks over at Rumi once the pair have disappeared into the bathroom together, “I totally lost on purpose just so you know.”

Rumi laughs, “Yeah, I don’t think so.”
