School was always drab for Catra. She hated most things about the wretched place. The learning, the crappy ass food, and worst of it all waking up early. The only thing that made Catra's day better was her girlfriend, Adora.

Spending the day with the most beautiful girl in the world could make even the worst of situations better.

Now it was Monday, the absolute worst day of Catra's week. She stood by her girlfriend's locker, having already gotten her things from her own, and awaited the other girls' arrival.

While waiting, Catra took to scrolling on her phone. About midway through her scroll, she had the sense to look up. Walking through the hallways towards Catra was Adora. But instead of her usual attire, jeans and a random shirt, the blonde girl sported a nice white t-shirt and a short blue skirt. A really short skirt. Catra could see the other girls' perfect thighs peak through the blue fabric. Even managing to see a peak of the blonde girl's pert ass from the front. That view alone was enough to make Catra's knees go weak

Luckily, Catra had managed to get herself together by the time her goddess of a girlfriend had made her way to her locker.

"Hey Princess" She chirped.

Adora smiled, “Hey Cat,” She said, dialing in the combination for her locker. Fumbling a few times before finally opening the locker.

“What’s with the new look” Catra questioned curiously.

“Oh, I wanted to try something new. Do you like it?”Adora said, stuffing her book bag into her locker. Making sure to pull out her reading textbook for her first class.

“I love anything you wear Princess,” Catra said, making the taller girl blush.

Adora slammed her locker shut and reached for Catra’s hand. As Adora lead Catra to class, the brunette couldn’t help but look at just how nice the new skirt fit on her girlfriend's ass. If seeing her from the front had made Catra almost lose balance, how in the hell was she going to survive seeing it from every angle for 6 hours straight.

‘This might be harder than the actual school day’ Catra thought.

~.~.~.~.~.

And Catra was right, going through a whole school day while your girlfriend was walking around in what must have been the

shortest skirt in all of existence was one of the hardest things she had ever had to do.

But being right next to her and getting an even closer look at how those every-so-milky thighs looked in that fucking skirt was making studying so much harder than it already was.

The pair were now at Catra's house which is what would usually happen after school. They were studying for an upcoming math test. Well, Adora was. Catra was just watching her. Watching the adorable frown on her face and the furrow of her brows that formed from how hard she was concentrating. A face that innocent should not have been allowed to have a body that sexy.

Apparently, Catra was getting way too lost in her thoughts because of the startling jump she gave when Adora tapped her shoulder lightly.

"You okay Cat?"Adora said.

Catra nodded, "Yeah, I'm fine".

"You were kind of zoning out a bit. Want to take a break" Adora suggested.

"Yes, a break sounds good, and sorry, you just look really good in that skirt" Catra chuckled.

“You really think so,” Adora asked.

Catra leaned a bit closer to her girlfriend. “I know so Princess”.

Adora leaned in closer as well. A faint red was noticeable on her cheeks.

“You are beautiful Adora. Always are” Catra whispered. Then Adora closed the gap. The kiss was soft at first. Full of love in care. Then it gradually got faster and sloppier. Catra’s pent-up feelings for her girlfriend finally getting some form of release.

Adora pulled away from the fiery kiss, mainly for air but also to get out of her chair. Catra let out a whimper and chased her girlfriend's lips as she pulled away. Adora giggled, leaning down to give her girlfriend's awaiting lips a quick peck before settling down onto her lap. The blonde wove her hands through her girlfriend's thick brown curls, twirling her fingers around the shorter locks at the back of the other woman’s head.

Usually, Catra would complain about her curls being messed up but right now, she couldn't care less. Not when she could feel a delicious heat pressing against her.

Catra’s hands made their way to Adora’s waist, giving the area a tight squeeze before moving down to cup the girl's ass. Earning a

moan from the other girl. Adora quickly dove in for a kiss. Smiling into it as their lips locked. Catra continued to squeeze and grope the blondes behind as she swallowed the rather loud moans coming from the other girl. Eventually moving her hands under her skirt to feel the bare flesh.

Catra could feel herself hardening. The pressure of Adora on her felt wonderful. But it just wasn't enough. So Catra used her grip on Adora to press her down a little more, sliding her over her own hardening length.

At this Adora shot up from the kiss, body going rigid. This alarmed Catra, who immediately removed her hands from the other girl.

'Oh god. Was that too far, god I'm so stupid' Catra thought.

Just as she opened her mouth to say something, Adora grabbed her chin. A look of pure desire in her blue eyes.

"Harder Catra" Adora demanded.

Catra didn't need to be told twice. Her hands found their way back to Adora's ass. Repeating the same motion as before and dragging the blonde over her cock. Except this time, following as the blonde ordered and going harder.

Both girls moaned at the feeling of both of their cores connecting. Catra continued her ministrations, watching in awe as the girl on top of her moaned over the feeling of Catra’s clothed cock rolling against her own clothed heat.

The blonde's hands had ended up clutching onto Catra’s shoulders as she moaned through the pleasurable feelings. Truth be told Adora was doing most of the grinding at this point. Grinding her pussy into the hard friction that Catra’s thick cock provided.

“Fuck, Catra. That feels good”. The blonde said.

Catra’s eyes widened a bit at the blonde's crass words. Words that were rarely used by the other girl. Adora was very clearly enjoying herself right now. Catra could both see and feel how wet Adora was and it was only bringing Catra closer to the unmistakable orgasm that was bound to come for her.

Adora sped up, Rubbing her clit faster over Catra’s Erection. Making herself throw her head back in pleasure and causing Catra to groan. Adora’s long fingers managed to weave their way back into Catra’s hair. Bringing their foreheads closer together.

“C-cat, I’m so close. Fuck I’m gonna cum” Adora whispered against Catra’s lips.

Catra’s eyes rolled back in her head at those words as they brought her over the edge. Her Cum painting the inside of her

boxers.

Feeling her girlfriend cum below her sent Adora straight to orgasm. She managed to bring Catra into a searing kiss as her orgasm crashed over her in waves. Her legs twitched over Catra’s lap. Her orgasm racking her body as Catra managed to push Adora against herself a little more. Allowing her girlfriend to ride out her orgasm.

Adora pressed a hand against her girlfriend, signaling she needed a few seconds to recover. The blonde slumped onto her girlfriend as warm arms wrapped the girl into a warm hug.

“God that was amazing” Adora sighed dreamily.

“It was, god I love this skirt,” Catra said, briefly stroking her hand over the blonde girl's ass.

Adora giggled. “I know. That's why I wore it”.

“Wow, Princess isn't so innocent is she? You wanted this” Catra smirked in amusement.

“Even princesses want to get wrecked sometimes Cat” Adora whispered in her girlfriend's ears.

“Well then, up for a little more fun Princess,” Catra asked.

“Always”
