A day off

by Jematron

Summary

Catra and Adora do have such fun hobbies during their days off.

Notes

Ijust wanted some sloppy , intense smut to get the brain all cleared out.

HAVE FUN!

(And yes, its the same two... may have this as my fun porn series!)

Catra grunted and strained as sensations assaulted. She panted and huffed, as wood creaked under her straining muscles. A wet, rhythmic noise echoed around the living room as she tried to move her limbs, the sensation in her groin growing hotter and more tense as she built towards release. She looked down to find a pair of ice blue eyes staring back up at her. She whimpered as she watched her cock disappear into a warm, velvety wetness as Adora suckled at her, the blonde's head bobbing gently back and forth. Strong hands gripped at Catra's thighs, as if holding her in place, though there really wasn't a need.

Catra trembled and she shuddered further as she felt the ropes dig into her skin - around her calves, where they were bound, firmly, to the chair leg;around her arms, spread to either side, where the chair's cross back left her splayed;around her torso, where the bindings held up her perky chest and added another layer of pressure and stimulation.

She blinked rapidly as Adora reached down, not breaking eye contact, to retrieve a small remote from the floor. Catra gurgled out a whimpered, "Pl..lease no"…

Adora chuckled around Catra's length, then let it slip free from her mouth with a wet *pop* . Catra whined at the loss of stimulation and tried to buck her hips, desperately seeking solace. Adora tutted, "Y ou know the word, baby."

She waggled the remote, a slight frown on her face betraying her concern beneath the domineering personality she displayed in the

bedroom. Catra whined, and managed an "I can't take it."

She bucked her hips again and bit her lip, then thrust her chest out. Adora shuffled forwards slowly on her knees. Her free hand snaked out and grasped Catra's throbbing cock and squeezed. She leaned in and whispered into Catra's ear, "Say the word and I won't baby"…

"please"…

"Not the word, if you want me to stop." Adora leaned back and searched Catra's eyes. A smile slowly spread on her face and her eyebrows raised. Then she flicked the dial on the remote.

Catra let out a low guttural groan as a buzz began in her ass, which felt so pleasantly full. With a giggle, Adora slid back down, peppering soft kisses across Catra's torso. She licked and bit, gently, Catra's nipples, which made the brunette's mismatched amber and blue eyes roll into the back of her head for a moment as she shuddered.

Adora's hand snaked down to apply gentle pressure to the brunette's small balls, "Not yet baby . I need more of a taste." Then she engulfed Catra's throbbing clit in her mouth once more. The brunette yelped and whined.

"Fuck, Adora, please, fuck, too much, oh god, more fuck, fuck, fuck please, baby. FUCK" her hips jerked as she tried to thrust in faster , harder. The slow, rhythmic buzz in her ass kept her edged - not fast

enough to consistently stimulate, not regular enough for a sensational rhythm to develop. Just a pulsing throb that brought her close, then dropped off. Adora licked and sucked, keeping her hard and shivering.

Catra felt a spurt of pre-cum, not quite a full orgasm, leak out of her. She whined in pleased frustration as Adora sucked it down, then squeezed the base of her cock, her clit, to stem the sensation and delay her full release. The blonde let Catra plop free again and moved up, sharing a taste in a messy kiss, "Baby you taste so good. I think my seat is ready. Is it ready?"

Catra groaned and nodded. Adora smirked, then stood. She towered over Catra, then bent a leg up, presenting herself. She looked like a goddess, in a white basque and no underwear. Catra could see Adora's glistening arousal, smell her tangy scent. She felt Adora's fingers curl into the back of her hair and Catra sighed happily as Adora moved herself, slowly, so Catra could lick and suckle at her girlfriend's folds. The blonde let out a contented groan as Catra tied to lap at her, the brunette straining against her semi-crucified bonds. Catra moaned happily, and tried to push further in, her tongue probing and seeking more of her favourite flavour. Adora cooed happily and ground herself against Catra's mouth, smearing herself across the brunette's eager face.

Lost in the sensation, Catra huffed and licked, before she managed to catch Adora's clit between her lips. She sucked and flicked her tongue across the small bundle of nerves and Adora yelped. Bother her hands gripped Catra's short hair and she hunched over the other woman, "Fuck, fuuuck yes, oh baby bay, you're so good so, *fucking* good."

She thrust and spasmed at Catra's face then pulled away panting. Catra tried to chase it but couldn't move, "Baby?" she looked up, eyes blown, at Adora. The blonde panted and grinned down, her blonde hair lank with sweat as she shuddered.

"Get me so close. But we finish together baby."

She lowered her leg, then began to sink down. A free hand grasped Catra's dick and help it firm. Then, slowly, inexorably, Adora sank onto Catra's length. She groaned, happily as she was filled, while Catra mewled as Adora's wetness, her tight core, enveloped her. After a second, they were locked together, Adora happily planted in Catra's lap. She draped her arms across Catra's shoulders and stared lovingly into her girlfriend's eyes. Catra choked out a breath and smiled at Adora, "So good. Please, please baby. I need you. Need to"…

Adora kissed Catra and began to rotate her hips. She picked up speed, gyrating and bouncing gently. The room was filled with the sound of wet coupling, the gentle smack of skin on skin. Adora spasmed and broke the kiss, before she buried her face into the crook of Catra's neck, whining and whimpering as she rode the smaller woman. Her hips began to spasm, each movement jerky and desperate. Catra pulled against her restraints, mind going white as the burning in her ass, the grip on her cock, the feel of Adora crushing into her all began to overwhelm her. She felt her balls tighten and she desperately tried to push her knees together, tried to flex her limbs, tried to *push* something. Then her body locked up and she flung her head back. Adora latched her mouth to Catra's neck and began to suckle, surely leaving a deep hickey there.

The sensation was like a punch, but *nice*. It was a clenching in Catra's gut, a tightening as she practically did a whole body clench. Her feet drummed and her legs bounced against their restraints as her cock throbbed. Spurt after spurt of cum splattered into Adora's core. Adora thrust down to plant herself firmly against Catra, getting her in as deep as she could. She growled against Catra's neck, nibbling, biting, sucking, her hands digging in, crossed behind Catra's back, clinging to the woman. Her hips bucked as she joined Catra in release, her inner walls tightening, milking Catra more.

The moment stretched on, almost for an eternity, until Catra felt the last spurt. Her cock shivered and throbbed, but had no more to give. She whimpered are Adora flex her pelvic muscles, giving another squeeze. The blonde went limp, boneless, atop the exhausted brunette. Slowly, groggily Adora leaned back and met Catra's gaze. The smaller, bound girl, gave a lopsided grin, then shivered and whimpered as another buzz in her ass sent aftershocks through her. Adora cooed sympathetically, then leaned backwards, almost bending double, to pluck the remote from the floor. All without disengaging from her girlfriend. Catra watched as Adora's strong abdominals flexed, watched her breasts bounce from the movement, then sighed in relief as the blonde straightened and turned the vibrator off.

Adora smiled softly at Catra and brushed the sweaty hair from her girlfriend's face, "How are we doing, baby?"

"Green."

"Such a good girl. So very good," Adora praised. She ran a thumb over Catra's cheek, then leaned in to plant a gentle kiss against the woman's mouth, "Now shall we untie you, get some water in? Maybe a shower?"

"No.. not yet. I like this. A bit longer please? Just stay there."

Adora smiled and nodded, "Whatever my baby needs. We have tomorrow off, so, whatever you need hun. And anyway, this is a comfy seat." She grinned, cockly and rotated her hips. Her eyebrows rose as she felt Catra harden again, "Oh wow Catra. Quite the distraction going on there..."

"Always happy to distract you, baby," the brunette managed. She stifled a whimper as Adora flex her core muscles again, then whined as the blonde leaned in.

"Round two and then I'll let you tie me up later."

Catra growled, "Promise?"

Adora's laugh was throaty, full of promise, "Promise..."
