Morning Would

by ResFlower

Summary

It feels like it's been an hour since Adora's hands snuck into her shirt. Her girlfriend has been languidly rolling her nipples until they are stiff peaks, tracing patterns from her collarbones to the underside of her tits. She's also been kissing Catra's neck softly, murmuring under her breath and nuzzling her back.

She can feel herself growing wetter and yet Adora's failed to make a real move. "If you're going to keep fondling me you should do something about it." Catra can't help but snark.

Adora pulls her tighter onto her chest. "Chill out. Can't I cuddle my girlfriend?" There's sleepiness there, but also a smugness that tells Catra she knows exactly what she's doing.

Catra presses back into Adora's morning wood, shivering at the sensation. "This is more than cuddles." She grouses.

It feels like it's been an hour since Adora's hands snuck into her shirt. Her girlfriend has been languidly rolling her nipples until they are stiff peaks, tracing patterns from her collarbones to the underside of her tits. She's also been kissing Catra's neck softly, murmuring under her breath and nuzzling her back.

She can feel herself growing wetter and yet Adora's failed to make a real move. "If you're going to keep fondling me you should do something about it." Catra can't help but snark.

Adora pulls her tighter onto her chest. "Chill out. Can't I cuddle my girlfriend?" There's sleepiness there, but also a smugness telling Catra that Adora knows exactly what she's doing.

Catra presses back into Adora's morning wood, shivering at the sensation. "This is more than cuddles." She grouses.

Catra delights in the groan Adora lets out as she grinds back into her. She grabs Adora's hand that's still working over her nipple and pulls it low on her hip, opening her thighs and shoving it down there. Adora whines, her hand running across Catra's slit. "Fuck, you weren't kidding." She breathes out. "God, you're so wet."

Catra feels a little embarrassed as she hears the sounds she makes as Adora touches her. "Ya think, genius?" She breathes out pushing her ass back into Adora. "Think you have something to help with that?"

Adora groans, grabbing Catra's hips and grinding herself into her ass. "Can I fuck you?" She pleads as if Catra isn't the one dying to have Adora inside her.

"Yes." She hisses out. She feels Adora tug on Catra's panties, sliding them down her legs quickly. The blonde is about to turn her over but Catra lifts her leg over the blonde's. "Can we try like this?"

t's been so nice having Adora plastered across her back, her big hands working her over. t feels intimate and coz y and safe and Catra doesn't really want to lose that.

Adora places soft kisses on her cheek. "Of course, baby ."She says it almost dotingly as she spreads Catra's legs, fucking her with her fingers, first one then two. "Y ou feel so good around my fingers."She groans.

Catra moans out, the hand she has wrapped around her pillow tightening. "Baby , please. nside."Adora's fingers feel amaz ng but she wants something different.

"So impatient."Adora coos, moving her fingers slower but not slipping out. "Y ou sure? can make you come all over my fingers and then again with me inside."

Catra shakes her head. "Please."She whimpers. Catra wants to be j oined with Adora more than she wants her next breath.

Adora grunts as she kicks out her legs, removing her panties too. When she presses against Catra again they are skin to skin. "Ready?"Her length slides along her wetness. Adora rubs her cock along Catra's clit and then down, the tip barely brushing inside.

"Y es!"She tilts her hips and moves her leg so she's exposed to Adora. The blonde takes her time, rubbing up and down Catra's slit for a few strokes before she lets the tip ease in.

Adora hisses, her grip on Catra's hip growing tighter . Catra takes a deep breath, her body tensing as Adora settles herself all the way in. One of the blonde's arms wraps around her again, cupping her breast. They're pressed together from shoulder to ankle with only a little space between their hips when Adora slowly slides out.

"Fuck, Catra."Catra can hear the strain in Adora's voice, that she's gritting her teeth. "Y ou feel so good around me, baby."

Adora isn't particularly big, but Catra feels the stretch way wider than her fingers. She bottoms out and hits a spot that makes Catra see stars and let out a whimper. "Faster please?" It sounds like a question, Catra bending her head to the side so she can look eyes with Adora.

She looks so fucking hot like this. Adora's eyes are scanning their intertwined bodies, they barely look blue from how dark her gaze is. When she locks eyes with Catra she bites her lip leaving a soft indent on the full, pink expanse. She nods silently, brow furrowed as she moves faster, shallow pumps that leave Catra clutching at the sheets.

The drag of Adora inside of her is absolutely perfect. Nothing has ever felt better. Catra has taken bigger toys, things with more girth and heft, but nothing makes her feel as connected as feels Adora's skin slapping into hers as she bottoms out.

Catra reaches an arm back, dragging her fingers down the side of Adora's torso. She can't really reach the blonde, but the blonde can touch all of her. It's part of what makes this position feel vulnerable in the best way.

She looks down noticing a drop of sweat rolling between Adora's breasts, bouncing from the way she snaps her hips. When she lifts her gaze, Adora's eyes are already on her face the blonde licking her lips and fucking her harder.

"Adora, I'm—" She turns her face away , burrowing it in her pillow as a long moan escapes her. She can tell the blonde knows she's close because she touches Catra's tits again, this time tweaking her nipples harder than before.

"Yes, please Catra." Adora's voice is a needy whine as she holds on to her, her hips stuttering as she fucks Catra harder. "Please come for me." It's a soft whisper in her ear before Adora's teeth graze her ear lobe and she tugs.

Fuck Adora for knowing her so well. Everything feels unbelievable—her cock in her cunt, her hand on her breast, her lips on her ear. It's a mix of overwhelming and pleasurable that shoves her over a precipe she didn't even know she was looking over into a free fall.

She can feel herself clench around Adora, can feel the blonde shudder and rut her hips at the sensation. Her orgasm feels like it radiates from the very core of her waving out through her limbs to the tips of her toes. For a moment, she takes a deep breath, her vision blurry as she blinks and tries to figure out which way is up.

Adora is still deeply seated in her, trembling as she holds Catra close. "Was that good?" Her tone is measured but Catra can hear the lust she's trying to bury.

"So good, Adora. You're such a good girl for me." Her whole body shudders under the praise, a full whine pushing out through her lips. "Do you want to come for me?"

Adora nods, blonde hair almost drawing a curtain around Catra as she nuzzles even closer. "Fuck, yes." She starts moving again only now she comes up on her knees. She grabs Catra's leg and brings it around her hip so that now Catra's leg is up around her shoulder. It makes Adora feel like she's even deeper inside Catra than before.

Catra moans out at the new position. She can feel that Adora is at the edge of her control, her hips snapping disjointedly. She's holding onto Catra's leg, the one propped up on her shoulder, with both hands. Her eyes keep moving between Catra's face and down to where they're joined.

"Catra—inside?" Adora asks breathlessly, her flush reaching down past her collarbones and onto her breasts.

Catra nods frantically her hands reaching out to cling onto Adora's hips, to encourage her to fuck her however she needs. Catra wants nothing more than to feel Adora's cum in her. "Yes—Adora come inside me. Make me yours." She urges as she tugs on Adora's ass.

Something flashes in Adora's eyes and the blonde bears down slowly on Catra, her leg almost bending back to her head. Adora moves her hips more freely, long strokes that feel like they are going to tear Catra apart.

Catra puts her arms around Adora's broad shoulders, clutching the blonde closer. Adora lets out grunts of exertion as she finally lets loose, eyes unfocused as she fucks Catra with abandon. Catra loves seeing her like this, lost in her own pleasure~~lo~~st in Catra. Adora places soft kisses along her neck that feel foreign in comparison to the brutal thrusts inside of her.

Catra clenches around Adora's cock, desperately trying to keep it in her. "Fuck~~C~~atra, baby ."The words are barely there, unintelligible as Adora moans and slams into her one final time, all of her tensing.

She can feel the warmth and wetness of Adora's cum painting her walls. To her surprise, she feels herself tense, another orgasm ripping through her at the feeling. She presses her forehead to Adora's shoulder and holds on as she grunts loudly , wave after wave crashing over her.

Adora starts to pull back but Catra holds her in place, letting out a disgruntled sigh. The blonde chuckles. "Catra, you're going to lose circulation in your leg."

She eyes her leg, which is still bent backward~~s~~he's relatively flexible so it doesn't bother her . "W orth it."She mumbles as she pulls the blonde into a kiss.

Adora responds, the touch of their lips so gentle, especially in light of what they'd just done. "Come on baby , I'm not going anywhere."She coaxed as she pulls back, still inside Catra. Adora manages to softly run her hands over her leg, gently bring it down so it's hooked over her hip and she lays down on Catra again. "See? It's fine."

Catra hums, wrapping her leg around the blonde's ass to keep her still. She can feel Adora twitch inside her and it makes her groan.

"That was so good."She murmurs almost to herself.

The blonde nods along. "So good."She echoes the sentiment nuzzling under Catra's chin. "You're really pretty."She says matter of factly.

Catra burst out laughing. "You have to say that, I let you come inside of me."

Adora's smile turns dreamy. "Hmm, you did."She places a smacking kiss on Catra's kiss. "You're pretty independent of that though."

Catra shakes her head. "I don't know why it's so hot when you do that."

Adora's smile turns into a smirk. "Maybe because it makes you feel mine."She suggests lightly nipping at the same ear lobe she'd tugged on earlier. Catra can feel herself flush, her cheeks warming. She catches Adora's lips into a kiss to keep from responding. She can't believe she'd said that out loud. Adora pulls back, placing soft kisses all over her face and her neck. "You feeling shy about it?" Adora asks kindly.

"A little, maybe,"Catra admits, hiding her face in Adora's neck.

"Hey, it's okay."She soothes. Adora tilts her chin so she can look into her eyes. "You know I'm yours, Catra."She says slowly, her gaze never wavering. "And that you trust me this way I love that. And I love you."She finishes softly.

Adora bends down and kisses her again. Catra cups Adora's cheek, enjoying the way Adora's breasts press into her own chest. "I love you too,"Catra says when they pull apart. She sighs. "You should probably move."She admits. Her other leg is starting to grow numb with most of Adora's weight resting on it.

Adora gingerly pulls out of Catra and she immediately feels the loss, along with a dripping sensation. Adora quickly turns over, grabbing

some wipes they keep on hand for just this. It shouldn't feel romantic, for Adora to smile at her as she wipes Catra's inner thighs and her slit, gentle in her ministrations. Still, it does.

Catra giggles when Adora flinches as she wipes herself down before turning over and pulling Catra close. They are almost in the same position before they had sex, with Adora spooning her. Only now, they're naked and sate, Adora soft and warm against her.

"I might go back to sleep," Adora murmurs into her neck. "It's only like ten in the morning."

"You're not going back to sleep," Catra says as she turns over in Adora's arms. "We need to go couch shopping today." She reminds.

Adora groans. "Oh, that's right. I forgot." She eyes Catra. "We need at least ten more cuddle minutes though. You have to tell me you like me and play with my hair."

Catra rolls her eyes and smiles. "Alright, princess turn over." Adora dutifully does and Catra takes every opportunity to press herself close and drop kisses on her back, neck, and head. "I like you so much." She whispers, running a hand through her hair. "You're gorgeous and I wish I could keep you here. Maybe spread you out later."

Adora groans regretfully. "No that's too sexy, we're never going to get a couch at this rate. I'll need you to fuck me." She tosses Catra a weary glare.

Catra grins. "Well, maybe if we buy the couch today, you can be the first one bent over it."

"I'll hold you to that," Adora says like a threat. She presses her head back into Catra's hand. "Now, you're not done." She gives Catra a pout, waiting for snuggles.

Catra laughs but dutifully runs her hands through Adora's hair and whispers how much she loves her for way longer than ten minutes.
