On the Edge (Of Greatness?)

by dzmatron

Summary

Catra is tired of her friends-with-benefits relationship with Adora. t isnt enough.

But when she goes to break things off, things are a bit off!

Part of the Valentines Smut Swap! For Dorthes!

Ihope you enjoy - this one Iam tempted to expand on a little more for smut reasons - let me know if you want MOAR!

Catra cursed and leaned back against the bar. She drew in a deep breath and watched the pretty brunette saunter away with a different woman. She licked her lips and mumbled a curse again. Fifth time that week she hadnt been able to approach a girl. She had no idea *why* .

Well, not true. She had a very *good* idea. But it was a stupid one. For one, they werent even *dating* . And two, *she'd* even said it was ok!

That still didnt stop the weird, nagging guilt that chewed in Catra' s gut. t was a situation of her own making, of course.

A ding from her cellphone distracted her from her untouched drink and her failed (Or rather, not even attempted) conqest. Her stomach did a flip flop that was both excited and full of dread as she read the text.

Princess: *WYD?*

Catra swallowed and rolled her shoulders, then nodded to herself. A resolve settled onto her - if she was going to break this streak, she needed to be strong. She needed to define things.

She needed to stop being Adora's fuck-buddy. With shaking fingers, she tapped out a reply.

An hour later Catra stood in front of an apartment door. She wiped her hands down across her leather jacket and moistened her lips. As she stared at the door her hands carded nervously through her short hair. She was still undecided about it. The last time she'd resolved to break things off, When she'd tried to break things of f before she'd tried going for a short-crop style, almost an undercut.

Except it hadn't *worked* . Adora had cooed, run her fingers across the back of Catra's neck and, well, things had gotten a bit distracting.

And so she'd remained in this limbo. She'd tried a date one time, but it hadn't gone anywhere - Catra had been *bored* . The girl had been pleasant enough but her voice had become all white noise as Catra had daydreamed about the one girl who she *couldn't* think of in that way. Because Adora had made it clear she only wanted to have *fun* .

With a shuddered breath, Catra raised her hand to knock on the door, only to have it whip open to reveal the source of all her joys and stresses.

Adora towered over her - the woman was over six feet tall and was all toned arms and washboard abs. She was *defined* , rather than bulky and all of it was being shown off by the fact that she was wearing a…

Dress?

A really nice, strappy, sparkling *dress* .

Catra blinked several times. Her jaw moved soundlessly until she coughed, "Uh am..am I interrupting something? I thought you said you were free?"

Adora rolled her eyes and brushed a strand of her long, straight blonde hair behind an ear. She was wearing it down for once, rather than in the ponytail with that stupid (albeit adorable) poof. The blonde chuckled, "Babe, of *course* I'm free, today of all days! I know you're bad with dates but *seriously?* Come on in"…

Catra wandered inside, perplexed. Adora's apartment wasn't huge - a corridor that had a door that led to a kitchenette with a small table, with the lounge itself at the end of the corridor. Adora's bedroom and the bathroom both led off the main living space - it was, basically, *cosy* . That sense was magnified by what was going on in the kitchen.

The small table was set for two, an unlit candle waiting expectantly in the middle. Catra felt a pang of first jealousy , then a small spike of anger. She shot a glare at Adora who didn't seem to notice as she bustled around the small kitchen. Something that smelled like Catra's favourite lasagne slipped from the oven onto a heat-rack on

the counter. Adora turned and smiled at Catra, "Sit! Oh dang, I should've asked you to bring some wine, sorry , sorry!"

Catra was thoroughly confused, "Are..are you sure I'm not interrupting? I mean, you seem to be waiting"…

Adora snorted and arched an eyebrow, "Catra, I know you don't think I can cook, but I do have skills babe! It is date night after all. Now , before we dig in, you said you had something you wanted to talk about?"

Catra sat down in one of the chairs and laced her fingers together. She swallowed nervously, "Adora..I..this has been awesome and..and I love being someone you like hanging with," she barrelled on as Adora's forehead creased into a frown, "But, well, I need more. I can't focus on this while trying to find something permanent, y'know? I mean, here I am and it' s your date night! I feel" she saw Adora' s face go from concerned to alarmingly blank. Something niggled in the back of her head, a bit like someone trying to haul on a handbrake as they approached a cliff, but she knew she had to do this, "I mean, I tried dating a girl and, well, all I could think about is you. And tonight at the bar I"…

Adora's stare was now alarmingly intense. Catra trailed off and she stared at the blonde. Adora's knuckles were *white* as she leaned back against the kitchen counter. Her breathing was sharp and shallow. The blonde flexed her jaw .

"Y ou..you choose *date night* ?Date night to- what"…

Catra blinked in surprise, "W ait, ho- no, Imean, look,"she waved a hand between them, "Y ou said you wanted to have *fun* and well, it hurt, but Id take as much of you as Icould get which was selfish, I know and, well, Ididnt want to stand in the way of your…Imean, look- youre talking to ME on your date night?What would your girlfriend think?

Adora stared at Catra and the rage that was apparent on her face seemed to slip a little. A small smirk graced Adora's face, "W ell, I would like to think shed approve of my taste. But she' s clearly a bit oblivious. Imean, here Iam, thinking Iwas kinda clear on things."

"Hey , you do you, but..but Im not one to share. Ithought Iwas but..but Icant take it. t' s selfish, Iknow , and sudden and Iget that you may hate me for doing this, but Ihave to look after my mental health and Icant"…

"Catra"…

"Because, Adora, Ineed to get this out"…

" *Catra* ,"

"No Adora, I need to be firm on this. It's hurting me but... but I owe you this and"…

Adora slammed her palms down on the table, causing the cutlery to rattle, "CATRA!" her tone was sharp but not angry. Catra jumped and yelped a little. A flush ran up her throat and she swallowed. Adora smiled and blew a breath out her nose. She raised a finger, then indicated the table, "Do you know what day it is?"

"Uh." Catra still had the alarm bells going off in her head, "Date night? Yeah, bad timing, I got it, but I'll be out of your hair and, well, whoever this i-"

"Do you know *why* this is date night?"

Catra blinked and frowned, "Um... because it's the night you... have a girlfriend over for a date?" she scoffed a little, defensive for some reason. Adora nodded slowly.

"But why *today* specifically?"

"Well, I mean, for your girlfriend? I dunno! But I mean, it's a bit hurtful. Considering it's like... Two years since we met. And we always... do... stuff." Catra's voice trailed off. Adora arched an eyebrow. Catra swallowed, "It's date night."

"Yes."

"It's Saturday."

"Yes."

"And we always...Do stuff on a Saturday."

"Yes."

"But we arent da-" something in Catra's brain finally took control and slammed her jaw shut. Adora's eyes had a dangerous quality to them as she leaned on the small kitchen table.

"We *aren't*? Tell me, Catra, do you *regularly* hang around with friends, mostly naked, watching Netflix?"

"But we..we just, yknow, fuck? And"...

"We went ice skating last week."

"But we"...

"And the natural history museum before that."

"Um, we…"

"And laser tag the week before," Adora stood up and crossed her arms. Catra swallowed again, eyes wide. The blonde drew a slow breath, eyes fixed on Catra, "So, am I to understand that, on our *anniversary* you are intending to *break up with me* and have apparently been *cheating* on me?"

Catra knew this was likely a do or die moment. She could feel her life flashing before her eyes. She swallowed and shook her head rapidly, "I'm an idiot. And I'm sorry, I… I just… my only excuse is that you said you just wanted to have fun."

Adora narrowed her eyes, "I think you'd find I said *I want to have fun with you*. Or did you miss me adding on the whole, *Forever* bit?"

Catra winced, "In my defence… your thighs were around my head and you *almost* twisted it off? And, well… you never exactly asked me out?"

The blonde's jaw worked, "So you're pleading a *technicality*?"

"I'm pleading ignorance and stupidity," Catra rapid fired out. She licked her lips slowly, "And, um, in that moment of stupidity I only

went on one date and Ihavent, actually , um.gotten anywhere. I couldnt. "she stared, her mismatched gold and blue eyes pleading with Adora, "just.Icant. t' s why Ithought Ihad to break this off, because Iwas in a halfway place and It..

Adora sighed, then chuckled. The chuckled shifted into a snorting laugh and she doubled over. Catra flushed as Adora cackled. The blonde straightened up and smiled softly at the shorter brunette. She looked down at the lasagne, then at the table and sighed, "W ell, this was a waste."

"No! No no it wasnt! Im just.super super..I..

Adora's gaze latched back on to Catra and she fell silent. Adora stalked around the table and loomed above Catra, "So you forgot something?W as I *not clear* ?Did I *stutter* ?

Catra swallowed again, but her pulse picked up. She recognised the glint in Adora's eye. t was her jealous streak. She'd noticed it before when they'd been out.

When they'd been out on… *dates* .Catra mentally facepalmed. She blamed her stupidly weird upbringing on her inability to pick up these things. She shook her head slowly, "N-no you were clear ."

"So you dont *want* ?"Adora left the words hanging and Catra shook her head rapidly.

“W ant. Very much want.”

The blonde’s smirk shifted into a gleeful grin, “think *someone* needs a reminder..”she bent down and whispered into Catra’ s ear, “m pissed. But..remember the safe word, babe.”

Catra nodded, her trepidation lessening and a minor sense of relief flooding her. Adora then scooped her up and flung her over her shoulder. Catra yelped and saw the kitchen vanish behind her, “But..the lasagne?..

“friends who dont think they’re girlfriends dont *get* lasagne until they learn their lessons. And Ispent *all afternoon* on that Catra.”

“...it’ s lasagne, it doesnt take”…

“ *Catra* .”

The brunette snorted and bit her lip. She yelped as Adora practically kicked the door to her bedroom open and flung her onto the bed. The blonde stared down at Catra and glared at the smaller woman. Catra swallowed and exhaled a quiet, “Green.”

Adora nodded slowly, then reached down and, in one fluid motion, tugged the dress off, revealing a matching set of underwear. t was white gold and absolutely *stunning* . Catra’s mouth went dry and she

made to move but froze as Adora held up a hand, "Oh no. You don't get to touch this. Apparently, someone thought they weren't a *girlfriend*. I mean, I get I'm sometimes not the most direct, Catra, but *really*? So, you get to lie there. And you get to learn your lesson. Now, strip for me."

Catra nodded rapidly, then struggled upright. She slid her jacket down her arms, only to be stopped as Adora lunged forwards and gripped it by its front, trapping her arms. Her lips were millimetres from Catra's and the brunette leaned forward to try to steal a kiss. But Adora pulled back and shook her head. Catra whined and Adora smirked.

"Only *girlfriends* get kisses."

She slid her free hand up and traced her fingertips across Catra's lips. Then she pressed them gently against the brunette's mouth. Catra obediently opened her lips and greedily sucked on Adora's fingers. The blonde nodded slowly. She moved onto the bed, still holding Catra by her jacket. The brunette was kneeling, legs splayed wide and she whimpered as Adora's knee rubbed against her. Catra felt herself growing hard in her tight black jeans and moaned around Adora's fingers.

The blonde nodded slowly, then pulled her fingers free. She spun Catra around and leaned forwards to plant a kiss behind the brunette's ear, before she reached down and yanked Catra's tank top down, revealing her breasts. She palmed one then the other, through Catra's black bra and hissed into the brunette's ear, "Wore these to go out tonight, hm?"

Catra swallowed and nodded, "I…

"Shh. Remember , safe word, ok babe?" Adora' s touch was firm, but gentle, "just want to remind you that these are *mine* ," her grip tightened and she pulled the bra down. Catra, arms bound by her jacket, her top and bra pulled down, whimpered as Adora toyed with her tits. Her head lolled back and Adora kissed at her neck.

"Y ours, Im sorry , yours. Sorry, please, please keep touching please..pi..nch them, please"…

Adora did as she was asked and Catra shivered as the blonde tweaked and pinched the brunette's nipples. Then Adora shoved Catra forwards. The brunette whimpered as Adora reached around, one hand still grasping the jacket. Her free hand qested down and slipped into Catra's jeans, sqeezing at what she found in there, "And this is *also* mine," Catra spasmed a little and let out a plaintif f whimper. Adora chuckled darkly, then sqeezed again. She slipped her hand free and Catra whined only to yelp again as Adora smacked her ass. With a swift motion, Adora unbuttoned Catra's jeans, then one handed, tugged them down the smaller girl' s thighs, revealing her rear and her thong. The blonde laid a couple more smacks against Catra's ass, hard blows that turned Catra's skin a shade pinker, "Someone has been *bad* . She didnt *check* . Didnt *ask.* " Adora leaned forwards and planted a soft kiss against the skin between Catra's shoulder blades, "f you want to just be free, all you do is say so."

"Adora I thought. "Catra whimpered as the blonde's moist fingers traced under the curve of Catra's butt and then slid over her rosebud. She groaned as Adora sunk a finger in there only for the sound to become more guttural as a second finger joined it. Adora pumped them in for a few moments, then pulled them free. Catra moaned and Adora hummed.

"But do you really need anything, after all? You did say"…

"Adora, please, please, I'm sorry, please." Catra wriggled her rear, "I couldn't and I *never* did. I just. I compromised or I thought I had and. and and" she sniffled and swallowed only to sigh as Adora leaned over her to hug her. The blonde whispered quietly.

"Check?"

Catra turned her head and stared into Adora's eyes, "Green."

The blonde nodded, then pushed Catra's head down, "Ass up, babe."

Catra did as she was asked and felt Adora shift off the bed. She held herself still, arms still tangled in her jacket. Behind her she heard the rattle of something and the sound of Adora moving. Then there was the squelch of a lube bottle. Catra bit her lip in anticipation and couldn't stop herself wiggling her rear again. She cooed as she felt something cold and solid press against her ring and she relaxed.

She hummed as Adora leaned over her back to lay another kiss against her shoulder. Catra moaned a quiet, "Please"…

"Whose are you?"

"Yours, yours Adora."

"And what are we?"

"Girlfriends."

"Good girl. Remember, use your words. Because assuming makes an *ass*." Catra groaned in delight as she felt Adora push into her, the strapon plunging into her rear. Her legs shook a little and she cooed as Adora reached around to grip Catra's dick. Adora pumped her hand in time with her thrust as she continued, "Of you and… *me*."

Catra made happy gurgling noises as Adora thrust into her. She felt Adora's other arm snake around her neck and she whimpered as the taller woman held her in place. Her feet drummed on the bed as she happily took the strap, a content euphoria settling into her gut as she realised where she was, what this *meant*. She turned her head and managed to speak quietly, "We…we are, right? This isn't…" she groaned as Adora thrust particularly firmly. The blondes gaze went from firm concentration to soft affection.

"Oh Catra," the arm around Catra's throat slipped back and Adora gently gripped Catra's chin, then leaned down. They kissed as Adora continued her rhythmic, forceful thrusts. Catra moaned as Adora's tongue invaded her mouth, claiming her. They'd fucked before, but this felt *different* . Before, Catra felt she'd been holding back, even in the moment, worried at giving away too much for their casual arrangement.

She felt foolish, aloof, now. Adora built up steam, her hip jerks becoming harder. Catra moaned into the kiss and struggled, her arms still pinned. Her naked breasts were mashed into the mattress as Adora picked up her pace. Catra's dick strained and twitched as she felt her orgasm building. She shook, ready to release, but Adora froze after her latest thrust. Catra cried out into their kiss and pulled away, a strand of saliva connecting their mouths. She babbled and twisted, trying to get some stimulating from the static dildo in her ass. She was so close, precum staining the sheets beneath her. Adora gazed at her .

"And if you're mine.what am I?

"Ah..Adora.." Catra whined.

"What am I, babe? Am I free to.yknow"

"Mine. All mine. MINE!" Catra hissed out jerking as that same white jealousy , which had spiked when she'd seen the table laid, bubbled

back up. Given her state of mind, her response was primal, nearly feral. Adora grinned triumphantly.

"Best mark me then babe."

Adora rolled onto her back, Catra still impaled on the strap. Her dick bobbed as they moved, throbbing with need. Adora gripped Catra's legs with one hand, pushing them up and clear, which forced Catra to lean back. Her hands planted on the bed between Adora's legs and she whimpered happily as Adora's free hand grasped at her dick once more.

Adora began to jerk Catra off, undulating her hips as she did so. Catra wriggled and yelped, her legs still tangled in her jeans, which allowed Adora to more easily restrain her. Catra's breathing picked up then she let out a stuttering breath. She groaned, a low, animal noise as her dick twitched and spasmed, sending spurt after spurt of cum up and across Adora's stomach and bra-clad breasts. Adora cooed happily as Cara jerked and twitched, painting the blonde with her seed. After a moment Catra went rigid, then collapsed back, bonelessly. Carefully Adora rolled the brunette and slowly withdrew the strap. She unbuckled it and stood, smiling down at Catra's hazy expression. With a chuckle, she padded out of the bedroom, carrying the strap into the bathroom where she placed it in the sink to clean later. She then moved to the kitchen and put the lasagne back into the oven, which she checked was turned off - a reheat wouldnt hurt it.

After a minute, she strode back into the bedroom with a couple of glasses of water. Catra hummed happily, looking a mess with her

pants half down her legs and her breasts on display.

Adora ran a hand through the cooling cum on her chest. She smiled at the brunette as she rubbed it into her skin. Catra blinked at her, suddenly bashful, embarrassed. The woman let out a sigh, "I am… an idiot."

The blonde hummed an affirmative, "So, we *clear*?"

Catra bit her lip and stared at Adora, "How don't you hate me?"…

Adora chuckled, her eyes soft, as she slowly slipped Catra's jacket from the brunette's shoulders, "I could *never* hate you. I am annoyed and…upset. But" she shrugged, then raised Catra's arms to pull the tank top away, "Couples work through things."

"I love you." Catra blurted out. Adora blinked and frowned, but Catra held up a hand as she sat up. She looked intense, bared to the world, vulnerable, but focused, "That's why. I love you. I always cared but it's been building and building, which was why this broke my heart. I felt I was wasting your time and... and I just…And I didn't know and I was so wrapped up in the *nature* of it that I didn't *see* and"…

Adora grabbed Catra's face and yanked her into a kiss. They broke apart and Adora heaved a mock-weary sigh as she smiled softly at the brunette, "You love me, hm?"

Catra bit her lip and nodded, "Shshut up, Ifeel stupid enough already and"…

"Ilove you too."

Catra blinked and swallowed, "Ididnt ruin it?"

Adora snorted, "No."

Tears welled up in Catra's eyes, "Idiot."

"Back atcha," Adora smirked. She straightened then ran a finger through the drying stains on her body. She arched an eyebrow at Catra, "So…how are you going to make it up to me, hmmm?"

Catra's smile was eager and predatory as she paused to yank her jeans off, eyes fixed on Adora, "Well, Ithink Ican use the whole friends with benefits experience Ive gained to…really lean into the *girlfriends* with benefits thing."…

Adora nodded and trailed her finger down between her breasts to above her lacy boyshorts, "Less talk. More tongue."

Catra beamed as she crawled towards Adora, her heart singing, Yes *ma'am* ."
