Summary

After a long stressful day at work, Catra is eager for some "alone" time. Only thing is, she doesnt realize her dorky roommate is locked in her closet...

The Night Before Tomorrow

Chapter Notes

See the end of the chapter for notes

t was finally time!

Tomorrow is Catra's birthday!She doesnt like to make a big deal out of it, tries acting like it's any other day, but Adora wont let that happen. This day only happens once a year and her best friend deserves to be celebrated!

Adora has been planning this out for months. Tomorrow she's gonna come up with an excuse to get Catra out of the house, then drive to Bow and Glimmer's place where everyone will be waiting to surprise her. t' s going to be perfect!

Right now she's sitting on the edge of Catra's bed, admiring one of the gifts she's planning to give to her. This one was too special to wrap and chuck in with the rest.

hside the navy blue velvet box was a ring. t was a simple yellow gold band with Catra's initials engraved on the inside. C. W.

You should have seen how much trouble it was dragging Catra to the jewelry store to be sized without raising her suspicions.

Adora thought of all the possibilities once she had Catra's size. So many metals and luxurious gemstones to pick from. But no, that wasnt Catra' s style. As much as she wanted to splurge and get her all the extravagant options, something simple was what Catra would prefer.

Plus, it wasnt about what the ring was made from, it was about what it meant to her.

Adora snapped out of thought as she heard their apartment door shut.

“Adora?” Catra called out from the living room.

“Why is she home so early!?” Adora whispered to herself in panic. She quickly shut the ring box, put it in her pocket, and hurried into the closet just as Catra came into the room.

“Adora?.. You in here?” Catra called once more.

Adora knew she was a terrible liar. Catra always got the truth out of her, but this had to stay a secret. She couldn't ruin the birthday surprise she'd worked so hard to plan out, so she hid and kept her mouth shut.

Catra looked around the room and shrugged to herself, “Must of gone to get food or something”

She said as she plopped down into bed with a long sigh... Then, as she laid on her back, she slowly shut her eyes. The cat girl had had a long stressful day at work and was happy to take advantage of this rare alone time. She unbuttoned her jeans without needing to look and slipped a hand into her gray underwear.

She took a deep breath as she started to stroke herself.

Adora’s cheeks burned red as she watched. The crack in the closet door didn't provide a great view, but she could see enough.

The way Catra looked so pleased with herself as her eyes remained closed and relaxed, a satisfied grin growing across her face. Simply watching the way her arm bounced up and down as she pleasured herself, made Adora’s mind all fuzzy. She couldn't think straight as she watched her friend, hypnotized by the steady motion. The

thought of what's happening beneath her clothing flooding Adora's mind.

What am I doing?! Adora thought to herself, snapping out of the trance. *If Catra knew I was doing this, what would she think?! This has to stop now. I can't watch her do this.*

She reached out and gently grabbed the doorknob, but she knew she couldn't bring herself to stop what was happening. If she opened this door, what would happen next? How could she possibly explain this situation away?

So instead, she decided she'd avert her gaze, wait for Catra to finish, and then she'd figure some way to sneak out...but how would she know when Catra is done without looking?

After 30 seconds or so of looking down at the carpet, Adora snuck a quick glance. To her surprise, Catra had stopped. Did she finish so quickly? Adora was surprised but also relieved. She'd be able to make her escape faster than she imagined... Or so she thought.

Catra was now sitting up against the headboard with some pillows supporting her back, she wiggled out from her restraining pants and undergarments. She wasn't finished, she was only getting more comfortable.

She continued stroking herself, and now there was no clothing hiding it.

Adora had never gotten a good look at Catra's cock, especially not while it's like this.

The tip of her penis was such a lovely shade of pink. Watching it slide in and out of her furry sheath as she grew harder drove Adora crazy. She could feel her heart beating fast as she watched.

Then Catra slowed down her strokes to a consistent rhythm as she peeked open her heavy eyelids, examining her pink tip. "This isn't

enough,”She grumbled to herself before changing positions.

She leaned slightly to her side as she propped one leg up in the air, bending her head down far enough to lick her own cock. She started off slowly, hesitant, what if someone were to catch her like this?

But after a few more licks, the worry of her roommate coming home and catching her melted away, pleasure taking its place.

Her tongue felt nice at first, but Catra was able to bend down far enough to begin sucking herself off. She went faster, gently moaning with her mouth full of her own girl cock.

Adora was nearly drooling as she watched her friend please herself with such intensity, increasing her speed as she let out muffled little whimpers. Without thought, Adora began getting closer, trying to get the best possible view through the crack of the closet, and then.t. happened.

While she was leaning closer in that cramped closet, Adora slipped. The door burst open, and Adora was suddenly thrown onto the floor in perfect view of Catra’s bed.

‘AH, ADORA!?Catra shouted with surprise, ‘What the hell are you doing!?She said, hurriedly trying to cover herself.

‘C-Catra !-“Adora’ s face was redder than Catra had ever seen, t’ s not what it looks like!’

‘Y eah!?Catra replied, clearly angry as her mane flared, ‘Because it sure looked like you were peeping on me from the closet!’

‘N-no!-Iwas just”Adora stammered with nerves. She took a deep breath before quickly rambling in an attempt to explain herself. ‘I wasnt trying to peep on you!-I there was just this thing!A secret thing!A secret thing you cant know about!And-and you came home and Ihad to hide the thing so Iwent to the closet and then you”… Adora trailed off

“Ugh!” Catra buried her face in her hands. She could always tell when this nervous dork was lying, and she knew she was telling the truth. “So why didn’t you come out when you realized I was…You know”

“Well…” Adora began, looking down at the ground with guilt. “I wasn’t trying to peep at you…But…when you started doing that thing, I just-“

She looked up at Catra who seemed unamused, and likely annoyed that this big blonde clutz crashed through her closet and ruined her ‘alone’ time.

“You liked what you saw huh?” Catra said with a smirk growing across her face, her mind now racing with ideas.

“I’m sorry . I shouldn’t have been looking and-“

“Stop,” Catra cut her off, motioning Adora to come closer with her finger.

Adora began to lift herself from the floor.

“Hey! Stop that!” Catra demanded

“But I thought you wanted me to-“

“I never said to stand…crawl to me”

Adora’s eyes grew wide. A combination of embarrassment and shock being commanded like this. She’s used to Catra being bossy at times, but not in this way.

The blonde girl crawled on her hands and knees over to the bed where Catra laid.

“Good girl,” Catra said as she moved to the edge of the bed, dangling her legs off. “Are you ready to fix this?” She asked.

"Fix what?" Adora asked so innocently . She looked up at Catra with her big blue puppy dog eyes, she really was just too cute.

Catra snickered and removed the blankets from herself, revealing her girl cock. The pink tip had retreated to its sheath as Catra was now soft. "I was so close before you went and ruined it," Catra said as she grabbed a handful of hair from the back of her friend's head. "Are you going to make it up to me?"

This can't be real, Adora thought to herself.

Her heart was racing, she could hear the blood rushing in her ears. She was breathing so heavily she was practically panting. "I-I... would love to."

With this affirmation, Catra chuckled as she guided Adora's mouth to her cock. "Then get to it, little pup"

Catra was soft, but that didn't last long.

Adora took the cat girl's adorable furry cock into her mouth as she began sucking it. In no time Catra's pink tip made its way out of its sheath. It was so slick with delicious precum from the work Catra had already done, and now Adora had the pleasure of tasting it for herself.

Adora bobbed her head faster as she progressed. Swirling her tongue around her best friend's tip. It was hard now and pulsed at this action.

"H-" Catra's hips bucked, "Hey! Be careful doing that!"

Adora pulled her mouth away with a smile as she looked up at Catra, stroking her spit-covered dick as she made eye contact. "Do you like it when I do that?" Adora asked.

Catra crossed her arms and looked away, trying to hide the blush covering her face. "Just keep going."

She didnt want to admit it, but Adora' s mouth made Catra feel more pleasure than anything shed ever experienced.

Adora's tongue felt so much smoother than the roughness of her own. Adora had always been more gentle in many ways, but more intense in others.

Adora kept going. Taking Catra's length, pushing against the cat girl, desiring to have every inch of her to herself.

Catra's eyes slowly closed on their own as she bit her lip. Her precious pink cock hard, now twitching occasionally. Adora knew how close she was.

She went fast, and faster, and faster.

"A-ador-adora. Im close" Catra struggled to speak as she approached her climax. Then, Adora focused all of her attention on sucking the tip of Catra's penis, her most sensitive part, while swirling her tongue around it quickly .

Catra let out a yip at the unexpected feeling. A shock of pleasure traveling up her spine and sending chills throughout her body as she came. She had never climaxed so hard in her life. Spurts of cum painted the back of Adora's throat as Catra moaned loudly, gripping the blondes hair .

"Adora fuck I" Catra said shakily as she slowly opened her eyes, releasing her grip. Adora was sitting right there between her legs with a grin. A small dribble of cum left on her chin as she swallowed the rest.

Catra somehow managed to become even more flustered at this site. "You dork! Iwas trying to tell you Iwas close so you didnt have to-"

Adora cut her off with a quick peck on the lips as she tackled Catra onto the bed. She giggled, "I wanted to do that for you, kitty ," She

said with a gentle boop to Catra's nose.

"Dont call me that," Catra replied softly , Adora still on top of her.

As embarrassing as she felt when Adora called her those little pet names, she couldnt help but love it. *"Kitty" "kitty cat" "good girl",* she thought Adora must have been joking the one time she called her that last one, but it made her feel so small and soft and safe.

"Adora?.. That thing you were keeping secret from me. Does it have something to do with tomorrow?" Adora rolled off of Catra and snuggled up to her side.

"Well... maybe," Adora said quietly , hoping Catra wouldnt pry about her plans.

Catra let out a deep sigh as she looked up at the ceiling... The two laid in silence for a moment.

"Why are you like this?" Catra began as Adora looked over at her , slightly confused. "Every year Itell you Idont want to celebrate and you-.."..

Catra crossed her arms and began rubbing her fur, trying to calm herself down as she felt her emotions starting to well. "There are so many people on this planet, so many birthdays. Do you really think they're all worth celebrating? Im not a good person, Adora... I never have been and Inever will be. The day Iwas born isnt a day worth celebrating. So please stop wasting your time and money on some stupid worthless day." Her voice cracked, "Okay? Can you do that for me?"

Adora hated seeing Catra like this. She didnt always understand it either. The two of them just had so much fun, and now Catra' s on the verge of tears. Adora just wanted to make Catra feel special and loved on her birthday. "Catra, Ionly do it because-"

"No!" Catra cut in, "No! No! No! Idont want to hear it!"

Catra sat up. "I don't want to sit here and listen to you try to convince me of how great I am! I don't want you to try to tell me why I deserve to be happy or celebrated! You always do that and none of it's true! I'm a horrible person, Adora, and you're too sweet to see that."

As much as she wanted to butt in, Adora let Catra continue. *How long had she been bottling this up?*

"I mean just- everything about me. You're my only friend Adora, do you know why that is? It's because all the others wised up. They realized if they stuck around with me they'd only get hurt, so they left. They were smart enough to get out while they could."

Catra put her head into her knees in an attempt to hide the tears, as she grabbed her mane. "I'm a terrible, disgusting, ugly monster. I mean look at me. I'm not like the other girls"…

She wiped away the tears for a moment to look down at her fur-covered hands, and the part she was born with between her legs. As the tears continued to flow she wiped her eyes with her palms in an attempt to make them stop.

Adora waited a moment to see if Catra had anything more to get out, then she gently picked her up into her lap.

"Shhhhh, shhh, you're okay," Adora said softly as she stroked Catra's mane.

Catra buried her face in Adora's shoulder. She can't remember the last time she cried like this. The last time the tears started coming and refused to stop. "Catra… I'm not going to do those things if you don't want me to"

"What?" Catra sniffled, her voice muffled by Adora's shirt.

"I'm not going to tell you how great of a person you are, or how you deserve to be celebrated, or any of that… I mean I believe it, but that's not what you need from me right now, is it?"

Adora gave her a kiss on her head as she held Catra. "I really don't know how to say all of this so just stay here in my arms and listen to me ramble, okay kitty?... I... I love you... I mean, I really love you. You aren't just a friend to me that I'm too stupid to leave or whatever justifications you make as for why I still hang out with you. Catra, you're the woman of my dreams."

"Adora," Catra said quietly as she peeked out from the friend's shoulder, her blue and yellow eyes bloodshot from crying.

"Shhh," Adora hushed her softly, whipping the tear running down Catra's cheek with her thumb, "I'm not done yet. I won't sit here and act like things are purely sunshine and rainbows. Sometimes we mess up, and we don't always get along and... We can both be a little grumpy on occasion."

"One of us more than the other," Catra replied with a small grin. They both shared a laugh.

"But Catra," Adora smiled, now looking into her eyes. "That's the way I like you. If everyone was a perfect cookie-cutter template, that'd make things pretty boring. I haven't stuck around with you because I think you're flawless. I've stuck with you because, despite the flaws, I still cherish who you are on the inside."

Adora placed a finger on Catra's chest where her heart would be. "I've seen you through the good times and bad. I've seen you at your worst and your best. And I still want you. I'm not going to leave you, not now, not ever, and I... I know you have a hard time believing it," Adora stroked the fur covering Catra's arms, "But I think you're a beautiful girl." She gave the cat girl a deep kiss, looking directly into her eyes afterwards. "I know you-... Well, I know you don't always love your body... But you are a perfect girl to me, and I think you're beautiful. And if there's anything I can do, or not do, to help you feel better about this sexy body of yours, then tell me because I want you to feel as gorgeous as you are in my eyes"

Catra beamed, tears filling her eyes for a different reason this time, as she hugged the blonde tightly. "You really think I'm pretty?"

"The prettiest," Adora replied, cupping Catra's face and softly kissing her forehead before the two cuddled up to fall asleep in each other's arms...

Kitty's Birthday

Chapter Summary

It's finally time for Catra's party!

Chapter Notes

See the end of the chapter for notes

The day had finally come, Catra's birthday.

She had been dreading it the entire week. Of all the occasions that could be celebrated she wished so badly that this one could be replaced with another.

They were at Bow and Glimmer's *house* , if you could even call it that. The extravagant mansion was massive in size. Crystal blue marble, so shiny that Catra could see her own reflection in, laid under her feet in the house's ballroom. *Who even has their own ballroom?*

Clashing against the blue of the floor, the walls were painted a pale cherry blossom pink. *Yep, this was definitely glimmer's place.*

Sometimes Catra forgot just how rich their mutual friend was raised. Compared to her and Adora's tiny shared apartment, this place was Cinderella's castle.

Above the dance floor was a balcony where those who didn't want to dance stood around to chat and sip their drinks. Everyone was here. Perfuma, Scorpia, DT, the list went on and on.

Catra tried to be on her best behavior and to greet everyone who greeted her. She honestly didn't *really* want to be here. She'd much rather be alone, in bed, locked away from the world to forget about

today, but that wasn't an option. Not for her old friends that showed up, but for *her.*

Adora had been planning this for months, and though she was hesitant, Catra was going to pull through for her. *Speaking of, where is Adora? She said she was going to "take care of a few things" like 10 minutes ago.*

Not a second after that thought crossed her mind, she noticed the girl.

Walking down the winding staircase attached to the balcony, Adora was wearing something Catra never expected to see her in.

After living together for so long she had grown accustomed to seeing Adora around the house in old t-shirts and sweatpants. She found her cute when she was so comfy, but now she was looking at her friend as more than just cute and comfortable.

Adora's black dress fitted snugly to her body. It was strapless, hugging her chest firmly as it cut down to her cleavage forming a heart shape.

With each step she took, Catra got a glimpse of the blonde girl's firm muscular thighs through the dress's leg slit.

She was careful as she walked down each step, Adora wasn't used to wearing high heels and didn't want to make a fool of herself. But once she reached the bottom and noticed Catra in the corner of the room watching her, all bets were off.

"Catra!" She shouted with excitement so loudly that Catra could hear that loving voice of hers, even over the music and crowds of people conversing. Adora ran to her without hesitation. Catra was a little impressed at how well she was running despite the heels, and then right as she got to Catra, she began to fall on her face.

"Hey!" Catra grunted as she caught her clumsy friend before she could touch the ground.

"Hey yourself," Adora said with half-lidded eyes and a cool smile, pretending as if this fall was *totally* intentional.

Catra couldn't help but grin back at her. This is what she had been waiting for tonight.

For a moment she just held Adora, looking deeply into those ocean eyes. Adora wore a dark amethyst gloss on her lips, with heavy black mascara around her eyes. Her outfit overall was darker than usual, but it suited her surprisingly well, Catra thought. *Or maybe she just always looked this good with her hair down…*

"Uhh. Catra?"

"Oh! Right!" Catra sat Adora up, her face growing hot with embarrassment.

How long was I holding her for just now?! She really hoped her fur was covering the redness she felt enveloping her cheeks.

"Well, what do ya think?" Adora asked as she gestured to her dress.

Gods was it beautiful, it had these tiny little gemstones on it that sparkled, which Catra didn't notice until looking at it up close. *It matches those twinkling eyes of hers so well.*

"Oh, it's-" Catra began as Adoare stared, awaiting an answer. Catra's mind went completely blank in response. "It's uhm-" *It suits you so well! I've never seen you in something so stunning and gorgeous, and gods does it look perfect wrapped around that body of yours, it's so…* "It's good!"

It's good? Seriously?! It's good?! Catra had so many thoughts about how amazing Adora looked in that moment, but her already overwhelmed body wasn't communicating very well with her brain.

"Oh." Adora said. Catra could tell she was a little disappointed with her response. "Thanks!" She said anyways, wanting to be positive and focus on her friend.

But the truth is, Catra was the only reason she wore this outfit. She knew Catra liked darker styles. She had *maybe* seen some of the celebrities Catra obviously had a thing for, and she tried to dress more like them tonight. But with a simple, *"it's good"*, Adora felt like she had clearly missed the mark.

—

As the night went on they celebrated in all the expected ways. Chatting with their friends, opening presents, having chocolate cake, and ice cream, and all Catra's favorite sweets.

Catra was amazed at how much she found herself enjoying the party.

After some hours, things quieted down. Most of the people who had shown up left to go back home. Only a few small groups of their friends were left, and then a slow song came on through the speakers.

Catra and Adora sipped their drinks as they stood on the balcony. Bow and Glimmer were there too, chatting with Adora.

This is how a lot of the conversations went tonight. Someone approaches Catra to chat, and Adora takes over for her. Catra was thankful though. As much as she loved the friends her and Adora shared, her social battery was running on fumes after today. But as she heard that melody begin to play, a spark of energy reignited within her.

Catra cleared her throat and gave Adora a little poke on her elbow to get her attention. "Hey , Adora?"

The tall blonde turned around to look down at Catra with welcoming eyes. "Y es Catra?"

The cat girl's heart bounced in her chest, she could feel herself struggling to get the words out just like before, but she took a deep breath. "Do you want to dance with me?" She said so quickly Adora almost missed it. Catra looked down at her feet shyly, but Adora just grinned.

"I would love to!" Adora exclaimed. "Bow , Glimmer," She said to the couple as she excused her and Catra down the stairs to the dance floor.

Catra felt a little silly as the two embraced, slowly swaying to the music. Adora was wearing her gorgeous sparkly dress, looking like a dark princess. Meanwhile, Catra was in a casual outfit. A pair of black high-top converse shoes that were more of a faded gray color from being worn so many times, fishnet leggings, a black mini skirt, and an oversized band sweatshirt that was roughly 2 sizes too big.

If she knew Adora was going to wear *that*, she would have put on something fancier to match her energy. But Adora thought Catra looked adorable just the way she was.

Catra suddenly felt like she was drowning as her arms rested upon Adora's exposed shoulders, Adora's hands on the small of Catra's back. She was suddenly worried about every little thing. Did Adora like what she was wearing? Does she even know how to dance? Are her hands getting sweaty? *They're totally getting sweaty! Is Adora going to notice and get grossed out?! Why am I feeling this way anyway? She's just my clumsy roommate and this is just a birthday dance! It's not even a big deal, Catra.*

Despite trying to convince herself that this wasn't a big deal, her heart certainly thought it was. She recalled back to the previous day.

After her and Adora had their fun, the blonde let those words slip from her lips. *“You’re the woman of my dreams.”*

They had cuddled up and fallen asleep together soon after that. *What did that mean? That means she likes me right?! And I like her , so are we…*

“Catra?” Adora asked with a seductive tone. Catra noticed that she was gripping Adora’s shoulders in thought tightly.

She quickly pulled back, “Sorry I was just-“ she began to apologize and move one of her hands away but Adora grabbed it, repositioning it on her waist.

The taller girl smiled deliciously as she looked down to Catra. “I don’t mind you grabbing me but,” She glanced at the balcony where a small group of her friends still remained.

Catra was about to open her lips to explain herself, to explain to Adora that she wasn’t making a move, she was just thinking about the last night. Then Adora stepped even closer, pressing her bare thigh against Catra’s crotch.

Catra’s skirt gave Adora the perfect opening. Catra gave some combination of a moan and wince as Adora gently pressed against her cock, causing her pink tip to pop out of its sheath for a moment. It was so sensitive that it almost hurt under the blonde’s touch.

“Adora!” Catra grunted under her breath as she furrowed her brow.

Adora looked surprised at Catra’s seemingly negative reaction. “What? I thought you-“ Catra grabbed Adora by the wrist, hurriedly leading her to the bathroom door beneath the balcony. “Hey , easy! I’m still not used to walking in these!”

The door locked shut, and Catra stared daggers at Adora. Adora darted back and forth to her yellow eye, then her blue, not sure which to look at it. *She seems angry but WOW is she pretty!*

"I wasn't trying to make a move on you, stupid. I was just." Catra motioned with her hands as if to say something else, though even she wasn't sure what. "Plus! Our friends could see us!"

"What?" Adora laughed. "Catra, Glimmer is on her , *I lost count after six* , drink of the night. And all the others are trying to keep her distracted enough to not get more. Plus they're up on the balcony . Trust me, they didn't see me do that leg thing."

Adora placed a single finger on Catra's button nose and gave it a small swirl, "Dawww , is my little kitty embarrassed someone will see her?"

The blush hiding beneath the fur on Catra's face got so hot she felt like she could combust.

"So I guess we are together ," Catra said to herself with a smile.

"What was that?"

"N-nothing!" Catra muttered. She sighed as she looked into Adora' s eyes. "Um. I meant to say it while we were dancing but, I really like your dress."

Adora's eyes got so big in response, as did her smile. She excitedly opened her mouth like she was gonna burst out with "*thank you's"* , but caught herself and cleared her throat. "Mhm, are you sure it' s not just *'good'?"* She teased.

Catra burst out laughing and gave her a gentle push on the shoulder. "What' s with you tonight? What are you trying to act so cool for?"

Adora blushed, she thought she wasn't being so obvious. "I want to be cool for you"…

"What are you talking about?" Catra responded.

Adora let out a soft sigh as she looked at herself in the bathroom mirror. "I dunno. I've seen the sort of people you admire and look up

to and think are hot. They're always so cool and dark and"…
Adora rubbed the stomach of her black dress. It looked nice, it was elegant and smooth, but it didn't feel like her. "And I want you to think of me like that"…

Adora could see Catra's face in the reflection as she stood behind to her. Catra narrowed her brow as she grabbed the blonde's shoulder to turn her around. Without a word, Catra gave her the deepest kiss she had ever experienced, pushing her against the sink.

"Adora" Catra began as she pulled away, staring into the soft skies within her eyes. "I don't care what you wear, stupid. Just because I thought some goth girl on TV was hot one time doesn't mean that's all I want. I want you dummy!"

Adora felt so relieved she could almost cry, "You mean it?" She asked.

Catra gave a mischievous giggle, "Do I have to prove it to you?"

Catra slid her hand in the leg slit of Adora's dress as they kissed again so passionately, effortlessly cutting the band of the blonde's underwear with a single one of her protracted claws.

Adora gasped as she heard the band snap and felt her lace panties fall to the floor. "Catra! Right now?" Adora started but Catra met her lips with a nip and gentle tug.

She had been secretly wanting Adora the entire night. The only reason she was here this late into the night was because of her.

She really thought she needed to be someone else for me to give her my attention?! I love this stupid girl so much it hurts. Catra pressed against Adora as they kissed. She was so hard for the woman in black, and she was ready to show her. "Tell me," Catra whispered, "be a good girl and tell me you want it, Adora."

The confident teasing attitude Adora had brandished just a few minutes ago in the ballroom had vanished. Her face was as red as a tomato and she could feel herself getting wetter by the second. She gulped as her mind went staticy, "I," she stumbled over her words. Catra gently grabbed her chin, forcing her to met her eyes. "I want you, Catra."

Catra's eyelids slightly dropped as she grinned, a growing confidence as she heard those words leave Adora's lips.

And with that Catra turned the blonde around, positioning her to lean over the bathroom counter. Catra ran her middle finger over Adora's slit. "You're already soaking for me," She laughed. With the other hand, she pulled down her own underwear. "Adora?" She asked, prompting Adora to look up at the mirror so she could see Catra's reflection.

"Yes, Catra?" She asked shyly .

Catra moved the back of the blonde's dress to the side, rubbing the tip of her pink barbed cock against Adora's entrance. "You're sure you're ready for this?"

Adora's heart fluttered at the request for extra affirmation, and she gave a desperate nod.

"Good." Is all Catra said and she smoothly plunged herself into Adora. *Fuck*. They both moaned as they felt each other. Adora was so hot and wet for Catra. *It's like she was built to take me.*

Catra filled her up so perfectly. Adora was so wet for the brunette that her length slid in effortlessly and filled her to perfection. Adora tried her best to keep her moans down. The bathroom they were in was only just below the balcony their friends were currently chatting on, the last thing she wanted was for them to get caught. Though Catra didnt seem to be as concerned.

Her first couple thrusts were slow and passionate. Catra gently unzipped Adora's black dress and began peeling it back to reveal her toned back and delicious tits. She dragged her fingers across Adora's back as she continued to slowly thrust.

She feels so good inside me. I can feel her twitch with every thrust. Is she going this slow to be gentle with me? Or maybe… Adora thought about the fact that Catra may be close to her edge already, trying to hold herself back as to not end things too quickly. It was such a cute thought and also gave Adora a burst of confidence. It felt good to know that Catra was as eager for Adora, as Adora was for her.

As Catra continued dragging her finger around Adora's back, outlining her shoulder blades, Adora jolted with a moan as she felt one of Catra's claws lightly scratch her.

Catra giggled and moved her hand into Adora's hair, feeling her scalp as she grabbed a handful of the blonde's locks, forcing Adora to look at herself in the mirror.

"You see her? *She* is the girl I want. She's the one I desire. No one else." Catra began to gradually increase her thrusting. "Adora. Look at yourself while I fuck you," Adora moaned loudly as Catra pulled on her hair tighter, making the blonde watch. Adora was embarrassed as how desperate and red her face was looking back at her, causing her heat to only become more feverish.

Catra passionately licked and sucked Adora's neck, as Adora watched. This angle was so embarrassing, seeing herself almost drool as she got fucked in a bathroom, but gods did it turn her on.

She could see Catra's expressions perfectly from the mirror. Her eyes closed as she passionately sucked away at her neck. "Catra," I Catra met those blue eyes in the mirror.

"Use your words, pretty girl," She replied.

"dont want you to hold back."

For a moment the cat was caught off guard. *Am I really that obvious?* But she let those thoughts go as she gave Adora what she wanted. As she used her.

Catra's jaw tightened as she grabbed Adora's hips tightly with her free hand, her claws digging into the blonde's soft peachy skin, not enough to draw blood, but enough to let Adora know that she wasnt holding back anymore.

Catra began to thrust even faster, it was as if she wasnt in control and was just letting her instincts take over. Adora watched as her tits bounced in the mirror. "Mph!" Catra let out a hum as she let go of Adora's hair, needing to use both hands for leverage as she pounded into her lover.

"Fuck, Catra" Adora's could feel her legs begin to shake as she bit her lip trying to keep her voice down.

"Hey! You cant hold back on me either!" Catra particularly roared as she pounded her partner.

Adora stopped holding back at Catra's demand, her moans filling the echoey bathroom along with the plaps of their wet bodies slamming together. "I cant take it, Im so close, I'm" Adora's knees touched together as she came standing up, her warmth convulsing around Catra's beautiful pink girl cock as the cat girl exploded inside of her as well.

The hot pumps filled Adora with heat as she slumped over the counter panting. Catra watched her in the mirror. Her blonde hair now messy, and her sweaty body wanted to collapse over the counter with exhaustion.

Catra stayed inside of Adora, telling her how good she was and whispering praises to her as if she was a goddess until the cat girl's penis returned to its sheath on its own.

Afterwards, the two girls quickly cleaned up their mess and tried to fix their outfits and hair as best as they possibly could.

Neither of them wanted to leave the room to face their friends, but they couldn't stay in here forever.

To their surprise it seemed like everyone had cleared out, not a soul remained in the ballroom besides the two of them.

Adora let out a sigh of relief and smirked at Catra. The cat looked at her with raised eyebrows, "See? I told you there was nothing to-" Catra froze as she checked her phone.

A message from Bow reading: *"Be sure to lock up when you two get done in there!!" winking emoji, laughing emoji, bow & arrow emoji, sparkle emoji, sparkle emoji, sparkle emoji.*

Catra was mortified.

"What's wrong?" Adora asked, trying to get a peek at her phone.

"Oh uh," Catra quickly put it away as they began walking towards an exit. "I just um." Her mind was too fazed to come up with a believable excuse. "They definitely heard us fucking."

As the two entered their apartment, Catra immediately hit the couch. She was completely drained. Physically from her venture with Adora, and socially from the constant conversations she was forced to be a part of tonight.

Adora smiled as she watched her close her eyes contently from across the room. She wondered if now was the right time to do what she had planned, but the night was almost over.

"Hey , Catra?" The blonde gently shook her sleepy roommate, causing her to groan in return, and tiredly shoo her away with a floppy wrist.

"T oo tired. Talk tomorrow," Catra mumbled.

Adora snorted. *Se always gets so cute and moody when she' s tuckered out.* "Hey , you dont have to do anything else tonight, but… Iwant you to know that Igot you one more gift."

Catra's mismatched eyes immediately shot open as she grabbed the blonde's shoulders. "Adora, you did what?!"

Adora had already done so much for her tonight. Arranging the whole get-together, decorating that ridiculously sized ballroom,

getting all her favorite desserts and drinks, but Catra did recall Adora hiding something from her the other night.

As Catra stared into her warm eyes for a moment, Adora glanced down at her hands, where Catra directed her attention as well. There it sat in the soft hands of Adora: a velvety blue box. As the blonde opened it, Catra swore the box almost glowed on the inside. "Adora, it's…

A sense of guilt wiped over Adora's face, "I really wanted to get you something better but I don't know , I just thought-"

"Better?" Catra cut in, "Adora it' s beautiful! I love it!"

Catra pulled the ring from the box, admiring its glow. She couldn't help but compare its color to Adora's long golden hair as she held it next to her. Catra carefully examined the piece of jewelry and smiled when she noticed her initials engraved on the inside.

"In case it gets lost!" Adora explained.

Because a stranger would totally return a golden ring just because it had a few letters on the inside, she silently thought, but Catra appreciated the gesture. She loved how positive Adora's outlook on this world was. How much good she saw in others.

As the cat began to open her mouth to say thank you, Adora delicately grabbed her hand and slid the ring onto her finger. It fit perfectly.

"Guess this means we're married?" Catra joked and they both shared a small laugh. "Hey , Adora?" She asked, looking down at the reflective metal around her ringer. Honestly, it felt a bit unnatural. She's never received a gift quite like this, but she enjoyed the new feeling.

"Y es, Catra?" Adora looked up at her with those innocent puppy eyes the brunette had grown to love so dearly.

Catra let out a tired sigh, "What are we?"

Adora stared blankly for a moment, "What are we?" She repeated the question back in confusion.

Catra scratched the back of her mane, trying to soothe herself. "Yeah like. Last night we... and then today at the party... and now you gave me this!" She said raising the hand and gesturing to her new ring, the question now clicking in Adora's mind.

"Well, what do you want us to-"

"No!" Catra cut her off. "Forget what I may or may not want! I'm asking you, Adora. What are we? What do you want us to be?" Adora noticed Catra's eyes glazing, "I'm sorry, I didn't mean to ruin this moment. I'm just tired, and I was thinking about it the whole way home, and I don't know, maybe I'm just a little tipsy or something and... Yeah. Just forget about it, okay?"

"Catra." Adora got down on her knees so she was on eye level with the girl on the couch. "We're. Well," She giggled quietly, "We're Catra and Adora! We started off as roommates, then we became friends, and now... I think right now we're whatever we want to be! We don't have to put a label on it if you don't want to." She rubbed Catra's fur-covered hand as she looked down at the ring she'd given her, "Or, um if... you wanted, I could be your... girlfriend. Like, officially! I think I'd like that actually."

"Adora, you mean it?" Catra asked as she sat up, moving a strand of hair from her partner's eyes to get a better look at her.

"Catra, I thought I made it pretty clear how I felt at the party." Adora cleared her throat, not wanting to spoil the moment as she recalled what they did in the bathroom, "I wouldn't do that with just anyone ya know?"

Catra couldn't help but laugh, "Hmmm, am I your girlfriend? Well we fucked in a bathroom, so duh!" She said, mocking Adora.

"Hey!" Adora gave her a playful punch on the shoulder as the two laughed together, Catra grabbing the taller girl into her arms on the couch.

"Really though, I'd like us to be something," Adora said tenderly .

"Well then." Catra gave her a peck on the lips, "Consider us lovers."

Adora waited a moment, expecting her to undercut the statement with some snarky joke or snide remark, but it never came. She was completely honest in their love for one another as they embraced on their apartment couch.

—

Catra woke up to a deliciously sweet scent filling her lungs.

"Heyyyy , sleepy head!" Adora smiled from across the room as the brunette wiped the sleep from her eyes.

Catra groaned as she stretched her arms, "Adora, what time is it?"

The blonde walked over to the couch Catra was occupying with a plate full of freshly made pancakes, "Oh! It' s s-s-sevvvv." Adora tried her best to avoid looking at the, not so well hidden, tent pitched in Catra's pants. The shaking arm as she set the plate on the coffee table, stuttering voice, and beat red cheeks made her quite obvious.

Catra glanced down at herself and sighed, pulling a fuzzy blanket over her lap to hide her body. "Sorry ," She grumbled under her breath.

Adora sat down on the opposite end of the couch, staring at the ground as she built up the courage to ask her question. "Hey , Catra? f this is too personal we dont have to talk about it but..does your uh, you know..does it make you dysphoric?"

Judging by the grumpy glare the sleepy cat shot her way, Adora felt as if she'd just picked every worst word she possibly could have chosen when forming her sentence. "No!No!Ijust um-"

Catra pounced, pinning Adora's arms above her for a moment, but then she gave her the most soft and delicate kiss imaginable on her forehead.

"am really confused,"Adora squeaked out as the cat girl curled up on top of her and closed her eyes.

"' s too early to talk, Adora, and it's too early to be doing things too." Catra let out a loud yawn, "So Im not letting you, you have to sleep with me for at least a few more hours. Im your girlfriend now so you gotta do what Isay ."

Adora played with her ears, causing Catra to pur. "Okay then, just listen to me alright?"She felt a light nod in response. "just..I want to make it very clear that Im with you for you, okay?"f you feel uncomfortable with that part of your body, there's no pressure to use it. Ishould have made that clear to you so much earlier but..better late than never, Iguess?"Adora laughed nervously , "dunno, Ijust love you so much kitty, and the thought of you doing something that hurts yourself just for my satisfaction, it-..No, Idont want that. So just communicate with me, alright?Iknow it can be hard, or embarrassing, or just uncomfortable at times, but well figure this out together. There's no pressure on you, that's a promise."Adora finished her statement with a kiss on Catra's mane and an ear scratch that felt so good Catra had to stop her leg from thumping uncontrollably.

Catra's blue and yellow eyes peered open at the girl laying below her, "Y ou really meant all that?"

"Catra," she tried sitting up as best she could with another person laying atop her, "Of course I did! Y our body doesn't define how I feel about you. I mean," she smiled as she grabbed Catra' s hips playfully, "it is really nice, but." Adora leaned forward to give Catra another kiss, a small laugh escaping between her lips.

Catra was so happy, so relieved, she felt like she might start crying. There had been so many times in her youth where she felt used for her body. She was a dirty little secret for some, a sexual experiment for others, an exotic plaything to use when no one was looking; only to be thrown to the side after they got tired of her. Yet Adora was so different. Adora showed her off to her friends. Adora would chase after her, even if Catra didn't want to use the part of her body that so many others exclusively desired.

A deep sigh escaped Catra as she looked into those pale blue eyes. "Y ou're too good for me, Adora. I-I.. I'm not dysphoric about my-, my cock." She said with a laugh, trying to use the crudeness to break the uncomfortable vulnerability she felt in the moment. "My shoulders," she said rubbing them, "My body hair. Maybe a little, but not that. Honest." Catra said with an awkward grin as if asking: *'How can we never speak of this again?'*

Adora kissed her lips, they were so rough and dry in the morning, but she didn't mind it. "Good. I'm happy to know that I didn't make you feel pressured to do anything that made you feel not like yourself." Adora grinned, still feeling Catra's hard length pressing against her. "Sooo in that case," She reached down to palm at the sensitive spot in Catra's pants.

"H-Hey" Catra bucked her hips, "I'm actually still really tired, I don't know if I can." She trailed of f. Adora gently slid off the couch, giving Catra a playful boop on the nose as she walked away. "I seriously hate it when you do that," she mumbled. *God, I love when she does that.*

Adora sneaked off to the other room q uickly , before soon peering back around the corner with a mischievous look in her eyes. She

came out with a small blanket wrapped around her waist and her hands behind her back.

"Still excited?" Adora asked as she stood in front of Catra with a smirk.

"Adora, what are you trying to do?" Catra said, trying to sound unamused, but admittedly curious.

"Well, I know you're still tuckered out from yesterday, but *other* parts of you are clearly not. Soooo, why don't you just relax and let me take care of you this morning?" Catra raised her brows as Adora dropped the blanket to the floor, revealing a harness around her hips complete with a glossy purple strap on and a bottle of lube she had hidden behind her back. "What do ya think?" The blonde said, standing with her hands on her hips, posing as if she were a superhero.

Catra giggled, "You are so goofy."

Adora looked offended for a moment, "I am not! I'm sexy!"

Catra stood to meet her eyes as she wrapped her arms around her partner. "Mmm, yeah. My goofy, sexy," she gave Adora's butt a squeeze, "Amazing girlfriend!"

It didn't take more than that for Adora to swoop up her kitten into her arms, carrying her off to Catra's more spacious bed in a flash.

"Hey, easy tiger!" Catra laughed as Adora practically threw her onto the soft mattress and climbed over her. The blonde was already breathing heavily with excitement. "Well, what are you waiting for?" Catra teased.

Adora wasted no time unscrewing the bottle of lube and squirting a generous amount into her hand, coating each finger liberally. She teased Catra, gliding her middle finger between her cheeks for a moment and examining the want in the girl's eyes, before slowly

pressing her finger against her tight entrance. "You're sure you're ready?"

"I'm always ready for you," Catra replied. Though as Adora slipped past her threshold, Catra felt a strong pressure. It didn't hurt, she could take it, but she got a hint of nerves for what was to come. It had been awhile since she'd had the privacy to pleasure herself in this way. As a result, she was far tighter than she remembered being.

Adora was slow and methodical at first, seeing how Catra reacted to the various ways she curled her finger, but before long she couldn't resist speeding up. "Fuck," Catra whispered as she put her hand around her cock. "Adora, please."

"You're sure?" Adora asked, sensing what Catra was pleading for as her asshole clenched tightly around her finger, begging for something more.

With an excited nod from Catra, Adora pulled her finger out and adjusted herself against the woman below her. Catra was spreading her legs widely, making space for the blonde. "I didn't realize you'd be such an eager little kitten," Adora teased as the tip of her purple strap-on pressed Catra's hole. Before she could respond, Adora slid her middle finger into Catra's mouth. It was still steaming hot from the heat of her body.

Catra suckled happily as Adora slowly slid the strap into her. "You're doing so well baby girl," Adora assured her as Catra managed to take the tip without a flinch. "Just a little more." She trailed off as she looked between her legs.

Fuck. Watching Catra's slick pink asshole take every inch of her filled Adora with a newfound pleasure. She loved getting railed by Catra, but fucking her like this? Spreading her cheeks and watching as Catra's hole practically sucked her strap like her life depended on it. Adora fucking loved it.

"Mm!" Catra's teeth grazed against her finger as Adora bottomed out with a final slow thrust.

"How does it feel, baby girl?" The blonde asked as she removed the finger from Catra's mouth, a thick rope of spit still connecting them.

"Filling," Catra smiled happily, a lustful daze in her eyes.

With a loving laugh and kiss on the cheek, Adora whispered into her ear, "This won't be the last time I fill my little kitten." Adora began slowly thrusting her hips, careful she wasn't hurting her. Despite Catra's worry, she had no problem taking it.

The bed squeaked beneath them as Adora gained the confidence to increase her speed, Catra continuing to stroke her barbed cock. "Why don't you let me take care of that?" Adora asked, taking control of her length.

"Fuck, Adora!" Catra moaned out as Adora stroked her cock in sync with her thrusts. "I love you so fucking much."

Love?! She loves me! Duh, Adora already knew that after their conversation just minutes prior. But hearing Catra belt it out without reservation as the blonde filled her yearning hole: it drove Adora crazy.

Filled with excitement, Adora began pumping Catra's cock so quickly that the muscles of her bicep began to burn. "Ahh! Adora," Catra was practically leaking precum at this point. The sticky sheen covered her cock, acting as a self-made lubricant.

"Are you close, Catra?" Adora asked, noticing Catra pulsating in her hand.

Catra pressed her head back against the pillows forcefully, ripping the cases with her claws as she tried to hold out. "N-nnn," She attempted to say no. She didn't want this to end, that was the last thing she wanted, she wanted Adora to fuck her for eternity. But as

Adora teasingly rubbed her thumb over Catra's slick tip, she couldn't hold back.

Catra's seed erupted from her cock without reservation. Adora didn't stop pumping away as Catra spurted again and again, covering her stomach with a pool of pearlescent nectar that clung to her fuzzy tummy.

"Wow," Adora said, amazed at the sight. Catra had plenty of spunk to give the last two times they hooked up, but this took the cake. Catra was a complete filthy mess, and Adora loved that.

Adora slowly pulled out, Catra's legs trembling as she could do nothing but let out shaky little whimpers. Adora threw the harness to the side of the bed and cuddled up next to her. "You're a messy cat," she said as she licked some of Catra's cum off of her finger tips.

Catra let out a combinate of a snicker and breathless sigh, "Fuck, Adora. You." She turned on her side to meet her girlfriend's eyes, "You were amazing."

Adora had just gotten done making her partner spray cum all over herself, but hearing those sincere words leave Catra's typically sarcastic lips made her blush harder than she had all morning. "I love you Catra." She kissed her forehead, "Let's do that again soon, okay?"

"Are you kidding?" Catra cocked an eyebrow, "I'm ready to go again as soon as you are."

Adora laughed, "Well you gotta try the breakfast I made for you first! Ugh, it's probably all cold now."

"Don't be silly," Catra kissed her lips with a nibble, "Hot, cold, anything you make is already perfect."

Chapter End Notes

Woo! The first fic I started is now complete! Thank you so so much for all the kudos, I really hope y'all enjoyed! More SPOP fics to come :D I also write for Wednesday and Berserk if you're interested in those fandoms!

I'm sorry for taking SO long to complete this btw . I'm very new to writing fics and honestly didn't know the proper etiquette. Moving forward I'm not going to start publishing a fic until I have it finished, that way I can put chapters out consistently without months in between them lmao

(I also went back and made some minor edits to all my previous works, mainly just formatting to make it more clear which characters were speaking! Sorry if my writing was confusing before, still extremely new to this like I said!)

Please drop by the archive and comment to let the author know if you enjoyed their work!
