Bikini Top

Summary

"That's not what I said!" She protests, a blush rising to her cheeks. It was one thing to talk shit with Glimmer and Mermista, but she doesn't know Adora like that.

"What were you saying then?" Mermista piles in with a raised eyebrow putting Catra on the spot.

Before she can formulate a response, Adora comes around the edge of her lounge chair and tips back her own sunglasses to look at her.

"That's a damn shame." She says slowly as her eyes meander over Catra's body. She feels a different type of heat now, her body feeling heavier as she looks up at the gorgeous blonde.

"What is?" She asks her with the tilt of her head.

Adora flashes a cocky grin. "That you've never been railed. Let me know if you need help fixing that." She says casually with a shrug. She puts her sunglasses back on and grabs the sunscreen. "The boys and I are going to play beach volleyball if you need us."

She walks away, leaving Catra with her jaw hanging. "Did she just..." She looks at Glimmer who's sporting a huge grin.

OR

Catra just wants to be topped. Adora is happy to help.

"So what's up with your life Cat? Any girls?" Glimmer and Catra are lounging poolside with a pair of cocktails in their hands as they talk shit. It's truly an idyllic situation.

Well, it would be idyllic except for one thing. The liquor loosens her lips and she just "I just want to get railed!" Catra finally bursts out. "I've never been railed before."

"That can't possibly be true." Glimmer says horrified as she turns to look at her friend.

"It is! Every time I get with someone, *I* have to do the railing. It's not fair!" Catra all but whines, taking another swig of her drink.

"No way . What about Scorpia?" She asks with a raised eyebrow .

"Bottom." She deadpans. You'd think a girl with that many muscles would have some presence in bed but she just wanted to be directed for even the simplest of things.

"Mermista?" She raises her eyebrow .

Catra snorts. "Bratty ass bottom." That had been enjoyable at least.

"DT?" Glimmer tries.

"Please," Catra says with a roll of her eyes. DT is anything but a giver.

"Okay fair ." She acknowledges. She eyes Catra critically from the rim of her piña colada. "It's your vibes." Glimmer decides. "You have deep toppy vibes."

"But why! I'm cute and small! And I want to get railed!" How could people have her pegged *so wrong*? Sure, she's a capable woman but when she's having sex, she just wants to not make decisions, to let herself relax and enjoy herself. And maybe kick up a fuss, but that's between her and God at this point.

"What' s Cat yelling about?" Mermista asks as she comes back to her lounge chair with a new drink and freshly applied sunscreen.

"She wants to get railed." Glimmer informs her .

Mermista eyes her as she sits. "It's the top vibes. Sorry Cat."

She groans. "Is there a way to make them go away? Point a bottom out and I can just imitate them or something?" She wonders aloud.

Glimmer and Mermista both burst out laughing. "Sorry , they're like embedded in you, coming off in waves."

She leans back putting her sunglasses back on. "But I just want to be a brat it's not fair." It's bullshit is what it is. "What the fuck does a girl have to do to get railed around here?"

"Who's getting railed?" An amused voice sounds out behind her , and she can feel her cheeks redden.

Of course, Adora of all people would walk into the conversation. She isn't quite sure how to read the dorky blonde who occasionally hung out with them. The blonde was a hot piece of ass if Catra's ever seen one but she never got a chance to get to know her as well as she'd like.

"Oh, Catra! She was just telling us about how she's never been railed before and she wants a big bad top to fuck her into next Sunday." Glimmer reports gleefully , shooting Adora some looks she doesnt understand.

"That's not what I said!" She protests, a blush rising to her cheeks. It was one thing to talk shit with Glimmer and Mermista, but she doesn't know Adora like that.

"What were you saying then?" Mermista piles in with a raised eyebrow putting Catra on the spot.

Before she can formulate a response, Adora comes around the edge of her lounge chair and tips back her own sunglasses to look at her.

"That's a damn shame."She says slowly as her eyes meander over Catra's body. She feels a different type of heat now, her body feeling heavier as she looks up at the gorgeous blonde.

"What is?"She asks her with the tilt of her head.

Adora flashes a cocky grin. "That you've never been railed. Let me know if you need help fixing that."She says casually with a shrug. She puts her sunglasses back on and grabs the sunscreen. "The boys and Iare going to play beach volleyball if you need us."

She walks away, leaving Catra with her jaw hanging. "Did she just...?"She looks at Glimmer who' s sporting a huge grin.

"Looks like you are manifesting your solutions Catra."Glimmer jeers, as she shoots a look at Mermista.

"I can't sleep with Adora!"She sputters. Catra knows she' s hot shit but Adora's just something else.

"Why not?"Mermista asks. "Y ou aren't into it?Because that's actively wrong."

"No, Ihave eyes and Im gay or course Id be into Adora. t's just"— She eyes Glimmer. "That wouldn't be weird for you?"She knows Glimmer and Adora had been friends since childhood.

Glimmer raises her hand in surrender. "Adora' s like a sister to me, I simply don't think about the fact that she has sex. As long as Idon't have to hear it, Icould care less what you get up to."

"Ive heard she's a good lay ,"Mermista whispers as she turns to look at the sand volleyball court. Catra turns to look too.

Adora looks like a fucking goddess in her short shorts and tanktop as she dives for the volleyball. She qickly runs back and forth as she

hits the ball. Between sets, she raises her shirt to wipe the sweat on her face revealing a chiseled set of abs.

Catra gets a flash of a vision, Adora's abs and arms flexing as she fucks Catra into the mattress. "Guys, I think I'm going to get railed tonight." Catra breathes out, eyes never leaving the blonde.

Adora looks over and catches her staring. She gives her a bright smile and a big overly enthusiastic wave, which seems on brand. Catra gives her a sultry smile and a short wave of her own. Adora trips on the sand as she gets back into position on the court almost losing her balance before recovering.

Behind her, she hears Glimmer and Mermista high-five each other.

This is going to be fun.

This is not fun.

She spent the rest of the day flirting hot and heavy with Adora and it felt like a whole other woman took her place. She was still dorky but instead of the confident stance and an offer to help like before she was blushing deeply and stuttering all over herself. It made her think that Adora's all talk, no action.

She groans to herself as she gets ready for dinner. It looks like she probably won't be getting laid tonight which is an inherent disappointment.

Today they are grabbing take-out and bringing it to Mermista and Seahawk's room. She put on a pair of comfortable shorts and a button-down, although she did put on some nicer underwear in case Adora did get her act together.

Glimmer and Mermista were clearly conspiring because it just so happens that Adora sits right next to her at dinner. All throughout she

acts hot and cold, sending soft flirty smiles Catra's way but then freezing up and looking away .

By the end of the night, Catra's done with the awkwardness and just wants Adora to act normal. Adora excuses herself to her room and Catra follows her, wanting to clear the air.

She puts one hand on the blonde's arm stopping her just outside her door. "Look Adora, if you were messing around earlier and you don't want to fuck it's fine. Im sorry Imisread the situation."She says bluntly. t' s embarrassing but shell get over it.

Adora looks at her with wide eyes. "No no!Iwant to "She laughs a little "you have no idea how much. Ijust really like you, Cat."She grins shyly.

Catra's brain short circuits. "Oh, shit really?I feels like you're always avoiding me."Adora really never made a special ef fort to spend time with Catra and she suspected the blonde might not like how close she is with Glimmer.

"Y ou're intimidating. You know, all those top vibes."She cracks a smile.

Catra can't help but groan. "Seriously"?She demands.

Adora laughs but when it fades, they're left in the hallway with a deep silence full of tension. Catra slowly reaches her hands up around Adora's neck, pulling her close. "I don't see how you railing me and liking me are mutually exclusive things."She murmurs the secret between them.

Adora's hands wrap loosely around her waist a finger slipping around a belt loop. "They aren't,"she agrees.

"How about we go on a date if you fuck me right"?She challenges with a toothy grin.

Catra feels as if Adora grows taller at hearing that, her soft dorky demeanor melting away, replaced by blue eyes on fire and a cocky smirk that makes her legs feel weak.

"Catra, I'm going to fuck you so well you won't be able to think about anything else." She promises.

She feels herself getting wet at just the thought. This is *exactly* what she wants. "That's a lot of talk for a woman who hasn't shown me any action." She taunts.

Adora grips her thighs and pulls her up against the wall, pressing her body to pin her there. She uses a hand to grip her jaw, using some force to angle her head. Catra's breath is already shaking.

Adora's face looks almost dismissive, and wow is that hot. "You're too easy Cat. All I have to do is manhandle you a little and look at you. A little desperate, aren't you?" She mocks Catra right back.

"Fuck you." She spits out, a flash of anger joining her desire. "I'm not easy and this isn't doing shit for me." She lies.

Adora laughs in her face. Her hand trails down and she touches her through her thin shorts. She's embarrassingly wet and the way Adora bites her lip shows that she can tell.

Instead of commenting on that, she trails her hand up and presses it to the small of Catra's back. "I'm going to get you nice and ready for me and when you're ready to beg? That's when I'll give you what you really want Catra."

"And what's that?" She mouths off, enjoying the way Adora's hands grip her tighter.

"I'm going to rail you until you cum all over my hands." She says smugly as if she could just stare at Catra with those blue eyes and make Catra come with that alone. She clenches her thighs. Adora's eyes flicker down. Of course, she notices the tremble.

She puts Catra down holding her for a moment to make sure she could stand. Catra’s legs wobble for a moment but she stands, waiting to see what Adora would do next. She doesn't disappoint.

She opens the door to the room, opening it wide for Catra. "Undress and get on the bed. Lay on your back with your legs spread."The instructions are curt and firm. Catra’s never heard Adora sound like this, her voice deep and commanding as if she had all the authority in the world to tell Catra what to do.

Catra slowly walks toward the bed, pulling off each item of clothing slowly as she goes. She makes sure to lean forward as she pulls her shorts. She smirks as she hears Adora's sharp intake of breath and whispered "fuck"as she leaves her thong on. She finally lays back and spreads herself, feeling a little shy but trying not to let it show as Adora’s eyes ravage her body.

She's never felt as desired as she does under the blonde's intense stare. No one has ever looked at Catra this way, as if she's a meal to be savored. And behind the look is this tenderness that pulls not only at her gut but at her heart as well.

"I didn't say to leave your underwear on."Her finger trails down the red lace and Catra’s hips jerk of their own accord.

"I thought you might like them."She says with a cocky smile of her own. She knows Adora’s into it, the darkening of her eyes and clenching of her hands a dead giveaway.

Adora ignores her for a moment, pulling off her shirt and shucking her bottoms, leaving her buck naked except for a nude compression top.

It was Catra’ s turn to stare. Adora’s fucking jacked, all of her muscles tensing and relaxing in a beautiful thrumming way that makes Catra want to put her lips and hands all over her. To be touched by her in return. But there is also a softness to her that makes her look even better, strength and gentleness united in one body.

"You don't give a fuck if I like your underwear." She smirks "— which you're lucky I do. You're just trying to disobey me, and I'm not going to let it stand."

She leans forward on the bed the muscles on her back bunching up as she leans forward, her breath fanning over Catra's underwear. She moves back sitting on her feet.

She grins. "You're going to have to keep it on for a few minutes now." Her hand trails very lightly over the lace, almost providing the pressure that Catra needs but not quite.

She lets out a whine against her will.

Adora chuckles, keeping her leisurely pace as she continues to trail her hands from Catra's lower stomach, over the border of her underwear, and then lightly over the crotch again. The other hand grips her legs, her hips her ass hard making the light touch elsewhere even more frustrating.

She signed up to get topped not *fucking tortured*. "Will you stop being such a fucking tease?" She bites out, strongly thinking about just shoving Adora's face between her legs.

Adora grips both of her inner thighs, keeping them wide open to her gaze. "I don't know that I will." She says evenly. "I think I might wait until you soak them through. What do you think?"

She pounds her clenched fist into the mattress. "Adora!" She curses.

The blonde stays impassive but her eyes are alight with interest. "If you'd been a good girl for me when I told you to get naked I'd probably be three fingers deep in you by now." Adora has to flex her hands to keep Catra's legs in place with that comment. "But you decided that you wanted to try to tease me. Doesn't work that way, Cat." She tuts.

This is fucking bullshit. She's never been so turned on in her life and she can tell the blonde is too, her breath panting and eyes dilated. But she's the picture of patience smirking down on her like she doesn't care when they get to actually fucking.

She thinks about letting a ‚please' slip her lips but she bites down, not wanting to give Adora the satisfaction.

The blonde looks her over again. "I'll give you some new instructions, and if you follow them maybe I'll change my mind."

Catra nods frantically. She isn't ready to break just yet and beg but she's definitely down to follow wherever Adora leads her.

"Ass up. Keep the thong on for now ."She instructs.

Catra turns over, placing all her weight on her forearms as she sticks her ass out like Adora asked. All she hears is Adora's breathing for a moment.

"Fuck you're so hot Cat. You're the sexiest woman I've ever seen." She almost sounds angry as she says it. From the corner of her eye, Catra can see Adora's hands clenched in the sheets to keep from touching her. "Now I want you to use both hands to roll down your thong. And stop when I tell you."

Catra moves both of her hands behind her, face in a pillow as she follows Adora's instructions to the letter. "Stop."Her voice rings out, breaking the silence of the room.

Catra's underwear is stretched around her mid-thigh, digging into her legs a little. The restriction of the position with the feeling of the taut lace on her skin leaves her feeling breathless and ready for Adora to just *fucking touch her already*.

Before she can protest again, she feels the ghost touch of Adora's long fingers on her bare pussy. She isn't sure how long she can hold

this position with how hard her thighs are trembling. They're probably an hour in and Adora still hasn't properly touched her.

She flicks her clit gently for a few minutes and to Catra's relief and utter embarrassment that's all it takes. Adora is inching her other her fingers to get inside Catra but she's already so wound up she doesn't need it. She clenches down on nothing shutting her eyes and feeling her body tense as she lets out a long moan. For a second Adora freezes behind her then she feels her hand reassuringly on the small of her back.

"Did you just come for me?" The mix of wonder and smugness is almost too much to bear. Catra nods her head, not looking up at the blonde. "I didn't say you could come." She adds with a bit of sternness.

"You didn't say I couldn't come either." She spits out quickly, hoping that this wouldn't be some other rule break that would lead to another hour-long bout of teasing. Some of her wanted to but the rest of her is crying for release, even minutes after her first orgasm.

Adora must hear how desperate she is because she hums softly, running a hand down her back. "You're right. I didn't say that did I?" She muses.

She uses her strength to turn Catra over onto her back again and tugs her underwear until she rips them in two. Catra's eyes widen as she looks at Adora's face.

"I hope you weren't particularly attached to those."

Catra isn't particularly attached to anything at this point except for Adora doing something, *anything,* to douse the fire she's caused. She's never felt this wound tight after an orgasm. She doesn't understand how the blonde can make her feel like this.

She looks like she's about to go to town on Catra when she stops right before she's touching her, only Adora's pinkie on one of her

inner thighs.

"Beg."She says simply and a dam breaks within Catra.

"Please Adora. Iswear if you don't fuck me right now"She isn't sure what she was going to threaten or promise the blonde because the moment the supplication left her lips she could feel the blonde's fingers inside of her and her mouth on her clit.

Catra almost sobs with relief, Adora's firm touch feels just fucking right. Everything feels better than anything that has ever happened to her. She'll gladly beg on her knees if it's going to feel like this.

She doesn't even feel her orgasm building, it surprises her and drops her off a higher peak. She isn't even sure what sounds she's making at this point just holding onto the blonde's hair for dear life as she ruts her hips.

Adora backs up her face covered in Catra's slick and she licks her lips with a moan. "Fuck Cat, you taste so good."

Catra expects her to pull out but instead, she just slows down, her long fingers still thrusting in and out as her eyes stay focused on Catra. "Ithink you have at least one more. Y ou think you can come for me again?"She asks gently but the underlying authoritative tone never leaves her voice.

Catra isn't sure but she'd love to find out. "Y ou can keep fucking me if that's what you want."She tries for nonchalant, but it really doesn't hit between her sharp intake of breath and high pitched voice.

Adora's grin turns feral. "Oh trust me Iwant. Imade you a promise, didn't I?"She bites her lips as she looks at Catra her eyes somehow turning a darker shade of blue. Catra can't for the life of her remember what Adora's talking about, not with her fingers pumping in and out of her, stretching her in the best of ways.

Adora leans forward pressing her body flush against Catra. "The next time you touch yourself Catra, you're going to be thinking about this. About how good I'm filling you and how much you love it when you're good for me."

Well, that fucking does it for Catra. She swears she can almost hear her teeth rattle with this next orgasm and Adora's fingers just keep moving at that consistent pace that is the center of her world right now. She's not sure if she has another orgasm right after or if Adora's magical fingers just prolong it, but at this point, she isn't bothered with keeping score.

Adora slows down as Catra quivers around her fingers. She finally pulls out, immediately licking her fingers clean with a whispered "so good."

Catra barely moves to the side taking deep breaths and trying to recover from the experience. Her thighs are a sticky mess, but she can't imagine moving even a centimeter from where she is, so thoroughly spent.

Adora eyes her carefully, running a hand over the sheets. "Are you good?" She asks.

"Fucking floaty as shit. I feel great." She offers sleepily.

"So did I learn that date?" Adora grins with the flex of her bicep.

"Adora shut the fuck up, my soul just left my body. You could marry me tomorrow if you wanted to." She grumbles, burying herself deeper into the covers.

She ignores the choking noises Adora makes at that, deciding it's not her problem. She lays on her back with her eyes closed but she feels Adora's eyes on her.

Catra cracks an eye open. Adora looks like her dorky self again, big tender eyes just staring at her. She raises an eyebrow. "You need

something princess"?

"I'm a soft top. Aftercare means cuddles."She opens her arms and gestures for Catra to come closer. She rolls herself into Adora's arm going limp. She really had never come that hard in her fucking life.

"W ell, congrats I'm not moving from here until at least tomorrow ." She mumbles into the blonde's compression top. She feels her pull Catra closer.

Adora tilts her head up and looks her in the eyes, blonde hair falling on her face. Catra moves the stray hair away, pulling it behind her ear as she leans up and kisses her. Adora tastes like Catra and her lips are so fucking soft and pliable Catra can't help but deepen the kiss.

Adora pulls back a little, humor dancing in her eyes. "Are we going to tell people our first kiss was after Igave you multiple earth-shaking orgasms"?She grins.

Catra's tummy fills with butterflies at the thought of their first kiss being a topic of discussion. She plays it cool though. "Y eah, princess you did good. Iusually don't kiss until the second date."She teases.

Adora suddenly holds Catra close. "I just like you so much. "She says into her shoulder eyes squeezed shut.

"I like you too 'Dor ."She says easily placing a soft kiss on her cheek. Adora snuggles like it's an Olympic sport and it makes Catra want to stay wrapped on her forever.

"I'm going to plan the date."Catra decides then and there. Adora makes a sound like she's about to protest but Catra covers her lips with a kiss. "I'm telling you right now that you're on the dessert menu."She tacks on as she bites her lip.

Adora stays silent and turns an interesting shade of red for someone who fucked her like she'd popped out of a sapphic harlequin novel. "I

~~if~~ you say so."

Catra smirks at the blonde. The truth is, sometimes Catra likes to top from the bottom too.

End Notes

I went on vacation and the rant at the beginning happened in front of me and all I could think about was how it SCREAMED Catra. So then this happened. This is the first time I've written smut from Catra's POV which was definitely a different experience. Let me know what you think!
