Not Just Anybody

Summary

"So anyway , I just need a hand. Friends do this all the time, right?" Catra says casually . She's rumpled, her shirt is a scrap of fabric that exposes her midriff, and a pair of shorts that might as well be underwear from how they cling to her. She'd just been complaining about not being able to get off and between that and her outfit Adora's brain stopped fully functioning about five minutes ago.

"Do they?" She says dumbly . Adora is mesmerized by Catra's half-naked form. She can see her nipples through her shirt and her legs seem endlessly long given how exposed they are.

"Sure. We're in college." Catra shrugs one shoulder , blasé as could be. "If you aren't down, I'm sure I can ask"—

"No," Adora says, way too forcefully . She doesn't even want to know who Catra was thinking of asking. "I'm right here. I'll um— give you a hand."

"So anyway , I just need a hand. Friends do this all the time, right?" Catra says casually. She's rumpled, her shirt is a scrap of fabric that exposes her midriff, and a pair of shorts that might as well be underwear from how they cling to her. She'd just been complaining about not being able to get off and between that and her outfit Adora's brain stopped fully functioning about five minutes ago.

"Do they?" She says dumbly . Adora is mesmerized by Catra's half-naked form. She can see her nipples through her shirt and her legs seem endlessly long given how exposed they are.

"Sure. We're in college." Catra shrugs one shoulder , blasé as could be. "If you aren't down, I'm sure I can ask—"

"No," Adora says, way too forcefully . She doesn't even want to know who Catra was thinking of asking. "I'm right here. I'll um—I—give you a hand."

Before she can chicken out, she heads to Catra's room. Her heart thumps unevenly when she sees Catra's messy bed. She was probably thrashing in it, touching herself and trying to reach her peak but not quite managing it. Fuck, was she really going to do this with her roommate? Catra languidly makes her way to the bed, laying back on the pillows. Adora just stares as Catra sighs, stretching her arms over her head which makes the bottom of her tits visible.

"If you're going to give me a hand, you'll have to touch me." She says in amusement as she shoots Adora a look.

She swallows thickly. "I know ." She'd only been thinking about it for half a year. "I got it."

Catra eyes her for a moment longer before her hand trails down her stomach, tracing her navel before dipping into her little shorts. "Maybe I should show you what I want?" The words come out a little shaky as she starts touching herself in earnest.

"Fuck." Adora curses out and moves toward the bed. She takes a moment to take off her pants—it feels weird to touch Catra fully clothed.

She moves her hands to rest on Catra's stomach, feeling her core tense beneath her palm. Catra lets out a soft moan, her eyes fluttering open and looking at Adora. Adora continues moving lower, letting her fingers hook on Catra's shorts. "Off." She asks tensely as she tugs.

She wants to see Catra. The brunette lifts her hips and Adora quickly rips the slinky shorts down. Now, she can see as Catra parts her lips with her fingers, her hand moving in practiced, tight, circles around her clit. Adora can't tear her gaze away from what a pretty picture she makes. Catra's breathing is starting to get shorter, her hooded gaze heavy on Adora as she watches her.

"Fuck. You're so hot, Catra." Catra lets out a little moan at that and her fingers start moving faster. "Is that what you want? For someone to admire you?" Adora asks as she moves one hand on Catra's inner thigh and the other down to her hip.

"I want you to touch me." She grits out, her jaw tense and eyes impatient.

The words shoot a thrill down her spine. Adora smirks. "I am touching you, Catra." She barely recognizes her own voice, it's never this deep.

Catra sends her an annoyed glare. "You know what I mean." She huffs, never slowing her movements.

Adora moves her hands and Catra's own stutters to a stop, making room for Adora. "You sure you want me to touch you?" Adora checks, her fingers resting lightly on Catra. She's not sure she has the self-control to stop but she'd find it somewhere in her if Catra had any doubts.

"Stop putting it of f and get inside of—oh." Catra's eyes snap shut as Adora slips a finger in her. Adora groans, kneeling between Catra's thighs. She's so wet, her walls clinging to Adora's finger as she moves back and forth at a leisurely pace.

"Like this?" Adora asks as she fucks her . She's fucking her roommate. Fuck. Adora had touched herself to that thought more times than she could count and she wasn't going to miss the opportunity to show Catra a good time. She runs her hand all over Catra's thighs, gently rubbing on her clit a little before pulling back.

"Y es but—more," Catra asks, and Adora slips another finger in her .

"Y ou look so good around my fingers, Catra." Adora moans, leaning forward so she can leverage the position and fuck her harder still. Catra's tits were bouncing from the force of it, her hair splayed wildly on the pillow as she thrashed her head and arched her back.

She reaches up and touches Catra's nipples and it causes a string of curses to leave her lips as she presses her chest into Adora's hand. Adora could hardly believe that she was able to do this, and she let her hands wander a little as she explored Catra's torso. It's a little more than what Catra described when she'd asked her to join in her bedroom, but she was enthusiastic and vocal in her calls for Adora to keep going.

Still, it was one thing to touch her with her hands and another to put her lips on Catra. "I can give you a hand, maybe I can... can I taste you too?" Adora asks as she watches her fingers disappear into Catra's cunt. She's so wet and Adora's mouth is watering from being so close to the sounds and the smell of her. She wants to go down on Catra so bad she can hardly think straight.

"Y es." Catra moans out. "God yes, please."

She doesn't wait longer, ducking her head to wrap her lips around Catra's clit. "Fuck, *Adora*." She keens, and Adora thinks she's never heard her name sound like that. That is the only way she wants her

name to sound for the rest of her life. "Please, please, I'm so close." She's begging but Adora doesn't know for what.

Adora runs her lips all over Catra, tasting her. She's perfect in her mouth same as she's perfect around Adora's fingers. She can hardly hear because Catra's thighs have clamped down around her head, but she can feel her hand in Adora's hair and her hips grinding on her face.

Fuck, this was better than any fantasy. Adora tries to lap at Catra as best she can as her hips rock against her. She gets her tongue in her entrance and the hand in Adora's hair grips tighter. That makes Adora groan into her pussy, licking up at her clit and then sucking while bringing her fingers back inside.

She can feel Catra's legs trembling, can feel her getting wetter. Adora could almost taste it, how close she must be now. She feels the excitement tug at her gut as she keeps going, trying to keep her fingers and her mouth all moving in the same pattern that makes Catra shake in pleasure.

She sees Catra look down at Adora between her legs. She looks at Adora and then her eyes snap shut and her back arches off the bed. Adora can't breathe as a gush of wetness hit her face but she laps at Catra as best she can, feeling her twitching on her lips.

She keeps licking, gentler as she goes softly mouthing at Catra's tender flesh. Her legs loosen so that Adora isn't trapped between Catra's thighs, but she has no desire to leave. She places soft kisses on Catra's thighs, letting her tongue run along the crease where her inner thigh meets her pussy. She sucks a little, leaving a small hickey on the meaty part of Catra's thigh and it makes the brunette giggle.

"You got some type of oral fixation you have to keep your mouth on me?" She's clearly trying to tease Adora but she's too breathless for it. Her legs are still shaking occasionally.

Adora lifts her head up, placing a final kiss on the top of her mons. "I mean, I liked it. And I think you did too."

For once, Catra looks embarrassed, her cheeks tinged red through her tan. "I mean, it was alright." She blusters.

Adora crawls up her body to lie next to her. "Really? Just alright?" She goads. "The way you almost snapped my neck made me think you liked it a little more than that."

She shoves Adora's shoulder. "Shut up." She grumbles although she doesn't really look mad.

Adora is enjoying herself now, having turned the tables on Catra. "Make me." She challenges.

Catra lets out a scoff and grabs Adora, turning her and then she's being kissed. Adora lets out a grunt in surprise but her hand comes up to cup Catra's jaw and deepen the kiss. It startles her to realize this is their first kiss. It starts a little desperate but then melds into something slower, almost aching. She starts to kiss Catra with everything she has ~~with~~ the soft feelings that have been blooming in her gut every time she looks at her roommate ~~and~~ Catra kisses her right back, her lips soft and pliant and perfect. Adora knows she'd never get tired of kissing her.

When Catra pulls back, Adora lets out a soft whimper, missing the loss of her lips. As if Catra took a part of Adora when she ended the kiss. They stare at each other wide-eyed for a moment. Even after having sex, this feels different. Like they shifted something that had once felt immovable.

"Wow." Adora finally breathes out, unsure what else to say.

Catra gives her a soft Smile. "Don't ruin it." She warns before pressing closer and giving Adora another soft sweet kiss. She's not sure what might ruin it, so she continues to kiss her, meeting her lips

again and again until she thinks they've been making out longer than they'd had sex.

"Catra."She murmurs against her lips and she feels the brunette shiver. "I don't want to stop."It's as close to a confession as she dares.

"I don't want you to stop either ."She says, her eyes dark and serious.

"Then let's... not stop"She of fers as she kisses down Catra's neck.

"Y eah."She breathes out, pulling Adora's lips to hers again. "Let's keep going."She agrees.

This time, Adora is slow and careful as she touches every inch of Catra's skin and Catra touches her back. By the time they're sweaty and sated, Adora doesn't even consider the thought of leaving her roommate's bed.
