Summary

Adora and Catra are best friends since diapers and practically inseparable.
When they finally manage to move into one dorm room in college it's a dream come true.

But it's also the first time they lived this together and both feel like things are changing.

Or

Catra and Adora being disaster lesbians until the inevitable happens.

Notes

See the end of the work for notes

Adora took a deep breath and slowly let it out.

It was a slow Friday afternoon and neither of them had anything planned. After failing to find a cinema close to campus that had a good movie they could go and watch Catra had made an executive decision that she wouldn't go anywhere today. Plonking herself down on Adora’s part of the bunk bed.

So they just ended up spending the rest of the day in their shared dorm room.

Catra had readily accepted Adora’s offer to rest her head in the blonde's lap and Adora had busied herself with twirling strains of hair from the feline's mane around her fingers. Careful never to tug uncomfortably.

They had been talking about nothing in particular for a few hours but right now a comfortable silence had spread between them.

Both staring off into the distance.

It had been a few minutes when Catra decided to speak up again.

"Adora?"

"Mhm"

"How do you know you're in love?" Adora stopped twirling the brown curl of Catra’s hair to look at her.

"In love?" She wasn't sure where Catra was going with this.

"Mhm."

The question had taken Adora completely off guard.

"I don't … know.” The blonde admitted. You just kinda know I guess."

"Why do you ask?"

Catra turned her face to the side in her lap, resting her cheek on Adora’s thigh.

"It's stupid- Nevermind."

"Common Catra you know I hate it when you don't tell me what you're thinking!" The blonde complained.

She leaned over and started to scratch Catra on her favorite spot right behind her ear.

Starting slow with massaging little circles into her skin.

Catra’s leg twitches unconsciously and the feline starts to smile.

"You're insufferable, you know that." She grumbled up at her.

"Seems more like you're insufferable! Insufferably in loooOOOooove!" Adora teased back and started scratching Catra in earnest.

The attention her ear was getting was making it harder and harder for the feline to hold back a purr. A fact that Adora was well aware of.

"Oh shut up Adora!" She raises her hand, pushing the blonde's face away so she couldn't look at her anymore.

"Fine I'll tell you." Catra was smiling widely now. "But you have to promise things won't get weird between us."

"Weird because you're in love with someone?" Adora had still no idea where this was going.

"Well I don't know yet." She looked up at Adora, her eyes pleading. "Do you promise?"

"Yeah, I promise!"

Adora waits but Catra doesn't say anything.

"What? Cat got your tongue?" She looks at Catra expectedly.

“Did I ever tell you that I hate you?” Adora’s lips twist into a smile.

“No but you said *you love me* a lot!” When Catra goes silent something creeps up in her stomach.

"Well … that's just what I was wondering, I mean we both say **I love you** a lot!" Catra points out.

And she was right.

I love you was how they ended Texts, how they said goodnight or goodbye.

It had become second nature to them.

Adora didn't even remember how or who started it.

"Yea but I mean, we don't say it like that right?"

Adora leaned forward again and looked down at her best friend.

Catra looked up at her.

It was weird seeing her head upside down and even weirder to have the two mismatched eyes swap places as they locked gaze with her.

"Do you?" The blonde asked. She felt her heartbeat increase. "Say it like that, I mean."

"I don't know." Her voice was low and sounded a little strained.

"Do *you* ?" Catra echoed.

Adora averted her eyes. "I'm not sure …" Instead of looking up she kept her eyes down, examining her hands as she weaved them through the feline's mane.

"I had crushes before, but we are best friends, you know."

Adora could feel the feline deflate a little.

"Yeah, I guess so."

"I just mean I know how a crush feels and this - feels different."

Fuck, no thats **not** how she meant that.

"Wait no i mean-"

Adora was fumbling furiously with Catra's hair now.

But before she could say anything else, the feline's hand came up to rest on her wrist, stopping her fidgeting. The feline glances up at her, as far as their position allowed for that.

That cleared Adora's head enough to make her find the right words.

"I don't know if being in love feels different if it's with a best friend."

They both fell silent for a while and even though Adora was still looking at her thumb and index finger, she could feel Catra studying her face intently.

Her tail was flicking up and down on the bed, slightly brushing Adora's ankle.

The feline shifted slightly and started to sit up.

Adora gave her a confused look but the feline only smiled and crossed her legs sitting next to the blonde.

Catra put her hand on Adora’s and the blonde could immediately feel her palms starting to sweat.

"Do you want to kiss?"

Adora’s face turned bright red and she was so glad Catra wasn't in her lap anymore.

"I- uhm … why?" Adora wanted to bang her head against a wall. How could she possibly have said something more stupid.

Catra didn't seem to mind.

"Because I haven't really kissed a girl before and … you know, maybe if we both like it … ?"

Catra ended her sentence in a question but Adora knew what she wanted to say.

Or more accurately Adora knew what she wanted the last part of that sentence to be.

- If we both like it we don't have to talk anymore and we can just kiss for forever and not have to think about what any of this means.

The feline's look was hopeful and kind.

Adora had no idea how she must look.

It was hard to see Catra blushing under her fur and right now the blonde wished she had a coat of her own to at least partially cover up how panicked her expression must be.

"Have you kissed a girl ever since?"

Adora shakes her head.

About eight months ago Adora had realized she was trans. She had started to find herself, make changes in her life.

She started hormone therapy, came out to a bunch of people.

And after way too much unnecessary paperwork Catra and her were finally able to move into a dorm room together.

In all the buzz she didn't have the time or the confidence to start dating someone.

Or even just to figure out how much of her sexuality had been genuine and how much she fabricated off of the asinine assumption that she was a guy so naturally she had to like girls, right?

"It has all been so much I'm not even sure if I like girls that way."

The defeated look Catra gave her makes Adora’s gut twist.

The feline draws her hand away from Adora's but this time the blonde takes hers.

"No Catra. I didnt mean it like that! I just don't want you to have any expectations, ok?"

Catra’s eyes are shiny as she looks at the blonde.

"Im sorry if im an entire fucking mess right now. I just really like you and I have so much stuff to figure out for myself. But I don't want to do that alone and there is no one in this world I would rather do that with, than you." Adora gives her the brightest smile she can manage.

“Me too I guess.” Catra admitted.

The feline looked up at her and joined her smile.

"So we go slow, no expectations and whatever happens we stay friends?" She suggests.

"Of course! I'll always be your friend."

Catra smiles but then bites her lip. She makes a face as if she was mulling something over before she says: "If we are going to figure things out together is it still ok if i say that i love you? It feels right to say …"

The look Catra gives her is entirely too shy for how overjoyed Adora feels.

"Yes! That's definitely ok."

Adrora squeezes her hand reassuringly and brushes over the back of it with her thumb.

“I love you Catra.”

That seems to give the feline the confidence she needed because the next thing she whispers is:

"Can i kiss you?"

Andora feels like she's burning, her entire being set on fire by one simple question.

She doesn't trust her words so she nods and leans a bit closer.

Catra does the same and shuffles over on the bed. The feline's knee brushes hers.

She feels Catra’s fingers in her hand spread and she does the same.

Their fingers lace together and somehow it feels right.

Their faces are so close now.

Adora angles her head to the side and closes her eyes.

She feels Catra’s breath on her cheek, soft and warm.

And then she feels something on her lips.

Its Catra.

And it feels like her first kiss all over again.

Her cheeks and ears feel hot and her heart seems to want to jump out of her chest and run away at mach 10.

She raises her hand to tentatively stroke the feline's cheek.

Her lips are so soft and they stick to hers with a maddening heat that makes Adora want to swallow them whole.

But they said they wanted to go slow and so she does.

Softly moving with Catra, feeling her, breathing her, taking her in until-

Until it's over.

Catra softly pulls back and looks at her, her expression blank, her pupils blown out all the way.

Their kiss seemed to last an eternity but it was over all too quickly at the same time.

"How- how was it for you?"

Adora tries to swallow the lump in her throat but fails.

Then she realizes Catra is purring.

"You're such an idiot!" Catra scoffs but her smile is soft.

Adora massages the crook of her neck.

"Yeah, I know. Just-"

"Adora, you made me sound like a motor boat!" She interrupts her.

Then her expression goes soft.

"But yes, I liked it." Catra smiles sheepishly.

"You?"

"Me too."

The air feels thick and heavy with confessions.

Catra’s pupils are still blown out, the color of her two colored irises almost not showing anymore.

"Can I kiss you again?" She asks and Adora feels like she is going to explode.

Catra, her best friend and the most beautiful woman she knows just asked to kiss her! Twice!

And she doesn't need to think about her answer once.

"Gods yes!"

Both lean forward at the same time and their lips slot together again.

Adora’s arms wrap around Catra instinctively and she feels the feline hug her in turn.

She feels a soft tug as Catra weaves her fingers into her hair, holding her head steady as they kiss.

Adora’s hands roam freely over the feline’s back feeling the fur under her crop top.

She tugs at the piece of clothing.

"Can I?" She mumbles into Catra’s lips.

The feline only nods and raises her arms above her head. Adora is quick to slip the piece of clothing off, throwing it somewhere to the side.

Adora knows if she starts now she won't be able to stop, not with the way she is feeling right now.

Not ever!

But she doesn't care, she just hopes Catra feels somewhat the same.

Catra-

Catra isn't wearing a bra.

That shouldn't be news to Adora, (Catra never wore a bra) but still somehow she didn't expect her best friend to be topless already.

"Oh, sorry." She says quickly, as if the feline hadn't given her permission.

"What? Do you want me to put it back on so you can stop staring?" Catra angles her head out of curiosity but she has a smile on her lips.

"You look like you've never seen tits before, Adora." She cackles at her.

It was Catra's genuine laugh that always made Adora’s chest fill with warmth.

"Well, I haven't seen *yours* before!" She tries to defend herself.

Adora hadn't even realized she was staring.

"You can look!" Catra pushes her chest forward a little as if presenting herself. "You can touch too?" She adds suggestively.

Adora bites her lip and leans forward again, kissing her. Catra kisses her back just as eagerly.

Her hands move up to cautiously touch the feline's soft plushy breasts, cupping them in her palm and running her thumbs over the soft fur.

A soft moan escapes Catra’s lips.

Adora can feel her nipples stiffen against her palm.

Then Catra moves back slightly, locking eyes with the blonde again.

"Can I take yours off too?" She tugs at Adora’s shirt. "Its ok if you don't want me to see!"

"I don't mind if it's you who sees me." Adora smiles at her. "You can take it off."

Catra practically pounces on her like a lion would jump on a sheep, pushing the blonde down to the cushions.

Adora goes down laughing and taking the feline into her arms.

"Catra!" She protests but she couldn't care less what her best friend did with her now.

When she looks back up under the whirl of hair that her mane had turned into, Catra has a feral look on her face.

A look that makes Adora feel weak in the knees in the best way. Catra practically claws into her shirt, ripping it over her shoulders just as the blonde manages to lift her arms.

And then Adora lies there, breathless, shirtless.

"This too? Or no?" Catra’s claw had snuck her way under her sports bra lifting the elastic slightly off her chest.

Adora swallows shily and nods.

"But they are not pretty and not that big yet-"

Catra gives her a pleading look and places a clawed finger on her lips.

"I decide if I think they are pretty or not ok? And I don't care how big they are." The smile she gives the blonde makes Adora’s heart skip a beat.

"Ok!" Her answer is breathless.

How else with that breathtaking goddess of a girl on top of her.

"You sure?" Catra’s fingers move under her bra softly lifting it over the blonde's chest-

"Mhm." -and over her head.

Adora turns her face to the side. Exposed like that she suddenly feels shy and scared to see Catra’s reaction.

"Adora youre beautiful!" The words are whispered. The feline’s voice is low and husky.

Adora forces back the tears creeping into the corners of her eyes. She looks over at her own chests.
Her breasts are still small and perky but her nipples and areola had puffed up again.

"Can I touch you? I read they can hurt quite a bit …" Catra tries carefully.

Adora looks up at her and she can't hold it anymore.

She starts crying.

"Adora? I'm sorry I-" Catra looks so distressed it makes another wave of tears flow over her cheeks.

"Happy, its- happy tears!" She manages between two sobs.

Catra rushes in to hug her. Peppering little kisses all over her cheek and neck whispering little praises and compliments into her skin.

After a while Adora slowly starts to calm down. She wipes her eyes with the back of her hand when she feels something rough against her face.

She looks over and it's Catra, liking her cheek.

"Catra!" She exclaims snorting a half-sob half-laugh.

The feline almost looks insulted.

"What? I'm drying you!"

Adora smiles. "You're cute!"

"Am not!" Catra rolls off her in protest but she is laughing just as hearty as Adora is.

"Yes you are!"

"Blasphemy!" The feline screams back and they burst out laughing again.

When they both calm down enough to stop loosing their shit just by looking at each other Adora turns to face Catra again.

The feline quickly leans forward, booping their noses together.

"Hey, Adora!" She says, a fiendish look on her face.

Their faces are right next to each other.

Their chests are still heaving heavily, trying to catch their breath.

“I think I like girls.” Catra breathes out.

Adora chuckles. “I think I do too!”

The feline cocks her head. “That's not news!”

Adora rolls her eyes and pretends not to hear her, asking instead:

"When was the first time you noticed?"

Catra thinks for a second.

"I think when you came over and asked if you could try on my prom dress.”

Adora feels her eyes tear up again. Catra notices and takes her hand in hers.

“It was way too short for you but you looked so beautiful in it. And happy."

She sniffles and smiles. “Yeah it was **not** my size.”

The dress had looked amazing on her.
Black and sleek with a low cut and open back.

But Catra was 4 sizes smaller than her and it had been impossible to zip up the back. So the feline had stood behind her, holding the dress closed so she could look at herself in the mirror.

Adora chuckles. "I still can't believe you wore a dress to prom."

Catra sighs.

"Yeah me neither. You know I would have come in the most killer suit if my bitch of a mother hadn't forced me to wear that thing."

Adora snorts a laugh again.

"Oh I know, I know."

She still holds one of Catra's hand, softly pressing on the pads of her fingers, making the feline's claws flex and retract back into their nail beds.

"Catra, I- I think **love** you." Adora looks up at her best friend but before she can catch a glimpse she is pulled into a furious kiss.

“I love you too!”
