Debate has to have been one of the best things Adora has ever decided to do. There was nothing Adora loved more than competitively defending a certain idea with facts to prove why you are correct. There was something so constructively fun about it that made the experience so joyous for the young women. Which is why Adora was completely confused as to why a huge swarm of butterflies were flying around in her stomach as her school bus pulled up to its destination. She had done this millions of times and she had always been filled with nothing but confidence.

But today just felt different. Perhaps it was because this was her first time debating at another school, or maybe it was because this debate tournament was against Horde High. Where Catra's debate team resided.

Going against Catra was never the best experience. Catra was snarky and sexy, and annoyingly smart. On top of that, she was the best debater on her team. In fact, Catra was one of the only people ever to really be able to keep up with Adora. It was both annoying and exciting. Adora might've actually enjoyed being around Catra if she wasn't such a brat all the time. Catra had never failed to frustrate Adora, or irritate her before a tournament. Adora had tried not to fall for the brunette's antics but she couldn't help it. Catra just really knew how to push her buttons.

Adora sighed as she stood up from her seat, pulling out her earbuds and putting them away. Everyone on her debate team slowly filed out of the bus. Each dressed in Brightmoon High's gold and purple debate uniform. Adora followed behind them, watching as Horde High School's premises came closer into view.

The school looked nice if not a little eerie looking. Gray brick towers and large wooden doors with the hordes' crest imprinted onto them. Adora and the rest of her team continued to walk up the granite path that led to the front of the school. The heavy doors opened to reveal the insides of the school. They continued forward until they reached the elevator since the walk up the stairs to the fifth floor where the debating usually took place was torturous. Everyone had huddled up inside. Squeezing up against each other in hopes that they all made it up in one go.

But just to Adora’s luck, she was, unfortunately, the only one unable to ride in the elevator. So after assuring her debate supervisor that she would catch the elevator right after and meet everybody upstairs, she sat and waited.

While she waited the heavy doors of Horde High were pushed open again. And another person walked in.

All Adora needed was the click of unmistakable red bottoms to know who the person was. Catra. As she strutted closer Adora could see, the brunette girl's curly hair was neatly pulled back into a ponytail. Her red and black uniform clung tightly to her curves. Her short black skirt revealed so much more than Adora could handle right now.

When Catra noticed Adora, her lips curved into a smirk, and the click of her heels sped up to reach the other woman.

“Hey Adora,”Catra rasped.

“Catra” Adora snarled, the butterflies in her stomach picking up again.

“Aren’t you excited we get to go against each other again? I wonder how many times you’ll stutter this time. Oooh, or maybe you’ll confuse the two world wars again. That was fun wasn’t it” Catra cooed.

“Shut up Catra, I know what you're trying to do and it is not gonna work,” Adora said. Peeling her eyes away from Catra.

“Whatever you say Blondie,” Catra chuckled.

Catra clicked the button of the elevator and the two waited in silence. The elevator dinged and the doors opened. The two girls walked inside and the doors shut.

Just as the elevator started to rise, it started to shake. The two girls quickly gripped onto the railing of the elevator to steady themselves until the shaking ceased. Weary but careful. The girls started to move their hands away from the railing.

“Shit” Catra huffed.

“I think it's broken, ”Adora said.

Catra rolled her eyes, “You think”.

“Will you shut up Catra! We literally could have died. You would think that would have been enough for you to not be such an asshole” Adora ranted.

“How in the world is it my fault you can’t understand my humor” Catra snapped walking up to the other girl.

“There's a fine line between sarcasm and just being rude ”Adora stated.

The tension between them was growing into something negative. Bottled-up feelings slowly came out in harsh, loud words.

“It's not my fault you're so easy to mess with! ”Catra spoke.

These words really seemed to push Adora's last button. She stood up straight, using her height difference over Catra to show her anger.

“You are fucking insufferable Catra. God, what did I ever do to you? All I’ve ever done was be nice to you but you won't drop the attitude ”Adora yelled.

Catra’s eyes widened as Adora slowly backed Catra up against the other side of the elevator.

At this point, the two were mere inches apart from each other. Something that Catra was very much noticing but Adora was way too far down in anger to take note of.“Sometimes I wish you would just shut up already” She snarled.

Catra smirked, looking up into the blue eyes before her.

“Make me” The brunette whispered.

Adora sighed. She wasn’t quite sure why she did what she was about to do but at this point, she should know. Catra would always find a way to make Adora give in to her antics.

“You are such a fucking brat,” Adora said before catching the brunette's lips into a scorching kiss. The kiss was fiery and electrifying. It was fast and passionate. All kinds of emotions pouring into the one action.

When Adora pulled away and opened her eyes, she took note of how the shorter girl had finally shut up. Clearly taken aback by the kiss.

“God, I never thought you’d get the hint” Catra whispered.

“I never thought you’d be quiet. And I was right” Adora countered.

Catra opened her mouth to retort but was stopped by the pressure of a hand around her throat.

“Don’t speak,” Adora ordered. “I like you better when you’re quiet.”

Catra whimpered instead.

The blonde didn’t know where this newfound dominance had come from. Probably from the extra confidence, her anger had given her, or the wish to continue Catra’s silence. But from the looks of the other girl. Adora wasn’t the only one enjoying this side of herself.

She swooped down and gave Catra another earth-shattering kiss. This one is a little more gentle, but still just as intense. Kissing Catra felt good. Felt liberating. Like she could be the one to play the games now.

Like she was in control for once.

The two kissed like crazy for a while before Adora pulled back, hand still secured around the tan-skinned girl's throat. Giving it an experiential squeeze making a small moan slip past Catra’s lips.

“That feel good?”Adora asked, voice just above a whisper.

Catra nodded.

Adora gazed at the sight before her. The brunette’s lips were swollen from their rough kisses. She was breathing heavily. Very visibly rubbing her thighs together. “You okay with this' ', she asked, softening her hold on Catra’s neck. Leaks of sincerity coming through her tone.

“Yes, this is perfectly fine, ”Catra assured breathlessly.

“Good, Get on your knees. And don’t speak” Adora commanded.

Catra obeyed, dropping to her knees in front of the blonde girl. Adora quickly shuffled to remove her skirt and then her panties. Struggling to keep up her dominant demeanor due to the excitement radiating off of her. She had been so caught up with the other girl that she had neglected to notice just how wet making Catra shut up had made her.

Luckily she had a perfectly willing girl to take care of that for her.

She bunched up Catra’s neatly pinned-up curls to have control of her head before leaning her forward with only one sentence of direction.

“Stick Your Tongue out, ”Adora said.

Catra’s tongue immediately left her mouth and Adora moved her over. Adora moaned as Catra’s tongue met her clit. Legs clenching around the girl's face. She started with slow thrusts of her hips on Catra’s tongue before she sped herself up. Flushing at the sensation of Catra’s hot tongue on her pussy. Adora was in heaven. Something about knowing that she was finally able to shut the girl up made her almost cum right there.

Adora continued to fuck Catra’s face. Showing no mercy or care about what or how Catra was feeling. It felt fucking fantastic. Especially when Catra took the liberty of sucking the blonde's clit.

When Catra felt Adora squeeze her face between her thighs she reached a hand between her legs to rub at her own clit. She let out a moan while her mouth was enveloped in the other girl's heat. She could barely breathe but if she ended up suffocating. This would be one hell of a way to die.

Adora was barely holding on at this point. Trying to prolong the experience for as long as she could. But she couldn’t hold on any longer. With one final thrust of her hips, she came. Her legs shook as she used her hold on Catra to stay standing.

When Catra felt Adora’s rush of juices in her mouth she came herself. Frantically rubbing at her clit.

Adora released her hold on Catra’s head.

“Fuck your hot when you shut up” Adora sighed.

Catra wiped her mouth and looked up at Adora dreamily.

“If I get to do that I’ll shut up anytime you want me to” Catra admitted.

The two got back up and after a few more lip-bruising kisses, the two felt the elevator start back up. They fixed themselves up and waited in front of the doors. The doors opened and both debate teams stood outside the door. Both coordinators rushed the girls out asking if they were okay. They both nodded. Acting as if nothing had happened in the elevator. They went on with their debate.

And let's just say that the tension between them was a little different this time around.
