Hall Pass

by Fangirl_on_a_bicycle

Summary

It's a few years after the end of canon, the best friend squad has been drinking, and Glimmer has a question for Catra

Notes

I promise that nobody is drunk to the point of being unable to consent. They're all that level of tipsy-almost-drunk where you get loud and laugh a lot and your inhibitions are lowered.

I've apparently decided that Etheria uses "hall pass" as a slang term the same way we do, to mean you and your partner have agreed that you can hook up/have sex with someone else in an otherwise-monogamous relationship. Hall passes are usually a specific person (often a celebrity), or for a specific event, such as "I have a hall pass for when I'm at fandom conventions out of town." The origin of the term is based in American schools, where it's a piece of paper or an object that lets people know you have permission to be out of class and in the halls, usually to go to the bathroom or run an errand for a teacher.

Edited from a post I made to tumblr, which itself was based on joking around on discord with bluedandylyon.

(I did debate whether to write this out into proper paragraphs, but I think it's funnier like this.)

See the end of the work for more notes

They've been playing a rowdy card game. Catra won this round, and Bow is shuffling the cards while Adora refills their drinks from a pitcher on the table. Glimmer pokes Bow's legs with her foot. Bow puts the cards down and looks back at her. Glimmer waggles her eyebrows. Bow laughs, nods, and sits back with his drink.

Adora: Aren't we going to play another round?

Bow: Yeah, in a minute.

Glimmer: Hey. Hey Catra.

Catra, picking up her drink: Yeah?

Glimmer: Y'know what? We should make out sometime. If Adora's okay with that.

Catra, nearly choking: What?!

Adora: …wait. No, wait, no, don't look at me like that I'm not upset, wait hold on. [stares off into space thinking as she takes a drink, then slowly grins] …yeah. Yeah I think you should. If you want to. But, y'know, only if I get to watch.

Glimmer: See, Adora's fine with it

Catra: Am I being pranked?!

Glimmer: Oh come on, everyone knows I think you're hot. And I know you think I'm hot

Catra, hiding her face by taking a drink: Yeah, but– [clears her throat] I mean. Maybe. Maybe not.

Adora, snort laughing: Catra!! Your face is *so red,* ahahahaha

Catra: Bow. You're the voice of reason around here. Please say something.

Bow, grinning and shrugging: It's not news to me that Glim wants to kiss you; we've talked about it. I know Glimmer loves me and kissing you won't change that. Besides, I have a hall pass for Sea Hawk, we decided that years ago

Adora, suddenly perking up: What?! You can do that? I want a hall pass!

Catra, too surprised to be hurt: For *who?*

Glimmer, laughing so hard she can barely speak: I bet I knooooow!

Bow, still grinning: Yeah I'm pretty sure I can guess

Adora: *Anyway!* We're not talking about me right now okay we're talking about you two

Catra: No, no; I gotta know who it is! C'mon, Adora, who is it, I won't be mad

Adora: *Fine.* [mumbles indistinctly into her drink]

Catra: Okay, I know my hearing is better than yours but I still couldn't understand that

Glimmer, unable to contain herself: HUNTARA I KNOW IT'S HUNTARA

Catra, laughing: Seriously?!

Glimmer: Holy fuck you should've seen Adora when we met Huntara, Adora wanted her so bad and she was *so* obvious, it was so fucking funny. [imitating Adora] Oh, *wowww*

Catra, grinning: See, now it's your turn to be red

Adora: I need another drink

Catra: You've barely touched that one! And you're not denying that it's Huntara.

Adora: Nope. But she's not here. [tops off her drink, downs half of it in one go] And Glimmer is. So. Do you wanna make out with Glimmer?

Catra: I, um–

Adora: I told you I made out with Glimmer that one time.

Catra: Yeah but that was different!

Glimmer: Catra's right, that *was* different. That was just friends experimenting. I was like, barely eighteen.

Bow, laughing: Are you saying you're not friends with Catra?

Glimmer: No! I mean yes! I mean, ugggh. I mean Adora's objectively pretty, sure; but I wasn't *attracted* to her. It really was just friendly curiosity.

Adora, pretending to be hurt: You weren't attracted to me?

Glimmer: Oh please. I was already wishing I could kiss Bow, and if you try to tell me you weren't thinking of Catra I will call you a liar.

Adora: I wasn't at the time, while we were kissing.

Glimmer: Liar.

Adora: Later that night, though–then I did.

Glimmer: Gay.

Adora: You're literally hitting on my wife.

Glimmer: Yes, because I'm a greedy bisexual who has kissed everyone else in this room already. And because your wife is hot.

Adora: Yeah, she is.

Catra: Okay, now you're all staring at me

Glimmer: Hey. You're allowed to say no. Or even just not right now. I won't be upset or anything.

Catra: Hold on, I didn't say no! But–Adora–are you *sure* you're okay with this?

Adora: Uh, yeah? I know you love me. I also know you think Glimmer is hot.

Catra: I never said that

Adora: I have eyes

Catra: Yeah, but–

Adora: D'you think I don't know how you look at people you think are hot?

Catra: …that's fair

Adora: Like, your pupils get bigger, and your tail–

Catra: Okay, you can stop now.

Glimmer: Well?

Catra: [takes a deep breath and puts her drink on the table] If anybody gets upset about it later you're not allowed to be angry at me, okay?

Adora: I won't be, but okay

Bow: Of course

Glimmer: *Finally!* [puts her drink down and climbs into Catra's lap, straddling her thighs]

Catra: [trills in surprise]

Glimmer: Holy shit that noise is cute. And your pupils are *huge.*

Catra: I'm not cu–*mmph!*

She's cut off by Glimmer grabbing her shirt and kissing her. She pulls back, looks at Catra again, and then they're both moving in to deepen the kiss. Glimmer shoves Catra's hands from her lower back to her ass. Catra grunts and squeezes and Glimmer makes a high-pitched noise into Catra's mouth, then puts her own hands in Catra's hair. A few moments later Glimmer clearly forces herself to end the kiss and sit back. Both of them catch their breath and look a little dazed. Catra is audibly purring.

Glimmer: Fuck. I really hope I remember this tomorrow.

Catra: …yeah.

Bow: [clears his throat] Well I think I'm going to remember this for the rest of my life.

Adora: Ngghh. I mean, same. Ha ha.

Catra, still purring: Adora, you know I can smell how much you enjoyed that

Adora, a little breathless: Shut up

Catra: Make me

Glimmer: Hello, I'm still literally in your lap

Catra: Yeah, and for the record, you still taste like glitter

End Notes

They're all going to remember this. It's going to be awkward for a few days. But it absolutely happens again, ahaha.

Yeah yeah I know Etheria doesn't have any stigma around being bisexual but the joke was too funny not to include.

Same with the "you even taste like glitter" reference.

A compilation of cats trilling, aka the Cat Activation Sound, aka "prrt?" or "mrrp?"

Do you think Bow and Adora ever get to use their hall passes? I'm thinking no: Sea Hawk only has eyes for Mermista (and arson), and Huntara would likely be flattered but not interested. (I say this even knowing I've read some amazing Adora/Huntara lol)
